Fellow Taxpayers and Citizens of Enfield:

1985 was a very busy year in both planned and unplanned events.

Replacement of three patrolmen in our Police Department was a very trying and long process. In mid-March all three of our new officers will have completed the 10 week State Training and Certification Program.

The "Town Clock" issue surfaced this fall when it was to be sold and taken from Enfield. The clock had been forgotten for the last 15 years. We called a Public Hearing to see if there was citizen interest to work toward retaining this historical part of our past. There was citizen support to keep the clock. William Lapan donated his interest in the clock to the Town.

Through donation of expertise by the LaBombard Brothers of Canaan and Hephaestus' crane, the clock was taken down and is temporarily stored in the Baltic Mill. Fund raisers and donations hopefully can accomplish our goal of getting the clock up in a new location and in working condition. More fund raisers and donations are needed and your help for this project would be appreciated.

The East Hill improvement project was completed and tarred this last fall.

The Planning Board completed their Master Plan after many long hours and the Plan adopted in early January. We will be trying to implement recommendations in future years.

The budget Committee passed a resolution urging Town Boards and Commissions to require financial support of major developers for the improvement of Town services and equipment that in part may strain our community as growth continues and not rely on current residents to fund improvements entirely.

Our sewer construction project has progressed slower than anticipated, but construction will start in the Spring of 1986. We expect a 2 year construction process and we would appreciate your cooperation and indulgence during this process.

We will be replacing water lines on portions of Moore Street, Lake Street and Dartmouth Street in conjunction with sewer construction in that area. Water meter installation is planned to start the Summer of 1986 which when completed, will allow for more equitable charging to users.

We plan to enlarge the Mascoma Boat launch area with free fill from sewer construction, improve and widen a portion of Eastman Hill Road and the I-89 junction and finish replacement of the Enfield Center Town Hall.

We have included a warrant article to borrow money over a two year period to replace our 12½ year old grader as part of our capital improvement program.

Your support would be appreciated.

Photos on the Town Report cover this year are of the Town Clock being taken down and were loaned to us by Dick Henderson.

We hope citizens will become involved with our various committees to help find or implement solutions to questions or problems important to us all as Townspeople and Taxpayers.

Your interest and involvement in the community is appreciated.

WARRANT FOR TOWN MEETING
STATE OF NEW HAMPSHIRE

GRAFTON S.S.

TOWN OF ENFIELD

To the inhabitants of the Town of Enfield qualified to vote in Town affairs:

You are hereby notified to meet in the Enfield Elementary School in said Town of Enfield on the ELEVENTH day of March next at ten o'clock in the forenoon, 1986, to act upon the following subjects:

Polls will open at ten A.M. and will not be closed before eight P.M.

Articles in warrant will be taken up beginning at seven P.M.

ARTICLE 1. To choose by ballot to serve for

Six years:	1 Supervisor of the Checklist
Five years:	1 Zoning Board of Adjustment member
Three years:	1 Selectman
	1 Tax Collector
	1 Trustee of Trust Funds
	1 Library Trustee
	1 Fire Ward
	2 Recreation Committee Members
Two years:	1 Moderator
	1 Auditor
	2 Recreation Committee Members
One year:	1 Trustee of Trust Funds

Question: "Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This Statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000. To be effective April 1, 1986."

ARTICLE 2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, as provided under RSA Chapter 33.

ARTICLE 3. To see if the Town will vote to authorize the Selectmen to sell or lease any or all parcels of real estate acquired by the Town through Tax Collector's deed for non-payment of taxes, or any or all Parcels not in public use; and to authorize the Board of Selectmen to execute and deliver in the name of the Town suitable deeds or leases of such real estate. The Selectmen may sell any real estate acquired by a Tax Collector's deed to the person to whom the taxes were assessed, at private sale; but all other sales shall be by public sale, such public sale to be advertised by suitable public notice.

ARTICLE 4. To see if the Town will vote to authorize the Selectmen to make application for and to receive and expend, in the name of the Town,

such gifts, advances, grants-in-aid, Federal Revenue Sharing Funds, HUD, EDA, EPA, FHA, BOR, N.H. Highway Safety, or other funds for any Town purposes as may be forthcoming from the United States Government, the State of New Hampshire, or any other Federal, State or local agency or person.

ARTICLE 5. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and local assistance Act of 1972 for use as set-offs against Budget Appropriations in the amounts indicated; and further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action thereon:

1986 PROPOSED USE OF

Cat Loader Note	<u>3,405</u>
	\$ 24,405

ARTICLE 6. To see if the Town will vote to authorize the borrowing of an amount not to exceed \$81,000. under the provisions of the Municipal Finance Act, RSA Chapter 33, with the principal and interest to be repaid in 1987 and 1988, for the purpose of purchasing a new grader and trading our current machine.

ARTICLE 7. To see if the Town will vote to adopt the budget and raise and appropriate the various sums recommended and posted by the Budget Committee or act thereon.

ARTICLE 8. To see if the Town will vote the sum of \$2,000 for investigation into the feasibility of placing the Town Clock on Whitney Hall.

ARTICLE 9. To see if the Town will vote that if the purpose or objects hereinafter designated, for which appropriations for the year 1986 may not have been fully accomplished during the fiscal year, the funds so appropriated or unexpended on the unfinished portion of such object shall be placed in a Capital Reserve Fund, dedicated to the purpose or object of its conception, until such time as the Board of Selectmen, acting as agents of the Town shall have the opportunity or occasion for fulfilling or completion of the purpose for which said appropriation was created.

The specifically designated purposes are as follows: Police Cruiser, Municipal Buildings, Ambulance, Water Dept. and Whitney Hall.

ARTICLE 10. To see if the Town will vote to adopt written welfare guidelines as proposed by the Board of Selectmen. Chapter 380 of the laws of 1985 requires the Town to adopt written welfare guidelines prior to April 1, 1986. (Copies of the full text of the proposed guidelines are on file with the Town Clerk.)

ARTICLE 11. Pursuant to a petition of ten or more legal voters: "To see if the Town will vote to oppose the burial, storage and transportation of high level radioactive waste in the Town of Enfield and the State of New Hampshire?"

ARTICLE 12. Pursuant to a petition of ten or more legal voters: "To see if the Town will vote to authorize the Board of Selectmen to deed to Glendon Johnson certain property on Grafton Pond Road so called, known as Whitehouse and Franklin lots, formerly owned by him and acquired by the Town by Tax Collectors deed dated May 19, 1980 and recorded at the Grafton County Registry of Deeds at Volume 1398, Page 394 but only after payment to the Town of all unpaid taxes, plus interest and/or penalty on same, legal fees, and upon payment of any other cost incurred by the Town in conveying this property."

ARTICLE 13. To hear the reports of agents, auditors, committees or any other officers heretofore chosen and pass any vote relating thereto.

CERTIFICATE OF AUDIT

We have examined the records of the Board of Selectmen, Public Library, Trustees of Trust Funds, Town Clerk, Town Treasurer, Tax Collector, Overseer of Public Welfare and Revenue Sharing Funds for the Town of Enfield, New Hampshire; including statements of Revenue, Appropriations, Encumbrances, Payments, Unobligated Funds and other records deemed necessary to define transactions for the year ended December 31, 1985.

The examination was made in accordance with accepted auditing principles applied on a basis consistent with preceding years; and accordingly included tests of the accounting records and other auditing procedures considered necessary during the review.

In our opinion, the records and statements presented represent an accurate account of transactions and financial condition for the year ended December 31, 1985.

REPORT OF THE ZONING BOARD OF
ADJUSTMENT

Eight meetings and one Hearing were held during 1985. The Board was composed of Bertrand Gilbert, Theron Chase, Jr., E. Steven Plumley, Keith Irwin and Virginia Church with Harry Auger and James Simpson serving as alternates. With three new members on the Board, educational meetings were held so that all members would be equally informed on the procedures involved in carrying out Board functions. Three members attended the Tenth Annual Municipal Law Lecture Series held in the fall at Lebanon.

The major effort was directed toward a Hearing for Controlled Environment Corporation for a Special Exception from the Land Use and Conservation Ordinance. The result of this Hearing was still pending at the end of 1985.

Respectfully submitted,
Virginia Church, Chairman

Aid was given to a total of 39 households with 95 members in 1985. Foster Care and court ordered attorney fees accounted for \$8343.80 of the General Assistance budget.

Due to legislation passed in 1985, all general assistance is the responsibility of the Town and any State mandated programs, ie: OAA APTD, Foster Care will be the responsibility of the State and County.

Respectfully submitted,
Carol C. Keating, Overseer

REPORT OF POLICE DEPARTMENT

The loss of experienced personnel had a dire impact on our operations during 1985. The hiring and training of replacement personnel were priority matters during most of the year. The year 1986 begins with two certified full-time officers on-board and two full-time officers in attendance at the New Hampshire Police Academy. It is hoped that the Department will be at full authorized strength of 4 full-time certified officers by mid-March.

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

Between July 1985 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

ENFIELD FAST SQUAD 1985 REPORT

The Enfield FAST Squad presently has 14 active members. We have answered approximately 115 calls this year including medical and cardiac emergencies, and motor vehicle accidents. The Squad members have actively participated in training sessions throughout the year. The monthly training sessions held in our station have included topics such as: Diabetic Emergencies, Seizures and Bee stings, Cardiac Arrest, Drug & Alcohol Behavior problems, Environmental emergencies, Traction, splinting and Infant resuscitation. The members also attend the monthly lectures and critiques sponsored by the emergency department of Mary Hitchcock Memorial Hospital. Some members have attended special training sessions and workshops at various locations throughout the state, including such topics and Environmental emergencies, Geriatric emergencies, poisoning and Respiratory emergencies. A CPR course for the public was sponsored by the squad and held in April. 25 area residents attend the course.

REPORT OF PLANNING BOARD

During 1985 the Enfield Planning Board approved 4 major subdivisions; 9 minor subdivisions; 5 exclusions (creating 2 lots both being at least 5 acres); and 7 site plan reviews. These created 33 new building lots. Also approved were 2 clusters of 7 condominiums each (14 condominiums) for Lakeview Condominiums and 6 clusters of 3 condominiums each (18 condominiums) for Lower Shaker Village Partnership. There were numerous other potential major and minor subdivisions, condominiums, site plan reviews and exclusions reviewed at our regular meetings.

In August 1985 we updated several areas of our subdivision regulations.

The Board met several times with developers of large tracts along Route 4A to discuss their development plans and our concerns with the potential impact on Town services. Along with many of the usual concerns of development, a long range concept discussed was the potential for a Route 4A by-pass through their property, to alleviate Route 4A traffic. (see XI-13, Enfield Master Plan and accompanying map).

Several meetings were held to work solely on the final stages of the Enfield Master Plan 1985. The final public hearing for, and the formal adoption of the Enfield Master Plan was held on Nov. 20, 1985. On January 8, 1986 the Board received and signed and filed copies of the adopted Master Plan with the Town Clerk, Selectmen, and State of NH completing the legal adoption requirements of the State of New Hampshire. Copies of the Enfield Master Plan may be borrowed from the Enfield Public Library or may be purchased at the Town Offices in Whitney Hall for \$ 15 per copy.

This year also saw the resignation of our Chairman, Amos Hoyt. We wish to thank him for his countless hours working on this Board. As Chairman he instituted changes to promote a policy and process for developers coming to the Board, he helped see the Master Plan through its many drafts, and often anticipated changes needed in our regulations and long range recommendations unforeseen by others for the Master Plan.

This Board worked with Upper Valley-Lake Sunapee Council (UVLSC) many times during the past year. Using Council dues and a portion of the Planning Board budget, the UVLSC was responsible for the completion of the final draft and printing of the Master Plan. Using input from our Board, UVLSC has also updated and written a rough draft of Residential and Non-residential Site Plan Review Regulations to be reviewed, revised and adopted by the Planning Board. They have also been contracted to further update our Subdivision Regulations. These will provide the Board with better tools to guide development and protect the Town of Enfield's interests. The UVLSC will also be assisting the Board with the review of large scale development proposals. These impact studies, requested of and financed by developers will provide the Board with more complete and objective information on which to base a sound decision.

ENFIELD PUBLIC LIBRARY

During 1985 regular library afternoon and evening hours were expanded to include Wednesday morning as a service to patrons. Present hours are Mon., Tues., Thurs., 1:00pm -8:00 pm and Wed., 10:00 am -6:00 pm.

The established programs of prior years continue. Additionally, all students attending Mascoma Valley Regional High School are now included in the "Suggested Summer Reading List". Service has also been extended to the Silveray Inn in the form of small collections for use by the residents. A free standing "Information Center" was purchased, providing a tidy and convenient location for pamphlets and other materials of interest to patrons.

During May the library was privileged to host a reception and exhibit for Jose Torres, Jr. Attendance was exceptional and the artist's comments on the background and meaning of each painting to those gathered was most interesting.

Contributions from the Enfield Lioness Club, Mascoma Valley Snow-travelers and others enabled the acquisition of books of particular merit. The continued support and generosity of everyone is much appreciated and allows the library administration to provide those extra services patrons enjoy. A special word of thanks to Andrea Thorpe and Barbara Mathewson for organizing and co-chairing a successful book and bake sale and arranging for assistance with the school children.

In closing, we are reminded by the death of retired librarian Mary L. Allen (1968-1976) of the many contributions she made to the library during her eight years of service.

Marjorie A. Carr,
Librarian

HISTORICAL RECORDS

During the past year there has been quite an increase in the number of requests for genealogical information and other items of interest, which we have been able to answer.

I especially wish to thank Webster and Mary Hill for the many pictures, old Town Reports and other articles; and Burton and Marie Williams for the various articles, pictures and Civil War letters from the Frank and Grace Williams home. Mr. Maurice Quinlan wrote an article about the Enfield Charter for the Nov. 1985 Dartmouth College Library Bulletin, and two copies were donated to our collection.

The Enfield Historical Society is starting to gather materials for the purpose of compiling a history of Enfield. If anyone has old photos, articles of information or interesting stories pertaining to the Town, it would be appreciated if they would donate or loan them for copying to Mrs. Marjorie Carr, President of the group.

MASCOMA HOME HEALTH SERVICES, INC.

Mascoma Home Health Services, Inc. with this year starts its 18th year of service to the Mascoma Valley towns of Canaan, Enfield, Grafton, Dorchester and Orange.

The agency is a not-for-profit corporation certified by Medicare. It is supported by grants from the five towns, the Division of Human Services, the New Hampshire State Council on Aging, the United Way, private donations and memorials. Each town has at least one representative on the Board of Directors, so has a voice in setting the policies of the agency.

Since services are funded in part by the towns that are served, home care services such as visiting nurse, physical therapist, home health aide, homemaker, occupational therapist, social worker are available to residents of that town. Participation also allows for disease prevention programs, well child clinics, dental clinics, blood pressure screenings.

The agency employs a Pediatric Nurse Practitioner to serve young families as well as children with special needs. A newborn visit is made by the Child Health nurse if new parents desire it. Young mothers' support groups meet regularly to assist parents with family management.

One of our special concerns is caring for the elderly, disabled, and and chronically ill so that they may stay in their own homes or with family as long as possible. Beside the home care services, an Adult Day Activity Program is offered.

Anyone can request services - you need not wait for your doctor to refer. A nurse or therapist will make an evaluation visit to determine if services can be helpful. Further visits will be made under physician's orders.

The office and clinic space of the agency is located on Prospect Street in Enfield. The phone number is 632-7234. We are always happy to answer questions by phone, or if you would care to stop at the office, we will show you the facility and tell you more about the work we do.

Home Health Visits by Discipline for 1985 for Enfield:

HEADREST

Headrest can offer emotional support, information about services and a non-judgemental sounding board whenever someone has a problem, question or needs a person to talk to. Staff and volunteers respond to calls involving depression, suicide, abuse, alcohol and drug problems; or requesting information about a variety of subjects. Our files contain information about hundreds of local, state, and national groups and agencies; and we can refer people to sources of help for a wide range of human needs. Many Upper Valley residents attend trainings and workshops sponsored by Headrest. All services are free and confidential.

ADVANCE TRANSIT

Advance Transit is a comprehensive public transportation system in the Upper Valley. It provides hourly weekday service for the public in Canaan, Enfield, Lebanon, Hanover and Lyme in New Hampshire and in Hartford and Norwich in Vermont; there is limited service during the evening and on Saturdays. In addition, Advance Transit operates door-to-door service for senior citizens and the handicapped. Commuters are also served by flexible system of subscription buses and van pools which operate wherever there is sufficient demand. Charter service is also available with vehicles accommodating 10 to 50 passengers.

From all indicators at the present time, Advance Transit will continue to grow rapidly, and, as it does, it will strive to further a more cohesive community network within the Upper Valley. Advance Transit should become the transportation company of the region. In order to do so, it is actively pursuing entrance into the transportation markets not presently served, such as contracted services, subscription buses, and shuttle bus service. Through the consolidated provision of these services, economies of scale can be realized, thereby effecting cost savings to all concerned. The transportation needs of the Upper Valley are many and continually growing. Advance Transit, through quality and fiscal stability, is here to serve them.

TOWN CLOCK ASSOCIATION COMMITTEE REPORT

This is the first report of the Clock Committee of Enfield since it was formed late last summer, for the express purpose of saving the "Town Clock" on the Lapan building on School Street.

Early records of the town disclose that in 1879, Mary Blake, then living in Canaan, but a member of the Enfield Congregational Church for many years, donated \$300 for a bell for the tower of the church. A Town Clock Association was then formed. Within a year, enough funds were raised to purchase a clock to work in conjunction with the gift bell. Over the years, ownership of the building has changed several times.

The Selectmen held two public hearings to determine whether the Town should pursue the feasibility of putting the clock on a town building, probably Whitney Hall, and putting it into operating condition. The majority of those attending these hearings felt the clock should remain in Enfield.

After discussions with the Selectmen, William and George Lapan agreed to donate their interest in the clock and tower to the Town of Enfield. The committee hopes to be able to come to an equitable agreement on the bell as well.

We wish to thank the following for the donation of time, expertise and equipment in removing the clock and tower from the building on Oct. 1 and temporarily storing it in the Baltic Mill:

Great Northern Barns	Hephaestus Corp.
Kelton Motors	Daniels Transportation
Enfield Fire & Highway Departments	Warren & Timothy Taylor

also Edmund Goodwin and Enfield Mascoma Lions Club for generous contributions.

We are presently doing research on the clock and architectural sketches. The continuing donations and support of the citizens of Enfield and elsewhere will make the dream of having a working Town Clock again, a reality. Contributions may be sent to First N.H. Bank of Lebanon, Enfield Branch, P.O.Box 34, Enfield N.H. 03748.

Respectfully,

Committee Chairman,
Evelyn Palmer

GRAFTON COUNTY COMMISSIONERS' REPORT

We appreciate the opportunity to submit the following report in our continuing effort to directly communicate with our constituents.

Because of current favorable cash status and appreciable fund balance, Grafton County maintained a level tax requirement this fiscal year, actually reducing the tax requirement by \$ 200, and we anticipate an even better tax climate in the next fiscal year. However, due to the apportionment process of tax assessment by equalized valuation, some towns did see a slight increase in the county portion of taxes for 1985, though the majority of towns realized a decrease. The unusual fund balance is due to a combination of factors, including unused surplus in the previous budget, conscientious budget management by all departments, transfer of court expenses to the State, increased Nursing Home reimbursements, favorable returns on investments, increased Register of Deeds revenues and continued Revenue Sharing.

Along with saving the County approximately \$300,000 in expenditures with the shift of liability for court activities to the State, we also anticipate receiving \$100,000+ annually in rent on space occupied by the court system.

Grafton County is experiencing the same problems as your local government in the insurance market. Costs are rising dramatically and in some cases insurance coverage is unobtainable. We have retained a consultant to review county insurance needs & available coverage with the hopes of procuring one total package. Because of the current unstable insurance market, we do not yet have any report or recommendation.

In cooperation with your local government and the State, we are striving for a smooth transition to the new system of welfare service delivery under Senate Bill 1. Settlement for assistance determination has been eliminated & towns and cities are now liable for all general assistance to needy persons in their towns, including transients. However, liability for expenses of all juvenile services & for persons assisted under the categorical grant programs will now be shared by the State and counties, removing town liability. Under Senate Bill 1 and the ensuing partnership between counties and the state Dept. of Children & Youth Services, the Commissioners note a new direction for juveniles, including the development of new alternative programs to out of home placements.

Energy conservation programs at the nursing home and courthouse have realized a considerable savings with the decrease in fuel & electric consumption, cutting consumption & dollar cost in half for courthouse fuel alone.

In our letter to you in 1983 we noted litigation in a retirement buy-back suit where a negative decision would result in cost of \$70,000 plus legal fees with a potential domino effect on local governments. We are pleased to note that the County prevailed in this issue.

The Commissioners have changed weekly meetings to Wednesdays. We encourage public attendance at all meetings. The county budget recommendations are processed in May & June. We welcome input and strongly recommend public attendance at the public hearings usually held in June. GRAFTON COUNTY COMMISSIONERS:

Dorothy Champion-Corcoran, Chairperson, Arthur E. Snell, Leonard
Anderson
