# .. 2001 Town Report

Bennington, N.H.

# In Memoriam ...

Perhaps no individual before or since "carried" Bennington in a leadership role like Erving LeCain.

A founding member of the Historical Society, the Town's Auditor, a Selectman from 1968 to 1989, he was Bennington's Mr. Town Hall. He was affectionately known as the "The Mayor".

Erving passed away in Hanover on February 9, 2001.

He will not be forgotten.

P 44 1247

#### TOWN WARRANT

#### The State of New Hampshire

To the inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote: You are hereby notified to meet at the Pierce School on Tuesday, the fifth of February, next at seven o'clock in the evening, and then at the Fire Station on Tuesday, the twelfth day of March, next at eight o'clock in the forenoon, to act upon the following subjects:

Note: The casting of absentee ballots will begin at 1 p.m. The polls will close at 7 p.m.

- 1. To choose all necessary Town Officers for the year ensuing.
- 2. Shall the Town vote to authorize the Chairman of the Board of Selectmen to appoint two persons, both of whom must be former Bennington Selectmen, as replacements for the standing Selectmen, for the sole and specific purpose of negotiating the sale of the Town-owned property at the site of the former Crotched Mountain Ski Area?
- 3. Shall the Town vote to direct the Bennington Conservation Commission to recommend to the Board of Selectmen those Town-owned parcels of land which are suitable for designation as Municipal Forests under the provisions of RSA 31:110-114, and to report such recommendations no later than Town Meeting 2003?

(This is a Petitioned Warrant Article as amended by action of the Deliberative Session. February 5, 2002)

4. Shall the Town vote to change the organization of the Fire Department, in accordance with RSA 154:1III, to make the position of Fire Chief appointive by the Selectmen rather than elective; the positions of Deputy Chiefs appointive by the Chief and the Fire Department Officers appointive by the Board of Chiefs?

(Recommended by the Fire Chief and the Board of Selectmen)

5. Shall the Town raise and appropriate as an operating budget, not including appropriations by special articles, the amounts set forth on the budget posted with the Warrant, and other appropriations voted separately for the purposes set forth therein, totaling nine hundred twenty-four thousand two hundred sixty-five dollars (\$924,265)? Should this article be defeated, the operating budget shall be eight hundred eighty-two thousand eighteen dollars (\$882,018), exclusive of special articles, which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one Special Meeting, in accordance with RSA 40:13X and XVI, to take up the issue of a revised operating budget only. (Recommended by the Selectmen and the Budget Committee)

Note: This warrant article (operating budget) does not include appropriations in any other warrant article.

6. Shall the Town raise and appropriate the sum of four hundred fifty dollars (\$450) as its share of year 2002 programming for Project LIFT, which provides literacy services and materials to Bennington citizens over 16 years of age?

(Recommended by the Selectmen and the Budget Committee)

- 7. Shall the Town raise and appropriate the sum of three thousand seven hundred dollars (\$3,700) for gravestone/headstone repair and tree care at Sunnyside Cemetery? (Recommended by the Selectmen and the Budget Committee)
- 8. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) for purchase of fireworks to be displayed in conjunction with Bennington's 2002 observance of Old Home Days?

(Recommended by the Selectmen and the Budget Committee)

9. Shall the Town raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be added to the Fire Truck Capital Reserve Fund?

(Recommended by the Selectmen and the Budget Committee)

10. Shall the Town raise and appropriate the sum of three thousand dollars (\$3,000) to be added to the Forest Fire Truck Capital Reserve Fund?

(Recommended by the Selectmen and the Budget Committee)

11. Shall the Town raise and appropriate the sum of thirteen thousand five hundred dollars (\$13,500) to be added to the Police Cruiser Capital Reserve Fund, and shall the Town designate the Board of Selectmen as agents to expend up to twenty-nine thousand dollars (\$29,000) from that fund for the purchase of a Ford Explorer cruiser?

(Recommended by the Selectmen and the Budget Committee)

12. Shall the Town create a Capital Reserve Fund to be known as the "Sidewalk Capital Reserve Fund" to meet the cost of replacing the Town's sidewalks; shall the Town raise and appropriate the sum of fourteen thousand five hundred dollars (\$14,500) to be placed in that Fund and shall the Town also place in that Fund the sum of fourteen thousand five hundred dollars (\$14,500) appropriated for that purpose by the 2001 Town Meeting, an appropriation which was encumbered by the Selectmen but not expended?

(Recommended by the Selectmen and the Budget Committee)

13. Shall the Town raise and appropriate the sum of twenty thousand dollars (\$20.000) to be added to the Highway Equipment Capital Reserve Fund, and shall the Town designate the Board of Selectmen as agents to expend up to twenty thousand dollars (\$20.000) from that fund for the purchase of a sander body?

(Recommended by the Selectmen and the Budget Committee)

**14.** Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Library Capital Reserve Fund?

(Recommended by the Selectmen and the Budget Committee)

15. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Water Department Capital Reserve Fund, and shall the Town designate the Selectmen as agents to expend up to five thousand dollars (\$5,000) from that Fund for the purpose of replacing hydrants?

(Recommended by the Selectmen and the Budget Committee)

16. Shall the Town raise and appropriate the sum of three thousand dollars (\$3,000) to be added to the Sewer Department Capital Reserve Fund?

(Recommended by the Selectmen and the Budget Committee)

17. Shall the Town raise and appropriate the sum of three thousand dollars (\$3,000) to be added to the Rescue Van Capital Reserve Fund?

(Recommended by the Selectmen and the Budget Committee)

18. Shall the Town raise and appropriate the sum of one thousand dollars (\$1,000) to be added to the Mower Capital Reserve Fund?

(Recommended by the Selectmen and the Budget Committee)

19. Shall the Town raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be added to the Highway Truck Capital Reserve Fund?

(Recommended by the Selectmen and the Budget Committee)

**20.** Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Bridge Maintenance Expendable Trust Fund?

(Recommended by the Selectmen and the Budget Committee)

21. Shall the Town raise and appropriate the sum of twenty thousand dollars (\$20,000) to be added to the Town Building Expendable Trust Fund?

(Recommended by the Selectmen and the Budget Committee)

22. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Bridge Replacement Capital Reserve Fund?

(Recommended by the Selectmen and the Budget Committee)

23. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Emergency Radios Capital Reserve Fund and shall the Town designate the Board of Selectmen as agents to expend up to ten thousand dollars (\$10,000) from that Fund for the purchase of four portable digital radios?

(Recommended by the Selectmen and the Budget Committee)

24. Shall the Town create a Capital Reserve Fund to be known as the Town Revaluation Fund (pursuant to RSA Chapter 35) for the future revaluation of the municipality and raise and appropriate the sum of fifteen thousand dollars (\$15,000) toward that purpose, and appoint the Selectmen as agents to expend from the Fund?

(Recommended by the Selectmen and the Budget Committee)

Given under our hands and seal this twenty-third day of January, in the year of our Lord two thousand and two.

James W. Cleary

Lily L. Ven

Board of Selectmen, Bennington, New Hampshire

#### SELECTMEN'S MESSAGE

This Report is dedicated to local rather than national or international issues. We find it difficult, however, to talk about 2001 without at least noting the events of September 11. With less than a half-year of perspective, it is still difficult to measure the terrorist impact on our economy and on our lives. It is safe to say, however, that every day in which the average American lives or resumes a normal lifestyle is a win for us and a loss for them ... and we are returning to normal.

There is no quick fix. We must have patience.

Even before September 11, slow downs were reported in some sectors of the national economy. Not so in Bennington in 2001. We saw a larger number of stick-built houses started this spring/summer than in the last five years combined. The number of pre-built homes, additions and other structures was at a normal rate for the decade. A surprise? Not to the State's economists. The growth pattern represents an extension northward and westward of the population boom which began in the 1960's in Rockingham and Hillsborough counties. It suggests the need for all towns in the Monadnock Region to look at growth and its impact. The Selectmen salute the effort of the Planning Board and dozens of the volunteers recruited by them in the rewriting of Bennington's Master Plan. Only ten years old, it is clearly outdated. It is a citizen document. We urge every resident to share his/her thoughts, concerns and energies in making it the long-range guide to development which the community needs.

In New England, the Town Hall represents the "face" of most communities and by your vote, Bennington's face got an up-lift in 2001. After many hours/days of debate on the siding vs. painting issue, the clapboards were scraped to their cedar base in August, treated to two coats of special primer and a finish coat that hopefully will hold its surface until 2008. That was Phase 2 of the three-tiered plan developed by the Town Hall Planning Committee in 1999. The structure's roof was replaced in 2000; its exterior in 2001 and its parking/landscaping problem will be addressed, with voter support, in 2003.

Since 1998, this Report to the townspeople has contained a gloom and doom prediction that the cost of waste disposal would go out of sight when the Town's five-year contract with Waste Management of New Hampshire expires on December 11. Removal costs were expected to jump by 40-50%. Well, competition in the free enterprise system works. We found that competition and the explosion was contained. There is an increase in the 2002 budget and it's not insignificant (\$5,100) but it represents only a 19.6% increase over the prior year. The new contract covers three years and its increase or decrease from year-to-year will be based on the results of the Consumer Price Index.

Although it never made headlines, Bennington has been a landlord over the past two years. The Town acquired Condo Units 37A and 37B, Mountainside, by Tax Deed in 1999. A State Law made it economically unwise to sell the units, until a 36-month period expired. That date came up in January. The Condos have been sold, the entire proceeds returned to the General Fund and both properties are back on the tax rolls.

Bennington's contract with Adelphia Communications for cable television services will expire in May, 2003. For more than a year, we have been joined with several other Monadnock Region communities, having similar contracts and contract schedules with Adelphia, in an attempt to (1)

explore alternatives/competitor firms (2) negotiate for improved programming (3) seek some control of rates (4) provide customers with better service/reception (5) arrange for a minimum standard of communication between the company and those it serves.

Much of the consortium's early impetus came from Peterborough volunteers. They have been joined, however, by experienced, able and valuable representatives, including Bennington's Jim Dodge and Catroina Beck, in the consortium. With their own legal counsel, the Consortium is speaking with a stronger and more knowledgeable voice to company officials. How much can be done is yet to be determined. At this time, no true competitors can be identified. In addition, FCC regulations severely restrict what can be negotiated in respect to programming and cost, at least the cost of the "basic package". Much has already been accomplished, however, in respect to service and communications and the group has only begun its work. The Board extends its, and the community's, thanks to Jim and Catroina for their time and effort.

In the way of singular accomplishment, we share your pride in the selection of Bennington - and Newhall Field ... more accurately, the Newhall Field complex ... as the site of the 2001 State District Baseball Championship Series. It is truly remarkable that an athletic facility in a community of 1,400 people is picked for this honor. We pay tribute to Scott Liljeberg and all the people who contribute so many hours, every year, to create and maintain this Bible Hill Road showplace. And for being such gracious and complete hosts/hostesses that the site will serve the same role in future years.

We close this Report in much the same way it started. The events of September 11 serve to remind us of the people who make the community function; police, fire, and rescue squad members; the guys who drive the snow plows; the school crossing guards; the guys who run the Transfer Station; the Town Hall folks; the dozens of Recreation Department volunteers who provide a year-round series of events for us; both the professionals and volunteers who make the Dodge Library what it is, and all the volunteer members of Bennington's Boards and Committees - and others - to all of them - Thank You.

Jim Phil Terry

Board of Selectmen
Town of Bennington, New Hampshire

We have compiled the financial statements of the Town of Bennington, New Hampshire for the year ended December 31, 2001 included in the accompanying Form F-65 (MS-5), in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

Our compilation was limited to presenting in the form prescribed by the New Hampshire Department of Revenue Administration, information that is the representation of Town Officials. We have not audited or reviewed the financial statements referred to above and, accordingly, do not express an opinion or any other form of assurance on them.

The financial report, Form F-65 (MS-5), is presented in accordance with the requirements of the New Hampshire Department of Revenue Administration which differ from accounting principles generally accepted in the United Stated of America. Accordingly, these financial statements are not designed for those who are not informed about such differences.

*Pav These Amounts to	School(s)		/	

These Amounts to School(s)

The cost of an adequate education is determined by the Department Education based on weighted average daily membership in residence each school district. Each school district's percentage of total is then calculated. Each percentage is then multiplied by the Town's share of the state education tax amount to allocate a portion of the state education taxes to each school district.

The difference between the adequate education for each school district and each school district's share of the state education taxes becomes the adequate education grant for each school district.

## WHAT'S GOOD ABOUT MY TOWN ...

ON SATURDAY, SEPTEMBER 26, ABOUT TWENTY BENNINGTON RESIDENTS, EACH CARRYING A DISPOSAL KODAK CAMERA, SCATTERED ALONG THE IOWN'S STREETS, BYWAYS AND BACKWOODS RECORDING ON HILM THE SCENLS THEY LIKED AND DISLIKED ABOUT THEIR COMMUNITY.

IHIE PHOTO-TAKING WAS PART OF AN EFFORT TO MOBILIZE PUBLIC INTEREST IN A 2-3 YEAR EFFORT BY THE PLANNING BOARD TO REWRITE BENNINGTON'S MASTER PLAN. THE SHOTS HAVE BEEN MADE INTO A COLLAGE, THEY HAVE BEEN ON DISPLAY AND WILL BE THE FOCUS OF A PUBLIC MEETING SHORTLY.

UNANTICIPATED BY THE PLANNERS WAS THE DISCOVERY OF A BUNCH OF SKILLFUL PHOTOGRAPHERS. SOME OF THEIR WORK - CONVEYING THE SCENES THEY LIKED - ARE SHOWN HERE.

Respectfully Submitted, Michelle A. Hautanen Library Treasurer

#### G.E.P. DODGE LIBRARY

2001 started out quietly with expectations of maintaining status quo, and without much anticipation

for change. Of course when you least expect change, things begin to happen.

Lise Lemieux, our library Trustee Chair, who had been a trustee for 7 years, decided to return to school this fall and add to her degree. Lise was an excellent and devoted trustee and had done a lot of work with the early stages of planning for the library's addition. We wish her success and good fortune with her adventure. Lisa Shingler has stepped in to fill Lise's place on the board, she and her family have been active library patrons and have volunteered their time to the library for many years. Lisa joins Trustees Michelle Hautanen and Carrie Whittemore. Together they make an exceptional and energetic team.

The tediously long and snowy 2001 winter imposed obvious burdens on all of us including on the library grounds and in the library building. This past year's winter accelerated a long time grounds problem created by the library's proximity to the road and a great deal of sand and salt. When spring finally showed up, Caleb Platt shoveled trucks full of sand, salt, gravel and leaves off the lawn, Joe MacGregor put down lime and fertilizer and Peeker Brown planted the flowerbed. Caleb then did an excellent job maintaining the grounds, mowing, trimming the bushes, weeding and mulching. This fall we purchased new bushes for the front that will be installed in spring 2002 and there are plans to address the lawn's soil base, dead trees and crumbling sidewalk. Winter also wreaked havoc inside when tracked in sand, grit and gravel kept us endlessly sweeping, washing, and vacuuming the floors, and burning out the motors of two vacuum cleaners.

Our children's room was a hazard. The rickety bookshelves that held the children's collection were inadequate and in danger of falling over onto our youngest patrons. The exposed radiators would get so hot that over the years they had scalded too many infants and toddlers. The books were jammed into the shelves so tightly that not even adults could extract them from their perches, and the overflow books were stacked all over the floor. Ronnie McClure once again solved our problem and made beautiful fixed oak shelves in keeping with the shelves he had built over the years throughout the rest of the library. He also boxed in the radiators so that no one could inadvertently burn himself again. Jim Griswold then stained the shelves to perfectly match the oak trim in that room. The room looks entirely different and it is a pleasure and not a worry to have children in there now.

Our photocopying machine wore itself out in late summer and the replacement digital copier has been quite a challenge. We are slowly learning how to make it do what we would like it to do but are still under the

impression that it is possessed.

The summer reading program entitled 'Octopi Your Mind...Read!' was well attended. Debi & Laura Belcher, with assistance from Linda Osienski, put together a giant lawn Octopus, and a ferocious shark at the library's front entrance. Thank you to all of our summer reading program volunteers: Lisa Shingler, Michelle Hautanen, Deb Page, Janice Tyler, Linda Bryer, Carrie Whittemore, Val Germain, Betty Coffin-Brooks, Bennington Recreation, The Bennington Country Store, The Bennington Garage and the Toadstool Bookstore.

Our Sunday volunteers are a terrific gift to Bennington. Each of the volunteers is assigned a Sunday on an eight-week rotation and open the library from 4-6PM so that patrons can use the library for an additional 2 hours a week. These volunteers are: Debi Belcher, Dorothy Smith, Lisa Shingler, Deb Page, Barbara Varnum, Lisa Logan, Lee Smith and Debbie McIntosh.

Thank you to our generous patrons who donate subscriptions to periodicals and newspapers, new and used books, genealogical information, their time and ideas, equipment and labor, and their money. We would like to thank Joe Eisenberg, Jean and Lee Smith, Rose Melanson, Rhea Taylor, Danny McKay, Ruth Brown, Linda & Emily Bryer, Dawn Bond, Carrie Whittemore, the Page family, the Fleischer family, the Belcher family, Elaine Barrett, Janice Tyler, Betty Coffin-Brooks, Robert and Marion Coffin, Jan Graham and all of our terrific patrons.

Our Trustees, my assistant Melissa, our volunteers and I invite you to come in and check us out. We offer homebound service, service to people with low vision, inter-library loan, story hours, holiday programs, a summer reading program, we have a FAX machine, a photocopier, a public Internet connection, videos, audios, periodicals, newspapers, CD's, IRS tax forms and of course books.

Respectfully Submitted, Leslie MacGregor Library Director

#### BENNINGTON HISTORICAL SOCIETY

Our society has made great strides during the past year in carrying out our projects. The museum and its displays look great; we are working hard to catalog our treasures. We have made arrangements with Dan Hingston of Hillsboro Center to do a complete appraisal of our collection; this should be finished by the summer of 2002. The museum building will also be appraised for insurance purposes.

In 2001 the United States eagerly began a new century; a terrorist attack on the World Trade Center and the Pentagon shocked the free world - approximately four thousand lives were lost. We will always remember where we were and what we were doing on the morning of September 11th. This event has had an impact on every city and town in America and the free world. We are now engaged in a war against terrorism.

The winter of 2001 was mostly a mild temperature, however we had a lot of rain, sleet and snow. In February and March we had two back-to-back storms: during the first storm 36" of snow fell and we got 30 more inches with the second. Spring came late and we plunged into hot summer weather.

In February, the society lost our first President, Erving LeCain who was a founding member and co-author of the Bennington Pictorial History. Mr. LeCain was also very involved in Bennington town government - he served as a selectman for nearly twenty-five years. The Bennington Historical Society received \$750 in donations in his memory. The money will be used to purchase Bennington memorabilia for display at the museum. In March Erving LeCain's widow, Eileen LeCain died. They were both such hard workers for the society and will be greatly missed,

Our main fund raisers - the Baked Ham dinner in August and the Roast Turkey dinner in September - were both very successful; we raised \$1000 on the Ham dinner and \$1200 on the Turkey dinner. 175 people attended the turkey dinner - the most ever! Instead of selling raffle tickets, we collected donations for the World Trade Center Disaster fud; we sent \$350 to the American Red Cross for their distribution. A big thank-you to the kitchen crew. the dining room servers and those who donated pies, cakes and vegetables making the dinner such a success.

The museum received a gift of a beautiful Flow Blue punch bowl that formerly belonged to the old Adams Tavern in Bennington. The donors were Clarence and Hattie Parker Edmunds, who were both raised in Bennington and later moved to Henniker. We also received two pieces of unusual cut glass from Mr. And Mrs. Frank Larned of Daytona Beach, Florida. One piece was given in honor of David Glynn, the other in honor of Pearl Walker. Pauline Gilman and Eleanor Bennett donated several early Grange programs to the society - one was dated 1898. Herb and Lee Flanders gave some Bennington memorabilia and valuable books to the museum. We thank you all very much.

Barbara Willis. Sandy Cleary and Verna Paige were responsible for the Christmas Open House at the museum; it was truly beautiful and got everyone in the Christmas spirit. Nora Lee Sysyn played and sang carols, everyone enjoyed the tree and the refreshments. Other Christmas activities were under the direction of the Recreation Committee. This committee has been very active for several years organizing and promoting programs beneficial to Bennington. Our society congratulates and thanks them and all the other organizations that help make Bennington such a great town to live in.

We would like to thank Ellen Hill and her sister Becky Eckstein for setting up the Old Home Day open house at Pearl Walker Hall - a number of people stopped in and enjoyed the museum displays and delicious refreshments. We want to thank Arnold and Jean Cemota and Raymond Holland for keeping the museum grounds so beautiful. Thanks to all the members and friends that contributed to making our society so great!

We are honored and proud that member and Town Police Chief Steven Campbell went to NYC to help after the WTC disaster in September. It's these friends and neighbors that make Bennington such a great place to live.

Respectfully Submitted. David Glynn, President

#### BENNINGTON PLANNING BOARD

Along with the regular work of overseeing various subdivision plans, building projects, and site plan reviews, the Board actively pursued two major initiatives in 2001. One was to examine our gravel and excavation ordinances and their effectiveness in providing adequate protection of our land and water resources while allowing for responsible business enterprise. We decided that annual visits to each site can help ensure proper compliance with our regulations. On-site inspections of each of the four active gravel sites in town over the past few months confirmed acceptable operations. We consider this review a vital element to the protection and appropriate use of our aquifer, so we plan to continue these yearly visits.

The second, and much larger, project this past year has been to start an 18-month process of redoing the town's Master Plan, revised most recently in 1989. Much has changed in Bennington since that time. The Master Plan is a critically important document that guides the work of all the town's government boards and committees. Budgets and capital improvements, economic and residential development, land use designation and regulation, community services and facilities, conservation and preservation — all rely on a comprehensive blueprint for current and future planning. All towns require an up-to-date Master Plan for such work.

We believe that such a plan can best serve the common good of the community if we can involve many different people in each phase of its development. Toward that end, we have begun a three-part process for collecting information and perspectives on the town. This past September we had twenty-five townspeople participate in a Photo Day where they went around town taking pictures of things they liked best about town. things they liked least, and something they feel may be in peril. The results of that day are currently on display in the lobby of the Town Hall. In late Spring, we will add to that information by sending out a comprehensive survey to all residents asking their views on a wide variety of topics. Finally, next September, we will hold a Community Profile Forum where we can all engage in a public deliberation on the issues we face and our collective aspirations for our town and its future.

The outcomes of these three events will form the basis of the new Master Plan to be voted on at a public hearing early in 2003. Southwest Regional Planning Commission and Antioch New England Institute are both providing valuable consultation for this work. More importantly, we are most pleased to have the services of several people in town who volunteered to be on our Master Plan Steering Committee — Dawn Bond, Molly Eppig. Gretchen Hutton, Scott Liljeberg. Carol McKinney, Joan Schnare. Michelle Stahl, Vernon Thornblad, and Barbara Varnum. These folks are assisting us in every aspect of work on the Plan, helping with the myriad of tasks in this very complex endeavor. Many thanks to them all for the long hours already put in and the many more that lie ahead.

Finally, a few changes and additions to the Board membership should be noted. Joe Eisenberg joined the Board this past summer as an alternate, and Catriona Beck moved from alternate status to member replacing Frank Cordelle who is stepping down from the Board in February. Frank held the longest tenure of any Board member in its history, serving on it continuously since 1985. He served as chairman and co-chairman many times, and was a valued mentor for new members during long years of service. He lived in Bennington for almost thirty years, and we wish him well as he begins his new life in California this Spring. Thanks so much, good friend.

And thanks, too, to all the good people who helped us in 2001.

Respectfully Submitted.
Peter Eppig, Chairman
Catriona Beck
Frank Cordelle
Joe Eisenberg, alternate
Phil Germain, ex-officio
Letitia Rice
Terry Shields

#### POLICE DEPARTMENT

As everyone knows the United States was devastated by the terrorists attacks on September 11<sup>th</sup>. Even though Bennington was not the target it affected everyone across the country. It changed the way we look at things and how we do our job (especially police, fire, medical personnel). Please keep your eyes and ears open for anything unusual for yourself and your neighbors. If you see or hear anything unusual please contact the police – 24 hours a day.

We had one change in personnel for the year. We hired a new part-time officer. He is Dave Chenard. He has been working since April and is doing a great job.

We again had the "Officer Phil" safety program. This program was held at Pierce School with "K24" the safety robot. Everyone had a great time and at the same time received some very important safety messages. Thanks to the local businesses who made contributions to make this program available. We look forward to having the program again next year.

We also took a day to take fingerprints of the Pierce School students. This was done to assist in such emergencies as a missing child. If you have a child that you would like to have fingerprints taken of please contact the police department. We have Fingerprint Identification Kits which can be kept by you or by the police department.

We also received another State Highway Safety Grant for Driving While Intoxicated Enforcement. Two successes out of this program were: (1) we did not get a lot of DWI arrest which means (at least to me) that fewer people are drinking and driving, and (2) more visibility from the police which makes the roads and town safer.

We are working on getting cell phones for emergency use. They can be used to call E911 in case of an emergency. Examples would be; domestic violence and to take on a trip with you in case of an emergency during your trip. We are also looking at getting more bicycle helmets which can be issued to children who do not have one. Stay tuned for more information and if you need a phone or bicycle helmet please contact the Bennington Police. Also, remember we have child safety seats which we can issue to ones in need.

Dotty Zabriskie is back again as the crossing guard for Pierce School. She is watching the children two times each school day. She is doing a great job and I am sure everyone appreciates her watching over the children to keep them safe.

As far as statistics for the year we are very close to the number of last year – 4216 for 2000 and 4245 for 2001. Some differences: Criminal - 269 for 2000 and 340 for 2001; Arrest – 121 for 2000 and 183 for 2001; Calls for Service – 1202 for 2000 and 1371 for 2001. The biggest decrease was 398 fewer Motor Vehicle Stops – 1354 for 2000 and 956 for 2001. Why the big decrease in Motor Vehicle Stops? No grant for speed patrol and an increase in Criminal and Calls for Service which equate to time away from traffic enforcement.

We received 340 Criminal Reports for the year 2001. Out of the 340 cases 323 have been cleared through a variety of means such as arrests. This equates to a 25% rate of solving the reports in a satisfactory manner. Out of the 17 cases which remain unsolved 5 can be considered significant. They are: Break in of a business, 15 mailboxes vandalized in one evening, attempted abduction, a possible arson and one case of counterfeit money (have a suspect). I consider the 12 remaining cases important; however, minor in severity. An example of this would be egging of the police cruiser (twice).

Please refer to the enclosed statistical chart for 2001 for more specific information on numbers for the year.

I believe Bennington has four excellent police officers who work very hard for the town. All of the officers pledge to be professional and fair in carrying out there duties – even when we have to make the tough or negative decisions.

In February 2002 I will have been here seven years. As always I enjoy working in Bennington and I want to thank everyone for supporting the police department.

Respectfully Submitted, Steve Campbell Chief of Police

THE POLICE DEPARTMENT HAS A NEW WEB SITE – PLEASE CHECK IT OUT AT

www.benningtonpd.com

#### BENNINGTON FIRE DEPARTMENT

The members of the Bennington Fire Department would like to thank the community for their continued support. We are in need or more volunteers, due to a continuing shortage. If you or somebody you know are interested in volunteering your time for the Fire Department and/or the Rescue Squad please call Chief Allen Wilson at 588-6188. Full training is provided; no experience is necessary.

The year of 2001 continued to keep the Fire Department members busy. There were six members that completed the Emergency Medical Technician course. Two of our members completed the State of New Hampshire Firefighter Level 2 course. Many also completed various trainings provided by the Department of Emergency Management, in Concord, that dealt with radiological occurrences, and also classes dealing with terrorism. There was also ongoing training being conducted by the Fire Department. Below you will find a list of calls, sorted by category, including the number of calls for each category for the year.

Respectfully Submitted, Bennington Fire Department

Rescue/Medical: 81 Mutual Aid Calls: 24 Brush Fires: 12 Structure Incidents: 11 False Alarms: 9 Motor Vehicle Accidents: 5 Power Lines Down: 5 Fire Company Alarms: 4 Clover Assignments: 3 Chimney Fires: 1 Total Calls: 155

### HIGHWAY DEPARTMENT

Hopefully anyone who wished for an old-fashioned winter with 10' snowbanks were satisfied with Mother Nature's performance last year.

The first storm was on December 14 with 28 more following. That works out to about 2 storms per week to the end of March. But Spring thankfully arrived and snow equipment was retired for a few months. As soon as things dried out Spring Grading was done and things were swept and raked up for Memorial Day.

Work was done on North Bennington Road to prep for paving, brush was cut and chipped, culverts were cleaned and another 1,500' of the West Deering Road was relocated.

Four hundred yards of pugmill mix was made for the shimming and sealing of Bible Hill Road. Pierce Hill Road and upper Dodge Hill Road.

On Gillis Hill Road a project was started to widen the top section in order for two cars to pass and will be completed this year.

Paving will continue on North Bennington Road this year, hopefully to the Iron Bridge, with work being done on the first part of West Deering Road to finish relocating the road away from the river in the worst sections.

There is a Capital Reserve Article this year that deals with a sander body replacement for our large truck, as the one we have now is 12 years old and rusting out. This is the second truck it has been in and its time has come to be passed along before costly rebuilding is required.

Respectfully Submitted. David Blanchard, Road Agent

### HEALTH AND WELFARE

Because so much of 2001 was a combination of both health and welfare, it seems appropriate that this report covers both departments.

Early in the year Michelle Hautanen resigned as my Assistant to taken on full-time employment in the Conval School System. Glen Wilson accepted the appointment to replace her and he is very welcome.

The workload last year was fairly normal on the welfare side but heavy on the health. There were extensive problems with substandard housing, some involving children. This was a long, expensive and arduous project, still ongoing. I would like to, at this time, thank our local Police Department and various State Agencies for their help with these cases.

The year ended with a happy note. Our elderly and needy families received warm clothing and food. Many thanks to those who contributed.

Respectfully Submitted, Barbara Huntley. Overseer Public Health and Welfare

#### CONSERVATION COMMISSION

The Bennington Conservation Commission would like to welcome Letitia Rice. She has filled in for the position vacated by Peter Eppig. We thank Peter for his years of service to the commission.

The commission has reviewed several timber permits this year. It seems that this has been a busier year than usual in this regard.

We have also discussed much about setting conservation land aside and setting in place procedures for citizens to place land in easements. We are far behind our neighboring towns in this area. This in part has led to a warrant article this year to set aside town owned land for the benefit of all future generations.

We want to strive to protect land around our natural resources, especially our town well and waterways. We hope to make this more of a focus in the coming year.

Our Continuing fieldwork to establish where our town boundaries are led us to acquire a GPS. Two of our members went to a training session for GPS. This unit is very useful in verifying map and actual position. In other words, it will help us to not get lost.

There are commissioners whose terms are finished this year. We strongly urge interested citizens to join us.

Respectfully Submitted, Bennington Conservation Commission

Jon Manley, Chairman David Barrett Bruce Edes Joe MacGregor Dennis McKenney Letitia Rice Terry Schnare

### **CEMETERY TRUSTEES**

The Trustees of the Cemeteries got a lot more done this year. More lots have been laid out where large oaks stood many years ago. Two dead pines and an oak, small trees and brush cleaned up in the Evergreen Cemetery. Head stones were straightened up and repaired. Hopefully we can get another 35 or so done in the year 2002.

We also thank the Hillsborough County House of Corrections for sending 7 inmates up to rake the leaves in the Sunnyside Cemetery for the cost of lunch.

Respectfully Submitted, Phil Traxler Jill S. Young Charles Zabriski, Sr. Cemetery Trustees

## CEMETERY TRUSTEES FINANCIAL REPORT

Peterborough Granite Repair of Gravestones	\$ 1,425.00
Robert Todd Surveying	\$ 1,955.90
Bartlett Tree Cutting (2 pines, 1 oak)	\$ 1.200.00
Cleary Construction (down tree, Sunnyside gate)	\$ 395.00

Brian Gates - Labor	\$ 303.00
Mike Zabriski - Labor	\$ 600.00
Grounds Keeping	
Sunnyside	\$ 920.25
Evergreen	\$ 792.50
Total	\$ 7,646.05

## INTEREST PAID TO TOWN FROM TRUST FUNDS

Interest Paid to the Town From Trust Funds	\$ 2,034.34
Sale of Lots From the Evergreen and Sunnyside Cemeteries	\$ 750.00
Total	\$ 2,784.34

#### **ELECTION REPORT**

While 2001 was an "off" year for elections, the supervisors were busy with one of our most important tasks: the "purge" of the list required every ten years by state law. This is where we remove voters who have left town, but are still on the checklist - "deadwood" which inflates our numbers, but causes our voter turnout percentages to appear lower than they actually are.

The purge is a fairly simple process, but takes a bit of time. We go through checklists of recent elections. Essentially, people who registered and/or voted in the last two years remain on the checklist automatically. The rest we write to, asking them to re-register with us if they wish to remain on the list. This mailing resulted in a lot of letters returned "moved - address unknown", etc., and only one person actually came to us saying that they wanted to remain on the list. If someone were removed from the list who is still in Bennington, they can always register again on election day through New Hampshire's "Same Day" Registration process.

And the numbers? In the March 13 2001 Election, Bennington had 1021 voters. After the purge, there remained 704 voters on the checklist. Thus where our town election turnout appeared to be only 27 %, it was actually 40%! As of this writing. Bennington has registered 173 Democrats, 286 Republicans, and 250 Undeclared voters.

This year's important election dates are:

TUESDAY MARCH 12, 2002	Town Elections - Fire Department - Polls open 8AM - 7PM
TUESDAY SEPTEMBER 10, 2002	State Primary - Fire Department - Polls open 8AM - 7PM
TUESDAY NOVEMBER 5, 2002	State General Election - Fire Department - Polls open 8AM - 7PM

Copies of the Bennington Checklist are available on request for \$10 in both paper and computer disk forms.

#### REGISTERING TO VOTE

Voters can get on the checklist in four ways:

- 1) Same Day Registration. Register at the polls on the day of the election.
- Register with the Supervisors of the Checklist at one of their scheduled sessions. This year's sessions are:

SATURDAY, MARCH 2 11:00AM to Noon

TUESDAY, JUNE 4 7:00PM to 9:00PM (Last day to change party affiliation before

Primary)

TUESDAY, SEPTEMBER 3 7:00PM to 8:00PM SATURDAY, OCTOBER 26 11:00AM to Noon

- 3) Register with the Town Clerk during regular Town Hall hours.
- 4) If you are out of town, you can get an absentee voter registration form from the Town Clerk (588-2189).

You need to bring an ID to register, showing proof of age -- an ID with your birth date on it, *and* proof of residency -- something with your street address on it -- a bill, a copy of your lease, an ID (such as a drivers' license) with your <u>street address</u> on it.

#### ABSENTEE VOTING

If you will not be in town for any of the elections, or if your work or commuting schedule doesn't allow you to get to the polls in time, please try to vote absentee. Your vote counts! If you plan to vote absentee, please plan ahead. The Town Clerk has all the forms you will need, and she can tell you what the procedures and deadlines are for each election. A separate request must be made for each election. Call the Town Hall at 588-2189 for information.

Again a reminder of how important it is to participate. We have a unique opportunity in a small town to get involved with "hands on" government. And this doesn't just mean getting your hands on the ballot and pencil in the voting booth. Every year, there are boards and volunteer committees looking for people to serve on them. Any registered voter in town can sign up to run for elected positions, big and small, or volunteer to be on a committee. Our interest and attention to town matters strengthens our community. Don't be bashful! This is your democracy.

Respectfully Submitted.

Dawn Bond
Darlene McKenney
Victoria Turner
SUPERVISORS OF THE CHECKLIST

#### SOLID WASTE COMMITTEE

## GOT TRASH?

Our Town Beast, who is the transfer station, eats your trash Every Wednesday, Saturday and Sunday, (Each Week of Every Year.) In fact, our beast ate 738.410 pounds of trash and recyclables combined, not including the organic wastes (leaves, scrap wood and brush). That equates to approximately 369 tons of solid waste in 2001 compared to 342 tons in 2000. Although the tonnage is up, some of the increase can be attributed to the "bulky" waste program (7 tons) that we introduced last year, which we feel provided a wonderful convenience for the taxpayer.

And with the tonnage of wastes at 369 tons it breaks down to an average of 538 pounds of solid waste per year, which is an increase of 7% more trash. Of this number of 369 tons, we had recycled 82.5 tons of cardboard, glass, papers, metals, waste oils, plastics, aluminum, batteries and tires. This works out to 22% of recycled goods were diverted from the waste stream, this is good but we did much better last year with 28%. We need to get our recycling percentages up and our trash levels down, but we need your help. Please recycle all items that the transfer station accepts and try to produce less trash. The following is a breakdown of items recycled this past year:

Cardboard	12,000 lbs (approximately)	Glass	15.000 lbs
Tires	269 each	Metals	62,000 lbs
Waste Oils	480 gallons	Oil Filters	103 each
Plastics	6,820 lbs	Aluminum Cans	3,800 lbs
Newspapers	50,000 lbs (approximately)	Batteries	133 each
Allialina hattaniaa	250 lbs		

This year marked the end of our 5-year contract with Waste Management for the disposal of our trash. When negotiations first started this past fall, pricing did not look good. In fact we only had one interested waste hauler, but with enough persistence we found another interested waste contractor to make the process a competitive one. And when the deal was done the Town of Bennington benefited with only a small increase in unit disposal costs. Special thanks to Bill Reid for his due diligence on that contract. This year also marked the re-introduction of tin can recycling. We had come to an agreement with the Town of Peterborough to accept our tin cans for recycling, which represents another great cooperative effort between the two towns.

This upcoming year, we look forward to another successful Household Hazardous Waste Collection Day, which is tentatively scheduled for the fall.

We extend our gratitude to Lester and Mike for their hard work at the transfer station. Thanks for keeping the place spic-n-span. Special thanks to Dave Blanchard and Donald Parker, who contributed a portion of their time to help at the transfer station.

Help preserve our world and tax dollars: PLEASE RECYCLE and REDUCE WASTE

Respectfully submitted, Philip R. Germain Solid Waste Committee

### BENNINGTON RECREATION COMMITTEE

Recreation is all about having some fun and some relaxation and creating some fond new memories. Those of us who are working hard behind the scenes enjoy making it special for each and everyone of you. You show it in your laughter, your smiles, and your very presence. Looking back this past year we would say that 2001 was our best year ever, backed full of fun stuff to do and lots of good people to share it with.

All of our events that we provide for you require planning and a tremendous amount of time from dedicated volunteers, supporting businesses and town departments. We would like to acknowledge those individuals, businesses and departments for their undoubting support.

WINTER SLEDDING PARTY: Monadnock Paper Mill for the pallets, Mike Zabriski for the pallet labor, Bill Cleary for the Generator and Alan Wilson for the "accelerant", and the BRC gang for the food

GLOW BOWLING: Bowling Acres and the BRC gang for coordinating bowlers.

**EASTER EGG DECORATING:** The BRC gang for boiling the eggs, helping with decorating. The chickens for the eggs (Because we all know bunnics don't lay eggs)

**FISHING DERBY:** Fire Department for the donating fishing prizes, Bruce Edes for getting the fish, and the BRC gang for the coffee and donuts.

BASEBALL: Scott Liljeberg and Dave Parker, the Newhall field committee and all the businesses that support such a wonderful field.

WHITTEMORE BEACH: The lifeguards, the beachgoers who keep the beach looking clean. Dave Blanchard for putting out the raft.

BOSTON TRIP: Leslie MacGregor, Valerie Germain, the BRC gang and the bus company.

OLD HOME DAYS: <u>Pancake Breakfast</u> (CPC & Special Olympics), <u>5K Race</u> (Fitness Resources. Bennington Police, our water people Brian & Carrie, our directional aides and the BRC gang), <u>Parade</u> (Big Puppet volunteers, Clowns by BRC, Race Cars and Antique Cars, Floats by: the Sportsman's Club, the Library. Laidlaw and the Historical society, the Keene American Legion Band, Cliff Sawyer and his oxen, Smokey the Bear and of course all the fire engines), <u>Fun Fair</u> (Dunking Booth by CPC, Hole in One by Special Olympics, Wildlife by Greenville Wildlife Park, Face painting, Ice cream social by the PTO, the Little Red Wagon Road Show, Guitar entertainment by Wendy Keith, food concessions by the Sportsman Club.). <u>Fireman's Muster</u> (by the Bennington Fire Department), <u>Ham & Bean Supper</u> (the Historical Society), <u>Block Party Dance</u> (CPC, Fire Department and C&C Sounds.) and of course the BRC gang and other volunteers Sandy Cleary, Jeff Logan, Judy Heddy, etc..

SOCCER: Valerie Germain, the Antrim Recreation League, Coaches & Managers: Peter Martel, Dennis Green, Jack Daley, Wendy Spack, John Kullgren, Linda Wood.

PUMKIN DECORATING: Tenney Farm, and the BRC gang.

**HAUNTED HOUSE:** Sfa Whittemore and all of her dedicated volunteers (too many to list), and the BRC gang.

CHRISTMAS POT LUCK and CAROLING: The BRC gang, Santa, and the Congregational Church

Of course with so many events and so many people 1 am sure that 1 have overlooked someone, not intentionally. We are truly grateful for all the townspeople have given us in support of FUN.

Respectfully Submitted, Philip R. Germain

### CAPITAL IMPROVEMENT PLANNING COMMITTEE

In addition to the continued build-up for major equipment/repair/replacement items, the Committee wishes to bring voter's attention to four significant developments in 2001:

- 1) In March, through an agreement with the Bridge Division, New Hampshire State Department of Transportation, major maintenance work was completed on the Antrim Road/Route 202 Bridge repair of concrete declamation on all four corners of the bridge arch, sealing of the joints along the pavement and other repairs. The cost. in excess of \$21,000, would have been a major budget bite as a one-year expense: it was paid for out of accumulated Capital Reserve appropriations and a very generous \$5,000 gift from the Monadnock Paper Mills.
- 2) Phase III of the proposed restoration of the Town Hall creation of additional parking space at the west side of the building was charted for the year 2002. In the interest of everyone's tax bill, it has been redrafted as a two-year project, spreading the expense over another twelve months. With voter approval, the work will take place in the summer of 2003.
- 3) At this March meeting, voters will be asked to make a decision on another possible capital reserve appropriation. The Selectmen and Budget Committee are recommending that improvements/replacement of the Town's sidewalks be looked upon as a long-range rather than an immediate project. A special warrant article asks voter support to create a fund for this purpose.
- 4) For the first time since the early 1990's, we face the necessity to fund for revaluation of our property. The Legislature now couches it as "Certification of the Assessment Process", but it's revaluation as we know it, and our deadline date has been fixed at the year 2004. Using guidelines supplied by the State, we've recommended a first-year appropriation of \$15,000. Two additional years of support will be necessary, hopefully in the \$15,000 \$20,000 range. The Legislature's plan is to address assessing on a year-to-year basis. It won't be cheaper, but it will eliminate the need for one-time, 60-70 thousand dollar appropriations every 8-10 years.

The Committee thanks Department Heads and their fellow townspeople for their input and counsel.

We would be happy to get your thoughts on this critical aspect of town management.

Respectfully Submitted,

Joseph MacGregor, Chairman

#### PIERCE SCHOOL

We began the 2000 - 2001 school year with our "Artist in Residence" program with Richard Lee a paper maker from Maine. We learned about the process of making paper. We each made a plain sheet of paper and one that had berries, leaves, and other natural materials layered in the paper. Our sheets of paper were strung together to form a beautiful paper quilt. Our quilt was on display at the Sharon Art Center and is now hanging in the front entrance of the school.

In October, our librarian, Mrs. Tenney invited Bruce McMillan, author of "Days of the Ducklings" and "Nights of the Pufflings" to come and spend the day with us. He showed us how he creates, writes, and illustrates his books. It was fun to learn about puffins and Iceland.

Our big treat was a visit from the crew of the television program Chronicle shown on Channel Five. Chronicle heard that we had scheduled Dudley Laufman. a fiddler, and asked to come and tape a segment for their show. Mrs. McClure's second graders were the stars of the day. The children learned to square dance to the music of a fiddle. While they square danced they were aware of the cameramen video taping them. It was a lot of fun but the highlight was actually seeing themselves on television.

We all enjoyed our annual programs such as the Christmas Program and Buffet. Memorial Day Program, and our end of the year celebration. Our end of the year celebration has so many activities such as bookmaking, kite making, line dancing, and we had puppeter Barbara Damron bring her puppets to life. We were treated to a wonderful cookout with all the goodies!

Our PTO is actively supporting our students. Their fundraisers such as the Crafts Fair. May calendar raffle, and the Open House Bake Sale have allowed the purchase of playground equipment and supported the Fine Arts programs within our school.

Pierce School is a team effort to benefit the children. This team is made up of all of us. not just the staff of Pierce School. We are grateful to the PTO. parents, and the community for their continued support. A special thank you to a few of our senior citizens who drove for our field trips, which was a big help to us.

Respectfully Submitted, Pierce School PTO

## COMMUNITY FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing <u>ALL</u> outside burning. Fire permits are mandatory for any open burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs. Open burning is a privilege, NOT a right. Help us to protect you and our forest resource! Build small brush piles that can be quickly burned and extinguished.

New Hampshire experienced over 940 wildland fires in 2001. Most of the fires were human caused. Due to dry conditions fires spread quickly impacting more than 20 structures. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. **Only You Can Prevent Wildland Fires**. Contact your local Fire Department or the New Hampshire Division of Forests ar.d Lands website at www.nhdfl.com or call 271-2217 for wildland fire safety information.

## TOWN MEETING MINUTES OF BENNINGTON, NEW HAMPSHIRE

## SESSION 1: FEBRUARY 6, 2001 DELIBERATIVE SESSION

## SESSION 2: MARCH 13, 2001 TOWN ELECTION RESULTS

Session 1 of the 2001 Bennington Town Meeting convened on Tuesday, February 6, 2001 at 7:00 p.m. at the Pierce School multi-purpose room in Bennington, New Hampshire. John J. Cronin III, presided over his first Town Meeting as Moderator, having been elected to the position March 14, 2000. The Moderator called the meeting to order at 7:05 p.m.

The first order of business was the recognition of New Hampshire State Representative Ted Leach of District 9. Representative Leach was given the floor and addressed those voters attending the Town Meeting. Representative Leach had come to the Deliberative Session to present the Town of Bennington with a New Hampshire State Flag to be hung during official functions. Representative Leach stated that while at a prior Town function he had noticed that Bennington's State flag had become faded and had lost its original color due to aging. The State Flag he presented to the Town had been flown over the New Hampshire State House on Tuesday, January 30, 2001. The Moderator acknowledged and graciously accepted the new State Flag from Representative Leach for the residents of the Town of Bennington.

To the inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote: You are hereby notified to meet at the Pierce School on Tuesday, the sixth of February, next at seven o'clock in the evening, and then at the Fire Station on Tuesday, the thirteenth day of March, next at eight o'clock in the forenoon, to act upon the following subjects:

Note: The casting of absentee ballots will begin at 1 p.m. The polls will close at 7 p.m.

1. To choose all necessary Town Officers for the year ensuing. The results of the March 13th elections are as follows:

Selectman - James W. Cleary
Treasurer - Joyce L. Miner
Town Clerk - Debra Belcher
Library Trustee (3 yr.) - Michelle A. Hautanen
Library Trustee (2 yr.) - Carrie Whittemore
Fire Chief - Allan D. Wilson
1st Deputy Fire Chief - Mark S. Chase
2nd Deputy Fire Chief - Keith W. Nason
Planning Board (3 yr.) - Frank H. Cordelle & Peter Eppig

Planning Board (2 yr.) - Terry Shields
Planning Board (1 yr.) - Letitia Rice
Zoning Board Member - (3 yr.) - David Beck
Zoning Board Member - (3 yr.) - Peter Martel - write-in
Water & Sewer Commissioner (3 yr.) - Roy J. Johnson
Water & Sewer Commissioner (1 yr.) - Glenn Wilson
Trustee of the Trust Funds - Roy J. Johnson
Cemetery Trustee - Charles E. Zabriskie Sr.
Conval District Budget Committee Member - Peter Hopkins

When the polls opened at 8:00 a.m., the Voter Checklist contained 1021 registered voters. During the March 13th Town Meeting, 6 new voters were added to the checklist. When the polls closed at 7:00 p.m., the Voter Checklist totaled 1027 registered voters. A total of 277 voters cast their ballots during Town Meeting which represents 27% of the voters on the checklist. The actual percentage of voter turnout should be higher due to the fact that many voters on the checklist no longer live in Bennington. The voter checklist is due to be updated in 2001.

The Deliberative Session of the Town Meeting, Session 1, was attended by 30 registered voters.

The Moderator initiated discussion on the following articles.

2. Shall the Town adopt as an amendment to the existing Town of Bennington Zoning Ordinance the amendment proposed by the Planning Board relating to telecommunications facilities? The full text of the amendment can be found posted with the Warrant and within the Town Report.

Note: Peter Eppig, a Planning Board Member addressed the article and discussed the importance of establishing guidelines for future communication towers. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS: THE ARTICLE PASSED YES - 193

NO - 76

3. Shall the Town adopt as an amendment to the existing Town of Bennington Zoning Ordinance the amendment proposed by the Planning Board relating to impact fees? The full text of the amendment can be found posted with the Warrant and within the Town Report.

Note: Peter Eppig addressed the article and informed those present that an amendment has been passed at the state level allowing towns to impose impact fees to developers. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 167

NO - 101

4. Shall the Town adopt as an amendment to the existing Town of Bennington Zoning Ordinance the amendment proposed by the Planning Board relating to minimum acreage and frontage for buildable lots? The full text of the amendment can be found posted with the Warrant and within the Town Report.

Note: Selectman Germain stated the fact that the wording of this article cannot be amended. Peter Eppig addressed the article stating that the Planning Board has discussed a road management proposal and a 200 foot road frontage requirement with the 5 acre minimum lot size. Furthermore Peter Eppig explained that this article will have little impact on small land owners in town and may slow future growth in Bennington. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 129

NO - 140

THE ARTICLE FAILED

5. Shall the Town accept as a public highway, and assume the responsibility for maintenance of "Birch Glen Drive" so-called, beginning at Francestown Road (State Route 47) and terminating at its cul de sac, a distance of approximately three thousand two hundred (3,200) feet as described on the Town of Bennington Planning Board Subdivision Approval Map dated May 8, 1988 (Dufresne-Henry Inc.) and in accordance with such terms as the Board of Selectmen may determine?

Note: Selectman Cleary addressed the article and clarified that the date should be May 5th. He also noted that the road was up to town specifications per the Road Agent and recommended that accepting this road would be a good move for the town. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 165

NO - 109

THE ARTICLE PASSED

6. Shall the Town accept as a public highway and assume the responsibility for the maintenance of a section of "Paradise Drive", so-called, a distance of approximately nine hundred seventy-five (975) feet, beginning at the north boundary of Lot 3-7, all as described in a plan entitled "Subdivision Plan of Land Phase III John and Brenda Paradise, December 11, 1994 revised March 19, 1995"?

Note: Selectman Germain addressed the article stating that this section of Paradise Drive town did meet town specifications. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 172

NO - 102

7. Shall the Town raise and appropriate as an operating budget, not including appropriations by special articles, the amounts set forth on the budget posted with the Warrant, and other appropriations voted separately for the purposes set forth therein, totaling eight hundred ninety-eight thousand three hundred eighteen dollars (\$898,318)? Should this article be defeated, the operating budget shall be eight hundred fifteen thousand five hundred two dollars (\$815,502), exclusive of special articles, which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one Special Meeting, in accordance with RSA 40:13X and XVI, to take up the issue of a revised operating budget only.

**Note:** This warrant article (operating budget) <u>does not include</u> appropriations in any other warrant article. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 165

NO - 101

THE ARTICLE PASSED

8. Shall the Town raise and appropriate the sum of four hundred fifty dollars (\$450) as its share of year 2001 programming for Project LIFT, which provides literacy services and materials to Bennington citizens over 16 years of age?

Note: No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 231

NO - 41

THE ARTICLE PASSED

9. Shall the Town raise and appropriate the sum of five thousand seven hundred dollars (\$5,700) for additional survey, marking and repair work at Evergreen Cemetery?

Note: Selectman Cleary addressed the article stating that this money, if appropriated will enable the Cemetery Trustees to continue the work that has begun on surveying, marking, and repair work at Evergreen Cemetery. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 222

NO - 48

THE ARTICLE PASSED

10. Shall the Town raise and appropriate the sum of seven thousand two hundred seventy two dollars (\$7,272) for purchase of a replacement defibrillator for the Fire Department/Rescue Squad?

Note: Keith Nason addressed the article stating that the Fire Department is requesting the defibrillator to replace a nonservicable one. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 241

NO - 33

11. Shall the Town raise and appropriate the sum of twelve thousand dollars (\$12,000) to continue the work begun in 2000 of shifting West Deering Road's centerline away from the river and in stabilizing the riverbank?

Note: Selectman Cleary addressed the article stating that this is Phase 2 of the project which completes the stabilization of the riverbank. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 216

NO - 57

THE ARTICLE PASSED

12. Shall the Town raise and appropriate the sum of fourteen thousand five-hundred dollars (\$14,500) for the purpose of replacing the sidewalk on the west side of Main Street between Acre Street and School Street and, in addition, emplacement of granite curbing over the same distance, three hundred fifty (350) feet?

Note: Selectman Germain addressed the article and stated that the current sidewalk is deteriorating and it would be beneficial to replace it this year before it becomes unsafe. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 166 NO - 108

THE ARTICLE PASSED

13. Shall the Town raise and appropriate the sum of five thousand nine hundred seventy four dollars (\$5,974) for the purpose of hanging lateral beams connecting the guardrail posts emplaced in 2000 along the river side of Antrim Road?

Note: Selectman Cleary addressed the article and stated that the poles were put in last year and this warrant article will enable the rails to be put in place. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

THE ARTICLE PASSED

YES - 205

NO - 68

14. Shall the Town raise and appropriate the sum of thirteen thousand dollars (\$13,000) to be added to the Bridge Replacement Capital Reserve Fund created by vote of the 2000 Town Meeting - Article 13?

Note: The total cost of replacing the Antrim-Bennington Bridge quoted in last year's Article 13 was in error. The correct amount of funding needed from each community is \$95,000. The Selectmen recommend accumulation of this amount over several years through Capital Reserve Fund appropriations.

Selectman Germain addressed the article and stated to the voters present that the figure last year was incorrect due to the state quote being in error. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 211

NO - 61

THE ARTICLE PASSED

15. Shall the Town raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be added to the Fire Truck Capital Reserve Fund?

Note: Selectman Cleary addressed the article stating that this is the 3rd year in a 15 year cycle. Mark Chase, 1st Deputy Fire Chief, explained to the voters that the fire truck will need to be replaced in 2008. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 232

NO - 39

THE ARTICLE PASSED

16. Shall the Town raise and appropriate the sum of twenty thousand dollars (\$20,000) to be added to the Highway Equipment Capital Reserve Fund and shall the Town designate the Selectmen as agents to expend up to sixty-one thousand dollars (\$61,000) from that fund for purchase of a new backhoe/loader?

Note: Selectman Germain addressed the article stating that the 1989 Cat. has 11 or 12 years of use on it and is starting to have problems. It would be in the best financial interests of the town to trade it in soon before it loses more trade-in value. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 195

NO - 78

17. Shall the Town raise and appropriate the sum of three thousand dollars (\$3,000) to be added to the Rescue Van Capital Reserve Fund?

Note: The current rescue van will need to be replaced in four years. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 230

NO - 43

THE ARTICLE PASSED

**18.** Shall the Town raise and appropriate the sum of twelve thousand five hundred dollars (\$12,500) to be added to the Police Cruiser Capital Reserve Fund?

Note: Selectman Germain addressed the article stating that the estimated cost to replace a cruiser is \$31,000. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 182

NO - 90

THE ARTICLE PASSED

**19.** Shall the Town raise and appropriate the sum of one thousand dollars (\$1,000) to be added to the Mower Capital Reserve Fund?

Note: The town currently has a 1998 John Deer, which eventually needs to be replaced. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 200

NO - 69

THE ARTICLE PASSED

**20.** Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Library Capital Reserve Fund?

Note: This is the eighth year of this capital reserve fund which was initiated to fund future library improvements. Leslie MacGregor, Librarian, addressed the voters stating that this year a lot of maintenance will be required. The casing around the front doors has rotted and needs replacement, there is brick & mortar work that needs to be done as well as the replacement of some wiring. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 217

NO - 55

21. Shall the Town raise and appropriate the sum of three thousand dollars (\$3,000) to be added to the Forest Fire Truck Capital Reserve Fund?

Note: No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 207

NO - 65

22. Shall the Town raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be added to the Highway Truck Capital Reserve Fund?

Note: No amendments were introduced and the article was accepted.

3/13/01 RESULTS:

YES - 198

NO - 72

THE ARTICLE PASSED

23. Shall the Town raise and appropriate the sum of seven thousand dollars (\$7,000) to be added to the Water Department Capital Reserve Fund?

Note: Selectman Cleary addressed the article and stated that this fund is used to replace and maintain pumps, meters, and other miscellaneous equipment. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 180

NO - 89

THE ARTICLE PASSED

**24.** Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Sewer Department Capital Reserve Fund?

Note: Selectman Germain addressed the article and stated that currently there is \$16,500 in this fund and it will cost up to \$35,000 to dredge the second lagoon. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 174

NO - 98

THE ARTICLE PASSED

25. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Bridge Expendable Trust Fund?

Note: Selectman Cleary addressed this article and stated that the monies from this fund are used to maintain the bridges in town. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 190

NO - 80

26. Shall the Town raise and appropriate the sum of thirty thousand dollars (\$30,000) to be added to the Town Building Expendable Trust Fund for the purpose of repainting the exterior of the Town Hall?

Note: Selectman Germain addressed the article and stated that the painting of the exterior of the Town Hall was the second phase of the Town Hall renovation project. In 2000, the slate roof was replaced by asphalt shingles guaranteed for 40 years. A couple of quotes had been obtained last year and the actual cost could end up being higher or lower. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 199

NO - 75

THE ARTICLE PASSED

27. Shall the Town create a Capital Reserve Fund to be known as "Emergency Radios Fund" to meet the anticipated expense of mandated conversion of Town-owned radios from analog to digital and to raise and appropriate the sum of five thousand dollars (\$5,000) to be placed in that fund?

Note: Keith Nason addressed the article stating that both the Bennington Fire and Police Departments need to convert to digital radios and the immediate need is for the Police Department to convert. The Fire Department can do without the upgrade for 6-7 years. No amendments were introduced and the article was accepted as read.

3/13/01 RESULTS:

YES - 186

NO - 83

THE ARTICLE PASSED

The Moderator recognized Harvey Goodwin of the Budget Committee who had requested a progress report from the Street Light Committee. Vicky Turner, the chairperson of the Street Lighting Committee, addressed three main areas of need that were determined by their studies and are as follows:

- 1. In the downtown Bennington area there are intersections where streetlights are needed.
- 2. There appears to be some areas downtown where there are too many lights.
- 3. The Town may want to consider possible zoning regulations for private lighting.

Harvey Goodwin requested that an official report be submitted by the Street Light Committee to the Selectmen and that the Committee should continue to move forward with their study.

There being no other business at hand, the meeting adjourned at 8:30 p.m.

Respectfully submitted, Valeui Terman

Valerie Germain

Deputy Town Clerk

Frank Cordelle

Within the next few weeks, Bennington will lose one of its outstanding volunteer leaders when Frank Cordelle takes his professional photography skills to the West Coast.

A Foundation Member of the Planning Board, Frank was instrumental in writing the Master Plan and the Zoning Ordinance. He represented Bennington's interest as a member of the School Board during some turbulent years. He served as Chairman of the Planning Board from 1989 to 1991; as that Board's Secretary from its inception.

Up front on the Town's ecology, he has been a guiding force in development of Bennington's policies on water resource protection, clean air, open space and excavation/reclamation.

He leaves with Bennington's regret and best wishes.
