REPORT OF SELECTMEN

For your Selectmen, the year of 1968 was the Year of the Adding Machine. State law and new State tax reporting forms made it necessary to re-assess and list separately every parcel of land in the Town, every building and then to express all assessment, at 100% of estimated true market value. A time-consuming and difficult job, made bearable by the generally approving comments of the tax-payers. New assessment formulas were developed: so much for back-land per acre, so much for shore fronts, so much for buildings, so much for building lots. From these figures, total valuations made it possible to pay our Warrant-approved bills at a tax rate of \$2.40 per \$100. valuation. In the resulting tax bills, two-thirds turned out to be lower and one-third higher than in the preceding year. Most changes were moderate. There were exceptions. But heartening was the fact that tax-delinquency was very low on December 1.

Dismayed by the failure of Article 19 of last March's Warrant to gain a two-thirds majority (authorization to borrow \$15,000. for a new fire engine), the Town faced the threat of having no volunteer fire department. On petition of 10 qualified voters, your Selectmen sought Court permission for a special emergency meeting to consider the matter. With Court approval, such a meeting was held on July 6 and the Article passed with well more than the necessary two-thirds majority. We refer you to the report of the Volunteer Fire Department for details of the new engine now being built for the Town.

Each year our Annual Reports are so full of a number of things that we suspect that not every tax-payer does a cover-

to-cover job of reading them. But we urge you to read the Officers' reports and join us in thanking them for a year of hard, honest work, doing what the Warrant has called for, doing it well, doing it within the voted budget and meticulously reporting every penny spent.

Respectfully submitted,

ARNOLD G. MINER

NELSON TOWN WARRANT

NOTE: As was the case last year, Articles in the Warrant are grouped by subject. Article 1 is included on petition of 10 qualified voters, following action at the Town Caucus on January 4, 1969.

TO THE INHABITANTS of the Town of Nelson in the County of Cheshire, State of New Hampshire, qualified to vote in Town affairs:

YOU ARE HEREBY NOTIFIED to meet at the Town Hall in said Nelson on Tuesday, the 12th day of March next, at 7:00 of the clock in the afternoon, to act upon the following Articles:

ARTICLES OF A GENERAL NATURE

1. To see if the Town will authorize the Selectmen to appoint a person or persons to perform the duties prescribed for Road Agents. Such appointee(s) shall be directly responsible to the Selectmen, and they shall direct his work as well as control his expenditures within the Articles of this Warrant.

NOTE: State law permits Towns to decide between the election or appointment of a road agent. **Reference:** New Hampshire Revised Statutes 245:6 et seq. Under the law, at the Annual Meeting, each Town shall elect by ballot, or by major vote authorize the Selectmen to appoint one or more highway agents who, under the direction of the Selectmen, shall carry out the prescribed duties of an elected agent. A vote authorizing such appointment continues in effect until changed by major vote at an Annual or Special Town Meeting.

6. To see if the Town will vote to accept \$50.00 as a trust fund from Yoshio Takio, and \$100.00 as a trust fund from Robert Forney. The interest therefrom to be used for perpetual care of their lots in the cemetery.

7. To see if the Town will vote to accept any one of three alternate plans, submitted for the repair or replacement of the Town barn and will vote to raise the sum of money called for in the appropriate estimate.

NOTE: The above article was inserted in the Warrant after the 1969 Budget was completed. Any sum voted will therefore adjust the Budget upward in that amount. To pass, the Article requires a favorable 2/3 majority of persons present and voting.

CIVIL DEFENSE DIRECTOR'S REPORT

The program and progress reports were again updated and filed with the State Civil Defense Agency in Concord.

The final summaries for the Home Fallout Protection Survey, furnished by the Bureau of Census, show the survey results in Nelson as follows:

Protection Factor (Best Corner)	Number of Dwellings	Number of Occupants
10-20	2	6
20-39	68	199
40 plus	0	0

The Selectmen have given their approval for Nelson's inclusion in the formulation of a Community Shelter Plan for Cheshire County. This is a State level activity, and involves no costs for Nelson residents.

The surplus property acquired this year was limited to assorted tools, hardware, and misc. items such as 5 gal. gas cans, welding rods, and other supplies. The N. H. Distributing Agency lists the value of this surplus property at over \$2,000, and our cost was \$21.25.

Respectively submitted,

RONALD E. LYON,
Civil Defense Director

YEAR 1968**

Total Number of Volumes Jan. 1, 69	3,309
Circulation for the year	1,149

This year has seen advance in several directions, an increase in circulation from 755 to 1,149, also thru State aid improvement of our reference section, not only in number but wide variety. Ten of the large print books have been acquired. Special events have been: open house the evening of Aug. 14, while the Ladies Aid supper was being served and again the afternoon of Picnic Day. Both were well attended. Nov 10th a Memorial service for William Sharples was held in the Library with 21 relatives and friends in attendance. Guests during the summer came not only from our own state but from Mass., Maine, Vermont, New York, Ohio, Illinois, Oregon, and California. One morning a professor from England, temporarily at Yale came in and introduced himself and his wife. Much interest has been shown by these visitors.

We entertained the pre-school children, their teachers and a number of the mothers with a Thanksgiving party. The youngsters enjoyed a "Poetry Hour," refreshments and the fun of selecting a book to take home. A contest illustrating "Going Places with Books" for grade 1 through 6 was held recently and in lower grades the winners were: 1st prize, Annette Murdough; second prizes, Mark Lyon and Miranda Desilets; Grade III and IV, 1st prize, Carolee McCormick; 2nd prizes, Frank Murdough, Richard Warner; Honorable Mentions, Clyde Hutchins, Winston French, Herbert Murdough, Aubrey Murdough, Lynanne McCormick, Rickey Hutchins.

We are greatly indebted to Mrs. Wertenbaker for her judging in this project.

The Bookmobile made 3 visits during the year leaving 599 books.

Respectfully submitted,

MYRA HARDY, Librarian.

REPORT OF THE POLICE OFFICER

The year of 1968 has again proved to have been an active one for the members of this department. The traffic pattern increases each year in Nelson, as it does everywhere, and with such an increase the incidence of highway accidents also increases. This situation naturally increases the activity of your police officers.

It is a pleasure to be able to report that none of the accidents investigated resulted in a fatality — all resulting in personal injuries and property damage.

Regular highway patrols were maintained with special emphasis being given to peak travel periods on weekends.

It has been the privilege of the writer to attend several schools given by the N. H. Department of Safety which have served to give a better understanding of the laws of the state and the proper enforcement of the same.

Outside law enforcement agencies, The State Police, Sheriffs Department, Keene Police Department, and The Mutual Aid Center have, as always been most helpful and cooperative, without this assistance our task would have been much more difficult.

It will be noted that this years budget has been increased with the hope that approval by the voters of the town will enable the department to purchase needed equipment.

Listed below is a resume of department activity for 1968:

Hours spent on patrol	187
Accidents Investigated	18
Complaints Answered	21
Emergency Trips to Hospital	3
Breaking and Entering Investigations	2
Missing Persons	3

Respectfully submitted,
KENNETH B. BALCH, Chief.

REPORT OF THE NELSON VOLUNTEER FIRE DEPARTMENT

1968

During 1968, Nelson was very fortunate in having few fires. On July 6, 1968, at an emergency town meeting, the voters accepted an article to purchase a new fire truck. After said meeting, the selectmen and members of the fire department drew up specifications and received bids for a new mobile pumper.

Contracts were awarded to Hopkins Garage Inc. of Peterborough for the chassis, and The Boardman Co. of Oklahoma City, Oklahoma for the fire fighting apparatus. Delivery is scheduled for early April.

Many property owners of both Stoddard and Nelson have contributed over \$1000.00 toward our new truck and equipment.

New equipment has been purchased by the department, ready to be placed in service on the new truck.

An Open House is planned upon arrival of the new truck, to which all voters and interested persons will be welcome.

Respectfully submitted,

RAYMOND G. HUBER,

Fire Chief

ADMINISTRATIVE REPORT

TO THE SCHOOL BOARD AND CITIZENS OF NELSON:

Another calendar year has passed, and many changes have taken place in the Munsonville School.

Mrs. Beard continues as the capable teaching principal, and our new upper grade teacher is Mrs. Marjorie McMahon, who is also doing a very, very fine job.

New fluorescent lighting has been installed in both classrooms. New bookcases, file cabinets, overhead projectors, record players, and tape recorders have been purchased, and are in use. On a per pupil or per teacher basis, the Munsonville School is now as well equipped with audiovisual equipment as most schools.

Textbooks in reading, math, and English are now up-to-date, and present plans are to improve the social studies materials. We are, also, investigating the practicality and possible advantages which can result from use of educational television.

Mr. Larry Stone, music teacher, and Mrs. Dorothy Fitzgerald, school nurse, each visit the school every week for work in their area of specialization.

Study continues in the areas of pupil transportation and maintenance in an effort to continue to provide sound, equitable service to the children, teachers, and taxpayers.

Budgets everywhere in schools, towns, businesses, etc., are rising very rapidly. Six months of preparation, revision and review by many persons will have been performed on the 1969-1970 Nelson School District Budget before the voters act on it. We have no control over many budget items such as heat, utilities, tuition, Supervisory Union expenses, and fixed charges. Those items over which we do have control are in budget Series 200, Instruction.

Textbooks, scholar's supplies, etc., are used by children and teachers. Teachers salaries are increasing more rapidly than ever before. Many school districts are faced with the situation of matching the competing districts or losing their teachers. We feel that in Munsonville our boys and girls are definitely in good hands, and the money is, therefore, well spent. It is especially difficult to recruit people to teach in multigrade combinations.

Our thanks to staff members, board members, and citizens for their assistance, understanding, and cooperation, which make the Nelson School District an enjoyable one in which to work.

JOHN W. DAY, Superintendent.

JAMES J. CUSICK, Asst. Superintendent.

GEORGE E. CASS, Business Manager.

January 20, 1969.

REPORT OF THE MUNSONVILLE PRE-SCHOOL ASSOCIATION

The Munsonville Pre-School held classes twice a week, Tuesdays and Fridays, from 9:45 to 11:45 with an average enrollment of fourteen. Classes began October 3rd and ended with the annual graduation program June 14th. Charlotte Pratt, our permanent teacher, was out for six weeks during February and March. Frances Rumrill and Barbara Bennett served as substitute teachers. During May and June an extra day of classes was instituted on Thursdays from 9:45 to 11:45.

The tuition, which is minimal, is based on the financial needs of the school and the number of days each child attends the school, four year olds attend one day, five year olds attend two days. The tuition has been supplemented by driveway paving, carried on by the fathers, food sales by the mothers, and a generous anonymous \$100.00 donation. We would like to take this opportunity to thank our unknown benefactor. The money is used for classroom activities, school and general supplies, and teacher salaries. The school is held in the Chapel By The Lake in Munsonville. The Association contributes to the Church, half of the heat and electrical costs.

The Munsonville Pre-School is open to any child of Nelson who will be entering elementary school within two years.

Respectfully Submitted,

BARBARA BENNETT, JOSETTE LYON, JANET SHEP-
PARD, EVANGELINE McCORMICK, CHARLOTTE PRATT,
Executive Board, Munsonville Pre-School Association.
