

Annual Report of the Town Offices of  
**Dalton, New Hampshire**

For the year ending December 31, 2011

Pictures and blank pages, other than the cover pages, have been removed from the copy on the web to make viewing and downloading quicker.

## DALTON TOWN WARRANT

You are hereby notified to meet at the Municipal Building in Dalton, NH on Tuesday, the 13<sup>th</sup> day of March 2012 to act upon the itemized subjects to follow. The polls will open at 8 a.m. in the forenoon and will close at 7 p.m. The business meeting will be held in the gymnasium and will be opened at 7 o'clock in the evening.

1. To elect all necessary officers for the year.
2. To see if the Town will vote to raise and appropriate the sum of One Hundred Thirty Six Thousand Two Hundred Ninety Nine Dollars (\$136,299) for the purchase of a 2012 front end wheel loader and to authorize the issuance of not more than One Hundred Thirty Six Thousand Two Hundred Ninety Nine dollars (\$136,299) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon . A 2/3 ballot vote is required. The Selectmen recommend this article.
3. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Sixty Nine Thousand Nine Hundred Twenty Four Dollars (\$769,924) for general Town operations.
4. To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to be added to the Highway Department Heavy Equipment Capital Reserve Fund. Selectmen recommend this article.
5. To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be added to the Paving Capital Reserve Fund. Selectmen recommend this article.
6. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Fire Department Vehicle Equipment Capital Reserve Fund. Selectmen recommend this article.
7. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000) to be added to the Sewer Pump Renovation and Replacement Capital Reserve Fund. Selectmen recommend this article.
8. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be added to the Police Cruiser Capital Reserve Fund. Selectmen recommend this article.
9. To see if the Town will vote to raise and appropriate Three Thousand Dollars (\$3,000) to be added to the Pay Per Bag Replacement Expendable Trust Fund previously established for the repurchase of bags for the "Pay Per Bag" system. The source of these funds will be 25 cents from each bag sold. No taxes will be raised with this appropriation. Selectmen recommend this article.
10. To see if the Town will vote to adopt the Town of Dalton Floodplain Management Ordinance. This ordinance will supersede the outdated Floodplain Ordinance of 1994. Copies of the ordinance are available at the Town Clerk's Office.
11. To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500) to be placed in the previously established assessing/tax software fund. Selectmen recommend this article.
12. To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand Five Hundred Seventy Nine Dollars (\$14,579.00) to update all town radios. Selectmen recommend this article.
13. To see if the Town will vote to raise the appropriate the sum of Thirty Five Thousand Dollars (\$35,000.00) to be placed in the Town Owned Buildings Improvement, Expansion and Renovation Fund. Such funds to come from unexpended fund balance. No taxes to be raised by this appropriation. Selectmen recommend this article.
14. To see if the town will vote to change the classification of the Hurlburt Road from a Class V road to a Class VI road subject to gates and bars, pursuant to RSA 231:45. Selectmen recommend this article.
15. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund. Such funds to come from the sale of the 1980 Case W24C town loader. Selectmen recommend this article.
16. To see if the Town will vote to establish a Recreation Revolving Fund pursuant to RSA 35-B:2II. The money received from fees, charges, fund raising and donations for recreation services and facilities shall be allowed to accumulate from year to year and shall not be considered to be part of the general fund unreserved fund balance. The Town Treasurer shall have custody of all monies in the fund and shall pay out the same only upon order of the recreation committee (no further legislative body approval required). These funds may be expended only for recreation purposes as stated in RSA 35-B, and no expenditure shall be made in such a way as to require the expenditure of other funds that have not been appropriated for that purpose.
17. To transact any other business that may legally come before the meeting.

## SELECTMEN'S REPORT

The year 2011 will long be remembered for the double barreled Memorial Day weekend storm that crippled the town and North Country. More than 20 percent of the town roads were severely damaged or were made impassable by the deluge. But thanks to Herculean work by the town's highway crew led by Road Agent Bob Wentworth and unprecedented cooperation from town departments, state government – including Governor John Lynch and Executive Councilor Ray Burton – State Emergency Management Director Chris Pope and the Federal Emergency Management Administration (FEMA) and residents who pitched in, the Town of Dalton weathered the storm damage.

The key to the town receiving nearly \$153,000 in FEMA funds for storm repairs of local roads and drainage infrastructure was local teamwork that documented and assessed damages. Hundreds of hours of assessment and meetings with federal and state officials made reimbursements possible.

Some roads, Harriman Road in particular, will require substantial work this year but not at local taxpayer expense. The Board and Highway Department will take a closer look at possible long term engineering design to better manage storm events.

The Selectboard spent a great deal of time in 2011 reviewing, rewriting and developing policies and procedures to make local government more efficient and accountable. At the Selectboard's request, the Local Government Center (LGC) conducted a risk management analysis of town personnel, departments and operations and its report is available for review.

The Planning Board finished the update of the town's Master Plan. The Master Plan is available on the town's web page, [www.townofdalton.com](http://www.townofdalton.com). The Planning Board will be working on updating the current subdivision rules and regulations. A related issue studied by the Selectboard is the possible hiring of a part-time building inspector to deal with building safety and eyesores that impact property values.

Changes in the past year include the return of Mario Audit as police chief. Chief Audit has made police patrols and increased visibility a priority. Reg Rodger retired after more than 40 years of service to the town, including a brief stint as Road Agent. Mr. Rodger was replaced at the transfer station by Bruce Walsh after the vacancy was advertised and the Selectboard conducted interviews. We hope that residents will "go green" by recycling items. It's good for the environment and helps control trash disposal costs.

Brian Hardy resigned from the board after serving more than 10 years. He led the effort to acquire the former Dalton Elementary School, now the municipal building.

John Tholl retires from the Police Department serving 16 years as its Police Chief. John continues to represent Dalton in the State Legislature.

We would be remiss if we did not praise the Dalton Fire Department led by Chief Ron Sheltry for its esprit de corps and professionalism. The Department is a prime example of why we say that Dalton is the "little town that can".

Most importantly we thank our volunteers and elected official for many hours of public service. Their sacrifice makes it possible for us to provide cost effective service to our community. We encourage anyone interested to volunteer a few hours a month on a Board, Commission or Committees. If you are interested please contact us.

Respectively submitted  
The Board of Selectmen

## DALTON HIGHWAY DEPARTMENT

The spring of 2011 proved to be a very challenging season and it followed right on the heels of a snowy winter that had kept us busy. Memorial Day weekend brought storms that washed out many roads. Several roads were actually washed out twice in that same weekend. With the help of the Selectboard, and the persistence of chairman Mike Crosby, the town received FEMA monies to help rebuild the roads without putting a strain on taxpayers. Union Road was completed in 2011 and 2012 will see the rest of the rebuilding projects completed. The larger of these projects being Blakslee and Harriman Roads with Big Hill and Simonds Roads needing top coats of gravel and stone and fabric ditches in order to be completed.

Many thanks go to Fire Chief Ron Sheltry and the Fire Department and retired Police Chief John Tholl and the Police Department. Their support and help during the storm event was incredible and their support through every day projects is greatly appreciated.

I would also like to thank Sandy York for her tireless help on many issues throughout the year, each and every year.

Last, but certainly not least, thank you to Rob Blanchette and Jeff Young for their dedication to their jobs and to this town.

Our front end loader has failed. We are seeking to replace it in 2012 and need your support. By replacing the loader we should get more years out of the backhoe. The backhoe will not be able to carry the required work load without a loader.

I have asked to increase the asphalt capital reserve to \$50,000.00. We have nine miles of paved roads. In order to maintain these paved roads more paving is necessary. Shimming and overlay is far less costly than excavating and rebuilding miles of road.

To all the residents, thank you for many years of support.

Respectfully submitted,  
Robert C. Wentworth Jr.  
Road Agent

## POLICE DEPARTMENT

In 2011, there were 301 dispatched calls for service From our call center at Troop F. The breakdown of calls is as follows:

Operating after suspension	3	Simple Assault	2
Operating w/o a Motorcycle License	1	Statutory Rape	1
Speed tickets/warnings	123	Domestic dispute	7
Stop sign	25	Reckless conduct	1
OHRV-Violation	1	dog bites	2
Unregistered	1	911 hang up calls	11
DWI	1	vandalism	1
Accidents	17	shots fired calls	3
Burglary/Theft	7	credit fraud	1
Identity theft	2	Arrests	12
House alarms	5	Theft from motor vehicle	4
Trespass	3	Felony Escape	1
Habitual offender	1	All other offenses	75

---

The Department would like to remind everyone to report any suspicious activity, and to lock and secure all doors to houses, vehicles and any out buildings to prevent any losses from theft. Our Business phone line is 837-2703, if you need an emergency response please dial 911 and our officers will respond. Listed below is our roster of officers:

Chief-Mario Audit  
Sgt. John St. Martin  
P.F.C. Antoine Alba  
Officer Vincent S. Rodden

Thank you for your continued support,  
Respectfully, Mario J. Audit  
Chief of Police

## EMERGENCY MANAGEMENT

There were changes to Emergency Management in 2011. John Tholl Jr. resigned as Emergency Management Director. Selectman Mike Crosby became acting Emergency Management Director until I accepted the position later in the year. There was a couple major storm related incidents in Dalton in 2011. The first storm damaged and washed out a number of roads in town. The second storm damage or washed out most roads in Dalton. Town Officials and Departments worked together to cover emergencies and repair roads. The Select board and Road Agent Bob Wentworth secured FEMA Grants which will help offset repair costs. Hurricane Irene threatened the East Coast in 2011. Dalton was prepared for the storm. Fortunately the storm went around us, many towns were not as fortunate. The generator at the Old Town Building was moved to the Fire Station. We are currently working on a grant to install a generator at the Highway Garage. The Hazard Mitigation Plan was updated in 2011 and should be finalized early 2012. I am currently working with Cathy Fountain to add an Emergency Management informational page to the Town Web Site. The video surveillance system has been installed in the Municipal Building.

Respectfully Submitted;  
Ron Sheltry  
EMD

## DALTON FIRE DEPARTMENT ANNUAL REPORT

The Dalton Fire Department responded to 108 calls in 2011, a significant increase over 2010. 2011 was the first full year of responding to EMS calls and proved to be very busy. The Fire Department made patient contact with 92 patients, 85 percent of the call volume represented EMS calls. The Fire Department responding to EMS calls have dramatically reduced response times. Early assessment, stabilization and ALS intervention has been a major benefit to patients. Whitefield Fire Rescue transports Dalton patients, their professionalism and dedication is appreciated. Dalton Fire Department and Whitefield Fire Rescue work well together for the benefit of Dalton residence.

I would like to take this opportunity to thank a number of people and organizations for their help and support in 2011. First and foremost are the members, who respond to emergencies day and night, in extreme heat and cold, leaving meals, family events and being woken from a sound sleep. These members are trained and prepared to respond to any emergency. The Fire Department could not operate without these dedicated members. I would also like to thank the members families who tolerate the hours spent on fire service. Their support is appreciated. I would like to extend a thank you to the mutual aid systems that provide assistance in large emergencies; we could not survive without their help.

The Dalton Fire Department would also like to extend a special thank you to the Dalton Auxiliary. The Auxiliary's support of the Fire Department is appreciated. The Auxiliary is always on standby to provide the Fire Department with food, drinks and support at emergency scenes. They continue to donate equipment and have supported the First Responder Service from the start. The Dalton Auxiliary provides and supports many projects in Dalton and is a great organization.

The Dalton Police Department saw a change in leadership in 2011 with the resignation of former Police Chief John Tholl. Former Chief Tholl was a supporter of the Fire Department. We wish him well on his future endeavors. Mario Audit accepted the position of Police Chief in 2011 and immediately showed his support. The Dalton Fire department and Dalton Police Department continue to work well together. They are well trained and professional, their help and support is essential in handling emergency scenes. The Highway Crew is unique; all three members are state certified, experienced firefighters and are members of the Fire Department. The Highway Crew responds to fire calls during the day time. In a town where most members work out of town this makes day time coverage possible. Road Agent Bob Wentworth and his crew also maintain the Fire Department trucks and equipment and make repairs when necessary, saving the town down time and money. Cathy Fountain volunteers time maintaining the town computers and the town web site. Cathy is working with the Fire Department to set up a web page. Her time and knowledge are appreciated. I would also like to thank Town Clerk Sandra York. Sandy is a major asset to the Fire Department; she answers questions, coordinates meetings, and helps track my budget to name a few. Sandy supports the Fire Department and instrumental in helping to form the First Responder Service. I would

like to thank the Select board for their knowledge and support. Brian Hardy resigned from the Select board in 2011. I would like to wish Mr. Hardy the best in the future and thank him for many years of service to the town.

The Dalton Fire Department would like to thank the people of the Town of Dalton for their continued support. We would especially thank the people who saw the need and supported the First Responder Service. Emergency Medical Calls are the largest call volume for the Fire Department. Fire Department EMS personal has made a real difference in the outcome of patients needing this service by providing quick response, scene stabilization and advance life support. We would also like to thank the Littleton Regional Hospital Paramedic Program and the Weeks Hospital Paramedic Program. These programs offer advance life support to towns that would otherwise not have this benefit.

The current roster; Chief Ron Sheltry, Assistant Chief Mark Jacobs, Captain Bob Wentworth, Captain Tom McVetty, Lieutenant Rob Blanchette, Lieutenant John Bean, Brett Hucksoll, Tiny Miller, Allen Blakslee, Jeff Young, James Sherwood, Dan Way, Bob Giroux, Shawn Giroux, Dave Doolan, John Letson, Dan Adams, Harvey Call Jr., Carol Sheltry, Ed Tibbets, Peter Tibbets, Kathy Barden, James Hussey, Amanda Bell, Tony Alba, Shawn Sherwood, Patty Call, Brenda Ruggles, Bruce Walsh

REMEMBER: SMOKE AND CARBON MONOXIDE DETECTORS SAVE LIVES  
CPR AND FIRST AID SAVES LIVES

Respectfully submitted,  
Ronald Sheltry  
Dalton Fire Department Chief

## RECREATION DEPARTMENT

It was a great first full year for Dalton Recreation. A number of new and exciting programs were started this year. Adult basketball on Tuesday evening at 6pm and Self Defense classes on Thursdays (5pm kids, 6pm adults) are just two examples. There is no charge for these two programs. We are in the planning process for a Zumba /exercise class as well as a summer program for children to attend.

A number of events were held as well. A sledding party with snacks and hot chocolate and crafts was held in February. Over 20 children and adults enjoyed this afternoon with hopes for another this winter. We also participated in Town Square day as well as Christmas in Dalton. Our largest event to date was the Halloween carnival held at the Dalton Municipal building. Over 200 people came to enjoy the amazing haunted house, snacks, and crafts. Admission was an item for the food pantry in Whitefield. We were able to collect over 250 items for this much deserved charity.

2012 is shaping up to be a busy year with new opportunities being explored. A game night (in conjunction with several Girl Scouts), green up/spring cleaning day, fishing derby and an Easter event are just a few of the ideas being explored. A hunter safety will be held in May.

We are currently exploring ideas for the playground and land behind the Municipal Building. Grants and fundraising is also being explored as a way to update and provide new equipment needed for a successful recreation program.

A big thank you to Mike Crosby, Sandy York, and John and Tammy Letson as well as many others for helping the Recreation committee get off to good start. If you have any ideas or would like to volunteer please feel free to attend a meeting, 2nd Wednesday of every month, 6:30 pm at the Municipal Building.

Respectfully submitted,  
Margaret Michaud, Assistant Director/Secretary

## PLANNING BOARD

Although the 2011 year did not have many applications, it was still a productive year. The master plan has been completed. You can obtain a PDF version of the plan from the town's website on the Planning Board page.

Moving towards a more automated process and availability, our secretary has aided in providing the Planning Board minutes and application forms in PDF format on the town's website. You will find the Planning Board page at <http://www.townofdalton.com/Planning.html> . In addition, there is now a form application on the Planning Board page of the website. This form allows scheduling a time with the Planning Board, providing a brief message, and submitting any documents you wish the planning board to review.

In the past year we had two members step down, Tammy Letson and Sandy York. The Planning Board would like to thank Tammy Letson and Sandy York for their years of service to the Planning Board. They have been of a great service and their help and will be missed.

As always, the Planning Board welcomes public input. Join us at our meetings which are the first Wednesday of every month at 7pm.

Respectfully submitted,  
John Letson  
Chairman

## LIBRARIAN REPORT

We are currently waiting to finish the shelving in our half room to house the non-fiction and NH collections for patron use. Bookshelves are stored in the hallway, and are waiting installation when the small sinks are removed from the two library rooms. A glass front bookcase has been purchased for the NH collection and is also waiting for installation. Updated computer parts have been purchased with the Gates Foundation Grant Fund for patron use.

As part of the summer reading program, ONE WORLD, MANY STORIES the library held a "big rig" truck event at the Old Town Hall parking lot, the Fire, Highway, and Police Departments participated as well as Joel White with his septic truck and Norman Lambert with his car carrier.

I attended the Library Trustees Association; the NH Library Association; and the New England Library Association conferences this year. The local library meetings provide guidance and collaboration and continue to provide our patrons materials that are not in our own collection.

Books pulled for the book sale are stored at the Dalton Town Hall. The old library room is set up to house an ongoing book sale to be open whenever there is an event in the building. Many thanks are extended to David and Mary O'Connor who donated the remainder of their used bookstore for our book collection and sales. We use this money to purchase more books. Our programming and seasonal storage is also at the Town Hall Building as there is no storage in the current location.

The library has started a quilt group that meets at the Town Hall Building the fourth Wednesday of every month. This is a free program for participants to learn from each other and to bring their own projects in to be completed. Also at the Town Hall is a monthly group of girls that meet after school to do projects with their dolls. We provide programs during winter and summer for children of all ages. Again this year the library participated in the annual Memory Tree service.

The fiction and mystery sections of the library have been cataloged into the statewide database. Many thanks to Nancy Crosby for her volunteer work in this area. The activities and happenings here are accomplished with the help of the many volunteers that provide time, assistance and money. We thank all who have been so generous with their donations and gifts to the library.

The library hours are: Monday & Wednesday 2-6 and Saturday 10- noon.

Respectfully submitted,  
Doris Mitton, Librarian

Trustees: Margaret Michaud; Jean Abbott; & Nancy Comeau

## LIBRARY TREASURER'S REPORT

Financial Report Jan 1 - Dec 31, 2011

Check in transit	<u>1,444.60</u>
	<b>\$13,372.41</b>

Jean Abbott, Treasurer

## CONSERVATION COMMISSION

The State of New Hampshire gave the municipalities the authorization to form Conservation Commissions within their towns or cities. The Commissions deal with the natural resources of their locality. These resources need to be protected. We are there to advise individuals and other boards of environmental concerns, and hope that you, as citizens or property owners of Dalton, will come to us with your concerns or plans in developing your property.

Our water resources must be protected. You may think of a wetland as being in the way or a nuisance. Instead it could be your source of drinking water, the supply of water that allows your lawns, gardens or trees to thrive. It may even be beneficial to your neighbors or the town. Do you know its source? Where does it come from, what does it pick up on its way, and where does that precious commodity go? Does it have natural filtration?

There are conservation lands in Dalton that have water, soils, plant, fish and wildlife protection within them. Hiking trails for the public are located in some of these lands, and make for enjoyable and educational trips through these natural habitats. Proper use of the land can go a long way toward protecting it, but for long term, you might consider looking into a conservation easement or sale.

We are still working with the Selectmen to make use of the piece of woodland at the back of the municipal building property by adding hiking or walking paths to a part of town that has long been known as the center of town. The Town Pound, one of only a few left in the state, sits at the edge of this parcel and was once used to contain live stock that roamed away from home until they were claimed by their owners.

Changes in our membership over the past year meant we did not have someone who was trained in the use of our water testing equipment for the Volunteer River Assessment Program. The equipment is ours and we may be able to get back into that program again in the future. The tests over the past several years had been done on the waters of the Connecticut and Johns rivers.

We have materials available for you to use and can direct you to areas of assistance in the matter of natural resources. The time to start is now, before you find that a permit application should have been filed before you started. A visit to the commission could be a cost-saving stop for you.

As we start a new year, our Conservation Commission is looking for two individuals to join us as alternate members. If you have an interest in protecting the natural aspect of Dalton or have knowledge you feel could benefit us, please come in to see us. Our meetings are held on the third Thursday of each month at 6:30 pm.

Respectfully submitted,  
 Rebecca McVetty  
 Secretary  
 Dalton Conservation Commission

**THE MERCIER GROUP**  
INDEPENDENT AUDITOR'S REPORT

We have audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Dalton, New Hampshire as of and for the year ended December 31, 2010, which collectively comprise the Town's basic financial statements as listed in the table of contents. These basic financial statements are the responsibility of management. Our responsibility is to express opinions on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards that are generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Dalton, New Hampshire, as of December 31, 2010, and the respective changes in financial position thereof for the year then ended in conformity with accounting principals generally accepted in the United States of America.

The management discussion and analysis beginning on page ii and budgetary information presented in the section marked *Required Supplementary Information* is not a required part of the basic financial statements, but it is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquires of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and therefore express no opinion on it.

Our audit was performed for the purpose of forming opinions on the basic financial statements taken as a whole. The accompanying schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

Note: Due to the auditor's scheduling the 2011 audit has not yet been completed.

**LUNENBURG, GILMAN, CONCORD SENIOR CITIZENS, INC**

The Senior Center, independently run, is located on Riverside Avenue, in Gilman, Vermont.

Our kitchen served 12,465 meals this year to people 60 years old and their spouses. This includes Homebound deliveries in Lunenburg, Gilman, Concord and Guildhall. Congregate and Homebound meals are served Tuesdays through Fridays at 12:00 noon.

Homebound meals are delivered by volunteers, using their personal vehicles. At this time we deliver from Kirby Mountain all the way to Guildhall. The volunteers are given a mileage reimbursement through the Vermont Area Agency on Aging.

The center also sponsors many events that are open to the public. The Center has Bingo each and every Monday starting at 6:30p.m. We have been blessed with folks who are willing to volunteer their time for the enjoyment of others. The Center has been rewarded from this endeavor as we were able to get some expensive repairs done that were urgently needed. The Center also has trips, sponsors Flu shots, Blood Pressure Clinics, and has volunteers' that will help with tax preparation in the spring. It is also available for receptions, dinners and church services

The Emergency Food Assistance Program (T.E.F.A.P.) is another service the Senior Center offers through the Vermont Food Bank to income eligible families, regardless of age. Volunteers inventory, bag, and distribute the food around the third week of each month. We distributed over 1,300 bags of food last year to families in need, an increase of over 300 bags of food from 2010. If you or someone you know needs information about this program you can stop by the center or call (802) 892-6616.

Our famous "Boutique" is open Tuesday thru Friday 9:00am to noon or by appointment. Clothing donations are gratefully appreciated. The Boutique is also used to help victims of fire or displacement. They are invited to take whatever they need or want, at no cost. Available also through our Center are medical equipment such as port a potty's, tub chairs, walkers, canes, crutches and, on occasion, wheel chairs. We loan them at no cost to anyone in need.

An advocate from the Area Agency on Aging for Northeastern Vermont, located in St. Johnsbury is available to help people with food stamps, fuel assistance, Social Security and Medicaid/Medicare. There are also volunteers available to help with Tax Rebates and companionship. Information about these programs is available by calling the Area Agency on Aging at 1-800-642-5119.

We are always looking into grants to fund major repairs and renovations without asking the surrounding communities for additional funding. Continued community support for the Senior Center will go a long way toward maintaining our routine services.

I respectfully thank you for your consideration and all that you do for our Senior Center each and every year. Without your help it would be impossible to continue serving our community.

Respectfully submitted,  
Aprel A. Woods  
President / Chairman

## CALEB INTERFAITH VOLUNTEER CAREGIVERS

Serving 8 area communities (Bethlehem, Carroll, Dalton, Groveton, Jefferson, Lancaster, Littleton and Whitefield) the non-profit organization doing business as Caleb Caregivers has been around 16 years.

Annually we provide services to approximately 250-300 clients who are 60 years of age and ambulatory. We are best known and relied on for; transportation (especially for medical appointments – local and long distance) and visitation. We also provide some light-housekeeping services, friendly calling, telephone reassurance and delivery of Commodity Supplemental Foods.

In 2010 Caleb volunteers travelled 37,557 miles while taking 4,169 trips and amassed about 3,104 hours (about \$73,158 worth of service to community members. (Our 2011 numbers will not be complete until mid-January). All services to Seniors are provided free of charge in keeping with our mission statement to keep Seniors living independently. Numerous studies show that home care and support services are preferred and cheaper alternatives than nursing home residency costs.

Much of Caleb's funding is garnered from grants, an annual appeal, support from the faith community and a "planned giving" program that encourages family members to gift Caleb Caregivers in appreciation for keeping parents or other loved ones living independently. We also rely on town appropriations and are grateful to Dalton residents for their continued support of Caleb services.

Our plans for the coming year include a focus on greater collaboration with service providers to close gaps in service as well as a 30% increase in volunteer recruitment and training and a resulting expansion of services to the growing Senior population.

Besides clients, volunteers are our most cherished participants and the need for those willing to provide some measure of service is greater than ever. If you, or someone you know, would be willing to volunteer (even committing to a half day a week) would be a significant boost to the program and your community. We provide accident and liability insurance and supplemental vehicle insurance as well as reimbursement for mileage incurred in transporting clients.

Please contact us at our offices in the Whitefield town building (next to the police station) or call us at 837-9179 or via email at [calebdirector@gmail.com](mailto:calebdirector@gmail.com). Our web site is [www.caleb-interfaith.org](http://www.caleb-interfaith.org)

Sincerely,  
Peter Riviere  
interim executive director

## WHITE MOUNTAIN MENTAL HEALTH & COMMON GROUND

This year Northern Human Services/White Mountain Mental Health has provided 92.20 hours of outpatient mental health services to 22 residents of Dalton who were either uninsured or under-insured. In addition Common Ground, our program for persons living with a developmental disability, has provided a comprehensive array of supports to 226 residents of Coos County.

The numbers above only tell part of the story. Access to mental health treatment is important, but the availability of a Community Mental Health Center in an emergency situation is equally crucial. Our 24/7 crisis service, staffed by experienced, master's level clinicians and supported by board certified psychiatrists, means that any resident or visitor can receive a competent assessment, day or night, in the event of a suicidal or homicidal crisis. This year we have made these services available with no waiting, even in the middle of the night, through the use of video equipment at all local hospital emergency rooms.

As every town makes hard choices about how to allocate scarce resources, human service organizations are often "on the chopping block". Sadly, this is exactly the time when mental health care is most needed and least afforded, as individuals and families face job loss, relationship disruption and depression. Mental illness can be a fatal disease and the rate of suicide is on the rise. In addition to the terrible impact of a suicide, the cost of untreated mental illness to local towns in terms of police involvement, town welfare and public safety is significant.

Support from our towns has allowed us to continue to offer treatment on a sliding fee scale to anyone who comes to our door. Your support also allows us to intervene without any fee to tragic incidents in any of our communities – in schools, places of business or scenes of a natural disaster. We also respond, without cost, to situations of concern to local residents or law enforcement, both by providing emergency services and by providing consultation and support.

As always, we thank you for continuing to help us make these services available.

Respectfully Submitted,  
Jane C. MacKay, Area Director

## REPORT TO THE PEOPLE OF COUNCIL DISTRICT ONE

The Governor and Council have had a busy year since being sworn in to office on January 6, 2011. We meet approximately every two weeks to dispose of official business brought to us from the Governor's Office and the Departments of NH State Government.

The Governors Advisory Commission in Intermodal Transportation (GACIT) submitted our recommendations for the 10 year transportation plans for air, rail, highway and other public transportation to Governor Lynch on December 15, 2011. The Governor will review it and submit his recommendations to the NH House and Senate by January 15, 2012. It is now up to the NH House and Senate Committees to come to conclusions by July 12, 2012 on what our roads, bridges, airports, rail systems, and public transportation will be for the next ten years. Find your local state Senator and Representative by going to

<http://www.gencourt.state.nh.us/house/members/wml.aspx>. Another valuable resource is your local library and town/city clerks. Speak up and let them know what you believe should be done to maintain and improve our public transportation!

Hurricane Irene caused millions of dollars worth of damage to not only town and state road systems, but also caused major river/stream bank erosion. One of the best sources for FEMA and related matters is Chris Pope, Emergency Manager Director, at NH Dept. of Safety. His direct line is 545-5842. NH DOT and NH Environmental Services, Depts. Of Safety and local town/city agencies coupled with private construction companies deserve lots of credit for putting back together roads and bridges for safe and timely travel

A very important function and duty of the Governor and Executive Council is to find citizens to volunteer on the dozens of State Boards and Commissions. If you are interested please send your letter of interest and resume to Jennifer Kuzma, Governor's office 107 North Main Street, Concord, NH 03301 tel 603-271-2121.

2012 is an election year. The NH Secretary of State has a very valuable political calendar with all appropriate dates for filing for office, financial reports, and election dates plus much more. Call NH Secretary of State at 271-3242 for my office for a copy or go to: <http://www.sos.nh.gov/polcal2012-13forweb.pdf>.

District Health councils offer a lively forum to discuss health issues-federal, state and local. If you would like to serve on one of the three District Health Councils in Council District One please send me your name and contact information.

My office has NH Constitutions, official tourist maps, and other information. I always enjoy speaking and participating in local events.

I am at the service of this District. It is an honor to hear from you!

Raymond S. Burton

## NORTH COUNTRY COUNCIL

I would like to thank all of you for your support of the North Country Council this past year. It has been a difficult year for the Council and for our region. Cuts in the State and Federal government have made it a challenge to continue provide a high quality of support for our region and the communities. However, we once again, affirmed the Council's commitment to serve community and regional needs.

The Council continued to deliver planning and economic development services throughout the region. We have and we will continue to adjust our capacities to respond to the needs of the communities and you will see this in the programs that we will be introducing in the coming years. We have continued with our traditional programs in master planning, natural resource planning, Brownfields Assessments, energy planning and transportation planning, and these will continue to be a focus of North Country Council. We applied along with the eight other planning commissions in the State for funding from the Housing and Urban Development agency through the Sustainable Communities Initiative which will provide additional resources to help the region and communities in the development of regional and community plans. Unfortunately we did not receive the award, however we have reapplied this year and are more confident than ever we will receive the award.

In economic development we continue our strong relationship with the Department of Commerce and the Economic Development Administration (EDA) in bringing funding and project development to the region. We were awarded a grant to develop a reuse plan for the Groveton Mill and will be spending next year working with the community, the owner and the regional leaders to develop a use that will bring robust economic development to the region and most importantly jobs. Construction for an addition to the Dartmouth Regional Technology Center (DRTC) started this year and will be completed in 2012. DRTC has been and continues to be a wonderful economic driver for the state and is a national model for incubators. These along with other economic opportunities will continue to be a focus in the coming year.

Again, thank you for all of your support for the Council. I hope that I and my staff can continue to be of service to your community. The Council is here to serve you. It is your organization. Our staff and Board are committed to responding to community needs. If there is a project or a need in your town, please call us. We are dedicated to both supporting our individual towns and promoting regional unity in the North Country.

Thank you for the privilege of allowing us to serve as your President and Executive Director.

Respectfully submitted,  
Michael King  
Executive Director

## FRIENDS OF THE DALTON TOWN HALL

Wow, another year has come and gone. Many thanks to all who have donated their time and/or dollars to our cause, and to all who have attended our fund raising events. Thanks to you we The Friends of the Dalton Town Hall have been able to keep the building going for people to use and enjoy.

Sadly we still have not been able to complete all of the Fire Code upgrades to the building but are very close to having all phases completed. Due to every bodies hectic schedules time has not been on our side, and also many times a lack of extra help. Thanks to the grant received from the Louise Tillotson fund through the N.H. charitable foundation we were able to purchase all materials needed for the upgrades and other items to improve the insulating efficiency of the building. We also purchased two dehumidifiers for the downstairs to use in the summer months.

Over the past year we have held our diners in Febuary and October and our chicken BBQ in July. They all went well and people came from miles around to enjoy some good food. We also kept the community spirit alive with a couple of bonfires and our fall fun and craft day. Many kids (and the adults too I think) had fun making smores and roasting hot dogs on the fire, and in the fall carving pumpkins and painting the windows in the hall. You can look up all of these events in your town report calendar for the upcoming year.

We would like to thank our selectmen and other town officials for their support. Our group looks forward to continuing in our efforts to keep the historic Town Hall open for the public to use and enjoy. As always anyone interested in joining or helping out our organization please feel free to contact me John @ 616-3735 or any of our members.

Respectfully submitted  
John Bean, President

## 2010 TOWN MEETING MINUTES

You are hereby notified to meet at the Municipal Building in Dalton, NH on Tuesday, the 8th of March 2011 to act upon the itemized subjects to follow. The polls will be open at 8 am in the forenoon and will close at 7 pm. The business meeting will be held in the gymnasium and will be opened at 7 o'clock in the evening.

Moderator Ann Craxton opened the annual meeting at 7:03 pm. Rules for the evening were presented.

2. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Sixteen Thousand Eight Hundred Eight Dollars (\$716,808) for general Town operations.

Motion made to accept article 2 as read by Victor St.Cyr. Seconded by Michael Crosby

Motion made to accept article 7 as read by Victor St.Cyr. Seconded by Michael Crosby

ARTICLE 7 PASSED BY SHOW OF VOTER CARDS

8. To see if the Town will vote to raise and appropriate Three Thousand Dollars (\$3,000) to be added to the Pay Per Bag Replacement Expendable Trust Fund previously established for the repurchase of bags for the "Pay Per Bag" system. The source of these funds will be 25 cents from each bag sold. No taxes will be raised with this appropriation. Selectmen recommend this article.

Motion made to accept article 8 as read by Victor St.Cyr. Seconded by Michael Crosby

ARTICLE 8 PASSED BY SHOW OF VOTER CARDS

9. To see if the Town will vote to raise and appropriate the sum of Two Hundred Twenty Thousand Dollars (\$220,000) for the purchase of a new grader and to authorize the withdrawal of One Hundred Thirty Thousand Dollars (\$130,000) from the Highway Department Heavy Equipment Capital Reserve Fund and to authorize the Selectmen to borrow Ninety Thousand Dollars (\$90,000) from long term notes and bonds. A 2/3 ballot vote is required. The Selectmen recommend this article.

Motion made to accept article 9 as read by Victor St.Cyr. Seconded by Michael Crosby

Motion made by Sandra York to amend article 9 to read:

To see if the Town will vote to raise and appropriate the sum of \$244,475 for the purchase of a new grader and to authorize the withdrawal of \$135,000 from the Highway Department Heavy Equipment Capital Reserve Fund, trade in the old grader for the sum of \$15,000 and to authorize the Selectmen to borrow \$94,475 from long term notes and bonds. A 2/3 ballot vote is required.

Motion to second the amendment to article 9 by Michael Crosby.

AMENDMENT TO ARTICLE 9 PASSED BY SHOW OF VOTER CARDS

ARTICLE 9 AS AMENDED PASSED BY BALLOT VOTE: YES - 74 NO - 12

10. To see if the Town will vote to establish an expendable trust fund for the purpose of purchasing a new assessing/tax software system for the Town and to raise and appropriate the sum of Eight Thousand Dollars (\$8,000) to be placed in this fund Also to see if the Town will appoint the Selectmen as agents to expend from this account. The Selectmen recommend this article.

Motion made to accept article 10 as read by Victor St.Cyr. Seconded by Michael Crosby

ARTICLE 10 PASSES BY SHOW OF VOTER CARDS

11. To see if the Town will vote to register and disseminate to all concerned its objection, opposition and commitment to stop the construction of any portion of the 1200 Megawatt High Voltage Direct Current Transmission Line in the town of Dalton as presently proposed by Northeast Utilities, NStar and Hydro-Quebec since such a huge scar constructed and erected through and above the Town's treasured residential and scenic private properties will cause inestimable damage to the orderly economic development of the Town, its economy, and the health and wellbeing of its residents; or to take any other action relative thereto. Petitioned article.

Motion made to accept article 11 as read by Ed Craxton. Seconded by Marti Faulkner.

ARTICLE 11 PASSED BY SHOW OF VOTER CARDS

12. To transact any other business that may legally come before the meeting.

Motion made by Lawrence Newton to impeach of one the Selectmen. No second received.

Meeting adjourned at 7:50 pm.
