17. To see if the Town will raise and appropriate money for the Cottage Hospital in Woodsville.

18. To see if the Town will raise and appropriate money for the White Mountains Region Association.

19. To see if the Town will vote to adopt the provisions of RSA 72:62 allowing for a property tax exemption on real property equipped with a solar energy heating or cooling system, which exemption shall be limited to the installation costs of the solar system and shall not exceed in the amount of \$10,000.00 at full valuation.

Yes or No

(Majority of yes is required for passage — effective April 1, 1977.)

20. To see if the Town will vote to authorize the prepayment of taxes and authorize the collector of taxes to accept payments in prepayment of taxes.

(This Article is recommended by the Department of Revenue Administration.)

21. To see if the Town will vote to petition the State Department of Revenue Administration to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such audit.

22. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes as permitted under the Municipal Finance Act.

23. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deeds or otherwise.

24. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this fourteenth day of February, in the year of our Lord Nineteen Hundred and Seventy-seven.

REPORT OF LIBRARY TRUSTEES

The Piermont Library continues to increase its circulation figures now ranking seventh among the 218 libraries in per capita circulation.

This spring Mr. Alec Szuch attended a state course to continue working toward state certification status as a school librarian. He and the members of your board have attended conferences and workshops throughout the state. Alec is completing the cataloging of the children's collection begun by our CETA worker this past year. He is also responsible for the addition of 45 feet of shelves in the children's room.

Special activities during the year include a summer reading program coordinated by Bonnie French with much appreciated help by many townspeople. Mrs. Dorcas Chaffee presented her display for the Bicentennial Resources Program as part of our national celebration. The Library sponsored Mrs. Phillip Wilcox of Durham who presented her program on Valiant Women of the Revolution for National Library Week.

An additional \$500 is being requested in the annual budget due to an increase in the Librarian's salary and the rising costs of fuel and electricity.

Many thanks to all those who have made gifts to the Library over the past year.

FIRE CHIEF'S REPORT

Some of the biggest fires in the history of the Upper Valley have occurred during 1976.

The one large fire Piermont had was the Robie Farm, barn fire, an estimated \$100,000 damage. I personally believe the loss to be much greater to the town of Piermont.

It was the kind of evening that seems designed to try man's soul. Temperatures between -20° and -35° below zero. In spite of all this, there were some savings (fodder shed and bunker stalls).

Nineteen Piermont fire fighters, many neighbors, fire-fighters and equipment from surrounding towns of Orford, Haverhill, Newbury, Bradford, Fairlee and Hanover's 151 for lighting, responded to the call.

I am happy to report that the Fairlee B & M train wreck has all been settled and that Fairlee is now a member of mutual aid.

I ask that you take a close look at the center fold of this year's town report. The life you save could be yours or someone very close to you.

Fire Calls:

- 12/18/75 Bath — mill fire (mutual aid)
- 1/1/76 False Alarm
- 1/18/76 Robie Farm — barn fire
- 1/22/76 Robie Farm — rekindle of barn fire
- 4/10/76 Bradford stand-by (mutual aid)
- 4/15/76 Tel & Tel fire — Norwich — stand-by
(because of loss of communication)
- 4/26/76 Bill's Restaurant (mutual aid)
- 9/13/76 Automobile accident route 10
- 11/8/76 Bradford (mutual aid)
- 11/11/76 Bradford, Hacket Hill (mutual aid)

PIERMONT FAST SQUAD — 1976

Present Status — 18 members

Number of calls — 18

Training: Three of our E.M.T.'s took a refresher course even though their certificates had not expired.

In addition, we are represented at all District A-6 Ambulance Meetings and separate training seminars held at Mary Hitchcock Memorial Hospital. Information received there is passed on to the other members at the regular meetings of the squad.

This past year we received some new equipment through a government grant — and are promised more in 1977. Received to date are:

1 Oxygen set with "E" cylinder (good for about 1½ hours of continuous use at the usual rate of flow)

1 Folding metal back-board

1 Set inflatable plastic splints

1 Wool blanket — heavy.

Remember — the primary purpose of the FAST Squad is to render emergency medical care at the scene of an accident or sudden critical illness — until the ambulance can arrive. We do have oxygen, in better supply now, to use as indicated. We are on call 24 hours a day, there is no charge for our services, nor do we receive any remuneration. If needed — dial the emergency "Ambulance-Fire-Police" number as listed on the inside front cover of this Town Report, or found on your telephone sticker.

REPORT OF TOWN FOREST FIRE WARDEN AND DISTRICT FIRE CHIEF

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

1976 REPORTS OF THE PLANNING BOARD AND CONSERVATION COMMISSION

PLANNING BOARD

In last year's Town Report, the responsibilities and general operations of the Planning Board were spelled out. Meetings are held on the third Monday of each month at 8:00 P.M. in the Fire House and are open to the public.

The amendments proposed last March were approved. These were to permit the Town to participate in the Federal Flood Insurance Program. The wisdom of this move is reflected in the fact that over seventy-five towns in New Hampshire alone have been cut off from all Federally funded programs for failure to meet the minimum flood insurance guidelines. This includes all federally funded mortgage programs, farm loans, construction programs, etc.

This year the townspeople are being asked to give the Planning Board site approval authority for non-residential projects. This is necessary if we are to deal adequately with the possible commercial or industrial development of certain large tracts still available within the town limits.

The Planning Board

CONSERVATION COMMISSION

The Conservation Commission met regularly during the year to consider many of the projects begun last year. Among these were the tree and shrub planting begun in '76 with the cooperation of the Historical Society, the catalog of town resources, particularly wet-land and water sources, a program to develop the hundred acre Church lot, continued mapping of the topography of the town and further investigation into the desirability of a varied trail system for the area.

The Conservation Commission

PIERMONT HISTORICAL SOCIETY

The Piermont Historical Society started its third year of formation in April with the same officers re-elected for another one year term. Work on a permanent home for the Society at Piermont Library is nearly finished and an "Open House" will be held in the spring. Funds for this project was raised by the Society by presenting a gala musical entertainment in May (which also served as a part of the town's bicentennial celebration) entitled "Musical Americana" co-produced by Evelyn Morrill and Robert Evans and featuring an all-star cast from Piermont and surrounding communities. For this room the Society is looking for articles, pictures and documents which hopefully will be donated by fellow Piermonters.

Programs throughout the year have included a trip to the Thetford Historical Society Museum; a program of old silent movies presented by Russell Brady of Haverhill; a musical program of old-time songs; and a program by four Piermonters (Charlotte Wilson, Charles Reneau, Agnes Perkins and Bill Simpson) giving anecdotes from the families' histories. Mrs. Betty Partridge presented to the Society a tape program of her 1st and 2nd grade students in a bicentennial program; Mrs. Mabel Byron donated an American flag; and Mrs. Anna Mason donated drapes for the Society Room.

It is hoped during the coming year, more Piermonters will attend meetings and join the Society. Meetings are held only four times a year, and dues are \$2 per year.

1776 - 1976 REPORT OF BICENTENNIAL YEAR

Piermont has been designated a Bicentennial Community by the American Revolution Bicentennial Administration. The efforts of Piermont in celebrating the national bicentennial year were rewarded by the presence of Mr. John F. Page of Haverhill, member of the New Hampshire American Revolution Bicentennial Commission and Director of the New Hampshire Historical Society, who presented Piermont with its official accreditation and bicentennial flag on Memorial Day 1976.

Numerous people and organizations participated in events and improvements throughout the town. The bicentennial church service, the planting program and Arbor Day activities, historical display, restoration of permanent facilities, and town picnic on Memorial Day at Lake Tarleton were some of the activities. Very special mention should be made of Musical Americana. It was the highlight of the Piermont bicentennial celebration. The Piermont Historical Society deserves special commendation for its endeavors to make the town bicentennial year a success.

The Piermont Bicentennial Committee has voted unanimously to make a presentation of the bicentennial flag and accumulated bicentennial memorabilia to the Piermont Historical Society for future safekeeping and public display.

The committee wishes to thank everyone who assisted in helping Piermont achieve official bicentennial designation and hopefully perpetuating our traditional community interest.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my twelfth annual school district report to the voters of the Piermont School District.

On November 29, 1975 President Ford signed into law the Education for All Handicapped Children Act, P.L. 94-142. With the passage of this act, the role of the federal government in the education of the handicapped has significantly increased, and the responsibilities of local and state education agencies has been dramatically altered. The law includes provisions designed to ensure that all handicapped children have a free and appropriate public education, to ensure that all rights of handicapped children and their parents are protected, and to assist state and local education agencies in providing this education.

Immediately, several questions come to the forefront as to:

Who is Handicapped?

“Handicapped Children” means those children evaluated by qualified professionals as being mentally retarded, hard of hearing, deaf, speech impaired, visually handicapped, seriously emotionally disturbed, orthopedically impaired, or children with specific learning disabilities. However, within each state, there is a statutory limit of twelve percent on the number of handicapped children identified and a two percent limit on specific disabilities.

What is a free appropriate public education?

A free appropriate public education refers to special education and related services which (a) are provided at public expense under public supervision and direction and without charge, (b) meet the standards of the state educational agency, (c) include preschool, elementary school, or secondary school education, and (d) are provided in conformity with an individualized education program.

What is an Individualized Education Plan (IEP)?

The term IEP means a written statement (program) for each handicapped child which includes: (a) statement of present levels of educational performance, (b) statement of annual goals, including short term instructional objectives, (c) statement of specific educational services to be provided, (d) statement regarding extent to which child will be able to participate in regular programs, (e) projected date for initiation and anticipated duration of such services, and (f) appropriate objective criteria and evaluation procedures for determining, at least on an annual basis, whether instructional objectives are being met.

These are but a few questions that are being posed relative to the new law. It should be obvious to all concerned that with federal intervention in the area of handicapped education we can expect guidelines that will be political rather than educational in nature, and, generally we can expect another bureaucratic monster.

More importantly, we should not forget that public education should concern itself with the entire spectrum of our society from the very gifted to the severely handicapped. At present, we seem to be applying our energies and resources to the handicapped and letting the gifted fend for themselves. A proper balance should, and must be maintained, in order to guarantee that the people who will be providing leadership in our society in the future will have the same educational opportunity as anyone else.

Your school board is recommending a budget of \$153,367.83 for the 1977-78 school year. This is a decrease in school expenditures of \$2,062.45 for next year.

May I take this opportunity to thank the Piermont School Board, voters, and faculty for their wonderful support during the past year.

Respectfully submitted,

NORMAN H. MULLEN
Superintendent of Schools

**SUPERVISORY UNION #23
REPORT OF SUPERINTENDENT'S
AND ASSISTANT SUPERINTENDENT'S SALARY**

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent and assistant superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during the 1976-1977 school year, will receive a salary of \$24,300.00 made up as follows: \$2,500.00 to be paid by the State Department of Education and \$21,800.00 prorated among the several school districts. The Assistant Superintendent will receive a salary of \$18,450.00 which is made up as follows: \$2,500.00 to be paid by the State Department of Education and \$15,950.00 prorated among the several school districts. Allowance for travel within the union for the Superintendent is \$3,000.00 and for the Assistant Superintendent, \$2,000.00 also prorated as stated above.

The table below shows the proration of salaries and travel to each school district:

Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my seventh annual report to the voters of the Piermont School District.

As has been our custom, the school year was initiated by our Orientation-Workshop held at Lin-Wood High. This year our activity included a couple of subjects that have been very controversial lately in educational circles, namely sessions dealing with sex education and collective negotiations. "Sex Education: Who Should Teach It?" was presented by Mrs. Barberee Van Valey from Warner, N.H. The collective negotiations session consisted of film presentations, giving a variety of viewpoints regarding this very timely subject. The conference was rounded out by the following presentations:

Metric Math — Fernand Prevost

Math Ed. consultant, N.H. State Dept. of Education

Motivational Techniques, Visual Literacy — Richard Hight

English Instruction, Woodsville High School

Prescriptive Teaching — Mrs. Barbara Rzepski

Prescriptive teacher, North Country Education Services

Transparency Making, Dry Mounting, and Laminating —

Peter B. Richards, Principal Corinth-Topsham, Vt. School District

We have added a prescriptive teacher to our supportive services team. The team also includes a School Social Worker, a Speech Therapist, and several teacher aides. This team works throughout the entire Supervisory Union. The job of the Prescriptive Teacher is to provide a specific written educational plan for each learning disabled child. These plans must be reviewed and updated annually. Although this position is currently funded with federal monies, new legislation (PL 94-142) may require that this position be paid for locally at some future date.

We have completed our tabulation of the Achievement Tests taken last spring. The results were most encouraging. When we averaged out all grades (1-8) we found that we were above the national norms in all areas tested. Our highest sub-tests were Reading Comprehension, Word Study Skills and Language Arts. Our math scores were above grade level also but were uniformly lower than those in the reading language areas. I would like to point out that this was the case throughout the Supervisory Union and will merit our special attention during the coming school year. I wish to emphasize that these tests are not the absolute measure of a successful school program but they do indicate that our teachers are presenting the basic skills very effectively.

I wish to thank the school lunch staff for their continued good work. A special thanks to Mrs. Sylvia Robertson, who retired recently, for her excellent service to the school lunch program over the past few years.

My appreciation and thanks to Mr. Lang and his staff, the School Board and the voters of Piermont for their fine support.

Respectfully submitted,

HAROLD J. HASKINS

Assistant Superintendent of Schools
