TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Pembroke in the County of Merrimack in said State, qualified to vote in Town Affairs:

[L. S.]

You are hereby notified to meet at Community House in said Pembroke on Tuesday, the 8th of March, next at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To hear and act upon the report of the Town budget committee.
3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to raise and appropriate the sum of Five Hundred (\$500.00) Dollars, to be set aside as an accumulative Library Fund for building purposes.
5. To see if the Town will vote to charge 10 per cent interest on and after September 1st, 1938 on unpaid 1938 poll taxes.
6. To see if the Town will vote to raise and appropriate the sum of Five Hundred (\$500.00) Dollars for the building of sidewalks in Suncook Village and the sum of One Thousand (\$1000.00) Dollars for the building of sidewalks on Pembroke Street, the location thereof to be in the discretion of the Selectmen provided that the Selectmen secure a federal grant covering additional costs of construction; to see if the Town will authorize the Selectmen to make such contracts and execute such instruments

as may be necessary for the purpose of attaining the aforesaid federal grant.

7. (By Petition) To see if the Town will vote to install and maintain a street light located on Church Street, south of Glass Street, where it would be best suited near the residence of Adelard Joyal.

8. (By Petition) To see if the Town of Pembroke will vote to put in a new sewer on Glass Street, from Chester Turnpike, and Glass Street, to the dwelling of Mr. Ulric Desmarais.

9. (By Petition) To see if the Town will vote to accept and maintain a street leading southerly from Pleasant Street to Front Street, known as Bridge Street; and to install and maintain a street light where it would be best suited near the center of said Bridge Street.

10. (By petition) To see if the Town will vote to construct a sidewalk on the easterly side of Pembroke Street extending from Dearborn Road northerly to Meeting House Brook, of cement or other suitable material to give a permanent, hard surface and that funds to cover cost of same be raised and appropriated by the issuing of two serial notes of One Thousand (\$1000.00) Dollars each to be due in successive years, one in 1939 and one in 1940.

11. To see if the Town will vote to confirm the action of its Trustees of Trust Funds in accepting the following named funds, in trust, the income to be used for perpetual care of the cemetery lots indicate:

- (a) Gift of Edith F. Dutton of One Hundred (\$100.00) Dollars the income to be used for the care of the Benjamin Fowler Lot in the Buck Street Cemetery.
- (b) Gift of Alice M. Holt of One Hundred (\$100.00) Dollars the income to be used for the care of the Thomas P. Holt Lot in the North Pembroke Cemetery.

12. To hear the reports of auditors, agents and committees, or officers heretofore chosen, and pass any vote relating thereto.

13. To transact any other business that may legally come before said meeting.

SPECIAL. To see if the Town will raise and appropriate the sum of Two Hundred (\$200.00) Dollars for the services of a Probation Officer.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and thirty-eight.

ALBERT RITCHOTTE,
CLARENCE A. FOWLER,
JOSEPH A. CREVIER,

Selectmen of Pembroke.

Respectfully submitted,

FERDINAND BOUCHARD,

Chief of Police.

REPORT OF PEMBROKE FIRE DEPARTMENT

In accordance with the laws of the State of New Hampshire I am pleased to present the report of the Fire Department for the year 1937.

Facts concerning the one pumper owned by the Town are these:

Owing to its age of thirteen years and of a make that was not a success in the manufacture of fire apparatus, having retired from the field a number of years ago, the White truck has required considerable repairs; such as the clutch, universal joints and rear end. This one piece of equipment leaves the town entirely without protection if trouble develops. Distances also are too great to be efficiently covered with one piece of apparatus, and it is my opinion that the Town should consider in the near future the purchase of another pumper from one of the three leading manufacturers.

The Water Department should bear the burden of \$1,643.00 a year for hydrant service and not the Fire Department. The present scheme simply transfers money out of one pocket into another. This amount deducted from the Fire Department would allow in a very few years the purchase of a modern reliable pumper.

Repair parts for the alarm boxes are expensive and have to be made to order as these were purchased from a concern also out of business.

These conditions are facts the Town is confronted with, therefore, I urge due consideration. Savings to the Town could also be accomplished if property owner and tenants would see that chimneys were cleaned every year.

Number of fires year 1935	44	
Yearly expense of Department		\$3,501.05
Average cost per fire		\$79.57
Number of fires year 1936	50	
Yearly expense of Department		\$3,742.28

Average cost per fire		\$74.85
Number of fires year 1937	59	
Yearly expense of Department		\$3,999.82
Average cost per fire		\$67.79

Public Service Co.		\$111.11
Telephone		76.67
Robert M. Wood, Helmets, Nozzle, etc.		124.12
Jacob A. Chase, Tires for pumper		96.11

NELLIE BAKER OSGOOD,

Librarian.

EDITH G. PRIVE,

Assistant Librarian.

REPORT OF LIBRARY COMMITTEE

Your committee has attended to their duties and submit the following report. Several locations have been considered, two or three of which public spirited citizens are ready to donate to the town.

We have been presented with a splendid building plan by Wilber V. Hunt of Boston, Mass. (formerly of Epsom, N. H.) which calls for a building thirty feet by fifty feet to include reading room, childrens' room, stack room for books and every convenience toward a modern library to cost about \$13,000.

In view of the present uncertainty for the near future and prevailing high cost of public affairs your committee would recommend the setting aside of \$500. yearly for a period of time until conditions warrant a library, and the same committee ask to continue their report for another year.

Respectfully submitted,

FRED W. SALTMARSH,
PEARL PARMENTER,
GEDEON PETIT,

Committee.

No. pupils examined at Cancer Clinic by Dr. Jameson	1

ADONIA A. DOUILLETTE, R. N.

School Nurse

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Pembroke:

There is presented herewith my fourth annual report. It deals chiefly with changes in the staff of teachers, age-grade enrollment, special activities, buildings and equipment.

Teacher Changes

Since the last annual report five changes have occurred in the teaching staff. In September Mr. Robert L. Hill of Plaistow succeeded as principal of the Suncook Grammar School Mr. Howard W. Wheeler who withdrew from the position in June. Mr. Hill completed in 1932 the two-year elementary course at Keene. After teaching four years in rural and graded schools he returned to Keene for a third year of resident study, completing the three-year junior high school course in 1937. He has also completed two summer sessions at New Hampshire University.

Miss Madelaine Wilson of Epping was elected to teach grades five and six, replacing Mrs. Marion Brown Lea who resigned after re-election in June. Miss Wilson was graduated from the three-year junior high school course at Keene in 1937.

Miss Bernice R. Adams of 11 Milford Street, Manchester, was chosen part-time teacher, succeeding Mr. Peter J. Valeska who accepted a full-time position in the Hooksett Schools. Miss Adams graduated in 1935 from the four-year domestic arts course at Keene. She taught for two years in the Quimby School at Center Sandwich, and attended in 1937 the summer session at New Hampshire University. During two half-days a week Miss Adams teaches the domestic science classes formerly taught by Mrs. Lea.

Following her re-election to the North Pembroke School, Miss Lois M. Cate accepted a position as teacher of the intermediate grades in Warren. Difficulty in guaranteeing a convenient boarding place delayed the selection of a teacher for the North Pembroke School until late in the summer, when Miss Pauline Kolongis of 21 George Street, Dover, was elected. Miss Kolongis completed in 1936 the three-year elementary course at Keene and had since taught a large rural school in Center Tufftonboro.

An increase from an enrollment of seven to a total of twelve children in the Borough neighborhood resulted in the temporary continuance of this school. Miss Lydia F. Bellows of 258 McGregor Street, Manchester, was elected teacher. Since her graduation in 1930 from the two year course at Plymouth, Miss Bellows has taught large rural schools in Deerfield and Auburn.

Age-Grade Enrollment

The total enrollment of 231 exceeds that of the previous year by four pupils. The average membership has been increased by six pupils. The percentage of promotions was raised 1.2 points — eight of the ten schools having 100 per cent.

As a result of recent state legislation, pertaining to the transportation of pupils in grades above the eighth, a study has been made this year of under-age as well as of over-age children in the several grades. The following Table shows that the Pembroke Schools compare favorably in this respect, since over-ageness does not predominate in any grade and the number under-age is limited.

Number of Pembroke Children

Grade	Under-age	Normal-age	Over-age
1	0	24	2
2	1	15	12
3	0	18	5
4	0	15	10
5	1	20	17
6	0	19	10
7	2	15	12
8	2	18	10

(Pembroke) Totals	6 (2.6%)	144 (63.2%)	78 (34.2%)
(Union 53) Totals	22 (2.1%)	621 (60.4%)	385 (37.5%)

Doubtless in some instances retardation, resulting in over-ageness, is due to the absence of English as the spoken language in the homes. Certainly it is not due, except in a few cases, to a lack of regular school attendance on the part of the children. For the Pembroke schools have maintained a high rating in regular and prompt attendance.

Special Activities

I wish to commend to your attention the printed report of the School Nurse. The number of home visits made by the Nurse and the increase over the previous year in the number of corrective treatments secured are a credit to the diligence of your Nurse and the co-operation of the parents. Much appreciated were the services of Mrs. J. T. Copplestone who assisted with the clerical work at the dental clinic, thus enabling the Nurse to give undivided attention to the children.

The Americanization classes under Mr. Lucien Brunelle were continued until the end of April. Forty-three men and women were enrolled. Of the eighteen applicants,

who took the citizenship examination before the Superior Court in Concord on April 7, sixteen passed their examinations.

In the Union Spelling Contest in May, Pembroke was represented by the Suncook Grammar School team, including Gladys Smith grade VII, Madeleine Richard grade VI, and William Welch grade IV. This team was chosen at a preliminary contest in which all schools in Pembroke participated.

In June a class of thirty received diplomas from the eighth grade. Twenty-six of these entered high school or academy in September. A total of eighty-eight Pembroke pupils are now attending the Academy. We anticipate 100 in attendance next year.

Recent activities of the Suncook Grammar School include broadcasts by the school chorus from the Portsmouth and Manchester Studios, a minstrel show by the upper grades, the entertainment of dinner guests by the seventh and eighth grade girls of the domestic science classes, and a trip to the Benson Animal Farm by the teachers and members of the third and fourth grades. An interesting report, illustrated with free-hand drawings, was made by the pupils who took the trip. Copies of this report were mimeographed and distributed to all primary schools in the Union.

This year your teachers joined with some thirty others from neighboring towns in a study of the standards used in marking and reporting pupil progress in both habits of social adjustment and school subjects. As a result a more intimate and specific type of report has been adopted in the first and second grades. This follows closely the form in use in the primary grades of Grosse Pointe, Michigan. Parents are asked not only to examine and sign these reports but also to indicate and return to the teacher their personal observations and suggestions. For grades three to eight a completely new form of report

card has been prepared and adopted. The system of marking allows more emphasis to be placed upon the improvement in the individual's achievement than on a mere comparison of the individual with the achievement of the class. The use of such report cards anticipates that during the year at least one visit will be made by the teacher to each home represented in her school.

The interest taken by the women in the adult classes, conducted by Miss Isabelle Barnett in sewing and weaving, again warranted their continuance without even a recess during the summer months. During the months of more severe weather the enrollment has fallen as low as twenty-eight, but the average attendance has continued good.

A complete report of the Nursery School for the calendar year 1937 was issued in January. The amount expended for food supplies was \$748.58. Under new federal regulations taking effect January 1, 1938, we are now obliged to finance locally one-half of the food costs. This may be contributed in money or materials. We deeply appreciate the generous contributions made by your churches and business concerns. By means of these the Nursery School can continue to function into March. There is now a charge for rent of \$10 a month which added to food, fuel, and lights makes the total cost per month approximately \$45. or \$1.50 per child. A visit to the Nursery School will give some idea of the value of this investment. The opportunity challenges the thoughtful consideration of your citizens.

Buildings and Equipment

In addition to the thorough cleaning of all school buildings, the interior woodwork of the Suncook Grammar School was revarnished. The manual training classes

have built **folding floor** screens for the domestic science department and sand table for the primary room.

Through the Public Service Company of Manchester a "Hot-Point" electric range of recent model has been placed in the domestic science kitchen. The only expense to the district being the small cost of installation. This equipment is found to be much safer and more efficient than the kerosene ranges.

The double benches and seats in the Borough school-room have been replaced by individual and movable desk sets similar to those in use in the North Pembroke School and the Academy Building. As fast as additional seating facilities are needed this type is being placed in the Buck Street School.

Following the policy, adopted last year, of extending facilities for manual training to the larger rural schools, the Borough School was recently equipped with a complete set of carpenter's tools, tool grinder and bench vise. The North Pembroke School was similarly equipped last year. On one half day a week handwork is given to the boys of upper grades.

In Conclusion

I wish to thank the members of the school board and other parents and citizens who by the contribution of conveyance for the choruses and field groups, by the donation of rent, fuel, and provisions, and by their patronage of school functions have generously co-operated with the principal, teachers, and other school officials in activities that tend to refine and enrich the lives of your boys and girls.

Respectfully submitted,

GEORGE H. HARMON,

Superintendent.

February 21, 1938.

GRADUATION PROGRAM

Class of 1937

INVOCATION	Reverend Earle Buchin
Vocal Solo — “Old New Hampshire”	Violet Letendre
“New Hampshire”	Lillian Richards
