REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Belmont:

I herewith submit my annual report as superintendent of your schools. This is the twenty-first time I have submitted such a report to you.

No eighth grade graduation exercises were held. All but two of the eighth grade graduates entered high school in September.

HIGH SCHOOL GRADUATION

The eighth annual graduation exercises of the Belmont High School were held on Wednesday Evening, June 19, 1935. Heretofore the program presented at these exer-

cises has been entirely by the students but on this occasion an innovation was introduced. The principal feature of the exercises was an address on Tomorrow's Adventure by Mr. Howard P. Davis, a friend of Mr. Brown, the headmaster. This type of program is now quite generally used by high schools.

Diplomas were presented by the Superintendent of Schools to the following graduates:

Joseph Alphonse Cloutier	Royal Laurantine Page
Ferne Gallagher	Charles Henry Stuart
Armand Joseph Levasseur	Irene Leona Sturgeon
Alberta Elaine Lucier	Gordon Rosswell Tate

TEACHERS AND ENROLLMENT

There have been four changes in our teaching force within the year. Miss Helena Lacheta and Miss Lenore Roberts resigned in June. These vacancies were filled by the selection of Miss Elsie Beckman for grades three and four, and Miss Ena True for grades five and six at the Gale School. Both Miss Beckman and Miss True are proving to be very satisfactory teachers and we are fortunate in having them as members of our teaching force. Mr. Ernest Brown resigned as headmaster of the high school just before the opening of school in September. We regretted to have Mr. Brown leave us but were pleased that he secured a much more lucrative position in Massachusetts. We were also pleased to be able to secure Mr. Eldon Dustin to fill this vacancy. Mr. Dustin is a graduate of Bates College and had had two years experience in teaching before coming to us. Mr. Dustin is an excellent instructor and under his guidance the High School is making commendable progress.

We were all shocked and grieved by the untimely death of Miss Isabel Meader early in November. During the

year and a little more Miss Meader was with us she grew in strength as a teacher and endeared herself to the pupils in the high school and grades seven and eight with whom she worked. Her fine scholarship, her interest in her work and her happy disposition were an inspiration to us all. We all miss her.

Miss Elizabeth Prime of Laconia, a graduate of Wheaton College, was chosen to fill the vacancy. The work is progressing well.

The teacher assignment, salary, and present enrollment in each school is shown in the following table:

School	Teacher	Salary	Enrollment
Gale: I-II	Editha K. Cowing	\$950	42
III-IV	Elsie Beckman	950	36
V-VI	Ena M. True	900	42
VI-VIII	Elizabeth Prime	950	36
High	Elden Dustin	1500	41
	Roselyn Gould	950	
Plummer	Agnes Hamilton	950	17
Province Road	Gertrude G. Bartlett	900	17

234

We have in addition eleven pupils enrolled in the Laconia High School, thirteen in the Laconia Elementary Schools, and six in the Tilton Elementary Schools.

IMPROVEMENTS

Some much needed improvements have been made at the Gale building. New valves have been placed in the radiators, new front doors installed, and the much worn treads on the stairs replaced. Much could be done to this building to improve its appearance and make it more serviceable.

The Plummer building still needs remodeling. It does not meet standard requirements for lighting.

HIGH SCHOOL BUILDING

The committee authorized by the school meeting of March 12, 1935, to act jointly with the School Board in studying the high school problem, consisted of Fred H. Piper, Guy L. Hamel, Rev. F. W. Fitzpatric, Joseph Boutin and Fred W. Friend. This joint committee gave much thought and study to the problem.

The committee finally recommended that a building be erected on a lot adjoining the Gale School lot, adequate in size for the accommodation of both the seventh and eighth grade pupils and the high school pupils, and that an application be made to the federal government for a grant to aid in financing the constructing and equipment of such a building. An adjourned school meeting authorized such an application and voted to raise the school district's part of the cost of such construction and equipment.

The Washington authorities approved the application for a grant with the understanding that the project should be a \$25,000 one, the grant to be 45% of the total cost.

At a special meeting held in October the School Board was authorized to accept the grant in the name of the district, and to execute any and all contracts or agreements necessary proper or advisable in connection with the construction and equipment of a high school building at a total cost not in excess of \$25,000. The School Board was also authorized to borrow on the credit of the district a sum not to exceed 55% of the total cost of the project.

As a result of the action taken there is now in the process of construction a high school building which should meet the school needs of the community and in which the community should take just pride.

The continued cooperation which I have received from the School Board, the teachers and many others is sincerely appreciated.

Respectfully submitted,

CHANNING T. SANBORN,

Superintendent.
