TOWN WARRANT
TOWN OF LEMPSTER
State of New Hampshire
1997

To the inhabitants of the Town of Lempster, in the County of Sullivan, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School in said Lempster, on Tuesday, the 11th day of March, 1997, at two thirty (2:30 PM) in the afternoon to open the polls for the voting for candidates, and at seven o'clock (7:00 PM) in the evening for the discussion of the articles of the warrant.

ARTICLE 1: To choose all necessary Town Officers for the year ensuing.

ARTICLE 2: To receive all reports and act thereon.

ARTICLE 3: Shall we modify the elderly exemptions from property tax in the Town of Lempster? The exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 74 years, \$20,000; for a person 75 years of age up to 79 years, \$30,000; for a person 80 years of age or older, \$40,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$13,400 or, if married, a combined net income of less than \$20,400 which includes social security and pension payments; and own net assets not in excess of \$50,000 excluding the value of the person's residence. (Ballot Vote)

ARTICLE 4: Shall we adopt an "Ordinance Relating to Restraining Dogs" as follows:

Section 1 - DOG CONTROL LAW

I. It shall be unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such. For the purpose of this section "accompanied" means that the owner or custodian must be able to see or hear, or both, or have reasonable knowledge of where the dog is hunting, herding or where training is being conducted or where trials are being held. Nothing herein provided shall mean that the dog must be within sight at all times.

II. In this section, "at large" means off the premises of the owner or keeper and not under the control of any person by means of personal presence and attention as will reasonably control the conduct of such dog, unless accompanied by the owner or custodian.

III. Any authorized person may seize, impound or restrain any dog in violation of this section and deliver said dog to a person or shelter authorized to board dogs. Such dogs shall be handled as strays or abandoned dogs pursuant to applicable laws.

IV. In addition to impounding a dog found at large or in violation of this section, any law enforcement officer may issue, in the name of the owner or keeper of such dog, a notice of violation. Such notice shall impose upon the owner or keeper of such a dog a forfeiture of \$25, which must be paid to the Town wherein such dog is owned or kept within one week of the date and time notice is given, in full satisfaction of the assessed penalty. In the event such penalty is not paid to the town within the time limitations specified, a summons will be issued to municipal court and any person found guilty of violating the provisions of this section shall be guilty of a violation, and fined no more than \$1,000.00.

V. Any dog "at large" that does not have a license attached as described in Section 8 of this Ordinance shall be considered unlicensed and will not be released from the pound until such dog is licensed properly and proof of registration is produced to the Police Department. The owner of said dog shall be responsible for any pound cost associated with the dog. No dog will be held for more than ten days at the pound.

VI. Any dog left at the pound for more than ten days will be considered abandoned and the owner will be financially responsible with euthanization and burial of the animal.

VII. The owner of a dog kept at the boarding facility for less than ten days will be responsible for any boarding fees.

Section 2 - DOG RESTRAINTS

No dog shall bark for sustained periods of time, exceeding 1/2 hour, or during the night hours so as to disturb the peace and quiet of the neighborhood. No dog shall be allowed to dig, scratch, excrete or cause waste or garbage to be scattered on property other than its owners. While in heat, no dog shall be permitted to run at large or be off the premises of the owner or keeper except on a leash by a responsible adult. No dog shall be allowed to growl, snap, run after or chase any person or person(s), or person(s) riding horses on sidewalks or streets. No dog shall be allowed to run after or chase bicycles, motor vehicles, motorcycles or other vehicles being driven, pulled or pushed on the street, highway or public way.

Section 3 - DOG BITES

If the skin of a person has been punctured by a dog and the incident was reported, including the identity of the dog and its owner, to the animal officer, if any, or to the Police Department, any officer shall, within 24 hours, notify the injured person, or, in the case of a minor, the minor's parents or guardian, whether, according to town records, the dog has been appropriately immunized against rabies.

Section 4 - FAILURE TO ABIDE

Any person who fails, by appropriate action including but not limited to restraining an animal from running at large, or otherwise effectively abating a nuisance found such under the provisions of this Ordinance, or who fails to comply with any other provisions of this Ordinance after being so ordered, may have his dog taken into custody by the police of the town and such disposition made of the dog as the court may order.

Section 5 - CIVIL PENALTY

Any owner, or handler, of a dog found in violation of Section 2 of this Ordinance shall within one week pay a civil penalty to the Town of Lempster at the Town Office in the amount of Twenty-Five Dollars (\$25.00). This section shall only apply to a first offense.

Section 6 - SUBSEQUENT OFFENSE PENALTY

Any owner, or handler, of a dog found in violation of this Ordinance a subsequent time shall be brought before the Newport District Court and upon a finding of guilty be fined not more than One Thousand Dollars (\$1,000.00).

Section 7 - FAILURE TO PAY CIVIL PENALTY

Any owner or handler of a dog who is found in violation of this Ordinance, and who was issued a civil penalty described in Section 5 of this Ordinance and who failed to pay the said civil penalty to the Town of Lempster within 96 hours may be brought before the Newport District Court and upon a finding of guilty be fined not more than One Thousand Dollars (\$1,000.00).

Section 8 - PROCURING LICENSE: TAG

Every owner or keeper of a dog 3 months old or over shall annually, on or before April 30, cause it to be registered, numbered, described and licensed for one year from the ensuing May 1, in the office of the clerk of the town wherein said dog is kept, and shall cause it to wear around its neck a collar to which shall be attached a metal tag with the following information thereon: the name of the town, year of issue of license and its registered number. Said tag shall be furnished by the clerk at the expense of the town from the amount received from the dog license fees. The fees hereunder shall be in conformity with the fees recited in NH RSA 466:4.

Section 9 - VACCINATION REQUIRED

Before a license is issued under the provisions of this ordinance except under the provisions of NH RSA 466.6, the owner or keeper of a dog shall furnish to the clerk a certification that said dog has been vaccinated against rabies in accordance with the provisions of NH RSA 442-A.

Section 10 - PART OF YEAR

An owner of a dog may at any time have it licensed until the ensuing May 1, and a person becoming the owner or keeper of a dog not duly licensed after May 1 shall cause it to be registered, numbered, described and licensed as provided in NH RSA 466:1.

Section 11 - BOARDING FACILITY REQUIREMENTS

Any facility used for boarding of dogs picked up, will not release such dog until proof of all civil forfeitures have been paid with the Town of Lempster and all fees charged by the

boarding facility have been paid or other arrangements have been made.

The Town of Lempster "Dog Ordinance Receipt" will be filled out by the Town of Lempster employee receiving the civil forfeiture and presented to the boarding facility before the dog is released.

Section 12 - DEFINITIONS

"AUTHORIZED PERSONS" shall mean any Law Enforcement Officer or Dog Control Officer appointed by the Board of Selectmen. Authorized persons also applies to landowners while on their property, the landowner may restrain a dog and hold it for a Law Enforcement Officer or Dog Control Officer.

"NIGHT TIME HOURS" shall mean the hours between 8:00 PM and 7:00 AM.

ARTICLE 5: To see if the Town will vote to authorize the Board of Selectmen to establish or amend fees, as provided in RSA 41:9-a. Such vote shall continue in effect until rescinded.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$436,374.00 for the purpose of General Town Operations. The Selectmen recommend this appropriation. (Majority vote required.)

Executive	44,000.00

Interest-Tax Anticipation Notes	2,000.00

ARTICLE 7: To see if the Town will vote to appropriate the sum of \$20,000.00 for the purpose of hiring the services of an architectural consulting firm to provide an historic structures report of the Town Office and Meeting House buildings, purpose to conduct an evaluation of building space needs, code problems and structural problems and to authorize the withdrawal of \$10,000.00 from the Town Hall Renovation Capital Reserve Fund and \$10,000.00 from the Town Building Repairs Capital Reserve Fund for this purpose. The Selectmen recommend this article.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$11,100.00 to hire an engineering firm to develop a plan for the repairs of the Long Pond dam. The Selectmen recommend this article.

ARTICLE 9: To see if the Town will vote to appropriate the sum of \$1,000.00 to improve the Duck Pond Trail, said sum to come out of the proceeds of the timber harvesting on the Long Pond Forest lot. The Selectmen recommend this article.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$3,333.00 to be added to the Police Cruiser Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$750.00 to be added to the Police Department Radio Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to be added to the Town Building Repair Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$4,000.00 to be added to the Town Hall Renovations Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in the Highway Department Tractor Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

ARTICLE 15: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of repairs and reconstruction of Town Bridges and to raise and appropriate the sum of \$15,000.00 to be added to this fund. (CIP Article) The Selectmen recommend this article.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to be added to the Transfer Station Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of \$9,000.00 to be added to the Landfill Closure Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of \$3,500.00 to be added to the New Cemetery Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the purpose of compensation for the volunteer firemen. The Selectmen recommend this article.

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of \$3,100.00 for the purpose of purchasing a computer, printer and software for the Lempster Rescue Squad. The Selectmen recommend this article.

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of \$1,700.00 to purchase a multi gas detector for the Fire Department. This detector will denote the presence of carbon monoxide, oxygen levels, hydrogen sulfide and explosive levels. The Selectmen recommend this article.

ARTICLE 22: To see if the Town will vote to raise and appropriate the sum of \$699.00 to assist the Southwestern Community Services. The Selectmen recommend this article.

ARTICLE 23: To see if the Town will vote to appropriate the sum of \$1,500.00 to purchase radio equipment for the Emergency Operating Center and to authorize the withdrawal of this amount from the Emergency Management Communications Equipment and Emergency Power Capital Reserve Fund. The Selectmen recommend this article.

ARTICLE 24: To see if the Town will vote to adopt the provisions of RSA 202-A-d authorizing the library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the town or the Library Trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property. Such vote shall continue in effect until rescinded.

ARTICLE 25: To see if the Town will vote to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Town Road Sign Maintenance Fund to be administered by the Highway Department, for the purpose of repairing and replacing Town road signs and to raise and appropriate the sum of \$486.70 to be placed

in this fund, and to authorize the withdrawal of \$286.70 plus interest currently in the Road Sign Repair Fund, the balance of \$200.00 to come from taxation. (Majority vote required.) The Selectmen recommend this article.

ARTICLE 26: To see if the Town will vote to authorize the Selectmen to allow a one percent (1%) discount on taxes if paid within ten (10) days of issue.

ARTICLE 27: To transact any and all business that may legally come before said Town Meeting.

Mary E. Grenier, Chairman

Harrison E. Stover

Frederic W. Bard

MINUTES
TOWN OF LEMPSTER
State of New Hampshire
1996

The inhabitants of the Town of Lempster, in the County of Sullivan, in said State, qualified to vote in town affairs, met at the Goshen-Lempster Cooperative School in said Lempster, on Tuesday, the 12th day of March at two thirty (2:30 PM) in the afternoon to open the polls for the voting for candidates, and at seven o'clock (7:00 PM) in the evening for the discussion of the articles of the warrant.

John Williams, Moderator, opened the voting by reading the following article.

ARTICLE 1: To choose all necessary Town Officers for the year ensuing.

Motion made by: John Michaels Seconded by: Darlene Morse

Motion carried unanimously.

The following Officers were elected:

Selectman - Norton Best	3 years
Town Treasurer - Kenneth E Roberts	1 year
Planning Board	
Ralph Keeler III	3 years
F Peter Homan	3 years
Police Chief - Danny B Morse	1 year
Supervisor of Check List	
Madeleine Ferland	6 years
Trustee of Trust Funds	
Yorick Hurd	3 years
Cemetery Trustee	
Yorick Hurd	3 years
Overseer of Public Welfare	
Lynda Bell	1 year
Trustee of Library	
Yorick Hurd	3 years
Auditor	
Frederic W Bard	1 year

ARTICLE 2: To receive all reports and act thereon.

Motion made by: Fred Bard Seconded by: Edna Chandler

There being no additional comments, Article 2 passed unanimously as read.

ARTICLE 3: Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$20,000; for a person 75 years of age up to 80 years, \$30,000; for a person 80 years of age or older, \$40,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets not in excess of \$50,000, excluding the value of the person's residence. (Ballot Vote) (Submitted by Petition)

Motion made by Ralph Keeler that as this article was on the ballot, we accept the ballot vote as the results. Seconded by: Earl Chandler.

The motion passed. The ballot vote was 91 yes votes and 36 no votes.

ARTICLE 4: To see if the Town will vote, in accordance with RSA 231:63, to add to the duties of the Highway Department the opening and closing of burial sites upon instruction by the Selectmen.

Motion made by: Earle Chandler Seconded by: Don Arsenault

Discussion: Phil Howard did not think it was the Highway Department's responsibility. John Hussey (one of the Cemetary Trustees who put the article in) felt that the \$1000 paid to open and close an average of five burial sites per year should come back to the Town.

Article 4 passed.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$426,377.00 for the purpose of - General Town Operations. The Selectmen recommend this appropriation. (Majority vote required)

Executive	\$ 41,000.00
Election, Registration, Vital Statistics	3,500.00
Financial Administration	1,500.00
Legal Expense	2,000.00

Motion made by: Harry Stover Seconded by: Stephen Casey

Article 5 was amended by Norton Best to read: To see if the Town will vote to raise and appropriate the sum of \$438,145.00 for the purpose of General Town Operations with the provision that the amount for the Highway Department be \$176,764. Seconded by Mary Grenier.

Mr Best explained that the increase was the amount which the Federal Government granted because of Flood Damage and this addition to the appropriations allows us to spend this money, but it does not increase our taxes.

The motion to amend as worded passed and the amended Article 5 carried unanimously.

ARTICLE 6: To see if the Town will authorize the Selectmen to expend monies realized from timber sales in 1996, not to exceed \$20,000.00, to complete the Town Garage. The Selectmen recommend this article.

Motion made by: Phyllis Clark Seconded by: Fred Bard

The Selectmen explained briefly that the amount of \$80,000, voted upon last year was not sufficient. Also there were problems with the contractor who built the shell and he went bankrupt. A new contractor was hired who finished the shell and fixed up some structural problems from the previous contractor. The Selectmen were pleased with his work.

To complete the building, the electrical needs to be done, a bathroom completed, and heating installed. This would come to \$20,221.

After the warrent was completed the new contractor advised

certain additional costs which would add \$2,956 to the \$20,000. These additional items were: permantly sealing the concrete floor, putting a 4 ft high plywood lining on fireproof sheetrock on walls to protect the walls, and dry walling the offices. This would complete the building except for painting and would have it ready to use.

Phil Tirrell made a motion to amend Article 6 to read: To see if the Town will authorize the Selectmen to expend monies realized from timber sales in 1996, not to exceed \$22,956.00, to complete the Town Garage. This was seconded by Edna Chandler.

A lengthy discussion continued on the subject of money coming from timber sales.

The question was called by Fred Bard and seconded by Jonathan English. The motion to cease debate passed almost unanimously.

The motion to amend Article 6 was voted upon and passed unanimously.

The question was asked that if we were to raise this money by taxation, how much would our taxes go up? The selectmen answered, 50 cents per thousand dollars of evaluation. The next question was, if the timber sales didn't provide the amount needed what would happen? The following amendment to the amended Article 6 was proposed by Marc Hathaway and seconded by Mark Adams.

To raise and appropriate the sum of \$22,956 to complete the Town garage, provided, however, that any moneys received from Town timber sales shall be used to reimburse the general fund up to the sum of \$22,956.00 Any additional timber sales money would go to the Town Forest Trust Fund.

The motion to accept the amended amended motion passed almost unanimously.

Don Arsenault moved to cease debate. Edna Chandler seconded this.

The motion passed unanimously.

The amended amended Article 6 passed with one dissenting vote.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$3,333.00 to be added to the Police Cruiser Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

Motion made by: Carolyn Keeler Seconded by: Dan Morse

This would go towards a replacement vehicle. Dan Morse, Police chief, says he plans to have the present vehicle in good shape at

the end of 5 years so that he will have a good resale value on it.

Motion carried unanimously.

ARTICLE 8: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing radios for the Police Department and to raise and appropriate the sum of \$750.00 to be placed in this fund. (CIP Article) (Majority vote required) The Selectmen recommend this article.

Motion made by: Everett Thurber Seconded by: Earle Chandler

This would go towards one portable and one mobile radio.

Motion passed unanimously.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$250.00 to be added to the Emergency Management Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

Motion made by: Earle Chandler Seconded by: John Brown

Jim Richards responded to a question that he eventually wants a base radio with a hiband in one central place so that the highway, police, and fire departments can all be reached.

Motion passed unanimously.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to be added to the Town Office Renovation Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

Motion made by: Harry Stover Seconded by: John Fabrycky

Motion passed.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be added to the Town Hall Renovation Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

Motion made by: John Michaels Seconded by: Bill Rodeschin

In response to discussion Mark Adams informed us that this Town Hall is one of three of its kind in the United States.

Bill Rodeschin informed us that the building committee had three buildings in mind in there long term plans. The Town garage was first because of its liability to Town, then the Town Offices and the Town Hall.

John Fabrycky made a motion to amend Article 11 to read: To see if the Town will vote to raise and appropriate the sum of \$2,000 to be added to the Town Hall Renovation Capital Reserve Fund previously established and authorize the selectmen to withdraw \$9,800 from the capital reserve fund to repair the Bell tower roof and the bell tower. Fred Bard seconded the motion.

Motion to amend Article 11 passed and the amended Article passed.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to be added to the Transfer Station Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

Motion made by: Everett Thurber Seconded by: John Brown

Norton Best, Chairman of the Selectmen, told us that as of this point there is no plan. We are putting money in the Capital reserve fund until we know what is needed and we know what the law requires. Harry Stover added that this Article refers to moving the transfer station to its new location across the street.

Article 12 passed unanimously.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$9,000.00 to be added to the Landfill Closure Capital Reserve Fund previously established. (CIP Article) The Selectmen recommend this article.

Motion made by: Edna Chandler Seconded by: John Brown

Question was asked, Is there a deadline for having the dump closed. The answer was no. However, Mark Adams explained that the State has been happy as long as we have a plan, and setting money aside is part of this plan.

Article 13 passed unanimously.

ARTICLE 14: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a new cemetery and to raise and appropriate the sum of \$3,500.00 to be added to this fund. (Majority vote required) (CIP Article) The Selectmen recommend this article.

Motion made by: John Michaels Seconded by: John Brown

Barbara Richards says that the Cemetery committee foresees that the Town will need a new cemetery within 5 years.

Article 14 passed unanimously.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$2,500 to locate a suitable location for a new

cemetery. The Selectmen recommend this article.

Motion made by: Barbara Richards Seconded by: Earle Chandler

Barbara Richards again responded to a question as to what the money was to be used for. The answer was to care for the expenses to be incurred in locating a suitable site which would meet State regulations such as digging test pits or site work for suitability of land.

Article 15 carried.

ARTICLE 16: To see if the Town will vote to no longer accept any new perpetual care funds and establish that all cemetery lots will now be sold for \$250.00 in accordance with the following provisions. Cemetery lots will be sold to current and previous residents and their immediate families when the need arises. The monies from the sale of the lot will be placed in a general cemetery maintenance trust fund with the interest used to keep that lot in suitable preservation and the general maintenance of the cemetery.

Motion made by: Barbara Richards Seconded by: Jim Richards

Mr Hussey explained that this article will make it possible for the trust funds, not general taxation, to pay for the expenses of the cemetery. Other Towns in this area sell their lots.

Article 16 passed unanimously.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the purpose of compensation for the volunteer firemen, but not to exceed \$100.00 per fireman. The Selectmen recommend this article.

Motion made by: Don Arsenault Seconded by: Jim Morone

Article 17 passed unanimously.

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of \$699.00 to assist the Southwestern Community Services. The Selectmen recommend this article.

Motion made by: Edna Chandler Seconded by: Henry Frank

Article 18 passed by a show of hands.

ARTICLE 19: To see if the Town will vote to accept for the cemetery trust the sum of \$25.00 to be added to the Douglas Allen Trust Fund.

Motion made by: Barbara Richards Seconded by: John Brown

Article 19 passed unanimously.

ARTICLE 20: To see if the Town will vote to authorize the Selectmen to accept trusts without further action by the Town in accordance with RSA 31:19. This shall remain in effect until rescinded by a vote of the Town Meeting.

Motion made by: Harry Stover Seconded by: John Michaels

Article 20 passed.

ARTICLE 21: To see if the Town will vote to accept a monetary gift from the Silver Mountain 4-H Club in the amount of \$300.00 to be used solely for the replacement/repair of road signs, and to vote that any balance of said amount will be carried forward year to year until fully expended. The Selectmen recommend this article.

Motion made by: Madeleine Ferland Seconded by: Florence Michaels

Beth Clark explained that the Silver Mt 4-H Club was disbanding. They had raised money towards this project and wanted the money to be applied towards it.

Article 21 passed unanimously.

ARTICLE 22: To see if the Town will vote to allow the Lempster Historical Society to use the second floor of the Town Hall on Lempster Street, formally used by the Grange, now disbanded. Submitted by the Lempster Historical Society.

Motion made by: Phyllis Clark Seconded by: Beth Clark

Article 22 passed unanimously.

ARTICLE 23: To see if the Town will vote to authorize the Selectmen to allow a one percent (1%) discount on taxes if paid within ten (10) days of issue.

Motion made by: Fred Bard Seconded by: Madeleine Ferland

Article 23 passed unanimously.

ARTICLE 24: To transact any and all business that may legally come before said Town Meeting.

Norton Best asked to make a motion to see if the Town wants to log the lot which the Town owns that is in process of being swapped with Wright for the lot which goes around Duck Pond.

Seconded by Mark Adams.

Information from discussion:

1. The lot which Wright owns has been pretty well stripped.
2. The lot which the Town owns has valuable timber estimated

to be worth about \$10,000 - \$15,000. We jeopardize the swap by logging.

3. Wright's property is 40 acres and the Town's is 53 acres.

4. The Conservation Commission is interested in this land swap in order to extend the nature trail.

5. Phil Tirrell did not want us to lose the opportunity of swapping this piece of land which he felt would be a valuable asset to the Town for recreational purposes. He felt we had made mistakes in the past and lost other opportunities.

After additional debate a cease debate was called by Philip Keeler and seconded by Stephen Casey. The vote to cease debate was unanimous.

A hand vote was called. The result was yes-38 and no-61.

Everett Thurber brought to the Town's attention that the vote was a non-binding vote.

A motion to close the poles at 10:00 PM was made by Doris Adler and seconded by Marc Hathaway. Motion passed.

The Moderator thanked the Town again for their cooperation, saying that it was a pleasure to serve the Town.

Motion to adjourn was made by: Everett Thurber Seconded by: John Terrell at 9:50 P.M.

The Moderator closed the polls at 10:00 P.M.

Respectfully submitted,

Barbara Weir
Barbara Weir

NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION
MUNICIPAL SERVICES DIVISION
P. O. Box 1122
Concord, N. H. 03302-1122

May 28, 1996

Board of Selectmen
Town of Lempster
Post Office Box 33
East Lempster, NH, 03605

Dear Governing Body:

The Municipal Services Division is required by RSA 21-J:35 to review estimated revenues, voted appropriations and the manner in which appropriations are voted. During this review, we attempt to determine whether the voted appropriations comply with various RSAs.

I have reviewed the following documents and discovered the following problem:

Document: Minutes of the 1996 Town Meeting

Date of meeting: March 12, 1996

Warrant Article #: 11

Problem: Amendment at the meeting called for an expenditure from the Town Hall Renovation Capital Reserve Fund to repair the bell tower and the bell tower roof. The original article warned only to appropriate money to be put into the fund.

Related FSA(s): 39:2

Resolution of problem: The \$2000 appropriation to the fund, as warned, is allowed. The expenditure of \$9800 from the fund, which was not warned, is disallowed.

Suggestions for curing problem: A special town meeting could be called to appropriate from this capital reserve fund. Such a meeting would require a petition to superior court as an emergency request. The article could wait until next year's annual meeting. The simplest solution would be to call a special town meeting to appoint the selectmen as agents to expend from the fund. This would not require a petition to superior court because it does not address the expenditure of money directly. A majority of the selectmen could then vote to expend the funds for a purpose for which the fund was established.

This will not affect your tax rate.

Please provide a copy of this communication to your elected clerk so that it will complete your official records regarding the property tax rate set this year.

If you need further clarification or if I can help you construct a warrant article to cure the problem, please feel free to write or call me.

Sincerely yours,

Joan Girard
Municipal Auditor

AUDITORS REPORT 1996

As the appointed auditor for 1996 I have examined all of the financial transactions of the Town of Lempster for 1996. I am satisfied, as the result of this examination that the towns business and record keeping are in financial order and that all reasonable procedures are in place to meet State standards.

The Tax Collectors records, including all warrants, tax lien redemptions, yield taxes, current use changes, interest and penalties, were reviewed. The monies received by the Tax Collector were properly identified, transmitted to the Treasurer and deposited in the Town's bank account in a timely manner. Similarly, the Town's clerk's records were examined and all monies received from motor vehicle registration, marriage licenses, dog licenses, and other fees were properly recorded, transmitted to the Treasurer and deposited in the Town's bank account. It was further determined that all monies transmitted to the Treasurer were recorded and deposited in the Town's bank account. No discrepancies were noted in the Town Forest account. Monies appropriated by the Town meeting for individual warrants were dispensed as voted. The Treasurer's accounts were reconciled with the bank statements and they agree.

All of the Town's expenses were examined by check and invoices. All checks were signed by at least two selectmen and the treasurer. Proper invoices were available for all expenses requiring them. Not all hourly employee time sheets were signed by the employee as is required by the State and this should be remedied. Except for minor differences the Town expenses fell within the appropriated guide lines.

The Trustees of Trust accounts were examined and were found to agree with the appropriate bank accounts. Funds were transmitted to and dispensed from the Trusts in accordance with the various warrants approved by the Town meeting. It should be noted, with strong approval, that the longer term trust funds have been transferred from low interest paying savings accounts to the State operated NH Public Deposit Investment Trust which should provide substantially higher interest and dividends. It was also noted that financial operation of the Cemetery has been strengthened with the initiation and collection of fees for the sale of cemetery lots and expenses related to interment.

The library accounts were examined and agree with the bank statements. It should be noted that the Trustees of the Library have improved their management of funds to the point where the bank balance is kept at a reasonable level.

The Rescue Squad records were reviewed and they now have improved their record keeping with invoices available for expenses. Their records agree with the bank statements and all of the Town's appropriated funds are accounted for.

The Fire Department's records were similarly examined. Missing invoices for three checks were located and these expenses appear to be justified. The Town's appropriation of \$2000 for payment to Firefighters was cashed but not deposited in the Fire Department bank account and there is no record, as of Feb. 14, as to how this money was disbursed. Procedures have been recommended to the Selectmen and to the Fire Chief which should remedy this violation of procedure.

Overall I am impressed with the dedication of the Town's financial trustees and with the professional approach that has provided the Town with sound management practices.

Respectively submitted,

Don Allen

TOWN OF LEMPSTER CEMETERY REGULATIONS

The Town of Lempster provides a cemetery for current and former residents and property owners of the town and their immediate families. The lots in the current East Lempster Cemetery are 5'x10' and 2'x2' cremation lots in designated places. The full size lots in the planned new cemetery will be 4'x10'. The Selectmen will set the price for the sale of the lots. These are non-transferable, but may be sold back to the town for the original sale price. This price will only cover the care of the lot and not the markers or monuments.

All persons, vehicles and funerals within the cemeteries are subject to the control and order of the Cemetery Trustees.

Two working days notice must be given for the opening of lots for interments. Working days will be considered to be Monday-Friday (excluding holidays) from 8:00 AM to 5:00 PM. All fees will be set by the Selectmen and reviewed yearly with all changes taking effect on June 1.

There will be no openings for interments on Sundays or holidays.

Burials will be from May 1 through October 31. From November 1 to April 30 burials will depend on weather and ground conditions.

All full-body burials will be required to have an outside container of concrete construction or equivalent.

The cemetery grounds will be open during daylight hours only.

Only town employees or those authorized by the cemetery trustees will be allowed to do work in the cemetery. For on-perpetual care lots, request for care by families may require a charge for materials and labor.

No planting of trees, shrubs, or bushes will be permitted. Anything other than floral decorations or wreaths must be cleared through the Cemetery Trustees.

The Cemetery Trustees have the authority to remove all floral designs and items as soon as, in their judgement, they become unsightly, dangerous, detrimental, diseased, or they do not conform to the standards maintained by the Cemetery.

Designated cremation lots will be allowed flush markers only for identification.

Monuments must be installed by a professional company with placement approved by the Cemetery Trustees.

Before any installation or work is done in the cemetery, the Cemetery Trustees must be notified.

To protect and promote the best interest of the cemetery, the Cemetery Trustees are authorized to make temporary additional rules which may be needed from time to time to manage emergencies which are not covered by these Regulations.

Adopted by the Lempster Cemetery Trustees on August 20, 1996.

1996 PLANNING BOARD AND
CAPITAL IMPROVEMENTS PROGRAM

Through the November 11, 1996 Meeting

In July the Board approved the annexation of a portion of the Clifford property to the Gagnon property on Route 10, enlarging the Jolly Roger race track land. In September Robert and Carole Shaw divided their property bordering Route 10 and Murgatroy Road, creating an additional lot on Route 10. In October the Norman Pollard property on Lempster Street was divided, creating an additional lot on Lempster Street. Also in October conditional approval was given Ernest Contois on Allen Road to divide his lot into two lots. The plan was signed October 26th, when it was presented with the conditions fulfilled. In August a plan was presented to divide the Fournier property bordering 2nd NH Turnpike and Crescent Lake Road, but as of the November 11 meeting the proceedings were not sufficiently complete for an approval, and the Board had to deny the application.

In July the annual review for the Capital Improvements Program was begun. Several new projects have been presented, and the Board is coming well in their considerations. This should easily be completed by the end of the year.

As Chairman, I wish to express my appreciation to the rest of the Board, and to those I have served with both on and off the Board over the years that I have been a member.

Ralph Keeler, III
CHAIRMAN
November 11, 1996

November 11, 1996 to Years End

Ralph Keeler submitted his resignation to the Board at the November meeting. The Board accepted it with regret. R. Mark Adams was elected to the position of Chairman.

The Fournier subdivision proposal was resubmitted at the December meeting and is still under consideration at the close of the year. Only minor details of the Capital Improvements Program remain and will be completed at the January meeting.

In 1997 the Board will turn its attention to the updating of the Subdivision Regulations and the Master Plan.

I wish to express thanks to Ralph Keeler for his years of service to the town and wish him well in his new endeavors.

R. Mark Adams
CHAIRMAN

1996 HIGHWAY DEPARTMENT REPORT

This is my seventh year of managing the Highway Department for the Town of Lempster. Over the years it has been enjoyable, interesting and at times frustrating. Department equipment, roads and bridges have received many improvements. As always there still are areas in need of attention. If we can keep going forward, we will gain each year.

I feel the Town has been very supportive in the past few years. Along with making this position a three year term, some of the major improvements include the 1993 purchase of a truck with plow, sander and dump body. This is the first time the Town has purchased a complete highway department truck with all new equipment. Lempster voters approved updating the grader, a 1952 Austin/Weston to a 1976 John Deere (purchased at auction in 1993). This has been an excellent machine that has required only general maintenance and repair. In 1994 we exchanged our 1986 Caterpillar loader/backhoe for 1994 model with full warranty. In December of 1996 we purchased from Federal Surplus a 1985 Chevy 4x4 one ton pickup for department use. This replaces a 1976 Dodge that served us well in the past but has to retire. At this time the trucks and equipment as a fleet are in good shape. Purchases need to be made on schedule as planned to keep costs within a reasonable budget. The CIP program assists in making these recommendations.

One of the biggest investments the voters made in the Highway Department is when they approved the construction of the new Highway Garage. In April we were able to move from the former one room school house that had housed our department's trucks, equipment and office (since the early 1960's) to the newly constructed 60'x80' garage located at the town pit. This has been a good move. We now have the room to keep trucks and equipment under cover for storage as well as room for repairs and general maintenance projects going on between storms.

Other than some part-time help January through March of 1996 we have remained a two man crew. This is a great responsibility for two men, with over 40 miles of road to maintain, along with truck and equipment maintenance. The winter of 1996 saw record snow falls for this area. When there is a storm, the major through roads and school bus routes are done first. There has to be one road first and another road last. During the winter months we used 3,500 yards of winter sand and 100 tons of road salt to cut ice and snow back.

Department personnel have attended safety and road maintenance programs during the year. These programs are sponsored by the

Town's insurer, NH Municipal Association Workers' Compensation Funds and the University of New Hampshire. I have received enough credits from these classes to be classified as a Senior Road Scholar. A grant sponsored by the University of New Hampshire for work zone safety signs was applied for and received. To receive \$2,000.00 worth of safety signs the Town paid \$500.00 and sent Highway Department personnel to a one day class.

The yearly maintenance of cleaning ditches and improving drainage is ongoing. Over \$8,000 worth of culverts were replaced throughout the Town. State wetlands permits were applied for and received to do this work. Many culverts were replaced with bigger diameter ones to handle a larger volume of water. Blasting of rocks and ledge on Pitkin Road was done to improve drainage. Bridges in Town were cleaned and treated with linseed oil to prevent rotting.

Other projects included United Construction laying 600 ton of hot mix on Benway Hill Road. They also crushed 2,500 yards of gravel at the town pit. The crushed gravel along with 1,500 yards of screened gravel were used on different sections of town roads. To hold the gravel, preventing potholes and to control dust, 10 tons of calcium was used. The Highway Department stockpiled 3,000 yards of winter road sand (material from the pit). A salt storage shed was built at the town pit by the Highway Department to keep the material covered and prevent ground contamination.

With the assistance of NH Bitumous, we sealed four miles of road; Lempster Mt. Road, School Road and Crescent Lake Road. This helps prevent water from soaking into the cracks which would cause the road surface to break up.

In March we received \$11,764.00 in FEMA (Federal Emergency management Assistance) funds for damages received during the storms of October and November of 1995. These funds were used to repair damages done by heavy rains. Again in October 1996 I applied for and received \$4,028.00 from FEMA. To receive these funds it requires a considerable amount of paper work and meetings must take place with State and Federal officials. The Town of Lempster received a total of \$15,774.00 of FEMA funds in 1996.

Several local contractors/suppliers helped with projects and or allowed us to rent equipment. All have been excellent and helpful to work with. We could not have done the maintenance projects mentioned without their assistance.

Phillip Howard
ROAD AGENT

1996 FIRE DEPARTMENT REPORT

The Fire Department has had a very busy year. We responded to 13 house fires, 8 electrical emergencies, 7 motor vehicle accidents, 4 chimney fires, 3 car fires, 2 automatic fire alarm activation's, 2 brush fires, and 11 cover truck assignments. The total man hour commitment, responding to calls, was 663 hours. This man hour commitment responding to calls amounts to an average of 44 hours per firefighter. Firefighters also attended an average of 8 hours of continuing education a month. This training included apparatus familiarization, self contained breathing apparatus use, ladder practice, driver training, CPR, 911 mapping communications, engine and ladder company operations. In order to run the department efficiently, maintenance must be done to all vehicles and to the building. The members of the department do all the repairs and maintenance to vehicles and most of the needed repairs to the building. Two automatic door openers were added this year that we hired out. This maintenance amounts to 4 hours a month or an additional 48 hours a year. Items such as inspections of properties and permit issuance are the responsibility of the Fire Chief.

Four fire officers attended an arson investigation course taught at the University of Massachusetts, Amherst Campus. This course helped the fire department with fire investigations. It taught what to look for while responding to, operating at, and after the fire is extinguished. It has helped us to do a better job investigating fire losses.

The 911 mapping and numbering is nearly complete at the time of this writing. We believe that all houses will be issued a new locatable address number within the next few months. Anyone needing a number for a telephone installation should contact the town office or the fire chief. The process of mapping and numbering has been very long, but the results will lead to a quicker location of your property in cases of emergencies.

Smoke detectors in the home have proven to be early warning life saving devices. I encourage all people to make the small investment into a smoke detector. The 1996 State Fire Code requires all new construction to have smoke detectors on all floors and additionally in all bed rooms. These detectors must be hard wired 110V type detectors. Along with smoke detectors, we have a new alliance in the preservation of life, this is the Carbon Monoxide Detector. Carbon Monoxide is a colorless, odorless gas that the body absorbs faster than oxygen. This gas will kill you. Many people have installed these detectors in their homes and when they go off the fire department is called upon to respond to investigate the problem. We currently do not have a device to

accurately measure the parts per million (ppm) of carbon monoxide in your home. We cannot safely tell you that you have no problem if we are called to investigate an alarm going off. Our mutual aid dispatch center is receiving 40 to 50 requests per month for fire departments to respond to these alarm activations. I would ask that you support the purchase of this type of measuring device at town meeting.

The Lempster Fire Department is currently seeking men and women who are willing to give of themselves to protect the lives and property of your friends and neighbors. The fire service can be a very interesting and rewarding experience. There is always a place where someone can participate and make a difference. Many changes have taken place during my 26 years in the fire department, but the one thing that remains a constant is the members commitment to help the town. I would like to thank the officers for their additional work and dedication, all members for your hard work and dedication and the selectmen for their trust and support in my judgments. To the townspeople, it is your generosity, gratitude and continued support that allows us to continue to do a good job. Thank you.

Philip J. Tirrell, Sr.
FIRE CHIEF
LEMPSTER FIRE DEPARTMENT

1996 POLICE DEPARTMENT REPORT

The Newport Police Department (Lempster's dispatching service) recorded 516 CSR's (Complaint Service Reports) in 1996. The following is a breakdown of those reports:

Burglary	13	Domestic	9
Traffic Stops	96	Fraud	1
Suspicion	22	MV Complaints	15
Assist Other	18	Dog vs. Car	1
Disabled MV	3	Check Building	5
Suicide Attempt	1	Dog Chasing Deer	1
Alarm	20	Public Assist	9
Car Fire	1	B.O.L.	8
Deliver Message	3	Mental Person	1
Check Well Being	2	Intoxicated Subject	3
Animal Control	59	MV Towed	1
Theft	19	License Plate/Lost Found	5
Keep the Peace	5	Unwanted Subject	1
Child Abuse	2	Neighbor Dispute	3
Power Outage	1	Shots Fired	4
Wires Down	6	Assault	6
Pistol Permit	25	Illegal Dumping	4
Harassment	9	Item Found	2
Criminal Threat	2	Fight	1
Information	15	Loose Steer/Horse/Cow	5
Trespassing	5	Death	2
Officer Complaint	1	Bear	1
MV Accident	36	Noise Complaint	2
Motor Assist	3	Repossession	1
Criminal Mischief	16	Abandoned MV	1
Road Complaint	11	Cruelty to Animals	2
Vandalism	1	ATV Accident	1
911 Hangup	9	Missing Person	2
Paperwork Served	6	Arrest Warrant Served	3
Smoking Violation	1	Uncontrollable Child	4
Civil Dispute	1	Lost Hunter	1
Complaint About Hunters	1	OHRV Complaint	1
Transported Subject	1		

Of the 516 CSR's, 96 were generated by this department (i.e. motor vehicle stops) leaving 418 calls from the public. This is 97 more calls than we received in 1995. Of these 418 calls, the Lempster Police Department responded to 379 of them while the State Police had to answer 39.

LEMPSTER POLICE DEPARTMENT

ACTIVITY

PERSONNEL

I regretfully accepted Officer Marie Brown's resignation effective January 1, 1997. She hopes to have more time to spend with her family now, and I wish her well. As of this writing, I have yet to fill the position. The part time police officer's school begins in February, and if I don't have the position filled by then, I will probably wait until the fall to fill it. If you think you might be interested or you know someone who you think would make a good police officer, give me a call.

Officer Moore has successfully completed the part time police officer's school and is now certified as a part time police officer in the State of New Hampshire. In the short time he has been on the department, he has shown good instincts and has natural abilities. I am sure officer Moore's employment is for the long term.

BUDGET

With this years budget I am asking for a \$1,471.00 increase to help cover the anticipated increases in calls, an 11% increase in my salary granted to me by the Board of Selectmen, and for outfitting a new officer. The actual expenses are more than \$1,471.00, but I was able to make cuts elsewhere in the budget.

CLOSING

I would like to thank the townspeople and the Selectmen for the terrific support we have received throughout the year. It's this support that really makes the job worth while. I have office hours every Monday night from 6 PM until 9 PM (unless I get called out), and I welcome anyone who has questions or would just like to stop in and chat. It has been my pleasure once again to serve you.

Danny B. Morse
CHIEF

1996 RESCUE SQUAD REPORT

The Lempster Rescue responded to a total of 55 calls in 1996. They were:

Motor Vehicle Accidents	14
Assist the Fire Department	7
Cardiac	6
Difficulty Breathing	6
Falls	5
Deaths	3
Seizures	2
Broken Bones	2
Assist Police Department	2
Ill	2
Diabetic Emergency	1
Head Injury	1
Child Lost	1
Check the Welfare	1
Overdose	1
Laceration	1

This year 7 members recertified their Emergency Medical Technician status. It takes many hours of classroom and training to be an EMT. The families of our members are to be commended for their patience and understanding. Thank you one and all for your time and help this year. It takes a special person to do what you do. I appreciate what you have given to make this the best Rescue Squad in the area.

If you would like to join the Lempster Rescue Squad, please call me at 863-4694. Thank you.

Barbara Chadwick
DIRECTOR

1996 CONSERVATION COMMISSION REPORT

In 1996, the Commission continued its negotiations with the Wright Trust regarding the land swap. Election of new members to the Trust has necessitated some delays. It is hoped that 1997 will be the year in which this transfer will be consummated. Until such a time as we are sure that there are no impediments the funds received from the Wharton trust for surveying, planning board costs and new signs for the trails will be held in escrow.

The development of the Jolly Roger Park was monitored and at a meeting with the Wetlands Board found that this operation was in compliance with State Statutes.

In May, the Commission conducted its annual roadside clean-up program with concentration on Benway, Long Pond, Lovejoy, Mountain, Dodge Hollow and Keyes roads.

The Selectboard appointed Gilbert Pinkney, Emily Fairweather, and John Terrell to 3 year terms on the board. At an election Gilbert Pinkney was elected Chairman, John Terrell Secretary and Carol Stamatakis Treasurer.

Two young people were granted Conservation Scholarships to attend Barry Conservation Camp. Miss Julie Heath and Miss Emily Roberts reported back on what they described as an enjoyable and educational experience and expressed their gratitude to the Commission and the Town for being able to participate in this opportunity.

Various members attended regional and State meetings and workshops on regulations and interpretations of State regulations and educational information on matters for which the Commission has been instituted and charged.

Meetings were held with members of the Selectboard and Town Forester regarding the necessity of planning for repairs and restoration on the Duck Pond trails.

James Darrow
Roger Ferland
Milton Marsh
Carol Stamatakis
Emily Fairweather
Yorick Hurd
Gilbert Pinkney
John Terrell
CONSERVATION COMMISSION

1996 HISTORICAL SOCIETY REPORT

The Lempster Historical Society invites anyone interested in the history of the town, and in preserving historic artifacts, to attend our meetings and perhaps become a member. Dues are \$5.00 a year and meetings are at 7:00 PM on the 4th Wednesday of January and April at the Library and July and October at the Meeting House on Lempster Street.

The Society is in the process of setting up a museum on the 2nd floor of the Meeting House and donations of articles and/or time to help will be welcome and appreciated.

We work with the Old Home Day Committee, sponsoring an historic house tour and opening the museum to visitors. Old Home Day is held in August and all are welcome to attend.

Emily Fairweather
Member
HISTORICAL SOCIETY

1996 OLD HOME DAY REPORT

The 97th Old Home Day was held Saturday, August 10, 1996. The morning had two features. First a tour of the home of Phil and Rachel Tirrell that included a room displaying fire department interests. Second a 4H Country Clovers Club parade with Harold Whiting's oxen as one entry.

At noontime, Gilbert Pinkney and members of the Forest Lodge #96 of Marlow served nearly a hundred chicken barbeque dinners. Thanks.

The afternoon program featured music by Francis Wirkkala at the piano and songs led by Geraldine Rudenfeldt. They were fun. It was interesting to hear stories by Lempster students and teachers along with other historical antidotes. Emily Fairweather provided a historical display upstairs in the Old Silver Mountain Grange Hall and in the library which was one an academy. The building's future is now in doubt. The Historical Society suggests it now revert to its old name "Meeting House" because the town offices are now in East Lempster and the Silver Mountain Grange sadly gave up its charter in 1996. Mark Adams and Bill Rodeschin took videos at the meeting and promised to recommend what needs to be done to preserve the town's "Meeting House" this year. The Grange took over much of the old "Meeting House" in the last century and was responsible for much of its maintenance.

The free evening program was well attended. It was a joy to see the 4H Country Cloggers perform on stage. Emily Roberts and Julie Heath from Lempster were among others from nearby towns. After their performance, Foot Stetson introduced Jim Cooke as Daniel Webster in this solo performance "I Still Live". We learned again of his role in saving the Union before the Civil War. New Hampshire can be proud of its native son, Daniel Webster.

Old Home Day Sunday services were held at 9:15 AM in the East Lempster Community Church. it was well attended by many who came for the Saturday events. It was good to hear the music and worship together.

At 10:15 AM the Friends of the Library served many home made refreshments at the Miner Memorial Library's open house. Very good.

The 98th Lempster Old Home Day will be held August 9, 1997 unless there are reasons the committee decides otherwise. If you do not get a printed invitation mailed to you, and would like one, please contact members of the Lempster Historical Society, Foot Stetson, Emily Fairweather, Mr. & Mrs. Pinkney, Mr. & Mrs. Thurber or me.

Yorick G. Hurd
President
OLD HOME DAY COMMITTEE

1996 MINER MEMORIAL LIBRARY REPORT

This year saw the library receive some "sprucing up". The building was painted with oil base paint (the south wall will be done in the spring). Yorick Hurd built new window boxes, the folks from Jolly Farmer donated plants and John Terrell polished the brass plaque.

On the "inside", Emily Fairweather did her usual fine job of purchasing lots of good books from sources such as the 5 College Book Sale in April and various library sales. The Friends of the Library helped us to purchase several new videos.

Activities for this year included the Old Home day Open House on August 11 and the Church Fair/Library Book Sale on August 31.

Please note that while our budget appears to be somewhat larger than in the past, it actually reflects that we no longer have a reserve in our account.

Statistics for 1996:

Added 375 Volumes
Books Loaned - 2,337
Videos Loaned - 380

Respectfully,

Ellen Stetson
Edna Chandler
Deborah Stone
Nicholas Scalera
John Terrell
Yorick Hurd
TRUSTEES, MINER MEMORIAL LIBRARY

1996 BUILDING PERMIT REPORT

The following is a list of building permits granted in 1996:

<u>Property Owner</u>	<u>Location</u>	<u>Description</u>	<u>Est. Cost</u>
Welantz, Peter & Barbara	Hurd Road	Remodeling	\$ 15,000
Bailey, Edward	Olds Road	Mobile Home	
Santaw, Richard & Paula	2nd NH Turnpike	Deck	\$ 2,000
Dufresne, Larry	E. Unity Rd.	New Home	\$ 50,000
Kapchensky, Andrew	Hurd Rd.	New Home	\$ 50,000
McKone, William	Mountain Rd.	Utility Room	\$ 5,000
Currier, James & Shirley	Lempster St.	Utility Shed	\$ 500
Howard, Phillip & Annette	E. Unity Rd.	New Home	\$ 45,000
Gagnon, Marc	Rte. 10	Out Buildings	\$ 725
Royce, Walter	Pitkin Rd.	Garage	\$ 20,000
Bourgeois, Carole	Rte. 10	Remodeling	\$ 5,000
Rauscher, Alan	Cutler Rd.	Work Shop	\$ 7,500
Patterson, Walter Sr.	Unity Rd.	Garage	\$ 13,638
O'Grady Family Trust	Mountain Rd.	Shed	\$ 2,500
Fratus, William	Dodge Hollow Rd.	Shed & Entry Room	\$ 5,000
Kieffer, Mabel	Waldron Rd.	Addition	\$ 38,000
Skowfoe, Scott	2nd NH Turnpike	New Home	\$ 20,000
St. Laurent, Donna & George	Sand Pond Rd.	Mobile Home	\$ 10,000
Woolley, Alison	South Rd.	Mobile Home	None Given

Fulton, Jason	Rte. 10	Convenience Store
---------------	---------	-------------------

<u>Property Owner</u>	<u>Location</u>	<u>Description</u>	<u>Est. Cost</u>
Verdicchio, Thomas	Hurd Road	Garage	\$ 18,000
Jokinen, John & Carole	Keyes Hollow	Mobile Home	\$ 15,000
Straeter, Eckhard	Allen Rd.	Addition	\$ 25,000
Hodges, Richard & Joyce	Mountain Rd.	New Home	\$ 35,000
Follansbee, Bernard	2nd NH Turnpike	New Home	\$ 10,000
Contois, Scott	Allen Rd.	New Home	\$ 55,000
LaCasse, Andy & Caron	Rte. 10	Wood Shop	\$ 1,500
TOTAL ESTIMATED COST OF CONSTRUCTION			\$449,100

In September 1996 the State of New Hampshire adopted new fire codes which superseded all previous codes. There are several sections of the newly adopted codes that were added to assist towns that have no codes in place, such as Lempster. The acceptance of the BOCA building code as part of the state code allows the town to require multi family and commercial buildings to meet not only fire code standards, but structural standards as well. One of the more important sections allow all these codes to be applied to newly constructed, reconstructed or modified structures. All Fire Chiefs in the state are authorized to enforce the provisions of these codes pursuant to RSA 154:2, II. On January 22, 1997, the Board of Selectmen appointed Philip Tirrell as Building Inspector. The Board appreciates Mr. Tirrell's willingness to take over this position and are sure that he will be more than happy to cooperate with anyone who wishes to build/remodel or reconstruct in the Town of Lempster. Building permit applications can be obtained at the Town Office, Monday through Friday, 9 AM to 12 Noon, or by calling the office at 863-3213.

Mary E. Grenier, Chairman
Harrison E. Stover
Frederic W. Bard
BOARD OF SELECTMEN

Lake Sunapee Home
Care and Hospice

Lake Sunapee Community
Health Services

Services provided to people in Lempster

Home health care helps patients return to their optimal level of health

Visits made	313
Patients served	18

Flu & other immunizations

Patients served	23
-----------------	----

Well child clinic and parent child program

Children served	14
-----------------	----

In late 1996, Lake Sunapee Region Visiting Nurse Association finalized a strategic pathway to the future — we joined an integrated health care delivery system, Capital Region Health Care Corporation in Concord, NH. We created this pathway by affiliating with the New London Hospital Association. The future development of our new partnership and our inovative, high quality programs will support the VNAs mission to improve the health of the community and provide quality, cost-effective care to individuals and families in community settings.

Six VNA employees; one VNA Trustee, John A. Fabrycky and many volunteers live in Lempster. We depend heavily on the selfless support of volunteers and employees who contribute hours to the success of our programs. For them and our Trustees, we are grateful.

Respectfully submitted,

Cheryl Blik
President and CEO

Joint Commission
on Accreditation of Healthcare Organizations

Director of Special Services	Dr. Kenneth DeVoid
Office Personnel	Marlene Chamberlain
	Beth Laramie
	Deborah Mann
	Joyce Merrow
	Krystyna Samiec
	Lynn Oakes

**SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Goshen-Lempster Cooperative School District, in the towns of Goshen and Lempster, in the county of Sullivan, in the State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School Gymnasium in Lempster, on the 8th day of March, 1997, at seven o'clock P.M. to act upon the articles set forth in the Warrant. Articles 1,2,3 and 4 of the Warrant covering the election of Moderator, Member of the School Board from Goshen and a member from Lempster, and Auditor will be acted upon at three o'clock P.M., and voting will be by official ballot and checklist. The polls will remain open for this purpose from three o'clock P.M. until at least seven-thirty o'clock P.M.

ARTICLE 1.

To choose a Moderator for the ensuing year.

ARTICLE 2.

To choose a member of the school board from Goshen for the ensuing five years.

ARTICLE 3.

To choose a member of the school board from Lempster for the ensuing two years.

ARTICLE 4.

To choose an auditor for the ensuing year.

ARTICLE 5.

To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

ARTICLE 6.

To see if the district will vote to raise and appropriate the sum of **TWO MILLION SIX THOUSAND ONE HUNDRED THIRTY NINE DOLLARS (\$2,006,139)** as recommended by the school board, for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at **FOUR HUNDRED TWENTY FOUR THOUSAND FIVE HUNDRED FIFTY DOLLARS (\$424,550)**. (The School Board recommends this appropriation.)

ARTICLE 7.

To see if the school district will vote to raise and appropriate the sum of **TEN THOUSAND FIVE HUNDRED DOLLARS (\$10,500)** in support of Phase II of the school district's three year technology plan. This includes:

- Facilitator - 1/2 day per week - (\$3,000.00).
50 half days per year @ 4 hours @ \$15.00/hr.
- Staff Training (\$500.00).
- Hardware - administrative (\$2,500.00). Includes business software.
- TV/VCR (\$500.00).
- Internet Yearly Fee (\$300.00).
- Upper Elementary Instructional Keyboarding Program (\$3,700.00).
(The School Board recommends this appropriation.)

ARTICLE 8.

To see if the School District will establish a Capital Reserve Fund under the provisions of RSA 35:1-b to meet the expenses of educationally disabled children and raise and appropriate up to **TEN THOUSAND DOLLARS (\$10,000)** to be placed in this Fund, with such amount to be funded from the June 30, 1997 undesignated fund balance (surplus). (The School Board recommends this appropriation.) (Majority vote required.)

Note: If the surplus at the end of the year is less than **TEN THOUSAND DOLLARS (\$10,000)**, then only such lesser amount will be placed in this Capital Reserve Fund.

ARTICLE 9.

To see if the District will authorize the School Board to apply for, accept and expend, without further action of the School District Meeting, money from any source which becomes available during the fiscal year, as outlined under RSA 198:20-b, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the School Board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other School District funds.

ARTICLE 10.

To transact any other business that may legally come before this meeting.

Given under our hands this Tenth day of February 1997.

Doris Adler
Paul Barrett
Arthur Jillette
David Keeler

*Goshen-Leapster
Cooperative School Board*

GOSHEN-LEMPSTER COOPERATIVE SCHOOL DISTRICT
MINUTES OF THE ANNUAL MEETING
OF THE GOSHEN-LEMPSTER SCHOOL DISTRICT

March 9, 1996

ON A MOTION BY VIOLA WRIGHT AND A SECOND BY HARRY STOVER THE POLLS WERE OPENED AT 3:00 P.M. FOR THE PURPOSE OF VOTING ON ARTICLES 1, 2, AND 3.

The business meeting was recessed until 7:00 p.m. by Moderator John Williams. The meeting was called to order at 7:00 p.m. by the moderator. Board members Don Arsenault, Paul Barrett, Doris Adler, Arthur Jillette and Arne Nilsen were present along with Superintendent Liz Durocher and Business Administrator Alan Doherty.

ARTICLE 1.

To choose a moderator for the ensuing year.

John Williams was elected moderator for a one year term by 152 votes.

ARTICLE 2.

To choose a member of the school board from Goshen for the ensuing five years.

Paul Barrett was elected for a two year term with 66 votes. Other votes cast were Arne Nilsen 59 votes, E. LeClair 1, K. Onella 1, E. Dennis 1, J. Scranton 1, and J. Terrell 1.

ARTICLE 3.

To choose a member of the school board from Lempster for the ensuing five years.

David Keeler was elected for the five year term with 90 votes. Other votes cast were for John Terrell 81 votes.

ARTICLE 4.

To choose an auditor for the ensuing year

Fred Baird was elected for the ensuing year with 67 votes. Other votes cast were Don Allen 2, Darral Keeler 1, Barbara Chadwick 1, Fred Bass 1, John Williams 1, Arne Nilsen 1, D. Bevilacqua 1, J. Terrell 1, F. Smith 1, D. Allen 3, M. Hathaway 1, K. Onella 1.

ARTICLE 5.

To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

Motion made by Dan Petterson, seconded by Rudolph Adler. Article five passed unanimously with a voice vote and no comments.

ARTICLE 6.

To see if the district will vote to determine and fix the salaries of the school district officers as follows: school board members \$250.00 per member per year; school board chairman \$300.00 per year; school district moderator \$50.00 per meeting; school district clerk \$350.00 per year; and school district treasurer \$425.00 per year. (The school board recommends this article.)

Motion made by Ralph Keeler and seconded by Randy Bell. After some comments were made in favor of this article it was passed unanimously by a voice vote.

ARTICLE 7.

To see if the school district will vote to raise and appropriate the sum of TWO MILLION SEVENTY NINE THOUSAND SEVENTY SIX DOLLARS (2,079,076) as recommended by the school board, for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at THREE HUNDRED TWENTY FOUR THOUSAND SIX HUNDRED FIFTY SEVEN DOLLARS (\$324,657.00). (The school board recommends this article.)

Motion was made by Doris Adler, seconded by Florence Michaels. Doris Adler explained some of the particulars of the article including the increase in the budget, and State funding requirements. Doris Adler also described the need for a Guidance Counselor, and because there will be thirty-three first graders in September a half time teacher will be added. Doris congratulated the board for working to keep the costs down. Many of our students are on the Honor Roll when they are in high school.

Comments were made on the difference in assessed valuation in Goshen and Lempster. After a review of Article 7 by moderator, John Williams, the article was passed with a voice vote.

ARTICLE 8.

To see if the district will authorize the school board to study the feasibility of withdrawing from SAU 43 and to take the necessary action to reorganize into a new SAU. (The school board recommends this article.)

Motion was made by Don Arsenault and seconded by Steve Casey. Don Arsenault explained the study made over the past year. He stated that the SAU board meetings were not productive or functional and the school board recommends the split. Don made mentions of House Bill 1610 and recommended we vote for it. In a new SAU we would have less administrative costs and in the event of a split we would receive our share of equipment, etc. Our students could still go to any of the high schools.

Doris Adler recommended taking a paper ballot. Motion was made by Michael Sklar and seconded by Lori Wilcox. All were in favor of a paper ballot.

A "YES - NO" vote was taken with 128 in favor and 7 who voted "no".

ARTICLE 9.

To see if the district will vote to raise and appropriate the sum of SEVENTEEN THOUSAND EIGHT HUNDRED NINETY NINE DOLLARS (\$17,899.00) as a deficit appropriation to the 1995-96 budget to cover increases in the cost of special education and tuition costs and instruct the clerk to issue a certificate therefore to the Selectmen of the towns of Goshen and Lempster. (The School Board recommends this appropriation.)

Motion was made by Arthur Jillette and seconded by Arne Nilsen. After reconsideration on this article it was withdrawn from the agenda. The motion was passed unanimously with a voice vote.

ARTICLE 10.

To see if the school district will vote to raise and appropriate the sum of FIVE HUNDRED DOLLARS (\$500.00) to be added to the Goshen-Lempster School District Capital Reserve Fund previously established. (the School Board recommends this appropriation.)

A motion was made by Earle Chandler and seconded by Pnyllis Baker on this article. Doris Adler explained the money was to replace some of the money used for work on the

boiler. This article was passed unanimously with a voice vote.

ARTICLE 11.

To see if the district will vote to raise and appropriate the sum of ELEVEN THOUSAND DOLLARS (\$11,000.00) to install an auxiliary power system (generator). (The School Board recommends this appropriation.)

A motion was made by Phillip Keeler and seconded by Ralph Keeler to appropriate the sum of FIVE THOUSAND FIVE HUNDRED DOLLARS (\$5, 500.00). Phillip Keeler stated he has investigated costs and we would be able to put the generator into use at lower cost using a used switch with a ninety day warranty. Paul Barrett explained the need for a generator. The vote for an appropriation of FIVE THOUSAND FIVE HUNDRED DOLLARS (\$5,500.00) was passed unanimously with a voice vote.

ARTICLE 12.

To transact any other business that may legally come before this meeting.

There was some discussion on the water system operation. Water safety was discussed.

Don Arsenault thanked the administrators and superintendent for help in preparing the budget.

Don Arsenault thanked Paul Barrett for serving on the school board for the past five years.

He thanked the PTC for all the support they give the school with programs and the playground equipment, etc.

Ruth LeClair and her staff were thanked for the dinner they put on tonight.

A multi-year negotiation for teachers contracts may be more productive. Comments were asked for. None received.

Liz Durocher was thanked for her three years of service as Superintendent of Schools, and the School Board was thanked for their work. John Williams, moderator, made a point of saying more citizens should be at the meeting.

ON A MOTION BY DORIS ADLER AND SECONDED BY MICHAEL SHKLAR THE MEETING WAS ADJOURNED AT 8:40 PM.

The polls were closed 10 minutes later.

Respectfully submitted,

Ethel Nilsen
School District Clerk

PRINCIPAL'S REPORT

1996

It is the vision of the Goshen-Lempster Cooperative School District to work with the community to enable students to become life-long learners and contributing members of society by providing social, intellectual, and physical experiences which develop leadership and problem solving skills essential in an ever changing environment.

This vision statement was crafted by the Goshen-Lempster District Educational Improvement Team as the foundation for the development of an educational improvement plan. The team, which was initially led by former School Board Chair Donald Arsenault, is presently comprised of Mr. John Bonfiglio, Ms. Ruth LeClair, Ms. Sandra Lord, Ms. Carolyn Fellows, Ms. Barbara Richards, and Dr. Lilyan Wright; it is currently engaged in evaluating the school's technology, following the school's curriculum alignment with the New Hampshire frameworks, and determining the success of Goshen-Lempster graduates in high school. The plan has established a Technology Team (Ms. Sharon Parsons, Ms. Dayle Wells and Mr. John Bonfiglio) which created a three year technology plan. It also established a Community Relations Team whose members are Mr. John Bonfiglio, Ms. Judy Brenner, Mr. Yorick Hurd, Ms. Nancy Rickard, Ms. Jane Skeie, and Mr. John Terrell. The Community Relations Team is currently working with the P.T.C. in the development of an After School Program for the children of the community. The efforts, the contributions, and the unselfish dedication of time of the members of these teams have been key to success of the development and the implementation of the educational improvement plan.

The Goshen-Lempster Parent-Teachers' Club (P.T.C.), under the leadership of President Judy Brenner, has had an incredible year in terms of activities to provide funds for student projects, organizing educational and parenting presentations for citizens, and developing projects for the betterment of the school. One project is the formation of an After School Program, operated by the Visiting Nurses Association, which will enable parents to have their children remain at school until they return home from work. The P.T.C., with the Community Relations Team, is exploring ways to offer enrichment programs to students participating in the After School Program. Another P.T.C. project is the construction of a School-Community Athletic Court at the school. The development of the court is dependent upon contributions to the project in the form of shares (one hundred dollar donations). Each shareholder's name will be displayed at the site of the court. Some of the people who have been instrumental in the various P.T.C projects are: Ms. Kim Gaddes, Ms. Jane Heath, Ms. Jane Skeie, Ms. Terry Smith, Ms. Marrienne Dennis, Ms. Janet Gibson, Ms. Debra Dustin, Ms. Gayle Fleming, Ms. Ginny Johnson, and Ms. Becky Luppold.

School staff and community members are constantly involved in the development of student activities in an effort to enhance the school experience for the children of the community. There are many activities and events which shape a school year. To mention them all within this report is not possible; some of the occurrences of the past year were:

JANUARY

The third year of the Winter Activity Program offered four days of activities: downhill skiing, roller skating, tennis, swimming, bowling, cooking, crafts, volleyball and basketball. The planning committee for the program consisted of Ms. Sharon Parsons (Chair Person), Ms. Kim Gaddes, Ms. Annette Howard, Ms. Sandra Lord, Ms. Nancy Rickard, Ms. Dayle Wells, and Ms. Helen Hodgeman.

Ms. Sharon Parsons developed and implemented a computer education class for eighth grade students.

A Personal Safety and Awareness Program was conducted with eighth grade students. The program, sponsored by a school grant and facilitated by Counselor Kerry Hague of Women's Supportive Services, is designed to prepare students for responsible decision making.

FEBRUARY

An intramural basketball program was organized for students by coaches Philip Tirrell and Barbara Chadwick. Many hours were spent practicing after school and playing in competition.

On the day prior to the Primary Election, students listened to the various "candidates" speak on the issues. Organized by Ms. Brewer and Mr. Purmort, the Eighth Grade students studied and portrayed the candidates. Then each student registered to vote, and, on election day, each student voted for the candidates of their choice.

Students were honored at a mid-year awards assembly. Honors were bestowed for scholastic achievement, athletic involvement, attendance, citizenship, and school service. A special presentation was made to Ms. Parsons for her outstanding organization of the Winter Activity Program.

MARCH

Three Goshen-Lempster School teams attended the New Hampshire Odyssey of the Mind competition in Keene. The Primary Team (Leonard Brown, Rachel Shklar, and Benny and Justin Lamontagne), coached by Ms. Peggy Brown, worked on the problem Better Safe than Sorry. The Division 1 Team (Ashley Decoteau, Kevin Dennis, Julie Heath, Mathias and Josiah Downey, and Jason and Jessie Gagnon), coached by Mr. and Mrs. Downey, worked on the problem entitled Crunch. The Division 2 Team (Dustin Beaudry, Jason Bosma, John Brow, Nellie Edes, and Desiree Wright), coached by Ms. LeClair, took third place for their solution of Amusin' Cruisin.

A District Technology Team was formed to articulate a three year technology plan for the school. Ms. Parsons, Ms. Wells, Superintendent Durocher, and Mr. Bonfiglio presented the plan to the School Board. The plan developed in three phases, including such features as school wide networking, access to the Internet, a course in Keyboarding for eighth grade students, equipment upgrades, and training for the staff.

International Four-H Youth Exchange delegate Josef Carlson spoke to the entire student body about his experiences while living with his host family in Estonia.

APRIL

As part of the recently developed Technology Plan, during the fourth quarter, the Eighth Grade students traveled daily to the Sugar River Technical center in Newport for a computer keyboarding class. The class is a requirement for students to participate in freshman level computer classes.

International Four-H Youth Exchange student Jessica Stebins gave a slide presentation of her six months as a delegate in Greece.

MAY

As part of the Lawyer in Every School program, attorneys Michael Shklar and Marc Hathaway spent an entire day at the school making classroom presentations on the function of our legal system.

Fire Chief Phillip Tirrell, Lempster Fire Department, and Deputy Fire Chief Ernie Dennis, Goshen Fire Department, presented personalized story books (School is Fun) to each first grade student. The books were purchased by the Lempster Fire and Rescue Department.

JUNE

The Eighth Grade Class made a class trip to Lake George, New York. The trip was educational and recreational with historical tours, white water rafting, and other activities. The students' parents spent a great deal of time organizing the trip, and the students did many fund raising activities. Some of the parents involved were Mr. and Mrs. O'Clair, Mr. Donald Arsenault, Ms. Chris Smith, Mr. and Mrs. MacIntyre, Mr. Michael Koscielniak, Ms. Lannie Simineau, and Ms. Susan Scalera.

An end of the year Awards Assembly was held to honor school volunteers and students. Ms. Judy Brenner, P.T.C. President, presented awards to volunteers. Ms. LeClair, Ms. Downey, and Ms. Brown awarded students who had participated in the Odyssey of the Mind program. Ms. Tirrell, who was retiring as Food Service Director, presented service awards to students for their work in the kitchen.

On the evening of June 13, parents and guests were welcomed to the Eighth Grade Graduation exercises by the Class Salutatorian Shannon Smith. The class history was delivered by Third Honors Graduate Kathleen Arsenault, and the farewell address was made by Co-Valedictorians Stacy Koscielniak and Danielle Montgomery. Awards were presented by Mr. Davidson and Mr. Bonfiglio, and Dr. Lilyan Wright addressed the graduating students. School Board Chair Donald Arsenault issued diplomas. Following the ceremony, a reception, sponsored by the P.T.C., was held for the graduates.

SEPTEMBER

The new school year opened with an assembly to welcome students and staff back to school; the theme for the new year was "Start Right Now - Believe You Can Learn".

There were several new faces among the staff. Ms. Jodie Byers, Ms. Brenda Davis, and Ms. Caren Duford joined us as special education teaching assistants. Ms. Nancy Tomasko became a part-time teacher of grade three, releasing Ms. Maxfield for her new duties as Guidance Counselor. Ms. Peggy Brown, and her assistant Ms. Michelle Weber, succeeded Ms. Rachel Tirrell, and her assistant Ms. Henrietta Hodgman, in the Food Service program. Both Ms. Tirrell and Ms. Hodgman were an integral part of the school for many years; they are missed by staff and students.

Ms. Mary Maxfield became the first Goshen-Lempster School Guidance Counselor. Two-fifths of her day is devoted to guidance classes which focus on refusal skills and assertiveness training; each classroom receives four weeks of training sessions. Other guidance duties involve assisting students who at risk of scholastic failure and facilitating the transition to high school for eighth grade students.

The inception of an Elementary School Guidance Program, along with some creative methods for incorporating a Reading Specialist and a Media Generalist, resulted in the Goshen-Lempster Cooperative School receiving the State Department of Education's status of PUBLIC SCHOOL APPROVAL WITH DISTINCTION.

In the first of a series of P.T.C. presentations, parents were treated to an evening with Jim Grant, the nationally renowned Executive Director of the Society for Developmental Education. The presentation focused on the educational benefits of the multi-age classroom.

OCTOBER

On the evening of October 10, an Open House was held for parents and community members. Visitors discussed school programs with staff members and viewed various student projects and school work. The attendance was outstanding; Ms. Rickard's classroom had one hundred percent of its students represented by their parents.

A Special School District Meeting was held to determine the support of the community for the Goshen-Lempster School District to form its own School Administrative Unit. The community endorsed the plan, and, as of July 1, 1997, this district will be School Administrative Unit #71.

NOVEMBER

The seventh annual Holiday Crafts Fair took place on Sunday, November 24. The fair was very active with displays of crafts by students and professionals; many fun activities for guests; a variety of foods; and even a visit from Mr. and Mrs. Santa Clause. The fun filled day of holiday spirit was the end product of many hours of planning and incredible efforts of our Parent-Teachers Club.

DECEMBER

Three eighth grade students were named by the Reprisal Chapter of the Daughters of the American Revolution as place winners in the annual essay contest:

- First Place.....Nellie Edes
- Second Place.....Patrick Filkins
- Third Place.....Nicole Smith

Two one-act comedies were presented to an audience of parents and guests on the evenings of December 18 and 19. The plays, Nobody Sleeps and That Was No Lady, That Was a Private Eye (directed by Ms. Foose and Ms. LeClair), involved many students as actors and backstage production staff. Volunteers who assisted with stage construction were Ms. Donna Newton, Mr. Ted LeClair, Mr. Ken Roberts, and Mr. Ian LeClair. During the intermission between the plays on December 19, Ms. Peterson conducted a student chorus, singing holiday selections for the audience.

Change remains an ever constant and influencing factor in the operation of the Goshen-Lempster Cooperative School. The dedication of a hard working school staff, the generous time commitment of many community volunteers, the quality administrative services of S.A.U.# 43, and the unerring guidance of your School Board have all contributed to a school system that the state of New Hampshire considers as "approved with distinction". The challenge that now faces the new School Administrative Unit # 71 is to follow through with the District Educational Improvement Plan and to adhere to the vision of the Goshen-Lempster Cooperative School District.

Respectfully submitted,
John Bonfiglio

SUPERINTENDENT'S REPORT

To the citizens of the Goshen-Lempster Cooperative School District:

It is altogether appropriate at this time of year to reflect upon that which has occurred in the school district that is noteworthy in order to ensure the citizenry that its support of its school is warranted. With this in mind, the following illustrations are offered:

- A long-standing issue related to the quality of the water at the Goshen-Lempster Cooperative School was finally brought to closure which meant state standards were properly addressed.
- A collective bargaining agreement was generated that featured additional work days so that greater focus could be placed upon curriculum and instructional efforts that improve student achievement.
- Execution of the District Educational Improvement Plan was carried forward, thereby serving as the vehicle for continuous improvements in educational programming in the school district.
- A successful introduction of a guidance program occurred at the Goshen-Lempster Cooperative School which provided heretofore unavailable services to the student body.
- Withdrawal from School Administrative Unit #43 was ultimately achieved with voter approval at a Special Meeting on October 29, 1996 and subsequent confirmation and certification of the State Board of Education in December of 1996.

As the Goshen-Lempster School District becomes School Administrative Unit #71 on July 1, 1997, a new chapter in the history of the school district will unfold. Given that many positive happenings have occurred over the years, it is very likely that this will continue.

It is our sincerest wish that this will be so.

Respectfully submitted,

Dr. William J. Gauthier, Jr.
Superintendent of Schools

SPECIAL EDUCATION REPORT

To the Citizens of Lempster:

As the new Director of Special Education for SAU #43, I am very pleased to be back in town. Knowing the commitment of each district to quality education for all students, made my decision easy, and I wish to thank the selection committee for giving me the opportunity to serve the SAU and to continue with the dedication to programs and services for students with disabilities.

Currently, there are 305 students who are "coded" as educationally-handicapped: Newport - 173, Sunapee - 81, Goshen/Lempster - 40, and Croydon- 11. At any given time, there are approximately 10 students in out-of-district placements. This occurs when there is no local program to meet a particular student's needs. Often, the placement is made by the local district court when a youngster has run into legal difficulties in the community. The majority of our out-of-district placements are court ordered.

During this school year, I am assisting individual districts within SAU #43 to complete the process to begin billing *Medicaid* for those services which for which they can receive partial reimbursement. These services include *physical therapy, occupational therapy, speech therapy, personal attendants, some pre-school programs, special transportation, and the purchase of adaptive equipment*. The services must be part of a student's Individual Education Plan (IEP) and the student must be a registered Medicaid recipient. This will not have an impact on a family's Medicaid benefits or services and will be an important new source of revenue for our districts.

It may help to understand the obligations to students with disabilities if the following is reviewed. It is "The Education for All Handicapped Children Act" (P.L. 94-142) that guarantees the following:

- A free, appropriate public education must be provided for all children, without cost to their parents and regardless of severity or type of disability. No child may be excluded from school because of their perceived educability.
- Protective, due process rights must be ensured for all children with disabilities and their parents to ensure free, fair, and unbiased assessment, placement, and programming for students with special needs.
- Education in the least restrictive environment must be provided; that is, to the maximum extent possible "students with disabilities must be educated with children who are not handicapped."
- Individualized educational programming, in the form of an individualized education plan (IEP), must be developed for each student receiving services under P.L. 94-142. IEPs must be developed by a committee composed of at least the child's teacher, the parents, a representative of the local school district, and, when appropriate, the student.
- Parental involvement is required for all decisions regarding the programming for students with special needs. Parents are to be involved in decisions unless they specifically waive the right to do so.

The "Child Find" provision of the law also requires that the local districts actively reach out and identify potentially handicapped students. If you have questions or think a referral would be appropriate, you may contact me at the SAU office, 863-3540. Another resource that is "*Under Construction*" is the SAU #43 website at: <http://www.sugar-river.net/~nmhs/sped> please visit.

Respectfully submitted,

Kenneth E. DeVoid, Jr., Ed.D.
Director of Special Education
