TOWN WARRANT The State of New Hampshire

The Polls will be open from 10:00 A.M. to 6:00 P.M.

To the inhabitants of the Town of Tuftonboro in the County of Carroll, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Tuftonboro on Tuesday, the second (2nd) day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same, the sum of one hundred ninety-two thousand twenty dollars and eighty-five cents (\$192,020.85), as approved by the Budget Committee.
3. To see if the Town will vote to raise and appropriate the sum of seven hundred thirteen dollars and sixty-seven cents (\$713.67) for Town Road Aid, as approved by the Budget Committee. The State to contribute the sum of four thousand seven hundred fifty-seven dollars and eighty-one cents (\$4,757.81).
4. To see if the Town will vote to raise and appropriate the sum of two hundred fifty dollars (\$250.00) and authorize the Selectmen to borrow money in anticipation of the collection of taxes for the current year, and issue notes therefore, said notes to be repaid during the current municipal year, as approved by the Budget Committee.
5. To see if the Town will vote to raise and appropriate the sum of fifty-one thousand four hundred forty-five dollars and forty-eight cents (\$51,445.48) for the High Street Bridge over Melvin River; of which sum ten thousand four hundred forty-five dollars and forty-eight cents (\$10,445.48) be withdrawn from State Highway Subsidy (Revised Statutes Annotated, Chapter 241, Section 14) and the sum of sixteen thousand dollars (\$16,000.00) be withdrawn from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, said funds to be used as part of this appropriation. In the event this Article is not accepted, said Highway Subsidy Funds shall be used for the repair and maintenance of all Town Roads.
6. To see if the Town will vote to authorize the Tax Collector, with the approval of the Board of Selectmen, to appoint a Deputy Tax Collector according to RSA 41:38.
7. To see if the Town will vote to accept the Schoolhouse Road, Martin Hill Estates, as a part of the town road system. By Petition.
8. To see if the Town agrees to participate in the National Flooding Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.
9. To see if the Town will vote to establish the following Building Regulations to apply to the "special flood hazard area" pursuant to RSA 156 as follows:

Section I. It shall be the duty of the Board of Selectmen or appointed official to administer the provisions of this Ordinance. The person appointed shall be known as the Building Inspector.

Section II. The Building Inspector, before issuing building permits for construction within the "special flood hazard area" must ensure that all building proposals comply with Town ordinances and By-Laws, and if a subdivision of land is involved, the Planning Board must approve the developer's plan before the inspector may issue a building permit.

Section III. No person, firm or corporation shall erect any new building or structure, or make substantial improvements to an existing building or structure, or cause the same to be done within the "special flood hazard area" of the Town of Tuf-tonboro without first obtaining a permit from the Building Inspector.

Section IV. The Building Inspector shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a location that has a flood hazard, any proposed new construction or substantial improvement (including prefabricated and mobile homes) must:

I. be designed (or modified) and anchored to prevent flotation, collapse or lateral movement of the structure;

II. use construction materials and utility equipment that are resistant to flood damage;

III. use construction methods and practices that will minimize flood damage.

Section V. "Substantial improvement" means any repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds 50 percent of the actual cash value of the structure, either (a) before the improvement is started, or (b) if the structure has been damaged and is being restored, before the damage occurred. Substantial improvement is started when the first alteration of any structural part of the building commences.

Section VI. Any person, firm, or corporation violating the provision of this Ordinance shall be subject to a fine not to exceed \$10.00 for each day of each violation, plus all legal costs in connection with settling the issue.

Section VII. Appeals shall be as provided in RSA 156: 4-a, b, c.

10. WHEREAS, certain areas of Tuf-tonboro are subject to periodic flooding from certain bodies of water within the Town, causing serious damage to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood hazards in all official actions relating to land use in the floodplain areas having special flood hazards; and WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to New Hampshire RSA Chapter 31, 36, 156 and 156A,

NOW, THEREFORE, BE IT RESOLVED, that this Town Meeting hereby:

- A. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and
- B. Vests the Planning Board with the responsibility, authority and means to:
 - (a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.
 - (b) Provide such information as the Administrator may request concerning present uses and occupancy of the floodplain.
 - (c) Cooperate with federal, state, and local agencies and private firms which undertake to study, survey, map, and identify floodplain areas, and cooperate with neighboring communities with respect to management of adjoining floodplains in order to prevent aggravation of existing hazards.
 - (d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of floodplain management measures.
- C. Appoints the Board of Selectmen to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.
- D. Intends to take such other official action within its powers as may be reasonably necessary to carry out the objectives of the program.

11. WHEREAS, the Town of Tufonboro has adopted and is enforcing Building Regulations pertaining to the "special flood hazard area" and Subdivision Regulations; and

WHEREAS, Section III of the Building Regulations prohibits any person, firm, or corporation from erecting, constructing, enlarging, altering, repairing, improving, moving or demolishing any building or structure in the "special flood hazard area" without first obtaining a separate building permit for each building or structure from the Building Inspector; and

WHEREAS, the Building Inspector must examine all plans and specifications for the proposed construction within the "special flood hazard area" when application is made to him for a building permit,

NOW, THEREFORE, BE IT ENACTED by the Town Meeting of Tufonboro as follows:

- A. That the Planning Board amend their Subdivision Regulations pertaining to the flood hazard area to assure that (i) all such proposals are consistent with the need to minimize flood damage, (ii) all public utilities and facilities, such as sewer, gas, electrical, and water systems are located, elevated and constructed to minimize or eliminate flood damage, and (iii) adequate drainage is provided so as to reduce exposure to flood hazards; and
- B. Require that new or replacement water supply systems and/or sanitary sewage systems in the "special flood hazard area" be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and require on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding pursuant to N. H. RSA 36:21.

12. To see if the Town will vote to elect the members of the Planning Board pursuant to RSA 36:4 (b).

13. To transact any other business that may legally come before the meeting.

AUDITORS' CERTIFICATE

We have examined the accounts of the various Town Officers as of December 31, 1975. Our examination was made in accordance with the auditing standards as prescribed by the State Tax Commission, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the statements herein present fairly the results of the operations of the Town Officers for the year 1975.

REPORT OF PARKS AND PLAYGROUND COMMITTEE

Improvements were made at the Nineteen Mile Bay Picnic Area and new markers and lines were put in the bay. With the increase in cleared space, more use was made of the area than ever before.

The Skating Rink was put in order but weather conditions limited the use.

The Committee appreciates the interest and support of the Selectmen, Road Agent Walter Smith and Theodore Bense.

**REPORT OF FOREST FIRE WARDEN
and DISTRICT CHIEF**

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 A.M. and 5 P.M., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.
