## SUPERINTENDENT'S REPORT

To the School Board and Citizens of the Landaff School District:

I herewith submit my fifteenth annual report as Superintendent of Schools.

The total enrollment in Blue School last year was 23. The average membership was 21.8 and the percent of attendance was 93.6. There were 19 pupils attending Lisbon Elementary School and 13 attending Lisbon High School.

The enrollment in Blue School this year is 21. Thirteen pupils are attending Lisbon Elementary School and 14 are attending Lisbon High School for a grand total of 48 Landaff children enrolled in the public schools.

Mrs. Hildah Bedard is teaching her second year at Blue School. We feel very fortunate to have Mrs. Bedard as a teacher. The children enjoy their studies, their interest is high and the work is of good quality. We hope that Mrs. Bedard enjoys her position at Landaff and stays with us for some time.

Even better than forecasted, last year's State Aid has increased to \$5,904.54. This will be reflected in your tax rate another year.

Under a new law, effective last year for the first time, all towns receive tuition for foster children living in town and likewise assume responsibility for foster children who lived in town when the home was first broken.

The Grange plays an important part in the education of Landaff youth. Therefore it is gratifying to see our State Grange led by Mr. George Clement, State Master, and Mrs. Ethel Clement, State Ceres. George and Ethel, always strong school supporters, are interested in good education for youth today.

I wish to thank the School Board for their help and cooperation.

Respectfully submitted,  
RONALD A. PERHAM,  
Superintendent of Schools
