## STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the Town of Campton in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Campton on Tuesday, the fourteenth day of March, next at nine of the clock in the forenoon to act on the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see how much money the Town will vote to raise for the ensuing year for the maintenance of its highways and bridges and make appropriation of the same.

4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate the sum of \$100.00 for Memorial Day.

6. To see if the Town will vote to raise and appropriate the sum of \$236.87 for the White Mountain Region Association.

7. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the maintenance of Blair Cemetery and other cemeteries in Town.

8. To see if the Town will vote to raise and appropriate the sum of \$1,025.00 to reimburse the Campton Village Precinct for hydrant rental.

9. To see if the Town will vote to raise and appropriate the sum of \$100.00 for White Pine Blister Rust Control.

10. To see if the Town will vote to raise and appropriate the sum of \$750.00 for the support of Sceva Speare Memorial Hospital.

11. To see if the Town will vote to raise and appropriate the sum of \$300.00 for Civilian Defense.

12. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for support of the Campton Volunteer Fire Dept.

13. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation therefor. (The sum suggested is \$400.00) (By petition)

14. To see how much money the Town will vote to raise and appropriate for one half the yearly maintenance of the West Campton caution light.

15. To see if the Town will vote to establish an Informal Budget Committee, consisting of one member of the Board of Selectmen, one member of the School Board and one member of the Precinct Commissioners and four members at large to be appointed by the moderator, in the first instance to serve terms of 4, 3, 2, and 1 years — and a new member to be appointed by the moderator each year thereafter to serve a term of 4 years, said committee to assist in an advisory capacity in the preparation of the Town, School, Precinct Budgets and to hold at least one public hearing thereon at least two days before the closing dates of the several warrants. (by petition)

16. To see if the Town will authorize the Selectmen to sell the Livermore Falls Bridge.

17. To see if the Town will authorize the Selectmen to sell the jail building.

18. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the use of the Town Historical Committee's proposed Old Home Day in August of 1961.

Trustees of Trust Funds

During the latter part of 1960, the Trustees met to study and consider possible action on the Campton Trust Funds.

After due consideration, it was decided that the Walter I. Lee Fund did not warrant any changes at this time. This Fund has done very well for the advanced education of the town's children. From an original investment of \$30,977 in 1947, we now realize \$2,791.95 in 1960 dividends. In fact, since this Fund was started, we have received \$25,767 in dividends. Except for minor changes, that should be made at the proper time, the Trustees feel that this is an excellent Fund.

The Cemetery Trust Fund has operated over the years from dividends on bank deposits. The Trustees felt that this type of investment lacked growth of capital for future requirements. After thorough discussion, it was decided to withdraw the money from the bank accounts and purchase Mutual Fund shares.

ALICE B. STICKNEY, Treasurer  
Campton Library Trustees

Campton Public Library has been fortunate in having received a gift from Harry Cheney of nearly 200 books, some of them classics. Mrs. Evelyn Ouellet has given some books this past year.

We are also happy to note in looking over reading lists from the high school and other lists for young adults given out by the N. H. State Library that we are quite well supplied with books which young people of high school age throughout the country enjoy for their required reading.

Among recently purchased books are:

Non-fiction —

Astronomy — King  
 New Worlds Through the Microscope — Disraeli  
 Careers and Opportunities in Chemistry — Pollock  
 All the Best in Hawaii — Clark  
 Alaska — The Big Land — Adams  
 The Hurricane Story — Gallico  
 World of the Arctic — Smith  
 Sailing the Seven Seas — Chase  
 Old Peppersass — Stevens  
 and others

Fiction —  
 The Dean's Watch — Goudge  
 Come With Me Home — Carroll  
 The Mingham Air — Fair  
 Now We Are Enemies — Fleming  
 Trail Begins — Tertz  
 The Nightingale — Turnbull  
 Lovely Ambition — Chase  
 Fiction for Young Readers —  
 We Were There Series  
 Battle of Britain  
 Battle of Lake Erie  
 With Florence Nightingale in the Crimean  
 Horse Tamers — Farley  
 Little Miss Atlas — Lambert  
 Whoa Matilda — Lambert  
 Junior Year Abroad — du Jordin

## REPORT OF PUBLIC HEALTH NURSE

---

The following is a report of activities conducted for the Town of Campton for the year January, 1960 to January, 1961.

There were no clinics held in the Town the past year but arrangements were made and through the cooperation of the schools and school superintendent the school age children were transported to Thornton schools in April for their fourth Salk Vaccine shots.

Home visits have been made in the town on mothers, babies and pre-school age children. Appointments have been made for children to attend Cripple Children's Clinics at Hanover and Laconia and other clinic services as necessary. Follow-up visits have been made on these cases.

The clinic equipment was loaned to the Draper Corporation for the Salk Vaccine clinic held for their employees.

The Tuberculosis and Chest Clinic work is now covered by the N. H. Department of Health Nurse in cooperation with the N. H. Tuberculosis Association. A clinic was held in Plymouth during October and residents of Campton attended. These clinics will be held about three times a year in Plymouth and anyone is welcome to attend. Reports of the clinic findings have been sent to the patients attending.

Respectfully submitted,

LOIS B. REED, R.N.,  
Public Health Nurse,  
N. H. Dept. Health

## PREVENTION IS YOUR BUSINESS

---

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, bulidings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second —by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.

3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.

4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles — make sure they are out — use your ash tray.

5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.

## THE STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the School district in the town of Campton qualified to vote in district affairs:

You are hereby notified to meet at the Community Hall, Beebe River, in said district on the 9th day of March 1961, at 8:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to authorize the design, construction and equipment of an elementary school and to appropriate a sum of money therefor to be raised by borrowing in accordance with the provisions of the Municipal Finance Act, RSA c. 33 or otherwise.

10. If the District votes to construct an elementary school, to see if the District will elect a building committee consisting of five voters of the Campton School District to assist the School Board in the selection of site, the planning and construction of such school.

11. If the District votes to construct an elementary school, to see what sum of money the District will vote to raise and appropriate for the purpose of defraying interest and/or principal to service any indebtedness occasioned by such construction.

12. If the district does not vote to construct an eight classroom central elementary school under Article No. 9, to see if the district will vote to send the 7th and 8th grades to the Plymouth Junior High School System. (Requires majority vote.) (By petition.)

13. If the district does not vote to construct an eight classroom or a six classroom central school under Article No. 9, and votes to send the 7th and 8th grades to Plymouth under Article No. 12, to see if the district will vote to close two of our one-room schools and operate two one-room schools with the Beebe River and Village Schools on a six-grade — one grade per teacher system. (Requires majority vote.) (By petition.)

14. If the district does not vote to construct central elementary schools under Article No. 9 or to send the 7th and 8th grades to Plymouth under Article No. 12, to see if the district will open all the one room schools and operate with the Beebe River and Village Schools on an eight-grade — one grade per teacher basis. (Requires majority vote.) (By petition.)

15. If the district votes against any educational improvement, to see if the district will take advantage of transportation savings by returning to the "neighborhood-school-system," so-called, (adhering to the legal requirement on transportation) and vote to revert to the 4 one-room schools on an 8 grade per teacher basis. (Requires majority vote.) (By petition.)

16. To transact any further business that may legally come before this meeting.

Given under our hands at said Campton this 31st day of January, 1961.

## SCHOOL HEALTH SERVICE

Jan. 1, 1960 — Jan. 1, 1961

---

Health appraisal is the process of determining the total health status of a child, through such means as health histories, teachers' and nurses' observations. Also screening tests and psychological examinations.

Vision and hearing screening tests were done and notices sent home of any defects found. Routine height and weights were done. Frequent inspections were made throughout the year on each child.

Notices sent home or home visits made when necessary.

First Aid supplies were checked and replenished as needed, also First Aid given if needed, when nurse was in the school.

Arrangements were made for clinics.

Fourth polio inoculations were given to 180.

T. B. Patch tests were done in all Campton Schools, and x-rays at clinic arranged if necessary.

One day spent in Hanover for psychological tests.

Fifteen home visits made — besides many telephone visits.

Defects found in vision — 32; corrected with glasses 29. Hearing defects — 6, under treatment 4.

Respectfully submitted,  
HELEN H. FISHER, R.N.

## SUPERINTENDENT'S REPORT

---

Hereby submitted is my annual report as your Superintendent of Schools.

Another year has come and gone in the Campton schools with few changes. Beginning in September, the school board felt, and I agreed, that for this year at least, the needs of the Campton school children could best be met by changing staff members in some schools and re-opening Center School instead of Branch. This program was implemented and I believe has worked out to the advantage of all.

We were fortunate this year in having to replace only one teacher within the district. Mr. Radcliffe resigned and Paul Twombly, a 1960 graduate of Plymouth Teachers College in the elementary curriculum, was employed to replace him. Mr. Twombly seems to be doing a good job. He is very conscientious and from reports I have received, is well liked by students and parents. Mrs. Wilson and Mrs. Fisher returned as school music supervisor and nurse respectively.

Our testing program of Metropolitan readiness tests, administered to each first grader in September, the twice a year program of achievement tests and mental ability tests every other year has not changed. I expect to add to this program an aptitude test for 8th graders this year which should be of assistance in making better high school placements.

I was sorry to hear that the six-room school proposal that was voted on at the recent special school district meeting was defeated but I am hopeful that another plan will be presented at this year's annual school district meeting which may be more acceptable.

I have been criticized indirectly during the past year because some of the primary rooms did not seem to have enough reference materials. This has been brought about largely because of the fact that I did not think it was economical to have so many duplications of materials for the number of pupils involved. If we continue to be without a central school and you would like me to build up what I consider adequate reference libraries in each of the schools, I would be pleased to do so if the money were made available. However, it would seem to be hard to justify, for example, the purchase of four modern sets of encyclopedias at approximately \$125.00 each for about eighty children.

There has been a great deal of talk concerning the type of facility that is needed to properly educate a child. One cannot certainly argue the point that fancy surroundings are not the most important aspect to education. Few educators would deny the fact that the teacher is the key to the whole situation and as I have mentioned previously, therein lies our future problem. We have been very fortunate during the past years in being able to obtain teachers with much experience who, in spite of the facilities, have been willing to teach in our schools. With some of them approaching retirement age, and with the teacher shortage which is expected to continue during the ensuing years, it is going to be most difficult to replace personnel who leave us with anyone who is nearly as good. In this shortage of teachers, districts will have to vie for their services in offerings they can make to the teachers not only in salaries but in modern up-to-date facilities where the number of grades in a room is kept to a minimum. This factor is one that I think may have been overlooked in your situation. If we desire the educational opportunities for the Campton children to continue at a high level, I am quite sure something in the way of facilities must be done to attract and keep good teachers in town. During the past several years there has not been a single graduate to my knowledge

from Plymouth Teachers College who would willingly accept a multiple grade room unless for one reason or another they desired to temporarily stay in this area. The new teachers we get stay with us only for a period of one or two years while they gain experience and then move on. I am hopeful that favorable consideration for some sort of a central school will be given at the coming annual school district meeting.

I have enjoyed the cooperation of the school board and staff during the past year and wish you to know that I am willing to help you in any way I can in matters of education.

Respectfully submitted,

M. WAYNE BOWIE,

Superintendent of Schools

## EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The

Superintendent of Supervisory Union No. 48 during 1959-60 received a salary of \$7,750 which was made up as follows: \$3,500 paid from the per capita tax and \$4,250 prorated among the several school districts. Allowance of \$1,100 for travel within the union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 789.65	\$ 204.38
Dorchester	29.33	7.59
Plymouth	1,611.17	417.01
Rumney	623.47	161.37
Thornton	396.95	102.74
Wentworth	192.95	49.94
Woodstock	606.48	156.97
	<hr/>	<hr/>
	\$ 4,250.00	\$ 1,100.00

Superintendent's salary for 1959-60 based on the above figure is reconciled as follows: \$3,500 paid from State per capita tax plus \$4,250 paid by various districts, equals \$7,750 superintendent's basic salary.

## THE MUSIC PROGRAM IN CAMPTON

---

Classroom activities in the lower grades have included rote songs, simple reading songs, rhythmic movements, use of rhythm instruments and listening. Upper grades have sung unison and part songs, learned folk and square dances, and used rhythm instruments for accompaniment of songs. Listening to recorded music of many periods and composers has also been an important part of our music program.

During the past year we have purchased several rhythm instruments and an autoharp, all of which should be available to all grades.

Because of the necessity of teaching four grades at one time, there can be no meaningful progression of music activities and skills. Opportunities for correlating music with other classroom subject areas are many times lost because of insufficient time, thereby depriving children of a more **meaningful** learning experience.
