### AUDITORS' CERTIFICATE

We have examined the accounts of the various Town Officers as of December 31, 1972. Our examination was made in accordance with the auditing standards as prescribed by the State Tax Commission, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the statements herein present fairly the results of the operations of the Town Officers for the year 1972.

## PUBLIC HEALTH NURSING COMMITTEE REPORT FOR 1972

Another year has swiftly come to a close. It has been a very busy year for everyone. We are constantly growing under the capable hands of our Public Health Nurse, Mrs. M. Virginia Dolan, R.N. and her assistants, Mrs. Nathalie Leavitt, R.N. and Mrs. Davena DeWolf, R.N. We also have available an Occupational Therapist, Mrs. Joan Decelle and a part-time Physiotherapist, Mrs. Betty Freeman, with a contract with Huggins Hospital when Mrs. Freeman is not available. We also had two part-time nurses for a short time, Mrs. Patricia Titus, R.N. and Mrs. Constance Shepherd, R.N.

The total number of visits during 1972 were 2184, a slight gain over 1971's 2040 visits.

Visits per town:	Wolfeboro	1037
	Alton	283
	Tuftonboro	184
	Wakefield	561
	Brookfield	118
	TOTAL	2184

In September the office of the Public Health Nurse was moved from the Black Building to Huggins Hospital.

Clinics were held monthly in Wakefield. Dr. Gerard G. Bozuwa, M.D. was in charge. They are sponsored by the Public Health Nursing Association in cooperation with the State Department of Health and the School Board of Wakefield. No clinics were held in Wolfeboro this year.

Services cover the Alton, Brookfield, Tuftonboro, Wakefield and Wolfeboro areas. No patient is refused care because of financial stress. Therefore, our drive for funds each year is very important as well as the funds voted for at the Town Meetings, since like everyone, we are feeling the pinch of economy.

The Nursing Committee wishes to thank everyone whose contribution, financial or otherwise, assured the success of our program.

Respectfully submitted,  
BEVERLY A. WILLARD  
Chairman of the Nursing Committee

## REPORT OF THE TUFTONBORO CONSERVATION COMMISSION

During 1972 the commission carried on the programs started in previous years namely right of way research, water testing, supplying Ranger Rick for the 4th grade at the Tuftonboro School and maintaining and improving the park at Nineteen Mile Bay in conjunction with the Parks and Playgrounds Commission and the 4-H. The commission has this year built wood duck nest boxes and is currently placing them in appropriate places around town. If you see the boxes being molested, broken or otherwise needing attention, we would appreciate your contacting one of the commission members.

We were unsuccessful in getting an article into the warrant last year relative to scenic roads. Hopefully, we will have one for your approval this year. Declaring a road a scenic road does not jeopardize state aid for road building but it does allow the planning board to have a say on what trees will be cut and what stone walls moved.

The commission lost the services of Forrest Perkins this year, but he has been replaced by Frances Howe of Melvin Village. Fran brings a great deal of experience in conservation work to the commission and will be a very valuable addition.

The commission has investigated situations and written letters about events that it felt were not in the best interests of the Town but again we remind you that conservation is everyone's business. If there are ideas you wish us to pursue, contact us.

Respectfully submitted,  
THEODORE C. BENSE, Chairman  
CHESTER PRATT

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative state-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the Town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back-up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire; remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

### Number of Fires Reported and Acres Burned—1972 season:

State	410 fires	361 acres burned
District	36 fires	10¼ acres burned
Town	271 fires	0 acres burned

District Chief
