A Storybook World at STORY TOWN • New Hampshire at GLEN • Route 16

On the cover:

The summer of 2003 saw Story Land open for its 50th season. The inspiration for Story Land creators Bob and Ruth Morrell of North Conway came from a set of fairy tale dolls they had purchased in Germany during Bob's second tour of duty with the US Army. With help from local contractors and suppliers, they opened the children's theme park as Story Town in June of 1954 on the site of an old saw mill, featuring a handful of small houses, farm animals, and costumed characters from children's stories. "The only affordable land was in Glen, 1,500 feet on Route 16 with eighty acres of backland too poor for pasture." Those were the owner's words. Bob once said, "One thing about it - we had no competition. Nobody expected that crazy idea to survive anyway." The name was changed to Story Land for the second season to avoid confusion with a business in upstate New York. Story Land is still locally owned and operated by the Morrell family of Glen and, with the help from local contractors and suppliers, has continued to grow into a popular seasonal attraction featuring amusement rides and live shows catering to families with young children. The cover photo is from the first map used for the park and the back photo is of the famous Pumpkin Coach and Cinderella's Castle.

DEDICATION

VINCENT BAILEY AND ROGER LABBE

This year's Town Report is dedicated to Vincent Bailey and Roger Labbe, two long term Town of Bartlett employees who retired during 2003.

Vin worked for the highway department from 1984-1987 and then again from 1990-2003, taking over the Road Agent's position in 2000 until his retirement in December 2003.

Roger worked for the highway department from 1982-1989 and then was hired in 1989 as Bartlett's first paid full-time Fire Chief. He held this position until his retirement in December 2003.

Both of these men were exemplary employees, working on many occasions above and beyond the call of duty and on behalf of the citizens of the Town of Bartlett, the Selectmen thank them for a job well done and wish them well in their retirement.

SPECIAL RECOGNITION

From time to time throughout any year, the Town has employees or volunteers who leave town service. The following people fit that category and the Board of Selectmen wish to thank them all for their dedication and efforts on behalf of Bartlett's citizens:

- **BRIAN ABRAMS** - who served six years as a member of the Conservation Commission
- **DAVID DIMATTEO** - who served for one year as a part-time Police Officer with the Bartlett Police Department.
- **CARL FELTZ** - who served one year as a Planning Board Member
- **JULIA KING** - who served three years as a member of the Conservation Commission and three years as a member of the Recreation Department Board of Directors
- **PHILIP LAWSON** - who served for 18 years as a member of the Zoning Board of Adjustment
- **DORIS LEVESQUE** - who served for 10 years as a Supervisor of the Checklist
- **DIANE MCGREGOR** - who served for three years as a member of the Recreation Department Board of Directors
- **KARL MEYERS** - who served for three years as an Officer with the Bartlett Police Department
- **VANCE PICKERING** - who served for three years as a member of the Recreation Department Board of Directors
- **TERRENCE SPITTLER** - who served for four years as an Officer with the Bartlett Police Department
- **FRANK SUPRENARD, SR.** - who served for one year as a Planning Board Member and was also a member of the Ad Hoc Planning Committee prior to becoming a member of the Planning Board.

SELECTMEN'S REPORT

The year 2003 saw a number of changes in the Town related to personnel. As noted elsewhere in the town report, the Town's Fire Chief Roger Labbe retired and Road Agent Vincent Bailey retired. Police Officers Terrence Spittler and Karl Meyers took positions outside the department and Ted Colby was hired as a fulltime officer. On behalf of the Town, the Selectmen wish all those that left our Town's service good luck in their new situations.

Property values continue to rise in Bartlett and it has been a yearly effort to keep our assessments in line with the market values. It has been a continuing effort to keep pace yearly in order to avoid a costly revaluation. The assessments are adjusted according to actual sales in the different areas of Town and some areas see dramatic increases, some moderate increases, some areas significant change and a few areas see decreases in their assessments. The goal is to keep as close to 100% of market value as possible.

Once again this year the Selectmen thought we would have a fairly sizeable under expenditure of the budget but the large December storms put a huge dent in that idea. Despite the end of the year doldrums budget-wise, we still managed to stay under budget.

Even though this year's budget presented by the Selectmen is less than last year's, it really is significantly less if you factor in two changes we have had to make this year. Police details are included in this budget and even though it is not a direct expense to the taxpayer, since detail work also shows as a revenue, we must account for it in the budget. The Town actually makes some income on the details over and above what the officer is paid to cover bookkeeping, cruiser use, and other expenses. Additionally, a change in the State law now requires that fees previously retained by the Town Clerk must now be transferred to the Town by the Clerk and then paid back to the Clerk. While this is a pass through item, we must still account for these fees as an expenditure (Acct. #4130 Town Officers Salaries) and the revenue side of the budget. Together these two items represent \$39,000 in the budget but our revenues are also increased by a like amount.

At last year's Town Meeting, the Selectmen asked for funds in the budget to renovate and make the bathrooms at Town Hall handicap accessible and a warrant article to renovate the basement for use by the Police Dept. The estimates and bids for both projects came in over budget so neither project was done. We did, however, install new tile in the Town Hall entrance way and front room of the Town Clerk's office. Since the cost of doing the basement project was so expensive, the Selectmen have put that project on hold and will be looking at other options. There is an article in this year's warrant to fund the bathroom project and install new carpet in the Police Dept.

There is an article in the warrant to purchase a new Town Highway Truck with related equipment and we will be trading or selling a 1993 truck, which will eventually show on the revenue side. Additionally, we will be selling one police cruiser which has 125,000 miles. Police Chief Connifey has indicated he needs just three cruisers and will not propose purchasing a new cruiser until next year.

The 2001 audit was completed by the firm of Mason+Rich and has been available for public review since the fall and will remain so for anyone wishing to review it. The audit showed no significant problems and the suggestions made by the auditing firm have been reviewed by the Selectmen and most of their suggestions have been implemented and discussions are ongoing with the remaining suggestions. There is an article in this year's warrant to comply with Governmental Accounting Standards Board Regulation 34 also known as GASB 34. We believe that this is an unreasonable and unnecessary requirement for small towns, but if we don't comply, we may not be able to borrow money either long term or short term.

The Road Agent's report elsewhere in the Town Report outlines road projects completed in 2003 and upcoming major projects for 2004 which include Linderhof Strasse, Timberline Road and portions of Dundee Road. Additionally, we will be sealing 4-5 miles of roads throughout town and ditching and drainage projects will continue on various roads.

The Transfer Station continues to run smoothly and, similar to the Bartlett Jackson Ambulance Service, is another example of two towns working together for mutual benefit. This year a couple of loads of tires will be hauled from the site. The implementation of charging a fee to dispose of construction material is working well and during 2003 we collected \$11,040 in fees.

As of this writing (early February), we believe the Selectmen have held the final meeting with the State regarding the E911 numbering system and should be ready to hold the informational meeting by spring regarding street names and changes. Bartlett was one of, if not the first, to be mapped under the new E911 mapping system and while causing a few delays, we believe the end result will be a good system. There is a lot of information that must be verified and obviously this must be done carefully and accurately, which is complicated due to the numerous second homeowners in our area. There will be adequate notification once the new system is activated, but we ask that you please do not use any numbers other than the ones that are officially issued to you once the system is activated. We have included an article in the warrant to raise funds to purchase street signs related to the E911 system. The public is reminded that Bartlett is still a participant in the statewide E911 program and that is the number to call in true emergencies.

Financially the Town remains in good shape. Efforts to keep spending in check have resulted in a low and fairly stable Town portion of the tax rate. We finished paying off the Road Construction Bond this year and are left in the very enviable position of having only \$90,000 in long term debt. If you subtract out the \$39,000 that represents "pass through" items (eg. Police details, town clerk fees, etc.) not previously included in the budget, this year's budget represents a decrease of approximately \$40,000 over last year's budget. Coupled with our surplus as noted in the Financial Report, we are in pretty good shape as we head into 2004.

In an effort to help control health insurance costs, any newly hired employees are now required to pay 10% of the family health insurance plan. In 2003, we also changed health insurance carriers to the NH Municipal Association Health

Insurance Trust as well as our program from a Point of Service (POS) plan to a Health Maintenance Organization (HMO). This has brought us some very good savings from our previous plan but as we all know, these costs are the most difficult to control, however, we will continue to keep all of our options open to try to get the best deal for the taxpayer's money.

The Selectmen would like to thank all elected officials, town employees, and volunteers who help make Bartlett such a special place to live. Special thanks go to the dedicated volunteers of the Fire Department and Ambulance Service. It is always easy to find something to complain about but all of Bartlett's elected officials, both school and town as well as the many volunteers, work hard with the best interests of Bartlett's citizens in mind and a thank you and a friendly smile are always appreciated.

AUDITOR'S REPORT

May 30, 2003

To: Board of Selectmen

From: Francis Matranga, Auditor

SUBJECT: Town of Bartlett Audit - 01/01/2002 through 12/31/2002

A review of the Town's financial records for the above period indicated that all recordkeeping activities were conducted in a satisfactory manner. Receipts of funds and disbursements were reconciled to their corresponding bank statements. Personnel involved in Town operations are knowledgeable in their activities and segregation of duties between them is adequate.

The review disclosed the following matters which are brought to the Selectmen's attention:

Town Investment Policy

The files do not contain an Investment Policy as required under NHRSA 41:29-IV. During the audit, such a policy was drafted, and if it meets with the Selectmen's approval, should be adopted and made part of the Town's policies and procedures.

Selectmen's Response: The above-mentioned policy was approved and signed by the Selectmen.

Data Files

During the course of daily operations, computer disks are not routinely backed up and placed in a fireproof safe for disaster contingency plans. It is recommended that the Selectmen establish policies and procedures to ensure periodic back up and secure storage of all Town computer disks.

Selectmen's Response: Since payroll and accounts payable are done weekly, the bookkeeper has been instructed to do a weekly backup on a disk after processing checks and store it in the Town vault. Backup hard copies are already stored in the vault.

Bank Account Interest

Current procedures call for the Tax Collector to receive all cash and checks for the Town and place the funds in one of two accounts maintained by her. After a sufficient period of time, when returned checks are unlikely, she draws checks for deposit to the Treasurer's account. Since the Tax Collector's accounts do not receive interest, and the Treasurer's does, separate accounts merely to clear checks is redundant and time consuming. Should interest rates rise, the loss of interest to the Town could be quite substantial.

Selectmen's Response: This is an issue that we have been addressing with the accounting firm of Mason+Rich. The Treasurer and the Tax Collector both have concerns with the mechanics of this issue that need to be worked out. As mentioned, interest rates are so low at this time, that issue is not of concern at the moment but could be one in the future.

Computer and Software Support

The Town currently utilizes BMSI for its data processing functions. It is recommended that the Selectmen contact the company to provide additional training to Town employees on their software programs. While employees are familiar with recordkeeping functions, the system can provide more information and reports than are currently being utilized.

Selectmen's Response: The Town is currently not satisfied with the BMSI system and agree that we are not using it to its full potential. However, software glitches and complicated reporting with this system has made us consider switching to another program at the suggestion of Mason+Rich.

I would be pleased to discuss these findings with the Selectmen should they require additional information, or have any questions regarding the audit.

BARTLETT CONSERVATION COMMISSION

As in most past years, the main activity of the Bartlett Conservation Commission in 2003 was in assisting the NH Department of Environmental Services (DES) in examining sites of Wetlands Permits. The DES cannot survey all of these sites. The Bartlett Conservation Commission helps in advising both the DES and permit applicants about possible problems that may occur if the permits are granted.

There were a number of vacancies on the Commission this year but they will have been filled by the time this is printed and hopefully will become an active part of our community in preserving our natural resources.

2003 PLANNING BOARD REPORT

The growth of development in the Town of Bartlett continued through 2003 at a steady pace. Several large subdivisions were approved by the Board and it appears that the trend is towards lower density use of land resources than has been seen in earlier development periods. An ongoing review and updating of the Town Subdivision Regulations and Zoning Ordinance continues.

The board wishes to thank all those members, alternates and volunteers who have dedicated their time and efforts to assist in the management of growth and development in Bartlett. A special word of thanks to those individuals on the board that have served over the years and continue to contribute their expertise, counsel and support to our newer members. Thanks to Debra Rubino for all her efforts in the planning, preparing and documenting of the planning board meetings.

2004 appears to be developing as another year in which the Town of Bartlett will see further challenges in growth and development. The goals of our community should reflect standards that are consistent with our master plan and the quality of life we value so highly. How we manage future development is a concern of all residents and the planning board seeks and encourages your input and feedback. Your support is greatly appreciated.

FRANCIS X. MATRANGA
Chairman, Bartlett Planning Board

BARTLETT PUBLIC LIBRARY REPORT 2003

2003 was an exceptionally busy year at the combined Bartlett Public Library and the Josiah Bartlett School Library. Fourteen thousand eighty-seven library materials were circulated. This figure includes books, magazines, videos and audio-cassettes. One thousand seventy-three items were added to the total library collection. Seven hundred forty-three items were added to the Bartlett Public Library collection and three hundred twenty-seven were added to the JBES collection. Three hundred fifty-seven books were donations given to the library. Four hundred thirty-three *Believe in Books* book bags with a total of three thousand six hundred forty-five books circulated during the year. The library borrowed two hundred sixteen books through NHUPAC (statewide library system) and loaned four hundred forty-two books to libraries throughout the state. Memorial funds were received in memory of Mary Ward and Albert Henn.

The librarian attended two Carroll County Library Coop meetings, one Five Rivers (NHUPAC) meeting, two workshops, a CHILIS (NH Children's Librarians) Conference and a day-long workshop sponsored by the NH Historical Society.

The library received a Gates Foundation Grant which provided a computer, laser printer, a hookup to the Internet, and several Microsoft programs. This grant also provided two all-day workshops and two days of individualized training in the library to acquaint the staff with the programs available on the Gates computer. The total amount of this grant was \$4,964.00.

In the spring the library sponsored a monthly book club and a NH Humanities Program, *Yankee Humor*, by Rebecca Rule.

In the summer the library had a booth at the local Fourth of July celebration; sponsored the summer reading program, *Reading Rocks*, and held weekly Tuesday morning story hours in Will's Park. The summer program culminated with a special program sponsored by the *Kids, Books and the Arts* and performed by Leslie Smith, a professional puppeteer. Her excellent performance with puppets, music and song was enjoyed by all who attended.

In the fall the library sponsored a four-part New Hampshire Humanities book discussion series, *Contemporary New England Authors*, held monthly September through December. A grant from the New Hampshire Humanities Council provided professional facilitators who lead the lively discussions. The library also sponsored a series of four very successful Holiday Crafts workshops during November and December.

The library hours for the Bartlett Public Library are listed below. The public is also welcome to use the library during the hours the Josiah Bartlett School Library is open (usually after 8:00 AM).

Lack of space is now presenting problems for the Bartlett Public Library. This year we added two more sections of shelving in the adult fiction area. There is no more room for expansion in this facility. In order to continue to meet the needs of the community, this space problem needs to be addressed.

THE BARTLETT HISTORY FUND

The Bartlett History Fund was established by the Bartlett Library Trustees following the Town's bicentennial in 1990. The purpose of the History Fund is to further the recording of the history of Bartlett and its vicinity. Profits from the sale of the local history, *Bartlett, New Hampshire; In the Valley of the Saco*, and the sale of bicentennial memorabilia were set aside to establish the Bartlett History Fund.

The following guidelines for the Bartlett History Fund have been established:

- All monies received from future sales of the Bartlett History books, bicentennial memorabilia, and any other project undertaken by the Trustees for the History Fund will go into the History Fund.
- This money is put into a separate account under the name "Bartlett History Fund."
- This fund may not be used for the Library budget. The Library may, however, use this fund to purchase books and material relating to the history of the town. This material will then become a part of the Bartlett History Collection which is being maintained in a special fireproof file cabinet.
- The money in the History Fund may be expended for historical projects, pictures, postcards, and other types of historical materials.
- The Bartlett Library Trustees must approve the above expenditures. Donations of materials and monetary gifts may be made to the Fund.

During 2002, the library received a gift of an original 1896 birdseye map of Bartlett. It was taken to the Northeast Document Center where it was restored to its present condition. It was then framed with acid-free matting and glass and is now on display at the library. Copies of this map were made and are now available at the library for \$10.00.

Cash on hand as of December 31, 2003 is \$15,500.44.

The Library has copies of its two histories: *Bartlett, New Hampshire; In the Valley of the Saco*, and *The Latchstring was Always Out: a History of Lodging Hospitality and Tourism in Bartlett, New Hampshire*, by Aileen Carroll, for sale. These books are also for sale in the local bookstores.

Anyone interested in working on a history project should contact the Bartlett Library Trustees with their proposal or call the library at 374-2755.

BARTLETT POLICE DEPARTMENT ANNUAL REPORT 2003

The Bartlett Police Department had another good year in 2003. Again, the support of the community has been terrific.

Officer Terrence Spittler has left us to join the NH State Police. Officer Karl Meyers has joined the Jackson Police Department. Their shoes have been very ably filled by the addition of Officers Ted Colby and George O'Brien.

With Officer Cheryl Torosian returning from active duty service with the US Navy and Officer Garry Sherry filling in the gaps during her absence, we were able to meet the law enforcement needs for the Town of Bartlett.

Brenda Medeiros continues to be the glue that holds us all together with her organizational skills.

Thank yous go out to the Bartlett Fire Department, Bartlett Jackson Ambulance and the Road Agent and his crew for a job well done.

The Board of Selectmen, Town Hall staff and citizens of the Town of Bartlett deserve our sincere gratitude for their continued support.

BARTLETT-JACKSON AMBULANCE SERVICE

The year 2003 has been quite busy for all of the volunteer services in the Bartlett and Jackson area. Although our call volume was down slightly from last year, the man hours were up markedly. We had an increase in motor vehicle accidents, many involving several vehicles. Even if no one is injured it requires the time of EMS, Fire and Police personnel to respond to check for injuries, fluid leaks and complete State mandated reports. The average call time for each incident is 1 hour for non-transport calls. Fortunately, despite the increase in MVA's, the number of serious injuries was minimal. The nationwide awareness of defensive driving and use of seat belts appears to be working. It is especially important for children to be properly belted in the back seat. New laws effective January 1, 2004 require any child under 55" to be in an age appropriate car seat or booster seat. Children under the age of 12 should not be allowed to ride in the front seat especially if an air bag is in the vehicle. As EMS providers we encourage all adults to wear seat belts as well.

We have several members currently enrolled in advanced programs and have acquired several new members during the year. All courses and re-certifications require hundreds of hours of personal time that is not compensated by the towns. We want to acknowledge all of our members and their families for their sacrifice and dedication. They do a fantastic job of serving your communities 365 days a year! Every year, a night community EMT course is offered. It is relatively inexpensive and we encourage anyone interested to enroll and become part of our team.

The crews of the State Highway Department and Town Highway are always on the job to make our work safer and easier. The Police Department, AMC, SOLO, Mountain Rescue, IME, the Fire Departments from Glen, Bartlett, and North Conway, and North Conway and Gorham Ambulance Services are always ready to assist us when we need extra resources. We thank you all for your dedication to your professions and for your cooperation and mutual aid to our towns. And as always, we thank the people and leadership of the towns of Bartlett and Jackson for the continued support and assistance.

2004 brings the retirement of Fire Chief Roger Labbe from the Bartlett and Glen Fire Departments. Roger dedicated many years of service to the town and we wish him a happy and peaceful retirement. He will still be a volunteer firefighter but will not have to be on call 24 hours a day!

We welcome Pat Roberts as the new Fire Chief of the Bartlett/Glen Fire Departments. He will be re-certified as an EMT in the near future and that will be a valuable asset to the ambulance service and the towns.

BARTLETT FIRE DEPARTMENT ANNUAL REPORT 2003

This past year, the department responded to 187 calls for services. The department was fortunate this year to have only one structure fire.

This year we had one member take a Firefighter I course and three members take a Firefighter II course. This shows a big dedication of these men who are willing to serve you.

This will be my last report for the fire department as I retired on December 31st, 2003. I just wanted to say that I thoroughly enjoyed the opportunity to serve the town as your fire chief over the years. The town's people have been very supportive to me and I thank you for that. I would also like to say thank you to the members of the department for their support and dedication that they have shown me over the years. As of this writing, my successor has not been appointed and I wish each candidate luck and I will support whoever is appointed. I will be staying on the department as a member and I will help the new chief in any way I can to make the transition as smooth as possible.

I would like to thank all the departments for their support over the years as well as the Selectmen, Police Department, Bartlett-Jackson Ambulance, Mutual Aid Departments and especially the people of Bartlett.

Respectfully Submitted,
Chief ROGER LABBE (Retired)

REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding area) is completely covered with snow. Violations of the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, in addition to the cost of suppressing the fire.

A new law effective January 1, 2003 prohibits residential trash burning. Contact the New Hampshire Department of Environmental Services at (800) 498-6868 or www.des.state.nh.us for more information.

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and making sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at www.nhdf.org or 271-2217 for wildland fire safety information.

BARTLETT RECREATION DEPARTMENT 2003 ANNUAL REPORT

It has been a year of transition for the Bartlett Recreation Department. In 2003 we said farewell to Tom Adams, Recreation Director and Katie Hammond, North Country AmeriCorp Service Member. Their individual accomplishments in the past year were significant. Tom Adams expanded the sports program to include adult sports that proved popular in 2002 and 2003. He helped improve the playing fields and made it possible for everyone to participate in activities and programs. Katie Hammond proved to be a tremendous asset to the recreation department. Outing Club, Christmas Mountain Resort Night, Big Rock Beautification, Cave Mountain Trail work, Wills Park weeding, Old Town Cemetery clean-up and VFW painting project and work with the B.E.A.R. Camp were some of Katie's greatest accomplishments. Most significant of all was her phenomenal ability to forge a great working relationship with the students, teachers, staff, parents and businesses in the Bartlett and Jackson communities. I am especially thankful to Katie for laying the groundwork and helping to maintain a great line of communication and support with the administration and staff of SAU #9 and the Josiah Bartlett Elementary School. Her accomplishments and hard work made my transition into the role as the new director fun, enjoyable and exciting.

2003 was truly a year of community involvement, participation, volunteer spirit and giving. Our first milestones were the baseball can drive, Fourth of July Celebration and parade proved to be fun, memorable, well-attended and supported. The B.E.A.R. Camp experienced one of its best seasons, with over ninety-six campers attending over a six-week period. The field hockey and soccer teams did very well this year and provided some great moments and parent support. The fall brought with it the spirit of giving as the community gave generously to help families in need. The warrant article approved by the Town of Jackson to help support the recreation department, VFW Haunted House, Harvest Supper, Holiday Craft Fair/Children's Gift Shop and Annual Giving are a testament to the strength of the Bartlett and Jackson communities. The volunteer spirit is alive and well in our community. Each event required many hours of hard work before, during and after each event. With the fear of not recognizing all of the wonderful people who worked in front of and behind the scenes during all of these events, I say thank you to everyone who contributed to the success of this department in 2003. I would especially like to thank the Board of Selectmen and Recreation Board of Directors for giving me the opportunity to work in such a great community.

As we look toward 2004 and the future, we know every improvement will help build a stronger department. 2004 will be a year of revitalization, realignment and expansion of services. Many challenges lie ahead and I am confident that we will meet them and develop a strong, viable and energetic recreation department. Thank you for a great year.

HIGHWAY DEPARTMENT REPORT

This year was a very busy year. The winter was a long one and this summer we have been working shorthanded. As you probably know, Earle Fernald was injured last spring and was finally able to return to work in late October. We are all very happy to have him back to work. We also welcomed Donald Miller to the Highway Department in October and he has been a good addition to the crew.

Although shorthanded, we did continue with our summer work. We repaired 2400 feet of road on Thorn Hill Road to complete the reclaiming and also hot topped it. We also did our hole patching and we shimmed over two miles of roads using Allstate Paving Company, which I feel saved the town time, materials and money and was professionally done.

We also shimmed the following roads: Cobb Farm Road, Glenwood Ave., Littlefield Road, Popple Hill Road, Mt. Pickering Road, Karwendahl Strasse, Munchen Strasse, and a small part of Linderhof Strasse as well as the crossroad between Rte. 16 and 16A. We also replaced several pipes this summer and would like to thank the people who use our roads for their patience when we have to closed down a road for paving or replacing pipes. Thank you to our Police Department and Fire Department for all their support and, most importantly, the girls at the Town Office for all of their support. I feel without the total support of each other, our jobs would be more difficult.

We also did our grading of the dirt roads and would like to thank Allen Eastman for letting us use his grader, as our grader was broken down. We were waiting for the ring and pinion parts all summer in order to repair our own grader.

I would like to thank the Town of Bartlett Selectmen for all of their help and trust in me for the last three years I have been Road Agent. This was my last year as I retired as of December 18, 2003. Last but not least, I would like to thank the townspeople for their cooperation and tax dollars to make the town roads clear in the winter and repaired in the summer.

Respectfully submitted,
VINCENT L. BAILEY
Road Agent

2003 TOWN MEETING MINUTES TOWN OF BARTLETT, NEW HAMPSHIRE

Moderator Robert Clark opened the Annual Town Meeting by swearing in election officials and then opened the polls at the Bartlett Town Hall on Tuesday, March 11, 2003 at 8:00AM by reading the following:

"To the inhabitants of the Town of Bartlett, New Hampshire in the County of Carroll in said State, qualified to vote in the Town affairs: You are hereby notified to meet in the Town Hall in said Bartlett on Tuesday, March 11, 2003 at eight o'clock in the forenoon to act upon the following subjects hereinafter set forth. The voting on Article 1 - 8 will be by official ballot at the Town Hall and the polls shall open for balloting at eight o'clock in the forenoon and shall not close before seven o'clock in the evening. The following articles (Articles 9 - 31) in the warrant will be acted upon on Thursday, March 13, 2003 at six thirty o'clock in the evening at the Josiah Bartlett Elementary School in Bartlett Village. We hereby certify that we posted a like copy of said Town Warrant and Budget on February 24, 2003 at the Post Offices in Glen and Bartlett, at the Town Hall in Intervale (Bartlett) and the Josiah Bartlett Elementary School (the places of meeting), all being public places within the said Town of Bartlett, New Hampshire. A true copy of warrant attest: Board of Selectmen: Gene G. Chandler, Douglas A. Garland, and David A. Shedd."

Moderator Clark went on to read the following articles:

YES [] or NO [] (Planning Board favors)

ARTICLE 5. Are you in favor of the adoption of AMENDMENT No. 4 as proposed by the Planning Board for the Town of Bartlett Zoning Ordinance as follows: To Article XI Setbacks, Section D, add the following: "All structures

located along the Saco River corridor will have a minimum set back of 50' from the normal high water mark as defined by the State of NH per NH RSA 483-B:4, 11-A." YES [] or NO [] (Planning Board favors)

ARTICLE 6. Are you in favor of the adoption of AMENDMENT No. 5 as proposed by the Planning Board for the Town of Bartlett Zoning Ordinance as follows: (a) To add to Article XIII Permitted Uses, Section C -Town Commercial District the following: "All rental businesses not defined as renting a motorized vehicle (b) to add to Article XVIII Board of Adjustment, Section D - the following: "All rental businesses renting a motorized vehicle" and (c) to add to Article XIX Definitions, the following: "RENTAL BUSINESS -Business establishment that rents items to the public." and MOTORIZED VEHICLE - All vehicles using a motor to propel itself. This includes but is not limited to: cars, trucks, motorcycles, all terrain vehicles, snowmobiles, construction equipment, etc." YES [] or NO [] (Planning Board favors)

ARTICLE 7. Are you in favor of the adoption of AMENDMENT No. 6 as proposed by the Planning Board for the Town of Bartlett Zoning Ordinance as follows: To move "Car Wash" from Article XIII Permitted Uses, Section C, #27 to Article XVIII Board of Adjustment, Section D, letter (w) under Special Exceptions. YES [] or NO [] (Planning Board favors)

ARTICLE 8. Are you in favor of the adoption of AMENDMENT No. 7 as proposed by the Planning Board for the Town of Bartlett Zoning Ordinance as follows: Article IV General Provisions - Section P - Outdoor Lighting to define more specifically the type of lighting permitted under canopies, height of fixtures, light sources and shielding, intensity of lighting and sign illumination. YES [] or NO [] (Planning Board favors)

Moderator Robert Clark noticed that the Bartlett-Jackson Cooperative School ballot was printed incorrectly listing candidates in the wrong positions. Moderator Clark contacted the SAU No. 9 office and the Secretary of State's office to determine the proper procedure. The ballots were corrected and a new supply printed. The Town of Jackson was notified and a supply of corrected ballots were delivered to them.

Voting occurred until 7:00 PM when the polls were closed and ballots were counted. There were 319 ballots cast. The results were announced as follows: (*denotes winners)

The meeting was adjourned until Thursday, March 13, 2003 at 6:30pm at the Josiah Bartlett Elementary School.

Moderator Clark opened the deliberative portion of Town Meeting held on Thursday, March 13, 2003 at the 6:30pm at the Josiah Bartlett Elementary School. Clark asked the Girl Scouts to lead the Pledge of Allegiance. Clark then

repeated the results from Tuesday's voting as listed above. Clark explained that there would be at least one ballot vote at this meeting and instructed voters to go check in with the Supervisors of the Checklist in order to get their ballots.

He then proceeded with the rest of the warrant as follows:

ARTICLE 9. Shall we modify the elderly exemptions from property tax in the Town of Bartlett, NH, based on assessed value, for qualified taxpayers (as provided in NH RSA 72:39-a-b) to be as follows:

For a person 65 years of age up to 75 years: \$10,000

For a person 75 years of age up to 80 years: \$20,000

For a person 80 years of age or older: \$30,000

To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$20,000 if single or, if married, a combined net income of less than \$30,000; and own net assets not in excess of \$50,000 excluding the value of the person's residence. (Majority ballot vote req'd to pass). Motion was made and seconded to accept the article as read. Selectman Chandler spoke to the article, explaining that a resident had come to the Selectmen asking for changes to the Elderly Exemption, they discussed various options for each category, they reviewed what the rest of the towns in Carroll County and some other towns currently have, and the Selectmen agreed to put this on the warrant. Motion was made by John Murphy (Dundee Rd.), seconded by Bill Fabrizio to remove the last sentence regarding assets. Murphy stated he wanted to remove the limit of assets on this. Chandler reviewed the NH RSA on this and felt that if we did not follow the wording as listed in the statute that the whole article would be ruled invalid by the NH Dept. of Revenue Administration. Fabrizio withdrew his second and Murphy withdrew his motion. Murphy then made a motion to amend the assets limit amount to \$125,000, which was seconded by Fabrizio. Vote was taken on the amendment - **Passed asset limit of \$125,000**. Clark explained that voting on the article must be done by ballot, that the amended amount of the assets was \$125,000 with the rest of the article remaining the same, he opened the polls at 6:50pm and stated the polls would remain open for an hour. The following results were read later after the polls closed and ballots counted - **Passed as amended with assets not exceeding \$125,000 - Yes = 78 / No = 14**.

ARTICLE 10. To see if the Town will vote to raise \$1,383,515.00 to defray Town charges for the ensuing year and make appropriations of the same. Selectmen favor. Motion was made and seconded to accept the article as read. Selectman Chandler made a motion, seconded by Selectman Shedd, to amend the bottom line of the budget by adding \$5,000 for fuel costs. Chandler explained that at the time the budget was prepared, gas prices were a lot different than what they are now and the Selectmen have concerns that the police, fire, highway, and town hall will need more funding for heat and gasoline due to this. Bill Fabrizio then tried to amend the budget as well but the Moderator ruled that we must address the first amendment before we can do another one. Chandler went on to review each line of the budget and answering questions as he went along. Vote was taken on the amendment of adding \$5,000 = **PASSED**. Clark then recognized

Fabrizio who made a motion to add \$30,500 to account no. 4520, which was seconded. Fabrizio stated that the Recreation Director should be part of the regular budget like all the other employees, that the school has included the rec. dept. as part of their budget and it was time the town did, and he would be making a motion to remove that amount from Article 17 when we get to that article. Vote was taken on the amendment to add \$30,500 to line 4520 of the budget - **PASSED**. No further discussion. Vote was taken on the article as amended for a total of \$1,419,015 - **PASSED \$1,419,015**.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$100,000.00 for town road improvements. Selectmen favor. Motion was made and seconded to accept the article as read. Selectman Chandler spoke to the article. No discussion. Vote was taken on the article - **PASSED (\$100,000)**.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$11,000.00 for the installation of a security system including a smoke and burglar alarm at the Town Hall. Selectmen favor. Motion was made and seconded to accept the article as read. Selectman Shedd spoke to the article. Fire Chief Labbe asked whether the fire alarm will be interior or exterior monitoring. Shedd stated that when we get to the point of deciding on exactly what the system will be, that the Board will ask for his input. No further discussion. Vote was taken on the article - **PASSED (\$11,000)**.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for renovations to the basement of the Town Hall for office space, interview room, evidence storage and other office facilities for use by the police department. Selectmen favor. Motion was made and seconded to accept the article as read. Selectman Garland spoke to the article. Leslie Mallett asked if this included making the bathrooms handicap accessible, repairing the floor in the lobby and the carpeting in front of the Town Clerk/Tax Collector window and made the motion to add \$10,000 to the article for this purpose. Homer Holmes seconded the motion. Moderator Clark ruled the amendment out of order because it would be changing the intent of the article as posted. Holmes withdrew his second and Mallett withdrew her motion. Selectman Chandler explained that there is money in the budget under General Gov't Buildings to do work on the bathrooms, that we have done various projects at Town Hall, and that the lobby and rug would be projects for next year. Frank Graham stated that with his police experience he knew the need for security during interrogation and made a motion to add \$5,000 to be sure it would be secure, which was seconded. Selectman Chandler stated that there was enough in the article to cover the project, the Chief was happy with the plan, and he didn't know what we would do with the extra money. Vote was taken on the amendment to add \$5,000 - **FAILED** (hand vote was taken). Bill Duggan stated that he felt the town hall needs work but would like a study on getting a new Town Hall, that it was an old building and expensive to maintain. Mallett stated that the Rec. Dept. was forming a long range facilities committee to look at options, that they could include town facilities as a whole in it, and anyone interested in being on the committee could contact her. No further discussion. Vote was taken on the article - **PASSED (\$10,000)**.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$20,600.00 for the purchase of a police cruiser, radar, and associated radio and light equipment. Application is being made for a 50% matching grant for the radar from the State Highway Safety program. Selectmen favor. Motion was made and seconded to accept the article as read. Selectman Chandler spoke to the article. Homer Holmes asked if this included a video camera. Chandler stated no, the Chief did not ask for it in his request. Chief Connify stated that a video camera cost about \$2,500, he did not ask for it and didn't do any research on it. Holmes made a motion to add \$2,500 to the article for video equipment, seconded by Frank Graham. Vote was taken on the amendment - **PASSED +\$2,500**. Vote was taken on the article as amended in the amount of \$23,100. **PASSED (\$23,100)**

ARTICLE 15. To see if the Town will vote to change the purpose of an existing Truck Capital Reserve Fund to the Highway Truck Capital Reserve Fund and to raise and appropriate the sum of \$30,000.00 to be placed in this fund. Selectmen favor. (2/3 vote required) Motion was made and seconded to accept the article as read. Chandler spoke to the article explaining that the Road Agent feels we will need to purchase a truck next year costing about \$80,000, and when we see how the tax rate is going, we'll decide whether to buy it outright next year, bond it, or use some of this money towards it. Vote was taken on the article - **PASSED BY THE REQUIRED 2/3 - HAND VOTE - YES = 63 / NO = 3**.

ARTICLE 16. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of NH RSA 35:1 for the purpose of Recreation Land or Easement Acquisition and to raise and appropriate the sum of \$5,000.00 to be placed in this fund. Selectmen favor. (Majority vote required) Motion was made and seconded to accept the article as read. Selectman Shedd spoke to the article. No discussion. Vote was taken on the article - **UNANIMOUS VOICE VOTE - PASSED BY THE REQUIRED MAJORITY**.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$30,500.00 for salary and benefits for the Recreation Director and the sum of \$4,000.00 for an office assistant through the Americorps program. Garland and Shedd favor/Chandler favors \$30,500 for the Director but not the \$4,000 office position. Motion was made and seconded to accept the article as read. Bill Fabrizio made a motion to deduct the salary and benefits of the Recreation Director in the amount of \$30,500, which was seconded. Fabrizio explained that since it was now in the budget it didn't need to be here. Vote was taken on the amendment to reduce the article by \$30,500 - **PASSED**. Selectman Garland spoke in favor of the Americorps assistant. Bert George asked what the Americorps person does. Leslie Mallett, Chairman of the Rec. Dept. Board of Directors, explained what Kate Hammond, the Americorps person, does. Vote was taken on the article as amended less \$30,500 - **PASSED (\$4,000)**.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$7,000 for water testing at the old landfill site. Selectmen favor. Motion was made and seconded to accept the article as read. Selectman Shedd spoke to the article and then made a motion to amend the article by removing \$1,000 making the sum \$6,000, which was seconded by Garland. The reduction is due to the successful bidder on the project coming in at \$5,895. Peter Villaume asked if the

town was responsible for the old dump in the village. Chandler stated no, that was on private property, the town is only responsible for the landfill at Roger's Crossing (Garland property). Bill Duggan asked if the landfill at Roger's Crossing wasn't private property also. Chandler stated yes, but the closure contract stated the town had to close it. Duggan asked how many years were left on the testing, when was the last time we did it, and why haven't we done it before this. Chandler stated that the Selectmen will probably disagree on the answers, however, the reason it took so long to close the landfill was because the State was trying to make us close it under the new rules and we contended and won on the fact that we were issued a permit with a closure plan before the new rules were implemented and that was how we would close it, thus saving the town a lot of money. Shedd stated we are supposed to do testing each year for 30 years after the landfill is closed, which was about 5 years ago. Duggan asked why this was coming up now, was it because of the land transferring. Chandler stated he didn't know the land was transferring but that the State hadn't pushed for it until last year. Donna Iovino, owner of the land where the old dump is in the village, stated it was not the property owner's responsibility to close it. Chandler stated that the town put cover material on the old dump when it closed but had no agreement beyond that. No further discussion. Vote was taken on the amendment - **PASSED TO REMOVE \$1,000**. Vote was taken on the article as amended - **PASSED (\$6,000)**.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$500.00 and grant to the Eastern Slope Airport authority for its use in operating the Eastern Slope Regional Airport in 2003. Selectmen favor. Motion was made and seconded to accept the article as read. Chandler read a statement from the town's representative to the Airport Authority, George Howard, who was unable to attend. No discussion. Vote was taken on the article - **PASSED (\$500)**.

Moderator Clark announced he was closing the polls at 7:50pm and asked the ballot counters to count the ballots on Article 9 and report back to him. He then continued with the warrant.

ARTICLE 20. To see if the Town will vote to raise and appropriate 100% from the cable franchise fees to support the operations and equipment needs of the Public Education and Government channel. The specific withdrawal of these funds can be discussed. No property funds will be raised to support this warrant article. Agreeable to a petition signed by Laura Slitt and others. Selectmen oppose. Motion was made by Selectman Chandler, seconded by Selectman Garland to pass over this article. Chandler explained that we received this petition very close to the deadline to receive petitions and subsequently found out that NH Dept. of Revenue will rule this article invalid because no dollar amount is specified. Therefore, the Selectmen added the following article (Article 21) so it could be discussed. Vote was taken - **PASSED OVER**.

ARTICLE 21. To see if the Town will vote to authorize the Selectmen, at their discretion, to distribute to a Public Education and Government station up to 25% of the cable franchise fee that the town receives from Adelphia Cable in 2003. This expenditure is not to exceed \$10,000.00 and is to be used to cover the costs of taping and televising Town of Bartlett governmental and educational meetings and events. Chandler favors \$6,400 (last year's amount)/Garland and

Shedd favor. Motion was made and seconded to accept the article as read. Dick Glines, Bartlett's rep. to the Valley Vision Board of Directors, spoke to the article. Glines then made a motion to amend the amount to \$25,000 (adding \$15,000), which was seconded. Glines explained that he felt it would be distributed as \$20,000 for Bartlett Selectmen Meetings, every third Planning Board meeting, and important school meetings with the other \$5,000 for Bartlett variety programs. Laura Slitt, videographer for Valley Vision and lead petitioner of Art. 20, spoke in favor of the article, asking voters to look at what Valley Vision is and could be, not what it was when it was having problems. John Murphy (Dundee Rd.) asked to have Homer Holmes speak to explain some things. Holmes spoke explaining some of the history of the local station and derivation of funds. David Roode asked Glines how we will know it will be broken out the way Glines described. Glines stated that he will ask the Selectmen to enter into an agreement that covers this. Roode asked if the article will still read to be disbursed at the Selectmen's discretion. Glines stated he wants to remove the words "at their discretion" and the amount to be \$25,000. Vote was taken on the amendment to remove the words "at their discretion" and change the amount to \$25,000 - **FAILED (hand vote - Yes = 33/ No = 35)**. Selectman Garland stated that he asked this question before when Valley Vision met with the Selectmen and hasn't gotten an answer yet, but if we partially fund them, will we get the programs paid for that we want. Garland went on to explain that the only reason this article is on the warrant is because the Selectmen put it there so it could be discussed. Glines stated we would get \$10,000 of \$229/hr shows, however, the Board is exploring such options for the variety shows that if your show is not popular enough, then you have to get your own sponsorship. Glines asked that Dot Seybold, a non-resident and Valley Vision Board Member and Treasurer, be allowed to speak. The body gave their approval for her to speak. Seybold stated that whatever amount of money is approved, the Valley Vision Board will work with the Selectmen to agree to a schedule of coverage. Sandy Hall and Frank Moffatt spoke in favor of the article from an education standpoint. Bill Duggan asked where the balance of the franchise fee money goes if it is not spent in this article. Chandler stated it is used as revenue to reduce property taxes. Bill Fabrizio complained about the scheduling of the playing of the Annual Bartlett School Meeting in parts I, II, and III and has yet to see the whole thing; he feels it was an important meeting that set the tone for the whole valley on this issue and should have run in its entirety in a timely manner. Paula Graham made a motion to amend the article to \$20,000, which was seconded. Selectman Chandler spoke against it, stating that he feels the town should see what happens with improvements by Valley Vision, the \$10,000 is an increase from last year, and we wouldn't even be discussing it if the Selectmen hadn't put this article on the warrant so they feel there is some value there. Charles Osgood asked to call the question, which was seconded. Vote taken to call the question - **PASSED**. Vote was taken on the amendment to \$20,000 (adding \$10,000) - **FAILED**. Motion was made to call the question, which was seconded. Vote to call the question - **PASSED**. Vote was taken on the article - **PASSED (\$10,000 as worded)**.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$1,348.00 to help defray the costs of Service Delivery of the Mt. Washington Valley Chapter of the American Red Cross. Agreeable to a petition signed by

Janice Mudgett and others. Chandler opposes - not a proper use of town funds for national organizations/Garland favors/Shedd opposes. Motion was made and seconded to accept the article as read. Terri Goldblatt, local director, spoke to the article. Homer Holmes asked about the Thorn Hill Lodge incident where the Red Cross did not respond. Goldblatt responded that there was a miscommunication that evening and it was unfortunate. Vote was taken on the article - **PASSED (\$1,348)**

Motion was made and seconded to combine Articles 23-28 and vote on them as a block. Karen Hebert spoke on behalf of Starting Point and thanked the voters for their support in the past. Vote was taken on combining Articles 23-28 - **PASSED**. Vote was taken on Articles 23-28 - **ALL ARTICLES PASSED as follows:**

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$3,582.00 to assist Carroll County Mental Health Service. Agreeable to a petition signed by Lisa DuFault and others. Selectmen favor. **PASSED (\$3,582)**

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$4,769.00 to support Bartlett home delivered meals (Meals on Wheels), congregate meals, transportation, and program services provided by the Gibson Center for Senior Services, Inc. Agreeable to a petition signed by Yvonne Kinsman and others. Selectmen favor. **PASSED (\$4,769)**

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$7,920.00 for the support of the White Mt. Community Health Center to help meet the healthcare needs of the uninsured and underinsured residents of Bartlett. Agreeable to petition signed by Coleman Scott Moffett and others. Selectmen favor. **PASSED (\$7,920)**

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for support of the Tri-County Community Action Program for the purpose of continuing services of the Fuel Assistance Program for the residents of Bartlett. Agreeable to a petition signed by Ellen Hayes and others. Selectmen favor. **PASSED (\$3,000)**

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$2,200.00 for the Early Support and Services Program (birth to 3 yrs.) of Children Unlimited, Inc. Agreeable to a petition signed by Kimberly Perley and others. Selectmen favor. **PASSED (\$2,200)**

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 in support of Starting Point providing crisis services to the victims of domestic and sexual violence and their children. Agreeable to a petition signed by Karen Hebert and others. Selectmen favor. **PASSED (\$1,000)**

ARTICLE 29. To see if the Town wishes to amend the existing agreement under Section 218 of the Social Security Act by excluding the services performed by election workers for a calendar year in which the remuneration paid for such service is less than \$1,200. The \$1,200 limit on the excludable amount of remuneration paid in a calendar year for the services specified in this modification will be subject to adjustment for calendar years after 2002 to reflect changes in wages in the economy without any further modification of the agreement, with respect to such services performed during such calendar years, in accordance with Section 218(c)(8)(B) of the Social Security Act. Selectmen favor. Motion was

made and seconded to accept the article as read. Chandler explained the article is to allow us to pay election workers up to \$1200 without having to take out Social Security. No discussion. Vote was taken - **PASSED**.

ARTICLE 30. To see if the Town will vote to amend the Floodplain Development Ordinance with the changes, deletions, and additions as posted at the Town Hall and other public places throughout Town and printed elsewhere in this Town Report. Selectmen favor. Motion was made and seconded to accept the article as read. Chandler stated the changes were listed on page 9 of the town report, they were done at the suggestion of the NH Office of Emergency Management and Office of State Planning, and are mainly house-keeping. No discussion. Vote was taken - **PASSED**.

Moderator Clark announced the results of the voting on Article 9 - Elderly Exemption change as being Yes = 78 and No = 14 (**Article 9 Passed as amended with \$125,000 asset limit**).

ARTICLE 31. To transact any other business that may legally come before said meeting. Bill Fabrizio asked when we are going to fix the ongoing problem with the septic and water freezing at the Transfer Station very year. Selectman Shedd spoke to the article explaining the work that was being done to try to correct the problem. Fabrizio stated it had been 4 weeks now. Shedd responded that it was three weeks but apologized, said it had been too long but they are working on it.

Motion was made by Bill Fabrizio, seconded by Roger Labbe to adjourn. Vote was taken - **adjourned at 9:05PM**.

Respectfully submitted,

Lynn P. Jones,
Administrative Assistant to the Selectmen

Leslie A. Mallett,
Town Clerk
