Dedication

This year's Town Report is dedicated to

KENNETH H. CLARK

Never have so many been needed to fill the shoes of one retiring employee. Ken Clark has retired from his duties in the town office after ten years. For eight of those years he was assessor, while at the same time functioning as building inspector, code enforcement officer, electrical and plumbing inspector, and health and welfare officer.

Ken was the town's elected police chief from 1957 to 1970 – years when he sacrificed precious family time to make himself available any hour of the day or night.

Prior to working for the town where he was born and raised and graduated from Hampstead High School, he was a member and chairman of the Board of Selectmen from 1978 to 1987. During that time he was the board's ex-officio to the Planning Board.

In all his capacities, whether official or unofficial, Ken took pride in his actions and always exhibited fairness and compassion towards his fellow townspeople. Whether inspecting a building, repairing a television or holding the rope so a new generation could join the Fourth of July tradition of ringing the bell in the tower of the Old Meeting House, Ken gave completely of his time and talents.

His pleasant smile and easy-going manner will be missed by those who had the pleasure of working with him. Ken and his wife, Mary, are wished a very happy, healthy, and well-deserved retirement.

Ken and Mary Clark
at Ken's Retirement Party

Selectman Raymond DeMatteo is thanked for service by fellow board members Joseph Guthrie and Howard Davine

Board of Selectmen
Raymond DeMatteo, Joseph Guthrie,
Howard Davine with
Administrative Assistant Priscilla Lindquist

Selectmen's Report

The year 1996 was a year of change for the Board of Selectmen. Before the year was out, two Selectmen left and were replaced by two new members. Rick Hartung announced that he would not seek re-election and was replaced by Howard Davine in the March elections. Ray De Matteo informed the board that he would be leaving to take advantage of a business opportunity that would require a significant amount of his time. He was replaced in August by John Lisien, who finished second in the previous elections.

As Chairman and the remaining member of the original board, I would like to express my thanks to both Rick and Ray for their service to the town and to Howard and John for taking hold of their share of the load as quickly as they have.

I would also like to express my thanks to our Administrative Assistant, Priscilla Lindquist, for her help throughout the year, and her assistance in bringing the new members up to speed.

The beginning of the year was taken up with planning for Town Meeting. Again, with the help of the Budget Committee, Department Heads, and Committee Chairmen, we were able to keep the town side of expenses under control.

The board had a number of issues that had to be dealt with during 1996. Some of these were, the Depot Road recreation project, the Old Library's future, deleting Inventories, computer networking, Elderly Exemptions, Ordway Park and Senate Bill 2. We hope your Selectmen have handled these and other problems in the best interest of the Town of Hampstead.

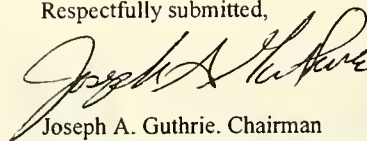

We had another significant change taken place at the end of 1996. Ken Clark, who performed so many duties for the town, retired. Ken wore many "hats" during his 10 years of full-time service to Hampstead. He had been Police Chief and Selectman before his appointment by the Board of Selectmen to a full-time position that included; Assessor, Code Enforcement Officer, Welfare Officer, Health Officer and Building Inspector. The Selectmen held a Thank You party at the Town Office Building when Ken left and have dedicated this year's Town Report to him.

It may seem repetitive for the Selectmen to thank and acknowledge all those who gave of themselves as volunteers. However, the fact is that without those who are interested enough to participate, we would be hard pressed to keep the same character of our town. In addition, the amount of moneys saved by these volunteers is difficult to calculate. THANK YOU.

As we all look forward to 1997, we remind you that we no longer have a Town Meeting. You will be required to vote on all matters regarding the town by ballot at the same time as the election on April 8, 1997. We encourage everyone to participate in this new process.

It has been a pleasure to have served you all.

Respectfully submitted,

Joseph A. Guthrie, Chairman
HAMPSTEAD BOARD OF SELECTMEN

Board of Selectmen

John Lisien, Joseph Guthrie,
Howard Davine with
Administrative Assistant Priscilla Lindquist

INDEPENDENT AUDITOR'S REPORT

PROFESSIONAL
ASSOCIATION
ACCOUNTANTS
AND AUDITORS

April 10, 1996

Board of Selectmen
Town of Hampstead
Hampstead, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Hampstead, New Hampshire, as of December 31, 1995 and for the year then ended. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group, which should be included in order to conform with generally accepted accounting principles. The amounts that should be recorded as general fixed assets are not known.

In our opinion, except for the effect on the financial statements of the omission described in the third paragraph the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Hampstead, New Hampshire, as of December 31, 1995 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended in conformity with generally accepted accounting principles.

PRACTICE SECTION

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying combining and individual fund financial statements listed as supporting schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Hampstead, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

Respectfully submitted,

Mason + Rich P.A.

HAMPSTEAD PUBLIC LIBRARY

P.O. BOX 190 HAMPSTEAD, NEW HAMPSHIRE 03841 (603) 329-6411

Hampstead Public Library Report – 1996

The library continues to be an exciting place and it has been a pleasure to see the library used and enjoyed as much as it has been this past year. Circulation continues to grow with 66,718 items circulated, including 6215 videos and 3443 audios being taken out. There were 555 new patrons and patron #6000 registered in mid-December. Also, people through the door and reference questions continue to increase. The staff is pleased to see patrons readily accepting the computerized card catalogs, and in-house use of materials through CD Roms and books has been heavy.

Magazine Article Summaries on CD Rom (an index to magazine articles for about 500 popular magazines) is very popular and we have added a phone disc, the Physicians Desk Reference, Eastern New England Regional Buying Guide, Infopedia, Rand McNally Street Finder, and three encyclopedias as well. In February of 1997, we will be offering public access to the internet. The Friends of the Library provided the hardware for this through their many fund raisers. We house the Winnshare database which enables seven neighboring libraries to access each other's holdings, and the library continues to interlibrary loan materials to and from libraries throughout the state. The technology we offer at the library has been provided by citizens or monies from other sources than the tax base. We are indebted to Mr. and Mrs. David Hargreaves and Mr. and Mrs. Richard Hartung for their donations.

The Friends of the Library continue to be a source of support in many ways. Joan Patten continues as President and Elaine David chaired the very successful Christmas House Tour. Other fund raisers included a Theater party, the Feaster's Festival raffle, and the annual Thrift Shop. The Friends continue to provide the necessary funds needed for the summer reading programs, the matching funds for the Book Discussions, passes to the Boston Museum of Fine Arts, half of the Boston Science Museum pass as well as the hardware for the new internet connection. Many members also volunteer within the library and help out at the circulation desk. They also offer to the citizens, free of charge, many programs for education and entertainment.

Again, appreciation goes to all the individuals and organizations who have helped the library. The Mother's Club continues their delightful story hours with Diane Kelly and Regina Kuhl. They have also donated money towards childrens' magazines and half the cost of the pass to the Science Museum as well as "Birth Day" books to honor children born to Mother's Club members. Other story hours were conducted by Marie Nicolosi, Helen Cristaldi, and Susanne Dinsmore. The Hampstead Lions Club provide a subscription to large print best sellers. The Hampstead Garden Club maintains the delightful Story Book Garden as well as the landscaping around the building. We urge citizens to visit this delightful garden in season. Thank you to the

HAMPSTEAD PUBLIC LIBRARY

Girl Scouts and Cadets for all their help with the children's programs. The CRA donated a pass to the Christa MacAuliffe Museum; Art Leland, bookmarks; Howard Hamel for his generosity; and the many citizens who have donated magazines, books, audios, and videos for our use. Donations were also made in memory of Dr. Joseph B. Stull.

The Grant Committee, chaired by Kathy Suyematsu, has met regularly. Application had been made for monies toward the installation of the elevator but we have not been awarded any grants. The Committee continues to seek potential funding.

One very big plus to my job is the wonderful, talented, and supportive staff I work with. Judi Crowley, Assistant Director, has had a challenging year planning the library's technology while performing a multitude of other tasks. Her dedication and expertise has enabled the library to offer patrons new areas of research. Deede Laplante has made the children's room a creative and fun center of the library. Louise Pryor continues to offer inspiring and fun-filled evenings for the adults. Agnes Martin, Elaine David, Dorothy Roderick, Annie Donahue, Suzanne Trested, Kerry Cussen, and Ralph Rooney complete the capable staff. Enough thanks cannot be given to our volunteers: Margaret Noonan, Dorothy MacFarland, Tammy Staples, Terry Handel, Jim Buhler, and Isabelle Thomas. Staff continues to attend professional and educational conferences, and the library is an active participant in the local library cooperative.

I am most appreciative for the continued support of my Board of Trustees: Jay P. Burns, Pamela L. Hartung, and Margot R. Clemente. They have continued to seek long range solutions to provide valuable library service to the town.

Our goal is to offer equal access to information to all the residents of the town through a variety of avenues. We continue to serve all ages for education and enjoyment. The staff and I have enjoyed working for you and with you and look forward to the next year with your continued support.

Elizabeth B. Rooney, Director

Hampstead Public Library Trustee's Report – 1996

The Hampstead Public Library Board of Trustees has continued to provide the best possible library with the broadest range of books and services for the citizens of Hampstead. We have continued to expand our technological capabilities and look forward to going on line this year with public Internet access. Much of our technical facilities have been provided through sources other than the tax base.

Our Grant Committee, chaired by Kathy Suyematsu, including Elaine David, Dorothy Roderick, Margot Clemente, Judi Crowley, and Becky Rooney has continued to meet and explore other sources of funds. A recent application made it through the preliminary round but we unfortunately were not awarded the grant.

We appreciate the monies that the town placed in a capital reserve fund at the last town meeting. This fund has been established toward the completion of the second floor which will expand reference areas, provide a public meeting room, study areas, and expanded areas for computer use. We hope to continue adding to this fund to move forward toward completion of the building or to have monies available should matching funds be needed for grant applications.

Our thanks go out to all who have helped the library including our volunteers who put in so many hours of work. We would like to thank all the town organizations including the Mothers Club and Lions whose donations help to provide extra service not funded in the budget. As always, we would like to express our gratitude to the Garden Club whose members do a wonderful job landscaping the front of the library and the Story Garden.

Lastly, we on the Board of Trustees are thankful for the very capable staff at the Hampstead Public Library, led by our dedicated Librarian, Elizabeth Rooney.

Jay P. Burns, Chairman
Pamela L. Hartung
Margot R. Clemente

Report of the Building Inspector

During 1996, this office issued 156 building permits, which included 31 single-family homes, 6 mobile homes, 1 four-unit condominium, 1 commercial building and 120 projects such as additions and/or alterations, pools and utility sheds. The number of single-family home permits represents a 9 percent decrease over 1995. This small decrease should give the Town a respite in a small way from demands for additional services for the residents and the school department.

During 1996, the Planning Board approved 4 subdivisions, Wentworth Heights on Wash Pond Road, Rosewood on Route 121-A, Cherubs Way on East Road and Applebriar on East Road.

In January, the Board of Selectmen offered retirement packages to three full-time employees of the Town. Due to pending major surgery scheduled for me in September and the long recuperation period that would be necessary, I chose to accept the package. This decision made the transition for the Board much easier. I appreciate the efforts of the Board of Selectmen to make the retirement proposal more attractive and also to the legislative body of the Town who passed the necessary funding with little or no discussion.

Looking back over the years during my tenure as Chief of Police, a member of the Board of Selectmen, Building Inspector/Code Enforcement Officer, Tax Assessor and Health and Welfare Officer, I can only look proudly to what may have been my part that makes the Town of Hampstead such a desirable place to live. The continuous influx of new residents proves this beyond a doubt.

It was my fondest wish after my "tour of duty" with the U.S. Navy to return to Hampstead, marry and raise my children here. When the opportunity to serve the Town came as Chief of Police then as Selectman and finally as Building Inspector/Code Enforcement Officer, I gladly accepted. It was a way to "pay back" the Town for all the benefits my family and I received. I would do it again, as I do feel we have an exceptional town with wonderful people.

I cannot say enough about the wonderful help I have received from my secretary, Dawn Shaw. She not only ran the office efficiently but was also a good friend.

I will miss all the other co-workers at the Town office and especially the people coming and going.

I take this opportunity to also thank the Selectmen for their help and their backing in many instances over the years.

Lastly, my humble thanks for the lovely "Open House" and gift tendered me in January.

Most Sincerely,

Kenneth H. Clark
Building Inspector

Building Inspector
Kenneth Clark

An Introduction

When Ken Clark retired, the Selectmen reorganized his duties and appointed part-time people to fill them. I would like to introduce those who are serving in these positions in the Building Department and Human Services Office.

Proctor Wentworth, our Road Agent, will be our Code Enforcement / Health Officer. He will also coordinate the functions in the Building Department.

Robert Morache will be our Building Inspector. Bob teaches at the Lawrence Technical School and is a member of our Planning Board.

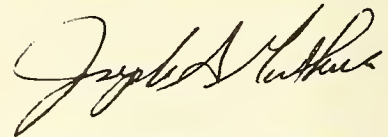

Michael Di Bartolomeo is our new Electrical Inspector. He is a Master Electrician and is a self-employed contractor.

Michael Hartnett is a Master Plumber from Brentwood. He will be doing the plumbing inspections.

Carrie Chooljian is our new Human Services Officer. Carrie also serves in this capacity in Plaistow. We are fortunate to be able to share her talents with our neighboring town.

In addition to the above changes, the office staff has been reorganized to provide full-time service. Mrs. Trudy Towne was transferred from the Selectmen's Office and will be available during the morning office hours. Mrs. Dawn Shaw will continue to be on duty during the afternoon.

We hope these changes will allow us all to better serve the citizens of Hampstead.

Joseph A. Guthrie, Chairman
Hampstead Board of Selectmen

Code Enforcement & Health
Officer Proctor Wentworth

Plumbing Inspector
Michael Hartnett

Human Services Officer
Carrie Chooljian

Building Inspector
Robert Morache

Electrical Inspector
Michael Di Bartolomeo

Building Department Assistants
Dawn Shaw · Trudy Towne

Hampstead Planning Board

Report from the Board

The Planning Board has remained busy during the last year as growth has remained at a consistent level with last year. A report of the activities of the Board is provided. To summarize, 14 conditional approvals were granted nine of these were on site plans, three are subdivisions and one was for a lot consolidation and one was a compliance hearing. Approvals were issued for 12 plans of these, four were for sites, three were for subdivision and five were lot line adjustments. Two plans are under review.

Code Enforcement Officer, Ken Clark, retired this year and his experience and years of knowledge is missed almost as much as the man himself. His leaving has resulted in a number of changes between this Board and that office. The BOCA Code 1996, is a central document in the building code enforcement. This is recommended for adoption on the warrant. A large segment of the code is the Fee Schedule used by the Town. Work on it was coordinated with the new staff in the Code Enforcement Office.

The ordinance proposed to regulate Sexually Oriented Businesses is to be voted by the residents. Its adoption is strongly recommended. The ordinance is to enable the Town to provide some regulation of the locating and operation of such businesses. There are NO proposals before the Board at this time.

There are three other petitioned articles which the Planning Board is recommending for adoption. Two will reduce the setbacks from the wetlands. There is an article which would reduce the lot line setbacks in the Recreational Zone to 15 feet. Many of the lots in this zone are small and there is not sufficient area to add to the structures without going to the Board of Adjustment.

A preliminary meeting with Rockingham Planning Commission on the Capital Improvement plan has taken place. This document is scheduled for updating and adoption this year. The Capital Improvement Committee will be central in the work to be done on this long range program.

Summary of Action on Plans

Hampstead Capital Needs Committee

Report to the Town of Hampstead – 1996

During the past few months, the Capital Needs Committee (HCNC) has been working with representatives from each Town committee, commission and department to bring you the attached Capital Forecast for the next several years — through 2002. We want to thank all of the representatives of the various departments, committees and commissions for the efforts they made to carefully consider their capital needs and prepare information to enable the HCNC to bring the combined needs to you, the residents of Hampstead, for your consideration. The information provided in this report is not a “cast in concrete” time line of expenditures. Instead, it is an unfinished work that is being molded and shaped continuously. This report shows the current “best guess” as to when each of the forecasted items will be brought to the Town for consideration as a part of the operating budget, a Warrant Article or other Town Meeting action.

There are a few highlights included in this year’s report that the HCNC wants to bring to your attention. The first one is the inclusion of an extensive capital plan for the Hampstead School District. A detailed five-year plan has been generated and is presented here. This plan is just one of the products of the District’s recent activities involving many of the Town’s residents. The second highlight can be found by examining the Fire and Safety forecast. The Fire Department Board of Engineers worked to reduce the cost to the Town of improving the East Hampstead Fire Station. Previously the project was estimated at \$100,000. The department has been able to modify the approach and reduce the capital need by \$70,000! Another cost avoidance from the Fire Department is evidenced in the combining of two vehicular needs into a single piece of apparatus at a savings of approximately \$100,000.

The Capital Forecast shows a significant increase in capital needs for 1997. This is mostly due to the improved reporting by each Town Department. Many of these expenditures would have previously been made, but not presented as a part of the forecasting process — another indication that the department heads want you to be better informed.

Last year’s report included some graphs to help you visualize the historic and future capital needs. The 1996 report includes the same graphs with updated information as well as new “total period” views. The *Hampstead Capital History* graphs show the “actual” approved capital from previous Town Meetings. The *Hampstead Capital Forecast* graphs, which are graphical representations of the HCNC’s efforts this year, show the capital forecast for 1997 through 2002. Departments with no forecast are excluded from the graph for clarity. The *Forecast* graphs show the relative size of the needs of each department for each forecast year. These are planning tools that each department can use to see how they “fit in” with the total Town needs.

The HCNC appreciates the cooperation each department has contributed in making this report possible. Without their assistance and participation in this process, we would not be able to provide this planning document for the town.

As in the past, copies of the entire Hampstead Capital Improvements Plan (all of the individual backup planning forms and plans) will be available for your review at the Library, Selectmen’s Office, The Town Clerk’s Office, the Planning Board and the Budget Committee offices. If you have any questions, please contact one of the HCNC members.

Respectfully submitted January 31, 1997.

TOWN OF HAMPSTEAD

POLICE DEPARTMENT

WILLIAM J. LETOILE, Jr.
Chief of Police

JOSEPH BEAUDOIN, Jr.
Deputy

P.O. BOX 78 • HAMPSTEAD, NEW HAMPSHIRE 03841
TEL. 603/329-5700 • FAX 603/329-4990

The following report is submitted to the residents and taxpayers of the Town of Hampstead for the year 1996.

Officer John Tetreault joined our department this year to initiate a DARE program at the Middle School. The program was an overwhelming success with the graduation of one hundred and fifty six, fifth grade students. The students were not only trained in the dangers of drugs but taught mainly how and why to say "NO TO DRUGS". We would like to congratulate Officer Tetreault and all the students who participated in this, the initial program.

Statistics for the past year show very little change in major crime with all but one decreasing. There was one armed robbery of a bank reported. We have suspects at this time and the case is still under investigation.

One hundred and nine accidents were reported, which is down from one hundred and twenty five the prior year. There were sixty four persons injured and no fatalities. This, we feel, is a result of added visibility in our more active areas.

Domestic disturbances increased from forty to forty six and acts of vandalism increased dramatically from fifty two to seventy nine. Most of these were caused by juveniles with time on their hands and "NOTHING TO DO." Parents, please help us by knowing where your children are at night, who they are with, and above all what they are doing.

The K-Nine program that we have been fortunate to have had since 1990 at a minimal cost to the town has been discontinued. Since its inception there have been new laws enacted which deal with these programs. To continue this program the town would have to acquire a new dog, pay to have it trained and along with many other expenses, could cost the town a substantial amount of money. We felt this money could be better spent on added patrols to increase visibility and have extra cruisers on the road. This decision was not an easy one, but was made with you, the taxpayers, in mind. This department as well as the citizens of Hampstead thank TYSON for a job well done and wish him a long and happy retirement.

We would like to take this opportunity to thank all town departments, all town personnel and all of you who have helped us this past year. A special THANK YOU to all officers and their spouses for the many hardships they endure so that we may help make your town a safe place to live.

William J. Letoile, Jr.
Chief of Police

Hampstead Board of Adjustment Report – 1996

In 1996 the Board of Adjustments heard 16 variance request. 12 of these requests were granted; 4 were denied. The number of variance requests has increased over last year by 5.

There were 22 request for special exceptions. 18 were granted; 4 were denied. This is a decrease of 2.

The board granted 3 seasonal conversions while denying 1. This is due to the ordinance requirements changing from a variance to a special exception.

There where 2 requests for rehearing. We denied one request for rehearing.

One appeal from an administrative decision was heard.

Respectfully submitted

A handwritten signature in cursive script, appearing to read "Pam DesMarais".

Road Agent Report – 1996

As you all know, 1996 was a winter of record snowfall and cold. It carried right into the month of December, with the snow storm that knocked down trees and power lines. After the snow melted we were able to clean up a lot of the brush. There is still a lot of trimming to be done.

In summer maintenance, we shinned and paved Depot Road, Wheelwright Road, Page Lane, Johnson Meadow Road and Jorgenson Lane. Adeline Street was reconstructed.

The engineering for Mill Shore Road was completed and has been put out to bid proposal so we can have a firm figure to put a warrant article on the town ballot to reconstruct this year.

The rain storm we had in October which flooded a lot of the roads did minimal damage. It was spread all over town. We were able to get reimbursement from Federal Emergency Management Agency in the sum of approximately \$3,800. Hopefully, 1997 will be a normal year.

Respectfully submitted,

Proctor Wentworth

Hampstead Historic District Commission Report for 1996

This past year work continued on the restoration of the Old Meeting House, replacing more sills and putting new clapboards on the entire front of the building. The carriage that supports the bell has been repaired due to weakness found when the bell was being rung. We anticipate that all restorations should be completed during the year 1997.

In November, our annual Ecumenical Service was held on the 24th, arranged by Reverend Bob Dobson, with most of the town's clergy participating. Thanks again, Bob, for all your time and help in making this a great success.

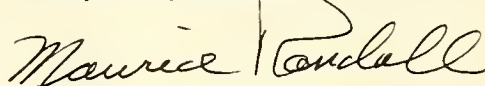

We are now making plans for the "Old Library". Our goal is to have this building completed and open as a museum and display area for our town's historical artifacts and papers for the 250th anniversary of the town in 1999.

Last year we ran a contest in the town report to see who could identify some picture of "Old Hampstead". There were no winners, so we will try again this year and the winner will receive a set of commemorative glasses depicting our Old Meeting House. Many of you travel over the streets and go by the buildings in the pictures, but remember, they were taken years ago. GOOD LUCK!

In closing, the Commission hopes to have your support for the article in this year's warrant to finish the restoration on the Old Meeting House.

Also, anybody that would like to help set up the Old Library for the above mentioned intent, please call me at 329-6959.

Respectfully submitted,

Maurice Randall, Chairman
Hampstead Historic District Commission

HAMPSTEAD FIRE/RESCUE DEPARTMENT

REPORT TO THE TOWN

A record number of emergency responses to meet the needs of our community were made by the Hampstead Fire/Rescue Department in 1996. The call breakdown is as follows:

FIRE CALLS

• Structure Related	89
• Brush or Woods	14
• Motor Vehicle	8
• Hazardous Materials Incidents	5
• Service Calls	78
• Mutual Aid Sent	34
• Mutual Aid Received	3

RESCUE CALLS

• Emergency Medical	273
• Motor Vehicle Accidents	59
• Missing Persons	1

TOTAL 564

It should also be noted that during two storms, one in October and another one in December, the Department responded to 90 calls and assisted homeowners with various water related problems. Anyone who lives in a house prone to any water problems must have the proper equipment in place to deal with the situations. The Fire Department does not have the manpower or pumps to mitigate all the problems associated with above average rainfall.

We have now completed a full year as a paid/call department and the program is working with few difficulties. The membership roster fluctuates as people have time problems. We lost two excellent members, Sharon Pangaro resigned and Mike Sullivan is on a leave of absence, both due to work and family commitments. We thank them for the time they have put in for the community. Any resident of Hampstead is welcome to join the department and become trained.. It means an investment of time for the satisfaction of helping the community at a time when there is a great need. The families of the men and women in the department are also involved in the fire department. Their patience and understanding of the time devoted to classes and training in addition to the calls, is appreciated.

Voters will be asked to consider two warrant article which will deal with upgrading the Department's equipment. One is the addition of money to a capital needs fund for the purchase of a fire truck. The second request is for funds to renovate the East Hampstead Station.

In early July the new rescue vehicle was put into service. This will respond to all medical and fire related calls. It is an excellent piece of equipment and may be inspected by any interested townspeople at the Central Fire Station.

Pre-fire plans are being set up to facilitate responses for fire emergencies in the different geographic areas of Town. This will allow the faster movement of town help as well as our own equipment. We are continually training and upgrading to provide the best possible service to the residents of Hampstead.

Respectfully submitted,
Chip Hastings, Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing any open burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000.00 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the N. H. Division of Forest and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws please call our office at 271-2217.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detentions and reports from citizens aid in the quick response from local fire departments.

For fire burning permits contact one of the following Hampstead Fire Department officers:

Chip Hastings, Warden	329-6442
James Gilmartin, Deputy Warden	329-7171
Kerry Clark, Deputy Warden	329-5407
Steve Flynn, Deputy Warden	329-5176
Will Waruock, Deputy Warden	329-7142

“REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!”

John Dodge, Forest Ranger

Chip Hastings, Forest Fire Warden

Hampstead Rescue Squad

The Rescue Squad functions as the medical unit within the fire department. The members are proud to serve the community. There are 15 active Emergency Medical Technicians and Intermediate Technicians on the squad. The rescue squad association membership meets monthly on the first Wednesday with training or classes scheduled for the third Wednesday. There are several combined fire/rescue training's each year. We welcome new members to join the organization at any time. Membership in the rescue squad takes a serious time commitment. The calls for assistance can come at any time of the day or night and are a disruption to our lives. Our families deserve special thanks for their support, encouragement and understanding.

Parkland Medical Center is our "resource" hospital. The largest percentage of our patients are transported to the Parkland for treatment although every effort is made to take them to the hospital of their choice for care. Ambulance Service is contracted with American Medical Response. Their base station is located on Route 121A in East Hampstead.

Dr. Joe Sabato, our medical control, celebrated 10 years with us this year and was honored, or roasted, at the annual Emergency Medical Services Banquet. This affair is sponsored by the Parkland to recognize the efforts of all the rescue squads in the area, whether they are full time, paid call or volunteer. Dr. Joe has actively championed a driver safety program for young drivers. The number of deaths in our area is far too high. The Salem Fire Department produced an excellent video for and with teenage drivers which was aired at the banquet and is available for viewing. Ruth Curran, was surprised with being named EMT of the year. All members of the squad have shared with her in this honor.

A new computer system was purchased this year to facilitate the record keeping. Each member must have the required number of training hours in a variety of disciplines to maintain the Emergency Medical Technician license. Training hours will be kept more easily on this system. A software package for tracking call responses and a variety of other information related to rescue calls will be maintained. There are also training programs which members can use to review their skills.

Our thanks to the people of Hampstead for their support of the efforts of the department members.

Respectfully submitted,

Susan E. Hastings, Squad Captain

Hampstead Solid Waste Report

In 1995 Hampstead placed at curbside 2,754 tons of household trash and 307 tons of aluminum, glass, newspapers, magazines, other paper products, i.e. brown bags, catalogs, phone books, junk mail, manila folders and cereal/dry food boxes (without the plastic liners) for recycling.

The town has completed the first year of two three year contracts with Hussey Disposal Inc. One contract covers curbside household trash pick up and the other covers curbside recycling. Both of these contracts have a 2.5% escalation factors and two options for one year extensions.

For the second year in a row Hampstead was the host town for a seven town household hazardous waste drop off day at which a total of 599 households participated.

As always the Solid Waste Committee is looking for new active members and part time volunteers for input and assistance to continue the tasks of providing a high level of service to our town.

HAMPSTEAD SOLID WASTE SUMMARIES

<u>RESIDENTIAL REFUSE</u>	Disposal				
	1996	1995	1994	1993	1992
YEAR	1996	1995	1994	1993	1992
TONS TIPPED	2,754	2,510	2,593	2,421	2,430

Hampstead has contracted for disposal with Waste Management, Inc. The contract expires on Dec. 31 1997 and has two options for a one year extension. The disposal/tipping fee is 34.27 which includes a yearly Boston CPI increase which started Jan 1 1996.

<u>RECYCLING</u>	Curbside Pickup & Hauling				
YEAR	1996	1995	1994	1993	1992
TONS	307.0	371.0	256.6	218.6	265.5
Pick Up	\$23,537	\$27,013	\$27,013	\$27,013	\$26,290
Avoided Cost	<u>\$10,520</u>	<u>\$12,529</u>	<u>\$11,128</u>	<u>\$11,750</u>	<u>\$14,270</u>
Cost Total	\$15,017	\$14,484	\$15,885	\$15,263	\$12,020

Hampstead began recycling in September 1990

SEPTAGE

The town of Hampstead has never had a contract with any facility or hauler to accept septage. Residents must contract with a private hauler who carries septage to an approved disposal site.

KENT FARM FACILITIES

The town of Hampstead owns a 70 acre wooded site on Kent Farm Road. This site contains:

- a dump & burn landfill used for forty years and closed in 1978, occupying approximately three to five acres
- a transfer area used by residents one Saturday per month from April through November for bulky household wastes.
- a combustible bulky waste burn area used two or three times a year as permitted
- two seasonal use septage lagoons closed September 1993
- an active Hampstead Police practice firing range

Solid Waste Committee

Bill Choate (*center*) was honored for his commitment to the Solid Waste Committee. Pictured with him are Selectman Joseph Guthrie and new committee chairman Patrick Bracken

PATRIOTIC PURPOSES & VETERANS AFFAIRS COMMITTEE

TOWN OF HAMPSTEAD, NEW HAMPSHIRE

Annual Report to the Residents of the Town of Hampstead

This has been another exciting and productive year for the committee. Numerous concerts and patriotic observances were enjoyed by numerous townspeople. The committee has seen much change to its' members this year and some of our long-time advocates have moved on.

Our Chairman, John Oliver was recalled to Active Duty during the summer and unfortunately for the town, tendered his resignation this past fall. John was sorely missed the latter part of the year. His promotion of Americanism in town was endless and at this time we would like to publicly recognize him for years and years of dedicated, devoted, patriotic service to our town.

Another loss was the resignation of Selectman Ray DeMatteo who served as Liaison to our committee. Ray was a strong supporter to the Veterans of Hampstead and will also be sorely missed. He was replaced by John Lisien who has done a good job of getting up to speed and helping our committee.

Losses notwithstanding, the committee continued the traditions of the past leadership in providing the town an array of patriotic activities and assistance to the veterans of Hampstead. We continued our supervision of Veterans Memorial Park in front of Town Hall, organized and sponsored numerous indoor and outdoor concerts and provided memorial observances for both Veterans and Memorial Day.

All of these activities would not have been possible without the support of the Board of Selectmen, the Middle School Band and Chorus, Central School, all the Hampstead Scouts, the Greater Hampstead Civic Club and the Hampstead Veterans of Foreign War (VFW) Post 11254.

We continued to provide the "Veterans Affairs" tasking to our committee by providing assistance to numerous hospitalized and house-bound vets as well as aid to their families. In all, we have supported nearly one hundred veterans on a myriad of services and in cooperation with the VFW have expended a total of 10,000 man-hours and logged more than 10,000 miles providing these services.

We will continue to work hard again this next year to keep Hampstead the "most patriotic little town in New Hampshire."

Respectfully submitted for the committee,

Howie Steadman, Acting Chairman

Howie Steadman, Secretary
Donald Shedd, Treasurer
Raymond Thibeault, Operations Officer
Mark Grassbaugh, Supply Officer

1997 Town Warrant – Town of Hampstead, NH

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hampstead in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Hampstead Middle School in said Hampstead on the following dates and hours for two (2) SEPARATE SESSIONS.

FIRST SESSION - Friday, March 14, 1997

At seven o'clock (7:00) in the evening, for the purposes of explanation, discussing, and debate of all of the following proposed Warrant Articles:

[NOTE: ALL WARRANT ARTICLES, including the proposed Budget, but excluding those relating to the election of Town Officers, proposed Zoning Amendments, and petition articles, may be amended at this First Session AND ONLY AT THIS FIRST SESSION.]

SECOND SESSION - Tuesday, April 8, 1997

At eight o'clock (8:00) in the AM to elect all Town Officers, by Official Ballot, to vote on questions required by law to be inserted on the Official Ballot, and to vote on all Warrant Articles AS AMENDED AT THE FIRST SESSION.

[NOTE: THERE WILL BE NO EXPLANATION, DISCUSSION, OR DEBATE OF ANY WARRANT ARTICLE AT THE SECOND SESSION, AND NO ARTICLE MAY BE AMENDED. All voting will be by secret, written Official Ballot only. The polls will remain open 12 hours between the hours of eight o'clock (8:00) in the AM and eight o'clock (8:00) in the PM.]

Warrant Articles:

1. To choose all necessary Town Officers for the year ensuing.
2. To amend Article IV of the Hampstead Zoning Ordinance by enacting a new Section IV- 8 as follows:

SEXUALLY-ORIENTED BUSINESS

A. Definitions

1. "Sexually Oriented Business" ("SOB")
"SOB" shall mean any enterprise which provides a service or product which is sold, rented, leased, or otherwise provided for remuneration, whether directly or indirectly, and which product or service depicts or meets the definition of "sexual conduct," as defined in New Hampshire RSA 571-B:1.IV.
2. "Class I Materials"
"Class I Materials" shall mean books, magazines, video tapes, cassettes, CD ROM disks, and other similar mediums which contain depiction of "sexual conduct" as defined in New Hampshire RSA 571-B:1.IV.
3. "Class I SOB"
"Class I SOB" means an enterprise such as a retail food store, pharmacy, video rental store, book store, convenience store, and automobile fueling station, which enterprise (i) sells, rents, or otherwise provides (for off-site reading or viewing, etc., only) "Class I Materials"; and (ii) devotes not more than ten percent (10%) of its inside retail display area to the storage or display of "Class I Materials."

4. "Class II SOB"
 "Class II SOB" means any enterprise which (i) sells, rents, or otherwise provides (for off-site reading or viewing, etc., only) "Class I Materials"; and (ii) devotes ten percent (10%) or more of its inside retail display area to the storage or display of "Class I Materials."

B. "Class I SOB" shall be a permitted use, but only in any commercial zone in the Town of Hampstead, and provided:

1. The enterprise is an otherwise permitted, commercial use in that zone or district; and
2. The enterprise provides appropriate screening, placement, and enclosures for the storage and display of "Class I Materials" to prevent such from access by persons under twenty-one (21) years of age.

C. "Class II SOB" shall be permitted as follows:

1. Located only in Commercial Zone C2 and at least 750 feet from any school, church, or residence, and situated in a free standing building and at least 500 feet from any State numbered highway.
2. The enterprise provides appropriate screening, placement, and enclosures for the storage and display of "Class I Materials" to prevent such from access by persons under twenty-one (21) years of age.

D. Except as permitted under Sections "2" and "3" above, all other "SOBS" shall be prohibited from any zone or district, or building or other structure in the Town of Hampstead, until (i) such time as the Town of Hampstead shall enact a fair and reasonable ordinance for the control of "SOBS" in a manner which protects both the rights of land owners and businesses who wish to engage in other than "Class I SOBS," as well as (a) protecting the health, safety, and property values of residents, guests, and land owners; and (b) preventing access to any such "SOB" by persons under the age of twenty one (21) years; or (ii) March 15, 2000, whichever first occurs.

E. Basis for this Ordinance:

The Hampstead Planning Board finds the following facts which support this Ordinance:

1. The Town of Hampstead experienced no diminution to public health or safety by the allowance the sale of "Class I SOB" materials since the year 1995.
2. Moving in steps, the Board believes it should permit, in the commercial districts and subject to reasonable setbacks, establishments whose primary business is adult-oriented books, records, and videos for off-site viewing and/or reading, for a period of three (3) years to determine the parameters for any additional inspections, policing, or fire prevention/ protection, which might (or might not) result from "Class II" type enterprises.
3. With regard to non "Class I and II SOB" organizations and materials, the Board finds that except for "Class I SOB" materials, opportunities and provisions for adult entertainment and expression within the region are readily provided for. In this regard, the Board has researched and has found the following existing zones designated for sexually-oriented businesses in the surrounding Towns:

<u>Town</u>	<u>Has SOB Zone</u>	<u>Zone Fully Developed</u>	<u>No. SOB Establishments</u>	<u>Distance from the Intersections of Routes 111 and 121</u>
Atkinson, NH	<u>No</u>	<u>-</u>	<u>0</u>	<u>2 Miles</u>
Derry, NH	<u>Yes</u>	<u>No</u>	<u>2-3</u>	<u>8 Miles</u>
Haverhill, MA	<u>Yes</u>	<u>No</u>	<u>Several</u>	<u>8 Miles</u>
Londonderry, NH		<u>Yes</u> <u>No</u>	<u>0</u>	<u>10 Miles</u>
Salem, NH	<u>Yes</u>	<u>No</u>	<u>1</u>	<u>7 Miles</u>
Plaistow, NH	<u>No</u>	<u>-</u>	<u>1</u>	<u>5 Miles</u>
Windham, NH	<u>Yes</u>	<u>No</u>	<u>0</u>	<u>7 Miles</u>

Furthermore, upon investigation, the Board finds that none of these existing districts zoned for sexually-oriented business have been or are being substantially utilized, and there is, thus, an over abundance of undeveloped areas for sexually-oriented business to service the region in which the Town of Hampstead is a part, and for the next three (3) years, at a minimum.

The Board finds, therefore, that at present, there appears to be ample opportunity for Non-Class I or II "SOB's" to locate within the region reasonable access to such by Hampstead residents without the need in the Town of Hampstead for zoning provisions to provide for such uses.

3. To amend Article I-3 of the Hampstead Zoning Ordinance by deleting the previous enactment of the BOCA National Building Code, and adopting the 1996 BOCA National Building Code in its entirety, except as set forth herein.

I-3:0 PURPOSE.

AN ORDINANCE ESTABLISHING MINIMUM REGULATIONS GOVERNING THE DESIGN, CONSTRUCTION, ALTERATION, ENLARGEMENT, REPAIR, DEMOLITION, REMOVAL, MAINTENANCE AND USE OF ALL BUILDINGS AND STRUCTURES; PROVIDING FOR THE ISSUANCE OF PERMITS; COLLECTION OF FEES; MAKING OF INSPECTIONS; PROVIDING PENALTIES FOR THE VIOLATION THEREOF; KNOWN AS THE BUILDING CODE; AND REPEALING EXISTING ORDINANCE Article I-3 OF THE HAMPSTEAD ZONING ORDINANCE OF THE TOWN OF HAMPSTEAD, STATE OF NEW HAMPSHIRE.

I-3:1 ADOPTION OF BUILDING CODE.

That a certain document, three (3) copies of which are on file in the Office of the Town Clerk of the Town of Hampstead being marked and designated as "The BOCA National Building Code, Thirteenth Edition, 1996" as published by the Building Officials and Code Administrators International Inc. be and is hereby adopted as the Building Code of the Town of Hampstead in the State of New Hampshire; for the control of buildings and structures as herein provided; and each and all of the regulations, provisions, penalties, conditions, and terms of said BOCA National Building Code, are hereby referred to, adopted and made a part hereof as if fully set out in this Ordinance, with the additions, insertions, deletions, and changes, if any, prescribed in Section 3 of this Ordinance.

SECTION 2. INCONSISTENT ORDINANCES REPEALED.

That Ordinance Number Article I-3 of the Town of Hampstead entitled TOWN OF HAMPSTEAD ZONING ORDINANCE and all other ordinances or parts of ordinances in conflict herewith are hereby repealed, EXCEPT I-3:4 BOARD OF BUILDING APPEALS (See following Section 116:4), and replaced with the following:

I-3:2 ADDITIONS, INSERTIONS, AND CHANGES.

The following respective Sections are hereby revised as follows:

Section 101.1. Insert: TOWN OF HAMPSTEAD (TITLE: These regulations shall be known as the Building Code of the TOWN OF HAMPSTEAD, hereinafter referred to as "this Code.")

Section 112.3.1. , insert

---	----------

Section 116.4. Insert I-3:3 PENALTIES. In accordance with the requirements of NH RSA 676:17, any person who violates a provision of this Code or shall fail to comply with the requirements thereof or who shall erect, construct, alter, or repair a building or structure in violation of any approval or permit or certificate issued under this provision of this Code:

(a) Shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

(b) Shall be subject to a civil penalty not to exceed \$100.00 for each day that such violation is found to continue after the conviction date or after the date on which the violator receives written notice from the municipality that he is in violation, whichever is earlier.

Section 117.2. Insert: \$100.00; \$1,000.00.

(UNLAWFUL CONTINUANCE: Any person who shall continue any work in or about the structure after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, shall be liable to a fine of not less than \$100.00 or more than \$1,000.00.)

Section 3408.2. Insert: April 11, 1997

(APPLICABILITY: Structures existing prior to April 11, 1997, in which there is work involving additions, alterations, or changes of occupancy, shall be made to conform to the requirements of this Section or the provisions of Sections 3403.0 through 3407.0.)

I-3:4 BOARD OF BUILDING APPEALS.

The Hampstead Zoning Board of Appeals/Adjustment shall also sit and act and is hereby so authorized to act, as the Hampstead Code Board of Appeals as is required by NH RSA 674:51 II (and in accordance with) RSA 673:1 V, 673:3 II and 673:5. Members and alternates appointed to the Hampstead Zoning Board of Appeals/Adjustment shall automatically thereby be appointed as members or alternates, respectively, of the Hampstead Building Code Board of Appeals.

I-3:5 SAVING CLAUSE.

That nothing in this Ordinance or in the Building Code hereby adopted shall be construed to affect any suit or proceeding impending in any court, or any rights acquired, or liability incurred, or any cause or causes of action acquired or existing, under any act or ordinance hereby repealed as cited in Section 2 of this Ordinance; nor shall any just or legal right or remedy of any character be lost, impaired, or affected by this Ordinance.

I-3:6 DATE OF EFFECT.

That the Town Clerk shall certify to the adoption of this Ordinance and cause the same to be published as required by law; and this Ordinance shall take full force and effect immediately after the date of final passage and approval.

4. (By Petition) To amend Article II-2:6 second paragraph, first sentence to read:

"No building activity (building does not include septic systems) shall be permitted within fifty (50) feet of any wetland except as provided in Subsection C of this section."

5. (By Petition) To amend Article III-3:4.D. (Setbacks) second paragraph of the Hampstead Zoning Ordinance to read:

"New buildings or structures shall be set back not less than fifteen (15) feet from the side and not less than fifty (50) feet from the rear property lines."

6. (By Petition) To amend Article II-1:1 B.3 of the Hampstead Zoning Ordinance to read:

"No subsurface waste water disposal system, shall be constructed within seventy-five (75) feet of any designated wetland area."

7. (By Petition) To amend Article II-2:6 A of the Hampstead Zoning Ordinance to read:

"No septic system, leach field, or other waste disposal facility shall be installed within seventy-five (75) feet of the edge of any wetland."

8. Shall we modify the elderly exemptions from property tax in the Town of Hampstead, based on assessed value, for qualified taxpayers, to be as follows:

for a person 65 years of age up to 75 years	\$ 50,000.00
for a person 75 years of age up to 80 years	\$ 75,000.00
for a person 80 years of age or older	\$100,000.00

To qualify, the person must have been a New Hampshire resident for at least five (5) years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least five (5) years. In addition, the taxpayer must have a net income of not more than \$ 20,000.00 or, if married, a combined net income of less than \$ 25,000.00, and own net assets not in excess of \$ 50,000.00, excluding the value of the person's residence.

Recommended by the Board of Selectmen

9. Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$2,424,577.00 Should this article be defeated, the operating budget shall be \$2,311,099.26, which is the same as last year (\$2,296,457.00), with certain adjustments required by previous action of the Town, or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only."

Recommended by the Board of Selectmen

Recommended by the Budget Committee(Advisory only)

10. To hear reports of Auditors and Committees and to act thereon.

11. To see if the town will authorize the Selectmen to accept private donations of land, interest in land or money for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N. H. Land Conservation Program (LCIP) RSA 221:A and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated funds and state matching funds may be expended by a majority vote of the Conservation Commission with the approval of the Selectmen.

12. To see if the town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gifts, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

13. To see if the town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

14. To see if the town will vote to adopt the provisions of RSA 202-A:4-d authorizing the library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided, however, that no acceptance of personal property by the library trustees shall be deemed to bind the town or the library trustees to raise, appropriate or expend any public funds for the operation, maintenance repair or replacement of such personal property.

15. To see if the town will vote to set the rate and amount of compensation to allow the Town Clerk/Tax Collector in accordance with RSA 41:25 and 41:45a, in a salary range between \$25,000.00 and \$ 45,000.00, annually with the specific rate and amount to be established from time to time by the Selectmen in accordance with standards established by them.

Recommended by the Board of Selectmen

Special Warrant Article

16. To see if the town will vote to raise and appropriate the sum of \$25,000.00 for the purpose of continuing the restoration and preservation work on the Old Meeting House. This article and the funds raised and appropriated hereunder shall be non-lapsing until December 31, 1998.

Recommended by the Board of Selectmen

Recommended by the Budget Committee (Advisory only)

Special Warrant Article

17. To see if the town will vote to raise and appropriate the sum of \$ 100,000.00 to continue the construction of the multipurpose recreational fields on Tax Map 1, Parcels 36 and 37. This Article and the funds raised and appropriated hereunder shall be non-lapsing until December 31, 1998.

Recommended by the Board of Selectmen

Recommended by the Budget Committee (Advisory only)

Special Warrant Article

18. To see if the town will vote to raise and appropriate the sum of \$ 10,000.00 for the construction of certain improvements to and on "Ordway Park," pursuant to a Consent Decree entered into between the Town of Hampstead and the State of New Hampshire Attorney General: Such funds to be used together with all contributions and funds raised by The Ordway Park Improvement Committee to begin the creation of a real Town public park. This Article and the funds raised and appropriated hereunder shall be non lapsing until December 31, 2000.

Recommended by the Board of Selectmen

Recommended by the Budget Committee (Advisory only)

19. To see if the town will vote to raise and appropriate the sum of \$30,000.00 to renovate the East Hampstead fire house.

Recommended by the Board of Selectmen

Recommended by the Budget Committee(Advisory only)

20. To see if the town will vote to raise and appropriate the sum of On hundred Twenty Five Thousand and 00/100 Dollars (\$125,000.00) for the purpose of purchasing a new fire truck.

Recommended by the Board of Selectmen

Not recommended by the Budget Committee (Advisory only)

21. If the previous Article 20 passes, to see if the town will vote to withdraw and expend the sum of Seventy Thousand and 00/100 Dollars (\$70,000.00) from the Capital Reserve Fund previously established for the purchase of a fire truck, such withdrawal to be added to said One Hundred Twenty Five Thousand and 00/100 Dollars (\$125,000.00) for the purpose of purchasing one (1) fire truck.

Recommended by the Board of Selectmen

Special Warrant Article

22. To see if the town will vote to raise and appropriate the sum of \$25,000.00 for the purchase of land for an additional cemetery. This article and the funds raised and appropriated hereunder shall be non lapsing until December 31, 1998.

Recommended by the Board of Selectmen

Recommended by the Budget Committee (Advisory only)

23. To see if the town will vote to raise and appropriate the sum of \$ 50,000.00 to add to the Capital Reserve Fund established in 1996 for the completion of the Hampstead Public Library.

Recommended by the Board of Selectmen

No recommendation from the Budget Committee (Advisory only)

24. To see if the town will vote to accept a donation in lieu of taxes from Eli and Bessie Cohen Foundation Camps, such donations to be not less than \$6,000.00.

25. Are you in favor of the adoption of the following Ordinance governing the use of all town-owned ball fields and (sports) playing fields and facilities.

"It shall be a violation for any motorized bicycle, snowmobile, or other motorized vehicle, or any horse or horses, or horse-drawn vehicles to be driven, ridden, or used over or on any Town-owned ball field or (sport) playing ball field or facilities within the town of Hampstead.

Any person violating this Ordinance shall forfeit a fine of \$100.00 for each violation, but not more than \$500.00 in total."

26. To see if the town will vote to discontinue subject to gates and bars pursuant to New Hampshire RSA 231:45, and under New Hampshire RSA 231:45a II (failure to maintain and repair) "Old Road/Old Derry/Collette Road" ("Fire Lane No. 1") as shown on the Town of Hampstead Tax Map, provided no damages are assessed against the Town.

27. If the previous Warrant Article passes, to see if the town will vote to reclassify Fire Lane No. 1 ("Old Road/Old Derry/Collette Road") as a Class A Trail, pursuant to New Hampshire RSA 231-A:2.

28. To see if the town will authorize the Selectmen to grant the Ordway Park Trust an Easement to use certain Town land now part of the Depot Road right-of-way for park purposes. The land subject to this Park Easement shall be sufficient to allow the existing stone wall located within the Depot Road right-of-way and to the north of Ordway Park to remain as and where built until such time, if ever, that increased traffic volume requires the travel portion and shoulders of Depot Road to be widened beyond the stone wall.

29. Are you in favor of the adoption of the following Ordinance regarding prohibiting private drawing-off of "fire ponds."

"It shall be a violation for any person or entity to remove, draw-down, or otherwise utilize any water in any "dry hydrant" or other man-made fire-suppression water cistern, "fire hole," or "fire pond" within the Town of Hampstead, except for fire-fighting/fire-suppression purposes.

Any person violating this Ordinance shall forfeit a fine of \$100.00 for each violation, but not more than \$500.00 in total."

30. To see if the town will authorize the Selectmen to dispose of tax-deeded property by public auction or by sealed bid.

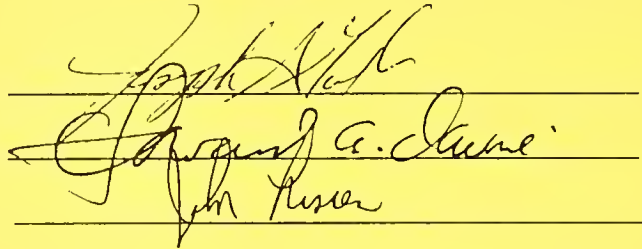

31. (By Petition) To see if the town will vote to raise and appropriate the sum of Twelve Thousand and 00/100 Dollars (\$12,000.00) to continue the Hampstead Police Department "K-9" program for the 1997 fiscal year. The funds so raised to be administered and expended by the Hampstead Police Department for the training, feeding, and maintaining of a new dog to replace the retiring dog, in the same manner as has been expended in past years,

and for the feeding and caring for the retired dog, "Tyson": With the recommendation that said new "K-9" be the dog known as "Quick" and said handler be Officer William T. Ahie."

No recommendation by the Board of Selectmen

Hampstead Recreation Commission Report - 1996

The Hampstead Recreation Commission (HRC) administers and supervises several of the recreation programs and facilities available to the citizens of Hampstead. Members include: Don Simpson, Phil Torre, Nancy Davine, Terry Pavlini, and Jan Santagate. The position of Recreation Director is held by Charlene Flaherty. The HRC meets every third Monday at 7:00 p.m. at Town Hall, and the meetings are open to the public.

During 1996, the Hampstead Recreation Commission (HRC) began construction of the new field complex on Depot Road. Phase I of IV phases of the complex, a full-size soccer field and parking area for 80+ cars, was completed except for the seeding. The seeding of the field and the disturbed areas will take place in the spring of 1997. This phase of the project should be available for use by town residents in September of 1997.

A warrant article for the construction of Phase II will be presented on the ballot this year. Phase II will consist of a second full-size soccer field and additional parking. The HRC would like to thank all of the voters who supported the 1996 article, and encourages your support for Phase II.

To maintain existing fields, in the fall of 1996 members of the Hampstead Association of Softball and Baseball (HASB) volunteered to do much needed renovation work to the Woodland Pond and Tennis Courts fields. The volunteers repaired the infields and installed player benches. Benches were also installed at the Town Hall fields. The HRC would like to thank the volunteers, whose efforts are greatly appreciated.

The summer program for children was our major yearly activity, involving approximately 300 children, ages 6 through 13. Program sites were the Memorial Gym and the Hampstead Central School. Some of the activities offered were: sports and arts and crafts. Special activities provided were: a pizza party, a water carnival, a penny carnival, a time travel art day, and a bike demonstration. There were trips to the Town Beach, and several exciting field trips, such as a roller skating and movie day, a bike trip to America's Stonehenge in Salem, NH, and a day at Hampton Beach.

We were fortunate to have two volunteers who added greatly to our program. We express thanks to Mr. Tom Landry for helping with tennis instruction for teenagers. Also, Ted Lombardi, a Hampstead summer resident, worked for six weeks as a volunteer counselor. He was always pleasant and hardworking, and his efforts were greatly appreciated.

The Little Red Wagon Theatre gave two performances in town thanks to our joint sponsorship with the Mothers' Club this year.

The Town Beach was a popular spot on hot days. We're pleased to report that weekly water testing showed that water quality generally remained very good this summer. The HRC maintained and staffed the site from Memorial Day through Labor Day. Beach parking permits are required and are available at the Town Clerk's Office in Town Hall. Fees are five dollars for residents and twenty-five dollars for non-residents. The permits are valid for the year. This year four hundred ninety-seven permits were sold.

The Hampstead Memorial Gym was continually in use, except for a three week closure at the end of the summer so that the floor could be refinished. Residents who wish to use the facility should call the Recreation Director for scheduling. Besides Civic Club basketball for children, there are also men's league basketball, the Masters' basketball, volleyball, a women's night, Civic Club and CRA activities held on a regular basis.

The HRC's youth soccer school was very well attended, with younger children receiving instruction the first week, and older children the second. The campers had fun and sharpened their skills under the direction of Coach Ray Flaherty and his assistants. Rivier College varsity soccer coach Scott Thomas was guest clinician for the second year, while coach Stacy Freda, assistant women's soccer coach at the University of Lowell joined us for the first time.

Once again Hampstead was well represented at the Hershey Track and Field events in Rochester. Congratulations to all twenty-eight athletes who participated in the events.

Our NYSCA program for coaches continued to offer certification programs. 1st, 2nd, and 3rd year certification clinics were held in March, August, and November, with different sports being addressed each time. Another clinic will be held on March 18, 1997 at 6:00 p.m. at Hampstead Middle School. Softball, baseball, and T-ball will be featured along with the year certification programs.

The Annual Senior Citizens' Holiday Dinner was held in December and attended by nearly 245 of our seniors. For the third year, the event was held at Kieley's Granite Rose function hall on Route 111 in Hampstead. The food was excellent and the company convivial. Entertainment was provided by Joe Knight on the keyboard and by a choir group under the direction of Cindy Verrill. Joe Knight received a special recognition award for his years of assistance. Raffles were drawn by Miss Hampstead, Roxanne Schlothe. We extend our thanks to all the business professionals and volunteers who helped to make the day enjoyable. Gifts were also presented to Grace Waters, Gladys Tufts and Virginia Delisle for their work organizing this year's trips.

The HRC must also thank the active members of our community who give of their time and talent to assist us in our varied programs. Volunteers add to the success of all of our programs.

Respectfully submitted,

Charlene Flaherty

Recreation Director

1996 Budget Committee Annual Report

1996 marked the beginning of a new process for formulating budgets for both the Town and the School District. The Official ballot law (commonly known as Senate bill 2) changed the way that both entities operate, and your Budget Committee proactively assisted department heads to understand and implement these changes. Committee members have spent hours reviewing the law and its implications for both the Town and the School District. Budget Committee members have also worked with various department heads and officials to ensure that this transition will be seamless.

During 1996 Hampstead continued to experience rapid growth. This growth had a direct effect on the budgets of both the Town and the School District. The School District in particular has been severely impacted during the past several years and will continue to feel the effects of increased enrollments during the next couple of years. The role on the Budget Committee is to make recommendations to ensure that your hard-earned tax dollar is well spent.

As Chairperson I would like to thank the members of the Budget Committee for all of their hard work and dedication. It is this spirit of community that makes Hampstead such a special place to live.

John Moynihan, Chair
Jack Baumhor

REPORT OF ROCKINGHAM COMMUNITY ACTION

Rockingham Community Action (RCA) is a private, non-profit corporation. Our mission is to serve the multitude of needs of Rockingham County's low-income residents by assisting them in coping with the hardships of poverty, giving them the tools to lift themselves out of poverty and seeking to eradicate the root causes of poverty. RCA has been addressing these needs for over thirty years.

Greater Salem Community Action Center is an outreach office of RCA that serves residents of Hampstead and 11 other communities, and as such acts as Hampstead's central resource for information regarding all available human services. RCA also offers intake, clinic and distribution sites in over half of the county's thirty-seven communities for the application and provision of various Community Action services.

Community Action provides a wide range of services that are unduplicated elsewhere in the county. Most of these services meet immediate, critical needs and all have a direct and positive impact on people's lives. The following services were provided by Community Action to eligible residents of Hampstead from July 1, 1995 through June 30, 1996:

49 households received one of a group of Fuel Assistance Programs, services that provide financial grants of up to \$585 to income eligible households to assist with energy-related expenses through the Fuel Assistance Program (some households also receive furnace cleaning and budget and energy counseling services), or grants of up to \$250 for fuel and utility emergencies for households not eligible for the Fuel Assistance Program through the Neighbor Helping Neighbor and the Senior Energy Assistance Service.

6 homes were weatherized through the Weatherization or Energy Management Services Programs, which provide high quality energy conservation materials and skilled labor to weatherize homes of income-eligible and high energy-using households in order to reduce heating costs and conserve energy, and provides major repairs or replacement of heating systems for low-income homeowners.

1 household received help through the H.O.M.E. Program, which provides major rehabilitation of single family, owner-occupied homes, emphasizing health and safety repairs, including water and septic systems, structural, roofing, electrical, and heating system work.

28 children and day care providers participated in the Family Day Care Program, which provides training and technical assistance to day care providers and sponsorship of the USDA Child and Adult Care Food Program.

29 child care referrals were arranged through the Child Care Resource and Referral Program, which compiles current data on all available child care options, provides child care referrals to employees of participating companies as well as to the general public, and expands the supply of quality child care by recruiting, training and assisting new child care providers.

14 individuals received services through Family Support Programs, which provide support services, transportation and protective child care to support and stabilize families at risk of child abuse through the Accompanied Transportation and Family Resource & Support Programs.

3 individuals participated in Seacoast HealthNet, which provides access to health care for medically indigent individuals through age 64 through the provision of physician-based medical care, family support services and health education.

58 women, infants and children received help through the WIC or Commodity Supplemental Food Programs: WIC offers supplemental nutritious foods, nutrition education, breast-feeding support and health care screening/referrals to pregnant women, nursing mothers, infants and children up to the age of five; the Commodity Supplemental Food Program provides monthly allotments of commodity foods and nutrition education materials to senior citizens, postpartum women and 5 year old children.

631 individuals received food through the Emergency Food Assistance Program, which distributes USDA surplus food to emergency food pantries, soup kitchens and shelters throughout Rockingham County.

6 food allotments were provided through the Emergency Food Pantry, which provides temporary emergency supplies of non-perishable food to households facing severe economic hardship.

1 household received Crisis Services, programs that provide emergency grants to income eligible households for the payment of rent, mortgage, electricity, fuel or other basic necessities for those facing evictions, foreclosures, utility terminations, lack of fuel or other emergencies.

1 household was enrolled in the Emergency Response System, a program that provides immediate twenty-four hour access to community medical responders for disabled individuals in order to ensure their safety and maintain their independence and quality of life.

In addition to these major programs, much of our staff time is devoted to working with people who come to us seeking help. During the past year, we logged 84 calls or visits from Hampstead residents, many of which were crisis calls involving fuel or utility problems, the lack of food or clothing, or general financial needs. By working closely together with local and state welfare administrators, fuel and utility companies, other human service agencies and interested clergy and civic groups, we are able to link those in need with the services available to them.

The services provided by our staff, together with the programs provided by our agency, have a direct and significant effect on Hampstead's welfare budget. If our services were decreased due to lack of funding, the town would experience a resulting increase in requests for local welfare assistance.

Since the services we provide greatly relieve the towns we serve of the full financial burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 5% of the total dollar value of services we provided during the previous fiscal year, which means that we request \$5.00 for every \$100.00 we provided in direct services.

From July 1, 1995 through June 30, 1996, Community Action provided \$105,997 in services to Hampstead residents. We are therefore requesting the town of Hampstead to contribute 5% of this amount, or \$5,300. The town of Hampstead has contributed to our agency for many years, and we extend our appreciation to you for your continued support.

Cordially,

Connie Young, Outreach Center Director
Greater Salem Community Action Center
Rockingham Community Action

REDISCOVERING A LEGACY...

The Ordway Park Project Committee organized last September. We're a new committee for a 62 year-old park. There used to be a sidewalk running along the east side of Main Street from the town hall building all the way to the corner of the park at Depot Road and Main Street in West Hampstead. There was a flagpole and a stone fireplace. The flagpole is gone, the stone fireplace is crumbling, and the land is overgrown. The committee has a mandate from the Selectmen and from the State of NH to realize a vision of a park with walks and benches, shade trees, grassy areas, gardens, and nature spaces. Since September, the committee's been developing projects and programs. Look for changes in 1997 when initial site work begins. Join us in the challenge, fun and satisfaction.

The committee has initiated a **commemorative walkway project for Hampstead's 250th anniversary**. The walkway will be a permanent focal point in Ordway Park. It will be constructed of bricks and pavers engraved with names, dates, and/or messages chosen by each donor. Senator Rick Russman spoke at our "Brick-Off" about preserving open space in times of rapid growth. He purchased the first walkway brick. Selectman Chairman Joseph Guthrie stepped forward as the first Hampstead resident to buy a brick. The Pillbox described how Ordway Park will enrich our community and ordered the first corporate paver. We expect to see many more names **become part of Hampstead's history**. The committee has started a scrapbook of photos of people behind the bricks. The Cable Advisory Committee will air a list of donors and/or messages.

Our first annual **March for Parks** is scheduled for the afternoon of April 19. Our committee has been accepted as "March Partners" by The National Parks and Conservation Association (NPCA). The March for Parks program began in 1990 to encourage citizens to get involved with community parks. It has grown to be the largest annual walk for parks, and America's largest Earth Day event.

An **art contest** for pre-schoolers is also underway. Children can submit a picture of what they think our park should look like. All entries will be exhibited, and two winners will receive an engraved brick in the walkway **"Winners' Circle"**. Contests for all ages are planned.

Other projects and programs include; **The Park Bench Project**, to provide benches, birdhouses and other site features; **Putting Down Roots**, programs to plant our park (planting picnics, how-to programs, and donation opportunities from bulbs to trees); nature and art programs; a **Children's Forever Garden**; demonstrations and seminars; volunteer work; accessibility/universal design. We're pleased that the Ordway Park Project has two advisors. Stephen Jones, of the Granite State **Independent Living Foundation**, has offered input on planning for accessibility. The Seacoast Chapter of the N.H. **Audubon Society** put us in touch with Linda Maley, a Hampstead resident who is adding her expertise in planning for bird habitats.

*"...the land shall forever be kept open as a public park
for the benefit of the people of Hampstead..."*

*From the will of
Martha H. Ordway, 1895*

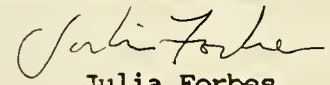

ORDWAY PARK
Main Street and Depot Road

We're excited by the response we've had and hope enthusiasm grows as more people learn about Ordway Park. We appreciate the input and assistance of individuals and groups in town, especially Selectman Chairman Joe Guthrie, Trustee of the Trust Funds Ed Putnam, and Assistant Attorney General Douglas N. Jones, who helped rediscover the park and put us on a forward track. The Cable Advisory Committee has contributed in many ways. The Civic Club, the CRA, and the Garden Club are exploring the possibilities of the park with us. The Girl Scouts are making posters. We thank The Pillbox for its support and purchase of the first Corporate Paver and Senator Russman for his interest and participation in the walkway. Ages and Stages Learning Center has generously offered use of their copier and we've had creative graphic work donated by Bert Myer. Attorney Diane Gorrow, of the Conservation Commission, is helping us set up a permanent Friends of Ordway Park organization.

Thank you to everyone who's offered volunteer work. We look forward to working with you. Thank you to brick and paver purchasers. Brick by brick, we're building a path linking Hampstead's past to its future. We look forward to working with the 250th Anniversary Committee as we plan the dedication of the Commemorative Walkway, as well as the park opening celebration.

Our walkway brochures are available at the library and the town hall. You can see the preliminary site plan for the park in the town hall, where brick samples and information will soon be on display. Visit with a committee member at our town meeting information table. Help us give Hampstead an anniversary present and create the park that began with Martha Ordway's will of 1895.

George Stokinger, Treasurer	1999

ADMINISTRATION

Dr. Douglas B. McDonald	Superintendent of Schools
Dr. Mark R. Masterson	Assistant Superintendent of Schools
Thomas H. McDonald	Business Administrator

Report of the School Board

Richard Little, Chair

The 1996-97 school year has been a very dynamic and exciting period for the Hampstead School District. As a Board, we have been challenged with the need to maintain the quality of educational opportunities in the District, with an expanding student population, while trying to minimize increases in the budget. We have also adapted to the new voting procedures of the Official Ballot Bill.

The citizens of Hampstead have traditionally placed a high value on educational opportunities for our young people. In a world which is rapidly changing - in which new industries and career opportunities develop and evolve on a world wide scale - it is critical that we provide the quality of education that will enable our young people to successfully compete. It is a challenge with which we all must deal. The vitality of our community and state is dependent upon how we respond.

In September, 1996, the Business & Industry Association of New Hampshire issued a report entitled *An Agenda for Continued ECONOMIC OPPORTUNITY in New Hampshire*. This report was the work of a broad spectrum of business people throughout New Hampshire with the objective of providing "a framework from which government, business and individuals can work together to strengthen key segments of the state's economy while preserving its special assets and unique character." One of the major points of the report was that educational opportunities must be improved in order to make our young people competitive in the global economy and contributing citizens of their communities. Our focus in Hampstead is right in line with that goal - striving for improvement in educational achievement and adaptation to the changing demands of our society.

The New Hampshire Educational Improvement and Assessment Program (NHEIAP) is the state testing program which was initiated in 1994 in an effort to provide a challenging assessment of school effectiveness. While no single test is perfect or a complete measure of an individual's knowledge, the NHEIAP provides us with a good indicator of our success as a school district.

Hampstead students in grade 3 and grade 6 have done very well. The real value of the test, however, is the information that it provides our administration and teachers regarding the overall performance of the school district and not the specific results for an individual. Curriculum teams in each school carefully analyze the results and use that information to improve our curriculum and teaching methods. Educational improvement is an ongoing effort in the Hampstead schools. Our teachers, staff and administration are proud of the fine school system that we have but are well aware that it is essential that we all work to make the schools even better.

Another of the significant efforts of the Hampstead School Board this year has been the initiation of a Strategic Planning Process. A group of interested citizens, made up of citizens at large, parents, teachers, administrators, local business people and town officials, worked diligently to develop a Mission Statement, Vision, Goals and Objectives for the school district. The draft statements were presented to many different organizations in the community and feedback was solicited. As these documents become finalized and accepted by the Board, they will provide a clear guideline for the future direction of the Hampstead Schools. This plan will be a valuable asset in managing the growth of our schools. It has been very gratifying to see the number of Hampstead residents who have taken the time to participate in this important task.

Finally, the adoption of the Official Ballot Bill has necessitated a change in the way which we present budget information to the voters. The Board has been very concerned that there be adequate opportunities for budget and warrant articles to be presented and discussed. Toward that end, a mailer was distributed to all homes in Hampstead which provided a schedule of hearings and procedures associated with the balloting procedures. We believe that each voter should take the opportunity to participate in the various public meetings, discuss the issues associated with the proposed budget, make up their own mind, and vote on April 8.

Report of the Superintendent of Schools

Dr. Douglas B. McDonald

It is a pleasure to submit my second annual report. This year for the first time the district will operate under the provisions of RSA 40:13 which allows official ballot voting on all issues before the school district. There are two important differences in how business will be conducted this year. The first is that the election of officers and the final decision on the budget will not take place at an annual meeting in March but rather by ballot on the second Tuesday in April. The second is that instead of the Annual meeting in March we now will hold a Deliberative Session on March 12, 1997. This meeting determines the final wording and dollar figures of all articles to be placed on the official ballot. The deliberative session is extremely important since proposed warrant articles may be amended prior to being placed on the ballot. Voters in April may only vote yes or no on the decisions made at the deliberative session.

Charter and open Enrollment Schools

Voters will be asked to approve warrant article #10 implementing the provisions of RSA 194 B for Charter and Open Enrollment school programs. This petition would allow up to 10% of our district's current pupil enrollment, which is approximately 1500 students - Grades 1-12, to attend Charter and Open Enrollment schools located in Hampstead, and an additional 2% of our current enrollment Grades 1-12 to attend Charter and Open Enrollment schools located outside the school district. Open Enrollment schools are public schools that educate pupils without regard to where they reside. Students, regardless of residence, may apply to attend any Open Enrollment school in any community that has the space available. Charter Schools are Open Enrollment schools that operate independently from the School Board and are managed by a Board of Trustees. They operate as no-profit secular organizations under charters guided by the State Board of Education and under contracts with the local school district. Charter schools are exempt from all laws governing public schools, except as expressly provided in RSA 194:B, but enjoy all the rights and privileges of public schools. School districts

that adopt Charter school and Open enrollment must pay at least 80% of their average cost per pupil for each student attending a Charter school or Open Enrollment school.

If Article 10 is passed it is unlikely that we would have a charter school in Hampstead prior to September, 1998, however, open enrollment will begin in September, 1997. That means up to 2% of our student population (30 students) may attend out of town open enrollment or charter schools (such as the one starting in Londonderry). The Hampstead School District would be responsible for tuition. We have included the cost of tuitioning up to ten students out of district in Article 11. Please note that if Article 10 passes and Article 11 fails we will still have to fund open enrollment. We will have to cut out items from our proposed budget to fund tuition for students opting to attend open enrollment schools.

Negotiations

This year we have reached a four year agreement with both of our Support Staff Bargaining Units. In each contract the Support Staff made a major concession in health insurance agreeing to pay an additional ten percent of the premium. These contracts cover our hourly employees (custodians, food service, secretaries, clerks and teacher assistants) both full and part time. If both contracts are approved by the voters the average wage for all support staff for the 1997-98 school year will only be \$8.27 per hour which is less than surrounding school districts.

Conclusion

I would like to thank the community for your support of our schools. Your support and commitment is what makes the Hampstead School District a special place for children. I would also like to thank the administration, faculty and staff for their commitment and dedication to the children of Hampstead.

Report of the Assistant Superintendent of Schools

Dr. Mark R. Masterson

Strategic Planning for Hampstead

Just a year ago District voters approved a School Board request to initiate a five year Strategic Plan for the Hampstead School District. Our purpose for strategic planning is to look forward thoughtfully as a community, to assess what our students will need to know and to be able to do. Our intent is to improve learning opportunities in order to improve student learning.

Our planning process uses data and opinion from a broad range of people both within the schools and from the community at large to create a unified purpose for the Hampstead Schools. From this we will create a vision of what our schools will look like and be able to do for students. Given common beliefs and a vision we will set goals that focus our resources, promote collaborative efforts, and allow for systematic assessment of our efforts.

In late August, the Hampstead faculty and staff heard a presentation by Dr. Patsy Baugh, a consultant with years of experience in assisting New England schools, on "Why School Change Matters". In early September a similar presentation was made to the public at large, including various representatives of town government, parents, and a broad range of citizens. This presentation briefly traced the history of American education, highlighting significant changes as the needs of our country evolved. Each presentation concluded with some reflections on what schools would need to educate students to live and work in the next millennium. At each presentation criticisms and suggestions were garnered and volunteers were requested.

From among these volunteers a Strategic Planning Committee was formed with representation from school board, administration, teachers, parents, business, town government, and community members at large.

The major initial task of this committee was to plan a retreat weekend to draft a mission statement, vision, beliefs, and appropriate goals for the Hampstead School District. For this weekend the PTA, the Civic Club and the Kieley Corporation each made substantial contributions for meals; and the PTA is actively continuing their support of the strategic planning effort. The Core Leadership team worked into the evening Friday and finished late Saturday afternoon. The resulting drafts were publicly critiqued in a January series of meetings with Hampstead groups and in a public forum on January 30.

The first drafts of the Mission, Vision, Beliefs and Goals were revised and taken to the School Board for approval on February 17. Following School Board approval, a series of action teams are forming with broad teacher and community representation. Their tasks will be to develop specific plans to meet the Hampstead School District goals. This planning will be concluded in late spring of this year.

This strategic planning effort has received strong support from the School Board and various town government leaders, not to mention the hundreds of volunteer hours invested in the process. This effort has centered on community participation and involvement, not simply in studying the goals, but in developing the plans for their fulfillment.

The Hampstead District has had significant growth in recent years. However, our task, as leaders, is not simply to manage growth, but to continually improve our schools. This strategic planning effort will map the means for improvement.

As of this writing, the final Mission, Beliefs, Vision and Goals are not complete. However, Hampstead citizens can feel confident that the schools, centered in the community, will follow a community charted course to excellence to prepare our students for the 21st century.

PINKERTON ACADEMY REPORT

History, tradition, and structure are words that are often mentioned in reference to Pinkerton Academy. While members of the PA family kept their academic, extracurricular, and sports standards high in 1996, the highlight of the year was the dramatic reshaping of the school's 180-year old campus with the completion of several building projects. According to Finance Administrator, Mary Anderson, all of the Academy's 1996 projects were completed on time and on budget.

New Ek Science Building Last August the new three-story Bradford V. Ek Science Building was dedicated, ready for use on the first day of classes. The red brick facility, tucked away near the Field House off of Bypass 28, houses the Science and Family and Consumer Sciences departments. It was designed for "doing" science, containing 30 classrooms, a lecture hall, a greenhouse, project rooms and a computer lab.

Pupil Services Center With the new building on line, the trustees and administrators took advantage of additional space by creating a new Pupil Services Center on the third floor of the Low Building. After two decades of growing pains, which splintered several departments, the new area consolidates the entire Guidance department and all of the school records. The school's growing Special Education department also found a new home adjacent to the Pupil Services Center, uniting that department's staff, including counselors and program coordinators, in one designated area.

Shepard Building Improvements Pinkerton's old science labs were dismantled to make room for new social studies classrooms. State-of-the art technology, including modern computer cabling, was at the forefront of the project. New ceilings, floors, and brickwork created a series of bright new classrooms for the faculty and student body. The school's wood shop in the basement of the Shepard Building, which moved into the basement of the

vocational building, was converted into a classroom and a writing center for the English department.

Academy Students Contribute to the Community

Pinkerton students, faculty members, and organizations contributed their time, talents and resources to many worthy causes and projects in 1996. The Class of 1999 sponsored a "Senior" Prom for area elderly. This dinner dance was held at the Academy with 100 guests in attendance. Members of the Student Council donated over 100 hours and \$500 to the Derry Sunshine Soup Kitchen and also gave \$250 to the Derry Community Christmas Fund to purchase holiday gifts for needy area teens. In April they visited residents at the Birchwood Nursing Home to celebrate Easter.

The Citizenship Committee co-sponsored a Veterans Day breakfast with the Class of 1998. More than 100 individuals were served on a November morning as a way of saying "thank you" to all veterans for serving their country. The International Club collected 25,000 books as participants in the Re-book South African Education Project. Another project saw members collect canned goods for two Native American food banks (one in NH and one in Maine).

National Honor Society members from Hampstead currently include Sarah Grandy, Dotty McIntyre, Susanne Trested, Prashant Doshi, Carrie Green, Heidi Leuchte, Margo Nothnagel, Lauren Quigley, Sarah Riley, Maegan Weimar and Matthew White. Among NHS projects were gifts to the annual Fleet Bank Christmas Toy Drive, and participation in the Multiple Sclerosis Walk-a-Thon.

Hampstead's representatives on the Pinkerton Academy Board of Trustees are Wayne Bolen and Virginia Clark.

Report of the Middle School

Richard Fugere, Principal

As of this writing, the Hampstead Middle School enrollment is 519 students and we expect an increase of fifty students next year making our school population above 560 students. For the first time, the middle school will have more students than the central school. We have anticipated this increase for several years and have added a multi-classroom addition which gives us the space to accommodate 600 students. Additionally, we restructured our academic teams and have two three teacher teams at each grade level and one five teacher team at grade eight. The smaller teams allow a smaller number of students on each team so that both teacher and student get to know each other better. Smaller teams also give the school flexibility when enrollments fluctuate from one year to the next.

When a small school becomes a large school in a short period of time, several conditions within the school change as a result of the larger number of students and staff. School climate is affected because of the larger number of students in the classroom, hallway, cafeteria and at recess. There are many more student to student, teacher to student interactions with potential conflicts at any time. The nature of middle-school is to strive for independence and resist authority figures such as: parents, teachers or other adults. Likewise, they want to be accepted by their peer group and are willing to go to great lengths to be a part of the group. This drive for independence and acceptance creates many conflicts in the young person's life.

Our middle school is aware of the changes that are occurring with our students and have initiated many programs to help smooth out the road through adolescence. The school year begins with a family picnic that brings parents, students and teachers together to share in the celebration of another school year. The PTA supports the picnic financially and provides volunteers to cook and to serve. During that same day, the teachers and students engage in cooperative games and team building activities.

Two years ago, the school and PTA established a school-wide respect committee to change the way students were interacting with one another and their teachers. The school's number one goal has been to institute respect in our school. The committee composed of students, teachers and parents organized activities to focus our efforts on mutual respect and positive peer interaction.

This year we have expanded that concept by starting an advisory program. The goals of the program are:

- To provide academic advisement for every student.
- To help students organize themselves with daily plan books in which they write long and short term assignments.
- To address common middle-school issues such as friendships, conflict resolution, appreciation of diversity and peer pressure.

Each day students from an advisory group read, over the intercom, a daily quote that is appropriate to the theme being discussed. The students and faculty are excited about the new program!

In October the seventh grade class attended Nature's Classroom for a week. Nature's Classroom is an environmental outdoor education school located in Ossipee, New Hampshire. The students were involved in classes taught by the Nature's Classroom teachers. The program was coordinated by our science teachers who chose many of the activities to correspond with our curriculum. One hundred seventh graders and their Hampstead Middle School teachers spent a week living and working together. From all reports the program was well received and highly successful!

The nationally acclaimed DARE program was started in the fifth grade this year. Drug Awareness and Resistance Education is taught by a trained police officer once a week for sixteen weeks. The program emphasizes the harmful effects of drugs, alcohol and violence in society. It teaches children how to say no! We are extremely pleased to have DARE in our schools! A special thanks goes to Chief Letoile and Officer Dale Childs for bringing the program to us! Also, special recognition to Officer John Tetreault, our DARE officer, for a job well done!!

If space permitted, I would describe several other fine programs, but instead, I will briefly mention them. Project Respect is a seventh grade student/parent education program addressing adolescent issues. Peer Mediation is a program to help peers resolve conflicts. Our Volunteer Program has received a Blue Ribbon Award the past three years for outstanding volunteerism in our schools. Our Technology Program continues to grow. We would be happy to show you our well equipped computer labs and classrooms.

In closing, I want to personally invite you to visit our school to see the many activities that occur daily. The Hampstead Middle School is a wonderful place to learn, teach and work!

Report of the Central School

Robert Little, Principal

The first day of school was different than any of the previous twelve years. For the first time, Peggy Playdon was not in her familiar secretarial seat in the school office. The children and staff miss this gracious and competent lady. She retired. Although we acquiesced to her wish to leave her position quietly, that did not deter us from having an extremely well attended retirement party last October. We miss her and wish her a healthy retirement.

Retirement Party - October 28, 1996
Peg and Harvey

Crowded conditions continue to be our major concern. The Pre-School Program for three to six year old children needs an additional room. The program services coded and non-coded children. The ratio of coded to non-coded children should be 2 to 1 in order to meet the spirit and letter of the law as it relates to the least restrictive environment. Without another room, we will not be able to meet that requirement.

In addition, programs for our children in the Pre-School Program, Readiness and Grades One through Four that relate to occupational therapy, physical therapy and speech therapy, do not have adequate space. Staff and children are working in storage areas or in hallways.

The most cost effective solution to these problems is the purchase of two more portable classrooms. A request has been submitted to the School Board as part of the budgetary process for the 1997-98 school year.

With the help of the PTA and the Student Council, we are beginning a partnership with the Hampstead

Post Office. Our Language Arts curriculum will be enhanced by establishment of our own Post Office at school. The positions normally associated with the postal system, such as mail carriers, sorters and managers will be staffed by children. The program is entitled "WEE DELIVER".

The PTA continues to support the children and teachers in both a monetary and volunteer manner. The many hours of volunteer service will be recognized by the New Hampshire Partners in Education Annual Awards Program. The Hampstead Central School will receive its sixth consecutive Blue Ribbon Award.

This year's first grade class will be the last class to spend the first four years of their school life in this century. They will become Middle School students in the year 2000. Our goal is to ensure that they get the best possible education for a successfully entry into the 21st century.

Mrs. Lazzaro's Grade 1 Class

ALL of us would like to thank the citizens of Hampstead for their continued support of the Central School.

COMMUNITY THANK YOU!

The Hampstead Central and Middle Schools are most appreciative of the generosity of the citizens as they help us maintain and improve the quality of our schools. We gratefully acknowledge some of the donations we have received from the community during the past year.

1997 Hampstead School District Warrant
State of New Hampshire

To the inhabitants of the School District of the Town of Hampstead, New Hampshire, qualified to vote in District affairs:

First Session of Annual Meeting (Deliberative)

You are hereby notified to meet at the Hampstead Middle School in Hampstead, New Hampshire, on Wednesday, the twelfth day of March, 1997, at 7:00 p.m. This session shall consist of explanation, discussion, and debate of warrant articles number 2 through number 12. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

Second Session of Annual Meeting (Voting)

Voting on warrant articles number 1 through number 12 will be conducted by official ballot to be held in conjunction with town meeting voting to be held on Tuesday, the eighth day of April, 1997, at the Hampstead Middle School. Polls will be open from 8:00 a.m. and remain open until 8:00 p.m.

Article 1 - Election of Officers (April 8 only)

To choose the following school district officers:

- One School Board Member for a three-year term
- One School Board Member for a three-year term

Article 2 - General Acceptance of Reports

To see if the Hampstead School District will vote to accept the reports of agents, auditors and committee as printed in the Annual Report.

Article 3 - Hampstead Support Personnel Association

To see if Hampstead School District will vote to approve the cost items included in the collective bargaining agreement reached between Hampstead School Board and the Hampstead Support Personnel Association, which includes food service workers and custodians.

The costs associated with the bargaining agreement which are over and above the costs paid in the prior fiscal year at current staffing levels are:

	<u>Year One</u> 1997-1998	<u>Year Two</u> 1998-1999	<u>Year Three</u> 1999-2000	<u>Year Four</u> 2000-2001
Salaries	22,498	14,871	12,567	11,717
FICA	1,721	1,138	961	896
Retirement	925	611	516	482
Insurance	<u>0</u>	<u>4,250</u>	<u>4,850</u>	<u>5,750</u>
Total	25,144	20,870	18,894	18,845

and to raise and appropriate \$25,144 for the year one costs.

Recommended by the School Board

Article 4 - Hampstead Association of Support Staff

To see if the Hampstead School District will vote to approve the cost items included in the collective bargaining agreement reached between Hampstead School Board and the Hampstead Association of Support Staff, which includes secretaries, teacher assistants, clerks, and paraprofessionals.

The costs associated with the bargaining agreement which are over and above the costs paid in the prior fiscal year at current staffing levels are:

	<u>Year One</u> <u>1996-1997</u>	<u>Year Two</u> <u>1997-1998</u>	<u>Year Three</u> <u>1998-1999</u>	<u>Year Four</u> <u>1999-2000</u>
Salaries	38,786	73,903	32,786	29,877
FICA	2,967	5,654	2,508	2,286
Retirement	1,594	3,037	1,348	1,228
Insurance	<u>0</u>	<u>0</u>	<u>8,000</u>	<u>8,000</u>
Total	43,347	82,594	44,642	41,391

And further to authorize the School District to fund the year one costs of \$43,347 from its current budget - not from additional taxes and to raise and appropriate \$82,594 for the year two costs.

Recommended by the School Board

Article 5 - Two Modular Classrooms

To see if the Hampstead School District will vote to raise and appropriate the sum of \$85,000 to purchase two modular classrooms for the Hampstead Central School.

Recommended by the School Board

Article 6 - Playground

To see if the Hampstead School District will vote to raise and appropriate a total sum of \$30,000 for the renovation and purchase of playground equipment.

Recommended by the School Board

Article 7 - Middle School Field Reconstruction

To see if the Hampstead School District will vote to raise and appropriate the sum of \$15,000 for the purpose of renovating and constructing the middle school fields, this amount to come from the interest earned on temporary investment of the Hampstead Middle School construction project bond proceeds - not from additional taxes.

Recommended by the School Board

Article 8 - Middle School Ventilation

To see if the Hampstead School District will vote to raise and appropriate the sum of \$20,000 for the purpose of installing a ventilation system at the Hampstead Middle School gymnasium, this amount to come from the interest earned on temporary investment of the Hampstead Middle School construction project bond proceeds - not from additional taxes.

Recommended by the School Board

Article 9 - Budget Warrant Article

Shall the Hampstead School District raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$10,663,427. Should this article be defeated, the operating budget shall be \$ 10,504,224, which is the same as last year, with certain adjustments required by previous action of the Hampstead School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Recommended by the School Board

Article 10 - Charter Schools and Open Enrollment (By Petition - Vivian Clark, et al)

"Shall we adopt the provisions of RSA 194-B, implementing a charter and open enrollment school program?"

"Shall no more than 10% of the district's current pupil enrollment be eligible for tuition to attend charter and open enrollment schools located inside the school district?"

"Shall no more than 2% of the district's current pupil enrollment be eligible for tuition to attend charter and open enrollment schools located outside the school district?"

Article 11 - Additional Eight Grade Teacher (By petition - Fran Stoddart, et al)

To see if the Hampstead School District will vote to raise and appropriate thirty-thousand dollars (\$30,000) for an additional eighth grade teacher. Should the 1997-1998 proposed school board budget pass, this petition shall be null and void.

Not Recommended by the School Board

Article 12 - Study Hall (By petition - Karen Yassenka, et al)

Are you in favor of directing the Hampstead School Administration to establish a study hall (for the purpose of providing choice) for the students of parents who do not wish to have their child(ren) participate in the non-academic, non-required program known as "Prime Time".

Given under our hands this seventeenth day of February, 1997.

Hampstead School Board

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Hampstead School District
Hampstead, New Hampshire

We have audited the accompanying general-purpose financial statements of the Hampstead School District as of and for the year ended June 30, 1996. These general-purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

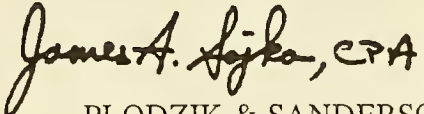

We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Hampstead School District, as of June 30, 1996, for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Hampstead School District. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated August 15, 1996 on our consideration of the Hampstead School District's internal control structure and a report dated August 15, 1996 on its compliance with laws and regulations.

August 15, 1996

HAMPSTEAD SCHOOL DISTRICT STRATEGIC PLAN

MISSION

The mission of the Hampstead School District is to provide challenging educational opportunities that prepare all students to live and work in the 21st century.

VISION

- ◇ Hampstead students will have the understanding and skills to make reasoned decisions in an ever-changing society. They will be responsible, productive citizens, life-long learners, and tolerant of individual differences.
- ◇ All members of the Hampstead educational community will demonstrate a commitment to learning by being both teachers and learners.
- ◇ The schools will encourage parents and all other citizens to contribute their time, energies, and talents to improve the educational life of the students of Hampstead.
- ◇ The curriculum of the Hampstead School District will adapt continually to emerging technologies; provide adequate resources to meet the physical, social, artistic, and cognitive requirements of the whole student; develop critical and creative thinking, effective communication, and self-directed learning; and recognize individual needs and interests.
- ◇ The Hampstead School District will provide and maintain facilities and grounds responsive to educational needs.
- ◇ In order to continue a cost-effective education, the Hampstead community, with full knowledge of future educational and financial requirements, will plan responsibly to secure diverse resources to implement the goals of the Hampstead School District.

HAMPSTEAD SCHOOL DISTRICT STRATEGIC PLAN

BELIEFS

We believe that:

- ◇ Basic knowledge, critical and creative thinking, and technological skills are necessities in preparing students for the 21st century.
- ◇ All students must be offered an education that enables them to become productive, contributing citizens.
- ◇ Education is the responsibility of the entire community.
- ◇ Learning should be challenging, motivating, and relevant.
- ◇ Everyone is entitled to a safe, supportive, and responsive learning environment.
- ◇ Parents and students should take an active decision-making role in the child's education.

HAMPSTEAD SCHOOL DISTRICT STRATEGIC PLAN

GOALS

- ◇ The Hampstead School District curriculum will emphasize
 - a) critical and creative thinking
 - b) application of acquired skills and knowledge
 - c) communication skills
 - d) individual abilities and interest.Measurement of success will be through standardized testing and alternative assessment.
- ◇ The Hampstead School District will develop and implement the comprehensive five-year facilities maintenance plan and develop and utilize a five-year space needs projection for pre-school through grade twelve which will be reviewed and updated on a yearly basis.
- ◇ Technology will be incorporated into the curriculum to support instruction across subject areas providing all students and staff with daily computer access.
- ◇ Through cooperative staff planning opportunities, the Hampstead School District will evolve and strengthen existing programs.
- ◇ The Hampstead School District will communicate programs and services to the community and provide learning opportunities for all.
- ◇ The Hampstead School District will continually and actively pursue creative solutions for additional financial support such as business partnerships, grants and foundations.

Hampstead 250th Anniversary Committee

The first meeting for the town's anniversary celebration was held on January 22, 1997, which was well attended. However, we will need more volunteers to serve on the different committees to make this celebration, which will take place in the summer of 1999, a success.

We would like to have a representative from each organization in town, and anyone else that would like to volunteer and be part of putting the celebration together. If you need more information or would like to volunteer, please call me at 329-6959.

Respectfully submitted,

Maurice Randall, Chairman
250th Anniversary Committee

“Old Hampstead” Contest Photographs

Throughout the Town Report, you will find pictures of “Old Hampstead” numbered 1 through 8. Please list the location of the photographs next to the appropriate number. The first person to identify the location of them all will be awarded a set of commemorative glasses of the Old Meeting House. Submit your list to the Selectmen’s Office, 11 Main Street, Hampstead, NH 03841.
