ALEXANDER-CARR PLAYGROUND

The crowd of children clustered around the porches of the cheerful ski lodge was quiet as all eyes centered on several spots of flame at the top of the hill. All was still through the night as the torches were carried by a small band of skiers, moving silently downhill. The torchlight signified the opening of the first Winter Carnival in Derry at the newly constructed Alexander-Carr ski area. It also signified the fulfillment of the dying wishes of a pair of Derry doctors, Harrison Alexander and William G. Carr.

Dr. Harrison Alexander lived in Derry during the early part of this century. He was a country doctor in the old-time tradition of country doctors — when they still answered any call, day or night. Dr. Alexander lived with his wife on Kendall Pond Road. Childless himself, the doctor realized the need of children in Derry for a playground of their own. When he died in 1921, Dr. Alexander left a trust fund which provides an annual income of about \$6,000. He also left his farm land for future use as a playground. Recently, part of this land was set aside for the modern Alexander Eastman Hospital.

Dr. William G. Carr is still remembered in Derry as a hard-working citizen. Having passed away in 1959, Dr. Carr is recalled for his devoted work as a chiropractor and for his sincere interest in people. Dr. Carr and his wife, Lida, lived on East Broadway, where Theodore Hattin and his family now reside. The doctor and his wife had no children. They were interested in leaving the growing population of young children in Derry a play area. Therefore, Dr. Carr provided in his will about \$50,000 for a hospital and about \$150,000 for a recreation area.

The Recreation Department, headed by Gerald Cox, has used these endowments wisely and usefully. Among the many recreational facilities now available to the Derry population are a ski tow, toboggan run, picnic areas, and hiking trails. The newest addition, which has been illustrated on the front cover of this Town Report by Ruth Pillsbury, is the ski lodge. Sheltering a crackling fire, a snack bar, and featuring full-length glass windows which look onto the slope for those who don't ski but like to watch, the ski lodge is truly a credit to the foresight of its benefactors, Dr. Harrison Alexander and Dr. William G. Carr.

Selectmen's Foreword And Report

The Selectmen are very pleased with the closings of the books for the year ending 1967. The budget Surplus was \$40,437.87, and a Revenue Surplus of \$42,435.46.

T.R.A. "A" Funds were used to reconstruct drainage on Schurman Drive and saved money for the Town, however, there were not sufficient funds for finishing the Windham Depot Road project; but we anticipate the completion of this project in 1968.

The Bond issue voted in the amount of \$360,000.00 has been issued and these projects (\$160,000.00 for new Water Sources and \$200,000.00 for rebuilding Crystal Avenue) are expected to be completed in 1968.

The addition to the Town Sheds was completed in 1967 and the Recreation Offices were rebuilt in the Adams Memorial Building.

Looking forward to 1968 there will be several articles in the Warrant to be considered:

1. Extension of Beaver Brook Sewer Interceptor 1,260 Ft. to Hood-kroft Road, providing access for the Hood School to connect to the Town sewerage. Project estimated at \$35,000.00.

2. Article calling for an expenditure to \$75,000.00 for Chlorination facilities at the Sewer Lagoons. State and Federal Aid will be available for the Chlorination facilities.

3. Article asking to use \$70,000.00 of Surplus to lower the tax levy of 1968. This Article will designate how the \$70,000.00 should be used: \$30,000.00 New Highway Equipment - \$21,000.00 New Land at Dump area - \$9,000.00 Repairs to various Town buildings - \$2,200.00 New Equipment for Offices - leaving a balance of \$7,800.00 to lower the tax levy in other areas.

4. Article asking permission to place \$15,000.00 of Sewer Funds in the hands of the Trustee of Trust Funds for Capital equipment, replacement and repairs of existing sewer system.

The Selectmen have worked unsuccessfully to get Federal Funds for extending the Sewer to Derry Village. At the present time applications have been filed again and it is hoped that this time the Selectmen may be successful, as they have complied with everything the Housing of Urban Development has requested to date.

The Selectmen feel we have had a very productive and successful year of 1967.

Respectfully submitted,

Emile J. Bienvenue
Harold E. DiPietro
William A. Boyce

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Derry qualified to vote in town affairs :

You are hereby instructed to meet at Veterans Memorial Building in said Town on the second Tuesday of March next, at ten o'clock in the forenoon, to act upon the following subjects :

By vote of the Selectmen, the polls for this meeting will remain open from ten o'clock in the forenoon until eight o'clock in the afternoon, and as much longer thereafter as the Town, at the opening of the meeting, may vote.

1. To elect a Selectman for three years, Town Clerk, Treasurer, Collector of Taxes, Library Trustees, Trustees of the Trust Funds, Cemetery Trustees, and other necessary Town officials for the year ensuing.

2. To vote to raise and appropriate such sums of money as may be necessary for the maintenance of the poor, for laying out and repairing highways, including Town Road Aid Plan apportionment A and Town Road Aid Plan apportionment B, for building and repairing bridges, for suppression of moths, for police department, for the Derry District Court, for hydrant service and electric lights, for salaries of Town officials, for the Board of Health, for the expense of the Town Hall, for support of the libraries, for State and County taxes, for the observances of Memorial Day, for aid to the Derry Visiting Nurse Association, for playground purposes and for band concerts, for cooperating with the State and Federal governments in the control of insect pests and white pine blister, and for all necessary charges arising in said Town, and pass any vote relating thereto.

3. To see if the Town will vote to authorize the Selectmen to sell at public auction and convey any real estate acquired through deeds from the Collector of Taxes or as reimbursement for assistance furnished to citizens, providing that in the case of tax deeded real estate the previous owner, or his or her heirs, if known, or its successors or assigns in the case of a corporation, shall have first opportunity to purchase the same, and pass any vote relating thereto.

4. To see if the Town will vote to authorize the Selectmen to incur debts for temporary loans in anticipation of taxes of the municipal year in which such debts are incurred and made payable therefrom, by such vote, and pass any vote relating thereto.

5. To see if the Town will vote to authorize the Selectmen to withdraw the sum of \$4,000.00 from the sewer capital reserve fund, established under Article 10 of the 1966 Town Warrant, and to expend said sum for the purpose of paying for labor cost and derooting sewer lines, and pass any vote relating thereto.

6. To see if the Town will vote to raise and appropriate the sum of \$35,000.00 for the purpose of extending the Beaver Brook Sewer Interceptor from a point near East Broadway about opposite Hood School Road about 1260 feet easterly to a point about opposite the highway leading from the Hood Farm barns to East Broadway, and pass any vote relating thereto.

7. To see if the Town will vote to raise and appropriate the sum of \$75,000.00 for the purpose of installation of chlorination facilities at the Town sewer lagoons, and pass any vote relating thereto. (The Selectmen anticipate that they will receive 80 per-cent reimbursement for said expenditure from State and Federal Governments, which will be shown as income for the year, thus reducing the amount that would be raised by taxation to approximately \$15,000.00)

8. To see if the Town will vote to authorize the Selectmen to negotiate for Town membership in the Southern New Hampshire Planning Commission and raise and appropriate therefor the sum of \$2,000.00 for the membership fee, and pass any vote relating thereto.

9. To see if the Town will vote to transfer a sum not to exceed \$14,000.00 from the Parking Lot Fund held by the Trustees of Trust Funds and expend the same for the purposes of purchasing or leasing land for parking lots and developing and paving parking lots adjoining Manning Street and accesses to said parking lots over Manning Street and from First Na-

10. To see if the Town will vote to raise and appropriate the sum of \$16,000.00 for the purchase of land on Kendall Pond Road near Interstate Highway 93 from the Webster heirs, and pass any vote relating thereto.

11. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for the purpose of paying 50 percent of the construction cost of a new roadway extending Easterly from Hood School, which road will provide better access to said school from East Broadway, the other one-half of said roadway to be paid for by Gilbert H. Hood, Jr., owner of land abutting said proposed road on the Southerly side thereof, and pass any vote relating thereto.

12. To see if the Town will vote to transfer the sum of \$15,000.00 from the Sewer Account to the Sewer Capital Reserve Fund for the purpose of repairs and maintenance of the existing Town sewer system, and pass any vote relating thereto. tional Bank property, and pass any vote relating thereto.

13. To see if the Town will vote to raise and appropriate the sum of \$1,125.00 for the purpose of paying the same to the Salem Mental Health Clinic, which serves the Derry area, and pass any vote relating thereto.

14. To see if the Town will vote to raise the sum of \$349.35 for the Rockingham County Community Action Program, and pass any vote relating thereto.

15. To see if the Town will vote to appropriate from meter receipts the sum of \$860.00 to be expended for repairs and maintenance of parking meters and to transfer any balance of parking meter receipts to the Trustees of Trust Funds to be added to the Parking Lot Fund, and pass any vote relating thereto.

16. To see if the Town will vote to authorize the Selectmen to arrange for an audit of the Town books by the municipal accounting division of the State Tax Commission, and pass any vote relating thereto.

17. To see if the Town will vote to adopt the provisions of Revised Statutes Annotated, Chapter 80, Section 52-a, providing for the pre-payment of taxes, and authorize the Collector of Taxes to accept payments in pre-payment of taxes, and to further allow the Collector of Taxes to discount taxes according to the following schedule or such other schedule as the meeting may determine, fix the rate of such discount, and pass any vote relating thereto. The Selectmen recommend the following schedule and discount: 2% discount on installments of not less than \$100.00 prior to July 1, 1968, 1½% discount on

installment payments of \$10.00 or more until tax rate is determined and announced by Selectmen, and a 1% discount from the time that the tax bills are issued until 30 days after date of invoice.

18. To see if the Town will vote to authorize the Selectmen to transfer the sum of \$62,000.00 from the Sewer Account to the General Fund, to be used with a State grant of \$16,936.00 to pay the expense of principal, interest and maintenance of sewers, and pass any vote relating thereto.

19. To see what action the Town wishes to take on the question of whether the zoning amendments as proposed by the Planning Board shall be adopted by the Town. (To be voted on by ballot during polling hours.)

20. To see if the Town will vote to purchase land adjoining the municipal dump on the Kendall Pond Road from James J. Gallien for enlarging the municipal dump, and to raise and appropriate therefor the sum of \$5,000.00, and pass any vote relating thereto.

21. To see if the Town will vote to authorize the Selectmen to exercise the powers presently vested in the Recreation Commission, and pass any vote relating thereto. (To be voted on by ballot during polling hours.)

22. To see if the Town will vote to instruct the Selectmen to appoint an expert Highway Agent, who, under the direction of the Selectmen, shall have the same power and perform the same duties as a Highway Agent (commonly called Road Agent) elected by the Town and discontinue the present practice of electing the Highway Agent (Road Agent), and pass any vote relating thereto.

23. To see if the Town will vote to require the Road Agent, in addition to his other duties, to assume the responsibility for the care of public dumps, and pass any vote relating thereto.

ARTICLES BY PETITION

24. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.) for the purpose of planning the 250th Anniversary of our town and the Nutfield Area, which will be celebrated in 1969. Also that the Board of

Selectmen appoint a committee of nine (9) members to plan and carry out the celebration.

25. To see if the Town will vote to extend the Town sewerage system, with the necessary manholes, from Hillside Avenue, in a Westerly direction up Everett Street, also known as Everett Street Extension, to a point where said Everett Street comes to a dead end, a distance of approximately seven hundred (700') feet, and to appropriate the sum of Seven Thousand (\$7,000) Dollars to cover the cost thereof.

26. To see if the town will establish a town Conservation Commission as set forth in R.S.A. 36-a, and that the Selectmen appoint said Commission within sixty days from the date of the annual meeting and that a temporary chairman be appointed to call the first meeting of the Commission.

27. To see if the Town will vote to instruct the Selectmen to continue their efforts, with the State of New Hampshire Department of Public Works and Highways, towards the relocation of Route #102 for the purpose of re-routing through traffic away from the congested part of Town.

28. To see if the Town will vote to accept Escumbuit Road for a distance of approximately 2100 lineal feet and appropriate the estimated sum of five thousand dollars (\$5,000) for surfacing of same.

29. To see if the town will vote to accept a gift of 2.91 Acres of land on the Southerly side of Tsienneto Road situated Easterly of the John ST Cyr property, said land being lots 4, 5, 6, and 7 on Plan of Land in Derry, N.H. known as Barkland Acres as drawn by Edward H. Herbert, Surveyor and more particularly bounded and described on said plan. Said parcel of land to be accepted by the town for use for Recreation and Playground purposes. And further to pass any vote relating here to.

30. To see if the Town will vote to appropriate a sum not to exceed nine hundred and fifty dollars (\$950) to cover the cost of municipal expenses such as Police Protection, Highway Department expenses and school rentals and services for the Derry Labor Day Festival Committee, Inc., a non-profit organization, whereas this is a community project to promote goodwill, economy and stabilization for the future of our community. (This article appears to contain an illegal appropri-

tion as the Town has no authority to spend money for this purpose.)

31. Question: Are you in favor of a city charter for the Town of Derry? (Question appears on ballot as requested by petitioners.)

32. We, the undersigned, being taxpayers and residents in the town of Derry, request that an article be inserted in the TOWN WARRANT relative to the improvement of Veterans Field. The suggested improvements will include lighting, bleachers, and dugouts, and will be specifically designed to make Veterans Field a multi-purpose field. Such improvements would allow for expanded activities in the areas of Adult Recreation Slo-pitch softball, ice skating, flag football, spring junior baseball, and women's softball. (This request for the proposed article in the Warrant had an attached estimate of expense of \$15,000.00. The Selectmen have been advised that this request is not in proper form and does not contain any proposed article as required by statute.)

33. To see if the Town will vote to authorize the Selectmen to borrow a sum not to exceed \$375,000.00 under the terms of Chapter 33 of the Revised Statutes Annotated entitled "Municipal Finance Act," and any amendments thereto, and to execute serial notes in the name of the Town in payment therefor, payable in equal installments over a period of ten years, and further authorize the Selectmen to negotiate the interest payments thereon and do any other act necessary to accomplish the purpose thereof, including entering into agreements and contracts with the applicable agencies of the United States Government and the State of New Hampshire for construction grants or reimbursement of local funds, the proceeds from said loan, together with Federal and State assistance, to be used for the acquisition of land, easements, rights of way, and for the construction, enlargement and extension of the present sewer system to serve the Derry Village section of the Town, no such monies to be used unless State and Federal Aid is available, and pass any vote relating thereto. (This article proposed by the Board of Selectmen.)

34. (To be voted on by ballot.) Resolved that the Housing Authority as created by Revised Statutes Annotated, Chapter 203, Section 4, should function in the Town of Derry, and there is a need for such authority in this community. (This article proposed by the Board of Selectmen.)

35. To hear the reports of agents, auditors and committees heretofore chosen, and pass any vote relating thereto.

36. To appoint any necessary committee on any article embraced in this warrant.

37. To transact any other business that may lawfully come before this meeting.

Given under our hands and the seal of the Town of Derry, this 26th day of February A.D. 1968.

total estimated "Revenues (Cash Surplus equals Excess of Revenues over Expenditures) except Property Taxes) deducted from fiscal year over Current Liabilities, i.e., Balance of Appropriations due School District, Underspent Balances of Special Appropriations, Outstanding Temporary Loans in Anticipation of Taxes and Accounts Payable, Bond and Long Term Note issues.

Total Appropriations actually raised by Town Meeting to be raised by more than ten per cent (10%) the Total Appropriations as recommended by budget Committee (Column C), less amount to be raised by Bond and Long Term Note issues.

BSA, Chn. 32, Sec. 5 ***** The budget committee shall prepare and submit to the selectmen their plan to post with the town warrant two copies of the town warrant for the following year. It shall be ready for posting at least ten days before the warrant is issued. The selectmen shall likewise prepare and submit to the school board, or village district commissioners, two copies of a warrant for the following year. It shall be ready for posting at least ten days before the warrant is issued. The selectmen shall act upon at the school district or village district annual meeting at least fifteen days before said annual meeting for posting by the school board or village district commissioners, with the warrant for their respective meetings.

Derry Library

The Derry Public Library has had another busy and successful year, with circulation figures on the rise and a record-breaking number of books being sent to us, on direct request, from the State Library.

The Derry Public Library is a part of the New Hampshire Library Development Program, and all meetings of its Southeast Area Advisory Council are now held in our Library, as are meetings of other groups.

National Library Week and Children's Book Week were both suitably observed with new collections of books; displays of various types have been shown during the year, including work done by the school children. Kindergarten and elementary classes have visited the Library during morning hours.

The Derry Public Library continues to add to its Reference section and now has an excellent source of up-to-date materials. Our fine service from the State Library enables us to offer to both students and adults, supplementary materials, and is provided as an extra service to the public.

We wish to thank all those who have so kindly donated books, flowers and other gifts. Our sincere thanks to the Derry Garden Club for the beautiful holiday arrangements, and to the Junior Garden Club for a lovely planting of summer flowers. Our grateful appreciation goes to the members of the V.F.W. Auxiliary for the handsome new flag pole and flag. We would like to express our thanks to all our friends who have helped to make this past year such a pleasant one. To those who have worked with me during the year, my deep thanks for their efficiency and cooperation.

We hope the people of Derry will use their Library and we shall continue to serve them in as efficient and satisfactory manner as possible.

Our hours are: Mondays through Fridays 2:00 until 8:00.

Saturdays: 2:00 until 5:00

Respectfully submitted,
Annie Ashton

(Mrs. Norman Ashton) Librarian

TAYLOR LIBRARY

We are pleased to report that there has been another ten percent increase in circulation this past year. This increase is in line with the steady rise of recent years. In addition, a substantial "in library" use of the facilities by students from all grades using our reference material is apparent.

The cooperation of the teachers in notifying us of their programs in time to procure supplementary material from state library and the bookmobile has been excellent.

Many new reference books have been added to our collection this

year including an assortment of geology and earth science books, from elementary through the adult level, a New Webster's new third unabridged dictionary, foreign language dictionaries, atlases and many others.

We have continued our program of discarding worn out and obsolete books and replabing them with current material.

The state Bookmobile has visited us five times during the year. This has enabled us to offer eight hundred and four more books to our patrons.

We have also made sixty specific requests to the State Library in behalf of our readers. This is a service we are happy to offer to supplement our own collection.

National Library Week in November and Children's Book Week in April were observed with appropriate displays and new books.

The white picket fence in front of the library has been repaired and painted this year.

We wish to thank the members of the Derry Garden Club for doing such a beautiful job of landscaping the front of the building with a planting of perennial shrubs and flowers.

We also wish to express our sincere appreciation and extend our thanks to all those who have helped make this a successful year.

Respectfully submitted,
Ruth A. Varney, Librarian

Forest Fire

Report of Forest Fire Warden & District Chief

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. - 5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material - use the ashtray.

Gerald H. Cox, Director

1967 ANNUAL REPORT

With the population of the town increasing by leaps and bounds each year, the need for Recreation is felt not only among the children but among the adults as well. This past year we have endeavored to increase our program proportionately so that we have more to offer each and every individual in the town. The demands for facilities and programs increase each year with the population, so we have attempted to provide activities for everyone regardless of age. The Recreation and Parks Commission, which is now five years old, has done a remarkable job in bringing the programming to the town which it has at the present time. The five members of the commission work hard and spend many hours in the planning and operation of the overall Recreation and Parks Department. We felt we had a successful year in 1967, but we are planning for even bigger and better things in 1968. Our program is dependent on volunteers in many areas and without them we would be unable to operate such as we do. Their names are too numerous to mention here, but I would like to thank in general, all of those folks who have taken time out of their busy lives to help us regardless of how large or small they may feel their contribution has been. Our program content was enhanced this past year by adding Contract Bridge instructions as well as Duplicate Bridge competition. Also, new to the program was mother and tot swim instructions, which is designed for one mother to teach one child of pre-school age how to swim. Here again we must express our thanks to various families in town that allowed us to use their private swimming pools for these lessons. The adult swim program also increased considerably with lessons being held in the afternoons and evenings in private pools. On the playground we were able to increase the playground hours from a half day basis to a full day basis. We also extended the playground program from an eight week program to an eleven week program. This means that we

opened our playground at Hood Park the Monday following the closing of school and kept it open on a daily basis, rain or shine, until the Friday before school began. We also increased our swim program similarly.

Among our successful programs, we have to include the Flag Football program for the younger boys and the Grasshopper Baseball for those not participating in Little League, and the Jet Junior Basketball for boys between the ages of 7 and 12. The Booster Club has also increased the Recreation activities for the community by creating activities for boys in the 13, 14, 15 and 16 year old age group. Last year they started basketball for the group and continued their baseball for the same age group. This fall for the first time they organized the Derry Chargers, which is an equipped football team, participating in a Inter Town League in Southern New Hampshire. The local Ski Club has also assisted us with the Derry version of the Winter Carnival. The Stuart Renstrom Memorial Award was won by Miss Nancy Mitchell. Also at the ski area, considerable improvements have been made; program wise through the expansion of the Ski School with Mrs. Lorna Grady as chief instructor. The Ski Patrol also deserves a vote of thanks from the people of the town for the fine job that they do in safety and preventing accidents at the ski area.

Our facilities have been improving constantly at Hood Park. We have added an addition at the building there strictly for the storage of tools, maintenance supplies and equipment. At O'Hara Field, the Little League Baseball Field, an overthrow fence has been installed along the first base line. At the Veterans Field, turf was brought in and added to the softball field, which makes that quite a nice diamond now. The biggest addition to our facilities is the building at the Ski Area at Alexander-Carr Playground. This is a 30 by 46 two floor structure which we plan to use on a year round basis for various types of activities. The original contract to construct the building merely gave us an outside shell. We are still looking for contributions from clubs and organizations, as well as individuals, of material and/or labor to help us finish this building which is featured on the front cover of the Town Report. Another small improvement has been made at MacGregor Pioneer Park. That was the addition of some more bench space near the monuments. Last year's budget included funds for purchase of chemicals for weed control, especially poison ivy and we are continuing on a program of eliminating this problem in our various parks. The project in Hood Park is coming along nicely, yet in sections in Alexander-Carr Playground, we still have much to do before the nuisance is eliminated.

The regular programs offered for our girls and women include housewives instruction - both tennis and skiing and a baseball team as well as a softball team under the management of the Pin-Ups. The girls, of course, have an opportunity to attend the weekly dances and

for the first time last year, basketball was offered to the younger girls 7 years of age and up. We hope to be able to expand our girls program this year to include softball in the summer. The mens programs include volleyball, basketball, and slo-pitch softball during the summer, as well as instructions in skiing in the winter. The men also play horseshoes and tennis. For our older citizens, there is a senior citizen club, which enjoys many fine trips throughout the year, including a trip to the beach and a trip to the mountains as well as a foliage tour in the fall and this past year they also visited some Housing Projects in Massachusetts. We do have many special events throughout the year for everyone to enjoy. This past year we were weathered out of an annual affair - the Easter Egg Drop, but we did have a Winter Carnival, a kite flying contest, dog show, fishing derby. On the playgrounds we had Smokey the Bear, pony rides, Christmas in July, a visit by our Fire Department, a safe boating clinic, a pond survey by the Fish and Game Department, as well as the field day which is held at the end of the regular playground season. In the fall we have Halloween parties presented by the Lion's Club, and we conduct Halloween window painting contests for those boys and girls interested in that type of activity. We help the Ski Club with their Ski and Skate Sale and Swap in December and we also have assisted with the Sports Banquet for flag football and junior basketball.

Our special thanks to Mr. Tom Maloof who has been kind and generous enough to allow us to use his pond for our children's swimming program. As yet the State has not allowed us to open Hood Pond for swimming and the prospects of doing so in the near future appears very dim. We want to thank Mr. Maloof who has allowed us to use his facilities for several years without any thought of remuneration. Without his facility we would be hard pressed for any swimming activity in our town. We also must make special thanks to the Derry School Board which allows us to utilize school facilities in the Town of Derry for our many programs. Without their cooperation our program would suffer considerably because the Recreation Department as such does not own that many facilities. As long as we continue our cooperation between the School Board and the Recreation and Parks Commission, we will have the facilities to keep our ever expanding programs available for the people.

This year our summer staff consisted of a number of people, including some from the Neighborhood Youth Corps, who helped us on our playgrounds as well as with maintenance. At the head of our swimming program was Mrs. Carol Madden, until she had to leave, then Jeffrey Orchard took over that responsibility. He was assisted by Paul Hoover and Larry Small. On the playground, Mrs. Beverly Holmes was in charge of that program and she was assisted by Kathy Paquette. In our office last year, Marcia Clukey and Beverly Bridgewater helped us and then Roberta Booker also assisted. Near the end of the year, Mrs. Diane La-

Plante also worked in the office. At times our maintenance needs are great and we utilize many people. Those who helped us throughout the summer included Mr. Harold Leighton and Mr. Leo Gallien. Others on a short time basis included Wilbert Willis, Douglas Pratt, Craig Moynihan, Greg Hartman, David Goodwin, Joseph Deraps, John Buffum, Russell Brooks, Bruce Benoit and Brian Alexander. One of the Neighborhood Youth Corps boys who helped us with the maintenance was Linwood Leighton.

Our plans for 1968 look for more facilities and more programs. We plan to start finishing off the inside of the building at the Alexander-Carr Playground ski area and we hope that we will be able to secure enough ice for skating so that a Pee Wee Hockey and a figure skating class may be successful. There are also improvements which we would like to make at the O'Hara Field and the Veterans Field and continue our weed control program at Hood Park and Alexander-Carr Playground. For those citizens who are new in town, I would like to invite them to participate in our programs and call our office for information and to make use of the facilities which we have available. For their information, Hood Park is a park on Rollins Street only one block away from downtown Derry. The facilities there include two tennis courts, an outdoor basketball court, two regulation horseshoe pits and a multiple use area with a space for badminton. That area also includes playground equipment; slide, swings, see-saws and climbing apparatus and a nice sandy beach for the children to play in. There is also a building down there with toilets and running water. Picnic tables and fireplaces are available for the use of those who would like to go picnicing. O'Hara Field is used only by the Little League organization and that is located at the end of Railroad Avenue. Again only a couple of blocks from downtown Derry, the Veterans Field, which is a nice field for softball during the summer and baseball in early spring and flag football in the autumn months, is located directly across from the Little League Field on Railroad Avenue. Alexander-Carr Playground is a 40 acre tract of land which includes the ski area as well as picnic facilities. It is located behind the hospital. You may gain access to the park by traveling down Pierce Avenue and driving into the park by the roadway and using the parking lot by the new building or there is also a parking lot on Rockingham Road just a couple of hundred yards below Shute's Corner. We also use the school facilities for various programs and the school we use most generally is Hood School, our Junior High School, which is located on Hood Road. Behind that is Buckley Field which we use for Legion baseball and flag football as well as the Town League Baseball. Grinnell School is in the same area. We utilize that for the Jet Junior's programs. This past year we also used facilities at South Range School for the minor league during the summer.

We still have some things to complete which we did not do this past

year. Among them is the shooting range which is still up in the air; the biological pond at Alexander-Carr Playground which we had insufficient funds to complete; and two worthwhile programs which we were unable to provide for the citizens due either to lack of facilities or to lack of volunteers. Those programs are roller skating and bowling at the end of last year. On the plus side of the ledger, the Recreation office has been completely done over with wall and floor covering. Heating has also been added and now we are completely renovated in the Office Department of the Recreation and Parks. The needs for the coming year are going to be greater in maintenance and also in office help since the demands are continuing greater all the time.

The Recreation Commission meets twice a month on the second and fourth Wednesdays in the Recreation Office which, by the way, is located in the basement of the Adams Memorial Building. These Recreation meetings are open to the public and everyone is welcome to attend and ask any questions or voice any opinions. Constructive criticism is also welcomed in any subject area or program wise. The Commission will continue to do the best they can to see that the taxpayers get their money's worth, Recreation wise. And if we have the continued cooperation of everyone in town, we feel we can provide an even better year in 1968 than we did in 1967.

Recreation is not a numbers game, but if attendance figures are any indication as to its success the attendance figures for this year are greater than any previous year, in almost every activity. We hope that the work of Recreation is getting around and that all the citizens will feel that they are welcome and can be a part of our program simply by attending or by picking up the telephone and calling the Recreation office for information. We hope to see even more people involved in our programs in the year to come.

Respectfully submitted,

Gerald H. Cox

Auditor's Report

We, the undersigned auditors for the Town of Derry, N.H., do hereby certify that we have examined the cash accounts of the following and have found each of these accounts to be correct, viz:

Town of Derry Selectmen	Collector of Taxes
Town Treasurer	Trustee of Trust Funds
Town Clerk	Derry District Court
Treasurer's Account of the Derry Public Library	
Treasurer's Account of Taylor Library	
MacGregor Park Fund	
Treasurer of Cemetery Trustees	
Derry Water Works	
	Frank DiMarzio
	Paul A. Gibbons
	Albert J. Otzelberger

Auditors of the Town of Derry

(IF ANYONE WISHES TO EXAMINE RECORDS FURTHER THE RECORDS ARE AVAILABLE IN THE SELECTMEN'S OFFICE.)

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

April 12, 1967

Board of Selectmen
Derry, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Derry for the fiscal year ended December 31, 1966, which was made by this Division in accordance with your request. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Water Works, Sewer Fund, District Court, Parking Meters, Library, Alexander Carr Playground, MacGregor Memorial Park and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1965 - December 31, 1966:
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1965 and December 31, 1966, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$94,922.46.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt

Bonds Paid	\$ 65,000.00
Long Term Notes Paid	12,000.00
Net Budget Surplus	19,366.36
Prior Year's Check Cancelled	91.25
	\$ 96,457.61

Increase in Net Debt

Tax Liens Transferred to Tax Deeds	\$ 1,535.15
Net Decrease	94,922.46

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1966, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$237.62, plus a revenue surplus of \$19,128.74, resulted in a net budget surplus of \$19,366.36.

Water Works: (Exhibits E-1, E-2 & E-3)

Comparative Balance Sheets and statements of the activity in the Water Works accounts during the fiscal year are presented in Exhibits E-1, E-2 and E-3.

Sewer Fund: (Exhibit F)

A statement of the Sewer Fund account is included in Exhibit F.

District Court: (Exhibit G)

A statement of the District Court accounts for the fiscal year is included in Exhibit G.

Parking Meter Account: (Exhibit H)

A summarized statement of the Parking Meter account is presented in Exhibit H.

Library Accounts: (Exhibits I-1 & I-2)

Statements of the accounts of the Derry Public Library and the Taylor Library are included in Exhibit I-1 and I-2.

Statement of Long Term Indebtedness: (Exhibit L)

A statement of outstanding long term indebtedness as of December 31, 1966, showing annual debt service requirements, is contained in Exhibit L.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$17,922.46, from \$67,415.09 to \$85,337.55 in 1966, as shown herewith:

	Dec. 31, 1965	Dec. 31, 1966
Total Assets	\$ 932,796.02	\$ 571,524.32
Current Liabilities	865,380.93	486,186.77
Current Surplus	67,415.09	85,337.55

RECOMMENDATIONS

1. Proceeds of bonds and long term notes, representing capital fund accounts, should be kept in a separate bank account.
2. Town Treasurer should maintain the note, bond and coupon register in the manner prescribed by R.S.A. 33:12.
3. Departments and/or agencies such as MacGregor Memorial Park, Alexander Carr Playground, Derry Public Library and Taylor Library should record their receipts and expenditures in columnar journals with sufficient classifications to readily reflect the results of operations in the preparation of annual reports.
4. Town officers' surety bonds should be increased in amount as follows:
Town Treasurer - from \$25,000.00 to \$35,000.00
Town Clerk - from \$5,000.00 to \$20,000.00

We extend our thanks to the officials of the Town of Derry for their assistance during the course of the audit.

g. Section 1.360 – The area of the Bangs Mobile Home Park, as advertised. 575 584
553 585

Recount

6. Shall the following amendment restricting the location of Mobile Homes be adopted?

Section 1.370 - All Mobile Homes installed after the enactment date of this amendment shall be located solely in the Mobile Home Zone, or in an existing legally operated Mobile Home Park, or a location presently occupied by a Mobile Home provided it meets with Article II Section 6, except that a landowner or lessee may accommodate the trailer or mobile home as a non-paying guest for a period or periods not to exceed 30 days in each calendar year.

710 549

7. Shall the amendment defining Mobile Homes, as proposed by the Planning Board be adopted?

653 480

8. Shall the following amendment describing and defining the General Residence Zone as proposed by the Planning Board be adopted?

Section 1.410 - All the rest of the town not included in the above three zones and, except as otherwise provided by this ordinance, shall be limited to residential type construction and uses. However, accessory uses, including business, may be permitted, by special exception of the Zoning Board of Adjustment provided such use is not objectionable by reason of noise, smoke or fumes and shall not occupy more than 25% of the gross floor area of the principal dwelling or 25% of the lot, if not within an existing building.

672 464

9. Shall the amendment providing for the deletion of Article II Section 1 be adopted?

519 461

10. Shall the amendment to Article II Section 2 for the addition of the following sentence to the end of the present section be adopted?

597 485

"No addition shall be built that brings any part of the addition closer to the lot line than required for new construction."

11. Shall the amendment to Article II Section 3 allowing junk yards in an Industrial area as proposed by the Planning Board be adopted?

547 602

12. Shall the amendment providing for the deletion of Article II Section 4 excepting farm structures from the provisions of the Zoning Ordinance be adopted?

558 476

13. Shall the amendments to Article II Section 5 providing for special exceptions for industrial uses, as proposed by the Planning Board, be adopted? ⁵⁷⁷ ⁴⁵⁵

14. Shall the amendment to Article II Section 6a. defining residential lots, as proposed by the Planning Board, be adopted? ⁵⁹⁰ ⁴⁵⁵

15. Shall the amendment to Article II Section 6b. to read, Section 6b - Residential lots not supplied by a community or public water system or sewer system, shall contain a minimum of 25,000 square

feet with a width of at least 125 feet at the 35 foot set-back line from the street or on the road, be adopted? ^{YES} ^{NO}
⁶⁵⁷ ⁴⁵¹

16. Shall the amendment to Article II Section 6c. 1 to read, Section 6c. 1 - Residential lots where community and/or public water and/or sewer are available, shall contain a minimum of 15,000 square feet with a width of at least 100 feet at the 35 foot set-back line from the street or on the road, be adopted? ⁶⁶¹ ⁴³¹

17. Shall the amendment to Article II Section 6c. 2 to read, Section 6c. 2 - Residential lots where both public water and sewer are available shall contain a minimum of 10,000 square feet with a width of at least 100 feet at the 35 foot set-back line from the street or on the road, be adopted? ⁶³⁶ ⁴⁴⁹

18. Shall the amendment providing for the deletion of Section 6g. referring to mobile homes, as proposed by the Planning Board, be adopted? ⁵³⁵ ⁴⁸³

19. Shall the amendments providing for the addition of the following new sub-sections, as proposed by the Planning Board, be adopted? ⁷¹⁷ ⁴³³

a. Section 6g. - No commercial or industrial building shall be constructed or placed on a lot smaller than required for a dwelling.

b. Section 6h. - Buildings or businesses not connected to public sewer, shall require 10,000 sq. ft. of lot size above the minimum for the zone for each 200 gallons per day of sewage effluent ⁷¹⁶ ⁴⁰¹

after the first 200 gallons per day unless the owner can show adequate plans for sewage disposal on a smaller lot.

c. Section 6i. — Any business built or expanded after the date of this ordinance, shall have adequate off street parking for employees and customers on land in the same title as the business property.

752 397

20. Shall the amendment providing for the addition of Section 7 pertaining to the definitions and requirements of multiple dwellings and apartments, as proposed by the Planning Board, be adopted?

610 421

21. Shall the amendment providing for the deletion of Article III Section 1 as proposed by the Planning Board be adopted?

545 449

22. Shall the amendment to Article III Section 3d. pertaining to roofing materials as proposed by the Planning Board be adopted?

571 445

23. Shall the amendment to Article III Section 3e. pertaining to sewage disposal, as proposed by the Planning Board be adopted?

616 419

24. Shall the amendment to Article IV Section 2b. allowing the sale of named commodities previously excluded, as proposed by the Planning Board, be adopted?

555 443

25. Shall the amendments of Article VI Section 1 revising the fee schedule for permits issued under the Zoning Ordinance, as proposed by the Planning Board, be adopted?

532 494

26. Shall the amendments to Article VI deleting the references to Zones 1 and 2 as proposed by the Planning Board, be adopted?

534 460

**AMENDMENTS TO THE ZONING
ORDINANCE AS PROPOSED BY THE
PLANNING BOARD**

TOTAL
VOTE
584

Every voter who wishes to vote "Yes" will make a cross in the square near the word "Yes"; if he wishes to vote "No" he will make a cross in the square near the word "No."

1. Are you in favor of the adoption of Amendment No. 1, as proposed by the planning board, for the town of Derry zoning ordinance as follows?

The substance of the amendment is to see if the town desires to rezone the present "Retail Business Zone" which presently extends along Crystal Avenue 200' in depth towards the East to include about 15 acres more or less of land with about 611 feet of frontage on Pinkerton Street next to the Public Service Co. of New Hampshire office. (For those voters who wish to read the exact legal description of the area to be rezoned, refer to the copy of the warrant for this meeting. Item #1, posted in each voting booth)

Yes 560

No 20

2. Are you in favor of the adoption of Amendment No. 2, as proposed by the planning board, for the town of Derry zoning ordinance as follows?

The substance of the amendment is to rezone as an "Industrial Zone", the lands of Martha Smith, Twenty Eight Realty Co. (Chanticleer Restaurant), Adrien Cote and Cornelius VanLaarhoven. Said lands are generally situated between State Highway Route #28 and Franklin St. and to the rear of Klev Bro. Shoe Co. and The Chanticleer Restaurant, with about 234 feet frontage on Rt. 28 and 1250' frontage on Franklin St. (For those voters who wish to read the exact legal description of the area to be rezoned, refer to the copy of the warrant for this meeting, Item #2, posted in each voting booth)

Planning Board

During the year of 1967, the Planning Board continued holding bi-monthly meetings, approving about 50 plans, comprising of over 300 new building lots.

On January 17 and January 30, 1967 Public Town Hearings were held on proposed amendments to the Zoning Ordinance; as a result, 40 individual amendments were voted upon by the citizens at the Annual Town Meeting. It was the feeling of the Board at this time that the voter had the opportunity to have his say. The results of this vote and the legality of these changes were contested by a small group of citizens, led by Mr. William Collins. The results of this contesting are not known at this time.

In April 1967, Mr. Arthur Hobsch, our previous secretary resigned when he accepted the job of Town Building Inspector. Mr. Winston McCarty was then delegated the position of secretary for the board.

In July, Wallace L. Kimball, and Winston McCarty were re-appointed to the Board by the Selectmen.

As of July 1, 1967, the Rules, Regulations, Standards and Procedures of the New Hampshire Water Supply and Pollution Control Commission were put into effect as voted by the last Legislature. Consequently, all sewerage and septic systems are being inspected and approved by the State.

In September, Jack Schurman resigned. His sound judgment will certainly be missed by the board.

Mr. Myron Smith and Mr. John C. Schurman were appointed on October 10, 1967 to fill the vacancies created by Mr. Arthur Hobsch and Mr. Jack Schurman.

On October 23 and November 13, Public Town Hearings were held in preparation of voting on amendments to the Zoning Ordinance to include a 17.52 acre lot of the Hood Farm at the corner of Pinkerton Street and Crystal Avenue. The change would be from General Residence Zone to Retail Business Zone.

On November 20 and December 11, Public Town Hearings were held in preparation of voting on amendments to the Zoning Ordinance to change land Southwesterly of the Manchester Road and to the rear of Klev Bros. Shoe Company from General Residence Zone on Industrial Zone.

A Town Meeting was held December 28, 1967, a very snowy stormy day, to vote on the two zoning changes. The change in the Hood Land passed by a vote of 560 to 20. The Industrial Zone passed by a vote of 556 to 21. A total of 584 votes cast.

Respectfully submitted,
 Wallace L. Kimball, Chairman
 Harold E. DiPietro, Selectmen
 on the Board,
 Howard Dearth
 Wilbur Palmer
 Myron Smith
 John C. Schurman
 Winston McCarty, Secretary

ZONING BOARD

In 1967 a total of 57 cases were heard as compared to 84 in 1966. This decrease was, in all probability caused by the additional amendments to the laws as voted at the annual town meeting.

Zoning Board decisions of 1967, therefore, have been made in accordance with the amended version except for those brought to the Board before town meeting.

Obviously there are still controversial points not adequately covered by the present law, however your Board is sure that the law can and will be changed whenever the voters feel the need is justified.

AMENDMENTS TO THE ZONING ORDINANCE

DERRY, NEW HAMPSHIRE
REVISED DECEMBER 23, 1967

Add to Article I Section 1.100 RETAIL BUSINESS ZONE, the following new Section:

Section 1.121 - The area bounded and described as follows: Beginning at a point in the southwest corner of a Parcel of land owned by Public Service Company of N.H. Pension Fund, said point being on the easterly property line of Crystal Avenue, approximately 360' southerly of the intersection of said Crystal Avenue and Pinkerton Street:

Thence S $73^{\circ} 28' 26''$ E - 380.00' to a point, said point being the southeasterly boundary of a parcel of land owned by Public Service Company of N.H. Pension Fund;

Thence N $16^{\circ} 26' 00''$ E - 345.59' to a point, said point being on the south boundary of Pinkerton Street;

Thence along Pinkerton Street 611.23' to the northwesterly corner of a subdivision approved by the Town of Derry on November 22, 1966, designated as Hoodcroft Block # 2;

Thence S $00^{\circ} 29' 33''$ W - 1288.95' to a point, said point being on the north property line of the Derry Co-op School District;

Thence along said northerly property line of the Derry Co-op School District N $42^{\circ} 07' 21''$ W - 930.19' to a point, said point being the northeast corner of the property owned by Herbert Guerne;

Thence N $73^{\circ} 28' 26''$ W - 540.00' to a point, said point being on the easterly property line of Crystal Avenue;

Thence along said easterly property line of Crystal Avenue N $16^{\circ} 31' 34''$ E - 294.76' to the point of beginning, said described parcel of land contains 17.52 acres of land, more or less.

The portion of this land which is within 200 feet of Crystal Avenue is presently zoned RETAIL BUSINESS ZONE.

Add to Article I Section 1.200 INDUSTRIAL ZONE, the following new Section:

Section 1.240 - The area bounded and described as follows: Beginning at a point on the Southwesterly side of Manchester Road, also known as Route #28, at the Northwesterly corner of land of A. Robert and Olive M. LaFond; Thence in a Southwesterly direction by said LaFond land two hundred (200) feet to an iron pin; thence in a Southeasterly direction by said LaFond land two hundred (200) feet to a stone wall at land now or formerly of Giblin; thence in a Southwesterly direction following said stone wall and Giblin land one thousand ninety-five (1095) feet, more or less, to a fence at land now or formerly of Radway; thence in a Northwesterly direction by said fence and Radway land to a stone wall corner; thence in a Southwesterly direction by said stone wall and Radway land six hundred ten (610) feet, more or less, to the Northeasterly line of Franklin Street Extension; thence in a Northwesterly direction along said Franklin Street Extension twelve hundred fifty (1250) feet, more or less, to the Derry - Londonderry Town Line; thence in a Northerly direction by said Derry - Londonderry Town Line to the remains of an old fence forming the Northerly boundary of land of Adrien Cote, et al.; thence following the remains of said old fence and Northerly boundary of Cote land in a general Southeasterly and Easterly direction as said fence follows Shield's Brook to a stone wall at land now or formerly of Twenty-Eight Realty; thence in a Southerly direction by said stone wall and Twenty-Eight Realty land eight hundred sixty (860) feet, more or less, to a wall corner at land of Smith; thence North $53\ 1/2^{\circ}$ East by said stone wall and land to Twenty-Eight Realty five hundred seventy (570) feet, more or less, to an iron pin at land now or formerly of Klev-Bro. Shoe Company; thence South $29^{\circ} 10'$ East by said Klev-Bro. Shoe Company land to land now or formerly of Ralph Smith; thence North $53^{\circ} 51'$ East by said Smith land six hundred (600) feet, more or less, to an iron pipe on the Southwesterly side of said Manchester Road; thence in a Southeasterly direction by said Manchester Road two hundred thirty-four and five-tenths (234.5) feet to the point of beginning.

Meaning to describe and zone those portions of the Smith, Van Laarhoven and Cote property within the Town of Derry situated on the Southwesterly side of Manchester Road.

AMENDMENTS TO THE ZONING ORDINANCE

PROPOSED BY PETITION, TO BE VOTED

ON BY BALLOT AT TOWN MEETING

MARCH 12, 1968

Add to ARTICLE I, SECTION 1.300 MOBILE HOME ZONE, the following new section:

SECTION 1.360 - The Area bounded and described as follows: Beginning at a stake on the east side of Kendall Pond Road at the land of Christopher Construction Company; thence south 82°-05' east 198.0' by land of Christopher Construction Company and Tetreault and Laundry to a point; thence south 71° 18' east 324.66' by land of Tetreault and Landry, Fred Muzzy, Tetreault and Landry, crossing Derryfield Road and by land of Eva Band to a point; thence south 42° 18' east 90.27' by land of Eva Band to an iron pipe at land of Leon Whitney; thence south 41°-10' east 280.41' to land of Leon Whitney to an iron pipe at the end of a wall; thence along said wall and land of Whitney in a southerly direction 625.5' to a wall corner at other land of Raiche; thence continuing southerly by a wall and land of Raiche 715.95' to a wall at land of Michael Matarozzo; thence south 64° west by said wall 630' more or less to a proposed road; thence southerly diagonally across said road to the corner of proposed lots 146 and 147; thence southwesterly 100' along the lot line between said lots to land of M. Matarozzo; thence northwesterly along Matarozzo and the back lot lines of proposed lots 1260' more or less to Kendall Pond Road; thence northerly along Kendall Pond Road 1230' more or less to the point of beginning, meaning and intending to describe lots 15-107 incl., 112-116 incl., and lots 225-240 incl. on preliminary plan of land in Derry, July 12, 1966 by Carter and Towers Eng. Corp. to be submitted herewith and containing 41.0 acres more or less.

Disapproved by the Planning Board

Add to ARTICLE IV. RETAIL BUSINESS ZONE, the following new Section:

SECTION 3: The following types of uses shall be excluded from a portion of the Retail Business Zone bounded by 200 feet north and South of a center line of East and West Broadway and on the east and west by the present limits of the Retail Business Zone:

- a. The sale of gasoline or any other type of commercial or non-commercial activity which depends primarily upon motor vehicle drive-in traffic moving off from and on to East and West Broadway.

Disapproved by the Planning Board

REPORT OF POLICE DEPARTMENT

First, I would like to thank all the members of the Police Department for the fine cooperation they have given me since I became Acting Chief of Police.

The problems of this or any Police Department grow in direct ratio to a population increase.

With the building of many new homes in developments outside the compact part of Town, I feel a Cruiser should patrol these areas seven days a week. However, at present this is not possible due to limitations of the Budget and Personnel.

At the 1967 March Meeting, the Town approved the purchase of a second Cruiser. Due to the above limitations, this Cruiser is used only 40 out of the 168 hours a week except in an occasional emergency.

In the compact part of Town we need a Street Officer on Sunday nights.

The past year has been a busy one for this department. We had over 350 offenders in Court. These cases ranged from minor traffic, to assault with a dangerous weapon.

During the year 1967 there were over 1450 different occasions the cruisers were sent from their regular patrols to take care of various problems, such as parties keeping the neighbors awake to emergency blood runs for the hospital.

As far as the coming year is concerned, I expect it will be equally as busy as the past year has been, and your Police Department will do its best to give the people of the Town, the protection to which they are entitled.

Respectfully Submitted,

Kenneth Bisbee
Acting Chief of Police

Winter Term Begins	Thursday, January 2, 1969
Winter Term Closes	Friday, February 21, 1969
Mid-Winter Term Begins	Monday, March 3, 1969
Mid-Winter Term Closes	Friday, April 25, 1969
Spring Term Begins	Monday, May 5, 1969
Spring Term Closes	On or about June 13, 1969 (At end of 180 school days)

HOLIDAYS

Teachers Convention	Friday, October 18, 1968
Veterans Day	Monday, November 11, 1968
Thanksgiving	Wednesday at Noon, November 27th, November 28 and 29, 1968
Memorial Day	Friday, May 30, 1969

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Derry, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Grinnell School in said district on the 7th day of March 1968, at 8:00 o'clock in he afternoon, to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

2. To see if the district will vote to authorize the school board to accept, in the name of and in behalf of the school district, gifts for the use of the schools.

3. To see if the district will vote to authorize the school board to make application for and to accept and expend on behalf of the school district any or all grants or other funds for educational purposes which may now, or hereafter, be forthcoming from the United States Government and/or the State of New Hampshire.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

5. To see if he district will vote to accept the provisions of Public Law 89-10 designed to improve educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

6. To see if the school district will authorize the school board to transfer to Herbert Gurney, owner of the A&W Root Beer on Crystal Avenue, a small parcel of land on the western boundaries of the Hood School land, so called, and to accept in return therefore a deed of a small parcel of land in the same area for the purpose of improving the surface drainage of the district property and improving the usefulness of the land in the district.

7. To see if the district will vote to appropriate a sum not exceeding \$1,500,000.00 (one million, five hundred thousand dollars) for construction, originally equipping and furnishing an addition to the Hood Junior High School, including necessary reconstruction and alteration of the existing building, and determine whether any such appropriation shall be raised by borrowing according to the terms of the Municipal Finance Act and in the event that said money is to be raised by borrowing, to authorize the school board to negotiate the terms and conditions of the notes or bonds to be issued and to do any other act necessary to carry out the intent of this article.

8. To pay any interest payment due during the fiscal year for which appropriations are herein made.

9. To see if the school district will vote to appropriate the money earned (interest) in the amount of \$20,037.40 from the Building Funds for receipts of the district to aid in reduction of taxes.

10. BY PETITION: AN ARTICLE to see if the Cooperative School District No. 1 will vote to raise and appropriate the sum of seven thousand eight hundred and eighty-eight dollars (\$7,888.00) to provide for a forty-five cent (\$.45) per hour salary increase for all full time school custodians employed by the Town of Derry, New Hampshire.

11. To see if the district will vote to authorize the employment of a Business Administrator for New Hampshire Supervisory Union #10 according to RSA 186.11.

12. To transact any other business that may legally come before said meeting, including the appointment of legal committees.

Given under our hands at said Derry this 13th day of February 1968.

A true copy of Warrant — Attest:

Barbara L. Gratton
Earl E. Burdick
Helen L. Bachelder
John P. Gleason
Robert J. Carbone
School Board

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Derry, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Veterans Memorial Hall in said district on the 12th day of March 1968, at 10:00 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Member of the School Board for the ensuing three years.

Given under our hands at said Derry this 13th day of February 1968

A true copy of Warrant – Attest:

Barbara L. Gratton
Earl E. Burdick
Helen L. Bachelder
John P. Gleason
Robert J. Carbone

Values

Kindergarten is of value because it aids in the growth of the child. It enables the five year old to live his life more fully and to prepare him for the first grade. It is an integral part of the elementary school experience.

Kindergarten helps a child

- to respond to intellectual challenges;
- to grow in power to cope with individual and group problems;
- to achieve good muscular and eye-hand coordination; (*1)
- to make the transition from home to a full day school schedule;
- to establish an early healthy pattern for success in school;

The kindergarten serves as a screening center for early identification of children with special needs; i.e., physical, emotional, and readiness problems.

Numerous researchers have shown that children who attend kindergarten adjust better to school, do better in content subjects and develop better social attitudes than those children who did not attend kindergarten. A poll of first grade teachers by the 1954-56 Primary Committee of the Association for Childhood Education indicated there was a positive relationship between kindergarten experience and satisfactory adjustment and progress in first grade. (*2) Risser and Elder feel that a child's chances for success in learning to read are enhanced by kindergarten attendance. (*3) Morrison showed there is less failure and more normal promotion for children having kindergarten than for those without the kindergarten experience. (*4) And East concludes ". . . it is better and cheaper to give children the right start (kindergarten) than to have them cope with failure in the earlier years of their formal education." (*5)

Local Kindergarten Situation:

Present Kindergarten Availability:

There are presently two kindergartens in Derry. One, which is privately owned, predicts a 1968 enrollment of 60 children from Derry and the surrounding communities. The second is sponsored by the Child Development Center and has 20 children now enrolled. A third kindergarten which was operating in Derry is now closed indefinitely due to the ill health of the teacher. Due to the limited number of children these schools can accommodate, all parents who want to send their children to kindergarten won't be able to do so. As the population increases, this becomes more of a problem. While it is conceivable that additional private kindergartens could be opened, it is also possible that these existing kindergartens could close. Thus, under the present situation there is no assurance of continuing kindergarten availability in Derry.

Forecast Attendance:

Based on the 1965, 1966 and 1967 Derry first grade registrations of 185, 249 and 281 students respectively; and keeping in mind that some parents may choose to send their children to private kindergarten, we estimate that the 1968 public kindergarten enrollment would be between 275 and 300 children. The projected growth figures for first grade children show an increase of 25 children per year for the years 1969 and 1970. We estimate the kindergarten group would increase by a similar amount each year, or 300 to 325 children in 1969 and 325 to 350 in 1970.

Space Requirements:

Research has shown that the best class size for children of kindergarten age is 20 to 25 pupils. This class size enables the children to develop good individual and group relationships with each other and to receive ample guidance from the teacher. Assuming this class size, a public kindergarten system in Derry in 1968 would require 12 classrooms or 6 teachers using 6 classrooms for morning and afternoon sessions. By 1970 we estimate that 14 classes— 7 teachers and 7 classrooms — would be needed. Because it is anticipated that there will be no space available in our schools next year (even though South Range and Derry Village architectural plans show kindergarten provisions) we encourage the use of private buildings in order to initiate a public kindergarten program.

Personnel and Salaries:

Estimated requirements are:

- 1968 — 6 teachers — \$34,000 to \$40,000 salaries
- 1969 — 6 teachers — \$34,000 to \$40,000 salaries
- 1970 — 7 teachers — \$40,000 to \$45,000 salaries

Equipment and Supplies:

To supply basic classroom equipment would cost approximately \$1,000 per room — or a total of \$6,000 in 1968 and an additional 1,000 in 1970. This is a non-recurring cost. Other school supplies would cost on the average of \$2,000 each year based on our present elementary school costs of \$6.50 per child.

Transportation:

The total additional transportation cost for kindergarten would be approximately \$16,000; with noon-time bussing costing \$11,000 and early morning and late afternoon bussing costing \$5,000. This would increase to approximately \$18,500 by 1970.

Conclusion

Ideally, the school district should furnish for kindergarten: teachers, classrooms within the school buildings, equipment indoors and outdoors, supplies and transportation for 100% of the children. There are however different ways to implement a kindergarten program. Among these are: use of private buildings for classes, reduce the number of days spent in class if private buildings could only be available on a four day basis, attend kindergarten for a single semester, eliminate transportation, have Industrial Arts classes build equipment, and request donations for needed equipment.

A good start in school and proper attitudes toward learning are most important for a successful school experience. “. . . increasing evidence supports the assumption that rich experience enhances a child's intellectual activity, self-assurance, social skill, and hence, the potential for his academic achievement.” (*6) We feel a well run public kindergarten can start all our children on their way towards a successful education.

Superintendent's Report

To the School Board and citizens of Derry I hereby submit my 5th annual report as your Superintendent of Schools.

Personnel:

In September we welcomed many new teachers, some to replace those who left the system and others that were to fill new, additional positions.

The recruitment of teachers is one of the most important responsibilities of the Superintendent of Schools; important because of the role of the teacher in the success of the school system. The teachers are the backbone of the system, and the degree of success or failure of the boys and girls is greatly dependent on the qualifications, background and maturity of the teacher.

The leading factor in obtaining top candidates from which to make selections is an adequate salary schedule. A salary schedule, at least comparable to neighboring communities, must be maintained; otherwise, you get only the candidates unacceptable to other communities. Fringe benefits, such as paid hospital insurance, pay for professional improvement (college courses) sabbatical leave, accumulative sick days allowance, are also important to prospective teachers considering a teaching position in the community. There are other factors which include; number of pupils in class, type of building, books that are up-to-date and ample supplies for the classroom teaching activities, availability of apartments and homes, the friendliness of parents and citizens in the town.

When one considers the short supply of teachers and the great demand for them by school districts caught in the area of rapid expansion, it is not difficult to understand the need for having competitive salaries and fringe benefits in order to keep the teaching staff turnover to a minimum and also attract new teachers of good potential for the additional positions added each year.

Our plan of recruitment is composed of a many-sided approach which includes:

1. Printing, and distributing to a wide area of colleges, brochures that tell of our community and schools in words and pictures.

2. Scheduled visits to college and university placement offices for interviews with prospects.

3. Sending teachers already in the system to visit their former colleges to try and encourage June graduates to come to our community for positions.

4. Sending principals to visit colleges to interview prospective candidates.

5. Advertising in newspapers to keep general public informed as to our needs.

6. Listing positions that are open in the Department of Employment State Teacher Association, State Department of Education, etc.

We will continue to search for good candidates and strive to bring quality to our growing school system.

Curriculum:

I am most happy and proud to acknowledge the significant beginnings that have been made in the area of Social Studies. The committee of teachers and principals, under the direction of Assistant Superintendent of Schools Mr. Bernard J. Ellis, have been most enthusiastic. Their efforts will enable all teachers to have in their possession a course of study for their particular grade.

Arrangements have also been made to have inservice programs to upgrade and better understand our teaching efforts and the curriculum and the children.

Growth:

This word rather amply describes the School District's great problem; that of providing enough books, supplies, classrooms and teachers for the rapidly increasing number of pupils.

The District must again face school construction by authorizing an addition to the Hood Junior High School. The junior high will house two classes in the Grinnell School in the school year 1967-68 and at least two more, or a total of four, in 1968-69. There will also be further curtailment of the junior high curriculum so that not all pupils will receive shop, home economics, art and music.

Future Needs:

- A. Addition to Hood Junior High
- B. Addition to Grinnell School
- C. New elementary school
- D. Implementation of kindergarten program

Appreciation:

Many individuals and many civic groups and organizations have continued to aid our boys and girls – the donation of time and the many other thoughtful measures shown are much appreciated. I especially wish to thank the ladies who volunteer their time to keep our elementary school libraries manned all of the school day. It is a most important phase of our curriculum and their efforts are most appreciated.

Many people make up a school system, each is a most important individual and one without whom our educational effort would suffer.

The people in a school system include the school board, teachers, principals, secretaries, custodians, lunch workers, crossing guards, nurses, bus operators — to each I extend my appreciation for their efforts on behalf of the boys and girls.

Respect fully submitted,
Robert W. Dolph
Superintendent of Schools

Assistant Superintendent's Report

It is my pleasure to hereby submit my second annual report as Assistant Superintendent of Schools.

The curriculum study committee worked throughout the 1966-67 school year to develop guidelines for a curriculum for fourth grade social studies. This area was chosen due to lack of material available on the teaching of New Hampshire. This guide will be presented to the fourth grade teachers in September of 1967. As a supplement to this guide a package was prepared for each fourth grade teacher which consists of a booklet and visual aids material for the teaching of the units.

The Union office has prepared teacher recruitment booklets, describing all the towns in this Supervisory Union. These booklets have been sent to teacher colleges in the eastern half of the United States. They have been so written as to encourage prospective teachers to investigate the possibility of teaching in our towns in southern New Hampshire. A picture portfolio has also been prepared for use by the Superintendent and Assistant Superintendent showing every school in the Union — this will be shown to all students we interview on college campus'.

The S.R.A. Achievement Testing Program, which was under pilot study during the school year 1966-67, was adopted for the school year 1967-68 in grades three through eight. The results received from these tests are of the type that will enable the classroom teacher and principal to be aware of the strength and weaknesses of each child by the end of November. With this material at hand the teacher can plan a program of studies to meet the needs of her particular class.

The school population of Derry is increasing at a rapid rate. The Hood Junior High School has reached its pupil capacity and plans to use two classrooms at Grinnell for the school year 1967-68 have been made. Due to the lack of space in the Home Economics and Industrial Arts classrooms, it will be necessary to curtail the number of stu-

dents who will be allowed to take these two classes. If we are to offer a comprehensive program at the junior high school level, the addition to the Hood School should be ready for occupancy by September of 1969. This will enable the junior high school students to be housed in the Hood Junior High School which will provide more space at the Grinnell School for the increased elementary enrollment.

I wish to thank the dedicated principals and teachers for the time and effort spent in curriculum development in this Union.

Respectfully submitted,
 Bernard J. Ellis
 Assistant Superintendent

Grinnell School

To the Derry School Board and The Superintendent of Schools:

The 1966-67 school year began with an enrollment of 378 compared to an enrollment of 525 at the same time last year. The enrollment at the close of this school year was 429, an increase of 51 children. The 14 classrooms were used with the Library maintained in the Girl's Locker Room.

With the addition of the New Derry Village School, it has again been necessary to initiate a Redistricting Program similar to the Program held last year when those children involved were transferred to the South Range School. Plans have been made to continue monthly Pre-School Registration periods to assure us a most accurate count and placement of all first grade children and others.

There have been seven new teachers on the staff this year. The Staff has been very cooperative and understanding.

The Grinnell PTA has continued to be more than generous and considerate. The contributions towards library and audio-visual materials has been greatly appreciated. Sincere thanks to those devoted, untiring workers.

WENH-TV (Channel 11) Educational TV continues to play a part in our curriculum. Programs are viewed weekly and include:

Grades I & II	Book Parade All About You Music Theater Listen and Say
Grade III	Book Parade
Grade IV	Our New Hampshire
Grade V & VI	New England Field Trips Exploring Nature Places In The News

It should be noted that listed among the many Professional meetings that have taken place during the year, we are now deeply involved in a Curriculum Study in Social Studies to change and upgrade this Program. My thanks to all those who have unselfishly devoted their time

and energy in this worthy endeavor.

At this point I would like to thank the School Board for their kindness and encouragement in all my undertakings.

I wish to thank Mrs. Carol Jones, Elementary Music Supervisor, for her constancy in the field of music and to compliment her on the organization of a sixth grade Glee Club.

I wish to take this opportunity to thank Mr. Henry "Kans" Barrieau and his able drivers for their responsibility in all the facets of School Transportation; Mr. Gerald Cox, Recreation Director; and the Police and Highway Departments for their cooperation.

To Mrs. Inga Retherford, my secretary, a special thanks for her cooperation and understanding.

Finally, my thanks to Mr. Robert Dolph, Superintendent; Mr. Bernard Ellis, Assistant Superintendent; the Administration Staff; the Teaching Staff; Mrs. Helen Higgins, Reading Consultant; Mrs. Claire Eddy and Mrs. Madelyn Baker, School Nurses; Miss Linda Gradual, Reading Specialist; Miss Karen Matusik, Speech Therapist; Mrs. Fannie Gleason, School Librarian; Mrs. Gloria Graham and her Cafeteria Staff; and the School Custodians for their most helpful cooperation.

Respectfully submitted,
Anastas S. Christo, Principal

Floyd School

To the Derry School Board and The Superintendent of Schools:

In September 1966, Floyd School opened with seven classrooms consisting of grades 1 through 4. Two classrooms each were given to grades 1 and 2. One room each was allotted to grade 3 and 4, as well as one mixed class of grades 3 and 4. Average enrollment for the past year has been 163 students in regular attendance.

New members of the faculty consisted of Mrs. Bouvier, Miss Gregg and Mrs. Plank. Professional education courses were pursued by several members of the staff in addition to participation in curriculum study in language arts and social studies. Major emphasis this year was directed toward the revision of social studies. Mrs. Bouvier, Mrs. Follansbee, Mr. Day and myself, evolved a guiding philosophy for the

social studies curriculum which was adopted by the steering committee.

Mrs. Barbara Schurman performed her secretarial duties with attentiveness and promptness. The Floyd School personnel want to extend their appreciation for her assistance in the field of education as she also exhibited her capabilities as a most able substitute teacher.

A note of thanks to Mrs. Hazel Davis, who served hot lunches to the children, and to Mr. Raymond Stark, who was responsible for the maintenance of the school and its playgrounds. Without their kind assistance, we would have been found wanting.

Floyd School now exhibits two closed stair cases which have enhanced the interior appearance of the building as well as safe-guarding the attendance unit in case of emergency.

The newly purchased audio-visual equipment has been continuously utilized throughout the year. Several motion picture films have been shown to all classes as supplemental material to the formal lessons.

Under the able assistance of Miss Lowrey, Floyd School enjoyed an exchange library program with South Range School. We are anticipating another year of her most welcomed services. This coming year several books, purchased with federal funds, and by the P.T.A. will be catalogued and placed on the shelves of the Floyd School library.

In the field of reading, my thanks go out to Mrs. Higgins and her staff who maintained a rigorous schedule to accomplish their aims. The coming year will again find such services an integral part of our schedule.

Another service rendered to Floyd School was that of speech therapy conducted by a team of specialists who gave individual consultations whenever needed.

The P.T.A., under the enthusiastic leadership of Mrs. Diamond, has brought renewed vigor in the pursuit of the goals of this dedicated organization. My appreciation for steadfast cooperation, and assistance is directed to the Floyd School P.T.A. Funds were raised through the calendar and May Fair projects. We anticipate another year of P.T.A. participation under the president-elect, Mrs. Feather.

Mr. Blakslee has given his services to our school in the area of guidance. We owe him many thanks for his professional advice and his attentive ear to our requests.

A regular physical education program was also started this year at Floyd School under the direction of Mr. Madore. This program was vigorously pursued by all students in response to the excellent motivation of this instructor.

I wish to take this opportunity to thank my faculty, the superintendent's office, the school board, the school nurse, my secretary, the custodian, the cafeteria staff, the music instructor, parents, and everyone who has directly or indirectly assisted in the functioning of Floyd School for this year.

Respectfully submitted,
George Farris, Principal

Hood Jr. High School

To the Derry School Board and the Superintendent of Schools:

Hood School opened its doors to students on September 8 for the 1966-1967 school year. For the first time in many years only grades seven and eight were housed in the building. This made possible significant changes in both room usage and the program of studies.

Changes in room utilization were as follows:

The Cafeteria was returned to use as a cafeteria after a year's use as a classroom.

The boys' locker room became a boys' locker room again after a year's use as a classroom.

The room originally designated as a library became a true library after several years as a classroom.

The room in the foyer of the gymnasium was used as an Art room after several years use as a classroom for social studies.

The teachers' room was changed into a guidance room.

The program of studies and additions to the curricula were made in the following areas:

Boys and girls physical education were offered with full certified instructors.

A full time guidance director was added to the staff and proved to be an invaluable addition.

Full time art instruction was offered students. The significant factor here being that 67% of students required to take it this year elected to take art for the upcoming school year.

The library facilities were in constant use. We had a minimal number of books but all of what we had was used for research and reading for pleasure. It should be mentioned here that it is an absolute necessity for expenditure of funds in this area in order to help prepare and train students in work with library facilities.

Teachers new to the Hood School faculty this year were Mrs. Arlene Bathgate and Mr. Robert Elliott in the English Department, Mrs. Hilda McNally and Mr. James Madore in the physical education department, Mr. Gerald Beauregard in industrial arts and Mr. Mitchell Dirsa in science.

Returning this year after a years leave of absence was Mr. Robert Blakslee as director of guidance.

Mrs. Barbara Perry became the art supervisor and instructor.

School came to a close on June 16th with graduation exercises being held at Grinnell School.

With the influx of population in this area it is going to be of prime importance that consideration be given to an addition to Hood School

in the immediate future.

I would like to thank the faculty and staff of Hood School, the staff at the Superintendent's office, Mr. Dolph and Mr. Ellis and the Derry School Board for their cooperation, thus making my position that much easier to administrate.

Respectfully submitted
Donald Day, Principal

Derry Village School

To the Derry School Board and the Superintendent of Schools:

The 1966-1967 school year began with an enrollment of 40 pupils in two classrooms. This increased by 2 during the year.

I wish to thank Mrs. Barbara Blunt, Grade I, and Mrs. Alys Horsfall, Grade II, for cooperating so readily and efficiently with me.

WENH-TV (Channel 11) Education TV Programs viewed were:

All About You
Book Parade
Listen and Say
Music Theater
Land and Sea

With the closing of the Village School, all books and materials donated in the past will be transferred to the New Village School. The new school is expected to open this September with at least 17 of the 20 classrooms in use.

I wish to thank the P.T.O. for their assistance at parties and during field trips and for their donation of materials, time and energy. It was a pleasure to meet with such an energetic group.

My sincere thanks to Mr. Lawrence Ingalls, school custodian.

Finally I wish to reiterate my thanks to the same people mentioned in the Grinnell School Report for their assistance and cooperation in the affairs of the Derry Village School.

Respectfully submitted,
Anastas S. Christo, Principal

South Range School

To the Derry School Board and the Superintendent of Schools:

In September, 1966 the newly built South Range School opened its doors to a capacity enrollment of 555 students. The faculty and student body adjusted rather rapidly to the new facilities with its strange but pleasant surroundings. During the early fall the new procedures and routines were implemented and revised to better accommodate a more efficient learning atmosphere.

With many new teachers located in the new building and with the aid of experienced faculty members a concentrated in-service program was initiated through demonstration teaching, after school workshops, faculty meetings, teacher conferences and the opportunity to view selected teaching situations to better provide the new teachers with proven ideas, sound philosophy, and better teaching techniques. This proved very rewarding as we witnessed the fine professional development of many of our new teachers.

The sixth grade initiated semi-departmentalization in the areas of math, social studies and English. This too, proved fruitful to the teachers concerned and to the students in particular.

The school can be right proud of its Curriculum Resource Center under the very capable direction of librarian director, Miss Ann Lowery, assisted by Mrs. Ruth Varney and the many P.T.A. parents who donated their time and energy in support of this program.

Recognition should also go to Mrs. Ethel Cole and her fine supporting staff of officers for a job well done in our first year in the South Range P.T.A.

This year saw the professional growth of many of our teachers in taking educational courses, attending after school workshops and even forfeiting vacation time to attend school readiness programs.

At this time I would like to express my sincere appreciation to the faculty staff for their help and support. I have seen some very fine teaching among them. A special thank you to my secretary, Mrs. Oleson, for her untiring efforts handled in a most efficient and helpful manner. Certainly, I must mention the wonderful assistance and cooperation from Mr. Robert Blakslee. It has been a privilege working with such a dedicated and courageous educator as he.

Finally, to the teaching staff, custodians, school nurse, cafeteria workers, bus drivers and last but not least my fellow principals a sincere thanks for their helpfulness and cooperation.

Respectfully submitted,
Oliver J. Chatfield, Principal

Reading Program

To the Derry School Board and the Superintendent of Schools:

Title I Federal Government Grant again authorized funds for the school year 1965-1966 for the improvement of reading instruction. The remedial reading program was extended with the financial support derived through such aid. Services were implemented to 145 children by Miss Linda Gradual, a fully accredited remedial reading teacher and Mrs. Judith Pendergast, a part time tutor in coordination with the reading consultant.

The third summer reading clinic was scheduled for five weeks. This program was designated for all pupils who were in need of corrective reading. All five teachers selected to teach in this program were master teachers. As in former years this remedial reading program included all children in the public schools as well as St. Thomas.

In-service sessions were scheduled with all classroom teachers. Meetings with selected groups were organized in a variety of ways such as divisions in the primary area, grade groupings 1-3, 2-4, 3-5, 4-6, depending upon the needs of the school. Effective organization of resources was made possible through the leadership of such people as follows:

Doctor Donald D. Durrell, professor, Boston University, a noted, world wide authority in reading met with teachers in grades 4-6 and demonstrated with children at 5th grade level in a lesson using multiplicity of ideas and self correcting devices.

Dr. Helen Murphy, professor, Boston University and reading consultant, Wellesley, Massachusetts demonstrated to primary teachers efficiency in learning at second grade level in phrase reading, phonics and individual assignments.

Dr. Richard Chambers, assistant professor, Boston University attended a general meeting on Language Arts. He lectured to the group on Reading Curriculum.

Miss G. Margaret Wilson, consultant for Charles B. Merrill Co., introduced the teaching of linguistics in Grade I to a group of teachers grades 1-3. She also developed a third grade literature lesson to a group of teachers and administrators.

Miss Jane Page, consultant, Scott-Foresman Co. has spoken at meetings on materials, observed in classes, and encouraged better teaching practices.

Seminars always follow in-service programs of this nature in order that everyone is given opportunity for growth.

Parents were invited to group meetings at the individual schools to meet the remedial teacher and the consultant. Understanding of aims,

purposes and responsibilities in the teaching of reading is most valuable.

Progress was noted through the summarization of results taken from standardized achievement tests. This testing program was a recognized part of the evaluation presented to the Federal Government. Scores were presented to the Derry School Board in June, 1966.

Again, it is my pleasure to be associated with the administration. Mr. Robert Dolph, the Superintendent of Schools, Mr. Bernard Ellis, Assistant Superintendent of Schools, and the Principals, Mr. Anastas Christo, Mr. Oliver Chatfield, Mr. Donald Day and Mr. George Farris and the teaching staff.

Respectfully submitted,
Helen T. Higgins
Reading Consultant

Speech Therapist

To The Derry School Board and the Superintendent of Schools:

A speech Therapy Program has been organized and instituted with Title I Federal Government Funds provided for Supervisory Union No. 10 in elementary schools of Auburn, Derry, Londonderry and Windham.

This program has been in existence since February, 1966 and until June of last year, five graduate students of Speech Pathology were employed on a part-time basis for this School Union. During this time approximately 100 children were seen for one-half hour weekly in a small group or individual session.

A seven week summer program followed providing more extensive service for the children and allowing considerable parent participation. Approximately 40 children attended, usually twice to three times weekly.

The program has continued for the 1966-1967 school year but because funds have not been available, a full day of this program has been eliminated. More extensive services are now needed in these areas as the population is so rapidly expanding.

Respectfully submitted,
Diane Wood
Speech Therapist

School Nurse-Teacher

Two nurse-teachers serviced six schools during the year 1966-67. Five public schools and one parochial school. The total enrollment being 1814.

In September we started our health program by having physical exams for the 7th grade students at Hood Memorial Junior High. Dr. William Wilder, M.D. was the attending physician. 118 pupils were examined: 6 referred. Those who did not wish to take advantage of this service at school were requested to have an examination by a physician of their choice. Parents were urged to realize the importance of regular physical exams and to cooperate in this part of our school health program.

The Grinnell School and Floyd School P.T.A. again sponsored the dental clinic. Dr. Francis Kheriaty and Dr. Rolfe Banister were the attending dentists. 74 children were examined; 170 fillings were done. During the month of February the State Dental Hygienist visited all of our classrooms grades 1-6. Appropriate films were shown to different age groups. The Crest tooth brushing kits were distributed to the third grade pupils and dental work books were given to the second grade pupils. Dr. Francis Kheriaty visited Grinnell School Classrooms during Dental Health Week, speaking to the children about correct oral care.

This year a new health program "Personal Hygiene for Girls" was initiated in the Junior High School in conjunction with the girls physical education program.

Again this year the first grade pupils in all schools viewed the Health Program Series on Educational TV (Channel 11) "All About You". This program is excellent and plays an important part in the Primary Health Curriculum.

In April, Tuberculosis testing was done in grades 1, 3, 5 and 8. 873 were tested. The Chest X-Ray clinic was held at Grinnell School in May. 171 children and adults were x-rayed.

Pre-School Clinic registration was held in April for three days. At that time 209 registered for first grade.

Vision and Hearing testing was done throughout the year.

Vision — All grades, 87 pupils referred: 79 received treatment

Hearing — Grades 1, 3, 5, 8, 20 pupils referred: 18 received treatment

We had very few reportable communicable disease cases this year which is quite unusual. Absenteeism was very low.

Again we would like to extend our sincere appreciation for the cooperation that we have received throughout the year from the Superintendent, Administrative staff, principals, teaching staff, secretaries, custodians, local doctors, dentists, organizations and parents.

Respectfully submitted,

Claire L. Eddy
Madelyn T. Baker

State Tax Comm. Findings

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION
Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

October 17, 1967

The School Board
Derry Cooperative School District
Derry, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Derry Cooperative School District for the fiscal year ended June 30, 1967, which was made by this Division in accordance with your request. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets (General Fund): June 30, 1966-June 30, 1967
(Exhibit A-1)

Comparative Balance Sheets (General Fund) as of June 30, 1966 and June 30, 1967, are presented in Exhibit A-1. As indicated therein, the Net Debt increased by \$661,726.03 during the fiscal year ended June 30, 1967.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Balance Sheets – Building Fund Accounts: (Exhibit A-2)

Comparative Balance Sheets of the Building Fund Accounts as of June 30, 1966 and June 30, 1967, are presented in Exhibit A-2. As indicated therein, the Unappropriated Surplus as of June 30, 1967, amounted to \$31,405.06. This represents accrued interest and premiums on bond issues and interest derived from investments of bond funds. It may be used for Building Fund purposes only if specifically authorized by vote of the School District.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1967, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$17,693.27, plus a net unexpended balance of appropriations of \$25,383.45, resulted in a net budget surplus of \$43,076.72.

Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1967, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1967, is indicated in Exhibit F.

Building Fund Accounts: (Exhibit G)

A statement showing the activity in the South Range School and Derry Village School Building Fund Accounts during the fiscal year is presented in Exhibit G.

School Lunch Program Account: (Exhibit H)

A statement of the School Lunch Program account for the fiscal year is included in Exhibit H.

School Tax Account: (Exhibit I)

A statement of the School Tax account with the Town of Derry is presented in Exhibit I. As indicated therein, as of June 30, 1967, the School District had received from the Town the total amount of the 1966-67 School Tax of \$1,012,619.13. A prepayment of the 1966-67 tax in the amount of \$35,557.20 had already been received prior to July 1, 1966, and the balance of \$977,061.93 was received during the 1966-67 fiscal year.

Statement of Long Term Debt: (Exhibit J)

A statement of the outstanding long term indebtedness of the School District as of June 30, 1967, showing annual debt service requirements, is contained in Exhibit J.

GENERAL COMMENTS

Current (Deficit) or Surplus:

The current financial condition of the School District changed from a current deficit (excess of current liabilities over total assets) of \$7,697.25, to a current surplus (excess of total assets over current liabilities) of \$28,076.72, during the fiscal year ended June 30, 1967, as shown herewith:

	June 30, 1966	June 30, 1967
Total Assets	12,802.78	33,635.71
Current Liabilities	20,500.03	5,558.99
Current (Deficit) or Surplus	7,697.25	28,076.72

Recommendations:

The Treasurer should maintain a separate cash book for the Building Fund accounts, indicating therein all receipts and expenditures pertaining to the Building Fund.

The Treasurer should also adopt the use of the standard form of Note, Bond and Coupon Register, in accordance with the provisions of R.S.A. 33:12.

Conclusions:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Derry Cooperative School District and the office staff for their assistance during the course of the audit.

Yours very truly,
Harold G. Fowler, Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

Certificate of Audit

October 17, 1967

This is to certify that we have examined and audited the accounts and records of the Derry Cooperative School District for the fiscal year ended June 30, 1967. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1967, together with the results of operations for the fiscal year ended on that date.

Respectively submitted,

Harold G. Fowler

Director
