# RULES OF PROCEDURE

According to RSA 40, the town Moderator determines the procedures to be used in Town Meetings. The Moderator determines the rules without regard to parliamentary or other procedural rules. The voters can overturn the Moderator's rules at any time, however. A motion to overturn the Moderator's rules, or establish new rules, will always take precedence to other business which is already "on the floor".

So that you will know the ground rules by which we are maintaining order, these procedural rules are announced to you ahead of time.

- The Moderator will read each article in its entirety before that article is considered.
- There can be no discussion until there has been a motion under the article. usually the first motion is to approve the article as it appears on the warrant)
- All motions must be seconded by a different individual.
- Discussion will only take place after a motion has been moved and seconded.
- All discussion must take place only when called upon by the Moderator. You must have permission from the Moderator before you can speak.
- When the Moderator recognizes you, standup, speak out loudly and announce your name before proceeding with your comments.
- If you want to change a portion of a motion, you can do so by making an amendment. We will consider only one move to amend at any given time. When discussion regarding an amendment comes to a conclusion, the amendment will be voted upon. If the amendment passes we will then continue considering the original motion as it has now been amended. If the amendment fails, we will return to considering the motion in its form prior to the motion to amend.
- A secret written ballot will be used on any article when requested by any 5 voters in writing (RSA 40:4-a).
- A vote will be re-tabulated by secret written ballot when requested in writing or orally by only 7 voters (RSA 40:40b). This action must be requested before we have already moved onto the next item of business.

One final word of advice from your Moderator: If you want to get action from the Town Meeting, you have to make a motion. It's okay to get up and ask a question or make a comment (as long as it's relevant to what's on the table), but if you want the Town Meeting to discuss and vote on your idea, you have to get it on the table with a motion. Let's work together to have a successful and efficient meeting.

Thank you,  
Donald Johnson, Moderator

# TOWN OF FREEDOM, N.H.

## TOWN MEETING – MARCH 9, 2010

### WARRANT - MINUTES

Town meeting and the election of officers for the town and school district were both held on Tuesday, March 9, 2010, commencing at 9:00 a.m., at the Freedom Elementary School.

After the swearing in of the election personnel, the polls were opened by the Moderator, Donald Johnson, at 9:00 a.m. The Moderator then proceeded to the gymnasium and commenced Town Meeting at 9:10 a.m. by welcoming the audience, explaining the rules of procedure and asked that any person wishing to speak to an Article proceed to the microphone placed in the front middle aisle section and people would be taken in order of line up.

Mr. Johnson introduced the Selectmen, Les Babb, Neal Boyle and James Brown, the Town Clerk, Libby Priebe, and Town Attorney, Susan Slack, as well as himself. He noted that Beth Earle, Assistant Moderator, Rochelle Brooks and Alice Haslett, Ballot Clerks, and Sue Brown, Deputy Town Clerk, were assisting with the voting in the other room, and that Anne Babb, George Buzzell and Chuck Brooks would be assisting with the election, and noted that the Supervisors of the Checklist, Daniel Brooks, Pat McCoy and Albert Godfrey, would be assisted by Maggie Buzzell and Carol Stansell, as needed.

Mr. Johnson explained the use of the voting cards. [As participants had entered the room, they had gone through the Supervisors of the Checklist and after being checked in, received a colored index card to be used for voting purposes. Non-voters were identified and asked to sit in a special section accordingly.]

Mr. Johnson commenced the meeting with the Pledge of Allegiance to the Flag and the reading of the Warrant:

To the inhabitants of the Town of Freedom in the County of Carroll in said state, qualified to vote in Town Affairs:

You are hereby notified that the Annual Town Meeting of the Town of Freedom will be held at the Freedom School on Tuesday the 9th day of March 2010 at 9:00 o'clock in the forenoon to act upon the following subjects.

There will be voting by Official Ballot for the election of Town Officers and for adoption of Zoning Amendments. The polls open at 9:00am and close at 7:00pm unless there is a vote to keep the polls open to a later hour. The ballots will be counted after the polls close at 7:00pm.

All other articles will be presented, discussed and acted upon beginning at 9:00am at the Freedom School.

Articles **1 through 6** were read in to the minutes by the Moderator, noting that the Warrant Articles were being voted on in the other room and that the polls would be open until 7:00 p.m.

Please note for the purposes of these Minutes: (a) there were a total of 594 ballots cast for this election, with 1254 names on the checklist, for a 47% voter turn-out; (b) the election results are included herein and (c) a write-in candidate must have received a minimum of five (5) votes to be included or have been declared the winner with less than five (5) votes:

(Approved by the Planning Board 5-0-0)

**YES 456 NO 97 Article 6 carries.**

Prior to the reading of Article 7, Mr. Johnson explained that the next Article, Article 7, would be a Bond Article and law requires that Bond Articles

come first on the Warrant, after the written articles, requires a two-thirds majority vote to pass, written yes/no ballots will be used, and that the polls will remain open for one (1) hour. Mr. Johnson also noted that if Article 7 passes, the next Article, Article 8, will be passed over and the meeting will proceed to Article 9.

**Article 7: (Bond – to be acted on by separate ballot)**

To see if the Town will vote to raise and appropriate the sum of Two Million Seven Hundred Thousand Dollars (\$2,700,000) for the construction and original equipping of a combined fire and police facility on the current fire station site at Village Road, including the acquisition of an approximately .83 acre parcel of land from abutters John and Barbara Stuart; Two Million Seven Hundred Thousand Dollars (\$2,700,000) of such sum to be raised by the issuance of bonds or notes under and in compliance with the terms of the Municipal Finance Act, RSA 33; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. (2/3 ballot vote required)

Recommended by Board of Selectmen 3-0-0

**If this Article 7 fails, then Article 8 shall be passed over.**

MOTION: LES BABB

SECONDED: JUSTIN BROOKS

Les Babb spoke to the Article on behalf of the Board of Selectmen, expressing the concerns about legal liabilities for the police department due to the inadequate set-up at the existing town office building, the fire department's need for a new tank truck, but no place to put it, the lack of an exhaust system in the existing fire station, which would be a \$40,000 to \$50,000 addition to the existing fire station, and the lack of secured areas in the existing town office building for police, evidence and welfare records, as well as the parking and handicapped access issues, and the lack of secure storage for personnel, juvenile and the tax collector records. Les also noted that at last year's meeting, Article 26 had been placed on the warrant to possibly purchase land for a new municipal complex, and after town meeting, the Article 26 Committee had been formed and had accelerated the process and brought the issue forward for this year. He also explained that due to the professional review of the wording, with the requirements of the Bond Bank and the Department of Revenue Administration, the wording was not presented the way the Article 26 Committee or the Board of Selectmen would have preferred, but is presented as required. The Committee has looked at all options and the plans include needs and requirements and a few wants, and their results are what is in front of the voters today.

Selectman Boyle asked the meeting if they had read Articles 7, 8 and 9 or needed to have them read over again, and did the meeting feel comfortable proceeding? Having received no response, he noted he'd take that as a yes, stat-

ing that a fire and police facility was really needed.

Discussion from the floor started with Jim Breslin, who recommended that due to the economy, he disagreed with the need and recommended waiting until it is known where the economy is going.

John Shipman, Chairman of the Article 26 Committee, was introduced and received permission to allow the architect, Eric Palson of the Sheerr McCrystal Palson Architecture Firm of New London, NH, who has been working with the Article 26 Committee, to proceed with a slide presentation of the Committee's options, plans and recommendations.

The Moderator thanked Mr. Palson for his presentation and opened the discussion for Article 7, turning the floor back to Mr. Shipman. Mr. Shipman explained that the Committee had worked very hard and tried to do the best they could and advised the meeting to think carefully about how much money they wanted to spend.

Alice Williams asked if the work would be done with competing bids and would the work be offered to locals?

Selectmen Babb said yes – as long as the bid criteria was met.

Discussion.

The Moderator announced we would proceed to Vote on Article 7, noting that the polls would stay open until 11:15 a.m. The polls were opened at 10:10 a.m.

The meeting was stopped and the written ballot voting commenced on Article 7.

The meeting was re-convened at 10:55 for the beginning of a review of Articles 8 and 9, with the Moderator noting that there were still 20 minutes left for voting purposes on Article 7.

Mr. Johnson noted that if Article 7 passes, the meeting will consider Article 8. Selectman Babb asked that Mr. Palson be allowed to proceed to talk about Article 8 with his slide presentation.

Anne Cunningham asked the Moderator to explain the relationship between Articles 8 and 9 and what the choices were.

Mr. Johnson noted that if Article 7 passes, the meeting will consider Article 8, and noted that Article 8 would be to vote on adding the town offices to the facility established by Article 7, and if Article 7 fails, the meeting would proceed directly to Article 9, noting that Article 9 involves the renovating and expansion of the current town office facilities.

Discussion.

Prior to Mr. Palson commencing with his presentation, Mike Gaudette made a point of order – noting it was time to close the polls on the voting for Article 7. The meeting stopped and the ballots were counted.

**RESULTS OF VOTING ON ARTICLE 7:** The Moderator noted that a total of 233 votes were cast, which would require 156 yes votes for the Article to pass:

**YES 106 NO 127 Article 7 fails.**

The failure of Article 7 meant that Article 8 was passed over:

**Article 8:** (Bond – to be acted on by separate ballot)

To see if the Town will vote to raise and appropriate the sum of Four Hundred Fifty Four Thousand Dollars (\$454,000) for the construction of Town office facilities, including any necessary acquisition of abutting land or interests therein at the site of the combined fire and police facility at Village Road; Four Hundred Fifty Four Thousand Dollars (\$454,000) of such sum to be raised by the issuance of bonds or notes under and in compliance with the terms of the Municipal Finance Act (RSA Chapter 33); to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. (2/3 ballot vote required)

Recommended by Board of Selectmen 2-1-0

**If Article 7 passes and this Article 8 passes, then Article 9 will be passed over.**

The meeting passed over Article 8 and proceeded to Article 9:

The Moderator read Article 9 in to the minutes:

**Article 9:** (Bond - to be acted on by separate ballot)

To see if the Town will vote to raise and appropriate the sum of One Million Seventy Thousand Dollars (\$1,070,000) for the renovation and construction of Town office facilities, including any necessary acquisition of abutting land or interests therein at 33 Old Portland Road; One Million Seventy Thousand Dollars (\$1,070,000) of such sum to be raised by the issuance of bonds or notes under and in compliance with the terms of the Municipal Finance Act (RSA Chapter 33); to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. (2/3 ballot vote required)

Not Recommended by Board of Selectmen 1-2-0

MOTION: Anne Cunningham

SECONDED: Lee Fritz

Selectmen Chairman Les Babb made a MOTION TO PASS over Article 9, stating that with the failure of Article 7, if Article 9 were to be voted in, there would be no place for the Police Department. This motion was SECONDED by Anne Babb.

Discussion on the Motion to Pass over Article 9.

**Vote on motion to pass over Article 9:  
NO – the motion to pass over Article 9 fails.**

Discussion continued on Article 9 as presented. Eric Palson was allowed to complete his slide presentation and answered questions from the floor.

Anne Cunningham asked for a point of order – asking if an amendment can be made to a Bond issue; Moderator Johnson confirmed that a Bond issue could be amended.

Discussion on Article 9.

MOTION MADE by Anne Cunningham to consider Article 9 as is and not confuse it with other issues and uses – to restrict the discussion to Article 9 to its function as a Town Office facility; SECONDED by Betty Godfrey.

Discussion on motion.

Les Babb noted that the meeting needed to understand that we cannot move forward until the problem is solved regarding the Police Department.

Carol Anthony asked a point of order: Can Article 7 be re-voted? The Moderator said we can vote to reconsider in seven (7) days at a re-convened session of this meeting, and he explained Ms. Anthony would have to make a motion under the “all other business” article at the end of the meeting.

Discussion on motion to restrict.

**VOTE on Motion to Restrict discussion on Article 9 to its use as a Town Office facility only and not as a police department: NO – the Motion fails.**

The Moderator announced we would return to the discussion of Article 9 without a restriction.

Jim Breslin made a MOTION TO MOVE the question.

The Moderator explained that this motion did not need a second, and if voted yes, would stop all further discussion. If voted no, the meeting would continue the discussion.

**VOTE ON MOTION TO MOVE THE QUESTION: YES – the motion to move passes.**

The Moderator read through Article 9 one more time prior to the voting. The polls opened for the voting by written ballots on Article 9 at 12:30 p.m.

\* \* \* \* \*

*{NOTE: for the purposes of these Minutes and for clarity – the Results for the Vote on Article 9 are being inserted at this point – as well as being included in actual order later herein:*

*The Moderator noted that 198 votes were cast, and that Article 9 would need 132 yes votes to pass:*

**RESULTS ON ARTICLE 9:      55    YES    143    NO**  
**ARTICLE 9 FAILS.}**

\* \* \* \* \*

The Moderator reconvened the meeting at 1:15, noting that there was still time left for the voting on Article 9, and Article 10 was read in to the minutes:

**Article 10:** To see if the Town will vote to request the Selectmen to appoint a committee to review and recommend options for future use of the current Town Office building.

MOTION: Les Babb

SECONDED: James Brown.

No discussion.

**VOTE ON ARTICLE 10: YES, ARTICLE 10 carries.**

**ARTICLE 11:** The Moderator announced he would handle Article 11 by reading the section totals in to the minutes as follows:

General Government	\$	413,488.00
Public Safety	\$	542,440.00
Highways and Streets	\$	766,944.00
Sanitation	\$	205,786.00
Health	\$	15,444.00
Welfare	\$	10,150.00
Culture and Recreation	\$	76,325.00
Conservation	\$	5,800.00
Debt Service	\$	146,577.00
<b>TOTAL OF ARTICLE 11:</b>	<b>\$</b>	<b>2,182,954.00</b>

MOTION: Les Babb

SECONDED: James Brown

Road Agent Scott Brooks made a **MOTION TO AMEND** Article 11 by

reducing the Highway Department section down by \$58,000.00, reducing the total of Article 11 from \$2,182,954.00 to \$2,124,954.00; **SECONDED** by Les Babb.

Discussion on proposed Amendment.

Scott Brooks explained to the meeting that there had been a snow drought and we'd had an easy winter, which means that the department can get by with \$58,000.00 less in its budget.

**VOTE ON MOTION TO AMEND: YES – the Amendment passes.**

Discussion continued on Article 11 as amended down to \$2,124,954.00.

**VOTE ON ARTICLE 11 AS AMENDED: YES – Article 11 in the amount of \$2,124,954.00 carries.**

**Article 12:** To see if the Town will vote to raise and appropriate the sum of \$500.00 to defray the annual working expenses of the Heritage Commission.

MOTION: Robert Smart  
SECONDED: Gail Bizer

Selectmen Boyle spoke to the Article, noting that the commission had been approved last year but the Article hadn't contained a monetary amount, that the members have kept track of their expenses and that the \$500.00 would be sufficient.

No discussion.

**VOTE ON ARTICLE 12: YES – Article 12 carries.**

**Article 13:** To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to repair and or replace the roof at the Village Road Fire Station.

MOTION: James Brown  
SECONDED: Les Babb

Selectman Brown spoke to the Article, noting that Article 7 didn't pass and the roof needs to be replaced.

No discussion.

**VOTE ON ARTICLE 13: YES – Article 13 carries.**

**Article 14:** To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to properly repair and repaint the exterior of Town Hall.

Recommended by the Heritage Commission

MOTION: Neal Boyle  
SECONDED: James Brown

James Brown made a **MOTION TO AMEND** the Article by raising the amount \$10,000.00 – from \$15,000.00 to \$25,000.00. **SECONDED** by Les Babb.

James Brown spoke to the proposed Amendment, noting that they have a working estimate in hand for \$29,000.00, that it was close to \$14,000 to do the two sides of the building, but the work could probably be completed for \$23,000.00.

No further discussion.

**VOTE on the proposed Amendment to Article 14, raising the amount to \$25,000.00: YES, the Amendment carries.**

Discussion on Article 14 as amended.

It was noted that if this Article carries, it would not be necessary to vote on Article 15 – the decision would be for one or the other, not both, and that painting is recommended by the Heritage Commission.

**VOTE ON ARTICLE 14 as amended: YES, Article 14 as amended carries.**

The meeting was halted at this point to count the Ballots from the Article 9 Vote.

The Moderator noted that 198 votes were cast, and that Article 9 would need 132 yes votes to pass for a two-thirds majority:

**RESULTS ON ARTICLE 9:            55    YES            143 NO**

**ARTICLE 9 FAILS.**

The meeting continued with Article 15.

**Article 15:**To see if the Town will vote to raise and appropriate the sum of \$42,000.00 to install vinyl siding to Town Hall.

Neal Boyle made a **MOTION TO PASS** over this Article;  
**SECONDED** by James Brown.

No discussion.

**VOTE ON MOTION TO PASS OVER ARTICLE 15: YES, motion to pass over Article 15 carries.**

**Article 16:** To see if the Town will vote to raise and appropriate the sum of \$6,400.00 to refurbish the Bandstand.

MOTION: James Brown  
SECONDED: Les Babb

James Brown spoke to the Article, noting there is an estimate in hand to have the work done.

**VOTE ON ARTICLE 16: YES, Article 16 carries.**

**Article 17:** To see if the Town will vote to raise and appropriate the sum of \$5,200.00 for a new Hurst cutter tool for the Fire and Rescue Department.

MOTION: Justin Brooks  
SECONDED: Mike Gaudette

Fire Chief Gene Doe spoke to the Article and both cutting tools were shown to the meeting. Chief Doe explained that both tools had specific purposes and both would be used for extracting an accident victim from motor vehicle entrapment.

Discussion.

**VOTE ON ARTICLE 17: YES, Article 17 carries.**

**Article 18:** To see if the Town will vote to raise and appropriate the sum of \$27,480.00 for this year's contract with R.B. Wood & Associates, LLC to complete the necessary new construction assessing and all other assessing duties required for the year.

MOTION: James Brown  
SECONDED: Les Babb

James Brown spoke to the Article; no discussion.

**VOTE ON ARTICLE 18: YES, Article 18 carries.**

**Article 19:** To see if the Town will vote to raise and appropriate the sum of \$30,400.00 to seal coat on Town Roads.

MOTION: Justin Brooks  
SECONDED: Les Babb

Road Agent Scott Brooks spoke to the Article.

Discussion.

**VOTE ON ARTICLE 19: YES, Article 19 carries.**

**Article 20:** To see if the Town will vote to raise and appropriate the sum of \$80,000.00 to repave on Town Roads.

MOTION: Les Babb  
SECONDED: Scott Brooks

Discussion.

**VOTE ON ARTICLE 20: YES, Article 20 carries.**

**Article 21:** To see if the Town will vote to raise and appropriate the sum of \$12,000.00 for road crack sealing on Town Roads.

MOTION: Les Babb  
SECONDED: James Brown

Discussion.

**VOTE ON ARTICLE 21: YES, Article 21 carries.**

**Article 22:** To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the crushing of gravel for the use on Town Roads.

MOTION: Les Babb  
SECONDED: James Brown

Selectman Babb spoke to the Article.

Discussion.

**VOTE ON ARTICLE 22: YES, Article 22 carries.**

**Article 23:** To see if the Town will vote to appropriate the sum of \$52,200.00 for a new highway truck Ford 2011 F-550 one ton with plow; withdraw \$34,700.00 from the Highway Capital Reserve Fund to use towards the purchase and to raise by taxes the balance of \$17,500.00 for the truck and a body for the town's 2006 one ton truck.

MOTION: Les Babb  
SECONDED: James Brown

Selectman Babb spoke to the article, noting that the plan had been to replace this town vehicle every 2-3 years; however, Fire Chief Gene Doe wants the old one ton, as he has a tank from a fire truck that was sold that can be placed on the old one ton, which will be used by the Fire Department during the summer months, then the tank removed and it can be used by the Highway Department in the winter for plowing, which will reduce rental costs. The dump body from the old one ton will be placed on the new truck.

No discussion.

**VOTE ON ARTICLE 23: YES, Article 23 carries.**

**Article 24:** To see if the Town will vote to raise and appropriate \$27,458.00 for the remainder of the engineering costs for the bridge numbered 115/074 over Danforth Bay Outlet on the Ossipee Lake Road. This appropriation will be offset by a grant from the State of New Hampshire Bridge Aid Program.

MOTION: Les Babb

SECONDED: James Brown

Selectman Babb spoke to the Article, noting that the bridge is in bad condition and the guardrails are hanging. There is hope of getting 80% of the money back from the Bridge Aid Program and it is possible the project could be paid for 100%.

Jim Blake noted that he and his wife had canoed under the bridge and it is in bad shape and he was in favor of this Article.

No further discussion.

**VOTE ON ARTICLE 24: YES, Article 24 carries.**

**Article 25:** To see if the Town will vote to raise and appropriate the sum of \$14,700.00 for the Cold Brook Road precast concrete culvert.

MOTION: Les Babb

SECONDED: James Brown

Selectman Babb spoke to the Article, noting that the town was looking to replace two old metal culverts that were failing and allowing the brook to fill in.

No further discussion.

**VOTE ON ARTICLE 25: YES, Article 25 carries.**

**Article 26: (By Petition)**

The Freedom Historical Society and its members respectfully request the town to raise and appropriate the sum of \$10,000.00 to address urgently needed fire, public safety and handicap accessibility upgrades to the Allard House/Barn.

Recommended by the Board of Selectmen 3-0-0

MOTION: Bonnie Burroughs

SECONDED: James Brown

Bonnie Burroughs, a member and former President of the Freedom

Historical Society, spoke to the Article.

No discussion.

**VOTE ON ARTICLE 26: YES, Article 26 carries.**

**Article 27: (By Petition)**

To see if the Town will vote to raise and appropriate the sum of \$4,800.00 to purchase and install a sanitizer dishwasher to replace the present dishwasher (which is inadequate in turn around time to handle large functions) in the kitchen of the Freedom Town Hall. This new unit will be able to do a complete cycle in 2 minutes (145 sec. wash at 150 degrees & 15 sec rinse at 185 degrees). This new unit will also make going green more plausible in the sense that fewer disposable utensils will be used.

Recommended by the Board of Selectmen 3-0-0

MOTION: Neal Boyle

SECONDED: Carol Anthony

Marshall Kendall spoke to the Article – explaining that the new dishwasher would be able to handle and process the dishes more quickly and would cut costs and reduce the amount of water ending up in the Town Hall’s holding tank system, noting that an inspection by a Health Officer advised supporting this Article.

Discussion – mostly by Moderator Johnson who jokingly inquired about the wording in the Article pertaining to a “2 minute cycle” vs. the “145 second wash and 15 second rinse....”!

**VOTE ON ARTICLE 27: YES, Article 27 carries.**

**Article 28: (By Petition)**

To see if the Town of Freedom will vote to raise and appropriate the sum of \$3,000.00 (three thousand dollars) in support of Carroll County Transit for the following transportation services; Public Transit Fixed and Commuter Routes, Demand Response Senior Transportation and Long Distance Non Emergency Medical Transportation.

Not recommended by the Board of Selectmen 1-2-0

MOTION: Neal Boyle.

SECONDED: Barbara Welch.

Discussion.

**VOTE ON ARTICLE 28: NO, Article 28 fails.**

**Article 29:** To see if the Town will vote to raise and appropriate the sum of \$8,500.00 to be added to the Remediation of Invasive Weeds, Milfoil or Pollution Fund of the Town previously established.

Recommended by the Board of Selectmen 3-0-0

MOTION: Les Babb  
SECONDED: James Brown

Les Babb spoke to the Article.

No further discussion.

**VOTE ON ARTICLE 29: YES, Article 29 carries.**

**Article 30:** To see if the Town will vote to raise and appropriate the sum of \$1,300.00 for the software and training for maintaining the town's website.

MOTION: James Brown  
SECONDED: Les Babb

James Brown spoke to the Article, explaining the money would be used to train the town staff to maintain the web site, which would mean the information would be on the web site quicker.

No further discussion.

**VOTE ON ARTICLE 30: YES, Article 30 carries.**

**Article 31:** To see if the Town will vote to raise and appropriate the sum of \$30,000.00 to be added to the Fire Department Capital Reserve Fund of the Town previously established.

Recommended by the Board of Selectmen 3-0-0

MOTION: Justin Brooks  
SECONDED: James Brown

James Brown spoke to the Article, explaining money had been pulled from the fund this year to fix Engine 2, and that it was necessary to put money in to this account for a new truck.

No further discussion.

**VOTE ON ARTICLE 31: YES, Article 31 carries.**

**Article 32:** To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to the Transfer Station Equipment Capital Reserve Fund previously established.

Recommended by the Board of Selectmen 3-0-0

MOTION: Neal Boyle  
SECONDED: James Brown

Discussion.

**VOTE ON ARTICLE 32: YES, Article 32 carries.**

**Article 33:** To see if the town will vote to raise and appropriate the sum of \$4,000.00 to be added to the Library Expendable Trust Fund of the Town previously established.

Recommended by the Board of Selectmen 3-0-0

MOTION: Peg Scully

SECONDED: Neal Boyle

Peg Scully explained that the money would be needed for an air conditioner and then a roof.

No further discussion.

**VOTE ON ARTICLE 33: YES, Article 33 carries.**

**Article 34:** To see if the Town will adopt a Fireworks Ordinance pursuant to RSA 106-B:10 and RSA 106-C:6 and to authorize the enforcement of the Ordinance established by the Freedom Board of Selectmen. See complete ordinance on page 116.

MOTION: Les Babb

SECONDED: Carol Anthony

Selectman Babb spoke to the Article, noting that this Ordinance would give the Police Department a management tool.

Mike Gaudette made a MOTION TO AMEND the Ordinance to include New Year's Eve, New Year's Day and if (then when) the Red Sox win another World Series; SECONDED by Karl Ogren.

Discussion on Motion to Amend.

VOTE ON MOTION TO AMEND the Ordinance to include New Year's Eve, New Year's Day and when the Red Sox win another World Series; YES, the Amendment carries.

Discussion of Article 34 as amended.

Mike Gaudette MADE A MOTION to further amend the Article, aided by the Moderator, to include up to 2 am on New Year's Eve and to extend the time for 24 hours following the final out when the Red Sox win the World Series, so the new amendment would include the words:

New Year's Eve up to 2:00 AM, New Year's Day, and 24 hours following the final out when the Red Sox win the World Series.

SECONDED by Carol Anthony.

Neal Boyle asked if the Yankees would receive equal rights: he received a loud “No” from the meeting.

VOTE TO AMEND ARTICLE 34 to include the words: “New Year’s Eve up to 2:00 a.m., New Year’s Day, and 24 hours following the final out when the Red Sox win the World Series”; YES – Motion to further Amend carries.

**VOTE ON ARTICLE 34 AS AMENDED** to include the words: “New Year’s Eve up to 2:00 a.m., New Year’s Day, and 24 hours following the final out when the Red Sox win the World Series”: **YES**, Article 34 as amended carries.

**Article 35:** To review real estate acquired by the Town by Tax Collector’s deed since the last annual Town Meeting to consider whether or not to sell any or all such properties and the appropriate terms and conditions regarding their sale.

MOTION: James Brown  
SECONDED: Les Babb

The Tax Collector, Anne Babb, was introduced and explained to the meeting that the town had not taken any property in 2009.

The Moderator noted that the Tax Collector’s Report to the meeting was accepted.

**Article 36:** To transact any other business that may legally come before the meeting.

Moderator Johnson noted that he hoped he would not get a premature motion to adjourn, as he hoped anybody with business under this Article would have a chance to come forward.

Carol Anthony MADE A MOTION that Article 7 be reconsidered at a re-convening of Town Meeting on Saturday, March 20th, 2010 @ 9:00 am.; SECONDED by Peg Cade.

Carol Anthony spoke to her Motion, noting that we might be able to change the wording of the Article and move forward, and the Town needs to discuss it.

John Shipman noted that more time was needed to come up with accurate information and he urged the meeting to vote down this motion.

Discussion.

**VOTE ON MOTION TO RECONSIDER: NO, motion fails.**

Betty Godfrey asked if the Selectmen would consider bringing in a Red Cross instructor for swimming lessons for the kids; Selectman Babb said the Selectmen would look in to it.

Discussion.

Marshall Kendall announced that there were a couple of fun events coming up – there will be a community wide one mile yard sale to benefit the Historical Society and he asked for donated items, stating a tax receipt could be provided, and also noted that the Old Home Week Committee is having the Singing Trooper back again this year. Last year about 150 people were present, and this year they are hoping for 200-300. The donation will be \$12.00 and will include strawberry shortcake.

Les Babb stated that yesterday the Selectmen had a meeting with the Department of Transportation and have entered in to a discussion about the Town taking over the Village Road, Cushing Corner Road and the Old Portland Road. The State would have to re-build the roads and would like the Town to take these roads over.

Members of the audience asked for recommendations from the Road Agent, Scott Brooks. Scott said that ultimately the decision would be up to the voters to decide what to do and noted that a lot more information is needed. By today's figures, the addition of these roads would add \$80,000.00 to the present budget, for the additional seven (7) miles of roads.

Moderator Johnson asked Selectman Babb if he needed to obtain a straw vote. Mr. Babb said the Selectmen need to get a feeling if the town is interested. If so, the State might put the money in to it.

Pete Schiller asked if the Selectmen had any idea of the total bill for the project. Mr. Babb answered \$11 Million for all roads. \$1-3 Million would be required to do the initial work.

Discussion.

John Hogan advised the Selectmen to please pursue the issue, as something must be done.

A show of hands indicated that the Selectmen should pursue this issue with the Department of Transportation.

The Selectmen, represented by Les Babb, made a presentation to Fire Chief Gene Doe, commending him on his thirty years of service on the fire department to the Town of Freedom. Gene received a big round of applause. [For the record: Gene was presented with a "shadow box" custom made by Herb Burroughs, depicting the Fire Department's emblem.]

Moderator Donald Johnson recommended that the Board of Selectmen

send a letter of Appreciation to the School for their hospitality and cooperation in allowing the School to be used for Town Meeting and voting. A show of voting cards indicated a strong Yes in support of his recommendation.

The Moderator thanked everybody in attendance for conducting an objective and civil town meeting that remained up beat and positive.

Fire Chief Gene Doe stood and help up a piece of the actual insulation from inside the fire station, blackened by the exhaust fumes from the trucks, reminding all present that there are still problems to be dealt with.

James Brown **MADE A MOTION TO ADJOURN; SECONDED** by all.

The meeting was adjourned at 3:05 p.m.

Respectfully submitted,

A true copy, attest:

**ELIZABETH PRIEBE, TOWN CLERK**

# TOWN MEETING – MARCH 8, 2011

## WARRANT

### The polls will be open from 9:00am to 7:00pm

To the inhabitants of the Town of Freedom in the County of Carroll in said state, qualified to vote in Town Affairs:

You are hereby notified that the Annual Town Meeting of the Town of Freedom will be held at the Freedom Town Hall on Tuesday the 8th day of March 2011 at 9:00 o'clock in the forenoon to act upon the following subjects.

There will be voting by Official Ballot for the election of Town Officers and for adoption of Zoning Amendments. The polls open at 9:00am and close at 7:00pm unless there is a vote to keep the polls open to a later hour. The ballots will be counted after the polls close at 7:00pm.

All other articles will be presented, discussed and acted upon beginning at 9:00am at the Freedom Town Hall.

#### **Article 1:** (To vote by Official Ballot)

To choose all necessary Town Officers for the ensuing year.

#### **Article 2:** (To vote by Official Ballot)

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town zoning ordinance as follows: to establish a Groundwater Protection Overlay District, applying to non-residential uses, the boundaries of which are depicted on the Groundwater Protection map; including performance standards, conditional uses and prohibited uses to protect groundwater from contamination?

(Approved by the Planning Board 6-0-0)

#### **Article 3:** (To vote by Official Ballot)

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town zoning ordinance as follows: to permit in all residential zoning districts Elderly Housing developments of a minimum of six dwelling units on a minimum lot size of 10 acres, 30% of which acreage shall be dedicated to passive and/or active recreation, for family units where the head of household or spouse is 55 years of age or older?

(Approved by the Planning Board 6-0-0)

#### **Article 4:** (To vote by Official Ballot)

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town zoning ordinance as follows: to permit Elderly Group Homes by Special Exception granted by the Zoning Board of

Adjustment in all residential zoning districts for communal living by unrelated persons 65 years of age or older, with a maximum of 8 individual bedrooms and one caretaker apartment in single-family type structures with common living and dining areas?

(Approved by the Planning Board 6-0-0)

**Article 5: (To vote by Official Ballot)**

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town zoning ordinance as follows: to amend Article 3, Section 309.1, G (Accessory Apartments) to permit a separate rental apartment unit, limited to one bedroom, within or attached to a single-family dwelling, requiring the property owner to reside in either the primary residence or the accessory apartment; such apartment to be limited to a maximum of 800 square feet, unless additional square footage is approved by Special Exception granted by the Zoning Board of Adjustment?

(Approved by the Planning Board 5-1-0)

**Article 6: (To vote by Official Ballot)**

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town zoning ordinance as follows: to amend Article 8 (Recreational Camping) to permit camping on residential lots between Memorial Day and Columbus Day weekends for up to one consecutive 10-day period, and for longer than 10 days by permit issued by the zoning officer limiting the number of camping units to 2, only one of which may be a motor home or camping trailer; such camping to be prohibited from lot setbacks unless unavoidable due to lot size, topography or configuration; and to restrict residential camping by a property owner who rents out the lot's primary residence?

(Approved by the Planning Board 6-0-0)

**Article 7: (To vote by Official Ballot)**

Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town zoning ordinance as follows: to amend Article 3, Section 304.6.3 (Special Exception Standards for Erosion Control) by adding a new Section 304.6.3.2 permitting the zoning officer, rather than the Zoning Board of Adjustment, to approve erosion control plans, upon specific conditions, when proposed construction does not exceed 600 square feet?

(Approved by the Planning Board 4-2-0)

**Article 8: (Bond – to be acted on by separate ballot)**

To see if the Town will vote to raise and appropriate the sum of \$1,200,000 for the construction of a new public safety building to be located on the current fire station site at Village Road; up to \$1,070,000 of such sum to be raised by the issuance of bonds or notes under and in compliance with the terms of the Municipal Finance Act, RSA Chapter 33; the remaining \$130,000

to be withdrawn from the New Municipal Building and Land Capital Reserve Fund previously established; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. (2/3 ballot vote required)

Recommended by Board of Selectmen

### *INDEPENDENT AUDITOR'S REPORT*

To the Members of the Board of Selectmen  
Town of Freedom  
Freedom, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Freedom as of and for the fiscal year ended December 31, 2009, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Freedom's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Freedom as of December 31, 2009, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and budgetary comparison information are not a required part of the basic financial statements, but are supplementary information required by accounting principles generally accepted in the United States of America.

We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Freedom basic financial statements as a whole. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

## LIBRARY REPORT

In 2010 we had over 14,000 visits from library patrons who checked out 15,000 items. Book circulation remained level to 2009 figures while DVD and audiobook circulation increased 19%. The library continues to offer free access to downloadable audiobooks and now patrons with compatible e-readers such as the Barnes & Noble Nook can download free ebooks, too.

This was a great year for programming for all ages at the Freedom Public Library. We had seven professional programs this year including two presenters from the NH Humanities Council, acclaimed storyteller Odds Bodkin, magician Norman Ng, Andrea Wright and Books Alive, a reptiles program, and storyteller and musician John Porcino. In addition we had a pumpkin painting contest in conjunction with the Freedom Village Store, a program on apple varieties, and a sock-knitting workshop.

The Book Club, which celebrated its 20th anniversary this year, has expanded its schedule to meet September through June without a break. A field trip to the Longfellow House in Portland was a fun ending to the 2009-2010 book club season. This fall we added a monthly book club for children in grades 4 and up and it is off to a great start.

Other on-going programs include a weekly knitting group, preschool story hour and our popular monthly Pizza & Movie nights. We showed eight films in our Freedom Flicks Film Series which brightened our Sunday afternoons from January through April.

Summer was another crazy busy one at the Freedom Public Library. 125 children, teens and adults participated in our Summer Reading Program. The children and teens set reading goals and received a free ticket to Water Country Water Park for meeting their goals. Weekly summer programs included Fun Fridays with a craft project or other program for elementary age, kids' writing workshop, preschool story hour, pizza & movie nights and Teen Nights. A clown workshop prepared the 16 participants for a winning entry in the Old Home Week

parade and we wrapped up the summer with a bus trip to Water Country. We had many volunteers helping us with our programs this summer including lots of new ones. What would we do without all the time and expertise our volunteers provide year round?

The library now has three netbooks to lend in-house to any patron with a library card, thanks to donations in memory of Henry and Jackie Kucera. We now have eight computers for use by the public in addition to two used for searching the library's catalog, all of which are used heavily.

Our librarian, Elizabeth Rhymer, stayed active professionally this year, attending a number of library workshops, meetings and conferences throughout the year and serving on a panel at the Small Libraries Summit in Concord.

The Friends of the Library group continues to support the library in many important ways including raising money to help fund the extras that add so much to our offerings such as museum memberships, the licenses that allow us to show movies legally, professional performances, and our summer reading program expenses. They also funded a major renovation of the library's workroom this fall. The Friends are active in recruiting volunteers for the library and in organizing and publicizing programs.

We invite all Freedom residents to visit and discover what a community treasure we have here at the Freedom Public Library.

# FIRE DEPARTMENT

I would like to take this time to thank the residents of Freedom for their continuous support, the members of the Fire Department who take hundreds of hours of class time to advance their skills in Fire and EMS for the town, the Police and Highway Departments for their continuous support, the Board of Selectmen and the ladies in the office for their continuous support daily and throughout the year.

The Fire Department inspected approx 1,400 campfire sights last year. These Inspections are a requirement of the State of N.H.

The Fire Department tested approx 12,000 feet of hose last year. This is a requirement of the NFPA Fire Codes.

The Town's Emergency Management, with help from Hubbard Consulting LLC and surrounding Fire Departments, has been in the process of completing a Wildfire Response and Evacuation Plan for the Pine Barrens (Ossipee Lake Road).

The Fire Department applied for a forestry grant through the State of New Hampshire DRED, this grant is a 50/50 match. The department was awarded \$2,000.00. This money will be used to complete the equipment needed for Forestry 2.

The Fire Department has also applied through the Assistance to Fire Fighter Grants for two grants, one for Turnout Gear and a Cascade System (\$121,000.00) the town would have to pay \$6,000.00 and the second one for a new Tanker Truck (\$420,000.00) the town would have to pay \$21,000.00.

Respectfully Submitted  
Eugene F. Doe Jr. Fire Chief

## **Report of Forest Fire Warden and State Forest Ranger**

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DBS at 1-800-498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information, Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdf.org](http://www.nhdf.org).

This past fire season had a slightly lower number of fires, as well as lower number of acres burned than the 5 year average. What made this fire season somewhat unusual was that it lasted most of the summer. New Hampshire typically has a fairly active spring fire season and then the summer rains tend to dampen fire activity later in the season. This year virtually all areas of the state had fires throughout the summer due to the periodic dry spells throughout the season. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire danger was especially high. The largest fire for the season was 10.3 acre fire in Charlestown. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2010 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent wildland fire from damaging their homes. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

# POLICE REPORT

At last years Town Meeting I asked for and received ten thousand dollars to hire some part-time officers. I could not begin to explain in full how much the Police Department and the Town has benefited from this. I will say it is a rare occasion when a Freedom Police Officer is not available to cover a call. I was able to hire three very experienced and proficient full-time certified officers from other surrounding agencies and they have all worked out perfectly.

This year I am asking to put twenty-thousand dollars in Capital Reserve. The money would be put towards a new police cruiser in 2012. When we had only two full-time officers and two cruisers, we had a three year rotation. When we added the third full-time officer and cruiser I expected we would get five years out of each cruiser, however it looks like we are going to be able to stretch it out to six years.

Also this year I am asking you to support the new public safety building. There has been an enormous effort put into this by numerous people. I can assure you there is absolutely no wants in it; it is all needs.

I would like to thank all of the citizens of the Town of Freedom for their continued support. I will apologize in advance for the shortness of this report but I could write a novel if I put all of the information I wanted to in here. I would much rather speak face to face with anyone. I urge you to call me or just come in and see me on Monday nights when I have office hours if you have anything you want to discuss with me. The number to contact me or any of my Officers for a non-emergency is 603-539-8268. That number will connect you to the Carroll County Communication Center and we will get the message and call you back.

Crime and calls for service stayed pretty static during 2010 which seems to be the trend county wide. The Freedom Police Department received 2607 calls for service in 2010. The following is a list of calls that were investigated.

Respectfully Submitted,  
Chief Josh L. Shackford

# HEALTH OFFICER REPORT

Your local health official plays a critical role in effective local and regional public health system management and is responsible for three critical functions. The first is to enforce applicable New Hampshire laws and administrative rules (i.e. regulations), as well as local ordinances and regulations enacted by the community. 2010 examples are: water and septic issues, illness management. The second critical function is to serve as a liaison between state officials, local elected officials, and the community on issues concerning local public health. 2010 examples are: EEE in a local horse, bedbugs, influenza planning. The third is to be a leader and active participant in efforts to develop regional public health capacities. 2010 examples are: collaboration with Carroll County Coalition for Public Health, Freedom Fire Chief, local school and camp nurses; membership in New Hampshire Public Health Association, New Hampshire Health Officers Association American Public Health Association, and National Association Local Boards of Health.

When there is a public health event that necessitates immediate community awareness I notify the selectmen and post information on the town website as soon as possible. I work closely with our Fire Chief and want to thank him for his willingness and swift assistance in helping me get the necessary public health information disseminated around Freedom. I can be reached through the town office or by email at [freedomhealthofficer@gmail.com](mailto:freedomhealthofficer@gmail.com). I want to thank each towns person for the opportunity to work with you making Freedom's public health a priority. I always welcome your thoughts, questions, and comments.

Respectfully submitted,  
Pamela C. Fortin, RN MPH  
Health Officer

# TRANSFER STATION

Out with 2010 and in with 2011. Hard to believe this will be my ninth year at the helm of our Transfer Station. They say time flies when you are having fun, it's true. I take a lot of pride in serving the Town and its great citizens. In the nine years a lot of improvements have been made to the station. Additions to our compactors and a recycling program which has kept costs low while reducing our carbon footprint. I will never be 100% satisfied and will keep looking on ways to improve on this area. One area was an increase in hours to limit congestion.

In 2010 I turned our hazardous waste over to RA Oram who is Co-Chair of our Conservation Commission and sits on the Lakes Region Planning Commission. Oram put in a lot of time at our station handing out flyers to inform the patrons when it was and what could be brought to the collection. The Town of Freedom's numbers increased 300% over 2009. For 2010 we are looking for ways to further improve by having a collection day at the Transfer Station or by getting the LRPC to sponsor a second collection. I would like to thank RA Oram for a great job on this project and look forward to working with him in the up coming years.

Another item that has come up was Freedom had the state's first case of Triple E which is spread by mosquitoes. We were sitting on a pile of tires, 18 tons of tires to be exact, which I quickly had removed from the Transfer Station. We all know they are a breeding ground for insects because they hold water. We continue to take tires at the facility but they will cost you. I encourage users if you have your tires changed, leave them at the garage. They are better set up to dispose and store them keeping the risk of insect borne disease from spreading.

We had some site improvements in 2010. There was the installation of a concrete pad for our C+D boxes with a retaining wall. This was done by our highway crew. I would like to thank Scott Brooks Sr. and his crew for a job well done.

Another improvement was a fence put around our C+D boxes to keep users from falling in. This was brought on by a user of the Concord, NH Transfer Station who fell to his death. I can't have that here. On a more positive note, our recycling numbers continue to grow allowing my budget to be reduced or to stay flat.

In closing, I would like to thank all of the department heads and their staff, the Selectmen and my special thanks to the taxpayers and users of the Transfer Station for your much needed support.

# PLANNING BOARD REPORT

The economy continues to affect the applications to the planning board. In 2010, the Board acted on two mergers of lots, one boundary line adjustment, one minor subdivision, and one site plan for American Towers who proposed to build a cell tower on Route 25 at Loon Lake Road (which was withdrawn).

In this quiet time, the planning board has turned its attention to another key responsibility: implementing the recommendations of the Master Plan the board adopted in 2008. You will see the results of this work in the ordinance proposals on the ballot when you vote on March 8. Here are explanations of these proposals:

**Groundwater Protection Ordinance:** This ordinance creates an overlay district over the most sensitive areas of the aquifer and applies to non-residential uses of hazardous substances that, if spilled, could pollute the aquifer that many Freedom residents use for drinking water. All non-residential users in Freedom are already subject to the all of the provisions of this ordinance under state law. This ordinance will allow Freedom to enforce the existing requirements at the local level. This means that, if there is a spill that would damage the source of much of the town's drinking water supply, town officials could act to fix the problem rather than wait for the state to respond.

**Elderly Housing:** Both the Master Plan and many Freedom residents call for elderly housing that will allow long-term residents to stay in town when they can no longer live in their own homes. The current zoning ordinance does not allow the development of the type of multi-unit housing that seniors (over age 55) need. Two ordinance changes address this. One is to allow the development of multi-unit senior housing (minimum six units and ten acres) in clusters that provide services that seniors need and dedicate a minimum of 30% of the site for active and/or passive recreation. The second would allow elderly group homes for people over 65 years of age. It allows a group home of eight bedrooms with one apartment for the caretaker. This type of housing will be allowed by special exception—so all abutters will be notified if one of the projects is proposed.

**Accessory Apartments:** Freedom's zoning ordinance allows apartments in homes for family members. This article would broaden this to allow a single one bedroom apartment in an owner-occupied home. The planning board established these restrictions to ensure that larger homes would not be split into numerous apartments with an absentee landlord. This article would provide an additional housing option in town.

Recreational Camping: Last year, the planning board proposed an article allowing recreational camping. The board is proposing some changes to make the rules more clear (allowing camping between Memorial to Columbus Day weekends rather than for “ten weeks.”) and to provide abutters with additional rights (restricting camping in setbacks and limiting the number and size of camping facilities that can be parked in a neighbor’s yard for the entire summer). The board feels that this creates a better balance between those exercising their right to camp and their neighbors.

Erosion Control Standards: Today, a homeowner living in the shorefront district who is undertaking a project like an addition or shed or garage (an activity that disturbs the soil), they need a special exception from the ZBA to control erosion on their property during the project. This can take a number of meetings. This change allows the Zoning Officer to grant a permit if the job is small and meets other criteria. Abutters will be given notice of all permits issued.

You can read the complete text of these ordinance proposals on the town web site at <http://www.townoffreedom.net>. Click on “Boards/Committees” and choose “Planning Board.” Hard copies of these proposals are available at the Town Office.

# ZONING OFFICER

Zoning activity for 2010 was moderately active, consisting mostly of additions or alterations to existing buildings. There were, however, 14 new house permits approved during the year. The bulk of my time was spent on possible changes to the Zoning Ordinance, helping applicants with Zoning Board of Adjustment applications, and on finding answers to possible land use violations.

Issues which have gotten attention lately include shore land use, camping, docks, commercial use of residentially zoned property, and proper permitting. These issues are talked about at public meetings of the planning and zoning boards, and tax payer input is essential and welcome.

Shore land regulations have changed recently, and town boards and I are proposing changes to the Town Ordinance which will hopefully quicken the permitting process. The camping ordinance has also been partially rewritten. Docks are governed by the state. Commercial use in some circumstances can be allowed in residentially zoned areas. Grandfathered land use is non-conforming and appears to oppose the zoning ordinance. However, if a use is legally conducted prior to being disallowed by the Zoning Ordinance, it is considered to be grandfathered and therefore allowed as long as it is not discontinued for a period of two years. Proper permitting is satisfied when land users look into what is needed prior to starting their project and is the best way to resolve this issue.

I see zoning as a necessary process through which to permit reasonable land use while at the same time protect the character of the Town. Zoning ordinances are the means to govern this. They work best when citizens participate in updating them to fit the needs of the Town.

Respectfully submitted,  
Ned Hatfield

# ZONING BOARD OF ADJUSTMENT REPORT

The Zoning Board of Adjustment reviewed 23 cases in 2010; ten of those applications included requests for dimensional variances (requests to build new structures or additions which are located at least in part in the side, front, or rear setbacks). Many of the applications were modified by the applicant to satisfy concerns of the Board. All were granted with the exception of the three cases still open. The Board also;

Granted a special exception to allow Berry Bay Condominium Association to remove trees in the Shore Front District.

Granted a special exception to allow Mr. & Mrs. Brennan to replace a concrete block wall in the Shore Front District.

Granted a special exception to allow Mr. Brown to expand a non-conforming structure in the Shore Front District.

Granted a special exception to allow Camp Copperthorne to replace a retaining wall in the Shore Front District.

Granted a special exception to allow Maynard F. Thomson Revocable Trust tree removal and erosion control for construction in the Shore Front District.

Granted a special exception to allow Mr. Fortune to submit a landscape plan for reclamation of trees removed in the Shore Front District.

Granted a special exception to allow Mr. & Mrs. Lalumiere to remove trees and set in place erosion control measures during construction in the Shore Front District.

Granted a special exception to allow Ms Lemay to remove vegetation in the Shore Front District.

Granted a special exception to allow Mr. & Mrs. Mogan to install an individual sewage disposal system to replace an existing failed system within the shorefront district.

Granted a special exception to allow Mountview Property Owners Association to repair their beach.

Granted a special exception to allow the Zammito Family to restore approximately 600 square feet of shoreline and waterfront buffer in accordance with NHDES Restoration Plan Approval.

Granted a special exception to allow Mr. Cowles to remove trees and set in place erosion control measures.

Mrs. & Mrs. Monaco withdrew their special exception request.

Special exceptions are uses that are allowed provided criteria outlined in the Town Zoning Code are met.

Respectfully submitted,  
Scott Lees Chairman

# BUILDING CODE REPORT

A total of 163 permits were issued in 2010. This is an increase of 18 permits over last year. Three more new houses were constructed this year than last totaling fourteen new homes in 2010.

The value of construction was up slightly over last year's total of \$3,874,215.00 to a 2010 total of \$5,047,072.00. Permit fees stayed along the same lines as last year taking in \$18,647.01.

Even with the state of the economy as it is, the Town of Freedom still forges ahead of most of the surrounding communities, which shows it welcomes all who come here.

I am into my third year as Building Inspector and as always it's been a pleasure to serve the nice people of Freedom.

Robert M. Babine  
Building Code Officer

# FREEDOM CONSERVATION COMMISSION

A conflict over property rights greeted FAC/FCC in the fall of 2010. The Town Forest has established boundary markers as a requirement of the easement held by the state of NH. The area in question centered on the first small pond to the right of Pequawket Trail about 200 yards in from Ossipee Lake road. Of interest was the culvert allowing the water to flow past, forming Cold Brook on its way to Lake Ossipee. *Castor Canadensis* (North American Beaver) exerted its displeasure by smacking its tail on the water about 100 feet from where the volunteers were removing branches that had reduced the water flow. The dispute was over the flow of water. *Castor* decided that the pond elevation should be at a certain level. FAC/FCC members did not agree with our resident rodent and set about to clear the culvert. This occurred almost on a daily basis over several weeks.

We welcome beaver activity in the forest, however, a blocked culvert left to the rodent's devices has cost and environmental consequences. Washed out roads are expensive to replace and poor water flow in this case effects spawning brook trout. An environmentally friendly/state approved beaver pipe was installed to handle excessive water flow. *Castor* was not present the day we installed the pipe that has its namesake. Not one to be ungrateful, the persistent rodent displayed its displeasure by eating holes in the newly installed pipe. FAC/FCC volunteers installed screens over the pipe – the conflict continues.

## EASEMENT

The conservation easement, which is held by the State of NH states that the following objectives will be accomplished: conserve wildlife habitat, preserve and enhance bio-diversity, maintain watershed health and restoration, safeguard recreation, and conduct community-based forestry.

Rob Hatch, FAC Chairman and a licensed New Hampshire guide, conducted a spring deer survey on March 11 – 13, 2010. Through this survey, completed after a mild winter, he was able to estimate the size and health of the deer herd in the Freedom Town Forest.

Recommendations were made to potentially improve both the spring feeding areas and the winter habitats.

The fertilization of the various permanent wildlife openings was completed. Follow-up visual inspections indicated a good response to the fertilizer. Deer and turkeys have been observed in several of the openings.

The 2010 timber sale was centered in two areas within the northern portion of the forest. The subject areas (about 120 acres) are relatively steep terrain. The operation was designed to remove low grade hardwood and softwood pulp with a limited volume of saw timber. This work centers on releasing better quality stems for future growth, releasing wildlife mast trees, and encouraging the establishment of new reproduction.

Jackman Ridge Road upgrade was completed with re-graded sections of the road and re-established water bars reinforced with stone. The work area started at the Jackman Ridge kiosk and ended at the Trout Pond entrance.

Tracey Boisvert, Director, Conservation Land Stewardship Program, Office of Energy and Planning, conducted the annual conservation easement inspection. In her report she stated that the Freedom Town Forest is one of the exemplary legacy properties. Members of the FAC and FCC and the town foresters, Barry Keith and Rich Gerard, accompanied Tracey during her inspection.

## **FAC/FCC VOLUNTEER PROGRAMS**

Beaver pipe was installed at Cold Brook. Two overflow culverts were installed at the site.

Signage was added at entrance locations.

Kiosks were upgraded by being re-stained and by adding crushed stone to the base.

Cleanup of forest completed.

Mary's Mountain hike was conducted during Old Home Week.

The FAC and FCC members are: Greg Bossart, Sue Hopple, R.A. Oram, Robert Hatch, Justin Brooks, Jim McElroy, Mike Gaudette, Alice Custard, Chuck Depew, Ron Newbury, Dave Charrette, Janet Meyers, and Janet Johnson.

## **FCC**

Based on the Comprehensive Shoreline Protection Act, FCC continued to evaluate and make recommendations to land owners who submit applications for work in and around the shoreline.

## **FRIENDS OF TROUT POND**

FCC and FAC would like to thank the Freedom residents who formed the Friends of Trout Pond. Their foresight has given the town a 2,660 acre + natural area which is shared by all outdoor enthusiasts.

FCC and FAC extend a job well done to the town administrative staff, Karen Hatch, Linda Farinella, and Dianne Park who support us with timely and accurate schedules, notes and postings.

The continued success of the Freedom Town Forest, which is exemplified in the easement holder annual reports, can be attributed to the support of the townspeople of Freedom and the technical support of Freedom Town Foresters, Barry Keith and Rich Gerard.

Respectfully submitted,

R.A. Oram, Chairman FCC  
Robert Hatch, Chairman FAC

# FREEDOM AQUATIC INVASIVE SPECIES COMMITTEE REPORT

Due to the ongoing milfoil infestation in Freedom's water bodies the creation of the FAISC was formed by the Conservation Commission, with the support of the Selectmen, as a subcommittee in March of 2010. The goals of the group are focused on helping Freedom control aquatic invasive species through both preventative and active management procedures. This formalizes and strengthens the efforts of a number of volunteers that have been engaged in this effort over the past ten years.

Since invasive species are primarily spread by human activity on water bodies, public education plays an important role. Several articles and presentations were provided by FAISC to help educate the local populace on milfoil management and what can be done to help limit new infestations. In addition, FAISC conducted a number of surveys on water bodies within Freedom to compliment surveys done by the New Hampshire Department of Environmental Services (NHDES). These surveys included both known areas of invasive plant infestations as well as general surveys of Freedom lakes and ponds (e.g. Danforth Ponds, sections of Broad Bay, Trout Pond, and Loon Lake).

Active management efforts this year included both a herbicide treatment on Danforth Ponds as well as diver assisted suction harvesting (DASH) and hand pulling of milfoil on Danforth as well as at Ossipee Lake Marina.

Summary of milfoil control expenditures for 2010 -

Danforth herbicide treatment of 24 acres (6/2/10): \$14,300  
(raised from 2009 warrant article & gifts). Conducted by Aquatic Control Technologies (ACT). Gifts made up \$11,500 of total.

4 days of DASH work by New England Milfoil (NEM): \$2,200  
(town share – also \$1,500 donated by Bruce & June Howlett)

Total town spend for 2010           =>       \$16,500

Significant improvements were achieved by these efforts but some re-growth was seen in follow-up surveys (as predicted by NHDES). Based on survey results, NHDES proposed a second herbicide treatment for 2011. To help defray the 2011 costs, we applied to NHDES and received a grant to cover approximately 30% of the required funds. A contract is now in place to cover the work with the town portion of funding coming from existing milfoil monies.

Thanks to the town administrative staff, Karen Hatch and Linda Farinella, who supported this effort with notification mailings to lake abutters and coordination of contracts.

Respectfully submitted,  
Jim McElroy, Chairman

# HERITAGE COMMISSION

Passage of Article 23 at the March 10, 2009 Town Meeting established this Commission. At a subsequent meeting of the Selectmen voted to establish a seven member Commission and included five alternates.

The Commission continued to meet on a scheduled basis that was modified to a start time of 6pm, every three months and at the Library. Agenda and approved meeting minutes are available on the Town Web Site and in printed form at the Town Office.

Primary effort has focused on in depth research of the “School House/Meeting House Hill Property” (present Town Office/Masonic Hall locations) and an assignment from the Select Board to assist the “Freedom Old School Future Use Committee” and exploring the possibility/desirability of placing some buildings on the State Registry of Historical Places. We also assisted the Historical Society with a request for grant funds.

A complete history of the School House/Meeting House Hill ownership and property line designations from 1808 to the present time has been documented. The report was outlined in an 11/11/10 Presentation to the Community Club by Alan Fall.

Peg Scully and Lee Fritz contacted/visited 25 small towns in NH with recent activity regarding town buildings. They prepared a well-documented report dated 10/05/10 that was delivered to the Old School Future Use Committee and Select Board. The report will be presented and discussed at the 02/09/11 Community Club meeting.

Members and alternates contributed a total of 406 hours to the accomplishment of Commission business in 2010.

In the months to come the commission will return to the research and issuing of Inventory Reports and will also gather information on potential sources of Grant Funds for well-defined projects.

Sincerely,

# ROAD AGENT REPORT

January, 2010 gave us average winter weather – February & March were below the regular average – “a snow drought”. So at the March, 9th 2010 – Town Meeting, I reduced my Highway Budget.

Our summer months were busy with routine maintenance. October and November were mild with no storm events, with most of December giving us a mix of freezing rain and snow.

During our summer we removed the Dump Body from the 2006 F550 and installed it on the New 2011 F-550. Donovan Equipment installed an aluminum flat-bed on the 2006 F550 truck. This truck will be shared with our Fire Department from April to November for Forest Fire Suppression; with the Highway Department utilizing it the remaining months.

Also, during our summer, our Highway Department crew designed and assembled the Forest Fire Skid Unit that is installed on the flat-bed of the 2006 F550.

All of our efforts have been compounded with the extra ordinary talents that our employees all pursue – keeping costs down.

## **MAINTENANCE:** (Performed by Hwy. Dept.)

- 924 G Loader – 11 yrs. old with 8652 HRS. This Loader was completely disassembled, prepped and painted
- 850 Galion Grader – Engine Compartment disassembled, Radiator recore, many Hydraulic Hoses replaced, oil leak repaired, Engine Cover painted
- V-Plow – Repaired and Painted
- 2011 F550 – Dump Body installed, Pintle Plate installed for towing
- 322 Cat rubber-tired Excavator (Milton Cat Rental) – Cleaned Culverts and turn outs

**IMPROVEMENTS:**

- 1 1/2" of 1" Wearing Course Asphalt Installation – 5000 ft. – Rice Hill Rd. – thus completing this Reconstruction Project
- Refurbished & Graveled Shoulders – Rice Hill Rd.

**BRUSH & TREE CLEARANCE: (Roads)**

- Watson Hill, Huckins, West Danforth, North Broad Bay, Packard, & Scarboro
- Large dead trees throughout Town were removed with tree crane bucket

With everyone in mind – there are only small improvements planned for 2011.

Replacement of ageing larger diameter culverts.

Road Reconstruction Scheduled for 2011 will be performed with monies encumbered from the 2010 Budget.

Danforth Bay Bridge Update – It is in the New Hampshire Bridge Aid Program and scheduled for funding in 2019. Most of the design work has been completed by HEB Engineering.

In Rural New Hampshire working together benefits us all.

I thank all our Town Officials, our Police & Fire Departments for their willingness in working together in a cooperative effort – and most of all the men who make up our Highway Department.

Respectfully Submitted,  
Scott N. Brooks Sr.  
Road Agent

# Freedom, NH Old Home Week, 2010

([www.freedomoldhomeweek.com](http://www.freedomoldhomeweek.com))

## “Set Sail to Freedom”

In 2010, our theme focused on having fun on Freedom’s lakes and the value of our lake activities and communities to our Town. Our traditional fundraiser, the Rubber Ducky Race, was held on Saturday, June 28th, a total of 1000 ducks raced over the falls and 3 lucky winners took home prize money.

The Old Home Week events from July 30 - August 8 had excellent weather and attendance at all events. We had a lot of good floats and marchers in the parade and this year’s parade marshals, Ellie and Emery Stokes, looked great in their lead vehicle. We would like to thank Sylvia Carney for recruiting floats and bands (new this year was the Dunlap Highland marching bagpipe band), Janet Meyers for organizing the marchers and Dick Many for organizing the judges. And, of course thanks to all our many volunteers as well, it made all the difference. We’d like to recognize some of the “heavy lifters” included: Emery & Ellie Stokes, Dan Spear (tables and chairs, and also everywhere), the Davis family (hot air balloon, road race, table tennis, bingo food and more), Arlene Knight and Anne Cunningham (food concessions), Sylvia Carney (9 months of minutes & “To Do” lists), Bob Smart (Church activities), Howie and Sylvia Bouve (Duck race) Alice Peterson (FCC craft fair), Lucy and Marshall Kendall (merchandise) and special fundraisers (“Freedom Cooks”, mile-long yard sale) and Gene Doe and crew (Lobster dinner). We also owe thanks to Freedom Crossroads, and our local sponsors for printing and distributing our schedule, Freedom Hardware (bingo prizes), Eastham and Mary Hockmeyer (barn events), Vinnie Beadle (barn for storage) and the Town itself (financial assistance).

The first annual “Cardboard Boat Race”, was carried out by Ellie Stokes and her committee at Loon Lake Beach Club from 1pm to 3pm and it was a huge success; see FOHW website for the video. The Dunlap band held a great pre-race concert as well. Thanks to all the many volunteers who made Freedom Old Home Week a huge success this year. Stay tuned to the website (see above) for 2011 festivities scheduled for July 29st- August 7th, 2011. The Ducky Race will be Saturday, July 2nd, 2011. New leadership for 2011 includes Susan Marks (Chair), Anne Cunningham (Secretary), and Janet Meyers (Treasurer).

# TOWN OF FREEDOM

## BALLFIELD POLICY

The Ball Field is for the use and enjoyment of Freedom Residents, taxpayers and their guests and includes the playing field, tennis courts, roller rink and basketball area. Maintaining these facilities in top condition is important for school sports activities as well as for other events.

Facility is open daily between 6am and 10pm.

Facilities Manager is Mark McKinley at 539-6577 between 9am and 5pm. He will be responsible for scheduling, access to the field and field security. He may also close the playing field when weather conditions suggest that use will damage the field.

Each user group shall have a contact person who will be in attendance. Users are responsible for preventing abuse, misuse and damage to any part of the facility.

Users are responsible for the appropriate conduct of the activities.

Insurance may be required, as needed, for certain events.

There may be special conditions specific to some events.

Specific policies apply for the playing field inside the fence and especially to the playing surfaces of the field shall include:

Scheduling through Mark who shall keep a calendar of events.

Both Spring and Fall sports schedules shall be submitted to Mark.

The playing field will not be available for use during Little League Season which runs from May 1st through July 1st.

Permitted uses of the field are sports, social and recreational activities, such as Old Home Week activities, that will not disturb or damage the field, its playing surfaces, the sprinkler system or other parts of the field's infrastructure.

No high intensity use is permitted on the playing field surfaces.

No parking inside the fence.

No structures, tents, stakes etc. are permitted on the playing field surfaces or within the bounds of the irrigation system.

Tents and some intensive activities may be permitted inside the fence in certain areas on the perimeter of the field. Please coordinate with Mark regarding such requests.

Trash receptacles shall be provided by the town; however, for special events it is the user's responsibility to discard trash appropriately (carry in-carry out).

All rules posted at the Ball Field are included as part of this policy, which include but are not limited to;

No alcoholic beverages,

No glass beverage containers designed for individual use,

No camping or fires.

Animals must be leashed and owners must promptly clean up when necessary.

The Ball Field is an important community resource. Maintaining this facility in top condition is important and is everyone's responsibility.

Approved April 26, 2010.

# FREEDOM VILLAGE BANDSTAND

*Pictured on Cover*

The date of construction of the Bandstand is unknown, however, the first known Cornet Band played circa 1890.

Although the Bandstand has had many face lifts over the years, this year is the first major renovation in over 50 years.

Members of the first band that played until about 1906 were: Alvah Bennett, Frank Huckins, John Danforth, Ralph Foster, Charles P. Danforth, Edgar Mills, John Churchill, Frank Ferren, Frank Towle, Al Durgin, Everett Day, Roy Wormwood, Harry Cutting and Curt Kennison.

The band reorganized about 1927 and performed weekly in the bandstand or at Town Hall. Because of the Army draft, the last performance of this band was played during the 1940 Old Home Week. Members of this band are listed below along with several unknown members and two members from Maine with the surname of Wood.

Fred Godfrey, Gerald Allard, Walter Nutter, Harold Mitchell, Sidney Baker, Elmer Weed, Arthur Bennett, Arthur Meserve, Sam Brooks, Edson Cole, Fred E. Weed, Clarence Godfrey, Albion Pease, Robert Welsey Brooks, Earl Davis, Frank Doe, Myron Roberts, Frank McKinley, Earl Davis Jr., Phil Bennett, Philip Brooks and George Woods.

As part of the renovations, their names are inscribed on placards and are now part of the inside of the bandstand.

*With thanks to Rob Hatch in appreciation for the restoration of the bandstand – from the grateful citizens of Freedom.*
