WARRANT FOR THE ANNUAL TOWN MEETING

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Canterbury in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Canterbury on Tuesday, eleventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

Meet at seven of the clock in the evening to act on the rest of the articles in the warrant.

2. To see if the Town will vote to trade the Adams Grader for an Austin-Western grader.

3. To see if the Town will authorize the Selectmen to use the \$5,000 of insurance money received in settlement of the claim on the Walters Sno Fighter and the \$1,000 of capital reserve for new equipment established at last town meeting toward payment for the Austin-Western grader.

4. To see if the Town will vote to raise and appropriate \$1000 toward the cost of the Austin-Western grader and authorize the Selectmen to issue notes in the name of the Town for \$7,000 to finance purchase of same.

5. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

6. To see if the Town will vote to give the selectmen authority to borrow money in anticipation of taxes.

7. To see if the Town will authorize the board of selectmen to sell, lease or otherwise transfer, at public sale, real property acquired by the Town by tax collector's deed.

8. To see if the Town will vote to raise and appropriate a sum of \$400 for Blister Rust Control in Canterbury for 1958.

9. To see if the Town will vote to put an addition on the Town Garage to be paid for out of income of the Sam Lake Trust Fund.

10. To see if the Town will vote to raise and appropriate the sum of \$100 for general expenses of the Town Planning Board.

11. To see if the Town will vote to approve the construction of an addition to the Fire House when and as funds are available from sources other than tax revenue.

12. To see if the Town will vote to approve the transfer of those subscribers of the New England Telephone and Telegraph Service situated in the Town of Canterbury who now come within the Belmont Exchange, to the Canterbury Exchange, in so far as it is compatible with the majority of the subscribers who would be affected by such transfer.

13. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and fifty-eight.

ROBERT E. DUDLEY,
CARL A. THUNBERG,
ARTHUR G. BROWN,

Selectmen of Canterbury

A true copy of Warrant—Attest:

ROBERT E. DUDLEY,
CARL A. THUNBERG,
ARTHUR G. BROWN,

Selectmen of Canterbury

CLERK'S REPORT OF THE ANNUAL TOWN
MEETING OF MARCH 12, 1957

The meeting was called to order by the moderator, Carl A. Thunberg, at ten o'clock in the forenoon. The notice of the posting of the warrant was read, also of the budget. It was voted to keep the polls open until seven thirty P. M. and to take up action on the budget and articles of the warrant at seven o'clock P. M.

The meeting worked under article one, namely election of officers until seven thirty P. M. with the following results. Officers elected as follows:

Selectmen for three years	Arthur G. Brown
Town Clerk	Sabin N. Guertin
Treasurer	Richard A. Dickson
Tax Collector	John C. Malcolm
Road Agent	Philip K. Stone
Auditors	Austin R. Turner and Charles Smith
Library Trustee three years	Sabin N. Guertin
Trustee of Trust Funds, three years	Catherine A. Dickson

The next order of business was the budget. It was voted to take the items one at a time and then accept the budget as a whole as amended. The only item amended was an additional \$100 for the Town Dump. The budget as accepted totaled \$25,607.70.

Next in order came the articles of the Warrant.

Article II To raise such sums of money as may be necessary to defray the expenses for the ensuing year.

Article III To give the Selectmen authority to borrow money in anticipation of taxes. Accepted.

- Article IV Authorizing the Selectmen to sell, lease, or otherwise transfer at public sale, property acquired by the town by tax collector's deed. Accepted.
- Article V Voted to raise \$400.00 for Blister Rust Control.
- Article VI To see if the Town will authorize the Selectmen to deed whatever interest and title the town may possess in the land on which the Uplands School is built to the Canterbury School District, in order to permit the School District to sell the land and building as a unit, rather than selling the building alone for removal or demolition. Accepted as read.
- Article VII To see if the Town will raise and appropriate \$1000 to be placed in a Capital Reserve Fund for the purchase of new highway equipment. Accepted.
- Article VIII Resolutions as adopted:
 WHEREAS, ready access from Canterbury to Penacook and Boscawen is essential to the development of the Town of Canterbury, and
 WHEREAS, if the roads to Penacook and Boscawen are closed by the new highway the Town of Canterbury cannot provide adequate fire protection to properties west of the highway and the expense of transporting school children living west of the highway would be prohibitive, and
 WHEREAS, the Boscawen - Canterbury bridge has a six ton load limit, heavy material cannot be transported to farmers and other property owners located west of the proposed highway if these roads are closed,

now

BE IT RESOLVED, the Town of Canterbury protests any action by the State of New Hampshire to construct a highway that will make inaccessible a substantial portion of the Town unless overpasses or underpasses are constructed on the Penacook Road giving access to Boscawen, and

BE IT FURTHER RESOLVED, that the Selectmen of the Town of Canterbury are instructed to bring this resolution to the attention of the State authorities and to take any other action necessary to prevent damage to the residents of Canterbury and the development of the Town.

Article IX To have a suggested time for closing of the polls as an article in the Warrant.

The Warrant action raised the appropriations \$1400.00, making a total appropriation of \$27,007.70.

At this time the result of the balloting was announced as recorded —

Names on Checklist	351
Total Number of Votes Cast	87

Meeting adjourned at eight thirty P. M.

A true copy of the meeting as recorded by me,

SABIN N. GUERTIN
Clerk of Canterbury

BUDGET OF THE TOWN OF CANTERBURY

Estimates of revenues and expenditures for the ensuing year, January 1, 1958 to December 31, 1958 inclusive, compared with actual revenues and expenditures of the previous year 1957.

YOUR TOWN BUSINESS

Canterbury as a financial enterprise among other things came through 1957 with a balanced budget which as usual took some "managing". Each year some one or another of our Highway items is overspent, depending upon a bad winter, unexpected repairs, bridges failing or some other event which has to be met whether or not that item of the budget has a balance. This is how and why we forever transfer funds back and forth between Summer Maintenance, Winter Maintenance, Bridges and Culverts and General Highway Expense. We want to establish one budget item for Highway Expense in 1958 and hope you will approve this method of administration. You will get the details of expenditures in the Town Report as always but we feel it will make more sense to you if we work with one budget item, "Highway Expenses" rather than several items for specific purposes which we cannot control anyway except in an over-all sense.

Canterbury is growing faster than any town in Merrimack County, 18% since 1950. Our growth is largely in people who commute to and from work and their children whom we daily transport to school. Our new school, our community plans for protection of large investments in homes, our beauty as a rural community all help to attract people to Canterbury but holding them here will depend on many things, the most fundamental of which is the ability to travel over our roads in safety every day of the year.

We have a long program of highway improvement ahead of us and each year we make a little progress in building road. Each year we must ask you to appropriate somewhat more than enough to just maintain our roads for that alone is not enough. We have to plan on re-building and improving our roads every year, it has become our biggest single problem. . An immediate decision facing you concerns the Aus-

tin-Western grader now in town on a lease-purchase agreement. When the Walters Sno-Fighter burned, we either had to replace it or find another way to move snow. Our investigation of this problem convinced us we should plow snow and build roads with one machine. This is why we are asking you to trade the Adams tandem drive grader for the Austin-Western four-wheel drive grader. This gives us one expensive piece of highway equipment instead of two to maintain and to insure and at least confines the tremendous costs of depreciation. We can finance this new grader exactly as we were financing the Adams grader without adversely affecting your tax rate. We need your approval at Town Meeting to conclude the new grader purchase agreement and we have confidence you will vote this approval.

Your town as a business is as affected as you are by the inflated costs of the goods and services we buy. Altogether too much of the load falls on property taxes with no protection whatever against an increasing burden. As alert and responsive citizens we must concern ourselves over the continuing failure of our Legislature to recognize the realities of the danger facing the property owners of our small towns. Until the State allows us to share in some tax income other than our own property taxes, this situation will continue. In the meantime Canterbury is a good place in which to live and for whatever comfort the fact may be it is no more expensive to live here than in any other New Hampshire town.

ELKINS PUBLIC LIBRARY
Trustees' Report

A public library has two main functions to fulfill—it must provide materials and it must provide services.

This past year Elkins Public Library has added many books. Generous gifts of new adult fiction have added much interest to the new book section. Non-fiction "best sellers" and reference books continue to be popular. New magazines of current interest have been added. Most purchases have been made for the children and young adults. The library maintains a program of supplementary library service with the State Library. Regular visits of the Bookmobile refresh the book shelves. Books are also borrowed in answer to special requests and to supplement school work. A gift book in memory of Asenath Shattuck is deeply appreciated. Gift books as memorials are lasting tributes.

Library days for the school were made possible with volunteer help and it is hoped that this service can expand. The library stands ready to assist civic and educational organizations. The services of both the local library and the State agency can help in organizing projects and club programs. Specialized information, collections of books and aid in study and research are all available. Beyond the world of books but of equal importance is the building itself. It offers a very pleasant meeting place. Light a fire in the fireplace, draw up the chairs, plug in the coffee pot and enjoy it. There are fifteen chairs and several tables, ashtrays, good lighting, automatic oil heat and a chemical toilet.

Repairs have been made to the cement steps and porch base. A neglected well in the shrubbery has been securely covered. The chemical toilet was replaced with a new one.

A new addition is a magazine rack for a better display and storage of magazines. Shelves have been put in the basement for the storage of non-circulating books.

Beginning in February, Canterbury will be participating in a state-wide plan for expanding and improving rural library services. The program itself has been made possible because of federal aid to libraries and is being developed by a Concord Public Relations Organization. The Trustees are enthusiastic that this help will focus more interest in our library so that in turn the community will benefit. It promises to be an active year. Your help, support and suggestions will be greatly appreciated.

FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem — 97% of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and State funds.

To meet the challenge successfully, the State, your community and your local forest fire warden need YOUR thoughtful and cooperative effort — the rules are simple.

1. Don't burn at home — use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

3. Be sure that all lighted material — cigars, cigarettes and matches are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.
5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER — the fire you prevent might be the one which could burn YOUR property.

REMEMBER — FOREST FIRE PREVENTION is EVERYBODY'S BUSINESS and our MOST IMPORTANT UNDERTAKING.

1957 Forest Fire Record For Canterbury

Number of fires 2 Acreage burned 8 1/10
Number of Permits issued 89

THOMAS J. KING, *District Fire Chief*

COLIN HEATH, *Forest Fire Warden*

REPORT OF THE CHIEF OF THE CANTERBURY
VOLUNTEER FIRE DEPARTMENT FOR THE
YEAR OF 1957

Again it is gratifying to call your attention to another exceptional year from the standpoint of fires in Canterbury. The department was called out 15 times during the year, including one false alarm. We experienced 4 chimney fires, 7 brush fires, 2 out-of-town calls, and one fire in a manure pile against a barn.

The property damage was for the most part very small in each case except the two out-of-town calls, the Corn Hill fire in Boscawen, and the Wescott fire in Concord. Fortunately, we did not have to call upon our neighbors to help us out this year.

With the help of the Canterbury Civil Defense organization we have been fortunate in obtaining on a 50% government aid basis, some much needed and useful equipment. One unit is a 1½ horsepower siren for the fire house. This equipment is in the process of being installed at this writing. We hope to have it in operation before town meeting. In addition, we obtained on the same basis, three walkie-talkie radios which work in conjunction with our present two-way radio equipment. Our share of the cost of these radios was borne by the Canterbury Women's Auxiliary of the Fire Department for one of them, by the members of the Fire Department for the second, and by Alexander Standish for the third. Also a new portable pump was obtained partly from new equipment funds and the kindness of Mr. George Dickson. This pump is now part of the equipment on our combination truck.

Gradually, our eight year program is each year building our equipment up to the level we have pledged ourselves to reach. Thanks to you people of Canterbury, friends of the department, hard work on the part of the men of the

fire department and the women of the auxiliary, we have fire protection for our people at a level of which I am immensely proud. We have completed another year of safe living in Canterbury.

RALPH W. KEELER, *Chief*
Canterbury Volunteer Fire Dept., Inc.

CIVIL DEFENSE

We have tried to keep our Civil Defense Organization active enough so that if we had to we could probably pull together a reasonable organization rather quickly. How well we would know what to do is a debatable point but we are counting on common sense.

If we can understand the problem we may have to face, we can organize to protect ourselves and our property.

CHARLES SMITH, *Civil Defense Director*

REPORT OF TOWN AUDITORS

We have examined the records of Town Treasurer, Town Clerk, Tax Collector, Trustees of Trust Funds, Road Agent, Elkins Public Library, Canterbury Volunteer Fire Department and the Selectmen for the year ended December 31, 1957 and have found their accounts correctly cast and properly vouched.

AUSTIN R. TURNER,
CHARLES H. SMITH,

Town Auditors

Regular Meeting, School Board, Second Monday of the Month

7:30 P. M.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Canterbury qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eighth day of March 1958, at six o'clock in the afternoon, with the moderator opening the meeting, declaring the polls open for voting from six o'clock to nine o'clock for school district officials and declaring the business section of the meeting at seven-thirty o'clock for action on articles 5-11 inclusive.

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the foundation aid fund together with other income; the school board to certify to the

selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the school district will adopt as its school check-list the Town check-list, as provided in RSA 197:12a, as inserted by Laws of 1957, chapter 57; this provision to be effective for the 1959 and subsequent annual district meetings.

10. To see if the district will vote to authorize the school board to make contracts for transportation, said contracts not to exceed five years.

11. To transact any other business which may legally come before this meeting.

Given under our hands at said Canterbury this twenty-ninth day of January 1958.

20,000.00 Alexander Standish	3½%	Feb. 15, 1977-Feb. 15, 1986

School Year	Annual Principal Payment	Annual Interest Payment	Total Annual Payment
1957	\$2000	\$1775	\$3775
1958	\$3000	\$1715	\$4715
1959	\$3000	\$1630	\$4630
1960	\$3000	\$1545	\$4545
1961	\$3000	\$1460	\$4460
1962	\$3000	\$1375	\$4375
1963	\$3000	\$1290	\$4290
1964	\$3000	\$1205	\$4205
1965	\$3000	\$1120	\$4120
1966	\$3000	\$1035	\$4035
1967	\$3000	\$ 950	\$3950
1968	\$3000	\$ 855	\$3855
1969	\$3000	\$ 760	\$3760
1970	\$3000	\$ 665	\$3665
1971	\$3000	\$ 570	\$3570
1972	\$3000	\$ 475	\$3475
1973	\$3000	\$ 380	\$3380
1974	\$3000	\$ 285	\$3285
1975	\$3000	\$ 190	\$3190
1976	\$3000	\$ 95	\$3095

After the 1956-57 year, principal payments are \$2000.00 per year. However, the amounts shown on this schedule are shown as \$3000.00 because the contributions of Mr. and Mrs. Alexander Standish are made by giving "this District one bond (years 1977-1896) or \$1000.00 in cash or securities with a market value of \$1000.00" each year. In effect this retires their \$20,000.00 in bonds by 1976. By like token, the District will retire one bond in the 1956-57 year, and the Standishes will give the District a bond, so that the principal pyament is indicated as \$2000.00. Notes or Bonds fall due Feb. 15th of each year.

CANTERBURY SCHOOL DEDICATION

We dedicate this building to those who go forth from its doors into the life of the nation that they may be imbued with the knowledge that they have become a vital part of their community, and with the feeling that their work here has been a forward step in their preparation for the years before them.

To this end, may the blessing of God be upon parents, students, and teachers, and upon every person whose influence will in any way affect the work of education as it shall be conducted within these walls.

SUNDAY, AUGUST 18, 1957

2 P. M.

Canterbury, New Hampshire

FROM THE DESK OF THE PRESIDENT

The White House

Washington

January 24, 1957

Dear Mr. Standish:

The splendid story of the Canterbury Elementary School has been brought to my attention. It is encouraging to learn of this demonstration of community spirit.

Please give my congratulations to the citizens of Canterbury. Their hard work and sacrifice will result in more than a fine school. Their example will stimulate a keener sense of responsibility among the younger generation, and their accomplishment will become known in communities throughout the Nation.

As our need of increased educational facilities reaches critical proportions, it is gratifying to see citizens rising to meet the challenge on a local level. This is in the best American tradition of self-reliance.

Sincerely,
(Signed) Dwight D. Eisenhower.

The Canterbury School Board wishes to express its sincere appreciation to all individuals and organizations who have helped in any way in the planning, development, and construction of our new school. We have tried to include all names of those who have helped on this project. May we express our regrets if, inadvertently, names have been omitted.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board, Parents and Voters:
CANTERBURY SCHOOL PROGRESS:

A Canterbury former resident returning after several years to the annual Old Home Day in 1957 and attending the new Central School Dedication must have been astonished and proud of his community, whose people have astonished the state and nation with their pride in American youth that led to the abandonment of five old outmoded district schools with poor educational, physical, cultural, and social features and the construction, with personal sacrifices and labor, of a modern new school with water, lights, playground equipment, rest rooms, and supplies. It is said that "the local school portrays what the people in a community think of education." Canterbury stands as a monument to the challenge of the future, by the way the people have united to give the children a school that will provide the same opportunity given in other communities.

The new school will give a continuity in education which was impossible in the old schools. It is now one school instead of five scattered schools which for the most part did not even use the same standard textbooks. The teachers are meeting their problems with a spirit of cooperation and excellent morale. The School Board is establishing policies for the good of all the children. Policy-making is the chief work of a Board, with the teachers being responsible for the teaching and administration, and the duties of placing Board policies into effect.

The town can gradually complete the undertaking with the gradual replacement of old furniture with modern seating, the physical work required to provide six classrooms instead of five, additional library and reference materials to

add to the excellent library given by the Junior Red Cross, science books and education for the eight grades, storage for school buses, and the completion of the playground. The town library is strategically located to work closely with the school. A good school lunch program will be developed as equipment and funds become available.

STATE AID:

Th town of Canterbury receives general state aid and building aid. It is hoped that the next legislature will triple the present state aid to relieve general property taxation.

Canterbury is giving its children the best education possible without an unfair burden in one taxable year. The salaries for teachers have been gradually increased and should be increased to remain at the state average. The average salary in Canterbury for the 1957-58 school year is \$3,230 against the state average of \$3,723 for elementary teachers this year.

Tuition Rates for the 1958-59 school year are as follows:

Concord High School	\$375
Penacook High School	350
Belmont High School	330
Tilton-Northfield High School	340
Franklin High School	345

SCHOOL CALENDAR 1958-59 SCHOOL YEAR SUPERVISORY UNION #59

APPRECIATION :

May I express my deep appreciation for the cooperation of Mrs. Lucille Keeler, Mr. Walter Comee and Mr. George Grace in all the problems of the Canterbury Schools. Canterbury should always be grateful for their efforts to bring the advantages of a consolidated school to the children, and their devotion to the many problems of constructing a school.

The two new School Board members, Mr. Thomas Rudkin and Mr. Richard Stevens, have quickly become cognizant of the school problems and are spending long hours of work in the completion of the school, and consideration of school problems. Mrs. Lucille Keeler deserves special commendation for her work in making a new school possible and her long hours at the school until the main construction was done.

Canterbury is fortunate that it had five public-spirited citizens to serve as Board members through the planning and construction of this fine building.

May I express my admiration and thanks to the long list of people who have contributed to this new school in gifts and work. The School Board, the Building Committee and all the citizens who helped in any way will always be remembered in the educational history of this progressive community.

I wish to thank the Parent-Teacher Association for its work in making the school possible and in its steady annual effort to advance the Canterbury School. May I thank the Principal and teachers for their cooperation and assistance. Education certainly advanced after Mr. and Mrs. Joseph

Maier started the momentum with a gift of a beautiful school site and playground.

We shall always remember Canterbury as the town that did not wait for the federal aid that may never come, but advanced by its own means to start a new epoch for its children.

Cordially yours,

Superintendent of Schools

GORDON L. FOX
