Report of Town Historian

Centre Harbor

Incorporated Dec. 7, 1797

It has been a pleasure to meet and correspond with many interesting people, genealogists, historians and others, who had spent vacations here, or whose families had resided in Centre Harbor years ago. An interest in the Town's early history has been expressed by the Youth, who reside here and the students at Belknap College.

Many programs and events are now being launched in preparation for the celebration of the Bicentennial of the American Revolution. An Architectural Guide is under preparation by the New Hampshire Historical Society, and will include 250 to 300 works of architecture covering the entire span of the state's 350 year history with emphasis upon the pre-Civil War era. All information pertaining to the building of the Centre Harbor Congregational Church has been provided and will be included in the publication scheduled to appear in the spring of 1976. Another article of Town interest has been prepared for the Yankee Magazine. The Bicentennial film "A Call to Action" is now being distributed.

The Centre Harbor Board of Selectmen, having an understanding and appreciation of the American Revolution as an important aspect of our heritage, are hopeful that Centre Harbor will be included among the "Bicentennial Communities."

The local Bicentennial Committee consists of the following members: Gladys S. Bickford, Chairman, representing Business Establishments, Everett Heath, Congregational Church, UCC, Minnie Nichols, Women's Club, Henrietta Wyckoff, Fire Department, William Packard, Garnet Hill Grange, Herbert Martin, Nichols Memorial Library Association, Barbara Benoit, Town Planning Board and Hawkins Pond Watershed Association, Priscilla Christopher, Historical Society, Mary Knowles Macgregor, Parks and Playgrounds, Betty Fleetham, Harbor Lights Extension Group, Mary Woodaman, Centre Harbor Branch of Lakes Region Red Cross, Barbara Ulm and the Kanasatka 4-H Club, Martha LeRoy.

Please submit ideas to the committee. Much of the success of the celebration depends upon the themes selected by the planners; according to the tastes and desires of the individual participants and the availability of materials. May 1976 be a year to remember the past, enjoy the present and build for the future.

Gladys S. Bickford

The Memorial Park Cemetery Board

Town of Center Harbor

The Board met five times in 1973. During the year six lots were sold and there was one interment.

Due to the unusual weather conditions, a very damp June and the down-pour of July fourth, it was most difficult to properly maintain the lawn, and therefore, for awhile, the appearance of the Cemetery was not what was desired. It is hoped in the future the grass can be mowed more regularly.

With the help of the surveyor we were able to set the rest of the stone bounds to more clearly mark the lot sections.

Respectfully submitted,

Report of the Center Harbor Fire Department

During 1973 your Fire Department responded to seventy-three calls. These included forty-six fire calls, nine rescue calls, eleven special service calls and the rest miscellaneous. These calls involved approximately 757 man hours. About 270 man hours were also used during the July and December flooding periods. In addition 2,214 hours have been spent in regular meetings, training sessions and practices.

Again this year we have reaped the benefits of membership in the Lakes Region Mutual Fire Aid Association. Effective August 1, 1973, the insurance rate for those properties, over three and less than five miles from a fire station of a member town, received a reduction of approximately 30 percent in insurance premiums. This was the result of the effectiveness of these departments and the efficiency of a Central Dispatch Center.

The Central Dispatch Center is located in the Belknap County Court House in Laconia. It is manned around the clock with trained dispatchers and has a first class communication network. If you have not seen this center, I would encourage you to go in and see it. Unless they are busy with an emergency, they will be glad to explain the operation to you and answer any questions you may have.

We have added several items of new equipment this year. The major item being 1,200 feet of four inch diameter hose. This hose will deliver approximately the same flow of water as four of the 2½" hoses which have been the standard supply lines. Other items include two self contained air packs, a power saw and portable pump. A slide projector, tape recorder and a large movie screen, to be used in our training programs, were provided by memorial gifts received in memory of Charles Leighton and Orrin Bragg. Most of our purchases this year were made through Lakes Region Mutual Fire Aid Central Purchase Committee which has started making group purchases. This allows for larger orders going out for bid and gives us substantial savings.

It is difficult to know what the taxpayers would like to see included in a report. This is a very brief summary of the past year. If you have any questions, at any time, about the operation, activities or policy of the Department, please feel free to ask. It is not a closed or secret organization, but rather a service organization, ready to answer your question or your emergency.

Your Fire Department spends many hours in preparation for your emergency. If you need us, don't hesitate to call. We cannot put back what is already destroyed. However, if called before it is too late, we can do a good job for you.

Respectfully submitted,
Eugene L. Manville, Chief

Report of the Forest Fire Warden and District Chief

Lest We Forget - It Can Happen Here

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72 percent of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

Report of the Planning Board

Town of Centre Harbor

The Planning Board held 22 regular meetings during 1973. Members of the Planning Board also attended numerous other meetings including the monthly meetings of the Lakes Region Planning Commission and the Clean Waters Association.

Two matters of major concern throughout much of 1973 were the development of various solid waste disposal plans and the establishment of guidelines for backland access to shore frontage. Members of the board as well as the selectmen participated in various studies in an effort to find the most viable and economic plan for solid waste disposal when open dump burning is terminated. The board also prepared for public hearings and presentation to the voters an amendment to the Zoning Ordinance regulating the use of shore frontage in conjunction with backland houselot or commercial development.

The continued growth of the number of people who wish to establish either a permanent or second home in the Lakes Region together with the increasing scarcity and high cost of shore frontage combine to make building lots with shore access an increasingly attractive alternative to shorefront property. Recognizing this trend, large developers are already moving into this field, making it imperative for Centre Harbor to concern itself with this matter at this time. Three such developments are already beginning to take shape.

A considerable portion of the meetings was devoted to consideration of subdivision applications. Seven applications were approved, two applications were found unsuitable due to soil and drainage conditions and several applications are in the process of review.

Membership of the Planning Board changed somewhat during the year with the addition of Mrs. John Christopher and Mr. Carroll Hunter to the board. Retiring after many years of faithful and active service on the board were Mrs. Roger Kelly and Mr. Philip Bartlett. Their retirement is sorely felt but the town is fortunate in having very able replacements.

The Planning Board always welcomes suggestions from residents of Centre Harbor and hopes that it will hear from many during the coming year.

Respectfully Submitted,

Carl R. Marshall
Chairman

Town of Centre Harbor
