Town Clerk of Nelson

REPORT OF SELECTMEN

Pursuant to Article 15 repairs and renovations were accomplished on the Town Hall. These included scraping and painting exterior walls, replacing a rotted sill and adding four window screens. While the appropriation was for painting only, this and the other work were accomplished for a sum less than the amount appropriated.

As required by State Statute, the selectmen accompanied by the selectmen of Sullivan walked the common boundary. All markers were renewed with the exception of two which have long since been lost and flooded.

For the first time in years the tax rate in Nelson was reduced in 1964, while the majority of New Hampshire towns increased. The largest single factor contributing to the reduction was increased property valuation due to improvement and new construction. Other factors were: an excess of school funds, additional interest and dividend taxes and Sweepstakes funds.

Again in 1964 a \$2,000.00 principal payment was made on the grader note plus normal interest payment. Since the first \$3,000.00 principal payment was not due until 1965 in December, the \$4,000.00 paid to date substantially reduced the interest due.

This year, the \$2,000.00 voted to the Reserve Fund in Article 16 was paid to the Trustees of the fund immediately so that the money could begin earning interest as soon as possible.

The State Conservation Department reported to the Selectmen that White Pine Blister Rust has been brought under control in Nelson. However constant patrolling and maintenance is required to prevent further outbreaks of the disease. The appropriation for this purpose will be reduced in 1965.

On August 24 the fourth annual summer Town Meeting was held to inform and entertain the non-resident supporters of Nelson. Due in part to additional advertising attendance was improved, the meeting was quite successful and much enjoyed by all. A unanimous desire was expressed, by those present, that these meetings be continued. Your Board of Selectmen will undoubtedly continue this practice as long as sufficient interest is shown.

Effective July 1, 1964 the selectmen regretfully accepted the resignation of Mrs. Maxine E. Dobson as Town Clerk. The Board appointed Mrs. Elizabeth I. Wilder to complete the current term. Mrs. Wilder has executed her duties very efficiently and effectively. The Selectmen wish to thank Mrs. Wilder for filling the vacancy and for her cooperation.

Your Board would like to call to the attention of the people of Nelson the fact that the year 1967 will be the 200th anniversary of the settlement of the town. The Library contains a description of the activities celebrating the 150th anniversary in 1917. It would seem most appropriate to this Board that recognition should be made of our 200 years in 1967 and that it is not too early to begin planning any activities that the residents feel would be in order. It is therefore the recommendation of your Selectmen that action be taken on the Article appearing in your warrant.

Your Selectmen wish to express their appreciation to the other Town Officers for their cooperation and good work and to thank those resident and non-resident Nelsonites who have made the Selectmens' work easier.

Respectfully submitted,
KENNETH B. BALCH

REPORT OF THE CEMETERY BOARD

1964

The usual maintenance work at the cemetery has included mowing, cutting brush, grading and seeding and the repair of gravestones, and considerable progress has been made in the way of improvements.

New iron gates have been made and installed at the entrance to the new section. Also the work of leveling the roughest portion of the old section has been continued and a supply of loam has been secured for this purpose.

It is hoped that we shall be able to continue both adequate maintenance and the policy of gradual improvement. For these purposes we recommend that the Town appropriate \$300.00 for cemetery work in 1965.

REPORT OF THE CIVIL DEFENSE DIRECTOR

Again the year of 1964 was not active as far as this department was concerned.

There was no activity insofar as state wide participation in any C. D. exercises as none were held.

Program papers, required by the government were made up, the purpose of these being to outline local activities and training sessions contemplated.

Through news media all have been aware of the participation of C. D. units and equipment during the severe drought. Altho it did not become necessary to ask for assistance in Nelson it is a comforting thought to be aware of the fact that such assistance is available when needed.

Acquisition of surplus property was enjoyed with materials having a value of \$184.82 was obtained for the use of the town at a cost of \$19.10.

The state headquarters personnel at Concord were, as always, ready and willing to render any assistance requested, this is much appreciated.

Respectfully submitted,
KENNETH B. BALCH, Director

REPORT OF THE NELSON FIRE DEPARTMENT

Your Fire Department is again pleased to report no serious fires in Nelson during the past year.

The department answered 11 calls in 1964 of these 2 were for chimney fires, 2 calls for brush, 3 at the dump, 3 resuscitator calls and 1 Mutual aid call to Sullivan.

The department also participated in our yearly search for a lost hunter.

In 1964 the department also purchased a portable two-way radio using \$375 of its own funds. This money is raised by running suppers, raffles and by donations.

Again this year your department built a skating rink on Martins parking lot for the use of the whole Town.

This past year 14 members of your department had a State of N. H. operated school on how to operate all pumps of your department. The instructor was Chief Robert Callahan of Southwestern fire Mutual Aid.

The officers of your department might be of interest to you they are

Chief, Francis Dricoll
Asst. Chief, Everett Martin
Captain, Leonard Frazier
Lieutenant, Donald Bennett
Sec.-Treasurer, George Norling

We would like to take this opportunity again this year to thank all the people of Nelson for their splendid co-operation during the extreme forest fire danger again this year.

Respectfully submitted,

FRANCIS J. DRISCOLL, JR., Chief
Nelson Fire Department

REPORT OF THE POLICE OFFICER

Once more it pleases me to report that the Town of Nelson did not have a single fatal accident during 1964. There were a small number of minor accidents with minor injuries.

As in previous years, your police department spent many hours patrolling the highways in heavy traffic periods and feels that this is a contributing factor in our low accident rate.

We did have a dog problem during the year, but now feel that we are getting the cooperation of the county officials in this matter and will be able to keep this problem under control.

There were several breaking and entering cases during the year and these were investigated by your police department with the cooperation and assistance of the State Police and Sheriff's Departments.

I do have a request to make to the voters of the town, which would be of great help to the police department. The department lacks radio equipment. At the present time, if the department needs help, a phone has to be found before that help can be obtained. This takes time and sometime, especially in the middle of the night it may not be possible to obtain help as quickly as it could be obtained if the department had radio equipment. In the case of a bad accident this lapse of time could cost lives. I understand that an article to this effect is being placed in the warrant and I hope that you will give it your approval.

I want to thank the people of the town for the cooperation that has been given the department during the past year, and hope that with your continued cooperation the town can again have another fatality free year.

Respectfully submitted,
BERNIE H. PIERCE,
Police Officer

Special events have been, Open House the evening of April 14, in observance of National Book Week. Of special mention is the exhibit of bookbinding loaned by Florence Tolman. Our new books were also on display. Refreshments were served. At this time request was made for more library hours, so during the months of July and August we were open Tuesday evenings in addition to Friday afternoon. Childrens Book Week was observed Nov. 10, with a party at Munsonville School. Prizes were awarded for the best book jackets made by the pupils. The librarian presented the newest children's books and refreshments were enjoyed.

We are greatly indebted to Robbins Milbank for the gift of 500 copies of a brochure on Olivia Rodham. These are on sale and the proceeds added to the Barry White Trust Fund for Juvenile books.

Early in the spring the Girl Scouts put on a Book Drive which added 59 volumes to the library.

We wish to express our appreciation to all who have donated books and magazines. The County Bookmobile of the Extension Division of the State has served us well, made five visits and left 931 books.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Nelson:

I hereby submit my third annual report.

STAFF CHANGES: As a result of the resignation of Mrs. Judith Sargent in December, 1964, Mr. Guy B. Heath of Swanzey, New Hampshire, was secured as a replacement to teach grades four through seven. Mr. Heath received his Bachelor of Education degree from Plymouth State College and has since earned credits toward his Master's Degree from Columbia and Plymouth. His experience includes five and one-half years of elementary teaching in school districts in New Hampshire and New York.

ENROLLMENT TRENDS:

School	Current Enrollment												Total	
	Grade													
	1	2	3	4	5	6	7	8	9	10	11	12		
Munsonville	8	3	2	5	2	6	5							31
Keene								4	6	3	4	4		21

Totals	8	3	2	6	2	7	5	6	7	3	4	4		57

Possible Future First Grade Enrollments

1965	1966	1967	1968	1969
3	5	10	5	6

Possible Future Elementary Enrollments

School Year	Grade							Total
	1	2	3	4	5	6	7	
1965-66	3	8	3	2	5	2	6	29
1966-67	5	3	8	3	2	5	2	28
1967-68	10	5	3	8	3	2	5	36
1968-69	5	10	5	3	8	3	2	36
1969-70	6	5	10	5	3	8	3	40

The current enrollment shows a total of 57 enrolled in grades 1-12. This represents an increase of three over a year ago. This increase is reflected in the elementary school.

Concerning future enrollments, the statistics make no allowance for possible repeaters, dropouts, or transfers. Instead, they are the result of projecting current information which is subject to change at any time. Keeping in mind this limitation, it does appear that the trend in Nelson for the next two years shows a fairly stable school population. After that, a large first grade is anticipated.

SCHOOL FACILITIES: The Munsonville School continues to accommodate our elementary school children most satisfactorily.

EDUCATIONAL PROGRAM: Our elementary children are being taught by capable teachers using up to date tools of learning. The pupils benefit further by a supervised music program and a newly instituted system of supervised hand-writing.

An Area School Planning Board together with administrators in the area have been studying the feasibility of an arrangement whereby increased educational benefits may be guaranteed our secondary school youth. This group has put in

many hours studying all possibilities and it is hoped will ultimately recommend a proposal which will best meet the needs of our young people at the most reasonable cost.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, the School Board, and the patrons of our school for their understanding and cooperation.

ROGER L. SUNDSTROM,
Superintendent of Schools
