The Tuftonboro Library has been beautified this past year through landscaping. Shrubs have been placed around the building, a new circular flower bed is at the base of the flag pole, and a row of large lilacs has been planted in memory of Mrs. Carter MacMillan. The Friends of the Library bought a heavy-duty vacuum cleaner for easier maintenance, and the Friends of the Library and the Trustees' Fund purchased a new book stack. Generous contributions and activities of the patrons have made it possible to improve the interior of the library and to purchase many fine books at no cost to the taxpayer.

Signed,
Robin Fowler, Treasurer

**REPORT OF FOREST FIRE WARDEN
AND DISTRICT CHIEF**

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A.M. and 5 P.M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid-August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

REPORT OF PLANNING BOARD 1974

As the result of a citizens' petition relative to mobile homes and larger residential lots, the Planning Board undertook in 1974 a revision of the subdivision regulations and the proposal of amendments to the zoning ordinance. The subdivision regulations were thoroughly revised and were aired at a required public hearing on the 12th of July. The Board adopted these revisions at a Special Meeting on July 19th. Amendments to the zoning ordinance were proposed at two informational meetings and the two public hearings required were held on the 12th of November and the 10th of December. The ten amendments proposed are to be voted upon by ballot at the polls on the day of the town meeting.

A great part of the work of the Planning Board is the processing and approval of subdivisions of land. Forty-seven lots were created in eleven approved subdivisions. Of these eleven subdivisions, only three were for more than three lots. These three subdivisions involved fourteen, seven and seven lots.

The following changes were made in office and membership of the Planning Board. Lincoln Page was chosen chairman to succeed Edmund Dagnino. Thomas Hunter and Edmund Dagnino resigned and were replaced by Susan Ramsbotham and Albert Southard. The member from the Board of Selectmen is Daniel Lewis.

Roger Krey, secretary of the Board, represents Tufonboro at the Lakes Region Planning Commission. The other representative to the Commission is Pamela Devork Albee, appointed this year by the Selectmen with the concurrence of the Planning Board.

**REPORT OF THE PUBLIC HEALTH
NURSING COMMITTEE
1974**

The Public Health Nursing Association continues to grow. Effingham asked and is now receiving our service, along with Wolfeboro, Sanbornville, Wakefield, Alton, Brookfield and Tuftonboro.

The following nursing & physiotherapy visits were made in 1974:

Town	Nursing	Physiotherapy
Wolfeboro	782	50
Alton	299	33
Brookfield	75	7
Wakefield/Sanbornville	1,353	79
Effingham	139	5
Tuftonboro	155	29
Total	2,803	203

We are employing two full time and two part time registered nurses, one physiotherapist, one occupational therapist and one part time clerk. Our nurses received a cost-of-living wage increase in 1974, the first in two years.

It was necessary to increase our visit charge in 1974 due to operation expenses, however we continue to operate in the red due to many patients being seen that cannot afford to pay.

We wish to thank those who contributed during our fund drive, the response was most appreciated and is helping us to continue this much needed service in the community.
