ENGINEERS REPORT OF THE SUNAPEE FIRE DEPARTMENT

Year ending December 31, 1949

The equipment at Sunapee and George's Mills are in good condition, and with our new Pumper and Water Wagon will be able to take care of fires out side of the village limits very much better than before.

Total	2,295
-------	-------

Special visual tests were given during the year to all school pupils by Dr. Ralph Benson, Optometrist of Newport. These tests were of great value in finding special difficulties of vision.

Sunapee was fortunate in having the N. H. Mobile Chest X-ray Unit and many took advantage of this opportunity to have free Chest X-rays.

We have had very few cases of communicable diseases in the school this last year but there has been considerable absenteeism in the lower grades due to various forms of grippe and colds.

New scales with an attachment for the measurement of heights have been added to the health equipment at the school.

The greatest health need among school pupils is better dental care and parents are urged to cooperate by having their children make regular visits to their dentists.

During the month of August the local nurse was relieved by Mrs. Dora Simpson of Georges Mills.

The association is very grateful for the gift of a hospital bed by Mrs. Neilson. This bed is available for the use of any patient in Sunapee.

I wish to thank the people of Sunapee, the board of the Lake Sunapee Nursing Association, the doctors, parents, teachers, local organizations and the town officials for the cooperation given to our nursing program. I especially wish to express my appreciation to Dr. John H. Munro who was always very helpful to our health program during his years of practice in Sunapee.

Respectfully submitted,

FLORENCE P. ROLLINS, R. N.
Public Health and School Nurse

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Sunapee School Board:

I herewith submit my second annual report as Superintendent of Schools.

Enrollment

The enrollment for the school year 1949-50 is 199. In September the first grade enrollment was 30 whereas the previous September it had been 20. As of January 1, 1950 there were 28 pupils in the first grade. The size of the first grade has made it necessary to split the pupils in grade 2 between the two primary rooms. If the entering classes continue to be as large as the present one, we will be seriously cramped for space in the elementary grades in a few years.

This year there are but two tuition pupils enrolled—one in the high school and one in the grades.

Teachers

The supply of teachers at the high school level is much greater and with the exception of one or two fields—such as home economics and commerce—does not constitute a real problem.

The supply of elementary teachers is quite a different matter. We are faced with a serious shortage of lower grade teachers. With increased enrollments in these grades and still an insufficient number of people in the colleges taking elementary work, this situation is likely to continue for many years.

If we expect to get good elementary teachers in our schools, each of us should urge young people desiring to teach, to train at this level. Employment opportunities will be much better for grade positions than for high school.

We are more fortunate than most communities in the small number of vacancies on the teaching staff. This year there is only one change in the faculty.

In-Service Training

Dr. Anna Philbrook, Director of the N. H. Child Guidance Clinic, conducted a course in Mental Hygiene through the University of New Hampshire Extension Service. The course was held in Newport during the first semester. It attracted social

workers, nurses, clergymen and housewives as well as teachers. One of the elementary teacher took the course.

Courses of Study

A new course entitled Contemporary Problems has been added to the high school curriculum. The course is intended to give upper classmen a more thorough understanding of current social, economic and political problems inasmuch as they will soon become citizens in our complicated society.

We are now offering Junior and Senior English as separate courses where previously the two have been combined. This should make for more effective instruction in those courses.

Handwriting

We have endeavored to concentrate this year on improving the handwriting of the students. This is something that involves all grade levels but is particularly important in the elementary grades where the proper writing habits must be formed.

It is hoped that next year we may offer a specialized handwriting service. Many New Hampshire communities have adopted this writing system and the actual progress shown in a year is remarkable.

Transportation

It was necessary to provide additional bus facilities beyond the anticipated needs of the present budget. Mr. Arthur Nutting purchased a new Chevrolet 48-passenger bus, expecting to combine both his routes with the one bus. However, the number of bus pupils on the route totaled 55—too great a number to be carried in one bus and still comply with the law. Therefore, Mr. Nutting is operating a bus to the Wendell section in addition to the regular Newbury-Mt. Sunapee run. The increase in bus pupils has been largely in the Mt. Sunapee section.

Repairs

During the summer the entire building was given a thorough cleaning by the janitor. The auditorium was redecorated—much improving the appearance of this area.

The ends of the hallways were repaired and repainted.

The cement steps leading into the building were rebuilt.

The cement floors in Room X, boys' and girls' basements and lower corridor were painted—improving both cleanliness and appearance.

The floors in the upper corridor and the Freshman-Sophomore room were sanded and refinished.

New Equipment

The major items of new equipment included:

35 movable desk and chair units for the Freshman-Sophomore room.

1 typewriter was exchanged.

Bleachers for the stage were constructed by the shop classes.

1 set of Health Scales.

1 electric refrigerator (additional electrical refrigerator has been loaned by a commercial company).

(Both electric stoves have been replaced.)

School Survey Committee

In accordance with the vote of the District, the School Board appointed a committee, composed of Leo L. Osborne, Mrs. Hope Leone and Louis Gregory, to serve with them to investigate present and future school needs. It is the aim of this group to carry on any studies pertaining to school needs in conjunction with community needs so that when and if building plans are presented, it will be on the basis of town planning rather than for the school to operate separately in the matter.

The State Board of Education is in the process of conducting a survey of the Sunapee schools. This will include an appraisal of the present plant and facilities and project what the future needs are likely to be in terms of the birth rate and other factors. Upon completion of this survey by the State Department, it is expected that the School Board and Committee will proceed with their studies.

Conclusion

The work of the school touches many phases of community activity. It is my hope that our accomplishments will be such as to merit the continued interest and generous support of the citizens of Sunapee.

Respectfully submitted,

GORDON B. FLINT
Superintendent of Schools

ANNUAL REPORT OF THE HEADMASTER

Supt. Gordon B. Flint

Newport, N. H.

Dear Mr. Flint:

I am submitting herewith the report for Sunapee High School.

Commencement Exercises were held on the evening of June 16th in the school auditorium. There were fourteen graduates as follows:

William Edwin Austin	William Henry Palmer
Barbara Lettie Bombard	Rita Marie Pepin
Nancy Marilyn Cross	Thomas Joseph Quinn
Rita Concetta Digilio	Barbara Louise Ruggles
Jean Marie French	Barbara Janet Schultz
Marilyn Alice Holmes	Albert Adin Stocker
Charles George Osgood	Betsy Jane Wiggins

The Valedictory was presented by Miss Betsy Wiggins, Salutatory by Miss Rita Pepin and the Graduation Address by Dr. Harold Hyde of the State Department of Education in Concord. Presentation of diplomas was by Supt. Gordon B. Flint.

Recipients of prizes and awards at the Class Day and Graduation exercises were as follows.

Readers Digest—one year's subscription to the Valedictorian—Betsey Wiggins.

American Agricultural Foundation—\$5.00 to the member of the graduating class excelling in Home Economics—Betsy Wiggins.

Bausch & Lomb Plaque—to the member of the graduating class with the highest average in science—Rita Pepin.

D. A. R. Good Citizenship Medal—to the member of the graduating class who exemplifies good citizenship—Rita Digilio.

Becker Junior College Award—to the member of the graduating class who excels in commercial subjects—Rita Digilio.

Balfour Plaque—to the member of the graduating class who in the opinion of the class and the faculty has exhibited outstanding qualities of citizenship, scholarship, loyalty and achievement—Albert Stocker.

Murvin A. Bailey Award—to the member of the graduating class who in the opinion of his classmates and faculty has shown those qualities which are essential for good citizenship—Thomas Quinn.

S. A. R. Medal—to the member of the eighth grade who has shown the best citizenship traits—Herbert Holmes.

Students who received grades of 90 or better in all subjects for the year were:

Rita Pepin	Doris Collins
Betsy Wiggins	Alan Cooke
Myrtle Benoit	

Students receiving 85 or better in all subjects for the year were:

Rita Digilio	Ellen Cady
Barbara Schultz	William Lary
Stella Fleming	Margaret Martin
Elizabeth Osgood	Beatrice Lawton

Members of the graduating class have taken the following advanced types of educational training, entered employment or married:

- 2 University of New Hampshire
- 2 Keene Teachers College
- 2 Nursing (1-Concord, 1-Hanover)
- 1 Morse Business College, Hartford, Conn.
- 2 Navy
- 2 Married
- 3 Work

During the past year two members of the Class of 1948 have entered post secondary educational institutions:

- 1 Wentworth Institution, Boston
- 1 Nursing, Hanover

A testing program has been initiated for the Seniors, Juniors and Eighth Grade to assist parents, students and teachers in guiding pupils in the choice of subjects and hence preparation for, or entrance into their vocation or future profession.

In addition to the testing program the program of studies has been revised and augmented to meet the needs of the boys and girls in the school. This includes extra-curricular activities such as athletics, dramatics, public speaking, music and clubs.

The faculty and headmaster wish to express their sincere appreciation for the excellent cooperation of parents and citizens who have helped to provide that education for the boys and girls which will make them better citizens. It requires combined efforts of us all.

Respectfully submitted,

RALPH H. MEACHAM,
Headmaster

SUNAPEE SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School District of Sunapee qualified to vote in District Affairs:

You are hereby notified to meet at the I. O. O. F. Hall in said District on Tuesday, the fourteenth day of March 1950, at one-thirty o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a member of the School Board for the ensuing three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To choose one or more Auditors and such other Officers and Agents as the voters may judge necessary.

Article 6. To hear and act upon the reports of the School Board, Treasurers, Auditors, and Committees heretofore chosen.

Article 7. To see if the District will vote to raise and appropriate \$48,880.49, as recommended by the School Board in its annual report, for the support of schools, for the salaries of district officers, and for the payment of the statutory obligations of the district; and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 8. To see if the District will vote to raise and appropriate the sum of \$200.00 to be used for preliminary study and sketches—if the School Board and School Study Committee deem it advisable.

Article 9. To transact any other business that may legally come before said meeting.

Given under our hands this 13th day of February, nineteen hundred and fifty.
