Antidote information is provided in cases of accidental poisoning or drug abuse.

TO REPORT A FIRE DIAL 911

Burning Regulations

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Auburn Fire Department for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days, in a safe place and in accordance with the term of the permit. Burn before 9:00 a.m. and after 5:00 p.m. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

Parking During Snow Storms

- A. From November 2 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 p.m. and 8:00 a.m. or at any time in such manner as to impede snow removal operations.
- B. Any vehicle parking in violation of Section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.
- C. Any person violating Section A hereof shall be subject to a penalty not to exceed twenty-five (\$25.00) dollars for each offense.

Dog Ordinance

- A. **RESTRAINT:** All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.
- B. **PENALTY:** Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen (\$25.00) dollars for each offense.

Community Information

Selectmen's Office

Board meets Monday night at 7:00 p.m. Office: Monday and Thursday 8:00 a.m. to 4:30 p.m.; Tuesday and Friday 8:00 a.m. to 12:00 noon; Wednesday 9:00 a.m. to 2:00 p.m. For information or appointment with the Board call 483-5052. Columbine S. Cleaves, Office Manager (Retired); Wendy Reed, Budget And Finance Coordinator; Dale W. Phillips, Assessing

Town Clerk and Tax Collector

Monday, Wednesday and Thursday, 9:00 a.m. to 2:00 p.m. and Monday 6:00 p.m. to 8:00 p.m.; Friday 9:00 a.m. to 12:00 noon. Nancy H. Gagnon, Town Clerk; Mary F. Griffin and Joanne Linxweiler, Deputy Town Clerks. Eva L. Lunnie, Tax Collector; Yvonne Crocker, Michael Zorawowicz, Deputy Tax Collectors. Phone 483-2281.

TOWN OF AUBURN

To the Residents of Auburn

Auburn continues to be a desirable community to live in, with a reasonable tax rate, a good school and a good quality of life. All of this is possible because of the many volunteers and the quality of employees in the Town of Auburn. We would like to give a special thanks to all of these people, including their spouses and significant others. We, the Board of Selectmen, consider ourselves mediocre conductors working with a world class orchestra. We are very proud to be serving with them and the citizens of the community.

Our road reconstruction program continues to move forward. Bunker Hill Road was completed and Pingree Hill Road was reconstructed from Wilson Crossing to the Pingree Hill bridge, with the final coat of tar to be put on this year. The State of New Hampshire has accepted the Coleman Road Bridge. This is to be replaced under the Bridge Aid Program. Eaton Hill Road, from Hooksett Road to Raymond Road, is to be reconstructed to accommodate the Safety Complex building, which is scheduled to be erected in 2000.

The Board of Selectmen have decided to place money aside to be able to stabilize the tax rate in future years. The Unexpended Fund balance on December 31, 1998 was \$1,100,000.00 and it is estimated the balance on December 31, 1999 will be in the area of \$1,500,000.00. Rather than raise dollars through taxation, increasing the tax rate, dollars could be removed from the fund with your approval, to help maintain a stable tax rate.

It is anticipated closure will take place on the sale of the Rifle Range property and construction is to begin on the Wellington Business Park. This will expand the tax base.

We welcome all of our new residents and highly recommend that you examine the 1999 Town Report, as it contains a wealth of information. As always, all of your suggestions are welcomed. Your time and talent as volunteers is what makes us proud to live in Auburn. This is the year to volunteer. Will you step forward? Thanks.

Albert J. Samson, Chairman

Gail Clark

Harland Eaton

TOWN WARRANT STATE OF NEW HAMPSHIRE

To the inhabitants of Town of Auburn, in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the gymnasium in the Auburn Village School in Auburn New Hampshire on Tuesday, March 14, 2000, at 7 am. to act upon the following subjects:

To bring your ballots for:

FIRST: Selectman for three years
 Moderator for two year
 Treasurer for one year
 Highway Agent for three years
 Library Trustee for three years
 Cemetery Trustee for three years-
 Auburn Village Cemetery
 Cemetery Trustee for three years-
 Longmeadow Cemetery
 Trust Fund Trustee for three years
 Supervisor of the Checklist for six years
 Auditor for two years
 Police Commission for three years

SECOND: Shall we modify the Elderly Exemption qualifications for Elderly Exemptions from property taxes in the Town of Auburn to provide that: *“To qualify a person must have been a New Hampshire resident for at least five years, own the real estate individually or jointly, or if the real estate is owned by such person’s spouse, they must have been married at least five years. In addition the taxpayer must have a net income of not more than \$25,000.00 (increased from \$20,000.00); or if married, a combined net income of less than \$37,500.00 (increased from \$30,000.00); and own net assets not in excess of \$50,000.00 (increased from \$35,000.00) excluding the value of the persons residence: (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)*

THIRD: To see if the Town will vote to adopt the following amendments to the existing Town Zoning Ordinance as proposed and recommended by the Auburn Planning Board

1. Amend Section 3.14 Watershed Protection Regulations, to clarify the standards for Watershed Protection, and to further clarify the standard for relief from the Wetland setback, to read as follows:

3.14 Watershed Protection Regulations

In the interest of public health, convenience, safety and welfare, the following regulations are intended to guide the use of watershed areas, to control building and land uses which would contribute to pollution of surface and ground water by sewage, to prevent the destruction of watershed areas which provide flood protection, recharge of ground water supply, and augmentation of stream flow during dry periods, to prevent unnecessary or excessive expenses to the Town, to provide and maintain essential services and utilities which arise because of inharmonious use of watershed areas, to prevent the destruction of habitats for plants, fish and wildlife of importance, and to encourage those uses that can be appropriately and safely located in this area.

1. Jurisdiction. The Planning Board shall exercise jurisdiction over this section in those matters which require Site Plan Review or Subdivision Approval, except with regard to an application under subsection 6 for relief within a seventy five (75) foot wetlands setback. The Zoning Board shall exercise jurisdiction over this section as it applies to all other lots. Any decision of the Planning Board granting relief from the one hundred twenty-five foot (125 foot) setback shall be noted on the recorded plan. An aggrieved party may appeal the decision of the Planning Board to the Zoning Board of Adjustment in accord with NH RSA 676:5 (III).

2. Watershed Protection Area. For the purpose of these regulations the Watershed Protection Area shall be defined as a buffer zone of one hundred twenty five feet (125 feet) set back from the edge of bodies of water, brooks, streams and wetlands. No septic system, lawn, yard, parking lot or landscaping shall be constructed within the Watershed Protection Area and no structure shall be constructed within the Watershed Protection Area except for structures which are normally associated with use in or near water or relate to transportation over water. This section shall not limit the authority of the Planning Board to require an applicant to construct improvements within the Watershed Protection Area when the Planning Board deems such improvements to be both beneficial to the Town and without adverse impact to the Watershed Protection Area.

3. Limited Activities.

a. Timber Harvesting and Brush Clearing. Except to the extent necessary to prevent imminent personal injury or property damage, no cutting or removal of living trees or shrubs shall be permitted in the Watershed Protection Area without permission for the same having been obtained from the Town Forester of the Town of Auburn, New Hampshire, who shall grant such permission after having ascertained the proposed cutting or removal is to be conducted in a fashion that is consistent with the purpose of this Section and will have as limited an effect on the Watershed Protection Area as is reasonably possible.

b. Road, Driveway, and Accessway Construction. In the event that it shall be necessary or beneficial to construct a road, driveway or accessway through a Watershed Protection Area then such road, driveway or accessway shall be constructed under the supervision of the designated Town Engineer, and the Board of Selectmen, and shall be constructed in such a way as to minimize the environmental impact that such construction shall have on the Watershed Protection Area.

4. Allowable Activities, Subject to Board Review. Any of the following activities that do not result in the deterioration of the water quality in the protected area shall be permitted within the Watershed Protection Area by the Board with jurisdiction, provided the applicant submits conclusive evidence at a duly noticed public hearing showing the proposed activity will provide increased protection of the Watershed.

- a. Miscellaneous trimming and pruning of forestry stock according to good forestry practices.
- b. Tree farming and forestry according to practices approved by the Town and/or County Forester.
- c. Agriculture.
- d. Ponds planned and executed under the direction of the USDA-SCS.
- e. Wildlife refuge and/or conservation area.
- f. Wharves, boathouses, and bridges.
- g. Wetlands mitigation, remediation, restoration and protection activities.
- h. Fire ponds, cisterns and dry hydrants.
- i. Retention basins and drainage systems.

This conclusive evidence may include a functional analysis prepared by a person or firm experienced in evaluating water shed protection areas. The proposed activity will be evaluated by the Board with jurisdiction to determine how it impacts the various beneficial functions of the Watershed Protection Area, area including: biological, hydrologic, ground water, flood storage, erosion protection, water quality, economic values, recreational values, aesthetic values, educational values and aquifer control. Any activity allowed by the Board shall be conditioned on conformity with the Regulations of the State of New Hampshire relating to protection of Lake Massabesic and its tributary areas, including but not limited to, the Shoreland Protection Act (NH RSA 483-B).

An application for relief from the Wetlands Protection Area for other than an allowable activity contained in this subsection shall be governed by the criteria set forth in subsections 5 and 6.

5. Chemical Distribution. No chemical fertilizers, pesticides, insecticides, or herbicides shall be used within the Watershed Protection Area. If any reduction of the designated Watershed Protection Area is granted, this limitation shall be stated on the Site Plan or Subdivision Plan and referenced in the deed for any property within the Watershed Protection Area.

6. Application for a Reduction of the Designated Watershed Protection: One Hundred Twenty Five (125) Feet to Seventy Five (75) Feet. Any lot owner seeking to engage in an activity other than the allowable activities set forth in subsection 3, may apply to the Zoning Board of Adjustment for a reduction of the Watershed Protection Area from 125 feet to a minimum setback of 75 feet. An applicant for Site Plan Approval or Subdivision Approval, seeking to engage in an activity other than the allowable activities set forth in subsection 3, may apply to the Planning Board for a reduction of the Watershed Protection Area from 125 feet to a minimum setback of 75 feet. Any relief granted by the respective Boards shall be for the minimum amount of relief required by the Applicant and shall be treated as a request for a special exception from the terms of this section.

Construction proposed by the applicant to take place within the 125 foot Watershed Protection Area, but no closer than seventy five (75) feet from the protected Watershed, may be permitted by the Board by special exception from the terms of this section, provided the applicant meets the criteria for a permitted use, and shows conclusively that the proposed construction will not adversely impact the protected Watershed. Construction shall be defined broadly and shall include proposed landscaping, lawns, yards, and parking.

The conclusive evidence may include a functional analysis prepared by a person or firm experienced in evaluating watershed protection areas. The Board shall consider the following functions of the Watershed Protection Area: biological, hydrologic, ground water, flood storage, erosion protection, water quality, economic values, recreational values, aesthetic values, educational values and aquifer control. The Board may only vote to reduce the Watershed Protection Area if it concludes that the proposed reduction of the Watershed Protection Area will not adversely impact the protected Watershed.

7. Application for Construction within Seventy Five (75) feet of a Protected Watershed. Except for the allowable activities set forth in subsection 3, all construction, lawns, landscaping, yards, or parking shall be prohibited within seventy five feet (75 feet) of the protected area. No bodies of water, streams or wetlands may be filled to achieve any minimum setback requirements.

The Zoning Board of Adjustment shall have exclusive jurisdiction over an application for construction within seventy five (75) feet of a protected Watershed. An applicant may request relief in order to permit construction within seventy five (75) feet of a protected Watershed, but may only be granted relief if they provide conclusive evidence that:

a. The proposed activity will not have any adverse impact on the protected Watershed; and

b. The proposed use and construction meets the criteria for a variance from the terms of this Ordinance.

The conclusive evidence of a lack of adverse impact may include a functional analysis prepared by a person or firm experienced in evaluating watershed protection areas. In addition to considering the criteria for a variance, the Zoning Board shall consider the following functions of the Watershed Protection Area: biological, hydrologic, ground water, flood storage, erosion protection, water quality, economic values, recreational values, aesthetic values, educational values and aquifer control in determining whether or not the proposed construction will adversely impact the protected watershed. (Recommended by the Planning Board)

2. Amend the Town of Auburn Zoning Ordinance Section 7.01 General to adopt certain new building codes by amending paragraph number 1 to read as follows:

1. All construction shall be in compliance with BOCA National Building Code, 1999 edition, and the CABO Single Family and Two Family Residential Code, 1995. (Recommended by the Planning Board)

3. Amend the Town of Auburn Zoning Ordinance, Section 7.06 Certificates of Occupancy, to add a sentence to the first paragraph, requiring the filing of a certified plot plan prior to the receipt of a certificate of occupancy, to read as follows:

1. No land or building shall be occupied, used, or changed in use until a Certificate of Occupancy shall have been issued by the Building Inspector stating that the proposed use of such land or building complies with all the provisions of this Ordinance. In the case of construction on a new foundation, a certified plot plan shall be submitted to the Building Inspector at the time of the foundation inspection showing the location of the new foundation on the lot, and delineating the edge of any wetland within 150 feet of the construction. The submission of the certified plot plan shall be a precondition to receipt of a Certificate of Occupancy.

(Recommended by Planning Board)

4. To readopt the provisions of the Town of Auburn's Growth Management Ordinance set forth in Section 3.09 Growth Management and to reaccept the recommended limits on growth set by the Ordinance. (Recommended by the Planning Board)
5. Amend the Town of Auburn Zoning Ordinance, Section 7.03 Building Permits in its entirety to read as follows:

7.03 Building Permits

The Building Inspector is authorized to charge and collect for the Town, the fees for building permits, inspections, and certificates of occupancy. The Building Inspector shall receive applications and issue Building Permits under the fee schedule set forth in Appendix E. Amend the Town of Auburn Zoning Ordinance to add an Appendix E, setting forth a Fee Schedule for Building Permits and Inspection Fees to read as follows:
(Recommended by Planning Board)

APPENDIX E

FEE SCHEDULE FOR BUILDING PERMITS AND INSPECTIONS

The following Fee Schedule shall be in effect until such time as amended by the Planning Board.

1. New Construction

- a. Residential Construction: The following fee schedule shall apply to the construction of all new dwellings and other structures for residential use.
 - (i). Building Permit Fee: The building permit fee shall be determined by a cumulative assessment of seven cents (\$.07) per square foot of non-living space [unfinished floor(s) and unfinished basement area] plus ten cents (\$.10) per square foot of living space (finished living area).
 - (ii). Driveway Permit Fee: The driveway permit fee shall be fifty dollars (\$50.00) per curb cut.
 - (iii). Septic Permit Fee: The septic permit fee shall be thirty dollars (\$30.00).
 - (iv). Sprinkler Permit Fee (Two-family dwelling): \$50.00

(v). Inspection Fees: The inspection fees shall be as follows:

- Septic Test Pits and Design Review: \$30.00;
- Electrical Inspection: \$25.00;
- Plumbing Inspection: \$25.00;
- Heating Inspection: \$25.00; and
- Fireplace Inspection: \$25.00

(vi). Permit Renewal Fees: Permit renewal fees shall be based on a determination by the building inspector as to the percentage of completion of construction. Fees shall be charged as follows:

- 25% Completion: \$100.00;
- 50% Completion: \$ 75.00; and
- 75% Completion: \$ 50.00

b. Commercial and Industrial construction: The following fee schedule shall apply to construction of all new commercial and industrial buildings and structures:

(i). Building Permit Fee: A building permit fee shall be assessed at a cumulative rate of fifteen cents (\$.15) per square foot of total floor space, with the basement and all floors included.

(ii). Driveway Permit Fee: The driveway permit fee shall be fifty dollars (\$50.00) per curb cut.

(iii). Septic Permit Fee: The septic permit fee shall be thirty dollars (\$30.00).

(iv). Sprinkler Permit Fee: \$50.00

(v). Inspection Fees: The inspection fees shall be as follows:

- Septic Test Pits and Design Review: \$30.00;
- Electrical Inspection: \$50.00;
- Plumbing Inspection: \$50.00;
- Heating Inspection: \$50.00; and
- Fireplace Inspection: \$25.00

(vi). Permit Renewal Fees: Permit renewal fees shall be based on a determination by the building inspector as to the percentage of completion of construction. Fees shall be charged as follows:

- 25% Completion: \$100.00;
- 50% Completion: \$ 75.00; and
- 75% Completion: \$ 50.00

2. Remodeling

a. Residential Remodeling: All renovations, additions and remodeling to existing residential buildings and structures shall be assessed the following fees:

(i). Building Permit Fee: The building permit fee shall be determined by an assessment of six cents (\$.06) per square foot, including all renovated, remodeled or added square footage, whether finished or unfinished.

(ii). Inspection Fees: The inspection fees shall be the same as for new residential construction.

b. Commercial and Industrial Remodeling: All commercial and industrial renovation, additions, or remodeling shall be assessed the following fees:

(i). Building Permit Fee: The building permit fee shall be assessed at the same rate as charged for new commercial or industrial construction and shall be based on the square footage of all renovated, added, or remodeled area, whether finished or unfinished.

(ii) Inspection Fees: The inspection fees shall be the same as for new commercial or industrial construction.

3. Detached Accessory Structures

a. Detached Structures Accessory to Residential dwellings: The following fee schedule shall apply to the construction of detached structures which are accessory to residential dwellings:

(i). Building Permit Fees: A building permit fee shall be assessed at a cumulative rate of six cents (\$.06) per square foot, whether finished or unfinished floor space.

(ii). Inspection Fees: Inspection fees for detached structures accessory to residential dwellings shall be the same as for inspection of new residential construction.

b. Detached Structures Accessory to Commercial or Industrial buildings: The following fee schedule shall apply to the construction of detached structures which are accessory to commercial or industrial buildings:

(i). Building Permit Fee: The building permit fee shall be assessed at the same rate as charged for new commercial or industrial construction and shall be based on the square footage of the detached structure, whether finished or unfinished.

(ii). Inspection Fees: Inspection fees for detached structures accessory to commercial or industrial buildings shall be the same as for inspection of new commercial or industrial construction.

4. Relocated Structures

The fees for relocated structures shall be the same as new structures whether residential, commercial or industrial.

5. Reinspection fees

There shall be no fee for the first reinspection. However, the fee for any second or subsequent reinspection system shall be charged at 50% of the fee for the initial inspection. (Recommended by Planning Board)

The polls will be open at 7 am. and close at 7 pm.

You are also notified to meet on Saturday, March 18, 2000, at 1 pm. at the Auburn Village School to consider the following articles:

FOURTH: Shall we adopt the provisions of RSA 31:95-c to restrict Ninety-seven thousand, Eight-hundred, Twelve Dollars (\$97,812.00) of revenues from State Highway Block Grant Aid for the purpose of road reconstruction. Such revenues and expenditures shall be accounted for in a special revenue fund and added to the existing Highway Reconstruction Fund Expenditures, separate from the general fund. Any surplus in said fund shall not be deemed expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. (Recommended by the Board of Selectmen)
(Recommended by the Budget Committee)

FIFTH: To see if the Town of Auburn will raise and appropriate the sum of Two hundred, two thousand, One-hundred, Eighty-eight Dollars (\$202,188.00) to be added to the Highway Reconstruction Capital Reserve Fund. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

SIXTH: To see if the Town of Auburn will appropriate \$30,000.00 to come out of the Unexpended Fund balance to cover the cost of a wage study by MRI (Municipal Resources Inc.), no part of such amount to be raised by taxes. Said study to include wage classification, job description clarification and to examine the town with respect to its growth and what type of management system it needs. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

SEVENTH: To see if the Town of Auburn will vote to create a Capital Reserve Fund in accordance with RSA 35:1 for closure of the former Solid Waste/Incinerator site and to appropriate, from the Unexpended Fund Balance, the sum of \$50,000.00 to be deposited into this newly created fund. (Recommended by the Board of Selectmen)
(Recommended by the Budget Committee)

EIGHTH: To see if the Town of Auburn will vote to appropriate the sum of up to \$18,000.00 which is the amount of interest earned and any additional interest to be earned from the Safety Complex Bond investment, up to \$14,000.00 in revenue generated from the sale of Timber on the site, towards the Safety Complex and its' associated costs. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

NINTH: To see if the Town of Auburn will vote to raise and appropriate the sum of up to \$25,000.00 to compensate police officers for outside duty. Such sum to come from revenue earned from outside duty details, and no part of such amount is to be raised by taxation. Passage of this article will have no effect on the tax rate. (Recommended by the Board of Selectmen) (Recommended by the Board of Selectmen)

TENTH: To see if the Town of Auburn will vote to appropriate \$25,000.00 from the Unexpended Fund Balance for architectural costs associated with the construction of the Town Hall. A committee of up to seven people, appointed by the Selectmen will head this project. Passage of this article will not affect the tax rate. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

ELEVENTH: To see if the Town of Auburn will vote to create a Capital Reserve Fund in accordance with RSA 35:1, towards the construction of a Town Hall and to appropriate, from the Unexpended Fund Balance \$300,000.00, to be deposited into this Fund. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

TWELFTH: To see if the Town of Auburn will authorize the Selectmen to sell an existing town owned Right of Way leading to Map 4, Lot 25 Rockwood Terrace to the owner of Map 4, Lot 25 Rockwood Terrace, the price to be determined by appraisal. (By Petition)

THIRTEEN: To see if the Town of Auburn will vote to send the following resolution to the New Hampshire General Court: " Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources." (By Petition)

FOURTEENTH: To see if the Town of Auburn will vote to authorize indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year and which has not been previously accepted. (Majority vote required)

FIFTEENTH: Shall the Town of Auburn accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to issue tax anticipation notes. (Majority vote required)

SIXTEENTH: To see if the Town of Auburn will vote to accept, indefinitely, such Trust Funds as may come in during the year and Trust Funds as have not been previously accepted.

SEVENTEENTH: To see if the Town of Auburn will vote to use the income from the H.B Burnham Fund for the schools or library until such time as this authorization is specifically rescinded.

EIGHTEENTH: To see if the Town of Auburn will vote to authorize the Board of Selectmen to accept gifts of personal property, other than money, on behalf of the Town , for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by the voters at Town Meeting. (Majority vote required)

NINETEENTH: Shall the Town of Auburn accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year ? (Majority vote required)

TWENTIETH: To see if the Town will vote to authorize the Selectmen to dispose of any or all property acquired by tax deed, through public auction or sealed bid, with right to reject all bids

TWENTY-FIRST: To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

TWENTY-SECOND: To transact any other business that may legally come before the Town meeting.

Given under our hands and seals this Tenth day of February, 2000.

The Selectmen of the Town of Auburn

Albert Samson, Chairman
Gail Clark
Harland Eaton

SECOND: To see if the Town will vote to adopt the following amendments to the existing Town Zoning Ordinance as proposed by the Planning Board

1. Are you in favor of adopting Amendment No. 1 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows: Amend the Town of Auburn Zoning Ordinance to add a final sentence to Section 2.02 **Words and Terms**, 27. Dwelling Unit, Accessory :, as follows:

An applicant for an accessory dwelling unit shall be required as a condition of approval, to record a restrictive covenant in the registry of deeds indicating that it shall not be used as a rental unit.

(Recommended by the Planning Board)

YES 657

NO 379

2. Are you in favor of adopting Amendment No. 2 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows: Amend the Town of Auburn Zoning Ordinance, Section 3.17 **Frontage**, to insert the word "paved" into the Section to read as follows:

All building lots within the Town of Auburn shall have their minimum required road frontage upon a Class V or better road within the Town of Auburn. All new building lots within the Town of Auburn shall have their minimum required road frontage upon a Class V or better paved road within the Town of Auburn. (Recommended by the Planning Board)

YES 706

NO 326

3. Are you in favor of adopting Amendment No. 3 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows: Amend Section 3.19 **Underground Storage Regulation**, subsection 3. **Minimum Standards for New Underground Storage Facilities**, to add the following sentence to the beginning paragraph as follows:

These minimum standards are supplemental to the regulatory requirements of the NH Department of Environmental Services [NHDES] and any new, modified or replacement residential and non-residential underground storage facilities shall also comply with the NHDES regulations.

(Recommended by the Planning Board)

YES 848

NO 196

4. Are you in favor of adopting Amendment No. 4 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows: Amend the Town of Auburn Zoning Ordinance to add a new Section 6.15 **Variances to Accommodate Physical Disability** to the Town of Auburn Zoning Ordinance to permit a variance in order to accommodate a person or persons with a recognized physical disability by adding the following section: The Board may grant a variance without finding a hardship arising from the condition of the premises when reasonable accommodations are necessary to allow a person or persons with a recognized physical disability to reside in or regularly use the premises provided that:

1. Any variance granted under this provision shall be in harmony with the general purpose and intent of this Ordinance; and

2. In granting any such variance the Board may provide, in a finding included in its written decision, that the variance shall survive only so long as the particular person or persons has a continuing need to use the premises. When such a limitation has been imposed on the variance any improvements made as a result of the variance shall, at the sole discretion of the Board, be removed upon cessation of use by the particular person or person(s) who are the subject of the variance. (Recommended by the Planning Board)

YES 815

NO 221

5. Are you in favor of adopting Amendment No. 5 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows: Amend the Town of Auburn Zoning Ordinance, Section 7.03 **Building Permits** in its entirety to set forth a new fee schedule as follows:

7.03 Building Permits

The Building Inspector shall receive applications and issue Building Permits under the fee schedule set forth in this section.

1. New Construction

a. Residential Construction: The following fee schedule shall apply to the construction of all new dwellings and other structures for residential use.

(i). Building Permit Fee: The building permit fee shall be determined by a cumulative assessment of seven cents (\$.07) per square foot of non-living space square foot of living

space (unfinished floor(s) and unfinished basement area) plus ten cents (\$.10 per square foot of living space (finished living area).

(ii) Driveway Permit Fee: The driveway permit fee shall be fifty dollars (\$50.00) per curb cut.

(iii) Swimming pools and decks Permit Fee:

The permit fee shall be twenty-five dollars (\$25.00).

(iv.) Septic Permit Fee: The septic permit fee shall be thirty dollars (\$30.00).

(v) Sprinkler Permit Fee (Two-family dwelling):\$50.00

(vi) Inspection Fees: The inspection fees shall be as follows:

-Septic Test Pits and Design Review: \$30.00;

-Electrical Inspection: \$25.00;

-Plumbing Inspection: \$25.00;

-Heating Inspection: \$25.00;

-Fireplace Inspection: \$25.00;

(vii) .Permit Renewal Fees: Permit renewal fees shall be based on a determination by the building inspector as to the percentage of completion of construction. Fees shall be charged as follows:

-25% Completion: \$100.00;

-50% Completion: \$ 75.00;

-75% Completion: \$ 50.00;

b .Commercial and Industrial Construction: The following fee schedule shall apply to construction of all new commercial and industrial buildings and structures:

(i). Building Permit Fee: A building permit fee shall be assessed at a cumulative rate of fifteen cents (\$.15) per square foot of total floor space, with the basement and all floors included.

(ii). Driveway Permit Fee: The driveway permit fee shall be fifty dollars (\$50.00) per curb cut.

(iii). Septic Permit Fee: The septic permit fee shall be thirty dollars (\$30.00).

(iv) Sprinkler Permit Fee: \$50.00

(v). Inspection Fees: The inspection fees shall be as follows:

-Septic Test Pits and Design Review: \$30.00;

-Electrical Inspection: \$50.00;

-Plumbing Inspection: \$50.00;

-Heating Inspection: \$50.00;

-Fireplace Inspection: \$25.00;

(vi). Permit Renewal Fees: Permit renewal fees shall be based on a determination by the building inspector as to the percentage of completion of construction. Fees shall be charged as follows:

-25% Completion: \$150.00;

-50% Completion: \$100.00;

-75% Completion: \$75.00;

2. Remodeling

a. Residential Remodeling: All renovations, additions and remodeling to existing residential buildings and structures shall be assessed the following fees:

(i). Building Permit Fee: The building permit fee shall be determined by assessment of seven cents (\$.07) per square foot, including all renovated, remodeled or added square footage, whether finished or unfinished.

(ii). Inspection Fees: The inspection fees shall be the same as for new residential construction.

b. Commercial and Industrial Remodeling: All commercial and industrial renovation, additions, or remodeling shall be assessed the following fees:

- (i).Building Permit Fee: The building permit fee shall be assessed at the same rate as charged for new commercial or industrial construction and shall be based on the square footage of all renovated, added, or remodeled area, whether finished or unfinished.
- (ii) Inspection Fees: The inspection fees shall be the same as for new commercial or industrial construction.

3. Detached Accessory Structures

a. Detached Structures Accessory to Residential dwellings: The following fee schedule shall apply to the construction of detached structures which are accessory to residential dwellings:

- (i). Building Permit Fees: A building permit fee shall be assessed at a cumulative rate of seven cents (\$.07) per square foot, whether finished or unfinished floor space.
- (ii). Inspection Fees: Inspection fees for detached structures accessory to residential dwellings shall be the same as for inspection of new residential construction.

b. Detached Structures Accessory to Commercial or Industrial buildings: The following fee schedule shall apply to the construction of detached structures which are accessory to commercial or industrial buildings:

- (i). Building Permit Fee: The building permit fee shall be assessed at the same rate as charged for new commercial or industrial construction and shall be based on the square footage of the detached structure, whether finished or unfinished.
- (ii).Inspection Fees: Inspection fees for detached structures accessory to commercial or industrial buildings shall be the same as for inspection of new commercial or industrial construction.

4. Relocated Structures: The fees for relocated structures shall be the same as new structures whether residential, commercial or industrial. (Recommended by the Planning Board)

YES 500 NO 537

6. Are you in favor of adopting Amendment No. 6 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows: Amend the Town of Auburn Zoning Ordinance, Section 7.10 Smoke Detectors, Fire Detectors, Carbon Monoxide Detectors and Fire Suppression Equipment to read as follows: All new construction shall be equipped with smoke detectors, fire detectors, carbon monoxide detectors and fire suppression equipment in accord with the BOCA Code, and CABO Single Family and Two Family Residential Code. (Recommended by the Planning Board)

YES 805 NO 262

7. Are you in favor of adopting Amendment No. 7 as proposed by the Planning Board for the Town of Auburn Zoning Ordinance as follows: Amend the Town of Auburn Zoning Map to rezone the area of land commencing at the intersection of McEvoy Drive and Hooksett Road, and proceeding northerly along the easterly line of McEvoy Drive 700 feet +/-, thence proceeding on a bearing of South 77 degrees East for a distance of approximately 522 feet +/-, to the lot line of Tax Map 9, Lot 15, thence proceeding northerly along said line to the northerly line of said lot, thence easterly along said lot line to the right of way of Route 101, thence proceeding southwesterly along said right of way line to Hooksett Road, thence along Hooksett Road to the point of beginning, from it's existing designation as partly within the Commercial (C-2) and partly in the Residential (R-1) to Commercial (C-2) Zone.

(Recommended by the Planning Board)

YES 487 NO 618

.....

On Saturday, March 13th, the moderator opened the reconvened meeting with the pledge of allegiance at 1:00 P.M. There were 310 registered voters in attendance. Each voter was checked in on the checklist and given a voter card to be used when a hand vote was called, a yes/no tear off card for any secret ballot, and a special white ballot for bond issue Article Three and a special green ballot for bond issue Article Four. The moderator gave the rules for the meeting and read the results of the ballot voting on Tuesday.

THIRD: To see if the Town will vote to raise and appropriate the sum of Nine Hundred Twenty-Five Thousand (\$925,000.00) Dollars or any other sum for the purchase of lands and the construction of a Safety Complex Facility consisting of the Police and Fire; and for purchasing equipment and furnishings of a lasting character in connection therewith; and to authorize the issuance of not more than \$925,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate in interest thereon; and to authorize the Board of Selectmen to take any and all actions necessary to carry out any vote thereunder; or to take any action relative thereof. The sum to be raised may be reduced by the amount of funds from grants-in-aid or other funds as may now or hereafter be forthcoming from Federal, State, local, or private agencies that would benefit the Town. (By Petition)
(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)
(Amount included in the Budget) (2/3 Vote Required)

Carl Mayland moved Article Three, Alan Cote seconded. Carl presented the plan. The effect on the tax rate will be 69 cents per thousand for the first year, decreasing to 47 cents per thousand in the 10th year. Having a facility at this location will increase the response time to the north part of town by 6 to 7 minutes. Al Samson stated that no payments will be due until the year 2000. In response to a question, Bruce Phillips, Fire Chief, stated that there are no plans to go full time, and fire trucks are replaced on a 5 year master plan. Discussion continued until 2:15P.M.

Alan Cote moved the question, seconded by Bert Ouellette. Motion to cease discussion and vote on Article Three passed.

Polls opened at 2:16P.M. and remained open until 3:16P.M. Voting was by paper ballot color coded for this article. 309 ballots were cast. (2/3 vote 206) **YES 234 NO 75 ARTICLE THREE PASSED.**

FOURTH: To see if the Town will vote to raise and appropriate, contingent upon the passage of Article three, the sum of Two Hundred Fifty Thousand (\$250,000.00) Dollars in addition to the sums set forth in Article three, or any other sum for the purchase of lands and the additional construction necessary for a Safety Complex Facility which would include Town Offices; and for purchasing equipment and furnishings of a lasting character in connection therewith; and to authorize the issuance of not more than \$250,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate in interest thereon; and to authorize the Board of Selectmen to take any and all actions necessary to carry out any vote thereunder; or to take any action relative thereof. The sum to be raised may be reduced by the amount of funds from grants-in-aid or other funds as may now or hereafter be forthcoming from Federal, State, local, or private agencies that would benefit the Town.

(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)
(Amount included in the Budget) (2/3 Vote Required)

Al Samson moved the article, seconded by Gail Clark. Jim Headd presented the plan. The cost would add 18 cents per thousand to the tax rate. Jim responded that all safety issues have been addressed. Don Dollard stated that the Historical Association would be interested in the current town hall building. Discussion continued until 3:30P.M., when Alan Cote moved the question, seconded by Paula Marzloff. Motion to cease discussion and vote on Article Four passed. Voting on Article Four began at 3:33P.M. and remained open until 4:33P.M. Voting was by paper ballot color coded for this article. 283 ballots were cast. (2/3 vote 189) The moderator verified the result of Article Four vote by recount.

YES 187 NO 96 ARTICLE FOUR DEFEATED BY TWO VOTES.

FIFTH: To see if the town will vote to raise and appropriate the sum of \$6,500.00 for the purchase of an Accu-Vote ES-2000 optical scan vote tabulator to be used for vote tabulation at town/state elections and town meeting. (By Petition) (Recommended by the Board of Selectmen)
(Recommended by the Budget Committee) (Amount Included in the Budget)

Article Five moved by Nancy Gagnon, seconded by Mary Griffin. Carl Mayland moved the question, seconded by Sandy Wingate. Motion to vote on Article Five passed. Vote on Article Five was in the affirmative and **ARTICLE FIVE PASSED.**

SIXTH: To See if the Town will vote to abolish the Auburn Police Commission, effective upon passage of this article. (By Petition)

Article Six moved by Paula Marzloff, seconded by Sue Jenkins. After some discussion, Sue Jenkins moved the question, seconded by Alan Cote. Motion to cease discussion and vote on Article Six passed. A secret ballot vote was requested by 5 registered voters. Paper ballot vote results: **YES 54 NO 180 (7 void) ARTICLE SIX WAS DEFEATED.**

Selectman, Albert Samson, presented the first Auburn Annual Service Award for 1998 to Pat Foskitt. A plaque will hang in the Town Hall with the name of each year's winner.

SEVENTH: Shall we adopt the provisions of RSA 31:95-c to restrict Ninety One Thousand, Two hundred Seventy Nine (\$91,279.00.) Dollars of revenues from State Highway Block Grant Aid for the purpose of road reconstruction. Such revenues and expenditures shall be accounted for in a special revenue fund and added to the existing Highway Reconstruction Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue.

(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)
(Amount Included in the Budget)

Article Seven was moved by James Headd, seconded by Bertrand Ouellette. After limited discussion, Carl Mayland moved the question, seconded by Al Samson. Vote to cease discussion and vote on Article Seven passed. Vote on Article Seven was in the affirmative and **ARTICLE SEVEN PASSED.**

EIGHTH: To see if the Town of Auburn will raise and appropriate the sum of Two Hundred Eight Thousand Seven Hundred Twenty -One (\$208,721.00)Dollars to be added to the Highway Reconstruction Fund. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)
(Amount Included in the Budget)

Article Eight was moved by Jim Headd, seconded by Carl Mayland. Vote on Article Eight was in the affirmative and **ARTICLE EIGHT PASSED.**

NINTH: To see if the Town of Auburn will vote to raise and appropriate \$35,000 for the future revaluation of the municipality. This amount to be added to a Capital Reserve Fund established for this purpose. (Recommended by the Board of Selectmen) (Not Recommended by the Budget Committee)
(Not Included in the Budget)

Article Nine was moved by Gail Clark and seconded by Carol Peterson. Gail explained that this is the third and final year to appropriate for a revaluation. Revaluation will not be done this year. Vote on Article Nine was in the negative and **ARTICLE NINE WAS DEFEATED.**

TENTH: To see if the town will vote to amend the existing agreement under Section 218 of the Social Security act by excluding the services performed by election workers for a calendar year in which the remuneration paid for such service is less than \$1,000.00. The \$1,000.00 limit on the excludable amount of remuneration paid in a calendar year for the services specified in this modification will be subject to adjustment for calendar years after 1999 to reflect changes in wages in the economy without any further modification of the agreement, with respect to such services performed during such calendar years in accordance with Section 218(c)(8)(B) of the Social Security Act.

(Recommended by the Board of Selectmen)

Article Ten was moved by Al Samson, seconded by Mary Griffin. Vote on Article Ten was in the affirmative and **ARTICLE TEN PASSED.**

ELEVENTH: To see if the Town will vote to raise and appropriate the sum of up to Two Hundred Fifty Thousand (\$250,000.00) Dollars for the closure of the Town's Solid Waste Facility, with said sum to be reimbursed through revenues received from Waste Management of New Hampshire, Inc., a private source. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)
Article Eleven was moved by Gail Clark, seconded by Dick Vecchione. Gail explained that Article Eleven, Twelve and Thirteen are related. Article Eleven raises the funds; Article Twelve restricts the funds; Article Thirteen accepts the funds from Waste Management. As soon as funds are expended for the closure of the Town's Solid Waste Facility, Waste Management will reimburse. Gail Clark explained that to cap the facility will cost approximately \$313,300, or to haul away will cost approximately \$1,067,000. If we cap, it will cost about \$10,000 per year to monitor for 30 years, which must be done according to state law. Our agreement with Waste Management is for them to reimburse us up to \$250,000 for closure. Any charges in excess of that will be our responsibility. This and the next two articles will have absolutely no effect on the tax rate. Motion to move question by Dick Vecchione, seconded by Bert Ouellette. Vote to cease discussion and vote on Article Eleven passed. Vote on Article Eleven was in the affirmative, and **ARTICLE ELEVEN PASSED.**

TWELFTH: Shall we adopt the provisions of RSA 31:95-c to restrict up to \$250,000.00 of revenues from reimbursement payments designated by Waste Management of New Hampshire, Inc. for the costs of closure of the Town's Solid Waste Facility to expenditures for the purpose of both paying for, and reimbursing the Town for, the costs of closure of the Town's Solid Waste Facility? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Solid Waste Special Revenue Fund, separate from the general fund. Any surplus in the fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. (Majority vote required for passage) (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount Included in the Budget)
Article Twelve moved by Gail Clark, seconded by Dick Vecchione. Vote on Article Twelve was in the affirmative and **ARTICLE TWELVE PASSED.**

THIRTEENTH: To see if the Town will authorize the Selectmen to expend up to \$250,000.00 of the revenue accounted for in the Solid Waste Special Revenue Fund and received from Waste Management of New Hampshire, Inc., a private source, for the closure of the Town's Solid Waste Facility. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount Included in the Budget)
Article Thirteen moved by Gail Clark, seconded by Bert Ouellette. Vote on Article Thirteen was in the affirmative and **ARTICLE THIRTEEN PASSED.**

FOURTEENTH: To see if the Town will vote to authorize the Board of Selectmen to negotiate for and accept an offer to sell, and to convey, without any requirement of competitive bidding, the parcel of land owned by the Town, identified as Map 6, Lot 18, consisting of 140 acres more or less of land, and known as the "Rifle Range" property and further to impose such terms and conditions on sale as they deem to be in the best interests of the Town, and to reject any terms, conditions or offers on sale as they deem to be in the best interests of the Town, also to reject any terms, conditions or offers for sale deemed unacceptable by the Board of Selectmen, provided that the sale price shall not be less than \$1,000,000.00 and any such sale shall be subject to restrictive covenants and conditions regulating development of the parcel for the benefit of the Town. (Recommended by the Board of Selectmen)
Article Fourteen was moved by James Headd, seconded by Harland Eaton. Jim Headd explained that Articles Fourteen through Twenty are related. These are housekeeping articles to facilitate the sale of the Rifle Range. The Army Corps of Engineers has cleaned up the property. A purchase and sales agreement has been entered into with P.D. Associates, a commercial park developer, at a sales price of \$1,000,000. A \$10,000 deposit has been made with \$190,000 due in six months and \$165,000 due annually until paid off. After some discussion, Carl Mayland moved the question, seconded by Ken Rhodes. The vote to cease discussion and vote on Article Fourteen passed. Vote on Article Fourteen was in the affirmative and **ARTICLE FOURTEEN PASSED.**

At this time, Al Samson, Selectman, presented a letter of appreciation and a gift to James Headd for his service as a member of the Board of Selectmen. Thank you, Jim. We all appreciate your dedication.

FIFTEENTH: To see if the Town will vote to adopt the provisions of NH Revised Statutes Annotated Chapter 162-G, so as to allow the Town to foster and encourage the development of industrial facilities within its boundaries acting through a voluntary nonprofit public corporation to be formed under the provisions of NH RSA 162-G:15, and NH RSA 292:1 et seq., alone or in concert with one or more other governmental units, by acquiring, developing, expanding, leasing and disposing of such facilities. (Recommended by the Board of Selectmen)
Article Fifteen was moved by James Headd, seconded by Carl Mayland. Vote on Article Fifteen was in the affirmative and **ARTICLE FIFTEEN PASSED.**

SIXTEENTH: To see if the Town will vote to authorize the Selectmen to incorporate and establish the Auburn Development Authority, a voluntary, nonprofit public corporation to be formed under the provisions of NH RSA 162-G:15 and NH RSA 292:1 et seq., for the purpose of taking advantage of the provisions of NH RSA 162-G:1 et seq., in order to foster and encourage industrial development within the industrial zones in the Town of Auburn; to authorize the Board of Selectmen to appoint six directors to serve a three year term, with the terms of the initial directors to be staggered so that 1/3rd of the directors will be appointed each year. (Recommended by the Board of Selectmen)
Article Sixteen moved by Jim Headd, seconded by Nancy Mayland. Vote on Article Sixteen was in the affirmative and **ARTICLE SIXTEEN PASSED.**

SEVENTEENTH: To see if the town will vote to approve the transfer to the Auburn Development Authority of 1/2 of 1% of the net proceeds received by the Town in the event of a sale of the Rifle Range Property in accord with Article 14 for the purpose of encouraging business development in the commercial and industrial zones of the Town. (Recommended by the Board of Selectmen)
Article Seventeen moved by Jim Headd, seconded by Bert Ouellette. Vote on Article Seventeen was in the affirmative and **ARTICLE SEVENTEEN PASSED.**

EIGHTEENTH: To see if the Town will vote to dissolve the Auburn Industrial Development Corporation, a voluntary nonprofit corporation formed under the provisions of NH RSA 292:1-17 and the now repealed provisions of NH RSA 162-J:16, and upon its dissolution to transfer all of its assets to the newly formed voluntary nonprofit corporation known as the Auburn Development Authority, and to provide that, upon the eventual dissolution or liquidation of such corporation, all of its assets shall vest in and be distributed to the Town to take appropriate action relative thereto. (Recommended by the Board of Selectmen)
Article Eighteen moved by Jim Headd, seconded by Charles Worster. Vote on Article Eighteen was in the affirmative and **ARTICLE EIGHTEEN PASSED.**

NINETEENTH: To see if the Town will vote to authorize the Selectmen, in the event that the Rifle Range property, Tax map 6, Lot 18, is not conveyed to the proposed buyer, in accord with Article 14, to convey the property to the newly formed Auburn Development Authority to be used by the corporation for those purposes authorized by RSA 162-G:1, et seq. (Recommended by the Board of Selectmen).
Article Nineteen moved by Jim Headd, seconded by Bert Ouellette. Vote on Article Nineteen was in the affirmative and **ARTICLE NINETEEN PASSED.**

TWENTIETH: To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand (\$25,000.00) Dollars for use by the Auburn Development Authority or other appropriate authority for engineering, assessing, legal and other fees and costs associated with the sale of the Rifle Range Property and for the encouragement of the development of industrial uses in the Town of Auburn. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

Article Twenty moved by Jim Headd, seconded by Bert Ouellette. Vote on Article Twenty was in the affirmative and **ARTICLE TWENTY PASSED.**

TWENTY-FIRST: To see if the Town will vote to authorize the Selectmen to make application for and to receive and spend such advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, local or private agencies.

Article Twenty-one was moved by Herb Tardiff, seconded by Carl Mayland. Vote on Article Twenty-one was in the affirmative and **ARTICLE TWENTY-ONE PASSED.**

TWENTY-SECOND: To see if the Town will vote to accept such Trust Funds as may come in during the year and Trust Funds as have not been previously accepted.

Article Twenty-two was moved by Julie Gage, seconded by Daniel Gelinis. Vote on Article Twenty-two was in the affirmative and **ARTICLE TWENTY-TWO PASSED.**

TWENTY-THIRD: To see if the Town will vote to use the income of the H. B. Burnham Fund for the schools or library.

David Griffin moved to use the income of the H.B. Burnham Fund for the library. Seconded by Nancy Mayland. Vote on Article Twenty-three as moved was in the affirmative and **ARTICLE TWENTY-THREE WAS PASSED TO USE INCOME OF THE H.B. BURNHAM FUND FOR THE LIBRARY.**

TWENTY-FOURTH: To see if the Town will vote to authorize the Selectmen to accept gifts, for the use of the Town as may now or hereafter be forthcoming.

Article Twenty-four was moved by Charles Worster, seconded by Paula Marzloff. Vote on Article Twenty-four was in the affirmative and **ARTICLE TWENTY-FOUR PASSED.**

TWENTY-FIFTH: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article Twenty-five was moved by Ken Rhodes, seconded by Dick Vecchione. Vote on Article Twenty-five was in the affirmative and **ARTICLE TWENTY-FIVE PASSED.**

TWENTY-SIXTH: To see if the Town will vote to authorize the Selectmen to dispose of any or all property acquired by tax deed, by public auction or sealed bid, with right to reject all bids.

Article Twenty-six was moved by James Headd, seconded by Alan Cote. Vote on Article Twenty-six was in the affirmative and **ARTICLE TWENTY-SIX PASSED.**

TWENTY-SEVENTH: To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

Article Twenty-seven moved by Bertrand Ouellette in the amount of \$3,124,595.00, seconded by Carl Mayland.

Alan Cote moved to amend Article Twenty-seven to increase the bottom line of the budget by \$250,000, said money to be used to construct a new Town Hall in conjunction with the construction of the new safety complex. Said amount to be offset by revenues from the sale of the Rifle Range property. Seconded by Paula Marzloff.

Discussion ensued, and the voters present felt that many people had already left the meeting and it would not be appropriate to vote on this issue now. The earlier vote had expressed the wishes of the voters.

Vote on amendment to increase the budget by \$250,000 was negative and amendment failed.

Jim Headd moved to add \$6,000 to make computers Y2K compliant. Seconded by Collie Cleaves.

Vote on amendment to add \$6,000 was in the affirmative and **\$6,000.00 was added.**

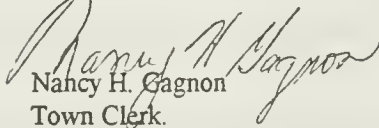

Jim Headd moved to add \$60,000 for winter maintenance. Seconded by Carol Peterson. Vote on amendment to add \$60,000 was in the affirmative and **\$60,000.00 was added.**

Vote was taken to raise and appropriate \$3,190,595.00 to defray town charges and legal obligations for the ensuing year. Vote was in the affirmative and \$3,190,595.00 (Three Million, One Hundred and Ninety Thousand, Five Hundred and Ninety Five Dollars) was raised and appropriated to defray town charges and legal obligations for the ensuing year. This is all inclusive.

TWENTY-EIGHTH: To transact any other business that may legally come before the meeting.

Bruce Phillips made a motion to adjourn, seconded by Carl Mayland. Meeting adjourned at 6:20P.M.

Respectfully submitted,

Nancy H. Gagnon
Town Clerk.

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Auburn
Auburn, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Auburn as of and for the year ended December 31, 1998 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

Except as discussed in the following paragraphs, we conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Government Accounting Standards Board Technical Bulletin 98-1, *Disclosures about Year 2000 Issues*, requires disclosure of certain matters regarding the year 2000 issue. The Town of Auburn has included such disclosures in Note 6C. Because of the unprecedented nature of the year 2000 issue, its effects and the success of related remediation efforts will not be fully determinable until the year 2000 and thereafter. Accordingly, insufficient audit evidence exists to support the Town of Auburn's disclosures with respect to the year 2000 issue made in Note 6C. Further we do not provide assurance that the Town of Auburn is or will be year 2000 ready, that the Town of Auburn's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Auburn does business will be year 2000 ready.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Auburn has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

*Town of Auburn
Independent Auditor's Report*

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, along with the effects of such adjustments, if any, as might have been determined to be necessary had we been able to examine evidence regarding year 2000 disclosures, as noted above, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Auburn, as of December 31, 1998, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Auburn taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Auburn. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

**Auburn School District
Warrant
for Election of Officers**

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF AUBURN, NEW HAMPSHIRE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Auburn Village School in said District, on the 14th day of March 2000, at seven o'clock in the morning, to act upon the following subjects:

1. To choose a member of the School Board for the ensuing three years.
2. To choose a member of the School Board for the ensuing year.

The polls will remain open from seven o'clock in the forenoon until seven o'clock in the afternoon and as much longer thereafter as the voters of the School District, at the beginning of the meeting, may vote.

Given under our hands and seal at said Auburn, New Hampshire, this ___ day of February, 2000.

SCHOOL BOARD OF
AUBURN, NEW HAMPSHIRE

Joseph Leverone, Chair
Elaine T. Hobbs, Vice Chair
Brenda Beer, Clerk

**Auburn School District
Warrant**

State of New Hampshire

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF AUBURN, NEW HAMPSHIRE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Auburn Village School in said District, on the 17th day of March 2000, at seven o'clock in the evening, to act upon the following subjects:

1. To see if the District will vote to raise and appropriate the sum of seven million one hundred eighty thousand dollars (\$7,180,000) for the construction and original equipping of a new school building and renovations to the existing Village School and to authorize the issuance of not more than of seven million one hundred eighty thousand dollars (\$7,180,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33): to authorize the school board to issue and negotiate such bonds or notes and determine the rate of interest thereon. And to raise and appropriate the additional sum of two hundred twenty-three thousand, two hundred sixty-seven dollars (\$223,267) for the first year payment of interest due on the bond with that amount to come from the interest earned on the investment of the aforesaid bond proceeds. (Recommended by the School Board) (Recommended by the Budget Committee)
2. To accept the reports of agents, auditors and committees or officers chosen, and place them on file.
3. To see if the District will vote to raise and appropriate up to the sum of one hundred sixty-eight thousand nine hundred eighty dollars (\$168,980) and to raise by general taxation forty-two thousand two hundred forty-five dollars (\$42,245) of that figure, for the purpose of renovation to the Auburn Village School for kindergarten classrooms and establishing a public kindergarten program for all eligible children of the Auburn School District. The balance of this appropriation is to be funded by a state kindergarten grant; and to authorize the school board to accept and expend the kindergarten grant money. Projected cost to the Auburn School District is:

<u>YEAR</u>	<u>EST. AMOUNT</u>	<u>TAX IMPACT</u>
In 2000-2001	\$42,245	\$.18

This cost is eligible for 30% Building Aid. No cost in the ensuing year for construction. (Recommended by the School Board) (Not recommended by the Budget Committee)

4. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.
5. To see if the District will vote to increase the school board membership from three (3) to five (5) members effective with the annual election in March 2001. At that time, two (2) additional members will be elected, one for a three-year term and one for a two-year term. Thereafter, all members will be elected for a three-year term. (Recommended by the School Board)
6. To transact any other business that may legally come before this meeting.

Given under our hands and seal at said Auburn, New Hampshire, this ___ day of February 2000.

SCHOOL BOARD OF
AUBURN, NEW HAMPSHIRE

Brenda Beer, Clerk

Auburn School District Meeting

March 12, 1999

The Auburn School District Meeting was called to order at 7:00 P.M. on Friday, March 12, 1999, by Mary F. Griffin, School District Clerk. As there is a vacancy in the position of Moderator it is necessary to elect a Moderator for this evening. Carl Mayland nominated C. Donald Stritch as Moderator. Seconded by Janice Fusco. The Clerk asked for further nominations. There being none, a vote was taken and C. Donald Stritch was elected Moderator for the meeting. The Clerk turned the gavel over to Mr. Stritch who proceeded with the meeting.

Mr. Stritch called for a brief recess to give all registered voters attending an opportunity to check in. The meeting resumed at 7:10 P.M.

The Moderator gave the rules of the meeting. There are two microphones available for those who wish to speak on an Article.

The Moderator led the meeting in the Pledge of Allegiance to the Flag of our Country.

The Moderator called on Julie Gage who stated that Mr. Rhodes was leaving the Board. He has served faithfully from 1992 to 1999. She presented Mr. Rhodes a plaque in honor of his service.

At this time, the Moderator read the results of the Election held on March 9, as follows:

School Board Member for Three Years:

Elaine Hobbs	578*
Kenneth Rhodes	454

Moderator for Two Years:

C. Donald Stritch 979*

Article 1: To accept the reports of agents, auditors, and committees or officers chosen, and place them on file.

Kenneth Rhodes made a motion that Article 1 be accepted as printed. Seconded by Jack Lee.

Article 1 passed.

Article 2: To see if the District will raise and appropriate the sum of twenty-five thousand dollars (\$25,000) for the purpose of placing options on parcels of land, testing/evaluating the sites selected, and developing building plans sufficient to define programs, layout and costs for an elementary school which will include Kindergarten. Should this article pass Articles 3 and 4 will be withdrawn. (Recommended by the School Board) (Not Recommended by the Budget Committee)

Motion was made by Julie Gage that Article 2 be accepted as read. Seconded by Joseph Leverone.

Mr. Rhodes rose to address the Article. He thanked the body for the plaque. He then presented information and overhead graphs concerning the Article and the proposed growth of the student body through 2003-2004.

At this time, Mr. Alan Cote presented the following amendment to Article 2: "To see if the District will raise and appropriate the sum of twenty-five thousand dollars (\$25,000) for the purpose of placing options on parcels of land, testing/evaluating the sites selected, and developing building plans sufficient to define programs, layout and costs for an elementary school. Should this Article pass, Articles 3 and 4 will be withdrawn." Seconded by Michelle Jacob. Mr. Cote explained his reasons for the amendment.

Mr. Rhodes, Donna Quinn, Edward Quinn, Carl Mayland, James Headd, and Lou Theos commented on the Article.

Mr. Leverone of the School Board responded.

Alex Komaridis moved the question. Seconded by Sandy Wingate. Motion passed.

Vote was taken on the amendment. Amendment failed.

Further discussion was held on Article 2. Mr. Shackelton and Dr. Kalil spoke. Mr. Rhodes explained. Stoney Worster moved the question. Seconded by Elizabeth Gosselin. Ballot vote was taken.

Results of the ballot vote were as follows:

YES 179 NO 56

Article 2 was passed as written.

At this time, the Moderator introduced the following guests:

- Dr. Lyonel Tracy Superintendent of Schools
- Robert Suprenant Assistant Superintendent
- Ronald Chapman Business Administrator
- Christina Farrah SPED Coordinator
- Pamela Shepard Principal, Auburn Village School

Article 3: To see if the District will vote to appropriate up to the sum of two hundred thirty-eight thousand three hundred ninety-five dollars (\$238,395) and to raise by general taxation fifty-nine thousand five hundred ninety-nine dollars (\$59,599) of that figure, for the purpose of constructing, furnishing, and equipping a new two classroom kindergarten program for all eligible children of the Auburn School District. Projected cost to the Auburn School District is:

<u>YEAR</u>	<u>EST. AMOUNT</u>	<u>TAX IMPACT</u>
In 1999-2000	\$59,599	\$.30

This cost is eligible for 30% Building Aid. No cost in the ensuing years for construction. (Recommended by the School Board) (Not Recommended by the Budget Committee)

Mr. Rhodes made a motion to postpone indefinitely. Seconded by Mr. Leverone.

The Moderator called for discussion on the Article. There being none, he called for a vote. The vote was in the affirmative.

Article 3 was postponed indefinitely.

Article 4: To see if the District will vote to raise and appropriate a sum of ninety-nine thousand one hundred eighty-eight dollars (\$99,188) for the purposes of providing staff, materials, and supplies for a public kindergarten program to be located at the Auburn Village School. Said program will be open to all eligible children of the Auburn School District. A portion of these

costs will be offset by Kindergarten Aid received from the State of New Hampshire in an amount equal to \$750 for each child in attendance in the kindergarten program. (Recommended by the School Board) (Not Recommended by the Budget Committee)

Julie Gage made a motion to postpone the Article indefinitely. Seconded by Mr. Leverone.

The Moderator called for discussion on the Article. There being none, he called for a vote. Vote was in the affirmative.

Article 4 was postponed indefinitely.

Article 5: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents, and for the payment of statutory obligations of the District.

Mr. Bert Ouellette, Chairman of the Budget Committee, made a motion to raise and appropriate the sum of five million five hundred eighty thousand three hundred sixteen dollars (\$5,580,316) for the ensuing year. Seconded by Mr. Leverone.

Mr. Samson asked what effect this would have on the tax rate. Mrs. Gage stated that it would be \$2.07 on the tax rate. Mr. Veccione spoke.

There being no further discussion, the Moderator called for the vote. The vote was in the affirmative.

Article 5 passed in the amount of \$5,580,316.

Article 6: To transact any other business that may legally come before this meeting.

Bert Ouellette made a motion to adjourn. Seconded by Gail Clark.

Motion carried. Meeting was adjourned.

Respectfully submitted,

Mary F. Griffin
School District Clerk

Principal's Report 1998-1999

On the first day of school, September 2, 1998, Auburn Village School welcomed 601 students back from their summer vacations. The building had been prepared for opening by an able maintenance staff, while teachers and administration worked to plan a successful year for the students. Mrs. Pamela Shepard served as Principal and Mr. Steven Tullar joined the school as Assistant Principal. Mr. Tullar came to us from Oyster River School District where he taught grades three and four. Other new members of our school staff included: Joan Paduchowski and Heather Rogers, eighth grade teachers; Stephanie Klements and Amanda Taylor, third grade teachers; Judy Nesbitt, seventh grade teacher; Barbara Keating, special education teacher; Laura Tancrede, media generalist; Denise Charbonneau, special education secretary; Carol Theos, special education aide; and Celeste Lessard, health aide.

Events around our nation raised our concerns about security in schools. We became aware that we must take precautions to protect our children beyond what we thought was necessary in our small community. Changes were made to our Parent-Pick Up procedure and visitor procedure. We began locking our doors during the school day and researching thorough crisis management plans. We believe our children are safe but the constant media focus threatened the feeling of safety, which is so important for all of us. Awareness of possible danger was heightened for our students. Teachers spent many hours listening to and talking with students to address their fears. Our children have taught us a lot about their lives and improving our sense of community within the building has become a goal.

Our students spent the year actively engaged in a rigorous curriculum aligned with the state frameworks and supplemented by a program of cultural enrichment, the arts, and sports. The NHEIAP results confirmed that we are delivering the curriculum to our students as expected by the

State of NH and they are being successful. We were proud of the results and the hard work of our students and teachers. The efforts of the entire educational community make this success possible.

Committees comprised of community members and school staff worked tirelessly. The Technology Committee met to oversee the addition of new computers and the use of the network. The Facilities Committee proposed the building of a second school in the Town of Auburn for consideration at the District Meeting. The Middle School Advisory Council worked to create a graduation ceremony reflective of the lives of children at AVS.

The focus of our staff development was on utilizing the technology as a tool for instruction. Teachers began their school year with a full-day technology workshop entitled "The One Computer Classroom." The SAU Staff Development Committee and the District offered several workshops throughout the year. A second full-day workshop was offered on March 9th entitled "Great Teaching with the Internet." We have seen teacher and student confidence increase as well as time spent word-processing, researching information on the Internet, collecting data, graphing, and learning about spreadsheets and databases.

In an effort to better communicate and build a base of common knowledge about our students, we held several meetings with teachers and parents to develop new report cards. First grade moved to a five period reporting system, which is aligned with their curriculum. Other grade levels remained with the traditional four-quarter system and refined the cards, conferences and process. It is our hope that the children are better served by this system.

Once again, our students were privileged to participate in Odyssey of the Mind, an internationally acclaimed educational program in which teamwork, originality, creativity and fun are combined to provide challenging problem solving experiences for them. Forty-nine

students and twenty-two volunteers on seven teams participated in this competition of mental gymnastics. We are proud to announce that three of our teams advanced through the regional level to the state competition.

Middle School students participated in activities designed to develop a sense of belonging, tolerance, and a spirit of cooperation. Seventh graders attended Team Harmony at the Fleet Center in Boston. Sixth graders participated in an outdoor education program at the Browne Center, UNH.

Our Student Council, under the direction of Advisor, Mrs. Kathy Roggenbuck continued to provide social events, promote school spirit, and participate in community service. The officers included: President: Jim Foley, Vice President: Brittany Howard, Secretary: Jessica Eisman, Treasurer: Josh Rhodes. They set high goals for themselves and through their diligence and leadership have enriched the programs for students at AVS. They were recognized by the Granite State Middle School Council for excellence.

Students in grades 6-8 were afforded the opportunity to participate in several interscholastic sports teams. Soccer, Basketball, Cheerleading, Volleyball, Softball, and Baseball all provide the opportunity for our students to improve their physical skills while building respect for one another and the skills necessary to function as a productive team member.

It was also a year for the arts. In addition to our customary Multi Arts Night, holiday and spring concerts, and dance performances, we were treated to two other evening events. The AVS Players began this year, under the direction of Mrs. Ann Marie Duguay, who volunteered her services to direct a middle school play. In One Basket, a collection of folk and fairy tales was presented on April 22 and 23 in the AVS gymnasium. A community variety show under the direction of Mike and Alison Vallee was a treat for all of us on May 22nd. It was inspiring to see the amount of community support and involvement in these events.

As always, our PTA made a tremendous contribution to our success as a school. They achieved Blue Ribbon status because of the number of hours volunteered in our school.

Among many other accomplishments, they supported our cultural program, and financially assisted the sixth grade team of teachers on attending the New England League of Middle Schools Annual Conference in Rhode Island.

On June 18th, seventy-five eighth graders graduated in the Auburn Village School Gymnasium. They will move on to both Manchester Memorial High School and Pinkerton Academy. We are proud to have been able to provide them with a nurturing environment in which to grow and a rigorous well-balanced academic program in which to learn. The partnership created between school and community has given them a solid foundation. We feel confident that they have received the education they need to allow them to make choices for a successful future.

Respectfully submitted,

Pamela A. Shepard
Principal

School Board Chair's Report

1999

On behalf of the Auburn School Board, it is my pleasure to issue this annual school district report. Over the last year, there have been several changes, yet our Auburn Village School has maintained its excellence in educating our students.

We extend a warm welcome to the new assistant principal, Jody Coughlin. Both Pam Shepard, our principal, and Jody have used their leadership skills to maintain the excellent climate of the Auburn Village School.

Our students continue to score well on the statewide assessment program. Our dedicated teachers deserve much credit for making student learning their highest priority.

Each month, the School Board is treated to an educational presentation, and we are pleased that these public meetings include increased discussions of an educational nature.

The School Board, with assistance from the SAU administration and building-level administrators, drafted its annual goals. These goals have guided our governance of the Auburn School

District. One goal in particular that has demanded our collective efforts involves addressing facility needs of the Auburn Village School. Working with a sub-committee to examine facility needs, the School Board has prepared a plan for the construction of a new middle school in Auburn. The School Board believes this proposal achieves an appropriate balance between the educational needs of our children and the resulting cost to the taxpayers in Auburn. To this end, the School Board has drafted a warrant article to raise the funds necessary to construct this new facility. We are seeking input from our community in making decisions regarding this important issue.

In conclusion, many thanks to the entire community for joining us in providing exemplary educational services to our students. On behalf of each member of the Auburn School Board, I offer our appreciation for your active support.

Respectfully submitted,

Joseph Leverone, Chair
Auburn School Board

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Auburn School District
Auburn, New Hampshire

We have audited the accompanying general purpose financial statements of the Auburn School District as of and for the year ended June 30, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Auburn School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Auburn School District, as of June 30, 1999, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

The Unaudited Supplementary Information on page 14 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it. In addition, we do not provide assurance that the Auburn School District is or will become year 2000 compliant, the Auburn School District's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Auburn School District does business are or will become year 2000 compliant.

*Auburn School District
Independent Auditor's Report*

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Auburn School District taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Auburn School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

SCHOOL BUDGET FORM

BUDGET FORM FOR SCHOOL DISTRICTS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

OF: AUBURN NH

Appropriations and Estimates of Revenue for the Fiscal Year From July 1, 2000 to June 30, 2001

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list ALL APPROPRIATIONS in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the school clerk, and a copy sent to the Department of Revenue Administration at the above address.

Auburn School District Superintendent's Report 1999

It is my pleasure to submit this annual report as Superintendent of Schools for the Auburn School District, a member of School Administrative Unit #15. The final chapter of the 20th Century left our educational system with many blessings on behalf of students and a few challenges for the 21st Century.

First, students at the Auburn Village School once again scored high on the New Hampshire Assessments. We can be proud of our educators for their continued emphasis on teaching the basic skills in reading, writing, and math. In addition, the School Board and the town's budget committee supported the hiring of a technology coordinator. This position has already demonstrated the importance of using technology to support the curriculum, and we are pleased with the early results. A sound academic education at the Auburn Village School receives the highest priority, and we hear often from parents that they are pleased to have their children attend our school.

Second, we once again found ourselves without the services of an assistant principal, the previous one staying only one year and then resigning. However, good news arrived in the form of an excellent candidate who accepted our offer to join the Auburn staff. At this point, we are pleased with the administrative

team's success in leading some of the State's best teachers in a school with one of the largest student enrollments. Now our challenge is to sustain that leadership team and continue to move forward with the challenges that face us.

One challenge concerns the lack of adequate space for the education of our students. As a result of legislation tied to the Claremont decision, the town received substantial fiscal support, and taxpayers were pleased with the decrease in their annual bills. At the same time, the School Board accepted the recommendation of a strong facilities committee to proceed with a bond vote for new construction and renovations. We are hoping that new space will be provided so that the Auburn Village School can continue to promote an advanced level of education for its students.

In conclusion, the School Board, the Budget Committee, parents, and the community continue to work closely with us to ensure a quality education for students at an affordable price for taxpayers. We invite you all to join us at public hearings and at the annual district budget meeting to support our collective efforts. For my part, I have been most pleased to serve as Superintendent of Schools for Auburn. Thank you so much for your commitment to our school children!

Respectfully submitted,

Dr. Lyonel B. Tracy
Superintendent of Schools

GRIFFIN LIBRARY ANNUAL REPORT FOR 1999

The Griffin Library was very busy in 1999. The total circulation was 13,473 and seventy-seven new library cards were issued.

The theme of the Summer Reading Program was 'Once Upon a Summer Reading', which was taught by Lee Ann Chase. We also continued with the story hour for younger children presented by Nancy Pelton.

We purchased a new computer in July. This replaced the 'antique' that was no longer working (never mind not Y2K compliant).

The director, Edith Cummings, and the trustees attended continuing education classes sponsored by the New Hampshire Library Trustees Assoc. They also attended a seminar on Media-One's RoadRunner Internet service. The director attended several conferences, including ones sponsored by the N.H. Library Assoc., The N. E. Library Assoc. and the Children's Library Assoc.

The Building Committee continued to be active raising more funds and also getting additional pledges of construction materials. Fundraisers for the addition included the annual St. Patrick's Day Dance, the Multi-media and Book Sale in August and another successful Breakfast with Santa in December.

We contracted with R.S.L. Layout & Design, Inc. of Raymond to design the site plan for the addition and to guide the committee through the permit process. With them representing us, we have appeared before the Zoning Board of Adjustment and received the variances we need to proceed. We are scheduled to appear before the Planning Board for final approval.

Respectfully submitted,

Nancy J. Mayland
Feria Hanscom
David Griffin

FRIENDS OF THE LIBRARY REPORT FOR 1999

The Friends of the Library spent an active year bringing programs to the members of the community. We provided interesting lectures, adult craft classes, free museum passes and purchased much-needed books for the library. We continue to support the library and to encourage our residents to use their resources and programs.

In February we had a lecture and slide show entitled 'Medical Mission to Romania' by Dr. Pierce and his wife. We also held our annual 'Love Your Library' drawing for gift certificates to a local bookstore.

In the month of March, Sterling Financial Group gave a lecture about financial planning strategies specifically for women.

Marge Kiley taught a decoupage craft class in April. Bernadette Bassett gave a lecture on planters and hanging baskets. We also began our relationship with Yankee Magazine with them donating to the library a portion of every subscription.

In August we presented a free children's concert about Cinderella and her comically inept stepsisters. We sold ice cream sundaes and lemonade at the show. We also sold ice cream sundaes and Yankee subscriptions at the Historical Association's Annual duck race.

During the month of September we held our big fundraiser for the year. The first annual 'Antique Appraisal Day' was a fun event and great success with many people being pleased with the appraisals they received from our experts. Professor Bachelor returned to give a lecture 'The Big 4 and More in Africa'.

In October we had our annual Skywatach program. The Friends served hot cider and hot chocolate and snacks. We also held a class on making pictures with pressed flowers. Peggy Neveu who taught this class donated all proceeds to the building fund.

In November and December the Friends were busy with their annual fudge sale. They sold 34 pounds in November and 80 pounds in December – a record! The profit was used to purchase a series of books on the states. Marge Kiley taught the final craft class, where attendees made three lovely Christmas pins.

Our goal for this coming year is to increase our membership, to purchase more museum passes and to present more programs for Auburn residents.

HEALTH OFFICER'S REPORT 1999

The town of Auburn Health officials took part in the following activities during the past year:

- Scheduled inspections of Children Day Care facilities for State of NH License renewals.
- Investigation of failed septic systems.
- Witnessed test pits for the siting of new/replacement septic systems.
- Assisted the State Department of Environmental Services in the testing of private wells for possible volatile organic compound (VOCs) contamination.
- Investigated tenant/landlord complaints relative to RSA48-A Minimum Rental Housing requirements.
- Submitted bio-solids sample to state approved lab for final analysis.
- Participated as town witness in Rockingham County Court case.

In the Spring and Fall we attended the annual NH Health Officer's Association sponsored conferences. Some topics covered subjects such as Bioterrorism, revised Child Care rules, Sludge issues, and Dealing with Hazardous to Life, Safety, or Health Buildings, etc.

During the past year the State Department of Health and Human Services, Department of Environmental Services, has been dealing with increasing reports of private drinking water wells being contaminated with a gasoline additive called MtBE (methyl tertiary-butyl ether) a suspected carcinogen.

Some wells in Auburn have been found to contain low amounts of MtBE. To date there is no federal safe water standard for this oxygenate. However, the current state standard is 70 ppb (parts per billion); a standard the DES is proposing be set at 13 ppb according to recent news articles. In the meantime private property owners and landlords can help prevent well contamination by the careful handling of gasoline to avoid spills when filling mowers and other fuel operated yard and recreation equipment.

We would like to take this opportunity to thank everyone for their continued cooperation during our inspections/investigations, as this will help the town of Auburn remain a healthy place to live, work and play. Should you have any health related questions or concerns, we may be reached by calling the Board of Selectmen's office, 483-5052.

Respectfully submitted,

Leo P. Blais, Sr.
Health Officer

Carrie Rouleau-Cote
Deputy Health Officer

RECREATION COMMISSION

The year 1999 proved to be a year of continued improvements to Sandy Acres Recreation Area. Progress based on long-range plans took another step forward. Programs that have become staples over the past few years, such as the Family Event at the Audubon Society, the After-School Ski Program, and the Senior Citizens Spring and Fall trips, were continued.

In January, the Commission welcomed a new member Phil Jurson and the Commission was fortunate to keep Al Samson as Representative of the Board of Selectmen.

The ball fields at Sandy Acres Recreation Area were in full use in the spring, summer and fall, by the different baseball, softball and soccer leagues. Additional fields are planned. The fields continue to be maintained and improved by fertilizing, seeding and reseeding, and adding loam. The Auburn Little League organized clean-up days in April and September; debris was removed, the fields were sanded, raked, seeded, reseeded, loamed, and repairs were made. Volunteers of the Little League donated many hours as well as materials, equipment, and funds for the improvement of the fields.

The tennis court will be ready for use in the spring of next year.

Proposals to move the playground to another area and upgrade it are in the planning stages. Work on an irrigation system has begun; the pipes are in and the well has been checked. Completion is expected in the spring or early summer next year.

The Commission sponsored a soccer clinic in the fall under the leadership of the YMCA, a baseball league under the direction of Clint Robinson and the Auburn Babe Ruth League. In cooperation with the Little League, the Commission also sponsored the installation of night lighting so the fields can be use at night relieving some of the crowding.

Work on Appletree Park continued. The basketball court is in use. New equipment for the playground was installed. Landscaping will be done in the spring of next year. The After-Ski Program started January 6, 1999, and ended February 3, 1999, under the volunteer direction of Lucy Rhodes. The students were transported by bus from the Auburn Village School to Pat's Peak and were returned to the school.

Constant contact has been maintained with P.L.A.Y. -Circle of Fun. The playground was inspected for safety and repairs and will be landscaped in the spring of next year. The Commission will take over from P.L.A.Y. the overseeing of the playground on January 1, 2000.

The Auburn Volunteer Fire Department again volunteered its members to fill the ice rink and maintain it during the season.

The Senior Citizens Spring tour took our seniors on June 15 in the morning to the Urban Forestry Center in Portsmouth, which was followed by a luncheon at the famous "Barnacle Billy's on Perkins Cove, Ogonquit. Afterwards time was allowed to walk the "Magical Way" walk and for shopping and sightseeing.

The Senior Citizens Fall tour took the seniors on October 12 to Bennington, Vermont. A stop was made at Hogback Mountain for a 100 mile view of the beautiful fall foliage. In Bennington the Bennington Museum was visited for the largest collection of paintings by Grandma Moses as well as crafts from the area. A luncheon was enjoyed at Paradise Restaurant. We were joined by a historian living in Bennington who gave us in the afternoon a most comprehensive explanation of the events that had taken place in the region. We said farewell to him at the Bennington Battle Monument

The Recreation Commission looks back on the year 1999 with gratitude for the many volunteer hours, materials donated, use of equipment and monetary donations, given by so many. The Commission wants to thank all those who have given so freely of their time and is looking forward to this continuous support.

The Recreation Commission sponsors programs and activities for all residents of Auburn. Please contact any of the Commissioners with your suggestions or ideas for activities and programs. The Commission wishes to serve the community and is always looking for volunteers to lead the different activities and programs. It enjoys serving the residents. The Commission meets on the first Wednesday of each month at 7:30 p.m. at the Town Hall and all meetings are open to the public.

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment meets on demand at 7:30 p.m. on the fourth Tuesday of each month at the Town Hall.

The Zoning Board is made up of volunteer members and alternates appointed by the Board of Selectmen. This year we welcomed two new alternates to the Board and one member resigned due to a move outside the Town of Auburn.

During the year 1999, the Board held 19 hearings handling 17 Variances, 1 Special Exception, and 1 Equitable Waiver. The meetings are open to the public; agendas and minutes of the hearings are posted at the Town Hall and the Post Office. Hearings are also announced under "Legal Notices" in the "Union Leader."

I wish to express my sincere appreciation to the members and alternates on the Board for their time, dedication, and expertise given freely on behalf of the Town of Auburn.

Mark A. Wright, Chair
Zoning Board of Adjustment

AUBURN PLANNING BOARD

The Auburn Planning Board has had a very active year reviewing various proposals within the Town. 1999 brought several "major" subdivision applications before the Board - examples include a 21 lot subdivision off Rockingham Road, a 13 lot subdivision off Chester Road, and a 10 lot subdivision on Coleman Road. Several other proposals are still under consideration and most likely will be approved by the time this report is published. New Subdivision Regulations were adopted in August - this allowed us to "retire" the 1986 version which had been in effect for almost 14 years.

Along with subdivisions there are several large site plan proposals involving significant engineering and technical review still awaiting approval. Plans for a gas station/convenience store at Route 101 Exit 2 were presented to the Board. Several residents took part in the public hearing review process and attended meetings to voice their concerns and work with the Board and applicant to develop a site that fits the character of the community while providing services in a manner that meets all environmental and safety standards. Another large proposal currently before the Board is for an Office Business Park on the former rifle range property on Rockingham Road. For proposals such as these, the Board contracts engineering review services from Dufrense-Henry, Inc. of Manchester. All expenses relative to site plan and subdivision review are paid by the applicant.

In closing, residents are reminded that the Planning Board meetings are open to the public and are held Wednesday evenings beginning at 7:00 p.m. in the Auburn Town Hall. Agendas and meeting minutes are posted on a weekly basis in the Town Hall. The secretary is available to answer questions by contacting the Auburn Planning Board Office at 483-0799.

AUBURN POLICE DEPARTMENT – ANNUAL REPORT

During Nineteen hundred and Ninety-Nine the Auburn Police Department experienced many changes. Foremost on the list is the personnel changes that have been very costly, monetarily and emotionally.

During the year the following officers terminated their employment with the Auburn Police Department; Scott Tardiff, Michael Bernard, Timothy King, Michael Berntsen, Michelle Dowse, and Paul Roberts. All these officers represented extensive training, and valuable experience. The new officers hired in 1999 to start to bring our police force back to a full compliment are as follows; H. Daniel Wade, Dona Davis, Daniel Jones, and Steven Donahue. At this point, only Dan Wade is fully trained and working patrol shifts. Dona Davis will soon be ready to go on her own as a qualified patrol officer. However, Dan Jones and Steve Donahue are yet to complete the academy, putting their ability to perform patrol duties off until late April, 2000.

This translates into a year proven to be the worse ever for turnovers. When interviewed, each out going member related the need for a more competitive salary. These young officers were either just getting married, or becoming parents, which created a financial need that could not be provided by the Auburn Police Department. This caused them to take their valuable training elsewhere, receiving a livable compensation for their knowledge and experience.

This all means that our diminished staff is contributing unfettered dedication to the Town of Auburn to accomplish the mission of the police department. This dedication is illustrated in the number of cases handled by the police officers now serving the citizens of our town.

The break down of the seven thousand three hundred and thirty six cases shows that the officers do a lot more than the average citizen is aware of. In our pursuit of public safety on the roadways alone; we have issued four hundred fifty eight summons, three thousand one hundred eighty warnings, and forty one arrests for Driving While Intoxicated. This effort has effectively made our motoring public safer, evident by the very low accident rate of only ninety-four crashes.

Our continued professionalism, cooperation, and relationship with other agencies remains an asset for our town. This year saw some growth in the agencies we deal with and work well with. A large group made up of many agencies were brought together early in the year to search for a missing Manchester man feared to have taken his own life. The organized group was made up of personnel from the following groups; Auburn Police Department, Auburn Volunteer Fire Department, Manchester Water Works, New Hampshire Fish and Game, New Hampshire State Police, and the Manchester Police Department. After a week long effort, the body was found by yet another group; the New England K-9 Search and Rescue a non-profit team of experts from New London, New Hampshire.

In mid spring, a blood spattered vehicle was found in town leading to yet another new professional relationship. The investigation led our department to the City of Lowell, Massachusetts. The vehicle was used in an attempted murder in Lowell, and dumped in Auburn, New Hampshire. The work and cooperation of the agencies involved, led to an arrest and successful ending.

Two other agencies we work closely with on a regular basis are the Manchester Police Department and the New Hampshire State Police.

The tragic Manchester homicide of Mary Stetson had an Auburn connection, bringing the Manchester investigators and the Auburn officers together on the case.

The Major Crimes Unit of the New Hampshire State Police has been in the Town of Auburn during 1999 no less than six times to assist in investigations. Not to mention the unknown amount of times the New Hampshire State Police K-9 units have assisted in different types of criminal activity.

This again illustrates the respect the Auburn Police Department receives from the New Hampshire Law Enforcement Community.

The Auburn Police Department is also very concerned with the relationship it maintains with the community. We continue to serve with pride and professionalism, with a goal of presenting ourselves as the caring people we are. Some of the associations we have with the community are; the bicycle rodeo, the Cub Scouts, the Boy Scouts, and the D.A.R.E. program at the Auburn Village School. The department is now involved with two merit badge programs, Finger

Printing and Crime Prevention. The most recent endeavor is a program we joined with St. Peter's Church, collecting stuffed animals and using them at critical incidents. The program has been especially successful when dealing with children affected by domestic violence.

Even though we are involved in the enforcement of the laws, the number one reason most officers cite for becoming a police officer is helping people. We will continue with that "need to help" for all the citizens of Auburn.

In the new year of 2000, we are excited about the building of the new police station. We are hopeful that our new officers continue to exhibit their high quality of character, learn to be professional, and maintain the high standards the town expects and deserves. The entire police department thanks all the residents for their support, and understanding. We will continue to give you dedicated service.

Respectfully submitted,

Edward G. Picard,
Chief of Police

HIGHWAY SAFETY COMMITTEE

Last April the Highway Safety Committee welcomed the new representative from the Board of Selectmen, Harland Eaton. During the year, David Flight and David Totsch resigned; the Committee misses their expertise, common sense, and humor. Dan Carpenter took over as Chair of the Committee.

The Committee had a challenging but successful year of accomplishments. It was actively involved as an advisory to the Board of Selectmen in the Road Reconstruction and Repairs projects. The reconstruction of Bunker Hill Road, and Pingree Hill Road from Wilson's Crossing Road to the bridge, were completed. Other roads, such as Raymond Road in the village, Chester Turnpike from the Candia line to the Five Corners intersection, received a new black top. Culverts were placed on Depot Road and Raymond Road. Two intersections were rebuilt, Pingree Hill Road and Rattlesnake Hill Road as well as Bunker Hill Road and Dearborn Road.

Visibility was improved at the intersection McEvoy Drive and Star Circle. The intersection Raymond Road and Eaton Hill Road will be reconstructed as soon as the Safety Complex design is approved.

Financial assistance was applied for by the Police Department for continuance of DWI and radar control. Line striping of the recommended roads was done before winter set in. Roads in need of crack sealing were recommended to the Board of Selectmen.

The new boat launch on Route 121 was opened in July. Severance Beach, an area that had been identified as a safety and traffic hazard, was closed off and is now open only for carry-on light boats. Improvements at the Deerneck Bridge boat launch are still under consideration and discussion is ongoing with the Manchester Water Works to make it a safer area.

Recommendations were made to the Board of Selectmen requesting "Stop" and other signs when warranted. The Committee researched the needs for more street lighting and upgrading the existing lights, about 83. The Committee met with a representative of PSNH regarding placements of lights and the costs involved. The projected

costs will be a part of the upcoming budget and will save the Town a considerable amount of money.

Truck traffic on Hooksett Road was discussed at a number of meetings. However, since this road is a State road, the Town is limited in what it can do.

The Highway Safety Committee meets on the third Thursday of each month at 7:30 PM. at the Town Hall. All meetings are open to the public. Auburn residents with concerns for road safety, road and street signs, and road hazards may appear before the Committee or may make their concerns known in writing for consideration at the next meeting.

The Committee is looking forward to another active year, the year 2000, with many improvements for safety.

The Committee thanks the residents of Auburn who brought forward their concerns and suggestions and thus made the Town a safer and better place for all.

Respectfully submitted

Dan Carpenter, Chair

Harland Eaton - Board of Selectmen Representative

Auburn Volunteer Fire Department

As the 1999-year came to a close, our organization found itself thankful once again for a very safe & productive year. Marred by some personal losses of some dear friends and brothers within the fire service, our members stood strong and carried on with business as usual. As the Town continues to grow so does the responsibility of our department. We make every attempt to stay up on fire regulations for both residential & commercial buildings. This is not always an easy task, so with the help of local & state resources we are able to provide professional service in order to keep our Town safe.

Once again our membership has responded to and met the demand of our fast growing community. As in past years, we have attempted to do as much maintenance ourselves in order to keep costs down. You will note our budget really hasn't changed over the years. This is mainly due to the commitment of our membership to provide a good quality service to the taxpayers of Auburn.

Once again our hours and call volume have increased to an average of better than a call per day and we have logged almost 10,000 hours of related service.

We maintain an open door policy and welcome the Towns people to come in and visit, and see where their tax dollar goes. It is also important to remember that our department is still a volunteer organization, so it may sometimes be difficult to reach someone right away. We ask that you be patient when trying to reach us for non-emergency incidents such as burning permits or inspections, because 90% of our membership works during the day. So plan ahead and try contacting one of us in advance to get information about a question or permit. Our goal still is to "Provide Clean Professional Service at a Reasonable Cost".

Respectfully submitted,

Bruce Phillips, Fire Chief

BUILDING INSPECTOR'S REPORT 1999

This past year certainly has been active for the Auburn Building Dept. The new home starts have increased by 1/3 over the 1998 year and it appears the trend may continue into the 2000 millennium. The permit fee revenues have also increased over the prior year.

We anticipate a commercial growth as several projects have recently been approved or are in various phase of planning board review.

The Building Dept. is responsible for all phases of construction from the base footings through to the finish structure. Some portion of our time is delegated to responding to complaints and zoning violations with a follow-up notice and/or site visit to resolve the dispute.

This past year David Jore, our part-time building inspector of the last 6 years, moved over to the town of Chester full-time. As a result here in Auburn a new part-time inspector was hired. Carrie Rouleau-Cote has been appointed as an Assistant Building Inspector to help cover some of the increasing demands in the department.

I wish to thank the Town Hall Office Staff for their support the past few months to assist me in performing my duties.

Office Hours:

Tuesday 8:00 a.m. – 12:00 p.m.
 Thursday 8:00 a.m. – 12:00 p.m.
 Friday 8:00 a.m. – 10:00 a.m.

Inspections are conducted after office hours on Tuesday, Thursday and Fridays.

Permits are required before beginning any construction, alterations, or repairs other than ordinary maintenance. If you are uncertain if a permit is necessary, call the Building Inspector's Office at 483-0516.

Two hundred seventy eight home improvement permits, and 50 new single family home permits were issued for a total of 328 permits in 1999. Total revenue generated from building permits amounted to thirty one thousand, five hundred fifty three dollars (\$31,553.00).

A breakdown is as follows:

New home permits	50
Additions	16
Accessory Dwellings	0
Barns	3
Decks	15
Dormers	6
Electrical	59
Family Rooms	3

REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission has a wide range of services and resources available to help the dues-paying members deal with a variety of municipal issues. Technical assistance is provided by a professional staff whose expertise is, when necessary, supplemented by consultants who are selected for their specialized skills or services. Each year, with the approval of your appointed representatives, the Commission staff designs and carries out programs of area-wide significance that are mandated under New Hampshire and federal laws or regulations, as well as local or site-specific projects which would pertain more exclusively to your community.

Technical assistance is provided in a professional and timely manner by staff at the request of your Planning Board and/or the Board of Selectmen. The Commission conducts planning studies and carries out projects that are of common interest and benefit to all member communities, keeps your officials apprised of changes in planning and land use regulation and, in conjunction with the New Hampshire Municipal Association, offers training workshops for Planning and Zoning Board members on an annual basis.

Services that were performed for the Town of Auburn during the past year are as follows:

1. Co-sponsored the Municipal Law Lecture series. These meetings were attended by Auburn officials.
2. Conducted traffic counts at twelve (12) locations in the Town of Auburn. Data was forwarded to the town's Planning Board Chairman.
3. Provided a copy of the "Land Use Plan 2015 for the Southern New Hampshire Planning Commission Sub-region." A copy of that document was also sent to the Auburn Public Library.
4. Provided a video entitled "Tools and Techniques" for the use of the Planning Board.
5. Provided a handbook on "Stormwater Management for New Hampshire Communities" prepared by the Southern New Hampshire Planning Commission, and a handbook on "The Law (RSA 155-E) Governing Earth Excavations," prepared by the Southwest Region Planning Commission.
6. Conducted a traffic study relative to the location of the driveway of the proposed Safety Complex.
7. Provided a copy of "Impact Fee Development, a Handbook for New Hampshire Communities," prepared by the Southern New Hampshire Planning Commission.
8. Provided the Auburn Conservation Commission with a copy of the Model Subdivision Regulation for Soil-based Lot Size.

Auburn's Representatives to the Commission are:

Charles "Stoney" Worster

Vacant

Donald Marzloff, Alternate

Executive Committee Member: Charles "Stoney" Worster, Secretary
