REPORT OF THE SELECTMEN

In this issue of the Report we have made a few changes of form which we believe will bring out a more complete account of the affairs of our Town and make the information clear and understandable.

Our Comparative Statement of Appropriations and Expenditures contains more information than in past years and is the ground work for the entire Report. We know columns of figures do not make easy reading but we hope you will give these your careful attention and refer to other pages for any details desired.

Budget of 1947

Your Budget of a year ago, and the appropriations made at Town Meeting called

Budget of 1948

There are several articles in your 1948 Warrant which are of much interest and importance and which ask for considerable sums of money to be raised.

It is the desire of your Selectmen that the residents of this Town will come to their Town Meeting and feel free to express any opinions they may have so that any vote taken or passed may be by a true majority of the

people. This is your right and your duty as citizens of a FREE COUNTRY.

Veterans' Exemptions

There is a change in the law concerning property tax exemptions and therefore a change in the form of the application blank. A Veteran MUST make application each year if he or she wishes to be allowed any property tax exemption.

Inventory Blanks

We wish to ask all property owners to make more effort to fill out and return your inventory blanks. This return is required by law. Help your selectmen to assess your property correctly.

Town Lines

It gives us some degree of satisfaction to announce that all our Boundary Lines are now successfully perambulated making the record complete and up to date. (The law requires that the lines shall be run and the bounds renewed once every seven years.) It has been a long time since the above statement could have been made.

The Chichester-Pittsfield line was perambulated in 1945. During this past year (1947) the Chichester-Epsom, Loudon and Pembroke lines have each been perambulated and the bounds renewed. Considerable difficulty was experienced in locating several of the bounds because of natural changes caused by the lapse of time since a previous perambulation.

Records have been made which we believe will be of help to those who may have occasion to run these lines in the future.

This work accounts for an overdraft in Town Officers' Expenses.

LIBRARIAN'S REPORT

There were 37 books purchased in 1947. Including eight books of non-fiction we have received as gifts, 10 books.

Friends remembering us have been Mrs. Beth Thomas of Detroit, Mich., Mrs. Katherine Gifford and Mrs. Charlotte Fardon of this town.

The New Hampshire Troubadour, singing praises of New Hampshire, still comes to us every month, through the kindness of the State Planning and Development Commission of Concord, N. H.

The usual books have been sent to us from the State. Of course you all must know that the price of books has increased greatly the past few years.

About every two months the Traveling Library or Bookmobile sent from the Public Library Commission comes to our Library. They also call at the three schools in town and for the past three years the Bookmobile has left books at the home of Mrs. Gladys Batchelder at the Center. I hear that the P. T. A. have a lending library also, at the home of Mrs. Clarence Shaw.

Mrs. Mabel Stevens is in charge of the branch library at Horse Corner. Mrs. Stevens receives \$3.00 for her services.

As Librarian, I have received from Mr. H. F. Parker, Trustee, \$72 for purchase of books.

At this time I would like to thank Mr. Parker for always having a nice fire built, and a warm Library.
