# TAMWORTH TOWN WARRANT

## 1994 The State of New Hampshire

To the inhabitants of the Town of Tamworth, County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Tamworth Town House in said Tamworth on Tuesday, the eighth of March, next at Ten of the clock in the forenoon, to act upon the following subjects:

**ARTICLE No. 1:** To choose all necessary Town Officers for the year ensuing.

Are you in favor of the adoption of the Building Permit Ordinance for the Town of Tamworth as proposed by the Tamworth Planning Board?

Are you in favor of the adoption of Amendment No. 1 as Proposed by the Planning Board for the Town of Tamworth Floodplain Development Ordinance adopted August 13, 1991, as follows:

**Amendment #1:** Insert the following definition alphabetically in Art. IV: "Recreational vehicle" means a vehicle which is (a) built on a single chassis; (b) 400 square feet or less when measured at the largest horizontal projection; (c) designed to be self propelled or permanently towable by a light duty truck; and (d) designed primarily not for use as a permanent dwelling but as temporary living quarters for recreational, camping, travel or seasonal use.

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town of Tamworth Floodplain Ordinance adopted August 13, 1991, as follows:

**Amendment #2:** Insert the following regulation in Art. V. Subsection 6: Recreational vehicles placed on sites within Zones A, A1-30, AH, and AE shall either (i) be on site for fewer than 180 consecutive days, (ii) be fully licensed and ready for highway use, or (iii) meet all standards of Section 60.3 (b)(1) of the National Flood Insurance Program Regulations and the elevation and anchoring requirements for "manufactured homes" in Paragraph (c)(6) of Section 60.3.

The meeting will be in two parts.

I. In order that the preceding article may be legally voted on by Non-Partisan ballot, you are hereby notified that the polls will be open for this purpose at 10:00 of the clock on said Tuesday, March 8th. Polls shall not close earlier than 7:00 p.m.

**ARTICLE No. 2:** To see what time the polls shall be closed. Following action on Article 2 the meeting will be recessed until 7:00 p.m. on March 9th next at the Kenneth A. Brett School to see what sums of money the Town will vote to raise and appropriate for the following purposes and to transact any other business that may legally come before this meeting.

**ARTICLE No. 61:** To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

**ARTICLE No. 62:** To transact any other business that may legally come before the meeting.

# REPORT OF THE FINANCE COMMITTEE

February 8, 1994

The Finance Committee has met a total of fifteen times from July 6, 1993 to January 25, 1994. Some of the projects we were involved with, requesting bids for fuel oil for all town buildings excluding Brett school but including all fire stations. Also obtained quotes for printing of town report.

In addition worked with administrative assistant to selectman to establish a standard questionnaire for the various agencies requesting funds from the town of Tamworth.

The committee has met with almost all of these agencies, and received answers such as, past and future budgets, overhead expenses, and number of Tamworth residents receiving benefits from these agencies. We have found all agencies to be of great benefit to town.

We would again, thank the selectman for asking us to serve, their help and the help of the selectman's administrative assistant.

Respectfully Submitted  
Art Mason III  
Ron C. Remick  
Bruno M. Siniscalchi

# TAMWORTH BOARD OF ADJUSTMENT TOWN OF TAMWORTH FLOODPLAIN DEVELOPMENT ORDINANCE

## 1994 MEMBERS

Name	Position	Term Expires
Jack Woodward	Chairman	1/97
Ned Beecher	Vice Chairman	1/95
Brendan Money penny	Clerk	1/95
Willie Farnum	Member	1/96
David Hayford	Member	1/97
Peg Huddleston	Alternate	1/95
karl Behr	Alternate	1/95
Randy Hayford	Selectman's Representative	
Sue Palmer	Secretary	

### PURPOSE AND AUTHORITY:

This board was established to deal with any dispute that comes under the authority of the floodplain development ordinance. If a building permit is not approved for a floodplain building, the party that was denied the permit may seek to reverse this through the board of adjustment.

A permit granted may also be brought to the board of adjustment to be rescinded.

The regulations for the board of adjustment and the exact standards for variances are very specific as set by state law. There are reasonable fees for notices. The public is invited and welcome at all meetings.

There are possibly two more persons that could become alternate members of the board. If you are interested, please contact any member of inquire at the Selectmen's Office.

Sincerely,  
Jack Woodward, Chairman

# REPORT OF TAMWORTH FIRE DEPARTMENT

The Tamworth Fire Department had 54 emergency runs in 1993.

0 Dump Fires	4 Structure Fires
7 Chimney Fires	0 Standby in Station
1 Grass Fire	1 Smoke Investigation
2 Brush Fires	2 Power Line Fires
1 Vehicle Fire	0 Wash Downs
4 Mutual Aid Runs	0 Lightning Strikes
2 Electrical Fires	10 Vehicle Accidents
3 Propane Gas Leaks	2 Power Lines Down
0 Carry Outs	13 Others
2 False Alarms	

Members put in over 1,018 hours of training this year. Drills included familiarization with our six new Cairns air packs, drafting, relay pumping, search and rescue, forest fires, portable pumps, chimney fires, size-up and attack, EMT refresher, EMT, basic life support and pumps.

Thanks to the Tamworth Firemen's Club and the Tamworth Foundation, we now have our own air compressor for filling our cascade system on Hose 1 from which we fill our air pack tanks.

Although the number of chimney fires is down slightly, all of us that burn wood need to check our chimneys regularly, sometimes even weekly. It depends on the type of stove, the wood you are burning and how you burn the wood - slow, fast, a few sticks at a time, etc.

As always, we need more members, so if you are interested, contact me or any firefighter.

Please be careful with fire in 1994.

Signed,  
David A. Bowles, Fire Chief

# FOREST FIRE WARDEN REPORT

Total of seven fires

4 illegal fires

Many fire checks

99 permits issued for cooking, campfires, & brush

Another year, hut a new one. As some of you town people know from April 15, 1993, the town was under a new Forest Fire Warden. I want to thank all of you that did make a way to get your permits.

To make it easier, you will also have Jed Pike, Theresa Boewe, and Regina Norcross issuing permits. Many thanks to Charlie Remick for his loyalty and dedication to the Fire Service.

Milton Norcross  
Forest Fire Warden  
323-8833

# TAMWORTH RESCUE SQUAD

## Year End Summary 1993

This past year the Tamworth Rescue Squad completed:

- 7 Fire scenes
- 11 Motor Vehicle Accidents
- 87 Medical Emergencies
- 2 Mutual Aid Calls

This past year the squad's members have risen but we are always looking for new members.

The Tamworth Rescue Squad would like to thank all the people that made their generous donations for the new defib unit. We also wish to thank the Tamworth Foundation for their generous gift.

In case of an emergency, please call **539-2261**. **Remember** to give your name, complete directions, call back phone number, and the type of emergency.

Respectfully submitted  
Michael J. Oktavec  
Captain  
Tamworth Rescue Squad

# TAMWORTH PLANNING BOARD 1993 ANNUAL REPORT

In 1993 the Planning Board conducted twelve regular monthly meetings and nineteen work meetings. At our regular meetings we reviewed four subdivision requests for design review. The Board approved six boundary line adjustments, three Wetlands Ordinance waiver requests for septic, two subdivisions, one scenic road permit, and one gravel pit permit. Presently administrative work continues on five uncompleted projects.

At our work meetings progress was made on our Rules of Procedures which are imminent. Other major projects are outlined below:

## **BUILDING PERMIT ORDINANCE:**

A fair amount of time was spent on preparing the proposed Building Permit Ordinance which the Planning Board feels is very important to the town. The proposed ordinance, which is to be voted on at the 1994 Town Meeting by ballot, provides the town with the necessary tool to be sure present State and local regulations are followed. Secondly, the ordinance will administratively allow the town to keep up with additional evaluations now that a town-wide property tax reevaluation by the State is nearly complete. Together with the newly updated tax map this ordinance will be useful for keeping town records current. This should save taxpayers money.

## **FLOOD PLAIN ORDINANCE AMENDMENT:**

Also to be considered at town meeting by ballot are mandated amendments to our Flood plain Development Ordinance as required by the Federal Government, (FEMA), for inclusion into the National Flood plain Insurance Program, (NFIP). The only change is the addition of the definition of recreational vehicle and what must be done if left in the flood plain for more than 180 consecutive days. These changes should be adopted to stay in compliance with the NFIP.

## **EDUCATION:**

Planning Board members took advantage of some of the lectures, seminars, and workshops that were offered to municipal officers. Among these were the Law Lecture Series sponsored by the New Hampshire Municipal Association and Lakes Region Planning Commission. The lectures are essential for keeping abreast of ever changing law and issues. The State Office of Planning and FEMA offered a workshop on the NFIP which assists municipalities in the administration of the flood plain ordinances.

## **MASTER PLAN:**

Much work by the Master Plan Committee and Lakes Region Planning Commission resulted in near completion of four chapters which should be finished in 1994. The public input on the Community Self-Survey

Questionnaire was greatly appreciated and will be used as a guide for forming future policy. A public hearing will be held before the completed Master Plan work is adopted. Many thanks to all the people who have helped.

Much remains to be done in 1994 as planning for the future is an ongoing process. Anyone wishing to help the Planning Board as an alternate or otherwise should contact any of the members listed below.

The Planning Board extends a thank you to our clerk for a job well done this past year.

Respectfully submitted,  
C. Scott Aspinall, Chairman

Patients using skilled care service	280
Residents using flu clinic and health screening services	460
Number of school children in Dental Program	65

## AGENCY INFORMATION:

Tamworth Community Nurse Association was found to be in proper compliance of all state mandates for operation as a Community Health Agency. This relicensure occurred on 9/29/93 in the inspection conducted by Rod Gagne of the New Hampshire Bureau of Health Facilities Administration. Board policy, operating procedures, patient records, office statistics and documentation were examined to ensure all state regulations and protocol are being met and actively practiced. T.C.N.A. continues to maintain, as well, its licensure under the Clinical Laboratory Improvement Amendment (C.L.I.A.), US Department of Health and Human Services, Public Health Practice Program for testing of blood sugar and urinalysis specimens.

We remain indebted to John C. Patten, M,D for another year of service to T.C.N.A. as our Medical Director. His willingness to donate his time, knowledge and efforts has been greatly appreciated.

As the scope of home health care continues to expand demanding more skilled nursing care (as well as other home health services), and as we attempt to accommodate patients choices for service, T.C.N.A. is pleased to have the services of Heritage Home Health of Meredith available for Tamworth residents. Their dedicated and caring professionals have provided quality physical, occupational, and speech therapy, home health aides, as well as skilled nursing care to "back up" T.C.N.A.. Similar expertise and scope of service has been afforded Tamworth residents from Visiting Nurse Services of Northern Carroll County. Many area adults have come to rely upon the homemakers and health aides from Carroll County Home and Health Care.

Hospice of Northern and Southern Carroll County have also provided valuable assistance for Tamworth residents. The continued cooperation and communication between all involved agencies remains a necessity in developing, orchestrating and evaluating the plan of care which best delivers safety, comfort and quality of living at home.

### **AGENCY FUNCTIONS/PROGRAMS:**

T.C.N.A. continues to be guided by its loyal Board of Directors, who continue to volunteer their time and efforts in keeping the agency viable and functional in meeting the needs of Tamworth residents. Board members not only attend monthly board meetings, but assist with clinics and screenings, wrap gifts at Christmas, drive children to the dentist for our Dental Program, support agency functions and programs and wrestle with fund raising to deal with ever-increasing financial burdens of remaining a nonprofit, noncharging community health agency.

We are blessed to have had Barbara Anderson, R.N. as our associate nurse for the past three years. Her professional skills and friendly smile have brightened many a face, offering comfort and capable assistance to many.

Monthly Blood Pressure screenings continue in the T.C.N.A. office on the last Wednesday of each month from 12-1 PM and on a monthly basis at the Congregate Meal Site as well. Many area residents "drop in" to the office during morning office hours, or schedule appointments to do so, for checking or follow-up of blood pressure readings.

"Skilled" nursing care, offered in the T.C.N.A. office for those able, or in patient's homes, continue to be directed by the patient's physicians. Tamworth residents seek medical care primarily through Memorial, Huggins or Lakes Region General Hospitals. However, some utilize Maine Medical, Dartmouth Hitchcock, Mass. General or Catholic Medical Center, to name a few. T.C.N.A. cooperates with physicians from all of these facilities to deliver the prescribed care for Tamworth residents. Skilled care procedures might include injections, dressing changes, suture removal, monitoring of vital signs and medications, or assessment of health/medical problems.

Assessing the total health care picture and coordinating all services necessary to promote a comfortable, safe and quality of living for patient mandates much time and effort on our part, but is of paramount importance for the well-being of the patient. Education to the patient, family or significant others is another priority area for T.C.N.A.. Home health care is most likely to be effective and successful when the patient and/or family are informed and understanding of their health care needs and management of those needs.

T.C.N.A.'s "free" loaner closet is another active and busy function of the agency. Wheelchairs, walkers, commodes, canes, beds, medical supplies and equipment loaned out, without charge, to Tamworth residents. Thank you to those who have donated items this year.

In April, T.C.N.A. co-sponsored our Annual Adult Health Screening with the Ossipee Valley Lioness. Again this year over \$200.00 of health screenings

done by area volunteer professionals were offered, without charge except for a minimal fee for blood testing. As has become custom, screenings included basic vision, glaucoma, dental, podiatry, hearing, blood pressure, blood glucose, cholesterol, hemoglobin, dentistry, pulmonary function, nutrition, with documents being available for Living Wills and Advance Directives.

In November, T.C.N.A. 'ran out' of service after having administered 350 flu shots.

T.C.N.A. continues to reach into the community to assist, as possible, with health care needs. We have assisted with immunizations at the Kenneth A. Brett School and offered programs regarding first aid, substance abuse and awareness, health maintenance, insurances and financial planning and rehabilitation for various community groups. Both Barbara and myself became certified instructors for 'Challenge Course' this past year. We have also administered the Hepatitis B vaccines to members of the Tamworth Fire and Rescue Squads. We continue to work actively with area clergy, Community Food Pantry staff and in supporting the Dinner Bell. In addition, I have been serving on the Governor's Advisory Board to the Division of Children, Youth and Families.

Dental Program this year continues with Dr. Eric Hirschfeld of Conway providing screenings, cleaning, fillings and sealants to Brett School students in grades K-8. We are appreciative of the Tamworth Foundation's support for this project, which will service over 100 children this year.

T.C.N.A. distributed foods received from the annual Boy Scout collection this fall. We also delivered USDA surplus foods throughout the year to qualifying Tamworth households, as well as holiday food baskets prepared by the Community Food Pantry.

The Community Christmas project this year touched over 150 Tamworth households. Tamworth area churches offered much support and assistance in the preliminary planning of this year's program and we are grateful for their efforts. Contributions from the community provided clothes and gift certificates for children and turkey dinners (prepared by the Community Food Pantry for families, as well as remembrances, baked goodies and fruits for other Tamworth residents.

Attending conferences, seminars, networking programs and other meetings is yet another area of concern and necessity for the agency. Communicating with other agencies, updating skills and knowledge, sharing information and keeping informed are mandatory in Home Health Care today.

June Donovan is synonymous with T.C.N.A.. Her cheerful and comforting voice answers the phone and reassures the caller that she will get the nurse to that home as quickly as possible, or find yet another driver to cover the vacancies in Meals on Wheels program delivering. Whether documenting the statistical data or typing the correspondence or organizing and filing all of the paperwork, June has remained loyal and dedicated to T.C.N.A.

Given prominence that the issue of health care has been receiving, it is certain that the next few years will be exciting and challenging for Home

Health Care Providers. T.C.N.A. remains committed to the priority of promoting quality of life for Tamworth residents through the services and care which we are able to provide. We continue to seek your support and encouragement to continue our efforts.

Respectfully submitted,  
Nancy T. Wiggin, R.N. Director

## FOURTH OF JULY FAMILY DAY 1993

On July 4, 1993, Tamworth celebrated Independence Day with our seventh annual Family Day. A perfect July day weather-wise added to the success of the event that could not be held without the continued assistance of the K.A. Brett School Board and staff, the many local organizations who use the day to raise funds and Tamworth residents that attend, participate and support the event.

The day began with a service at Remick Park where members of the Tamworth Associated Churches remembered the significance of Independence Day. Shortly after, the parade began with many imaginative and colorful floats, scout troops and fire trucks that round out any parade. Grand Marshals, John and Mabel Hidden, led the parade.

Awards were given out for best floats at the end of the parade at the Brett School. Food, fun and games followed throughout the afternoon. Jay Daly's brass band performed for two hours for the enjoyment of many adults. Magician, Bob Riordan, was a big hit with the youngsters.

Evening brought the popular Curioso band to perform for those who enjoy rock and roll and dancing. The grand finale of the day was the fireworks demonstration with over 2000 people watching.

The 1994 Family Day is already being planned. If your group or organization would like to participate in this year's event you can contact me or recreation director, Bill Wroblewski, for more information. Thanks to all the organizations that participated last year and Tamworth residents and guests that make this event a continued success.

Respectfully Submitted,  
Brian Cutter, Chairman

# REPORT OF THE TAMWORTH OUTING CLUB 1993

The high point for 1993 was the improvements to the crosscountry skiing system in Hemenway State Forest. We have widened 6 miles of trails, which are groomed by Hank Letarte with a restored antique SnoCat. These trails all have signs and there is an information booth with maps. Everyone is encouraged to go out and use the trails.

Also new in 1993 was a Christmas tree lighting ceremony, complete with caroling music by the Tamworth Family Band; and a foliage hike up Mts Morgan and Percival, which was held in a spectacular day.

Our traditional activities were all successful. The square dances were held weekly in the summer and approximately monthly for the other three seasons. Attendance and popularity has been consistently high at the dances for a few years. Typically about 90 dancers attend.

173 happy, young skiers enjoyed the junior ski program. They skied 6 afternoons at King Pine, 1 afternoon at Cranmore and a full "Snow Day" at Cranmore. Assisting were about 30 ski volunteers and 30 non-ski volunteers.

Little league had two B teams (coach pitch) and two A teams (fast pitch). The Yellow Tamworth A Team won the league. The Babe Ruth team finished second in both the regular season and playoffs.

Last years heavy snows provided two days of great sled dog racing. One new trail was cut and bulldozed. The addition of prize money from Pinetree Power added to the excitement and interest.

As always, good food was enjoyed at both the Fourth of July chicken barbecue and at the annual meeting on Page Hill in August.

Many thanks go out to all the volunteers who worked hard at all of our events.

Paul King,  
President

Board of Selectman  
Town of Tamworth  
Tamworth, New Hampshire

REF: 1993 Activity Report

Dear Board of Selectman,

Please find enclosed a copy of the 1993 activity report. As you can see, it has been a busy year. We have seen an increase in Juvenile investigations, ie: Delinquent behavior as well as Chins Petition.

I would like to thank the citizens of the Town of Tamworth as well as yourselves, the Town Fathers for your support to the Police Department during 1993. I look forward to serving the community in the upcoming year of 1994.

Respectfully yours,  
Officer Carl Huddleston  
Tamworth Police Department

## COOK MEMORIAL LIBRARY

As the Cook Memorial Library ends 1993, we are pleased to report another busy year, once again circulating over 10,000 volumes. Available for loan are books, videos, audio tapes, magazines, and pamphlets. We also offer newspapers, local histories, and genealogies. Our meeting room is available for use by community organizations.

We welcomed our first children's programmer, offering a weekly storytime for preschoolers. The number of children and parents in the library is at an all time high. More children's materials have circulated than ever. The traditional summer story hour run by volunteers continues to be a welcome addition to the library's schedule of programs open to the public. We also held the first Humanities Series this year, which was sponsored by the N.H. Council on the Humanities.

We have provided more services for our patrons with the use of computers, from searching for information in other databases to placing and confirming our book orders electronically. For the first time this year, we reached out to libraries in other states to borrow materials not available in New Hampshire.

We wish to thank everyone for their assistance in making the year a success. Our loyal volunteers contributed immensely, from shelving books to developing our newsletter — another first for the library.

The library continues to strive to meet the needs of an ever changing community, never an easy task. The library is available to you in providing educational, cultural, recreational and informational services. Your suggestions and comments are always appreciated. I welcome each of you to visit the Cook Memorial Library to take advantage of your valuable resource.

Respectfully submitted,  
Betty J. Parker Librarian

# CHOCORUA PUBLIC LIBRARY

The Chocorua Public Library is one of the oldest chartered public libraries in the State of New Hampshire, being founded in 1888. Today, it has acquired more than 14,500 titles, loans nearly 3,000 pieces of material annually, and logs close to 2,000 visits from residents and taxpayers of Tamworth. Together with the Cook Memorial Library, it forms an Associate Library under the New Hampshire State Library System serving the Town of Tamworth, and allowing each to reap the benefits of such membership.

During the past year, the Chocorua Public Library hosted a well attended and successful Native American Awareness Day, a Halloween Story Hour for Children, a children's video series "Christmas Around the World", and a Community Christmas Party which benefited the Tamworth Community Nurse Association's Christmas Project for the Needy. The library also took first place in the Tamworth Family Day Parade with its float, "Reading is for Everyone Everywhere."

The Chocorua Public Library is supported in part by a bequest from Elizabeth Lane Whittemore which is administered by the Tamworth Foundation. In addition, the library hosts fundraising events, accepts donations, and gratefully receives support from town taxpayers. In the coming year, the board and its librarian will focus on long-range planning and continued cooperation with other area organizations so we can continue to meet the needs of the community we serve.

Respectfully submitted,  
Sharon Malenfant  
Chairman, Board of Trustees

# TAMWORTH CONSERVATION COMMISSION REPORT 1993

**DREDGE AND FILL IN WETLANDS** - Tamworth Conservation Commission (TCC) has worked with the State Wetlands Board to inspect sites of dredge and fill applications; to investigate complaints of violations of dredge and fill laws; and to receive minimum impact applications, with no action needed from TCC unless accuracy of the application is in question.

In 1993 four dredge and fill applications were checked and reports sent to the Wetlands Board. Of these three have been approved by the Board (two with restrictions as suggested by TCC). The fourth have been checked and reported to the Wetlands Board with suggestion as to need for erosion and siltation controls. In one case pictures were taken to send along with the report to the Board.

There have been 12 minimum impact applications for dredge and fill, all satisfactory but one, which was incomplete.

There are still problems with the length of time needed by the Wetlands Board to process applications and there is still discussion as to whether further responsibility be given to local commissions to expedite this process. Again no decision has been reached at state level.

**VIOLATION COMPLAINTS** - TCC has investigated six complaints of violations, cases for which no permit application had been made. Investigations involved site inspection to find the facts, and communications with land owners and the Wetlands Board. The cases were: A new dock on a lake; fill in a wooded wetland; a situation where if work proceeded there would be erosion into a wetland; erosion of bank into a wetland; an investigation which showed no legal violation; and removal of a beaver dam. In this latter case, interpretation of a 1988 law varied as to its application to beaver dams. The Wetlands Board will work to clarify this and report back to TCC. In the meantime TCC asks to be notified in advance of beaver dam removal, so advice can get given as to procedure.

**EASEMENTS**-Work continues on documentation of easements and plans to make and install signs. In some small easement areas where there is little public use, signs are not needed. In the larger areas, landowner consent has been obtained and, after some searching, a good sign maker has been found, so the work can proceed.

One new easement has been given to the Town along Bunker Hill Road, permitting one house to be built provided there is a 450' setback from the road. In another easement area the Town has been asked to provide insurance to cover a bridge TCC built across a small stream, as well as for a trail across the area. In another case considerable time was spent working with a landowner who wanted to protect some land, but an inspection of the site

showed the area to be protected too small to warrant a conservation easement in the opinion of the Selectmen and of TCC.

**TRAILS** - Jackman Pond North trail is usable again. As a result of negotiations with the gravel pit owner in the area TCC has acquired a legal right of way for a trail along the edge of the gravel pit. The trail is now clear and easy to follow all the way from Route 113 to Bunker Hill Road. Some cutting has been done near Jackman Pond South trail to encourage undergrowth as well as open up a view.

Big Pines and Spur trails in Hemenway State Forest have been cleared of undergrowth and new arrows put up where needed to mark the trail, all work done by Commission members.

**EDUCATION** - TCC continues to offer bird walks on Wednesday morning in May. These are led by Commission member Ned Beecher.

TCC made a financial commitment to the program offered by Tin Mountain for weekly sessions with the third grade - so this program could be reinstated. Generous support from many people whom the TCC asked for help showed how worthwhile this program is felt to be.

Scholarship aid was provided for Tin Mt. Conservation Camp- in South Tamworth, and, jointly with Bearcamp Valley Garden Club, for a student at the Conservation Camp of the Society for the Protection of N. H. Forests.

**COOPERATION WITH PLANNING BOARD** - TCC has continued to give input to the Planning Board on waiver requests for activity near wetlands; one member attends all hearings on such requests.

Two TCC members have served, and still serve, on the Planning Board's Master Plan committee. They worked to develop a questionnaire, which all commission members helped to distribute. A draft of Master Plan maps has been made: Master Plan committee members met briefly with TCC to discuss these.

**MEETINGS AND WORKSHOPS** - TCC members have attended several Cooperative Extensions workshops. Two members of the Commission went to the Annual Meeting of N. H. Association of Conservation Commissions at which several worthwhile workshops were offered.

**CONSERVATION ORDINANCES** - TCC has compiled a list of Town ordinances with a brief description of each; copies are available from the Town Clerk. Complete copies of such ordinances can be read at the Town Offices and, for a fee, copies can be made.

**GREAT HILL TOWER** - TCC, which manages the Tower for the Selectmen, has recommended that an article to included in the Town Warrant for \$2500 to repaint all the metal on the Tower, to prevent deterioration from rust.

**MEMBERS** - Mike Johnson was appointed to TCC in May. Mike is

Supervisor of the Central N. H. Region of State Parks and was formerly Director of White Lake. Harold Cook and Peter Cooperdock, whose terms expired in March , 1993, asked not to be reappointed. They have served on TCC for nine and six years respectively and both have contributed much to its work.

There is one vacancy - TCC would be interested in talking with anyone who would like to serve. The commission nominates, the Selectmen appoint. This report indicates the kind of work that is done. View clearing near Jackman Pond is the only activity listed which was paid for. The rest was done by commission members. Call John Mersfelder for further information.

## ANIMAL CONTROL 1993

In 1993 I responded to 230 complaints and traveled 1,457 miles. As usual, most of the complaints involved dogs running at large and being either a threat or a nuisance to people other than their owners. A serious incident involving 2 dogs running at large resulted in death and injury to several sheep confined in their own barn.

This year there were 11 reports of dog bites and one incident of a child being bitten by a beaver. Fortunately rabies was not involved in any of these bite problems but the threat of rabies does continue to be a very serious potential problem in this area. Stray cats and raccoons are considered to be the most likely carriers of this deadly disease and my last year's Animal Control Report is still 100% relevant now. I attended a Rabies Seminar in Concord on April 21 and a lecture at the Memorial Hospital in North Conway on December 10th. The lecture in North Conway was given by Dr. Geoffrey Smith of N.H. Department of Public Health. 4 cases of rabies were reported in N.H. in 1992. "This figure has rocketed to 135 cases this year: 97 raccoons, 28 skunks, 5 bats, 3 woodchucks, 2 cats, 1 pony and 1 rabbit. Rabies is slowly making its way north to Carroll County." His advice to us here is to avoid attracting wild animals to your home. "Don't feed your dogs or cats outdoors; block up all of the holes in your foundation; take dogs and cats inside at night; don't touch any dead animals, avoid contact with all wildlife; teach your children to stay away from wild animals and pets other than your own; and vaccinate your pets. It is mandatory that all dogs and cats be vaccinated."

The one dog here in Tamworth checked for rabies was negative. All animal bites must be reported to your Animal Control Officer. Please do not adopt any stray dog or cat without taking it immediately to your veterinarian for examination and information.

A Rabies Clinic was held on March 27th at the Tamworth Town House. Dr. Tevis Kraft vaccinated 33 dogs and 21 cats. The Town Clerk issued 18 dog licenses. Melissa Woodward helped with the paper work. My thanks to all of them. There will be a Rabies Clinic this spring with notice of the location, the date and the time in the Carroll County Independent and also broadcast on the Conway Radio Station.

Also for your information. Based on an very recent decision made by the Tamworth Selectmen, from now on all Tamworth dogs picked up by me for whatever legal reason must now be taken to Pets for People in Wolfeboro for impounding not to the dog holding facility at my residence. The phone number there is 1-569-4590.

Only one incident this year, required a Court Procedure. I will continue to do my very best for you and your animals and to solve the problems which violate Animal Control laws and your security, freedom and property rights. My very special thanks to the police at Troop E for their great help to me in times of need and also to the Carroll County Sheriff's Office and the Sheriff's Deputies and to the State and Town Highway Crews. Without

their help it would be impossible for me to do the best job possible as your  
Animal Control Officer.

Respectfully submitted,  
Joan Phenix, Animal Control Officer  
Tamworth Police Department

# TAMWORTH RED CROSS WATER SAFETY PROGRAM

In 1993, 160 individuals from 2 to 60 were involved in swimming classes. They were enrolled from the Toddler to adult classes. We also had a class of Basic and Emergency Water Safety. The registration fees were raised this year for the first time in many years. Tamworth residents pay \$5.00 for an individual, \$10.00 for two children and \$12.00 for a family; non-residents pay \$20.00 for an individual and \$30.00 for a family. \$3.00 of each fee goes to the Mt. Washington Valley Red Cross to cover administrative costs.

All staff associated with our program have become recertified in the new Red Cross Swimming procedures. It is a sense of pride to all of us that we are all "products" of the Tamworth Swim Program! We are proud to continue its tradition of helping area children be safe in and around the water.

This year, as in the past several years, the Swim Program is requesting the amount of \$2,800.00 to help defray the cost of the swim program.

The Swim Program would not continue to enjoy such success if it were not for the generosity of the Town of Tamworth and the Tamworth Foundation. The parent volunteers the Benders' of the Tamworth Inn for the use of their pool and White Lake State Park for the use of their facilities all contribute to our success. A heartfelt "Thank You" to all who contribute to the success of our program.

Sincerely,  
Brenda R. Robinson  
Tamworth Red Cross  
Water Safety Program

# REPORT OF THE EDWIN REMICK PARK COMMITTEE

At the last town meeting, Tamworth's new park was named Edwin Remick Park which will commemorate both Dr. Edwin C. Remick and his father, Dr. Edwin Remick. The park was planted this year and granite benches were installed. Prior to his passing away on July 20, 1993, Dr. Remick was able to see and enjoy the realization of his dream for an area in the village where people might find respite and enjoy the peaceful pastoral surroundings.

Activities in the park started soon after planting with an ecumenical service held by Tamworth Associated Churches followed in midsummer by a Tamworth Music Festival concert. In September a Country Crafts Demonstration Day was held there by the Tamworth Historical Society. In the future, groups desiring to hold an event in the park should contact Mrs. Keith Chandler, 323-7032, for scheduling. The name of the park will be installed in 1994.

Without the strong support of the Tamworth community and the Tamworth Foundation, this park would have barely gotten past the planning stage. Key to completion of the park has been the dependable assistance of John Roberts who has donated granite and many, many days of manpower, backhoes, and trucks. Thanks also goes to Alvin J. Coleman & Son, Inc. for donating additional granite for benches and to Chocorua Valley Lumber for the truckloads of bark mulch. Significant donation of labor was provided by Mac Hill Electric and White Mountain Well and Pump to install electricity and the well. Other businesses contributing generously were Spider Web Gardens, UNH Cooperative Extension, NH Electric, Inc., Bruce E. Robinson, Peter C. Hoag & Co. Tree Service, Winnepesaukee Lumber, and Sherman DeWitt who did the actual preparation and planting in the park.

The time, effort, and money donated by park committee members and numerous other people to make this park a reality is greatly appreciated. Sam'l Newsom contributed his skillful expertise as a Japanese landscaper to direct placement of all the granite pieces. Steve Damon donated some small evergreens and the birdhouses. Some people have contributed money toward general park expenses or specific plants, others donated to honor another person. Since the last town report, donors have contributed money toward specific plants to honor the following people:

Robert Phillips

May E. Osgood

Walter E. Johnson

Alice Cleveland

Dr. Edwin C. Remick

Benjamin & Ruth English

Barbara Fogg

Roger S. Dupee

Respectfully submitted,

Joan A. Casarotto, Chairman

## MARRIAGES
