We have had several serious fires this year.

By the aid of federal money several forest fire water holes have been added.

Due to the fact that the old motor vehicle was not worth repairing we added the following equipment: One Ford truck with a power take off with a Waterus pump 300 gallons per minute; and a 200 gallon booster tank.

ELLIOT INSTITUTE

Your trustees have, during the past year, had three entertainments. The Boston Orchestral Players again came to us and drew many people from out of town and the concert was as usual of the highest order.

A. C. Shelton gave a lecture illustrated by the new natural color photography which was most interesting and we have had many requests to have him return.

The attendance at the entertainments is not what it should be. We some times wonder if the very small admission charge which is fixed by the deed of trust is the cause of this in part.

Respectfully submitted,
CHRISTIAN GROEZINGER,
FRANCIS R. PARKER,
WALTER R. PORTER,
Trustees.

THE REPORT OF THE FITZWILLIAM DISTRICT NURSING ASSOCIATION

From January 31st, 1934 to January 31st, 1935

Total visits to homes, 2,079. The visits are divided into the following: Obstetric cases, 33; Antepartum, 14; Postpartum care, 64; new born babies, 65; other nursing visits, 281; infant welfare, 136; pre-school, 318; school children, 415; adult 324; schools, 149; social service, 290.

There were 138 children enrolled on the school census at the time of the annual physical examination in the autumn of 1934 given by Dr. Emerson, assisted by the District Nurse. The defects found among the children include the following: Enlarged tonsils, 30; adenoids, 30; enlarged glands, 2; heart defects, 3; defective teeth, 38; defective vision, 11 asthma, 1; thyroid, 1; poor posture, 8. All have been vaccinated. The following corrections have been made: Tonsillectomy, 30; removal of adenoids, 30; defective vision, corrected by glasses, 8; children receiving dental attention, 15; children excluded from school, pediculosis, 8; measles, 8; chickenpox, 5; skin diseases, 3; scarlet fever, 5; whooping cough, 4; children found to be 10% underweight in September, 30. corrected, 19.

Beginning the first of December, 1934, $\frac{1}{2}$ pint milk daily has been supplied to 71 children during the school week. Cod liver oil has been supplied in the homes of pre-school children and babies, also to children 10% underweight.

Three toxoid clinics and three baby and pre-school clinics have been held during the past year; one at the State Line school house, one at the Depot Village and one at the Village. It is my desire to have all babies and pre-school children in town attend these clinics, for a general physical examination,

once each year. Dr. Emerson gives of his time and service at each of these clinics, as well as furnishing the toxoid materials.

Miss Butland, one of our summer residents, has made and given the Nursing Association several complete layettes. These have been very gratefully received by mothers, as well as of much convenience to the nurse.

It is through the interest of the Superintendent of schools, Mr. Johnson, the School Board, the Teachers of the town, Dr. Emerson, and the officers and members of the Nursing Association, as well as the splendid cooperation of parents and friends, that this work has been completed.

I wish to express my thanks to the people of Fitzwilliam for the cordial way the nurse has been received in the homes. It has been my pleasure to serve them.

MARGUERITE E. DAVIS, R. N.,
District Nurse.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Fitzwilliam :

I herein submit my first annual report as superintendent of schools, this being the thirty-fifth in the series under union supervision.

Necessarily the statistics of this report are taken from the data given in the registers and office records delivered to me last July.

During the few months since my induction to the office of superintendent of your schools, I have found the school board very helpful and cooperative, the schools well organized and taught by an able corps of teachers.

As we continue our work together, let us remember: (1) "The school is the agent of the state in preserving itself," (2) "Education is not a charity but a part of our national defense," (3) "Education is the author of national ideals, the moulder of the soul of America".

With this vision of our public trust, may we, school officers and teachers, realize more than ever before our obligations (1) to the highest welfare of the individual child and (2) develop an appreciative attitude toward the tax payer of the American home.

Not only must we develop the so-called skills in our schools but also those fundamental requisites essential to the highest type of American citizenship. This implies the co-operation of the school, the home and the church.

SUMMARY OF ORGANIZATION FOR YEAR

1934-1935

School	Teacher	Registration
Junior High,	Alfred Holt, Prin.	Grade IX 14
	Dorothy Morgan,	Grades 7
	& 8	19
Village Intermediate,	Beatrice A. Pelletier,	20
Village Primary,	Betsy M. Kimball,	16
Columbian,	Lilliam Dahl,	35
State Line,	Mildred M. Starkey,	23
Music,	Mildred H. Whitcomb	
Total,		127

At time of writing, the attendance is good, the schools well organized, the instruction is progressive, the pupils are responsive to their instruction, the parents are cooperative; conditions that are earmarks of good schools and promise a successful year.

PROMOTIONS

The following numbers of promotions in respective grades were made in June:

Schools	Grades								
	I	II	III	IV	V	VI	VII	VIII	IX
Junior High,							5	12	9
Village ntermediate,				4	5	10			
Village Primary, 3	5	5	5						
Columbian,	5	4	4	11	3	3			
State Line,	2	5	0	1	3	5	3	3	
Totals,	10	14	9	16	11	18	8	15	9

Promotions the present year will be made on the following data: regularity of attendance, term rank, standard tests, and regular examinations given by the teachers. Doubtful cases

will be decided by a conference between superintendent and teacher.

The Otis Intelligence Test has already been given to the junior high pupils.

Two forms of the Metropolitan Achievement Test will be given; one at mid-year and one in June.

The Otis graduation examination for elementary schools will be given to the eighth grade in June.

At the beginning of the present school year, two changes were made in the teaching force. Miss Dorothy Morgan, a graduate of Keene Normal, was elected to the Junior High and Miss Lillian Dahl, a graduate of Keene Normal, was elected to the Columbian school.

The health activities have been supervised and carried on by the school nurse, Miss Marguerite Davis, in a thorough and efficient manner. The report of Miss Davis follows in another place.

Free milk for needy or underweight children has been continued the present year through the help of state and federal aid.

Music has been taught and supervised during the year by Mrs. Mildred Whitcomb of Keene.

Good results have been attained.

In conclusion, I wish to thank the school board, teachers, parents and citizens for their cooperation and support.

Respectfully submitted,
FREDERICK T. JOHNSON,
Superintendent of Schools.
