THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Woodstock, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Woodstock Town Hall in said Woodstock, on the tenth day of March next, being the second Tuesday of March, at ten o'clock in the forenoon, (the polls are to open at 10:00 A.M. and may not close prior to 6:00 P.M.; business meeting to be held at the Town Hall at 7:30 P.M.), to act upon the following:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 3. To see if the Town will vote to establish a Capital Reserve Fund pursuant to R.S.A. Chapter 35, as amended, for the purpose of purchasing a fire truck, dump truck, payloader, backhoe, or any one of them.

Article 4. To see if the Town will vote to transfer to the Capital Reserve Fund the sum of Ten Thousand Dollars (\$10,000.00) from savings, said sum raised and appropriated at the Annual Town Meeting in 1980, for vehicle replacement.

Article 5. To see if the Town will vote to authorize the Selectmen to sell property taken on Tax Titles.

Article 6. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 7. To see if the Town will vote to authorize the Tax Collector to receive part payments in any year in the sum of Ten Dollars (\$10.00) or a multiple of ten.

Article 8. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by Town Meeting, money from the State, Federal or other governmental unit or private source which becomes available during the fiscal year in compliance with R.S.A. 31:95-b (supp.).

A-2

Article 9. To see if the Town will vote to authorize the Selectmen to request an audit by the Municipal Accounting Division of the Department of Revenue Administration or a private certified accounting firm or an independent Certified Public Accountant.

Article 10. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1981 appropriation, said funds to be placed in a Special Conservation Fund in accordance with R.S.A. 36-A:5.

Article 11. To see if the Town will vote to withdraw the sum of Nine Thousand Four Hundred and Forty-Four Dollars (\$9,444.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for use as an offset to be applied against the Town's Incinerator Bonded Debt.

Article 12. To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the state or any city, town or other governmental unit of the state to five percent. (This Article inserted upon written application of voters)

Article 13. To see if the Town will vote to amend the Cemetery By-Laws originally adopted at the March 11, 1913 Town Meeting by deleting Article 1 and Article 5 and substituting therefor the following:

“Article 1. The officers for the care of the Cemetery shall be a Superintendent and one or more Sextons. The Superintendent shall be appointed by the Board of Selectmen and shall hold his office for one year, or until his successor is qualified.”

“Article 5. The installing of all foundations for headstones or monuments or the placing of corner or edge stones shall be subject to the approval of the Superintendent, and no fence shall be placed around any lot without his permission. No fruit trees shall be allowed to be planted upon any lot. No change of the place of any Town Cemetery or change of the By-laws regulating such Cemetery shall be made except by vote of the Town. The price of lots shall be fixed by the Board of Selectmen.”

Article 14. To see if the Town will vote to adopt the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relating to playing Beano in the town of Woodstock, and that the following question be placed upon the ballot to be used at said meeting: “Shall the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relative to playing games of Beano be adopted in this Town?”

Article 15. To see if the Town will vote to adopt the provisions of Chapter 466 of the Revised Statutes Annotated, relating to dogs running at large in the Town of Woodstock, and that the following question be placed upon the ballot to be used at said meeting: “Shall we adopt the provisions of R.S.A. 466:30-a which makes it unlawful for an owner of any dog licensed or unlicensed to allow said dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such?”

Article 16. To see if the Town will vote to adopt the following Drug Paraphernalia Ordinance:

Article 1
(Definitions)

The term “drug paraphernalia” means all equipment, products, and materials of any kind which are used, intended for use, or designed for use, in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance in violation of this Ordinance. It includes, but is not limited to:

- (1) Kits used, intended for use, or designed for use in planting, propagating, cultivating, growing or harvesting of any species of plant which is a controlled substance or from which a controlled substance can be derived;
- (2) Kits used, intended for use, or designed for use in manufacturing, compounding, converting, producing, processing, or preparing controlled substances;
- (3) Isomerization devices used, intended for use, or designed for use in increasing the potency of any species of plant which is a controlled substance;

A-4

- (4) Testing equipment used, intended for use, or designed for use in identifying or in analyzing the strength, effectiveness or purity of controlled substances;
- (5) Scales and balances used, intended for use, or designed for use in weighing or measuring controlled substances;
- (6) Diluents and adulterants, such as quinine hydrochloride, mannitol, mannite, dextrose and lactose, used, intended for use, or designed for use in cutting controlled substances;
- (7) Separation gins and sifters used, intended for use, or designed for use in removing twigs and seeds from, or in otherwise cleaning or refining marihuana;
- (8) Blenders, bowls, containers, spoons and mixing devices used, intended for use, or designed for use in compounding controlled substances;
- (9) Capsules, balloons, envelopes and other containers used, intended for use, or designed for use in packaging small quantities of controlled substances;
- (10) Containers and other objects used, intended for use, or designed for use in storing or concealing controlled substances;
- (11) Hypodermic syringes, needles and other objects used, intended for use, or designed for use in parenterally injected controlled substances into the human body;
- (12) Objects used, intended for use, or designed for use in ingesting, inhaling, or otherwise introducing marihuana, cocaine, hashish, or hashish oil into the human body, such as:
 - (a) Metal, wooden, acrylic, glass, stone, plastic, or ceramic pipes with or without screens, permanent screens, hashish heads, or punctured metal bowls;
 - (b) Water pipes;
 - (c) Carburetion tubes and devices;
 - (d) Smoking and carburetion masks;
 - (e) Roach clips: meaning objects used to hold burning material, such as a marihuana cigarette, that has become too small or too short to be held in the hand;

- (f) Miniature cocaine spoons and cocaine vials;
- (g) Chamber pipes;
- (h) Carburetor pipes;
- (i) Electric pipes;
- (j) Air-driven pipes;
- (k) Chillums;
- (l) Bongs;
- (m) Ice pipes or chillers;

In determining whether an object is drug paraphernalia, a court or other authority should consider, in addition to all other logically relevant factors, the following:

- (1) Statements by an owner or by anyone in control of the object concerning its use;
- (2) Prior convictions, if any, of an owner, or of anyone in control of the object, under any State or Federal law relating to any controlled substance;
- (3) The proximity of the object, in time and space, to a direct violation of this Ordinance;
- (4) The proximity of the object to controlled substances;
- (5) The existence of any residue of controlled substances on the object;
- (6) Direct or circumstantial evidence of the intent of an owner, or of anyone in control of the object, to deliver it to persons who he knows, or should reasonable know, intend to use the object to facilitate a violation of this Ordinance; the innocence of an owner, or of anyone in control of the object, as to a direct violation of this Ordinance should not prevent a finding that the object is intended for use, or designed for use as drug paraphernalia;
- (7) Instructions, oral or written, provided with the object concerning its use;
- (8) Descriptive materials accompanying the object which explain or depict its use;

A-6

- (9) National and local advertising concerning its use;
- (10) The manner in which the object is displayed for sale;
- (11) Whether the owner, or anyone in control of the object, is a legitimate supplier of like or related items to the community, such as a licensed distributor or dealer of tobacco products;
- (12) Direct or circumstantial evidence of the ratio of the sales of the object(s) to the total sales of the business enterprise;
- (13) The existence and scope of legitimate uses for the object in the community;
- (14) Expert testimony concerning its use.

**Article II
(Offenses and Penalties)**

SECTION A (Possession of Drug Paraphernalia)

It is unlawful for any person to use, or to possess with intent to use, drug paraphernalia to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale or otherwise introduce into the human body a controlled substance in violation of this Ordinance. Any person who violates this section, upon conviction, shall be fined not more than \$100.00, no portion of which may be suspended.

SECTION B (Manufacture or Delivery of Drug Paraphernalia)

It is unlawful for any persons to deliver, possess, with intent to deliver, or manufacture with intent to deliver, drug paraphernalia, knowing, or under circumstances where one reasonably should know, that it will be used to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body a controlled substance, in violation of this Ordinance. Any person who violates this section, upon conviction, shall be fined not more than \$100.00, no portion of which may be suspended.

SECTION C (Delivery of Drug Paraphernalia to a Minor)

Any person 18 years of age or over who violates Section B by delivering drug paraphernalia to a person under 18 years of age who is a least 3 years his junior, upon conviction, shall be fined not more than \$100.00, no portion of which may be suspended.

SECTION D (Advertisement of Drug Paraphernalia)

It is unlawful for any person to place in any newspaper, magazine, handbill, or other publication any advertisement, knowing, or under circumstances where one reasonably should know, that the purpose of the advertisement, in whole or in part, is to promote the sale of objects designed or intended for use as drug paraphernalia. Any person who violates this section, upon conviction, shall be fined not more than \$100.00, no portion of which may be suspended.

Article III
(Civil Forfeiture)

All drug paraphernalia as defined above shall be, upon proof of a violation as set forth above, subject to civil seizure and forfeiture.

Article IV
(Severability)

If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or application of the Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are severable.

Article 17. To see if the Town will vote to authorize the Fire Department to withdraw a sum of up to \$2,400.00 from the fire equipment or Fire Precinct Capitol Reserve fund in the Plymouth Guaranty Savings Bank, said funds to be used for the purchase of radio equipment. (This Article inserted upon written application of voters.)

Article 18. To see if the Town will vote to accept the budget as posted.

Article 19. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 23rd day of February, 1981.

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

POLICE DEPARTMENT REPORT

Michael Gridley graduated from the 47th session of the N.H. Police Academy in February, 1980.

Marvin Stratton, a former Auxiliary Officer, was appointed on December 1, 1980 as a full time officer. Marvin was appointed after careful consideration of the five applications received to fill the position left vacant after Peter Bartholomew resigned to enter private business. Marvin will be attending the 53rd session of the N.H. Police Academy at Pease Air Force Base during January and February, 1981.

We have two new members of the Woodstock Auxiliary, Russ Clark and Mike Evleth, who join Jerry West and Bill Magee as part time officers. These auxiliary officers have donated a total of 321 hours of volunteer time to the department in addition to the hours for which they were reimbursed. They do a fine job and are a credit to the department.

In November the Lincoln-Woodstock Police Departments held a part time officer's school under the direction of Jeff Mayhew of the Lincoln Police Department. Jeff put a lot of time and effort into this project. The curriculum was approved by the Police Training Council and the class graduated in early December. All Woodstock Auxiliary Officers are now certified police officers.

You will notice in the Comparative Police Statistics that the figures remain consistent.

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1980. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442:A, the Rabies Control Act for holding stray dogs.

Every town has stray and animal problems. We encourage the Town of Woodstock, and especially the animal control officer, to use our services more in 1981.

Sincerely,
 FRITZ T. SABBOW
Executive Director

NORTH COUNTRY HOME HEALTH AGENCY

— — — — —

North Country Home Health Agency provides services to people in their own homes who have health-related problems. Nursing visits are provided for the chronically ill, for care following hospitalization or for acute care in lieu of hospitalization. Physical Therapy and Speech Therapy are available to homebound patients. The Home-maker/Home Health Aides work with the nurses and therapists to assist with personal care, light housekeeping and meal preparation, and other health-related services aimed at keeping people independent in their own homes for as long as possible.

Occupational Therapy service was added this year, to teach patients to cope with the activities of daily living.

Our Family Assistant Program is designed to help parents strengthen child-rearing practices and cope with family related problems.

Our Public Health activities are aimed at prevention and early intervention of disease, and include child immunization clinics, well-child conferences, handicapped children's clinics, adult health screenings and child dental screenings. Monthly well-child and immunization clinics are now held in both the Littleton and Haverhill areas, and three times a year in Lisbon and Lincoln. Health promotions for the assessment of problems and newborn visits to infants and mothers are also made. There is no charge for any of the clinics, health promotions or newborn visits.

North Country Home Health Agency serves 15 towns in a 1200 sq. mile area. Its main office is 60 High St., Littleton, and there are satellite offices in Lincoln and Woodsville.

TOWN OF WOODSTOCK, N.H.
Town Report for 1980 from
North Country Council, Inc.

In Woodstock, the North Country Council has assisted the Town with its water improvement program. A HUD Community Development preapplication was prepared. The Council is also assisting the Planning Board in preparing a Community Plan.

North Country Council is the regional planning commission and economic development district serving the North Country. In 1980, North Country Council targeted its resources and expertise to fit the needs and problems of the towns and region we serve. In the community planning field, the Council has programmed a systematic way of handling requests from communities for assistance with a local community plan. By the end of 1981, the Council will have assisted six communities complete master plans. For its membership fee in the Council, a town can receive any of twenty-two types of assistance identified by NCC. Communities can contract with NCC to undertake special project programs which require a significant amount of time over and above the normal types of services. Sponsorship of the Municipal Law Lecture series and membership on the Environmental Law Clinics affords the Council with the opportunity to secure necessary legal information on behalf of the town. The Council has been active in a number of regional issues such as transportation, economic development, land use, and housing. In transportation, the Council has supported the restoration of rail service to the Mt. Washington Valley area and initiation of commuter air service in Berlin, assistance to the Whitefield Regional Airport, and improved highway and public transportation systems. In land use, the Council has published reports on the **Role of Agriculture in the North Country, Managing Wetland**, and several brief fact sheets.

The Council has accelerated its economic development program with the addition of a Business Development Director who is making direct contact with businesses to encourage them to locate in North Country communities who have identified new industry as a need. NCC has prepared a regional industrial brochure coupled with local area fact sheets as a tool to encourage planned economic growth. As a result of these efforts, several companies have expressed an interest

in locating in the region. Efforts are underway to establish a Revolving Loan Fund as an incentive for prospective industry.

In rural development, assistance has been provided to a number of communities in areas such as wastewater treatment, solid waste, water supply improvement, and other necessary community projects. A special report on Rural Development is available.

Because of the Council's activity in energy, the Governor's Council on Energy grant NCC some funds which will enable the Council to assist three targeted communities to prepare a local energy plan.

State and federal agencies and statewide groups continue to contact North Country Council for a North Country perspective on such varied issues as growth, forestry, environmental concerns, land use, and manpower training. For example, in June, the Council presented testimony to a special legislative committee on proposed changes needed in the state's planning and zoning legislation. Association with these groups provides NCC with the opportunity to share some of the regional and local concerns expressed by the towns with those state and federal agencies whose decisions will impact on the region. The Council continues to work with other regional councils in New England through the efforts of its President who serves as a Board member of the National Association of Regional Councils.

The efforts and accomplishments of the Council are a collection of the many contributions of local towns, other agencies, our fine staff, the Board of Directors, and the Executive Committee. We express our appreciation to the Town for its support and assistance during the year. North Country Council is an arm of local government in the North Country. Please contact us at 823-8108 if the Council can be of service to your Town.

Respectfully submitted,
DANIEL BARRY

MOOSILAUKE PUBLIC LIBRARY ANNUAL REPORT — 1980

The Moosilauke Public Library ushered in the first year of the '80's with real growth in books and usage. We're still searching for inches of space in which to squeeze our new volumes and trust that our patrons will overlook the population problem when they uncover just the book they need.

This summer, Mrs. Virginia Landry taught a fine summer reading program that was very creative, entertaining for the youngsters, and well done. Many thanks for her fine efforts those summer mornings. The August book-sale saw many friends and tourists thumbing through our discarded books (under some very hot skies), and this fall the Library presented three well attended programs. In September, Dr. Harold Pierson presented his own slide show of a recent trip to China. We were able to view the remarkable sights of a vast country while learning of the social and political evolution of a country trying to define itself in the modern world. In February of 1981, Dr. Pierson presents his slides of his 1980 fall trip to Sri Lanka. In November, Mrs. Edi Kressy, a noted fashion designer who lives in Plymouth, New Hampshire, demonstrated her wonderful fashion talents to a very enthused audience. She brought to her lively talk a vitality and wit that is interpreted in her clothing as a fresh, original and very personal statement. Also in November, Mr. Peter Miller, chef of the Inn at Loon Mountain, led an eager (and hungry!) group of apprentices through his kitchens, instructing them in, among other dishes, the fine art of meringues and stuffing sole—a really fun afternoon which will hopefully be repeated in 1981.

The Library would like to mention its thanks to Mr. and Mrs. Charles Spaulding for their generous magazine donation of the two very fine publications, *National Wildlife* and the *Smithsonian*. The Quest Club also deserves a special thanks for their gift of *Ranger Rick*, a much loved childrens' journal. The Friends of the Moosilauke Public Library would like to express their deepest appreciation to Mr. and Mrs. Richard Sweet of Grand View Mountain and Attleboro, Massachusetts, for their wonderful donation in support of the library's future shelving needs. Their interest and awareness in our expanding library is extremely gratifying and we are very grateful to them both.

The Library would also like to thank its patrons and townspeople, including and perhaps especially, the children, for helping to bring in this new decade so energetically. Social institutions depend upon just such dynamic support for their very existence—your Library succeeds because of your responsiveness.

Respectfully submitted,
SIBYL CANAAN
Librarian

REPORT OF THE WOODSTOCK PLANNING BOARD 1980

In March, the board lost the services of Mr. Robert Bujeaud, Selectman and in July its Secretary, Mr. Andrew Nicoll. Bob and Andy contributed greatly to the board. We thank them, we miss them and wish them well.

The board welcomed two new members, Selectman Mrs. Bonnie Ham and Mr. Roger Martin.

During all of 1980, we received only four applications for Subdivision, of these one was withdrawn, another was a non Subdivision, and the remaining two were approved. This is six fewer approvals than last year.

Much of what we hoped to accomplish on "Future Woodstock" (our Comprehensive Master Plan) this year, still remains to be done. Ms. Mary Ellen Barnes, Regional Planner with North Country Council, did persevere and carried on after we dropped the ball. Due to her efforts and with a sustained effort on our part in early 1981, the new board, with the assistance of all of us should be able to finish the plan by summer.

Again this year the Board asks for **YOUR HELP** to finish this Inventory Phase, and prepare to move on to the next phase, that of establishing the Goals and Objectives for Our Town.

All of us can be thinking about such things as what, when, where, should or will there be:

- Town water line between the two Villages.
- Sewer line extensions.
- A new Town Office/Community Building.
- Zoning in Town.
- Downtown Improvement.
- Sewer dumping station.
- More or less development.
- Building Codes.
- Combined Town Government.
- New water system for North Woodstock.
- Protect existing water resources/aquifers.
- Establishment of Historic Districts.

Open Space.
Wetlands Management.

With your ideas on the above, combined with the facts and figures from our inventory, we should be able to make the choices and recommendations that are necessary to insure a better Woodstock for us today and an even better one in the future.

Respectfully submitted,
DANIEL C. BARRY
Chairman

TOWN OF WOODSTOCK, N.H.
Report of the
Grafton County Commissioners

To the Citizens of Grafton County:

In an effort to communicate more directly with the taxpaying citizens of Grafton County, we, the Grafton County Commissioners, are writing to you through your individual town or municipal reports.

Due to inflated Nursing Home expenses with somewhat reduced revenues and rapidly increasing costs of welfare reimbursements to the State, our budget year ended very close to the line, with a \$3,620 surplus. Because of the Delegation's decision to use a two-year surplus in one budget year to allow citizens a reduced county tax in FY 1980, the 1981 fiscal year budget resulted in a heavier tax factor making up that decrease as well as offsetting reduced revenues and allowing for standard budget increases.

As with towns, the county welfare assistance programs are increasing and becoming more involved, especially with the current energy crunch and rapidly inflating economy. We also foresee a possible decrease in Federal and State contributions to social service programs which could have considerable impact on local budgets.

The sewage disposal system has progressed slightly, with planning completed and ready to go out for bid. If all goes well, we may be able to submit a final report next year.

The Commissioners worked closely with the Nursing Home Employee Council to set up a wage/benefit package more compatible to the State program for Glencliff employees. The Commissioners hope to work out a job description/wage scale plan for courthouse employees in the near future.

Grafton County is gradually converting from a bookkeeping machine system to a computerized system for all county accounts. Payroll was converted effective January 1, 1980, and vendor payment and receipt programs were recently added. Patient accounts and purchase order programs will be added later. The system is too new for comprehensive comments, but we anticipate constructive changes in the overall accounting and reporting system.

The Commissioners hold their regular meeting every Monday (except holidays) at 9:30 a.m. in the Commissioners' Office of the Grafton County Courthouse, followed by a second meeting at the Grafton County Nursing Home Complex at 1:00 p.m., which regularly includes visits to farm and jail facilities. Public and press are welcome, and, in fact, are encouraged to attend the meetings.

RICHARD L. BRADLEY,
Chairman
DOROTHY CAMPION, *Clerk*
ARTHUR E. SNELL
