SELECTMEN'S REPORT

On June 30th and July 4th the Town of Cornish and the adjoining area suffered some of the worst flood damage in its history.

Many areas of New Hampshire and Vermont were declared disaster areas by the Federal Government, which made them eligible for federal aid in repairing the flood damage. Cornish was one of the townships that suffered severely.

The Selectmen immediately applied for whatever aid was available from the state and federal governments. Damage was estimated by state and federal assessors at over \$170,000.00. Some roads were completely washed out, bridges were damaged, brook beds filled up and their courses changed so they endangered roads and property. Blow-Me-Down Brook changed course and almost washed away the Town and Fire Department Garage at Cornish Flat. The buildings were saved only through the efforts of the Highway and Fire Departments and Milt and Maxie Jewell, all of whom worked through the night to save the buildings and equipment.

The rest of the year was taken up pretty much with flood damage repairs. These will not be fully completed until next summer. Work on stream beds, however, has been completed and the work inspected and approved by state and federal engineers.

The 1973 Duncan Fund and TRA road projects have been postponed until 1974 when the funds for 1973 and 1974 will be applied together.

In March the Selectmen contracted with the Windsor Fire Department for ambulance service for Cornish. This contract runs through the time of the March 1974 Town Meeting.

SELECTMEN OF CORNISH

ANNUAL TOWN MEETING

March 6, 1973

At the legal meeting of the inhabitants of the Town of Cornish, N.H. on the first Tuesday of March 1973, being the 6th day of March, at ten of the clock at the Town Hall at said Cornish, the Annual Town Meeting was called to order by the Moderator, James F. Mackintosh, and the Warrant, as far as Article 2 was read.

The ballots were counted by the Ballot Clerks, the Ballot Box was inspected, and the polls were declared open.

In accordance with the usual custom, action was deferred on all articles except Article 1, until 1:00 p.m.

At 1:00 p.m. the moderator opened the session with prayer and a salute to the flag. He then read the remainder of the warrant, and opened the meeting for business.

Article 2

(a) Robert LaClair moved, Connie Kousman seconded, that we take up Article 2 item by item. This was so voted.

Fred Sullivan moved we raise and appropriate \$6,750.00 for Town Officers' salaries, supported by Myron Kuhre and voted on in the affirmative.

(b) Jerry Smith, after discussion, moved we raise and appropriate \$2,750.00 for officers' expenses. Then he amended this by increase of \$420.00 to include new typewriter and adding machine for Town Clerk per suggestion of Polly Monette, raising \$3,170.00 which was seconded by Joseph Woodward and was a vote in the affirmative. Ruth Stewart, seconded by Ed Lawrence, moved we raise and appropriate the original motion with amendment. This was so voted.

(c) Ruth Rollins, seconded by Joseph Woodward, moved we raise and appropriate \$600.00 for election and registration expenses. So voted.

(d) Jerry Smith moved to raise and appropriate \$4,500.00 for expenses of Town Hall and other town buildings; supported by Paul Rollins and so voted.

(e) Joseph Woodward moved we raise and appropriate \$3,500.00 for Employees' Retirement and Social Security. This was seconded by Connie Kousman and voted in affirmative.

(f) Ruth Stewart made a motion to raise and appropriate \$1,500.00 for our Police Department, which was seconded by Myron Kuhre and so voted.

(g) \$1,700.00 was raised and appropriated by vote of the town for Fire Department on motion of Ellsworth Atwood seconded by Joseph Woodward.

- (h) \$1,700.00 was also raised and appropriated by vote of the people upon motion of Joseph Woodward supported by Hollis Boardman, for Insurance.
- (i) Peter Burling moved we raise and appropriate \$350.00 for Planning and Zoning, seconded by J. T. McSwain. Peter explained money needed for printing costs, forms for sub-division, etc. This was voted on in the affirmative.
- (j) Jerry Smith and Pete Decatur moved we raise and appropriate \$300.00 for cost of dogs. Approved by vote.
- (k) \$400.00 was raised and appropriated for damages and legal expenses by motion of Ellsworth Atwood and Joseph Woodward.
- (l) Ellsworth Atwood moved, supported by Michael Yatsevitch, that \$100.00 be raised and appropriated for use of Health Department. This was voted on, in the affirmative.
- (m) Bob LaClair, seconded by Jill Edson, moved to raise and appropriate \$100.00 for Vital Statistics, which was done by vote.
- (n) Connie Kousman moved we raise and appropriate \$100.00 for Visiting Nurse. Dorothy Colburn seconded. Question as to any activity on this – was told Donna Goodrich needed a nurse during Thomas Southwick's illness. Motion was then voted on, in favor.
- (o) Joseph Woodward moved, seconded by Ed Lawrence, to raise and appropriate \$1,000.00 for Town Dump. Ellsworth Atwood explained need for more money. Bob Bayliss thought \$1,000.00 not enough. Quite a discussion was held, concerning possibility of need for solid waste disposal plant at cost of \$35,000.00 in 1975; possibility of recycling all possible trash – big plant near Haverhill, Mass. Clara Weld suggested to amend by appropriating \$3,000.00, \$2,000.00 to be laid aside to do something more concrete. Bob LaClair said it should be put into a Capital Reserve Fund. Clara made it a motion, seconded by Peter Burling. It was voted on, in the negative. Original motion for \$1,000.00 was voted on, in the affirmative.
- (p) Fred Sullivan made a motion we raise and appropriate \$52,200.00 (\$36,049.25 to be town share and \$16,150.75 by subsidy). This was seconded by Lawrence Hilliard. Michael Yatsevitch explained the \$17,562.00. Harold Morse explained highway costs; several commented. J. T. McSwain reported budget could not be cut only \$800.00 – most \$4,000.00 of total amount is from overtime payments. After further discussion, by Ronald Knapp, Susan VanRenselaer, Joseph Woodward, and Chris Tilghman, the motion as originally made was voted on and passed unanimously.
- (q) \$250.00 was raised and appropriated by vote of the town upon motion by Jerry Smith supported by Robert LaClair – for street lighting.

(r) Ruth Rollins, seconded by Ed Lawrence, moved we raise and appropriate \$1,150.63 for our share of Town Road Aid (State to pay \$7,670.89). It was a vote in the affirmative.

(s) Joseph Woodward made a motion, seconded by Eleanor Thompson to raise and appropriate \$1,500.00 for George Stowell Library. Report made on library = "Friends" to start bookmobile for shut-ins. Motion was passed in the affirmative.

(t) Barbara Mackintosh moved, seconded by Polly Monette, to raise and appropriate the sum of \$3,000.00 for Town poor and Old Age Assistance. This was so voted.

(u) Ed Lawrence moved, supported by Pete Decatur, to raise and appropriate \$50.00 for Memorial Day. This was so voted.

(v) Myron Quimby moved we raise and appropriate \$2,500.00 for Cemeteries, supported by Jill Edson and voted on by town, in favor.

(w) Dorothy Colburn moved, seconded by Myron Kuhre, that the town raise and appropriate \$1,500.00 for Capital Reserve Fund for Fire Truck. This was voted on, in the affirmative.

(x) (y) (z) (z1)

Clara Weld, seconded by Robert LaClair, moved to handle these items together. So voted. Pete Decatur moved, supported by Peter Burling, that we raise and appropriate \$1,700.00 on Temporary Loans interest, \$1,000.00 for Interest on Long Term Notes, \$8,000.00 for payment on Long Term Note, and \$1,000.00 for Capital Reserve Fund for new highway equipment. These amounts by motion and vote were so raised.

(z2) Jill Edson moved we raise and appropriate the necessary amount for County Taxes, seconded by Fred Sullivan. This was voted on, in favor.

Article 3

After discussion, Fred Sullivan moved to delete the word "yearly" from the Article, supported by Ruth Stewart. This was so voted. Ed Lawrence, seconded by Dale Rook, moved to pass the article, as amended. As a Tax Map will be required by law, and as the town felt we must prepare for it, a vote was taken in the affirmative to raise and appropriate the sum of \$1,000.00 to be placed in a Capital Reserve Fund, to be used in the preparation of a Tax Map of all town property, at the Selectmen's discretion.

Article 4

Fred Sullivan moved we adopt Article 4, seconded by Jim Lukash, to raise and appropriate the sum of \$2,000.00 for matching funds, to be added to the \$1,000.00 raised last year toward repair of the dam at the fire pond on School Street. \$3,000.00 will be added, from state funds, to make \$6,000.00. Filings already are made with the Water Resources Board. What can't be done locally will be let out to bids. The motion was voted on, in favor.

Article 5

Bob LaClair moved to raise and appropriate the sum of \$1,000.00 for the Historical Committee, to be used in putting out a 4th edition of the Town History in 1973, supported by Ruth Rollins. Hugh Wade explained costs and what the committee plans to do. Joe Woodward made comments. Donald Monroe asked if Volume 3 was self-liquidating, and was told it would be. James Mackintosh moved an amendment to Article 5 – to add thereto, the town is looking forward to the ultimate return of said \$1,000.00 more or less at such time as the publication was sold, seconded by Jill Edson. This was so voted. Article 5 was passed by vote.

Article 6

James Mackintosh moved, seconded by Ed Lawrence, that we pass over Article 6. He quoted from the 1972 minutes where a Conservation Commission was appointed and the town raised \$829.00 until \$750.00 was received from the Ford Foundation, which amount had not been returned, etc. Jean Burling remarked we should vote on the motion so we can have a discussion. Mr. Mackintosh withdrew his motion. John Dryfhout moved that we strike out the word “annually”, and that we accept the article. Jerry Smith and Jim Borchert made comments. Ruth Stewart seconded the motion to accept the article to raise and appropriate \$1,000.00 to be placed in a capital reserve fund for the work of the Conservation Commission. By a standing vote the town passed Article 6, in favor.

Article 7

Ed Lawrence moved, seconded by Myron Kuhre, that we raise and appropriate the sum of \$1,268.00 to assure ambulance service for the Town of Cornish. The State and Local Assistance Act of 1972 could provide money for ambulance service. Both Claremont and Windsor ambulance services were discussed. Clara Weld suggested that any money appropriated be used for service by the Windsor Ambulance proposal, seconded by Vera Kuhre. This was voted on, in the affirmative. Joseph Woodward suggested the Selectmen have a written contract. The Town of Cornish has received from the Federal Government \$8,419.00 and it was voted that the town use \$1,268.00 of this amount for the assurance of ambulance service.

Article 8

Ruth Rollins moved that the Town authorize the withdrawal from the Revenue Sharing Fund, under the provisions of the State and Local Assistance Act of 1972, of \$4,000.00 to make payment on the note due on December 15, 1973 on the New Fire Truck loan, as a set-off against this debt service incurred for "priority expenditures" since January 1, 1972, seconded by James Lukash. This was voted on, in the affirmative.

Article 9

Peter Burling moved that the Town authorize the withdrawal of the balance of the Town's Revenue Sharing Fund from the Revenue Sharing Fund Account established under the provisions of the State and Local Assistance Act of 1972, the balance being \$3,151.00, to be expended for the general upkeep, repair and painting of the Town's bridges, as the Selectmen shall direct. This motion was supported by Jerry Smith, and voted on the affirmative.

Article 10

Clara Weld, seconded by Kevin Bartley, moved to pass over the article. Motion later withdrawn. Polly Monette moved that we amend Article 10, part 2, to read: "That a new Article IV be inserted and subsequent articles be renumbered, as follows:

"Tenting"

"Any person desiring to inhabit a tent in any location in the Town, except in a licensed camping area, for a period of more than seven days in any six-month period, shall apply to the Selectmen for a permit. The Selectmen shall direct the Public Health Officer to inspect the site on which the tent is to be erected, and the said Officer shall report to the Selectmen on the suitability of the site for extended camping. If the Selectmen, in consultation with the Public Health Officer, determine that the site in question is unsuitable for health reasons, the Selectmen shall withhold the permit." This was supported by Stephen Tracy, and the amendment was passed by vote. Hollis Boardman then moved that we adopt Article 10 as amended, seconded by Ruth Stewart. This was followed by remarks from Jim Borchert, Ronald Knapp, Jill Edson, Joseph Woodward, etc. Ronald Knapp wished a second amendment, seconded by Kenneth Lord, but this was not passed. Ed Lawrence moved the debate be closed, seconded by Polly Monette. So voted. The motion was put up to a vote, by a show of hands, and it was a vote in the affirmative.

Article 11

As no public hearings had been held and were needed to amend a Building Code, Peter Burling moved to pass over Article 11, supported by Polly Monette. This was voted.

Article 12

This was similar to Article 11, and Jerry Smith and Connie Kousman moved to pass over Article 12, which was voted on, and passed, also.

Article 13

Jerry Smith moved to pass over this article – \$100.00 for the purpose of publicizing and promoting the natural advantages and resources of the town, together with other towns in the Dartmouth-Lake Sunapee Region, seconded by Jill Edson; and voted on – 46 yes, 42 no.

Article 14

Clara Weld and Jerry Smith moved to adopt this article, to become a member of the regional planning commission, now organized and named the Upper Valley Planning and Development Council, and to appropriate the sum of \$762.00 as the town's share of the annual operating expenses of the regional planning commission, to be used in conjunction with other State and Federal funds available for planning purposes. Jerry Smith moved to amend the article by at the next Town Meeting, elect their representative, seconded by Kenneth Lord. Amendment was withdrawn. Stephen Tracy explained. It was moved and seconded by Jean Burling and James Mackintosh to close debate. So voted. Then the first motion was voted on, and passed.

Article 15

John Dryfhout moved to amend the article to read: – to see, if the town will vote to designate St. Gaudens Road *from the end of the Class II Section to the connection with Hell Hollow Road*, as scenic under the provisions of RSA 25:17 & 18, for the purposes of protecting and enhancing the scenic beauty of Cornish and, further, that the selectmen of said Cornish shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7(I). This was supported by Mike Laurence and the amendment was passed by vote. Peter Burling, seconded by Jill Edson, moved to adopt the article as amended. Fred Weld asked what benefit this would be to the town of Cornish. Bob Kibbie asked what historic value this has to the town. Peter Burling answered both questions. Clara Weld moved discussion be closed, seconded by Jean Burling. This was so voted. The article was then voted on, and passed.

Article 16

John Dryfhout moved to amend Article 16, then to vote its adoption, as follows: To see if the town will vote to designate all roads in Cornish *with the exception of all Class 1, 2, 3, and 4 highways* as scenic under the provisions of RSA 253:17 and 18, for the purpose of protecting and enhancing the scenic beauty of Cornish, and further, that the selectmen of said Cornish shall, regarding such roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7(1). This was seconded by Jerry Smith. Then followed a lot of discussion pro and con, with Dorothy Colburn finally moving to have discussion closed, supported by James Lukash. This was so voted. Then the motion, as amended, was voted on, with 50 in favor, and 56 voting against. Thus the article was turned down.

Article 17

Ed Lawrence moved that the Town instruct the Selectmen to sell or otherwise administer property acquired through tax sales, seconded by Pete Decatur, and voted on in the affirmative.

Article 18

Donald Monroe moved that the town vote to instruct the selectmen to borrow money, if necessary, in anticipation of taxes. Ellie Thompson supported his motion, and it was voted on, in favor.

Article 19

Under reports of Officers, Agents, Auditors and Committees – Stephen Tracy gave a report of a study he was asked to make of the ventilation system of the Town Hall. His estimate of cost was \$4,378.00 which included \$515.00 for exhaust fan; \$1,950.00 for ventilators; \$890.00 on piping; \$160.00 electrical charges; \$325.00 carpentry, etc.

Michael Yatsevitch then took up errors in Town Report, correcting them. Stephen Tracy said there was no report printed from the Finance Committee; he would like to see listed in Report all building permits issued; Trustee of Trust Funds totalled; in the Constables' reports there should be the number of convictions listed from the number of arrests made. Also the Board of Adjustment had no business reported.

Jerry Smith made a motion that the Highway Committee be continued another year, and this to be appointed by the Moderator. This was supported by Chris Tilghman. Discussion followed. It was pointed out that no motions should be made under this article, so it was withdrawn.

Bob Bayliss moved that we accept the reports of auditors, etc. as corrected, supported by Clara Weld. So Voted.

Article 20

Jerry Smith restated his motion. Polly Monette moved to amend it so the number be limited to seven on committee. This was seconded by Donald Monroe. Donald Monroe, seconded by Pete Decatur, moved to close debate. So voted. Then the moderator asked for a vote on Polly Monette's amendment, and it was passed. Then the original motion was voted on, in the affirmative.

Fred Sullivan made it a motion that the moderator be put on the Highway Committee, as Chairman, if this committee is appointed. Motion defeated, after discussion by Susan VanRensselaer, Virginia Black, Dr. Friedman, Craig Black, etc.

Nominations were opened for Fence Viewers: Myron Quimby nominated the same ones, Fred Sullivan, Edwin Lawrence and Katherine Kibbie.

For surveyors of Wood, Bark & Lumber, nominations were made for Lionel Tracy, Jesse Stone and Jerry Smith. J. T. McSwain nominated Fred Weld to this committee, seconded by Bob Bayliss.

Hog Reeves appointed were: Matthew Friedman, Richard Ackerman, Polly Rand, Richard Sheaff, James Lukash, and George Edson. Clara Weld moved nominations cease, seconded by Bob Bayliss. So voted. The clerk cast one ballot in the name of the whole for the three committees nominated above, and they were thus elected.

Then Edwin Lawrence made a motion that last year's Recreation Committee be continued another year, seconded by Donald Monroe. This was voted. Ruth Stewart wished to have a report from this committee put into the Town Report.

The business portion of Town Meeting was closed.

Of the 750 on the Cornish Check List, 307 voted. Elected were: For Selectman — Michael M. Yatsevitch, with 296 votes; for Town Clerk — Bernice F. Johnson, with 300 votes; Town Treasurer — David A. Bevan, with 280 votes; Tax Collector — Carol F. Fitch, 290 votes; Auditor for 2 years — Edna W. Guest, 288 votes; Library Trustee for 3 years — Norma J. LaClair, 270; Trustee of Trust Funds, for 3 years — Michael M. Yatsevitch, 288; Constables: Dale R. Braley, 237 and Paul H. LaClair, 272. For Overseer of Public Welfare Marion A. Boardman had 138 votes and William Tracy 146, he being made Overseer; Highway Agent — Hollis J. Boardman, Sr. got 114 votes and Harold A. Morse, 182, Morse getting Highway Agent; Sexton — Hollis Boardman, Sr. with 34 write-ins, Harold Morse 35 and Michael Yatsevitch 6. Harold Morse was thus elected.

CORNISH SPECIAL MEETING

September 29, 1973

At a legal special meeting of the inhabitants of the Town of Cornish, N.H. on the last Saturday of September, being the 29th, at 2:00 p.m. in the Town Hall, the special meeting was called to order by the Moderator, Peter Hoe Burling, and the warrant was read. The ballots had been counted by the ballot clerks, Adel Bayliss, Clara Weld, Pauline Monette and Joseph Woodward, and the ballot boxes had been inspected. The Supervisors of the Check List were sworn in, and both Lists to be used were signed. Polls were then declared open.

Moderator Burling explained the reason for the special meeting, and questions were asked from the floor and were answered by the Selectmen.

Polls were closed at 5:00 p.m. and ballots counted by the clerks, supervised by the Moderator. There were 198 votes cast; necessary for passage of the two articles was 2/3.

Article I	—	195, Yes	3, No
Article II	—	189, Yes	9, No

Thus the articles of the Warrant were both passed in the affirmative. Ballots were wrapped, marked and signed.

Meeting was adjourned at 5:30 p.m.

Respectfully submitted,
Bernice F. Johnson, Clerk

REPORT OF THE CORNISH FAIR ASSOCIATION

1973 brought another good year to our fair. Attendance was better than ever. We wish to thank those who attended for their patronage. A special thanks goes to all who worked for the fair, mowing the grounds, setting up the fair and working at it. Without them, it could not have been a success.

The monies derived from the fair were spent in various ways. \$700 was donated to the Cornish School for paint and to improve the back entrance into first and second grade classrooms. A "gra-fex" 16mm. sound projector and screen was bought for use by any organization in town. The fair sponsored two local 14-year-old students to attend conservation camp.

Many improvements were made on the fair grounds, such as new picnic tables, parking lot rails, crushed rock around the buildings, chemical toilets and more security police on the grounds, to help keep our fair a good clean country fair.

Thanks again for all the cooperation.
See you in August.

Respectfully submitted,

CORNISH FAIR ASSOCIATION
Jesse L. Stone, Pres.

LIBRARY TRUSTEES REPORT – 1973

We extend sincere thanks to all who donated gift books to the library in 1973.

We also thank Mr. Jack McMillan for building the new flower boxes in front of the library and also thank the Cornish Garden Club for filling them with petunias.

In cooperation with the Trustees, the Friends of the Library started a Mini-mobile in November to bring books and magazines to shut-in townspeople.

The library clock was repaired and is tick-tocking away on the mantle.

There were several films at the library for children during the year, with a fairly good response.

Norma LaClair and Lois Amison, Trustees, and Gladys LaClair, former librarian, attended the Claremont Votec College for a course in cataloguing as preparation to cataloguing our library.

Norma LaClair resigned as librarian in January and Gladys LaClair was hired to replace her. In October, Gladys found it necessary to resign and Charlene Saunders was hired. All three ladies have done a fine job at the library and we thank them.

The trustees are pleased to announce new hours on Wednesdays from 3-8 p.m. on a trial basis. This is *your* library, supported by *your* tax dollars; we hope the new hours will encourage more people to use it.

The Trustees met 12 times during the year.

LIBRARIAN'S REPORT

This year, 99 new books were purchased. 66 adult books and 33 children books. Also, 14 records were purchased for children.

1,216 people patronized the library this year. A total of 2,198 books were loaned, 606 magazines and 316 records.

Friends of the Library have held bake sales. Some of the proceeds will be used for the Historical room in the Library.

I have been at the Library only a short time, and I enjoy the work and people very much.

Thanks to all who patronize and help maintain our Library.

ANNUAL REPORT OF THE CORNISH CONSERVATION COMMISSION FOR THE YEAR 1973

In our 1972 report of the Town we listed a number of goals which we had concluded at one of our first meetings to be worthy of achieving and if you will refer to the 1972 Annual Report to the Town you will know what those goals are. During the past year we have been successful in some and others still remain for the future:

1. A Town of Cornish Conservation Map was distributed at the last Town Meeting which is a *preliminary* inventory of the important historic and some of the natural areas. We have yet to prepare a complete inventory of the natural areas, with the exception of the soil map designations of streambelts, wetlands, floodplains and slopes above 25 per cent which have been incorporated in the official Master Plan of the Town of Cornish by the Planning Board, and the proposed Zoning Ordinance restricts their use to agriculture, forestry, etc.
2. A definite data base has not yet been compiled on growth potential in the Town, based on the soil surveys. However, we have been successful in narrowing down the areas that will take future growth and development. The Conservation Commission and the Planning Board have committed themselves to continued study and research in this and will no doubt work this out in the coming year. The approved Master Plan & the proposed Zoning Ordinance has been a joint effort of the two boards and is the basic framework on which a growth potential can be determined.
3. Nine soils maps were completed for the Town by the U.S. Department of Agriculture and the Soil Conservation Service, these include the following maps: Homesite Suitability; Septic Systems; Watersheds; Floodplains; Soil Condition; Slopes; Sand and Gravel Deposits; Agricultural Productivity and Wetlands. These maps were on display at the Cornish Fair in August. They are stored in a case in the Teacher's Room of the Schoolhouse and are available to the public for study by a prior arrangement with either the Chairman of the Planning Board or Conservation Commission and provided one member of either Board is present while they are being used. It is hoped that the citizens will avail themselves of the opportunity to study the maps; however, it should also be understood that they are a valuable resource and not easily replaceable and, therefore, they are protected in a locked case, specially designed for them by member John H. Dryfhout.
4. A questionnaire prepared jointly by the Conservation Commission and the Planning Board was distributed to every voter at the last Town Meeting. It was also answered by canvasers going door to door for residents who may not have attended the Annual Town Meeting.

5. Two young people, Steve Tracy and Thomas McCoy, were chosen to go to the week-long conservation camp at Bear Brook State Park, sponsored by the Society for the Protection of New Hampshire Forests in August. Their tuition was paid by a grant from the Fair Association.
6. One of the national problems and apparently a future local problem is the retention of land in "open space". During the past legislative session a "current use assessment" bill was passed, confirming or strengthening a two-year temporary program, which expired in 1973. In their desire to know the effect of such a program on the Town of Cornish, two of the members of the Commission, Ms. Sally Daniel and Mr. John Dryfhout researched the present status of the "open space" or "current use assessment" program in Cornish and this is what they found:

1973 CURRENT USE ASSESSMENT IN CORNISH, N.H.

TYPE	RATE	ACREAGE
Forest Land	(@\$ 25/acre)	2059.81
Undeveloped	(@\$ 25/acre)	166.00
Pasture	(@\$ 50/acre)	1347.50
Tillage	(@\$150/acre)	454.69
Horticulture	(@\$300/acre)	7.0
	Total acres	4035.0
	in open space	

There were sixty-two participants (or parcels of land) in the program in 1973.

7. Another act of the 1973 legislature was to pass a bill defining and allowing for the acceptance of easements by municipalities. Individuals or property (land) owners can sell or give some of the rights of the land to the Town in the form of an easement. In this way some of the provisions of the open space program are applicable as far as reduced tax assessment on the land. We have been approached by one property owner during the past year with such a proposal and we look forward to others in the future. It is our hope that both the Town and the individual property owner will benefit in the granting of such easements or gift of lands to the Town.
8. Another change in the statutes involving Conservation Commissions in the last legislature was the provision of Conservation Commission response toward Dredge and Fill Permit applications to the Special Board of the State Water Resources Board. The change requires that one copy of the permit application, filed with the Town Clerk, also go to the Conservation Commission. The Commission has seven days in which to reply; if it is indicated that there is sufficient interest to hold a local hearing on the proposed action it can do so, and accurate records of the proceedings are

deposited with the State Board. The State Board may not proceed for thirty days with any action after receiving such notification from a conservation commission that it intends to intervene. State, county and local law enforcement officers are directed to report all suspected violations to the Special Board.

BOARD OF ADJUSTMENT REPORT 1973

Cases are brought before the Board of Adjustment when a permit is declined by the selectmen because the application does not fully comply with the Cornish zoning or building regulations. The board can grant exceptions or variances in certain cases where extenuating circumstances allow. Five cases were reviewed by the board in 1973.

Permission was given to construct a service station when it was determined that all local regulations would be met.

An application to live in a mobile home which did not meet the minimum size requirements was given approval for a temporary period until a house under construction was completed.

A variance was granted to build a building under the minimum size because the structure was to be an accessory building.

The board denied a request to locate a mobile home which did not meet the minimum size requirements.

An appeal was denied concerning the construction of a hot dog stand because several regulations precluded the granting of an exception or variance.

Chairman

DISTRIBUTION OF SURPLUS FOOD

For the Town of Plainfield food was distributed to 211 families feeding a total of 862 persons. This is an average of $16\frac{3}{4}$ families feeding 72 persons per month.

In the Town of Cornish, for the year, there was a total of 124 families served feeding 562 persons. This again is an average of $10\frac{1}{2}$ families feeding 47 persons per month.

Veterans Relief – 0
Regular Relief – 2

My sincere thanks and appreciation to the people of Cornish and to the Selectmen for their fine cooperation during the year.

Respectfully Submitted,

William B. Tracy
Overseer of Public Welfare

FIRE DEPARTMENT REPORT

The Fire Department saw a lot of action in 1973. We had three building fires, several chimney fires, fires caused from broken power lines and several car fires. The heavy rains in July also kept the firemen busy for a few days sand-bagging, pumping cellars and flushing culverts. The Fire Department also responded to three mutual aid building fires, two in Meriden and one in Plainfield.

The men from Company 1 repaired the pump on Engine 1.

Several members of the Department spent time with the Cornish school children during Fire Prevention week showing a film and giving talks on fire prevention. A poster contest was also conducted and the use of the equipment was explained.

Seven members of the Department attended a state fire training school in Meriden on fire fighting techniques.

The new truck won a trophy for the best looking piece of equipment at the firemen's parade in Claremont. This is on display at the Selectmen's office.

Ten members of the Fire Department and Auxiliary attended a course in Emergency Medical Training at the Claremont Vo-Tech, at their own expense. This will be a separate organization when organized. But it is hoped that the two organizations can work closely together.

The following equipment was purchased. The Fire Department purchased four plectron alert systems, one air pack, twelve helmets, six coats and a nozzle. The Auxiliary also purchased an air pack. The total amount spent on this equipment was \$1,628.00.

It was voted by the members of the Department this year that all man hours put in by the Department would be without pay. The total amount of man hours put in this year were 1,075 hours amounting to \$2,150.00. This would have been paid by the town.

After thirty years of dedication to the Department, Ellsworth H. Atwood retired as Chief in September.

Respectfully submitted,

Duane Allen, Chief
Meriden 469-3353

**REPORTS OF THE
FOREST FIRE WARDEN and DISTRICT CHIEF**

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

PLANNING BOARD REPORT

The Cornish Planning Board has had a very active year. Robert Bayliss was welcomed to the Board for a five-year term. With the Soils Maps completed the Board started the task of making a Master Plan for the Town. With the aid of the Conservation Commission this plan was presented to the Citizens of Cornish. After accepting the map the Board presented to the Townspeople a Zoning Ordinance and Zoning Map, which will be voted on at Town Meeting. The Board granted eleven waiver procedures and *only* one subdivision in Cornish in 1973.

The Board continues to make on-site inspections of all subdivisions that come before them.

Pauline Monette is the Town's representative to the Sullivan County Engineer Council, and we have used the services of Engineer, Leon Geil many times during the year. Also many thanks and appreciation to Robert Ward of the Upper Valley Planning Council, Guy Wheelock and Roy Shook, of the Soil Conservation Service for their helpful suggestions and time spent on the Master Plan.

REPORT OF THE CORNISH RESCUE SQUAD, INC.

During the past year, the Cornish Rescue Squad Inc. was formed to aid in medical emergencies. There is a need for qualified personnel at the scene of an accident or illness before the ambulance arrives. The Cornish Rescue Squad hopes to fill this need.

There are presently thirteen Emergency Medical Technicians in Cornish. To become qualified, they have taken an extensive training course at the N.H. Vocational-Technical School in Claremont, and in the Hanover facilities. The course was given by the Emergency Medical Services of New Hampshire. It included such things as splinting fractures and dislocations; treatment of strokes, heart attacks, burns, bites and diabetes; how to give mouth-to-mouth resuscitation and cardiopulmonary resuscitation; and emergency childbirth. There are other people with various degrees of training who have also become involved in the work. We would welcome any interested person to join the Cornish Rescue Squad. There are many jobs which can be done by anyone willing to donate their time.

A corporation has been formed as an independent group working closely with the Cornish Fire Department and other organizations in town. It will remain financially independent relying on donations and fund raising projects to purchase the necessary equipment and supplies. The service shall be free and available to anyone at any time.

Respectfully submitted,
Pauline H. Rand, President

SCHOOL WARRANT

Cornish School District

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Cornish qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall, in said District, on the 2nd day of March, 1974, at 10:00 A.M. to act upon the Articles set forth in this Warrant.

Article 1 of the Warrant will be acted upon at 10:00 A.M. and voting will be by official ballot and checklist, and the polls will remain open for this purpose from 10:00 A.M. until 7:00 P.M., at which time polls will close.

At 1:00 P.M., Articles 2 through 7 will be acted upon.

Article 1: To choose a Moderator, Clerk, Treasurer, and Auditors for the ensuing year, and three members of the School Board, one for the ensuing three years, one for the ensuing two years, and one for the ensuing year.

Article 2: To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

Article 3: To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of District officials and agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.

Article 4: To see if the District will authorize the School Board to make application for and to receive, in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies, and to expend the same for such projects as it may designate.

Article 5: To see if the District will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts and any other receipts from miscellaneous sources in addition to the original appropriation for 1974-75 for the lunch program, general expenses, equipment and improvements.

Article 6: To choose Agents and Committees in relation to any subject embraced in this Warrant.

Article 7: To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEAL at said Cornish this
12th day of February, 1974.

REPORT OF THE CORNISH SCHOOL BOARD

For a number of years, there has been considerable concern in the District and on the Board over the rapid turnover of the teaching staff at the school and the consequent difficulty of maintaining continuity of policy and curriculum in the system. The two outstanding reasons for the existence of this situation seem to have been that the teaching Principal did not have the time or energy both to teach and manage the school, and that the lack of a salary schedule in the District did not give the teaching staff the security they needed in order to remain with the school for many years.

In order to bring about the greater continuity, both of staff and curriculum, the Board this year engaged a full-time Principal, has been revising its policies, and has adopted a salary schedule to be effective for the 1974-1975 school year. The 1974-1975 budget is based on that schedule.

The schedule was adopted after many discussions among representatives of the teaching staff, the Principal, the Assistant Superintendent, and the Board. The teaching staff has indicated to the Board, through its representatives, that the adoption of the schedule is the most important step towards obtaining continuity in the staff and developing better teacher, pupil, and parent relationships, a sound curriculum, and consequently improved education and preparation of the children of the District academically, socially, and physically.

The parking area to the east of the school was paved this summer from part of the 1972-1973 surplus. The paving was necessary in order to remedy the mud situation in that area and will be of benefit to both the school and to the Cornish Fair.

The Cornish School Board would like to thank the Fair Association, the PTA, and all those individuals who have so generously contributed to the school.

The Board also wishes to express its most sincere appreciation for the many years that Donald Hood furnished the District's bus service and extends its condolences and sympathy to his family.

PRINCIPAL'S REPORT

The 1973-74 school year began with seven new teachers and a new full-time principal joining those who were here last year. We have worked hard to try to work together to begin developing a school program the Town can be proud of.

Especially important to whatever successes we have had this year was the advice and assistance of Alice Cushing, School Secretary, who resigned just before Christmas. Her knowledge of the Town, its people and the procedures of the School District were invaluable.

Although most of us here now did not know Ray Mark as a full-time custodian, we have all appreciated (sometimes with much relief) the assistance he has provided us in emergencies. Similarly with Lionel Tracy who filled in as custodian while we were looking for permanent help.

A committee of parents and teachers was formed to study the process by which parents get information about their children from the school. They will be sampling the parents to see what kinds of information they want from the school and will then try to design a reporting system that will communicate most effectively the kind of information parents want to have. The people on the Committee should be commended for the time and effort they are devoting to this task.

The library is now open everyday for several hours, and each class has a regularly scheduled library period in addition to the availability of the room to small groups at other times. Mrs. Tracy is working on cataloguing the collection and we look forward to the addition of up-to-date materials over the next several years.

We have instituted a Volunteer Program in which several residents of the Town have donated their time as Teacher Aides. Their time is greatly appreciated.

In conclusion, I should like to thank the staff of the school and the Supervisory Union for their support and assistance this year. I am looking forward to several years of working with them in Cornish.

Respectfully submitted,
Daniel A. Poor
Principal

REPORT OF THE ASSISTANT SUPERINTENDENT

To the School Board of Cornish, New Hampshire and Citizens of the community I herewith submit my report as Assistant Superintendent of Schools.

OVERVIEW:

The year ahead, as the one just past, will demand more than habitual acts and responses. Compared to the "age of affluence" which has to a new generation come to mean normality, 1974-75 is not going to be an easy or comfortable year. The educational situation, as that of business, is one that is sure to test administrators. The energy crisis, materials shortages, complex state and governmental regulations, continuing inflation . . . we are in for some novel experiences, but the feeling of achievement that comes with hard work is our challenge. With the help of your school board, the staff, students, and residents of Cornish, I feel confident the year and years ahead will be exciting and successful.

FACULTY:

A new principal and seven teachers were welcomed to the staff this fall.

Daniel Poor of Watertown, Mass., is our principal, succeeding Jerry DePalma. Mr. Poor, a native of Maryland, is a graduate of Harvard College with an A.B. degree, and holds an Ed.M. degree from Boston University School of Education. His previous position was director of Common Concerns Collaborative in North Andover, Mass.

Miss Livia Alexion of Boston succeeded Miss Patricia Till as Grade 3 teacher. Miss Alexion is a 1973 graduate of Wheelock College with a B.S. degree.

Mrs. Linda Bradley of Derry, N.H., replaced Miss Elizabeth Foote. A graduate of Keene State College in 1972 with a B.S. in Education, she has done graduate work at the University of Massachusetts, St. Francis College and the University of New Hampshire.

Miss Dawn-Marie MacKenzie of Chester, Vt., is teaching Grade 7 & 8 classes. A graduate of the University of Vermont with a B.A. degree, she has three years teaching experience with the Peace Corps in Uganda.

Peter T. Moran of Nashua, N.H., succeeded Miss Alice Wise as Grade 6 teacher. He is a graduate of Keene State College with a B.S. degree in education and taught one year in Ashland, N.H.

Stephen R. Perry of Cape Elizabeth, Me., replaced Donald Bouchard in Grade 7. Mr. Perry is a 1973 graduate of Dartmouth College with an A.B. degree.

Mrs. Linda O'Connor, formally of Hinsdale, is teaching Grade 4, replacing Mrs. Cindy Freebern. A graduate of S.U.N.Y. at Stony Brook, L.I., with a B.A. degree in education, she has two years of teaching experience in Long Island and Seattle, Wash.

Mrs. Beverly W. Widge of Windsor, Vt., succeeded Mrs. Seraph Lavallo, retired. She is a 1973 graduate of Plymouth State College with a B.S. degree in elementary education.

Wesley Rooker has joined the administrative staff of the Supervisory Union as teacher consultant. He fills a position vacant for a year, after the resignation of Anthony Amari in the summer of 1972. Mr. Rooker works with teachers and curriculum at the elementary level in Claremont, Cornish, and Unity. The new teacher consultant is a native of Minnesota, and lives in Hillsboro Upper Village. He took his B.S. degree at St. Cloud State College, where he also did graduate study in educational administration and supervision, and holds a masters degree from Rhode Island College. Mr. Rooker has had 13 years of experience in public and private education, both in terms of teaching and in educational administration. He comes to Claremont from Buckley Country Day School, Roslyn, N.Y.

BOARD POLICY:

Last March my report stated as soon as budget work was completed I'd ask the school board to begin developing and adopting policies which were needed for the everyday operation of the school system. Their response was favorable and during the past months nearly forty policies were written, revised, and adopted. The topics range from attendance to volunteers; all policies completed to date are available at the school for your perusal.

MINIMUM STANDARDS:

Continuing efforts are being made to bring our school up to these regulations. This winter a "committee of fifteen" visited and evaluated all elementary schools in the union. A report on this visitation is being prepared and as of this writing has as yet to be presented to the board, staff and community. When received, it will also be available at the school for your inspection . . . Ruth Schneider and Whitmore Littell represented Cornish well on this committee.

ENERGY:

In the spirit of conservation the school adopted a number of fuel and energy saving procedures. The cooperation received from everyone was gratifying. We felt both an obligation and duty to promote these energy saving measures early in the year . . . Conflicting reports create a wide credibility gap as to the real extent of these shortages. It appears for this year, at least, the fuel oil supply will see us through. I believe the gasoline shortage will become more severe, however. Next year's budget reflects, in part, this situation.

OTHER:

Many things are happening in education. It's difficult, within reasonable restrictions of this report to decide on what topics to comment. Allow me to bring to your attention just these: An enrollment decline of nearly 2 million students by 1984 faces American high schools and the drop could be even more disastrous if the recommendations of a prestigious study on secondary education are followed. A national commission on secondary education reform has proposed that compulsory attendance be ended at age 14. This has been considered in our own state legislature; implications are many.

Secondly, our hard pressed noon-lunch operators could face more difficult times. The authority of the Secretary of Agriculture to purchase and distribute commodities to federal food programs comes to an end on June 30, 1974. It appears the U.S.D.A. doesn't care to renew such authority and it could very well be the end of this program. It so, more monies would be needed to support the hot lunch program.

Claremont now has a program for deaf children, this in addition to the one referred to last year that services those with sight loss. Should there be some students with this handicap which we're not aware of, please inform board members, or myself.

IN CONCLUSION:

There are many things, tangible and intangible, which help to make a fine school system. Obviously, brick and mortar alone do not make a place of learning. My appreciation to Alice Cushing and Raymond Mark for their many years of past service. To a dedicated faculty, to a conscientious school board, to a supportive community, my personal thanks to all.

Assistant Superintendent

SCHOOL NURSE'S REPORT

1972 - 1973

To the Cornish School Board and the Citizens of Cornish, I herewith submit my annual report as school nurse.

During the school year the following tests were given: Vision tests were given to two hundred and seventy-four, of which fifteen students were referred for further examination. One hundred and seventy-eight hearing tests were administered and three of these were referred. Color perception tests were given to fifty-six students.

The heights and weights were taken on all students.

Thirty-six students wishing to participate in sports were given Physicals by Dr. Robert Lanzer. Any physical problems noted were referred to the parents.

Head and skin checks were done as needed during the school year. Cornish has had very few cases of pediculosis (head lice).

No serious outbreak of contagious diseases occurred during the school year. Live Measles Vaccine was given to ninety-eight students at the Claremont Clinic.

Seventeen short conferences were held with parents of Pre-school children at pre-school registration. I enjoy meeting with parents and this is an excellent opportunity for the parents to inform the school of any problems their child may have in making the adjustment from home to school.

I enjoy my association with all at the Cornish School. The cooperation of all Personnel and School Board members is greatly appreciated.

Respectfully submitted,
Ruth D. Sanderson, R.N.
(School Nurse)

REPORT OF CORNISH SCHOOL LUNCH

During the school year ending June 30, 1973, the school lunch served 27,672 meals to an average of about 160 children per day, including 5,897 free and reduced price meals. The financial account showed a balance of \$1,392.13 which is about the cost of one month's operation. This is the largest balance the school lunch has ever had at the end of the year, although costs have risen and the price to the students remained the same.

Due to a further rise in the cost of food and a slight reduction in government reimbursement the first part of this present year, it is expected that operations will show a loss for 1973-74. We are almost the only school lunch in the State serving lunches at 35c without receiving a substantial district appropriation.

The main reason why we have been able to make this record is the extra time, care and attention given by Mrs. Ackerman and Mrs. Hilliard to the planning and preparation of each meal, and the thoughtful economical purchasing of the necessary food, all of which is done at the minimum wage. We hope it will not be necessary to increase the lunch price this school year.

Respectfully submitted,
G. Alvan Barrus
School Lunch Administrator

REPORT OF THE COMMITTEE TO STUDY THE FEASIBILITY OF HOLDING SCHOOL YEAR-ROUND

The Committee has studied several alternatives to utilizing our school facilities more extensively. Although we found many interesting formats, we do not feel that the Cornish enrollment is large enough to result in much of an economic benefit. The problems of coordinating our schedules with the high schools we serve seem, for the moment at least, to make year-round school not feasible for Cornish.

On the other hand, the Committee feels that it should be possible for the school to consider utilizing the building and equipment more extensively through community education programs during the evening and/or summer and through the addition of a summer school program if the need for any of these seem to warrant.

This table presents staff salaries for 1973-74 and 1974-75 and the dollar and % increase between the two years for each teacher. It also documents fringe benefits (health insurance and paid leave). It should be remembered that present School Board policies would provide health insurance at the rate of 100% of a single membership premium (\$215) and the accumulation of up to 30 days of paid sick leave. Present Policies also permit three personal days deducted from accumulated sick leave. Bereavement leave and professional leave are presently permitted at the Board's discretion, acting on the recommendation of the Superintendent, within budgetary limits.
