Basketball players examined by Dr. John H. Munro during the past year numbered twenty-three in January and twenty-eight in November.

In May T. B. Skin Patch Tests were given to ninety-seven pupils and school personnel with two positive reactions in the high school and six in the school personnel. These were

followed up by chest x-rays which showed no positive findings. This examination was made possible by the N. H. T. B. Association and the tests were given by Miss Cluffie Gobie, the County T. B. Nurse and Miss Elizabeth Carriel who is employed by the N H. Board of Health.

In June a dental clinic was conducted at the school for two days by Dr. E. F. Keane with sixteen pupils receiving complete care. This clinic was financed by Lake Grange, Crescent Rebekah Lodge and the Bartlett Fund. Considerable dental work has been done for school pupils aside from the clinic through the generosity of the Bartlett Fund.

During the past year at the school, there have been three cases of scarlet fever, fourteen cases of mumps, eight of chicken pox, two of whooping cough and one of measles. Three cases of Vincent's Angina and one of scabies were excluded until danger of infection was past.

In September, Mrs. Edith P. Harrison was elected president of the local board of public health nursing and Mr. Cleon Ruffle was appointed as a member of the board.

I wish to thank the people of Sunapee, including the Board of the Lake Sunapee Nursing Association, the doctors, parents, teachers, local organizations and the town officials for the cooperation given to our nursing program.

Respectfully submitted,

FLORENCE P. ROLLINS, R. N.

## REPORT OF FOREST FIRE WARDEN

### PREVENT FOREST FIRES—IT PAYS

An average of 7,300 acres of woodland are burned over by forest fires in New Hampshire each year destroying many thousand dollars worth of property of all description. It costs many additional thousands of dollars and requires valuable man hours, taken from other essential work, to extinguish them. These losses affect the personal fortunes of the owners, and town and state economies. Everyone loses because of them.

Analysis of fire reveals the fact that more than 98 percent of all forest fires are, consistently, the result of human carelessness and are preventable!

We have been extremely fortunate during the past few years. Favorable fire weather and war time restrictions on travel which kept people off the highways and out of the woods have aided materially in reducing fire risks, keeping fires fewer and fire losses low.

We now face changed conditions. People can travel freely. Their love for travel and the freedom of the woods will bring them out in ever increasing numbers. This will step up the fire risks materially. The accelerated cutting of the war years has resulted in additional thousands of slash acres. These factors, combined with a possible dry season and human carelessness could easily produce a catastrophe. Everyone must, consequently, be on his guard. He should:

1. Be careful with fire or when smoking in or near woodlands.
2. Cooperate with the local forest fire warden and his deputies by:
  - a. Abiding cheerfully with whatever restrictions it may be necessary to impose. They are intended only to be helpful.
  - b. Securing permits to burn debris when the ground is not covered with snow.
  - c. Seeing that others comply with the requirements.
  - d. Promptly coming to the warden's assistance when needed.

If these few fundamental practices are followed it will be possible to PREVENT a large proportion of FOREST FIRES from starting—that PAYS!

CLAYTON MORGAN,  
Forest Fire Warden.

JOHN Q. PAUL,  
B. M. HOLMES,  
Deputy Wardens.

## LIBRARIAN'S REPORT

---

In June 1946, the Library building will have been open twenty years. During this time, many books have been added, some discarded as worn out or useless; many rebound for more use; standard juveniles added in better print, and the biographical section has been built up. The Library tries to fit itself to the needs of the town. Each year the different church, grange and county reading lists are received and checked for available books in our local library. The school need is met either by purchase or borrowing from some other library or the State.

The Library has received this past year a scrapbook on "Sunapee," collected and compiled by Marcia Putney and left by her to the Library. This is a valuable book and supplements one on "Sunapee" that has been made and kept at the Library.

Mrs. Porterfield of Sunapee and California has given the Library a picture.

## SUPERINTENDENT'S REPORT

---

To the Sunapee School Board:

I herewith submit my twelfth annual report as superintendent of schools.

There are six more pupils in high school than there were last year. The enrollment will doubtless increase to over 60 in a year or two, equalling pre-war figures. The total number of pupils in school is just the same as last year.

### Teachers

Since the last report six of our eleven teachers have left.

Mrs. Grace Campbell resigned to take another position. Her place is filled by one of our former successful teachers, Mrs. Dorothy Jones.

Mr. Lester Clafin, our efficient shop teacher, accepted a position in Hanover. Notwithstanding the scarcity of shop instructors we were able to secure Mr. James Jordan, a graduate of Keene Teachers College. During the war he was an inspector of airplanes.

Miss Alda Brown resigned for another position. As her successor we were fortunate to secure Mrs. Alice Nickerson, another one of our former successful teachers.

Miss Ruth Densmore accepted another position. Her place is filled by Mrs. Vivian Lancaster, a graduate of Salem (Mass.) Teachers College.

Miss Shaughnessy, supervisor of music, is studying this year at Columbia University. The new supervisor is Miss Ruth Berube, a graduate of Lowell Teachers College.

At the Christmas vacation (1945) Miss Thelma Jordan resigned on account of her health. Her successor is Mr. Elson Herrick, a graduate of Keene Teachers College. He formerly taught grades 7 and 8 at New London.

### Bartlett Prize Speaking

At the annual prize speaking contest, held in the open-air theater, June 1, 1945, there were nine contestants, two of them boys. The results were as follows: First prize, Beverly Jones, reciting "The Unknown Speaker," anonymous. Second prize, Edythe Collins, reciting "Pa Was Always Whistling" by Alice Maxwell. Third prize, Priscilla Holmes, reciting "The King's Jewel" by Henry van Dyke.

Our benefactor, Hon. John H. Bartlett, has added another gift of \$1,000.00 to further develop the school grounds. He has most generously provided the means for carrying out his project "to complete the educational purposes of a forum for public speaking which I have heretofore given and to improve the school property and grounds." The total amount of the fund is now \$4,900.00.

The citizenship medal, awarded to a pupil in the eighth grade by the Sons of the American Revolution, was presented to Madeline Dinkins.

At the graduation of the class of 1945 Dorothy Rollins was valedictorian and Edythe Collins was salutatorian. Edythe Collins is attending Keene Teachers College. Leona Ruggles is at Plymouth Teachers College. Dorothy Rollins is working in the Carrie F. Wright Hospital in Newport and will take training for nursing.

Last year we started a guidance program by giving to Juniors tests which indicate their interests and abilities. The headmaster held conferences to aid pupils in planning their future training or employment. We also furnished a vocational guidance magazine and pamphlets. The schools have a responsibility for planning careers as well as teaching essential courses.

Basketball was emphasized last year as a school sport. Mr. Millett coached about ten boys and Mrs. Campbell coached about fourteen girls. This year twelve boys are playing basketball under the direction of Mr. James Jordan and nineteen girls are playing under Mrs. Dorothy Jones.

The arduous work of administering schools in these disturbed times is made appreciably lighter by the hearty cooperation of all connected with the schools.

Respectfully submitted,

ALFRED W. SMITH,  
Superintendent of Schools.
