TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Kensington in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the American Legion Hall in said Kensington on Wednesday, the ninth day of February, 2000 next at 7:30 pm for the purpose of transacting all business other than voting by official ballot.

You are hereby notified to meet thereafter at the Town Hall in said Kensington on Tuesday, the fourteenth day of March, 1999 to elect officers, vote on zoning articles and to vote on all warrant articles from the first session by official ballot.

Polls will be open from 8:00 am to 7:30 pm.

ARTICLE 1. To choose all necessary Town Officials for the year ensuing.

ARTICLE 2. To see if the town will vote to raise and appropriate the sum of \$689,996.00 (Six hundred eighty-nine thousand nine hundred ninety-six dollars) which represents the operating budget. Said sum does not include special articles addressed. Selectmen recommend this appropriation.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$150,000.00 (One hundred fifty thousand dollars) to purchase the land and buildings located at 107 Amesbury Road, Kensington, known as the Chase Property. The property is centrally located in the Town and could be used currently to relocate the Police Department or in the future for construction of an appropriate Town building. This appropriation is in addition to Warrant Article 2, the operating budget article. Selectmen recommend this appropriation.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$92,000.00 (Ninety-two thousand dollars) to install the necessary drainage and infrastructure on the properties bordering Stumpfield Road known as the Schweizer Subdivision. The bond agreement between the Town and the developer is in default. Revenues of approximately \$54,000 from the seizure of the developer's bond and further legal action to recover the extra costs of this construction are anticipated. This appropriation is in addition to Warrant Article 2, the operating budget article. Selectmen recommend this appropriation.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$24,483.00 (Twenty-four thousand, four hundred eighty-three dollars), the amount necessary for the reconstruction and drainage upgrade for the first 1,380 linear feet of Stumpfield Road beginning at the intersection of Trundlebed Lane and Stumpfield Road to the area of culvert at the present Barlow driveway. Paving for the aforementioned section of road will be derived from the highway budget. This appropriation is in addition to Warrant Article 2, the operating budget article. Selectmen recommend this appropriation.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$97,334.00 (Ninety-seven thousand, three hundred and thirty-four

dollars), the amount necessary for the reconstruction and paving of 3,900 linear feet of Kimball Road beginning at the intersection of North Haverhill Road (Route 108) and Kimball Road to the area of the Paul Kimball property and Kensington/Exeter line. This appropriation is in addition to Warrant Article 2, the operating budget article. Selectmen recommend this appropriation.

**ARTICLE 7.** By petition of Robert Upton and others: To see if the Town will vote to raise and appropriate the sum of \$20,000.00 (Twenty thousand dollars) in the year 2000 to be placed in the Kensington Fire Department Capital Reserve Fund for the future purchase of major Fire Department equipment. This appropriation is in addition to Warrant Article 2, the operating budget article.

**ARTICLE 8.** By petition of Shirley Upton and others: To see if the Town will vote to raise and appropriate the sum of \$1,000.00 (One thousand dollars) in the year 2000 to assist with our counseling services to families and children. Child and Family Services of NH is an independent, non-profit agency dedicated to advancing the well-being of children by providing an array of social services to strengthen family life and by promoting community commitment to meet the needs of children. This appropriation is in addition to Warrant Article 2, the operating budget article.

**ARTICLE 9.** By petition of Susan Varn and others: To see if the Town will vote to raise and appropriate the sum of \$500.00 (Five hundred dollars) to assist Seacoast Hospice, a non-profit organization. This appropriation is in addition to Warrant Article 2, the operating budget article.

**ARTICLE 10.** By petition of Karen Lampman and others: To see if the Town will vote to raise and appropriate the sum of \$1,000.00 (One thousand dollars) for the support of Seacoast Mental Health Center, Inc. This appropriation is in addition to Warrant Article 2, the operating budget article.

**ARTICLE 11.** By petition of Barbara Greenwood and others: To see if the Town will vote to raise and appropriate the sum of \$825.00 (Eight hundred and twenty-five dollars) for the support of The Richie McFarland Children's Center. (\$275.00 for each child from Kensington served - 3 children served.) This appropriation is in addition to Warrant Article 2, the operating budget article.

**ARTICLE 12.** By petition of Jeffrey Brown and others: To see if the Town will vote to raise and appropriate the sum of \$2,462.00 (Two thousand four hundred sixty-two dollars) to the Rockingham Visiting Nurse Association and Hospice for providing continued health care service to the residents of the Town. This appropriation is in addition to Warrant Article 2, the operating budget article.

**ARTICLE 13.** By petition of Bonnie Provost and others: To see if the Town will vote to raise and appropriate the sum of \$550.00 (Five hundred fifty dollars) to support Sexual Assault Support Services, a private, non-profit organization, to assist in funding the Rape Crisis Intervention program. Our agency has a 24-hour toll-free crisis hotline, advocates available for sexual abuse survivors in your town and provides educational prevention programs to your children in your schools. This appropriation is in addition to Warrant Article 2, the operating budget article.

ARTICLE 14. By petition of Ann Smith and others: To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural and historic resources in this Town and throughout the State are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources.

ARTICLE 15. By petition of Linda Bennett and others: To see if the Town will vote to raise and appropriate the sum of not more than \$2,015,000.00 (Two million fifteen thousand dollars) for the purpose of purchasing 110 +/- acres known as the subdivision of land for the Heirs of G&B Lambert. The most well known access to this land is opposite the general store on Route 150. Two million dollars is to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et. seq., as amended; to authorize the Selectmen to apply for, obtain, and accept federal, state, or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell, and deliver such bonds and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. The acquisition costs of procuring a two-million dollar bond are from \$4,000.00 (Four thousand dollars) to not more than \$15,000.00 (Fifteen thousand dollars) depending on the bond bank chosen by Town officials. The purpose of purchasing this land is to preserve the rural character of the Town, to obtain well-located land for further expansion needs of the Town, to add to already existing Town conservation lands to which this land is contiguous, to preserve the Kensington Trail system, and to reduce future taxpayer burden. This appropriation is in addition to Warrant Article 2, the operating budget article. Selectmen support this article.

ARTICLE 16. To see if the Town will vote to accept Olivia Lane as a Town road. Said road meets the design and construction specifications.

ARTICLE 17. By petition of Paul Kimball and others: To see if the Town will vote to authorize the Selectmen to accept the gift of land at 259 North Haverhill Road (67.3 acres, Map 13, Lot 7, owned by Asset Title Holding Company). The purpose of the gift is to ensure the preservation and conservation of open spaces and wildlife habitat in Town, and to provide for the scenic enjoyment of the general public.

ARTICLE 18. By petition of Susan Belanger and others: To see if the Town will vote to raise and appropriate the sum of \$1,982.00 (One thousand, nine hundred eight-two dollars) to Rockingham Community Action (RCA), a private, non-profit, anti-poverty agency. This amount represents 5 1/4% of \$37,752 (thirty-seven thousand, seven hundred fifty-two dollars), the value of services rendered to Kensington residents from July 1, 1997 through June 30, 1999. The services provided by RCA include over 25 programs, including fuel assistance, homelessness prevention and intervention, emergency food programs, literacy services, Woman, Infants, and Children (WIC), and crisis intervention services. RCA's services greatly reduce the need for Kensington residents to apply for Town welfare, thus reducing the Town's welfare rolls and saving the Town money. This appropriation is in addition to Warrant Article 2, the operating budget article.

ARTICLE 19. Are you in favor of adopting a Code of Ethics to cover elected and appointed officials and Town employees. Elected and

appointed officials and Town employees who are in office or employed at the time the ordinance is adopted are exempted for a period of one year from the date of adoption, per NH RSA 31:39-a. Selectmen recommend this article as follows.

"An order enacting a Code of Ethics for elected and appointed officials and employees of the Town of Kensington in the performance of their official duties.

WHEREAS, public service is a trust, invested in those who serve the citizens of Kensington and

WHEREAS, public servants must avoid conflicts between their private interests and those of the citizens they serve, and

WHEREAS, this order is promulgated to guide the Town employees and officials in the performance of their official duties and to enhance the people's faith in the integrity of their local government:

Now, therefore, we, the Kensington Board of Selectmen, through the votes electing us to the office, do promulgate a Code of Ethics which shall govern the conduct of all appointed or elected Town of Kensington employees and officials. All public officials or public employees of the Town of Kensington shall be subject to the provisions of this code.

#### CODE OF ETHICS

Be it resolved that we, the Selectmen of the Town of Kensington, by virtue of the votes electing us to the office, do hereby promulgate a Code of Ethics, which shall govern the conduct of all elected and appointed employees and officials.

#### I. Declaration of Policy

It is hereby declared to be the policy of the Town of Kensington that no elected or appointed official or employee of the Town shall have any interest, financial or otherwise, direct or indirect, engage in any business transaction or professional activity, or incur any obligation or any nature which is in substantial conflict with the proper discharge of his or her duties. To implement this policy, and to enhance the faith and confidence of the people of the Town in their government, this Code of Ethics sets forth standards of conduct required of officials and employees in the Town in the performance of their official duties.

It is declared to be the Policy of the Town that public officials and employees are bound to perform their duties efficiently and faithfully under the laws of the State of New Hampshire. Such officials and employees are bound to observe the highest standards of ethics consistent with this code regardless of personal considerations, recognizing that promoting the public interest and maintaining the respect of the people for their government must be of foremost concern.

#### II. Definitions

As used herein:

Elected official shall mean a person duly elected by the local legislative body.

Appointed official shall mean a person duly appointed by the Selectmen.

Employee shall mean a person hired by the Selectmen.

Conflict of interest shall mean a situation, circumstance, or financial interest which has the potential to cause a private interest to interfere with the proper exercise of a public duty.

### III. Conflict of Interest

Local elected or appointed officials and employees shall avoid conflicts of interest or the appearance of a conflict of interest. Officials and employees shall not participate in any matter in which they, or their spouses or dependents, have a private interest which may directly or indirectly affect or influence the performance of their duties.

### IV. Misuse of Position

No local elected or appointed official or employee shall disclose or use confidential or privileged information for personal benefit or financial gain. Officials and employees shall not use their positions with the Town to secure privileges or advantages for themselves, which are not generally available to Town employees, or to secure Town privileges or advantages for others.

### V. Acceptance and Giving of Gifts.

No local elected or appointed official, or employee, and no public employee's or official's spouse or dependents shall give, solicit, accept or agree to accept a gift from a person who is subject to or likely to become subject to or interested in, any matter or action pending before or contemplated by the employee or official or by the Town board or commission with which that employee or official is affiliated. Nothing in this section shall be construed to prohibit gifts made to the Town of Kensington and accepted in accordance with the law.

### VI. Supplemental Board or Commission Ethical Codes.

In addition to this Code, each board or commission in the Town of Kensington may promulgate a supplemental ethics code to address issues specific to that board or commission. In the event of a conflict, the provision of the code imposing the more stringent code shall prevail.

**ARTICLE 20.** Are you in favor of amending the existing Zoning Ordinance as proposed by the Planning Board? Proposed Change: Amend Chapter II Article 8.3 Uses Other Than Single Family Dwellings, II., Exceptions for mining and excavation operations, by changing the II to a D and adding new language to read:

Article 8.3 I D Special Exceptions for mining and excavation operations. No mining or excavation operation to remove earth materials off site is allowed in this district without a special exception granted by the Board of Adjustment and a duly authorized permit for this use in accordance with Chapter V Article I of the Kensington Public Safety and Welfare regulations and RSA 155:E.

The Planning Board recommends this article.

**ARTICLE 21.** Are you in favor of amending the existing Zoning Ordinance as proposed by the Planning Board? Proposed Change: Amend Chapter II

Article 8.3 Uses Other Than Single Family Dwellings, I C Exceptions for two family dwelling, multi-family apartment house, to: Special Exceptions for two family dwelling, multi-family apartment house. The Planning Board recommends this article.

ARTICLE 22. Are you in favor of adopting the proposed Zoning Ordinance on Housing for the Elderly as proposed by the Planning Board, as follows. The Planning Board recommends this article.

#### HOUSING FOR THE ELDERLY

1. Purpose: The regulations in this section have been established for the purpose of encouraging the construction of housing units, suitable for occupancy by elderly persons, while ensuring compliance with local planning standards, land use policies, good building design and the requirements for the health, safety, and general welfare of the inhabitants of Kensington,
2. Definition:
  - a. Housing units intended for and occupied by persons 62 years of age or older. Nothing in these regulations shall prohibit caregivers from accessory occupancy; or
  - b. In the case of housing units financed wholly or partially with Federal funds, housing units occupied by elderly persons as defined in the funding program. Such programs must have the approval of the United States Department of Housing and Urban Development as one designed and operated to assist elderly persons.
  - c. A housing unit is an autonomous unit providing the necessary requirements for independent living, containing bedroom, bath, and kitchen facilities.
3. General Standards: All housing for the elderly shall conform to the following standards:
  - a. Elderly housing units shall be permitted in all zoning districts.
  - b. Housing units for the elderly shall be exempted from Chapter II, Article 8.2A of the Kensington zoning ordinances which restrict building lots to one housing unit each.
  - c. The minimum lot area shall be 15 acres, excluding any soils designated as hydric A or B as defined by the Kensington wetlands ordinance.
  - d. An elderly housing development shall be allowed on a parcel which contains frontage that satisfies current subdivision right of way standards.
  - e. The maximum number of units in an elderly housing development shall not exceed 30. Accessory/community buildings shall not be considered housing units.
  - f. The maximum number of bedrooms allowed in an elderly housing development shall not exceed 45.

g. Housing units shall have a maximum of 2 bedrooms and shall be specifically designed for occupancy by the elderly.

h. The maximum number of attached units shall not exceed four. Where housing units are under a common roof, the following standards shall apply:

1. Construction Standards

Fire walls: In attached units, fire walls shall separate each unit. A fire wall shall be comprised of masonry construction of sufficient structural stability, under fire conditions, to allow collapse of construction on either side without collapse of the fire wall. The fire wall shall provide for a three hour fire resistance rating, and shall be continuous from the foundation to two feet eight inches above the roof surface. Fire walls shall be sealed so as to be smoke tight at their junction with exterior walls.

2. Fire detection systems, approved in writing by the Chief of the Kensington Fire Department, are required in all attached units.

3. Fire suppression systems, designed to standards approved by the Chief of the Kensington Fire Department, are required in all attached units.

i. All primary buildings must be separated by a minimum of 50' from all other buildings.

j. No individual elderly housing unit shall exceed a single floor, and each housing unit shall have at least 450 gross square feet of living area.

k. Building types and styles, including exterior aesthetics and unit arrangements, shall be suitable and appropriate for their intended purpose, in light of the size and scale of the project, the prominence and the visibility of the proposed project in the community, the surrounding neighborhood, and other relevant factors. All construction must comply with the Architectural Barrier Free design code for the State and New Hampshire and New Hampshire fire safety codes.

l. All accessory structures and uses associated with the elderly housing project shall comply with all setback requirements.

m. The design and site layout of the proposal shall emphasize the rural character of the Town, maximize the privacy of the housing units, preserve the natural character of land, provide for the separation of parking and living areas, and consider such factors as orientation, energy usage, views and recreational opportunities. The design shall make provision for pedestrian access throughout the site.

n. The property shall be landscaped to enhance its compatibility with the Town with emphasis given to the use of existing and natural features where possible. If wooded, a buffer at a minimum of 50 feet measured from the rear and side property

lines and 75 feet measured from any road right of way of the original parcel of land, excluding any required roadways, shall be retained in its natural vegetated state to the maximum extent possible to provide a visual screen between the abutting lot and the project.

- o. A minimum of two off-street parking spaces shall be provided for each residential unit.
  - p. Primary roads shall be built to subdivision road standards. Whether such primary roads are to become Town roads or remain private roads shall be determined by the Planning Board at the time of Site Plan review. All interior roadways shall be privately owned and maintained.
4. The Planning Board shall review all condominium, homeowner association, maintenance agreements and operational documents through legal counsel to ensure that both the Town and the residents are guaranteed adequate and appropriate services.
  5. The Planning Board shall review all elderly housing developments using the standards set forth herein as well as site plan review regulations before approval of any elderly housing.

**ARTICLE 23.** Are you in favor of adopting the proposed Chapter 2, Article 8.3.I.E. Special Exception for "In-Law" Apartment as proposed by the Planning Board, as follows. The Planning Board recommends this article.

"In-Law" apartments are permitted by special exception in the RA Zone subject to the following conditions as well as those general conditions for special exceptions enumerated in Article 8.3.

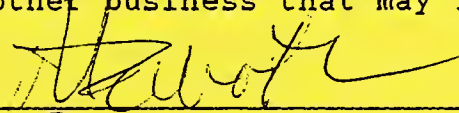

1. The primary dwelling unit and the in-law apartment must share water and septic facilities, although they may have separate electrical services and separate telecommunications services.
2. The in-law apartment must be attached to the primary dwelling unit.
3. No dwelling unit shall have more than one attached in-law apartment.
4. The owner of the property shall occupy one of the dwelling units as the owner's primary residence.
5. The occupant(s) of the in-law apartment shall be an immediate family member of the occupant of the primary dwelling unit.
6. The living area of the in-law apartment shall not be more than one-third of the living area of the entire dwelling, nor shall it contain more than one bedroom, nor shall it be less than 350 square feet in heated living area.
7. Prior to any renovations or construction the owner shall provide evidence to the Town Board of Health that septic facilities are adequate for two dwelling units with the number of bedrooms contained therein.
8. The in-law apartment shall conform to all applicable electrical, structural, water, and sanitary standards for residential buildings.

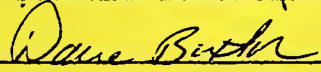

9. Two off-street parking spaces must be provided for each unit; two of said four spaces shall be freely accessible.
10. In-law apartments shall be required to have a Certificate of Occupancy before occupancy.
11. A copy of the letter from the Board of Adjustment authorizing the special exception shall be recorded at the Rockingham County Registry of Deeds, indexed under the name of the property owner and evidence thereof shall be presented to the Building Inspector prior to the issuance of a Certificate of Occupancy for said in-law apartment. All such special exceptions will contain a provision which states substantially as follows: "Upon the cessation of occupancy by an immediate family member, the owner hereby acknowledges, and purchasers are put on notice, that the apartment is to be used by immediate family members only and may not be occupied by others. The fact of a second dwelling unit having been constructed, with separate kitchen and bathroom facilities, shall not be used as grounds for obtaining a variance to permit the apartment to be rented to other than family members."

**ARTICLE 24.** Are you in favor of adding the definition of "In-Law" Apartment to the Definition section of the Kensington Zoning Ordinances, as follows: "In-Law" Apartment - a dwelling unit attached to a primary dwelling unit for the purpose of housing an immediate family member with special needs, such as an elderly relative or a handicapped relative.

**ARTICLE 25.** To transact any other business that may legally come before the Town Meeting.

## MINUTES OF THE FIRST DELIBERATIVE SESSION

TOWN OF KENSINGTON  
February 4, 1999

Meeting called to order at 7 PM by Moderator, Jeffrey Brown.

Moderator read the opening paragraphs of the warrant.  
Moderator explained we are not voting on the articles tonight,  
just exploring and amending the warrant articles.

Moderator led the flag salute.

Robert Wadleigh was recognized by the Moderator and made a motion  
to adjourn tonight's meeting to Feb. 5, 1999 at 7 PM at the Town  
Hall. His reasoning was because the school cooperative district  
scheduled their meeting tonight as well. Seconded by John  
Sargent, Sr.

Hand vote to adjourn meeting until tomorrow night: Yes 18, No 13.

Meeting was adjourned at 7:08 PM until tomorrow night.

## MINUTES OF THE ADJOURNED FIRST DELIBERATIVE SESSION

TOWN OF KENSINGTON  
February 5, 1999

Meeting was called to order at 7:05 PM by Moderator, Jeffrey  
Brown.

Moderator read the opening paragraphs of the warrant.  
Moderator asked that all amendments be presented to Clerk in  
writing.  
Moderator led the flag salute.

Moderator stated that each article would be read, discussion would  
pursue, amendments would be entertained, further discussion would  
follow, vote on the amendment would be taken and he would move to  
next article.

ARTICLE 2. To see if the Town will vote to raise and appropriate  
the sum of \$691,302 (Six hundred ninety one thousand three  
hundred-two dollars) which represents the operating budget. Said  
sum does not include special articles addressed. Selectmen  
recommend this appropriation.

Article read, no discussion, no amendments.

ARTICLE 3. To see if the Town will vote to raise and appropriate  
the sum of \$28,532.00 (Twenty eight thousand five hundred thirty

two dollars) the amount necessary to purchase and set up one 1999 police cruiser and authorize the withdrawal of \$5,000.00 (Five thousand dollars) from the Capital Reserve Fund created for that purpose. The balance of \$23,532.00 (Twenty three thousand five hundred thirty-two dollars) is to come from general taxation. This purchase consists of taking part in the bid process with the NH State Police, in cooperation with the Bureau of Purchase and Property. This participation will ensure the best acquisition cost, due to the economy of scales and purchasing power of the NH State Police, of a new police cruiser for the Town. Included in the purchase price is a 75,000 mile \$0 deductible warranty. The Selectmen recommend this appropriation.

Article read, no discussion, no amendments.

ARTICLE 4. By petition of Bonnie Provost and others: To see if the Town will vote to raise and appropriate the sum of \$550.00 (Five hundred fifty dollars) to Sexual Assault Support Services, a private, non-profit organization, to assist in funding the Rape Crisis Intervention Program. Our agency has a 24 hour toll free crisis hotline, advocates available for sexual abuse survivors in your town and provides education presentation programs to your children in your schools. This appropriation is in addition to Warrant Article 2, the operating budget article.

Article read, no discussion, no amendments.

ARTICLE 5. By petition of Barbara Greenwood and others: To see if the Town will vote to raise and appropriate the sum of \$825.00 (Eight hundred twenty-five dollars) for the support of the Richie McFarland Children's Center. (\$275.00 for each child from Kensington served - 3 children served.) The Selectmen recommend this appropriation. This appropriation is in addition to Warrant Article 2, the operating budget article.

Article read, no discussion, no amendments.

ARTICLE 6. By petition of Mary Avery and others: To see if the Town will vote to authorize the Selectmen to accept gifts of land which may be offered for any positive public purposes, including those of preservation, conservation or improvements for the benefit of the community.

After some discussion, Jan Kaczmarek made a motion to amend the article, seconded by Paul Steeves. Amendment reads: To see if the Town will vote to authorize the Selectmen to accept gifts of land which may be offered for any public purpose, including those of preservation, conservation or improvements for the benefit of the community, provided, however, that the Selectmen shall not accept any such gift without prior approval by vote of the Town if its acceptance would materially reduce the actual or potential tax revenues of the Town.

After more discussion the question was called and seconded. The voice vote was in the affirmative and the amendment passed.

ARTICLE 7. By petition of Joan Skewes and others: To see if the

Town will authorize that 25% of Land Use Change Tax revenues be contributed to the Land and Building Capital Reserve Fund.

After some discussion, Bonnie Ellsworth made a motion to amend the article, seconded by Donna Pikul. Amendment reads: To see if the Town will authorize 0% of Land Use Change Tax revenue be contributed to the Land and Building Capital Reserve Fund.

After more discussion the question was called and seconded. The voice vote on the amendment was in the affirmative.

ARTICLE 8. By petition of Linda Bennett and others: To see if the Town, as allowed by NHRSA 79-A:25 II, will vote to place 75% of the revenues of all future payments collected through Land Use Change Taxes in the Conservation account held by the Town Treasurer. These funds would be used for acquisition of land, trail, and conservation easements and development rights; to preserve and conserve open space and wildlife habitats.

After much discussion, Bonnie Ellsworth made a motion to amend the article, seconded by several to amend the article to read: To see if the Town, as allowed by NHRSA 79-A:25 II, will vote to continue to place 25% of the revenues of all future payments collected through Land Use Change Taxes in the Conservation account held by the Town Treasurer. These funds would be used for acquisition of land, trail, and conservation easements and development rights; to preserve and conserve open space and wildlife habitats.

After more discussion the question was called and seconded. The voice vote on the amendment was in the affirmative.

ARTICLE 9. By petition of Shirley Upton and others: To see if the Town will vote to raise and appropriate the sum of \$1,000.00 (One thousand dollars) in 1999 to assist with our counseling services to families and children. Child and Family Services of NH is an independent, non-profit agency dedicated to advancing the well-being of children by providing an array of social services to strengthen family life and by promoting community commitment to meet the needs of children. This appropriation is in addition to Warrant Article 2, the operating budget article.

Article read, no discussion, no amendments.

ARTICLE 10. By petition of Carol Sargent and others: To see if the Town will vote to raise and appropriate the sum of \$2,462.00 (Two thousand four hundred sixty-two dollars) to the Rockingham Visiting Nurse Association and Hospice for providing continued health care service to the residents of the town. This appropriation is in addition to Warrant Article 2, the operating budget article.

Article read, no discussion, no amendments.

ARTICLE 11. By petition of Susan Varn and others: To see if the Town will vote to raise and appropriate the sum of \$375.00 (Three hundred seventy-five dollars) to assist Seacoast Hospice, a non-

profit organization. This appropriation is in addition to Warrant Article 2, the operating budget article.

Bonnie Ellsworth made a motion, seconded by James Coelho, to change to article to read: To see if the Town will vote to raise and appropriate the sum of \$500.00 (Five hundred dollars) to assist Seacoast Hospice, a non-profit organization. This appropriation is in addition to Warrant Article 2, the operating budget article.

After little discussion the question was called and seconded. The voice vote on the amendment was in the affirmative.

ARTICLE 12. By petition of Margaret Ruggeri and others: To see if the Town will vote to raise and appropriate \$500.00 (Five hundred dollars) for the support of Seacoast Mental Health Center, Inc. This appropriation is in addition to Warrant Article 2, the operating budget article.

Article read, no discussion, no amendments.

ARTICLE 13. By petition of Elizabeth Bodwell and others: To see if the Town will vote to raise and appropriate the sum of \$456.00 (Four hundred fifty-six dollars) to support Rockingham Nutrition & Meals on Wheels Program Service for older, homebound older and disabled residents. This appropriation is in addition to Warrant Article 2, the operating budget article.

Article read, no discussion, no amendments.

ARTICLE 14. By petition of Michael McCarthy and others: To see if the Town will raise and appropriate the sum of \$5,000.00 (Five thousand dollars) to improve public safety on Wild Pasture Road by changing the existing intersection at Route 150 and Wild Pasture Road. The increase in speed and volume on Wild Pasture Road and Drinkwater Road is endangering the safety of our children as well as other pedestrians and motorists. The Selectmen recommend this appropriation. This appropriation is in addition to Warrant Article 2, the operating budget article.

After much discussion the question was called and seconded by several. The voice vote on the article was in the affirmative, no amendments made.

ARTICLE 15. To transact any other business that may legally come before the Town Meeting.

Les Briggs and Lynne Monroe both discussed the zip code situation in Town. Progress continues with the Zip Code Committee. Looks like Kensington will not be given its own numbers. No resolutions made or finalized at this time.

Meeting adjourned at 9:05 PM.

Respectfully submitted,  
Linda C. Buxton, Town Clerk

## REPORT OF THE SELECTMEN

To the Residents of Kensington:

This Board's year started with the March elections when a record number of citizens came to the polls to decide who would fill two of the three seats on the Board of Selectmen. Thank you for your continued involvement in the democratic process.

The gravel pit issues continued to be a divisive influence in 1999. Two of the three pits involved were settled by the courts, with the third still in litigation. As a result of these decisions, zoning changes will be before the public at Town Meeting in March. If passed, these changes will allow the Zoning Board of Adjustment to rule on future gravel excavation issues.

The properties in the Town were reviewed and remeasured earlier this year. Of the 690 properties with structures, 35% of the records were changed to correct previous errors or to list additions/remodeling done on homes which did not have Building Permits. This resulted in a \$2,340,000 increase in the Town's total assessed value or an additional 2%.

The State issue regarding school funding, the Claremont Case, finally came to a close late in the year. Kensington, being considered a Recipient Town, received a grant of \$328,000 from the State and it was applied against our total 1999 school bill of \$2,281,000. This caused a drop in the tax rate and a resulting 8% savings on everyone's tax bill.

The Selectmen would like to thank all the Department heads, Town employees, other Board and Committee members and the many volunteers that make this Town run. The above issues are only some examples of what has faced these dedicated people in the past year. The year 2000 and the 21st Century will bring more challenges as to where Kensington is going and how it will get there. Everyone's voice, opinions, and time are needed to make it the Town we are all proud to call HOME.

Michael Schwotzer

### CEMETERY TRUSTEES REPORT FOR 1999

This year saw the continuation of necessary maintenance work at the Cemetery. The wrought iron fence was repaired and it is now in the process of being painted. Sections of the fence will be removed and snow fencing put in its place while the work is being done.

Minor tree work was done to the large oak which we hope will extend it's life.

Stone repair continues and we plan to once again have stone cleaning workshops.

We continue to be grateful for the fine job Buddy Dunn does on the Cemetery grounds.

A reminder that artificial flowers are not to be placed at gravesites. Wires cut accidentally by lawnmowers can cause serious injury.

We also ask that those who place Christmas decorations at the graves please remove them by April 15th and Memorial Day decorations by November 15th. By following these guidelines we hope to keep the Cemetery well maintained.

We urge all families to establish perpetual care on their family plot. If you need more information, contact a Cemetery Trustee.

In the past few years there has been an increase in the burial of the ashes. There are a few procedures that must be followed:

- A Trustee must be notified before burial of ashes.
- The ashes must be placed in a permanent container (concrete, bronze, or synthetic material).
- A burial permit must be filed with the Town Clerk.

#### Burial Procedure:

- In the event of death, the family should contact one of the Cemetery Trustees. If the family has not already selected a plot the Cemetery Trustees will assist the deceased's family in selecting one. There are two graves to a plot.

#### Winter Burials:

- Due to weather, road conditions and frozen or muddy ground, the Dearborn Cemetery will not be open for winter burials. An exception will be considered at the discretion of the Cemetery Trustees taking into account the amount of snow and ground conditions. The burial vault is available for storage until spring burial.

The Cemetery is closed to traffic and burials during the winter months but will reopen in the Spring as soon as road and frost conditions permit. The iron gates are closed all year except for Memorial Day weekend.

### PROPOSED 2000 CEMETERY BUDGET

Wages \$2,750  
Supplies \$200

Road Upkeep \$200  
Fuel \$200  
Equipment Maintenance \$300  
Tree Maintenance \$600  
Stone Maintenance \$700  
Fence Painting \$4,000

#### FIRE DEPARTMENT REPORT FOR 1999

The Kensington Fire Department and Rescue Squad has had a very productive and busy year in 1999. I would like to thank all the members for their many hours of commitment to the department. This year we have had several new members join our department, and all have been trained for either Fire or Rescue or both. We have been working on bringing the new ambulance up to ALS level to better serve the residents of Kensington. The men and women of the Fire Department and Rescue Squad are continually receiving education and training so that we may better serve the residents of Kensington.

With the uncertainty of the year 2000 bug, people are buying space heaters, generators, and candles and lanterns. I would like to take this opportunity to ask everyone to be very careful with their use. Space heaters should never be used in a bedroom or confined space, they should never be left unattended or fueled up inside the home. Generators should only be connected to your home electrical system by a licensed electrician. Because of the possibility of carbon monoxide poisoning and the threat of fire, all generators should be run outside of the home and garage only. Candles and lanterns have open flames and should be kept away from anything combustible, especially being very careful of children and pets. If you plan on firing up the old wood stove that has not been used for the past ten years or so, please be sure to clean the stove pipe and the chimney.

This year the Kensington Fire Department and Rescue Squad Association completely refurbished the old ambulance and turned it into a Rescue unit to assist both Fire and Rescue. This Rescue unit will carry up to seven personnel to an incident to help reduce the individual vehicles on the scene. It is outfitted with lights, rescue tools, hydraulic jacks, medical gear, oxygen, cold water ice rescue equipment, and portable radios. Its primary function will be to assist at structure fires, motor vehicle accidents, and special rescues.

I would like to take this opportunity on behalf of the Kensington Fire Department and Rescue Squad members to

express our gratitude and appreciation to all the residents of Kensington for their generous financial and moral support. It is my pleasure to serve this community as your Fire Chief.

The Fire Department and Rescue Squad have had a total of 67 Fire calls and 81 Ambulance calls for 1999, with a breakdown as follows:

FIRE DEPARTMENT		RESCUE SQUAD	
Structural Fires	- 0	Medical Emergencies	- 56
Vehicle Fires	- 2	Vehicle Accidents	- 20
Vehicle Accidents	- 20	Bicycle Accidents	- 0
Brush - Grass	- 9	Structural Fires	- 0

Public Assistance	- 2		
Arcing Wires	- 6		
Medical Aid	- 0		
Rescues	- 3		
Plane Crash	- 0		
Bicycle Accidents	- 0		
Lightening Strike	- 0		
Electrical Fire	- 0		

786 hours were used to respond to the above 67 Fire calls. 546 hours were used to respond to the above 81 ambulance calls. In all, approximately 8,000 hours were expended keeping the equipment in repair, maintaining the station, administration, planning, education, training, and responding to alarms.

In closing I would like to remind everyone, **TO REPORT AN EMERGENCY - FIRE, AMBULANCE, AND POLICE, PLEASE DIAL "911" AND STAY ON THE LINE.** PLEASE INSTALL AND CHECK YOUR SMOKE DETECTORS REGULARLY, they are your first line of defense against fire. **IT IS NOW RECOMMENDED TO REPLACE YOUR SMOKE DETECTOR IF IT IS TEN YEARS OLD OR OLDER.**

Have a safe and healthy New Year. Thank you!

## KENSINGTON PUBLIC LIBRARY: 1999 DIRECTOR'S REPORT

Perhaps most rewarding was the enormous growth of the library's children's programs during the year. Attendance for the weekly toddler Storytime hour ran between 20 and 25, and the number of youngsters coming to the KPL Young Readers' Club was comparable. A record number of children participated in the six-week long Summer Reading Program, which culminated with a special performance by puppeteer Martha Dana. A big thank you goes to assistant librarian, Lisa Vlasich, who meticulously planned and implemented these programs; her hard work helped to make each session successful and enjoyable.

In 1999, the Kensington Public Library continued to offer services and programs for enrichment and education. As part of the Eunice Morgan Lecture Series, Amy L. Cohn, compiler of an impressive anthology of American folklore, *From Sea to Shining Sea*, began the year with a Sunday afternoon program of storytelling and singing for the entire family. In May, children's book illustrator Giles Laroche visited, with our entire elementary school attending. Laroche demonstrated the creative aspect of making children's books. In June we presented a harp concert by Meredith Goodrich and Nancy Gilmore celebrating the summer solstice. October's program showcased the talents of folk musician Ryan Thomson, who entertained an enthusiastic audience with a variety of traditional instruments.

We thank our loyal patrons for their numerous book and money donations. We are also grateful to the Friends of the Library, whose fund-raising and volunteer efforts help tremendously. It is precisely this kind of commitment from all of the library's supporters which ensures a high level of service to the residents of the community.

# 1999 ANNUAL REPORT OF THE KENSINGTON PLANNING BOARD

To the Residents of Kensington:

Over the past nine months the Planning Board worked through the approval of three major subdivisions, one minor subdivision and is currently reviewing another (4 lot) subdivision project. The three major subdivisions will add fifty-one (51) new homes, five (5) more roads, fifty (50) acres of open space, and various fire detention ponds and drainage systems to Kensington's inventory. The one (1) minor subdivision project added one (1) new home in Kensington. Palmer Green Phase III on Wild Pasture Road (8 building lots & one road), Gove Hill Phase II on Muddy Pond Road (11 building lots, one road & 50 acres of open space) and the Heirs of G & B Lambert Subdivision Moulton Ridge Road and Amesbury Road (32 building lots, 1 building lot deeded to the Town and three roads), represents an unprecedented number of approved building lots in one year for Kensington.

The Planning Board is sponsoring regulations for "Elderly Housing" and "In-Law Apartment" in Kensington. These two pieces of legislation have been brought to the Planning Board by volunteer committees of Kensington residents who have researched legislation of other New Hampshire towns that have similar populations and needs as well as State and Federal legislation. The Planning Board would like to offer and acknowledge to these two committees it's sincere appreciation and gratitude for their hard work and perseverance in the authoring of these regulations. The positive work of these two committees symbolizes the compassion and understanding the residents of Kensington have towards supporting the needs of the elderly and family members.

The creation of the new Master Plan started this year with Paul Kimball as Facilitator. The Master Plan committee has contracted with the Rockingham Planning Commission to assist with the writing and support work to bring Kensington's Master Plan into the 21st century. The Planning Board will receive a \$2,500 matching grant from the State of New Hampshire through RPC for the year 2000 for Master Plan work.

The Planning Board would like to thank all the Town staff for their hard work and dedication this year. The Planning Board was very busy this year and conducted several special meetings which placed additional work loads on everyone. The Planning Board would like to also thank the Board of Selectmen for their continued support and cooperation in various projects and issues presented to the Planning Board.

## REPORT OF THE KENSINGTON POLICE DEPARTMENT

As your Chief of Police, I am please to report to you the concerns and activities your Police Department has experienced during the calendar year "1999."

This past year has not only been a year of growth for our community, but a year of fact finding, due to the increased calls for service, and motor vehicle activity. Before I share with you a summary of police activities, I am not only pleased, but excited to present and share the '1999 police survey' results for your review.

As you may recall, our present Board of Selectmen had allowed me (via Police Association) to draft a police survey/questionnaire and mail to every resident on our mailing list. We felt that the wishes and concerns of our residents is a major purpose for our existence, and should be "at least" heard. There were (6) questions seeking a scale response (1-5) categories being important, concerned, or needed. The community responded by returning (151) questionnaires prior to the deadline. These survey results are based on (151) returns. Note: We have since received over (200) questionnaires back. I think this reponse was exceptional, and want to thank everyone who took the time to complete it. I want to assure all who responded that every questionnaire, comments included, was reviewed and considered, (pro or con).

**Question 1:** Currently, there are (8) hours per (24) hour period when there is no police officer on duty. Is this a concern to you?

77.5% were concerned or "more than", 22.5% were not concerned.

**Question 2:** During the business week, the day shift duty officer (Chief) spends extended periods of time in the office conducting department business and preparing court cases for prosecution. Do you feel this is important?

92.6% felt this was important or "more than", 5.3% felt this was not important, and 2.0% did not respond to this question.

**Question 3:** Do you feel the town needs a police officer "on road patrol" during the business week, day shift?

86.7% felt this was needed or "more than", 11.9% felt this was not needed, and 1.3% did not respond to this question.

**Question 4:** Presently, the department has (1) full time officer, complimented by part-time help. Would you like to see additional full time certified officers on the department?

79.5% felt this was important or "more than", 19.2% felt this was not important, and 1.3% did not respond to this question.

**Question 5:** On occasion, when local police are off duty and not available to take police calls, it becomes necessary to place outside law enforcement agencies on call to respond to emergencies. Is the potentially delayed response time a concern to you?

83.5% were concerned or more than, 15.2% were not concerned, 1.3% did not respond to this question.

**Question 6:** Business hours for the department are Monday-Friday, 8:30 AM - 1:30 PM. Would you like to see these part-time support hours extended?  
**72.3%** felt this was important or “more than”, **25.8%** felt this was not important, **2.0%** did not respond to this question.

As you can see, there is a definite trend towards additional police presence in our community. These results, in conjunction with written comments by residents on the survey, has compelled me to at least present a budget addressing “some” of your concerns. Our Board of Selectmen has followed the majority of the Budget Committee’s recommendation and has allowed the proposed police budget to be presented to the citizenry for vote. I would ask that you seriously consider the 2000 police proposal. I feel it will start the millennium, offering a reasonable amount of safety and peace of mind, in the Town of Kensington.

**The following is a brief synopsis of Kensington Police activity “1999”:**

Civil Disputes	15

Please feel free (and encouraged) to call me or stop by the PD with any questions or concerns you may have on this report or budget proposal. Remember, my door is always open to our residents, and your police officers are here to serve you! We contribute our success and progress directly to the outstanding moral and financial support this community has shown us. We also owe our gratitude to the current Board of Selectmen for their ongoing support and more importantly, their trust in this department's management decisions. We will continually strive to earn their trust and yours!

Respectfully submitted,

Michael Aquilina  
 Chief of Police

## REPORT OF THE RECREATION COMMITTEE

The Kensington Recreation Committee continues to focus its efforts on the upkeep and improvement of the Town Park and Sawyer Field, supporting KYAA, sponsoring the Summer Park Program, and helping with special Town events. As Kensington experiences major growth in population, the Committee is assessing ways to expand its programs to serve more of its citizens.

The Kensington Youth Athletic Association (KYAA) functions independently of the Recreation Committee. Our youth enjoy baseball, softball, and soccer programs because of this group's hard work and dedication. In addition, KYAA members annually donate several hours to help the Rec Committee clean up, repair, and maintain the playing fields in Town. We appreciate all this organization does for Kensington.

Although there are many KYAA members helping at the Town Park Clean-Up Day, there are never enough helping hands to complete the raking, trimming and clearing of brush needed annually. Keep an eye on the Community News to find out the date for this year's clean-up. Please help keep our park beautiful.

Last year the basketball court was resurfaced and lined, and its perimeter was cleared of brush and brambles. In 2000 we will be taking down the outhouses at the park and constructing a small storage shed. As in the past two years we will be providing portalet johns at both the Town Park and Sawyer Field for the spring and summer months. It is planned to add more lighting and more picnic tables to the pavilion.

The enrollment and interest in the Summer Program continues to rise. For the last two years we have offered three weeks. We plan to offer at least three weeks for the upcoming summer. The program offers a variety of games, sports, music, crafts, and a field trip. We are most fortunate that all of the directors and counselors are Kensington residents. Be on the look out for registration in mid-May.

The goal of the committee is to maintain and expand programs and facilities to meet the recreational needs of the community. Our success depends upon the support of the residents. We welcome suggestions and ideas. We meet on the second Wednesday of each month at 7:00 at the Town Hall. Committee members include Donna Carter, Geoff Coffin, Kathy Cook, Dan Provost, Nancy Roffman, and MaryJane Solomon.

Nancy Roffman, Recreation Committee

## SUMMARY OF ASSISTANCE FOR 1999

1999 was the first full-year in which Kensington participated in the RPC's Circuit Rider Program. Under this program, Kensington was provided professional staff support at its monthly meetings; reviews of development proposals; and general technical assistance to the Planning Board.

In addition to direct assistance, Kensington, benefitted from regional planning activities and services carried out by the Commission on behalf of its member communities. A summary of these activities includes the following:

### ***LAND USE PLANNING***

- ▶ Provided National Flood Insurance Program assistance to communities in the region.
- ▶ Continued to represent the region on the NH Estuaries Project Management Committee that oversees the State's National Estuaries Program (NEP) project.
- ▶ Began development of a comprehensive water resources map for the region incorporating surface water, wetlands, groundwater and related information.
- ▶ Prepared orthophoto base maps for all member communities and distributed.
- ▶ Continued development of in-house Geographic Information System (GIS) for use in local and regional planning.
- ▶ Prepared and distributed a zoning and building code amendment calendar (for both standard town meeting communities and SB-2 communities) informing town officials of the required timing of events associated with proposed zoning ordinance and building code amendments.
- ▶ Continued to update and maintain our library of model ordinances, subdivision and site plan review regulations, other local land use regulations as well as our general reference library, available to all member communities.
- ▶ Prepared the second year products of the joint DES-RPC Regional Environmental Planning Project (REPP). These products include a finalized region-wide inventory of locally determined priorities regarding natural, historic and incorporated cultural resources.
- ▶ Participated in a state-wide effort directed toward standardizing soils information for development purposes. This ad-hoc committee developed a set of recommendations regarding soils mapping requirements.

### ***EDUCATIONAL PROGRAMS***

- ▶ Assisted, organization and hosted the 24th annual Municipal Law Lecture Series for town officials.
- ▶ Organized and sponsored the 10th Annual Planning Board Training Series in conjunction with the UNH Cooperative Extension Service-Rockingham County and the Rockingham County Conservation District.
- ▶ Organized and held the Annual Legislative Forum, where local officials and legislators were invited to discuss current bills before the Legislature.
- ▶ Fielded numerous inquiries and requests for statistical information regarding the region, its economy and demographics, continuing the RPC's role as State Census Data Center Affiliate.

## *TRANSPORTATION PLANNING*

During 1999, the RPC, as staff to the Seacoast and Salem-Plaistow-Windham Metropolitan Planning Organizations (MPOs), continued to carry out the federally mandated metropolitan planning process. Having this process in place ensures that federal transportation funds (highway and public transportation) will continue to be available to the region. Key accomplishments during the year included the completion of local and regional project selection process and development of Draft FY 2001-2003 Transportation Improvement Program submission to NHDOT.

## *ECONOMIC DEVELOPMENT*

- ▶ Provided assistance to the Rockingham Economic Development Corporation (REDC), the local non-profit economic development corporation comprised of local officials in Rockingham County participating in regional economic development efforts.
- ▶ Worked cooperatively with the NH Regional Planning Commissions and the Community Development Finance Authority to establish regional economic development planning program.

## *SOLID WASTE MANAGEMENT*

- ▶ Assisted the communities of Exeter, Stratham and Newfields organize and obtain funding for a cooperative household hazardous waste collection.

**The importance of planning, and the stewardship of our natural resources is of critical importance as development pressures continue in the Seacoast, and in Kensington. The Rockingham Planning Commission looks forward to continuing its assistance to the Town of Kensington in the future.**

## REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

**REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!**

Kensington School District  
First Session  
February 6, 1999

The session was called to order at 7:00 PM by the moderator, Victor Petzy. Mr. Petzy led the meeting in a salute to the flag.

Mr. Petzy introduced the School District Officers as well as Mr. Paul Flynn, Assistant Superintendent of Schools and Dr. Chester E. Lee, Principal of Kensington Elementary School.

Mr. Petzy read Article 1.

Article 1. Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$1,084,765.00? Should this article be defeated, the operating budget shall be \$1,036,218.00, which is the same as last year, with certain adjustments required by previous action of the District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13,X and XVI, to take up the issue of a revised operating budget only.

(The School Board recommends \$1,084,765.00 as set forth on said budget.)

Mr. Brewster asked what the major increases were.

Mr. Cook explained that there are five items attributable to the increase in the budget and are as follows:

- Projected enrollment figures
- The need for a Special Education aide
- The hiring of a ½ time Special Education teacher for the 1999-2000 school year to replace Mrs. Greenwood who is scheduled to teach two sessions of kindergarten.
- An additional aide in grade five next year.
- The cost of networking Kensington Elementary School, the cost of contracting an outside service relative to the networking program and the purchase of additional computers.

There were no amendments offered to the Article.

Article 2. Shall the District enter into a collective bargaining agreement with the Kensington Education Association (the union representing the teachers in the District schools) covering the two year period from September 1, 1999, to August 31, 2001, and approve the cost items included therein containing in summary: change of health insurance provider to New Hampshire School Health Care Coalition (at the savings of approximately \$15,260.00 for the 1999-2000 year), continuation of other non-salary benefits, and salary

increases so that the approximate increase in the cost of teacher salaries and salary related expenses because of this agreement and step increases for each of the two years (subject to change resulting from changes in number of and in the educational degrees and years of experience of teachers employed) over the preceding year will be: \$19,976.00 for the 1999-2000 year (approx. 4.3% over 1998-1999), and \$23,362.00 for the 2000-2001 year (approx. 4.8% over 1999-2000).

And, further, to raise and appropriate the sum of \$4,716.00 for the 1999-2000 year, such sum representing the net additional costs attributable to the increase in salaries and salary related benefits, less health insurance savings, over those included as part of Article 1, the 1999-2000 budget.

(The School Board recommends that the School District enter into this agreement and make this appropriation of \$4,716.00).

Mrs. McDonough commended Mr. Flynn on the drawing up of Article 2. Mrs. McDonough spoke to the article noting that the Kensington Elementary School teachers will receive a 4.3% salary increase in 1999-2000 and a 4.8% salary increase in the year 2000-2001. Mrs. McDonough noted that much of the 1999-2000 increase will not be reflected in the budget because of the substantial savings in the cost of the new health insurance plan teachers have agreed to. Mrs. McDonough noted that teachers also agreed to other changes (sick time and longevity issues) in their contract, which will ultimately save the District money.

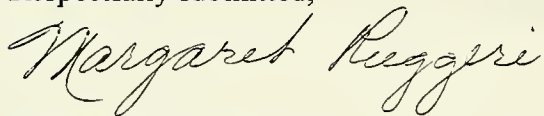

Mr. McDonough asked for clarification regarding the article.

Mrs. McDonough stated the amount of \$4,716.00 reflected the net additional cost attributable to the increase in teacher salaries and related benefits for the 1999-2000 school year.

Mr. Flynn presented Mr. Cook, who has chosen not to run for School Board Office, with a plaque commemorating his three-year service as a School Board member.

The meeting adjourned at 7:15 PM.

Respectfully submitted,

Margaret Ruggeri  
School District Clerk

## KENSINGTON SCHOOL DISTRICT WARRANT

To the inhabitants of the School District of the Town of Kensington, County of Rockingham, State of New Hampshire, qualified to vote upon District affairs:

You are hereby notified to meet as follows:

**FIRST SESSION:** At the Kensington Town Hall in said Kensington on Saturday, February 12, 2000, at 7:00 p.m. for explanation, discussion, debate, and possible amendment of the following warrant articles:

1. Shall the District: raise and appropriate the sum of one million five hundred seventy thousand dollars (\$1,570,000) for the purpose of renovations and an addition to the Kensington Elementary School. One million five hundred sixty thousand dollars (\$1,560,000) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; and to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the School Board to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the School Board to take any other action or to pass any other vote relative thereto; and further, raise and appropriate an additional fifty thousand dollars (\$50,000) to meet the necessary financial obligations associated with the project's debt service for the 2000-2001 fiscal year.

(A 3/5 vote is necessary to authorize the issuance of said notes or bonds. The School Board recommends the adoption of this article.)

2. Shall the District raise and appropriate an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$1,249,130. Should this article be defeated, the operating budget shall be \$1,152,426 which is the same as last year, with certain adjustments required by previous action of the District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

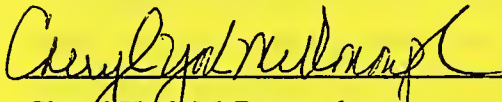

(The School Board recommends \$1,249,130 as set forth on said budget.)

3. To hear reports of agents, auditors, and committees or officers heretofore chosen.
4. To transact any other business which may legally come before the meeting.

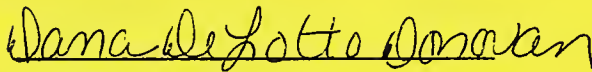

**SECOND SESSION:** At the Kensington Town Hall in said Kensington on Tuesday, March 14, 2000, to choose the following School District Officers: One School Board Member for a three year term, and School District Auditor for a one year term; and vote on the articles listed as 1 and 2 above, as those articles may be amended at the First Session; by ballot, the polls to open at 8:00 a.m. and to close no earlier than 7:30 p.m.

Given under our hands at said Kensington on this 21<sup>st</sup> day of January, 2000.

KENSINGTON SCHOOL DISTRICT SCHOOL BOARD:

  
Cheryl York McDonough

  
Susan Belanger

  
Dana DeLotto Donovan

CERTIFICATION ON POSTING OF WARRANT

# SAU 16 Report of Administration

Arthur L. Hanson, Ed.D.  
Superintendent of Schools

Paul A. Flynn  
Assistant Superintendent of Schools  
Director of Human Resources

Barbara L. Lobdell  
Assistant Superintendent of Schools

In August, several schools in SAU 16 welcomed new administrators to their buildings: Gary Heald, Principal, Exeter High School; Jerry Frew, Principal, Cooperative Middle School; and Pat Cushing, Principal, East Kingston Elementary School. Additionally, the following individuals assumed new positions: Cas Donovan, full time Assistant Principal, Exeter High School; Bill Ball, Athletic Director, Exeter High School; Mike Olson, Assistant Principal, Cooperative Middle School; Tom Fosher, Principal, Stratham Memorial School; Dennis Dobe, Assistant Principal, Stratham Memorial School; and Thaia Katsos, Assistant Principal at both Main Street School and Lincoln Street School.

The schools opened their doors to continued record enrollments: Swasey Elementary School in Brentwood – 254; East Kingston Elementary School – 181; Exeter Elementary (Main Street School and Lincoln Street School) – 1090; Kensington Elementary – 173; Newfields Elementary – 143; Stratham Memorial School – 626; Cooperative Middle School – 1298; and Exeter High School – 1448.

Due to these enrollments, most school districts are investigating renovations and/or new construction to their school facility. East Kingston broke ground in October for an additional four classrooms, including kindergarten. Swasey School in Brentwood, Newfields Elementary and Kensington Elementary are in the final stages of putting plans together for additions to their schools. Once again, Lincoln Street School will present a warrant article to the Exeter voters in an effort to address the remaining building deficiencies.

The Exeter Region Cooperative School Board has been involved for the past twenty-six months in a comprehensive review of space and building needs for Exeter High School staff and students. The current structure not only presents the students and staff with physical inadequacies, but limits our educational abilities to perform at the standards set forth by the New England Association of Schools and Colleges.

The board held a two-day "Future Search Conference" in the spring of 1999. A broad cross-section of individuals from the SAU towns, including parents, students, educators and community members, participated in this endeavor. Although there were many outcomes and recommendations from the group, the major endorsement of the participants was to renovate the current facility versus building a new high school.

The on-going High School Facilities Committee, chaired by John Henson, was charged by the Coop Board to develop a recommended renovation/new construction site plan with assistance from Banwell Architects and Hutter Construction Company. In conjunction with the High School Facilities Committee, a Publicity Committee was created and is presently speaking to service organizations, parent groups, various school boards and other interested parties regarding the recommended plan. They are also leading tours of the current high school to educate the community concerning the immediate need for this project.

There continues to be a sense of collaboration among the individual school districts. As a SAU, we are continually working to coordinate curriculum, technology initiatives, a common evaluation process for both teachers and administrators through a district-wide committee, and a crisis management and emergency response plan for all schools in the SAU.

Because of the many funding challenges that we face in SAU 16, the boards and administrators are working diligently to present schools budgets that reflect this. As an example, the SAU budget for the school year 2000-2001, as approved by the SAU Joint School Board in December 1999, is level-funded.

The offering of quality education continues to be a priority for the citizens of SAU 16. The continued support and involvement of many businesses, community members and parents is truly appreciated. Working together, we can assure that our graduates are ready to meet the challenges of the 21<sup>st</sup> century.

Principal's Report

It would appear that Kensington has entered a new period of growth. New housing and additional projected building sites have already had and will continue to have significant ramifications to the operation of the Kensington Elementary School. During this past summer, enrollment increases at the kindergarten level and in grades two and five forced the school board to create additional class sections. This action required the Board and administration to reallocate our budgeted funds to finance the employment of two additional classroom teachers.

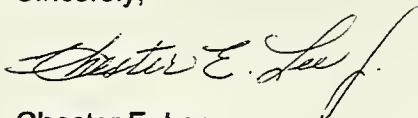

As new home construction continues we must look ahead to insure that our school will be ready to accept the projected enrollment increases. Last year we had an enrollment of 154, this year 173, and within two years we'll be at a number in excess of 200. To prepare for the inevitable increase of students, a building committee has been formed and is in the process of developing plans for additional classrooms and an all-purpose room. The building plan will add approximately 13,000 sq. ft. to the building at a cost of 1.5 million dollars. Kensington is eligible and will apply for Building Aid from the State of New Hampshire. They will reimburse Kensington for 30% of the total cost of the addition. It should also be noted that Kensington is a "receiver" community, therefore, under the state's new tax laws, we will receive additional monies from the state which should more than offset the projected costs of the addition to our school and the costs associated with the refurbishing of the Cooperative High School.

Our thanks to Mr. Brian Cook for his service and leadership as a member of the school board over the past three years. Mrs. Dana Donovan was elected to replace Mr. Cook. We look forward to working with her and the entire school board now chaired by Mrs. Cheryl McDonough.

New staff members for the 1999-2000 school year include Ms. Colleen Bland, special education teacher. Ms. Bland is a graduate of Westfield State College in Massachusetts and has spent the past three years working for the Rochester, NH School District. Ms. Culver was reassigned to teach one of our fourth grade classes. Josh Cohen is Kensington's new music instructor. He is an accomplished musician and a recent graduate from McGill University with a Master's Degree in music. He had received his Bachelor's Degree from the New England Conservatory of Music. Susan Hill who has worked several years at Kensington as an academic aide has been hired to teach our new fifth grade class.

Once again, I am pleased to recognize the outstanding leadership and cooperation which we have received from the SAU #16 central office staff which is led by Superintendent of Schools, Dr. Arthur "Skip" Hanson. Their direct support, particularly through the day-to-day efforts of Paul Flynn, have kept us in focus and up to date in the vital areas of curriculum, teacher evaluation, student assessment, and emergency response planning. We appreciate all that they do in support of quality education in Kensington.

Sincerely,

Chester E. Lee  
Principal

Cancellation days due to inclement weather may be made up during April vacation and/or Saturdays. The decision of whether to use April vacation will be made by March 5, 2001.

With one (1) snow day built in, this calendar reflects 181 student days. If a snow day is not used, the last day for students will be June 13, 2001.

## INFORMATION FOR KENSINGTON RESIDENTS

### RULES AND REGULATIONS FOR WASTE AND REFUSE DISPOSAL

1. There will be curbside pickup every Wednesday.
2. Waste must be contained in plastic bags or trash barrels, not to exceed a capacity of 32 gallons. Cardboard boxes may not be used; these may be disposed of at the Town Shed on the first Saturday of every month from 9:00 - 12:00.
3. Solid waste must be placed at the end of the driveway by 6:30 a.m. on Wednesday.
4. Weight of any container must not exceed 50 pounds.
5. Each container must have a Kensington trash sticker affixed to it (for barrels, affix to top item in the barrel). Stickers are available at the Town Offices and Kensington Grocery. Each household will be issued the equivalent of one free sticker per week to cover the "one free bag per week" rule. All other stickers will be \$1.00 each.
6. No brush or stumps will be picked up and no 55 gallon drums are to be used.
7. Refrigerators, stoves, washing machines and dryers will be picked up at a predetermined date. Doors must be removed from appliances or they will not be picked up.
8. There will be a container placed at the Elementary School for the use of the school, fire house, library, town hall and church.
9. No petroleum products, car batteries or ashes will be picked up.

### LICENSING OF DOGS

Each owner of a dog three months old or over must license the dog with the Town Clerk before May 1st of each year. Each dog over six months old must have received a rabies vaccination. The certificate of vaccination is to be presented to the Town Clerk at the time of licensing. Each dog must wear a collar around its neck; attached to the collar a metal tag distinctly marked with its license number.

License fees are as follows:

Male	9.00	Female	9.00
Neutered Male	6.50	Spayed Female	6.50
Penalties - \$1.00 per month after June 1st			

### JUNK CAR REGULATIONS

New Hampshire Statute requires anyone with two or more unregistered vehicles or old cars no longer intended or in condition for legal use on highways or used auto parts equal in bulk to two vehicles must obtain a license or be subject to a \$10.00 a day fine and a mandatory injunction to end the violation by selectmen. New and used car dealers registered as such are not considered auto junk dealers but must remove junk cars from their premises within 160 days.
