The Webster 1995 Annual Report is dedicated to the honor of

Marion T. Jones

1995 Recipient of the NH Municipal Volunteer of the Year Award

Moving to Webster in 1939 was just the beginning of Marion's service and dedication to the Town. Her list of achievements and volunteerism is extensive: Grange, Church, Women's Union — the three organizations in which she has held numerous positions and spent countless hours supporting with an untold amount of energy and enthusiasm.
Marion's service to the Town has included Supervisor of the Checklist, Zoning Board Alternate, Member of the Blackwater Players, Library Volunteer, to name a few.
We close with a quote from Marion made on Sunday, Old Home Day 1992:

Be proud of your town and work for it. You'll get out of this relationship more than what you put into it. Support and work for your town and church. You'll make some of the best friends you'll ever have.

> May we all live by this wise advice and take heed of these simple but effective words.

THE STATE OF NEW HAMPSHIRE TOWN WARRANT — 1996

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:00 P.M. TO ACT ON ARTICLES 1 AND 2.

To the Inhabitants of the Town of Webster in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Webster on Tuesday, the 12th day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (By Ballot)

2. "Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$25,000; for a person 75 years of age up to 80 years, \$37,500; for a person 80 years of age or older, \$50,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets not in excess of \$30,000 excluding the value of the person's residence." (By Ballot)

BUSINESS MEETING WILL BE HELD AT THE TOWN HALL ON SATURDAY, MARCH 16, 1996 AT 10:00 A.M. TO ACT UPON THE FOLLOWING SUBJECTS:

3. To see if the Town will vote to authorize the Selectmen to enter into an agreement on behalf of the Town with the Town of Hopkinton to pay twenty percent (20%) of the annual payments of principal and interest on bonds and notes not to exceed three million dollars to be issued by the Town of Hopkinton for the purpose of closing the Hopkinton-Webster landfill and making certain improvements to the Hopkinton-Webster transfer station, and to pass any other vote in relation thereto. The Selectmen recommend this article. (Majority vote required)

4. To see if the Town will vote to authorize the selectmen to enter into a lease agreement for the purpose of leasing a Fire/Rescue Truck for the Fire Department, and to raise and appropriate the sum of fifty-three thousand, one hundred sixty-seven dollars and seventy cents (\$53,167.70) for the first year's payment for that purpose. (For the years 1997 through 2000 payments would be twenty thousand eight hundred sixty-seven dollars and seventy cents

4

(\$20,867.70) per year.) (By Petition) The Selectmen do not recommend this article 2 to 1.

5. To see if the Town will vote to discontinue the Fire Truck Capital Reserve Fund. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. (This article needs to be passed if the above article is passed.) (By Petition) (Majority vote required)

6. To see if the Town will vote to raise and appropriate the sum of \$26,000 to be added to the previously established Capital Reserve Funds as follows:

Police Cruiser	\$ 5,000.
Fire Truck	15,000.
Fire Station	5,000.
Office Equipment	500.
Town Hall	500.
ectmen recommend this article	

The Selectmen recommend this article.

7. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for Medical Equipment and to raise and appropriate the sum of two thousand five hundred dollars (\$2,500) to be placed in this fund. (Majority vote required) The Selectmen recommend this article.

8. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for Library Equipment and to raise and appropriate the sum of four thousand dollars (\$4,000) to be placed in this fund and to designate the Library Trustees as agents to expend. (Majority vote required) The Selectmen recommend this article.

9. To see if the Town will vote to change the purpose of the existing Cemetery Equipment Capital Reserve Fund to the Cemetery Improvement Capital Reserve Fund. (2/3 Vote required)

10. To see if the Town will vote to raise and appropriate the sum of twelve thousand dollars (\$12,000) for improvements to Corser Hill Cemetery and authorize the withdrawal of five thousand dollars (\$5,000) from the Capital Reserve Fund for Cemetery Improvements. The balance of seven thousand dollars (\$7,000) is to come from general taxation. This will be a <u>non-lapsing</u> account per RSA 32:3, VI and will not lapse until the cemetery improvements are completed or in four years, whichever is less. (Majority vote required) The Selectmen recommend this article.

11. To see if the Town will vote to accept the STREET NUMBERING ORDINANCE as written and posted by the Board of Selectmen.

31. To see if the Town will vote to raise and appropriate the sum of \$3,000 for dry hydrant installation. The Selectmen recommend this article.

32. To see if the Town will vote to raise and appropriate the sum of \$3,500 to subsidize the teacher's salary for the Webster Kindergarten Inc. (By Petition) The Selectmen do not recommend this article.

33. To see if the Town will vote to require that, except for vehicle purchases, all capital outlay/improvement expenditures over \$5,000 be put out to bid. (By Petition) The Selectmen recommend this article.

34. To see if the Town will vote to create a permanent Land Trust Fund with income from the Current Use Change Tax, not to exceed \$3,000 a year. The purpose of the fund shall be to aid in preserving land in town with high values in these areas: wildlife habitat; scenic; wetland protection; rivers, lakes, ponds and stream edges; and areas containing interesting and/or endangered or rare species of plants and animals. The Selectmen recommend this article.

35. To see if the Town will vote to prohibit the processing, storage, and landspreading of wastewater treatment sludge/biosolids, including, but not limited to, sewage, paper and pulp mill sludge, whether it be wet, dry, composted, pelletized, mixed with other materials, or injected on or into the land in the Town of Webster until regulations are enacted by the Board of Selectmen or the Planning Board with public involvement, to control such activity. (By Petition)

36. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31: 19.

37. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the town for any

public purpose, pursuant to RSA 31:95-e. The selectmen must hold a public hearing before accepting such gifts, and the acceptance shall not bind the town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

38. To see if the Town will vote to authorize the Tax Collector to accept prepayment of taxes.

39. To see if the Town will authorize the Selectmen to sell, trade or dispose of any surplus equipment, vehicles or items which are available or become available during the year, at an amount or in a way they determine to be in the best interest of the Town.

40. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 13th day of February, in the year of our Lord nineteen hundred and ninety-six.

INDEPENDENT AUDITOR'S COMMUNICATION OF REPORTABLE CONDITIONS AND OTHER MATTERS

To the Members of the Board of Selectmen Town of Webster Webster, New Hampshire

In planning and performing our audit of the Town of Webster for the year ended December 31, 1995, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the Town's accounting systems and records were identified. Minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or record keeping practices. In these instances, we made specific recommendations or provided instruction to those individuals involved during the course of our audit fieldwork. Areas discussed included:

- A. Effective use of Purchase Orders
- B. Collateralization of Town's General Fund Cash Account

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the Board of Selectmen Town of Webster Webster, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Webster as of and for the year ended December 31, 1995. These general-purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these generalpurpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Webster has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Webster, as of December 31, 1995, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Webster. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the generalpurpose financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1995

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Financial Reporting Entity

The Town of Webster, New Hampshire, is a municipal corporation governed by an elected Board of Selectmen. As required by generally accepted accounting principles, these financial statements present the Town of Webster (primary government), and its component units. Component units are organizations for which the primary government is financially accountable or for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Based on the foregoing criteria, no other organizations are included in the Town's financial reporting entity.

B. Basis of Presentation - Fund Accounting

The accounts of the Town are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of selfbalancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures/expenses, as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town:

Governmental Fund Types

Governmental Funds are those through which most governmental functions of the Town are financed. The acquisition, use and balances of the Town's expendable financial resources, and the related liabilities are accounted for through governmental funds. The following are the Town's Governmental Fund Types:

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or

major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. The following funds are included in this fund type:

Public Library Conservation Commission

Fiduciary Fund Types

Fiduciary Fund Types - These funds account for assets held by the Town as a trustee or agent for individuals, private organizations, and other units of governments.

The following funds are included in this fund type:

Nonexpendable Trust Funds Town Trusts

Expendable Trust Funds Town Trusts Capital Reserve

<u>Agency Fund</u> Developers' Performance Bond

Account Groups

Account groups are not "funds." They are concerned only with the measurement of financial position. They are not involved with measurement of results of operations. The Town uses the following account groups:

General Fixed Assets Account Group - General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by most other municipal entities in the State, the Town does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

General Long-Term Debt Account Group - This account group is established to account for all long-term debt of the Town.

C. Measurement Focus/Basis of Accounting Governmental, Expendable Trust, and Agency Funds use the modified accrual basis of accounting. Under this method, revenues are recognized in the accounting period in which they become both available and measurable (flow of current financial resources measurement focus). Licenses and permits, charges for services, fines and forfeits, and miscellaneous revenues are recorded as revenues when received in cash. General taxes, intergovernmental revenues, charges for services, and investment earnings are recorded when earned (when they are measurable and available). Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable, except expenditures for debt service, prepaid expenses, and other long-term obligations, which are recognized when due. All Nonexpendable Trust Funds are accounted for using the accrual basis of accounting. Their revenues are recognized when they are earned, and their expenses are recognized when they are incurred (flow of economic resources measurement focus).

D. Budgetary Accounting General Budget Policies

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations. At its annual meeting, the Town adopts a budget for the current year for the General and Public Library Funds. Except as reconciled below, budgets are adopted on a basis consistent with generally accepted accounting principles.

Management may transfer appropriations between operating categories as they deem necessary, but expenditures may not legally exceed budgeted appropriations in total. All annual appropriations lapse at yearend unless encumbered.

State statutes require balanced budgets, but provide for the use of beginning unreserved fund balance to achieve that end. In 1995, \$36,000 of the beginning General Fund fund balance was applied for this purpose.

Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at December 31 and are carried forward to supplement appropriations of the subsequent year.

Amounts recorded as budgetary expenditures in the Statement of Revenues, Expenditures and Changes in Fund Balance - Budget and

Actual - General and Special Revenue Funds (Exhibit C) are presented on the basis budgeted by the Town. The amounts differ from those reported in conformity with generally accepted accounting principles in the Combined Statement of Revenues, Expenditures and Changes in Fund Balances for All Governmental and Similar Trust Funds (Exhibit B) as follows:

\$2,015,489
44,726
(13,234)
<u>\$2,046,981</u>

E. Assets, Liabilities and Fund Equity

Cash and Investments

The Town Treasurer is required by State statute to have custody of all monies belonging to the Town and shall pay out the same only upon orders of the selectmen. The Town Treasurer shall deposit all such monies in solvent banks in the state or in participation units in the public deposit investment pool established pursuant to RSA 383:22. Funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits in value at least equal to the amount of the deposit in each case.

Whenever the Town Treasurer has an excess of funds which are not immediately needed for the purpose of expenditure, State statutes require the Treasurer, with the approval of the selectmen, to invest the same in obligations of the United States government, in savings bank deposits of banks incorporated under the laws of the State of New Hampshire or in certificates of deposits of banks incorporated under the laws of the State of New Hampshire or in national banks located within this state or the Commonwealth of Massachusetts. Any person who directly or indirectly receives any such funds or monies for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the town. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.

For financial reporting purposes, cash and equivalents include amounts in demand deposits and money market funds, as well as certificates of deposit and short-term investments with original maturities of 90 days or less.

The Town is authorized by State statute to invest Trust Funds, except Capital Reserve Funds, in obligations of political subdivisions and stocks and bonds that are legal for investment by New Hampshire savings banks. Capital Reserve Funds must be kept in a separate account and not intermingled with other funds. Capital Reserve Funds shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company, or in the share of a cooperative bank, building and loan association, or federal savings and loan association, in this state, or in bonds, notes or other obligations of the United States government, or in bonds or notes of this state, or in participation units in the public deposit investment pool established pursuant to RSA 383:22.

Investments are stated at cost.

Receivables

Revenues for the most part are recorded when received, except for the following items for which receivables have been recorded:

a. Tax revenue is recorded when a warrant for collection is committed to the Tax Collector. Management has, through a comparison of historical data, recognized a reserve of \$13,000, representing potential abatements of property taxes receivable.

The National Council on Governmental Accounting (NCGA), Interpretation 3, Revenue Recognition - Property Taxes, requires that if property taxes are not collected within 60 days after year end, the revenue is not considered an "available spendable resource" and should be deferred. An exception to the general "available 60 day" rule is allowed in unusual circumstances. The Town has concluded that the circumstances relating to the responsibility for, and payment of, the School Tax Assessment, along with the timing of the issuance of the tax warrant, which is late in the budget year, justifies a period greater than 60 days. Since this practice of recording the property tax revenue when levied is widely recognized as being generally accepted as the prevalent practice in New Hampshire, the Town believes that such practice is a knowledgeable application of the NCGA Interpretation 3 exception, and therefore Level 4 GAAP compliance may be reached.

As prescribed by law, the Tax Collector places a lien on properties for all uncollected property taxes in the following year after taxes are due. The lien on these properties has priority over other liens and accrues interest at 18% per annum.

If property is not redeemed within the 2-year redemption period, the property is tax-deeded to the Town.

b. Various service charges (ambulance and landfill) are recorded as revenue for the period when service was provided. The receivables for such services are shown on the balance sheet net of an allowance for estimated uncollectibles.

Long-Term Liabilities

General Obligation Debt - General obligation bonds, notes, capital leases, and other forms of long-term debt supported by general revenues are obligations of the Town as a whole. Accordingly, such unmatured obligations of the Town are accounted for in the General Long-Term Debt Group of Accounts.

Compensated Absences - Employees may accumulate a limited amount of earned but unused vested benefits, which will be paid to employees upon separation from the Town's service. In Governmental Fund Types and Fiduciary Fund Types, the cost of vested benefits paid or expected to be liquidated with expendable available financial resources are reported as an expenditure and fund liability of the fund. Amounts of vested or accumulated leave benefits that are not expected to be liquidated with expendable available financial resources are reported in the general longterm debt account group. No expenditure is reported for these amounts.

Fund Equity

The portion of fund balance which has been legally segregated for a specific future use, or which indicates that a portion is not appropriable for expenditures, is shown as reserved. The following reserves were used by the Town during the year:

Reserved for Endowments - represents the principal balance of Nonexpendable Trust Funds which must be held for investment purposes only.

Reserved for Encumbrances - is used to account for open purchase orders, contracts and other commitments at year end for which goods and services have not been received.

Reserved for Special Purposes - is used to account for the unencumbered balance of restricted funds. These include the Town's Expendable Trust Funds.

F. Total Columns (Memorandum Only) on Combined Statements Amounts in the "Total (Memorandum Only)" columns in the combined financial statement line items of the fund types and account groups are presented for analytical purposes only. The summation includes fund types and account groups that use different bases of accounting and the caption "amounts to be provided," which is not an asset in the usual sense. Consequently, amounts shown in the "Total (Memorandum Only)" columns are not comparable to a consolidation and do not represent the total resources available or total revenues and expenditures/expenses of the Town.

NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Excess of Expenditures Over Appropriations

The following governmental fund had an excess of expenditures over appropriations for the year ended December 31, 1995:

Special Revenue Fund Public Library

<u>\$903</u>

Overexpenditures occurred primarily due to the receipt and expenditure of unanticipated funds.

NOTE 3 - ASSETS

A. Cash and Equivalents

At year end, the Town's cash deposits categorized according to risk assumed were as follows:

- Category 1 Includes deposits that are insured (Federal Depository Insurance)
- Category Includes deposits that are uninsured, but are collateralized by securities held by the pledging financial institution, its trust department or agent in the Town's name.
- Category 3 Includes deposits that are uninsured and uncollateralized.

Bank Deposits	\$310,944	<u>\$-0-</u>	\$355,285	\$666,229	\$645,407

B. Investments

Investments made by the Town are summarized below.

	Carrying	Market
	Amount	Value
New Hampshire Public		
Deposit Investment Pool	\$11,184	\$11,184

C. Property Taxes

The property tax year is from April 1 to March 31 and all property taxes are assessed on the inventory taken in April of that year. The net assessed valuation as of April 1, 1995, upon which the 1995 property tax levy was based was \$71,117,757.

The Town subscribes to the semi-annual method of tax collection as provided for by RSA 76:15-a. Under this method, tax bills are sent on or around June 1 and November 1 of each year, with interest accruing at a rate of 12% on bills outstanding for more than 30 days.

The June 1 billing is considered an estimate only and is one half of the previous year's tax billing. The remaining balance of taxes due is billed in the fall after the State Department of Revenue Administration has calculated and approved the Town's tax rate for the fiscal year.

In connection with the setting of the tax rate, Town Officials, with the approval of the New Hampshire Department of Revenue Administration, establish and raise through taxation an amount for abatements and refunds of property taxes, known as overlay. This amount is reported as a reduction in tax revenue and is adjusted by management for any tax reserves at year end. The property taxes collected by the Town include taxes levied for the Merrimack Valley School District, Merrimack County, and Pillsbury Lake District, which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town.

The tax rate for the year ended December 31, 1995, was as follows:

	Taxpayers in the		
	Pillsbury Lake District	All Other Taxpayers	
Municipal Portion	\$ 4.89	\$ 4.89	
School Tax Assessment	16.34	16.34	
County Tax Assessment	2.23	2.23	
District Tax Assessment	3.67		
Total	<u>\$27.13</u>	\$23.46	

As prescribed by law, within 18 months of the date assessed, the Tax Collector places a lien on properties for all uncollected property taxes in the following year after taxes are due. The lien on these properties has priority over other liens and accrues interest at 18% per annum. If property is not redeemed within the 2-year redemption period, the property is tax-deeded to the Town.

During the current fiscal year, the Tax Collector on May 12, placed a lien for all uncollected 1994 property taxes.

Taxes receivable at December 31, 1995, are as follows:

Property Taxes	
Levy of 1995	\$186,902
Unredeemed Taxes (under tax lien)	
Levy of 1994	49,919

E. Risk Management

D.

R R

The Town is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets, errors or omissions, injuries to employees, or acts of God. During 1995, the Town was a member of the New Hampshire Municipal Association Property-Liability Insurance Trust, Inc. This entity is considered a public entity risk pool, currently operating as a common risk management and insurance program for member towns and cities.

The New Hampshire Municipal Association Property-Liability Insurance Trust, Inc. is a Trust organized to provide certain property and liability insurance coverages to member towns, cities and other qualified political subdivisions of New Hampshire. As a member of the NHMA Property-Liability Insurance Trust, Inc., the Town shares in contributing to the cost of, and receiving benefits from, a self-insured pooled risk management program. The membership and coverage run from July 1st to July 1st. The program includes a Loss Fund from which is paid up to \$250,000 for each and every covered property, crime and/or liability loss that exceeds \$1,000. For the year ended June 30, 1992, the program includes Loss Funds from which is paid up to \$200,000 for each and every covered property, crime and/or liability loss that exceeds \$1,000.

The Trust maintains, on behalf of its members, the following insurance policies shared by the membership for the year ended June 30, 1996.

1. <u>American Re-Insurance Company Facultative Casualty Rein-</u> surance Certificate #009239319 and Facultative Property Reinsurance Certificate #009239318. These provide property, general liability and public officials liability coverage in the amount of \$750,000. Also included is excess loss Fund coverage of \$1,000,000 aggregate excess of the Trust's Loss Fund.

Public Officials Liability has an aggregate limit of \$1M per member.

- 2. <u>Travelers Insurance Company #XTXP-GAC-251T055-5-95.</u> It provides \$200 million property coverage in excess of \$1 million which is the American Re-Insurance Company primary limit.
- 3. <u>American Re-Insurance Company #009237877.</u> Provides some members with higher limits of from \$1 to \$4 million in excess of the underlying \$1 million.
- 4. <u>Kemper #3XC02547601</u>. Members of the Trust also share a Boiler and Machinery coverage policy which provides \$30 million limit resulting from any "One Accident" subject to a \$1,000 per loss deductible.

Contributions paid in 1995 for FY96, ending June 30, 1996, to be recorded as an insurance expense/expenditure totaled \$15,303. Unpaid contributions for the year ending June 30, 1996, and due in 1995 were \$-0-. Claims submitted to the Trust that have been billed to the Town for their portion of payment (i.e., deductible) as of December 31, 1995, totaled \$-0-. During October 1995, \$5,902.66 was returned to the Town of Webster as its 1995 "dividend" for the years 1991 and 1992. The Trust Agreement permits the Trust to make additional assessments to members should there be a deficiency in Trust assets to meet its liabilities. At this time, the Trust foresees no likelihood of an additional assessment in any of the past years.

The Town continues to carry commercial insurance for all other risks of loss, including employee and public official fidelity bonds, health and accident insurance.

NOTE 4 - LIABILITIES

A. Intergovernmental Payable

Payables due other governments at December 31, 1995 include:

General Fund	
Merrimack Valley School District -	
Balance of 1995-96 Assessment	\$493,105
Town of Hopkinton - Landfill Operation	4,903
Total Intergovernmental Payable	\$498,008

B. Defined Benefit Pension Plan

Plan Description and Provisions

Some Town employees participate in the State of New Hampshire Retirement System (the System), a multiple-employer cost-sharing public employee retirement system (PERS). The payroll for employees covered by the System for the year ended December 31, 1995, was \$56,249; the Town's total payroll was \$162,415.

All full-time employees are eligible to participate in the System. The System is divided into two employee groups; Group I - teachers and all other employees except firefighters and police officers, and Group II - firefighters and police officers.

Group I Employees who retire at age 60 are entitled to retirement benefits equal to 1.667%, or 1.515% for retirement at age 65, of the average of their three highest-paid years of compensation, multiplied by their years of creditable service. Earlier retirement allowances at reduced rates are available after age 45 with 10 years of service. Benefits fully vest upon reaching 10 years of service or attaining age 60.

Group II Employees who are age 60 or who are at least age 45 with at

least 20 years of creditable service, are entitled to retirement benefits equal to 2.5% of the average of their three highest-paid years of service, multiplied by their years of service, not to exceed 40. The vesting requirements are the same as Group I.

The System also provides death and disability benefits, and cost-of-living increases have been periodically granted to retirees by the State Legislature.

The State of New Hampshire funds 35% of employer costs for public safety officers (Group II) and teachers employed by the Town. The State does not participate in funding the employer cost of other Town employees. The Town has not elected early application of GASB Statement #24 in these financial statements.

Description of Funding Policy

The System is financed by contributions from both the employees and the Town. By State statute, Group I employees are required to contribute 5% of earnable compensation. Group II employees are required to contribute 9.3% of gross earnings. The Town must contribute the remaining amounts necessary to pay benefits when due. The contribution requirement for the year ended December 31, 1995, was as follows:

Town's Portion	\$1,713
Employees' Portion	4,244
Total	\$5.957

The amount shown as "pension benefit obligation" in the System's financial statements is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future as a result of employee service to date. The measure, which is the actuarial present value of credited projected benefits, is intended to help users assess the System's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among PERS and employers. The System does not make separate measurements of assets and pension benefit obligations for individual employers. The pension benefit obligation at June 30, 1994, for the System as a whole, determined through an actuarial valuation performed as of June 30, 1993, was \$1,954,158,402. The System's net assets available for benefits on June 30, 1994, (valued at market) were \$1,897,588,132. The System holds none of the Town's securities.

Trend Information

Historical trend information showing the System's progress in accumulating sufficient assets to pay benefits when due is available for only eight years and is presented in the System's June 30, 1994 annual financial report (the latest year available).

C. Landfill Closure and Postclosure Care Costs

The Town of Webster has an agreement with the Town of Hopkinton for the Sanitary Landfill located in the Town of Hopkinton.

Federal and State laws and regulations require that the Towns place a final cover on the landfill when closed and perform certain maintenance and monitoring functions at the landfill site after closure. A liability is being recognized in the General Long-Term Debt Account Group based on information obtained from the State Department of Environmental Services dated May 18, 1994, which covers estimated future closure and postclosure care costs that will be incurred near or after the date the landfill closure and postclosure care (\$2,820,000) is based on the amount that would be paid if all equipment, facilities, and services required to close, monitor and maintain the landfill were acquired as of December 31, 1995. However, the actual cost of closure and postclosure care may be higher due to inflation, changes in technology, or changes in landfill laws and regulations.

The agreement specifies the method of apportionment of all landfill costs including those of closure and postclosure care. Based on the terms of the agreement, \$564,000 represents the Town's share of the accrual for landfill closure and post closure care costs which is reported in the General Long-Term Debt Account Group which is 20% of the total.

The Town expects to finance the closure and postclosure care costs by issuance of Long-Term Debt and an estimated 20% subsidy from the State of New Hampshire.

D. Long-Term Debt

The following is a summary of the Town's general long-term debt transactions for the fiscal year ended December 31, 1995:

NOTE 6 - SANITARY LANDFILL AGREEMENT

The sanitary landfill agreement with the Town of Hopkinton provides that the Town of Webster will pay 20% of the yearly expenses of the landfill operation. In addition, the Town receives from Hopkinton 20% of gross receipts from the use of the facilities. The amount to be paid annually to the Town of Hopkinton is to be based on the actual costs. Total costs to the Town of Webster in 1995 were \$86,696 and the Town of Webster's share of gross revenue was \$25,648.

REPORT OF THE SELECTMEN

The Town of Webster experienced many significant changes during 1995. After a long and tedious search process, former Webster full time police officer, Steven Faer, was hired as the new Webster Police Chief. Part time Officer Stanley Andrewski attended the full time police officer course and was hired as a full time officer and is now a sergeant. Two new part time police officers were hired — Carol Caron and Peter Shephard who join part time Officer John Wescott. Officer Shephard is the D.A.R.E. Instruction Officer for the Webster Elementary School, a program which was held for the first time ever in Webster in 1995, as well as Project Kid Care (a child identification program), also new to Webster in 1995.

The rabies epidemic came to Webster and several raccoons had to be shot and disposed of by the police department including one confirmed rabid raccoon who had bitten a resident on Route 127. Hopefully, the rabies problem has died out in Webster but residents should still be aware of animals which seem sick or are acting peculiarly this coming year.

Selectmen from Webster, Hopkinton and Warner held many meetings in reference to closing the Hopkinton/Webster Landfill and a Warrant article referring to that closure will be voted on during the 1996 Town Meeting.

The Pillsbury Launch Site, off Deer Meadow Road, was constructed by the N.H. Fish and Game Department this year. A Lake Winnepocket access, proposed by the Fish and Game Department, is still in the works according to the latest information supplied to the selectmen.

Due to increasing job responsibilities, Selectman James Weld resigned as selectman on April 17 but continues to head up the E911 Project — a job that he has logged many, many volunteer hours on. David Batchelder was appointed by the New Hampshire Superior Court to fill Weld's slot on August 7. Charles Bartlett resigned as the town's welfare officer for health reasons after serving in that capacity since 1988. He was replaced by Barbara Chellis who is also the Warner Welfare Officer and heads the C.A.P. Program in Warner. Lamar Riggs resigned from the Planning Board and was replaced by William Inman.

Much of the success of a Town is due to the volunteer effort put forth by the various boards and committees. The Town is always in need of replacements and alternates on those boards and committees. If you would like to volunteer please call a selectperson or stop in at the office. We need you!!! Special thanks to these volunteers: Clarence Jeffrey, Sandra Starkey and David Richardson on the Police Chief Search Committee; Jim Weld, Larry Amos, Wayne St. Jacques, and Glen Creighton on the Computer Committee; Lamar Riggs, George Hashem, Mark Moser, Gordon Bezanson, Bob Drown, and David Batchelder on the Community Improvement Program.

Work on the Emergency 911 telephone system was supposed to be completed in June of 1995 but it has not been implemented yet — now a project to be completed in 1996. Representatives of the U.S. Postal Service met with the selectmen many times in reference to changing Webster mail addresses to be under one zip code and one post office. A questionnaire asking residents' opinions about which post office to use (sent out by the postal service) showed out of 360 respondents returning questionnaires, 226 voted to have the 03303 (Concord) zip code and 131 voted for a Warner zip code with 6 undecided questionnaires returned. Resident Bill David tried to get the Postal Service to issue Webster its own five digit zip code in conjunction with E911, but to no avail.

For the first time ever, the land behind the Blackwater Dam was closed on September 6 to everyone due to the lack of rain and the high fire hazard of the area. All outside burning was also prohibited.

Selectmen met with representatives of the Army Corps of Engineers (who oversee the operation of the flood control area and Blackwater Dam) and the N.H. Fish and Game Department to implement better communication between these groups and the Town.

The Webster Sport Committee did all the groundwork and had electricity installed in the William Pearson Memorial Park. The Blackwater Players donated three clocks to the Town — for the selectmen's office, reception area and the police department. Thanks, again. The Olympic Festival Trial Kayak Races were held on the Blackwater River at Tyler Bridge in Webster for the first time which involved many volunteers and brought between 1,200-1,500 spectators to Webster for the event. The New England Canoe and Kayak Championship Races were held in Webster again below the Blackwater Dam. For the first time the New Hampshire Municipal Association held their regional meeting in the Webster Town Hall.

Congratulations to resident Marion T. Jones who was awarded the annual "Volunteer Award" from the New Hampshire Municipal Association.

REPORT OF THE TOWN CLERK

1995 has been a lucrative year for the Town Clerk's office. Revenues collected from motor vehicle taxes exceeded \$128,000. It is comforting to know that all this money collected stays in the Town of Webster

In September of 1994, I became an authorized motor vehicle Municipal Agent. You can pay your state fee through my office, eliminating a trip to Concord. Just a reminder: if paying by checks, please bring in two, one to pay the town tax and the other will be deposited in the State Account.

My hours for 1996 will continue to be: Mondays & Wednesday (not Fridays) 9:00 A.M. to 12 Noon, 1:00 P.M. to 4:00 P.M. and Every Monday Night 7:00 P.M. to 9:00 P.M. My phone number is 648-2538.

If you wish to renew your vehicle registration by mail, call me and I will give you the amounts over the phone. As soon as I receive your payments, I will mail you out your new registration.

It has been a pleasure to be your Town Clerk for 1995 and hope to serve you for many more years.

Respectfully submitted,

BARBARA HOCHREIN, Town Clerk

REPORT OF THE WEBSTER POLICE DEPARTMENT

It is now approaching eight years that I have been serving the people of Webster as a police officer, starting at the rank of Officer, then as Sergeant and now as Chief. However, I still consider myself primarily your Community Patrol Officer, with the added duties of supervision and administration of the Police Department. I am a strong advocate of Community Oriented Policing and of law enforcement being responsive to the needs of the community and to get at root causes of problems and solve them so we do not have to make a lot of arrests later on.

This year I have analyzed and redirected our patrol efforts, targeting trouble areas. I have made efforts to enhance our relationships with other law enforcement agencies and many people commented on how nice it was to see the show of support from other departments at our Old Home Day Activities. We have conducted joint training sessions with the Boscawen Police, Warner Police and we have worked with Concord Police, Salisbury Police and State Police on cases. As you may have read about in the newspapers, we have also worked with Federal Authorities.

I have established a policy of aggressively investigating crimes against children. Getting at the causes of problems in many cases means protecting and working with the children as they are the future of the community and the world. Thanks to the efforts of Lt. Pete Shephard and supporters like the Webster PTG, this year included the very first DARE Program Graduation in the History of Webster. The children of that class have a great deal to be proud of as each one worked hard with Lt. Shephard and took a step forward in developing into a good caring person that has the confidence and knowledge to make good choices. One other good thing that comes out of programs like DARE is that children learn that police are there to help.

Stan Andrewski is now our full time Sergeant and is proving to be an excellent law enforcement officer and a pleasure to work with. Carol Caron, our new part time officer, is working out very well. John Wescott, also a part time officer, has been patrolling and providing much appreciated relief shifts. Pete Shephard, our DARE Instructor is also our department training officer and assists me with special investigations.

With regard to financial matters, this was a great year and I can close this year's report with some really great news: The Police Department has spent considerably less than the amount appropriated. I listened carefully to what townspeople had to say at last town meeting regarding their concern for holding back spending. As a result of a few changes that I made in the administration of the police department, by more actively and efficiently utilizing agencies that have concurrent jurisdiction such as the State Police, and due to the members of the department volunteering on call time, the Police Department has come in several thousand dollars under budget.

Thanks for all your support. Your support and appreciation is what makes my job worthwhile.

WEBSTER FIRE DEPARTMENT

The officers of the Webster Fire Department for 1996 are as follows: Deputy Chief, Mike Arpino; Captain & Safety Officer, Dan St. Cyr; Lieutenants, Bob Brophy and Bruce Thompson; EMT Lieutenant, Marge Blanchette; Medical Director, Roy Fanjoy; Secretary/Treasurer, Paula Fanjoy; and Training Officer, Fred Murphy.

We had one new member join the Fire Department this year. If you are interested in joining the Fire Department, you can contact me at my home on Clothespin Bridge Road in person or by phone at 648-2204; or visit us on regular meeting night, which is every Thursday night at 7:00 P.M., or at our business meeting, which is the last Thursday of every month.

Total calls for 1995 — 105 and total calls for 1994 — 100. This is a 5% increase in calls for 1995. We have 1 Paramedic, 1 Registered Nurse/EMT, 4 EMTs and 1 First Responder. Most of the members of the Fire Department are State Certified Firefighters. At the beginning of this year, half of the department took a 9-hour Radiological Monitoring Course, which was given by the State of N.H. FEMA.

I would like to thank all the medical squad and firefighters for the many hours they have given in service and training, and also to the families for many hours spent away from home. Also a special thanks to the Ladies Auxiliary for the service they provide at fires and trainings. We would also like to thank the residents of Webster for their support, donations, and help in so many ways. We can be proud that we have a welll-trained and equipped Fire Department. Thank you for a job well done.

Respectfully submitted,

P. WILLIAM WELCOME, Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1995, our three(3) leading causes of fires were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law and the other burning laws of the State of New Hampshire, are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

REPORT OF THE HIGHWAY DEPARTMENT

The 1995 year began with below average snowfall, affording us the opportunity to continue necessary road maintenance as well as accomplish additional improvements to town roads.

We installed culverts and removed rocks on White Plains Road next to the Austin Home. Cleared the ditches and the banks were cut back on Hardy's Hill. Ditches were cleared out and rocks were removed from Clough and Sanborn Hill Road. Brush was cut in numerous places around town, and several pines were cut on the south side of Clothespin Bridge Road to allow in more sun which should also help with the road conditions in the winter. Fifteen hundred yards of 1 1/2" crushed gravel taken from the town pit was spread on gravel roads, approximately 1 1/2 miles of sealing and a small amount of shim tar was applied to Pearson Hill Road and Pleasant Street. The lower section of Province Road was built up with bank run gravel and capped with 1 1/2" crushed gravel.

Deermeadow Road saw many changes in 1995, including 1800' of shim and overlay, several trees were cut, catch basins and culverts were installed. Ditches were cleared and rocks were removed. The dangerous intersection of Deermeadow and Corn Hill Road was cleared and shaped for better view.

Mutton Road needed its annual washouts repaired. We will continue our efforts to obtain funding for the necessary work that needs to be done to stop the washouts from occurring.

October and November brought us wind and rain. We are working with the State Emergency Management Department to obtain emergency funds to help with the costs that were incurred during this time. While spending a lot of time taking care of the many washouts that occurred because of the excessive rain, Mother Nature marched us directly into winter. November 14th the snow began, it has yet to end! Because of the large number of snowstorms, we have exceeded the anticipated budget. Once again Mother Nature has the last word!

We look forward to another productive year. As always, we encourage you to call us with any questions or comments you may have.

Respectfully yours,

R. T. LAKE and CREW

REPORT OF THE BUILDING INSPECTOR

With Beaver Brook subdivision selling house lots, five of the sixteen building permits for 1995 were issued in this project.

The remainder were scattered throughout the Town.

Building Permit Applications can be picked up at the Town Hall during office hours. I will be glad to try and answer any questions you might have. Remember building permits come before any concrete.

Respectfully submitted,

EDWIN PIPER, Building Inspector

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission made site visits where required, especially to look into replacing existing retaining walls on Lake Winnepocket. We picked up trash at Knight's Meadow Marsh. Karen attended a forum of ten neighboring towns, and she has also received training to become a Land Steward for the Riverdale Sanctuary on Tyler Road. For two days in late April, MVHS students worked on trails in the Mock Forest. Liz Harvey is working on a trail map for the Forest, and wants to create an interpretive trail.

The town held a highly successful Household Hazardous Waste Pickup Day October 28, to which 43 loads of waste were brought to the school, with over 40 households participating; some joined others and shared a carload. It was the worst possible day, stormy, with high winds and rain; we congratulate all those who turned out. In November, we attended the Annual Meeting of the NH Association of Conservation Commissions and learned about ecological reserve systems, and problems other commissions have. Webster is grateful for the strong support of its commission from the town and Selectmen.

Respectfully submitted,

BETSY JANEWAY, Chairman BILL BIRD KAREN CZAJKOWSKI ELIZABETH HARVEY RICK LEHMANN

REPORT OF THE CEMETERY COMMISSION

In addition to the regular maintenance of the Town's cemeteries, the Trustees undertook the expansion of the Corser Hill Cemetery with the assistance of Adam Mock, his equipment, his helpers and their equipment. Adam was the low bidder for the project and was hired to complete the work last spring. The old Town Dump site on Pleasant Street Extension was used for the disposal of stumps and rocks. At the completion of the work, the weather turned very dry, so it was decided to wait until the spring of 1996 to seed the area. We have asked the Selectmen to encumber the unused funds, which is \$10,000, from the Capital Reserve money voted in 1995 to finish this work in 1996. Also in 1996 we hope to erect a new fence around the enlarged area.

During the summer of 1995, we updated the cemetery maps of all cemeteries in order to identify all available unused spaces.

Again in 1996 we will be hiring Susie Roberts and her able crew to do all the regular maintenance in the cemeteries. This has worked very well in past years; we feel the Town has received a very nice job for a very reasonable price.

It is the policy of the Trustees to provide Town Residents and Taxpayers with a cemetery plot without charge (up to 8' x 20'). If families wish to make a donation to establish a trust fund for their particular plot, the Town would be happy to accept same.

Respectfully submitted,

PATRICIA INMAN, Trustee BRENDA SILVER, Trustee RONALD FROST, Trustee

REPORT OF THE TRUSTEES OF THE WEBSTER FREE LIBRARY

The library welcomed 84 new borrowers in 1995, and increased its yearly circulation of books and other materials to over 9,000. 538 new books, audios, and videos were added to the collection, approximately 20 percent of these through donations. As always, the library benefited greatly from the generosity of the community through town funding, donations of money and of used books, and through the donation of time by the volunteers who staff the library in the evenings. A photocopier and an air conditioner were welcome additions.

Although both volunteers and attendance were down at our summer story times this year, the Summer Reading Program itself was a great success. We participated in the statewide "Saddle Up A Good Book" theme, placing our emphasis on the pioneer experience. Thirty-four children read their way across the country, placing stars for each book read on our map of the pioneer trails. By the end of the summer, 297 stars marked the way west. Leslie Collins and Pat Austin-Franks provided stories or entertainment for two of our story times, and Leslie Collins, Janice Dawe, Janice Healy, and the Cheney family provided refreshments. Our interlibrary loan program continues to grow, due to our computer and modem. Our library participates in the New Hampshire Automated Information Service, which enables us to request books electronically from many other libraries throughout the State. This past year, we borrowed 168 books from other libraries. In future years, we hope to provide other services to our patrons through computerization.

As usual, the trustees owe a long list of thank-yous to the volunteers who staff the library when the librarian is not on duty; to all those who have donated books during the year; to the children of the Elementary School, who gave money in honor of Aime Roy, for the purchase of books; the Webster Fire Department for a gift of money; also Lamar and Judy Riggs, a gift of money; to Jim Clark-Dawe who paid for repairing the photocopier; Fred and Janice Dawe for renewing the Planetarium pass for another year; and to Jim Weld for getting and putting in the air-conditioning unit, with the help of Dick Ober.

Last, but far from least, we thank all those who use the library, making the whole thing worthwhile. Please don't hesitate to ask for something if you don't see it. If we don't have it, we can get it.

> Respectfully submitted, THE TRUSTEES JANICE DAWE ANNE HOLLAND SANDRA STARKEY

REPORT OF THE WEBSTER SPORTS COMMITTEE

The Sports Committee had another active and productive year. Webster sports continues to have a phenomenal participation rate of 92% of elementary children in one or more of the three sports (baseball, soccer, basketball) offered through the Town. In the past year the Committee renovated the soccer and baseball fields and brought them up to match the standards of the rest of the leagues. Life was made a little easier for those who run the concession stand and for the Old Home Day Committee with the installation of electricity to the baseball field/park. The Committee would like to thank all its volunteers, coaches and parents for making sports a fun, safe vehicle for the children of Webster.

Respectfully submitted,

LINDA McFARLAND, President JACK CHWASCIAK, Vice President BARBARA O'BRIEN, Secretary TOM HAYS CHRISTINE GREEN JOE HOCHREIN GIL ROWLENSON RALPH McFARLAND

REPORT OF THE WEBSTER PLANNING BOARD

Updating the town's Capital Improvements Program (CIP) topped the Planning Board's agenda for 1995. Lamar Riggs chaired a special committee made up of David Batchelder, Gordon Bezanson, Robert Drown, George Hashem, and Mark Moser. Working closely with town departments, the committee compiled a list of necessary capital improvements, estimated their costs, and projected a possible funding schedule for the next five years.

The CIP is not a budget but a guide that will help the town plan for future expenditures. The Planning Board accepted the committee's report at a public hearing in November and forwarded it to the Board of Selectmen for use in budgeting. The CIP should be updated every year to be most useful.

In other business, the Planning Board approved three subdivisions: three lots on Corn Hill Road; two lots on Bashan Hollow Road; and two lots on Route 127. The Board also approved a small number of minor lot line adjustments, reviewed several conceptual plans, and inspected gravel pits and took appropriate action as necessary. Thanks to the CIP committee members and especially to Lamar Riggs, who finished up his long tenure on the Planning Board this year.

Respectfully submitted,

RICHARD OBER, Secretary

REPORT OF THE OLD HOME DAY COMMITTEE

Webster residents and visitors participated in a 97-year-old tradition the celebration of Webster's Old Home Day on August 19. Festivities began with a parade at 10 A.M. from the Blackwater Dam to the William Pearson Memorial Park. Participants included Floats; Antique Vehicles & Engines; Marchers — adults, children and groups; Horses; Decorated Bicycles and Clowns. All parade entries received a monetary prize.

This year's Grand Marshal was Elizabeth "Betty" Pearson of Little Hill Road. At the end of the parade a variety of activities took place in the park including games for all ages (3-legged race, bean bag toss, sand dig, pie eating, relay races, egg toss, doughnut on a string, wheelbarrow races, seed spitting, frog jumping, greased pole climbing, etc.); a Horseshoe Tournament; Exhibits by Webster & Professional Association; music by the "Strings 'N Things" singers who returned by popular demand. The crowd enjoyed free hot dogs, punch and watermelon provided by the Old Home Day Committee and prepared by the Webster Police Explorers.

Special recognition awards were given to: Marion Davis, 96, for the oldest person present; Pearson family (16 members) for the largest family; David and Andeanna Sanborn of Norwalk, Conn. as the persons who traveled the farthest.

At 2 P.M. a softball game between the Webster Hy-Mar Fire and the Boscawen Fire Departments was held which included lots of laughs as the firefighters played ball in firefighting gear — including boots — while they traversed obstacles in the baseline (like jumping through tires, hitting a grapefruit disguised as a softball, and standing or sliding into second base which was, in reality, a kids' swimming pool). Hopefully, this will become a new tradition.

A chicken barbecue, sponsored by the Webster Congregational Church Senior Choir, was held at the Town Hall. A public dance in the Hall ended the day's activities and had everyone rocking.

On Sunday, August 20, the traditional Old Home Day Church Service was held at the Webster Congregational Church when former Webster Town Clerk Ruth Stebbins was the guest speaker who took you on a journey through some of Webster's history as she remembered it.

As President of the Old Home Day Committee I would like to give a special and heartfelt thank you to the greatest committee anyone could work with: Sandra & Glen Creighton, Barbara and Joe Hochrein, Cathy & Elwin Young, Gene Blake, Larry & Linda Amos, Jeanne Chwasciak, Beth Blake & Chris Ginty, and new members Lorna Bates, Nate Foose, Thad Dougherty, Ruth Andrewski, and to those non-committee people who helped — Pauline Colby, Jim Weld, Robert Bates, Eleanor Hoffman (hope I didn't miss anyone!). We could always use extra people — call one of us!

Mark your calendars now for the 1996 Old Home Day celebration which will be held on Saturday, August 17. The festivities will celebrate the Webster Hy-Mar Fire Department's 50th year of operation!! COME AND JOIN US !!!

Respectfully submitted,

NORMANDIE BLAKE, President Webster Old Home Day Committee

REPORT OF THE TOWN HISTORY COMMITTEE

Temperature records were broken in January, with highs of 63 degrees in Concord on the 16th. Atop Mt. Washington, the temperature reached 44 degrees on January 15th and 16th. On the same date in 1994, -42 degrees was recorded. The summit had no snow and just a little ice. Some ski areas closed because of lack of snow. Many small streams flooded their banks.

Suppers benefiting the church were again held on the second Saturday of each month from January through May.

The Food Pantry had another successful year.

On December 28, 1994, a rabid raccoon bit Marjorie Andrews just outside her Battle Street home, bringing the rabies situation to reality for Webster residents. Dogs and cats now have to be vaccinated for rabies, due to the outbreak and spread of this disease. All animals exhibited at fairs must also be immunized. On February 11, the trailer owned by David and Doreen Potter on Guideboard Hill Road was gutted by fire, apparently caused by a wood stove. It was reported by a passing snowmobiler. The Potters have rebuilt at the same location.

Steven Faer, an officer on the Webster Police Department for the past seven years, was appointed Police Chief on February 20, 1995.

The Homer Hunt Sports Banquet, which honored over 120 children from the first eight grades who participated in softball, baseball, soccer or basketball (as well as 30 coaches and assistants), was held in March.

Town Meeting elections were held on March 14, 1995. Robert Drown was elected Selectman with 314 votes. Nathan Foose received 94 votes and Richard Lehmann 17. Linda McFarland was elected Town Treasurer, replacing Linda Lorden, who did not seek reelection. The business part of the Town Meeting was held on the following Saturday, March 18, with one of the largest attendances in several years. The voters, apparently conscious of their tax bills and wallets, voted "no" to Kindergarten, road repairs and a higher police budget.

Selectman James Weld resigned on April 17th. RSA 669:63 states that when the two remaining Selectmen fail to agree on an appointment, the Superior Court or any justice thereof, on petition of any citizens of the town, and after such notice as the Court shall deem reasonable, may appoint a suitable person to fill the vacancy.

On June 6th a petition was presented to Superior Court in the name of David Batchelder, along with 247 signatures of eligible voters in the Town of Webster. An additional 60 signatures were gathered before the hearing, for a total of 307. A hearing was held in Superior Court on July 10th and the Judge gave Selectpersons Blake and Drown a week to agree on someone to replace James Weld. When an agreement failed to be reached, David Batchelder was appointed by the Court.

The New England Divisional Championship of Kayak racing was held for the 14th year below the Blackwater Dam on April 22nd & 23rd. There were 126 entries. The U.S. Olympic Festival with Kayaks and Canoes was held on April 29th & 30th near the bridge on Tyler Road. There were 93 entries, with a good turnout of enthusiastic supporters.

The "Over 80" party sponsored by the Webster Meeting House Society, was held on July 9th.

Summer suppers, a longtime Webster tradition, began on Saturday, July 2nd and continued for seven weeks.

The State assessors finished their work, and booklets with everyone's new assessments were mailed in July; next, the wait for the tax rate.

The 97th Old Home Day was held on August 19th. Elizabeth (Betty) Pearson was the Grand Marshal of the parade. Games, music by "Strings 'N Things," a chicken barbecue and a dance were included in the celebration. Ruth Stebbins was the guest speaker at the Sunday Old Home Day Church Service.

August 27th was Dr. Frank Irvine's last Sunday as Webster's interim

minister, having served the Webster Church for the past year and a half. The new Pastor for the Webster Congregational Church is Cheryl Garbos. Thirty persons attended Christian Education camps during the summer months.

The Road Agent's employees brought a complaint to the Labor Board for overtime due them in the amount of \$3,000 from the Town of Webster; it cost the town an additional \$8,000 for attorney's fees.

The Webster Church Booth at Hopkinton Fair was again successful. Thanks to all the wonderful people who donate their time and labor for a great cause.

The town-wide yard sale, sponsored by the Webster Firemen's Relief Association, was held on the rain date, September 24th with over 80 families participating.

In a nationwide crackdown of child pornography on computers, the F.B.I. raided a home in Webster and seized a computer, one of 125 seized across the nation.

Work continues on the 911 program. The emergency number is operational, but street numbers are not yet in use. Target date is set for February, 1996.

The Town Christmas Party was held at the Old Meeting House on December 3rd.

The snowfall for November/December, 1995 exceeded that of the entire winter season of 1994-95 by more than four inches. By the end of December 1995, over 40 inches had fallen.

TOWN MEETING - March 18, 1995

The meeting was called to order by Moderator Harold Janeway at 10:00 A.M. He suggested a moment of silence before we start as this may be the only quiet for some time. He also made a personal observation that a corrosive atmosphere is not productive nor healthy. Cooperation rather than conflict is the reason so many good things have happened in Webster in the past. The audience applauded his thoughts. Results from Tuesday's election were read by the moderator. Moderator recognized Selectman Bill Bird for the purpose of giving an overview of the 1995 proposed operating budget and comparison to the 1994 budget. He used a chalkboard and written chart to show the difference in numbers and how this would reflect on the tax bill. George Cummings, Gordon Bezanson and David Batchelder each commented or questioned the increase of up to 15% over last year.

2. To see if the Town will vote to put in a Public Access and a Public Beach into Lake Winnepocket. Residents tabled the article because the Austin family is currently negotiating with Fish and Game Department to sell the state land for a boat ramp with parking area. Glen Blanchette mentioned that Steve Banis, who originated the petition for this article, was taken to the hospital the previous evening and could not make the meeting today. Moderator Janeway asked the audience to support a quick recovery for Steve. After much discussion with comments or statements from Janice Dawe, Susan Austin, Robert Drown, Nate Foose, Sally Lake, Clayton Longver, Fred Murphy, Jon Pearson, Nancy Webster and George Cummings, Randy Inman moved to table the article. (TABLED BY VOICE VOTE)

3. To see if the Town will vote to raise and appropriate the sum of \$14,000. to operate the Webster Kindergarten Inc. located in the lower level of the town hall. It is with the understanding that this kindergarten will continue to be run and operated by a representative board of parents whose children are enrolled for that particular year. Students outside of Webster may be tuitioned in if space is available. Revenue from non-Webster residents would be directed to the town's general fund. (By Petition)

Jeanne Chwasciak, a representative from the Kindergarten, explained the article and fielded questions from the audience. Comments supporting or opposing were heard from Carolyn Davis, Pam Welcome, Beverly Russell, Barbara O'Brien, Peter Johnson, Richard Doucette, James Clark-Dawe and David Batchelder. (DEFEATED VOICE VOTE)

4. To raise and appropriate the sum of \$24,000. for extension of and improvements to Corser Hill Cemetery and authorize the withdrawal of this amount from the Capital Reserve Fund created for this purpose. This article was amended to read "To see if the Town will vote to raise and appropriate the sum of \$30,500. for extension of and improvements to Corser Hill Cemetery and to authorize the withdrawal of \$24,000. from the Capital Reserve Fund created for this purpose, with the balance of \$6,500. to come from the sale of the timber harvested from this site". Readjusted figures were clarified by Patricia Inman. (PASSED VOICE VOTE)

5. It was voted to raise and appropriate the sum of \$30,000. to be added to the previously established Capital Reserve Funds as follows:

Cemetery Improvements	\$ 3,000.
Reappraisal	5,000.

Police Cruiser		5,000.
Fire Truck		10,000.
Fire Station		5,000.
Highway Equipment		1,000.
Office Equipment		500.
Town Hall		500.
	TOTAL	\$30,000.

(PASSED VOICE VOTE)

6. It was voted to raise and appropriate the sum of \$158,359. for General Government:

value valu	
Executive	\$ 8,050.
Election, Registration & Vital Statistics	9,100.
Financial Administration	59,450.
Revaluation of Property	6,000.
Legal Expenses	4,500.
Employee Benefits	21,590.
Planning & Zoning	3,250.
General Government Building	14,625.
Cemeteries	6,300.
Insurance	21,800.
Advertising and Regional Associations	1,194.
Other General Government (Contingency Fund)	2,500.
TOTAL	\$158,359.

Barbara Mock clarified why the employee benefit line item had increased by \$10,000 as questioned by Jack Chwasciak. (PASSED VOICE VOTE)

7. To see if the Town will vote to raise and appropriate the sum of \$129,708. for Public Safety:

Police		\$ 86,106.
Ambulance		11,000.
Fire		27,027.
Fire - Medical		4,450.
Building Inspection		700.
Emergency Management		50.
Other - Flashing School Lights		375.
	TOTAL	\$129,708.

The Article was moved and seconded to take action on Article 7.

Ed Hughes motioned to move this article until the end of the business meeting. Richard Doucette requested it be discussed right now. David Batchelder requested a breakdown of the Police Department Budget which was done by Selectman Jim Weld; he stated the total Police figure should read \$85,106. Chief Faer's salary of \$27,000/year was questioned as this was above what former Chief Aime Roy was making after 18 years. Selectman Bill Bird said the Board hired Mr. Faer at the market going rate for police chiefs. Randy Inman questioned the increase for the proposed second officer and the part-time officers which would total over \$7,000. with concern expressed over the steady increase of the Police Department.

Peter Johnson motioned to amend the article to roll back to last year's level for a total of \$77,351. for the Police Department Budget. Moderator Janeway explained that an article can be amended but it does not bind the Selectmen from transferring amounts from one item to another. Chief Faer addressed the audience in regards to the Police Department budget increase. Selectman Bird advised the Selectmen's obligation was to the bottom line of the budget. The vote taken on the amendment was passed (HAND VOTE).

A vote was taken on Article 7 as amended to read \$120,953. (PASSED VOICE VOTE) Randy Inman made a motion to restrict the reconsideration of Article 7, seconded by David Batchelder. (PASSED VOICE VOTE)

8. It was voted to raise and appropriate the sum of \$129,600. for Highways and Streets:

	\$124,600.
	5,000.
TOTAL	\$129,600.
	TOTAL

(PASSED VOICE VOTE)

9. It was voted to raise and appropriate the sum of \$22,660. for Deer Meadow Road improvements. Jon Pearson questioned the repaying of this project where the patch from the water works line crosses the road and the fact that the break will never be as good as a completely paved road. He wanted to know who pays for the repaying. Road Agent Robert Lake stated he had told Pillsbury Lake District they would have to pay for that section from where the patch was to where he stopped. (PASSED VOICE VOTE)

10. To see if the Town will vote to raise and appropriate the sum of \$125,700. for road repair, and/or reconstruction as follows:

a. Corn Hill Road from Deer Meadow Road	
to the Boscawen Town Line -	\$37,800.
b. Holling Drive from Lake Shore Road to end -	\$17,900.
c. Roby Road -	\$30,000.
d. White Plains Road -	\$30,000.
e. Pond Hill Road -	\$10,000.

Comment from Selectmen Bill Bird that the Selectmen would like to change their recommendation to not recommend and this was put as more of an advisory nature. Road Agent Lake explained that he had listed the roads according to priorities and would strongly recommend restoration of Pond Hill Road.

Mr. Lake made a motion to amend article 10 to read \$10,000 for road repair on Pond Hill Road. (NOT PASSED VOICE VOTE)

Roy Fanjoy motioned to amend this article to appropriate \$50,000 for

road repair as needed to be determined by Selectmen and Road Agent. (NOT PASSED VOICE VOTE)

Richard Ober motioned to amend article to include item a. \$37,800 to include a maximum of \$5,000 to be reserved to help with engineering study for the CIP. (NOT PASSED VOICE VOTE)

The Planning Board will spend the next year working on a five year plan for roads and highways to be presented in a revised Capital Improvements Program.

Comments were heard by Marg Blanchette, Dave Batchelder, Jim Carey, George Cummings, Randy Inman, Denny Stevens, Peter Johnson, Lamar Riggs and Linda McFarland. Pat Inman motioned to restrict reconsideration of Articles 8, 9 and 10. (PASSED VOICE VOTE)

11. To see if the Town will vote to raise and appropriate the sum of \$16,000. for the purchase of CTS material. Note: Mr. Lake corrected this to read "purchase of MTS material". Mr. Lake made a motion to amend this article to read for sealing existing roads. Martin Bender questioned the legality of substitution of sealing for purchase of MTS as it had not been forewarned in the posted warrant. Original Article moved to vote, seconded. (NOT PASSED VOICE VOTE)

12. It was voted to raise and appropriate the sum of \$88,860. for Webster's share of expenses of the Hopkinton-Webster Sanitary Landfill/ Transfer Station. Comments were made by Duane Anderson and Robert Drown, Jr. regarding experience of disposal of certain items at a fee, suggesting that we pay enough taxes already, at the landfill and discussed the landfill committee look into waiving these fees. Betsy Janeway inquired as to where the article on hazardous waste collection was as she had been told it would be on the warrant. Selectman Bird advised there were no available figures, collection point or dates. Moderator Janeway asked if it could be taken up under ordinary business with the Selectmen. (PASSED VOICE VOTE)

13. To see if the Town will vote to raise and appropriate the sum of \$28,545. for the following:

Health Department		\$ 108.
Franklin Visiting Nurse Association		2,318.
Welfare Department		5,500.
Community Action Program		2,358.
Parks & Recreation		986.
Youth Sports Program		2,470.
Library		12,000.
Patriotic Purposes - Old Home Day		2,430.
Conservation Commission		375.
	TOTAL	\$28,545.

Dick Ober proposed to amend the Conservation Commission from \$375. to \$1,575. to fund participation in hazardous waste collection. (PASSED VOICE VOTE) Motion to vote on Article 13 as amended to now read \$29,745, seconded. (PASSED VOICE VOTE)

14. It was voted to raise and appropriate the sum of \$35,780. for Debt Service:

Principal - Long Term Bond		\$20,000.
Interest - Long Term Bond		8,280.
Interest - Tax Anticipation Notes		7,500.
	TOTAL	\$35,780.
	TOTAL	\$35,780.

(PASSED VOICE VOTE)

15. It was voted to raise and appropriate the sum of \$8,247. for the following:

a. Fire Department - equipment	\$6,847.
b. Fire Department - medical equipment	700.
c. General Govt. Bldg tables & chairs	400.
d. Library - air conditioner	300.
PASSED VOICE VOTE)	

16. To see if the Town will vote to raise and appropriate the sum of \$8,000. for improvements to the roof of the Police Station building. George Cummings proposed to amend to read "To see if the Town will vote to raise and appropriate the sum of \$1,000 for any improvements to the roof of the Police Station Building as determined by the Building Inspector." Motion to vote on the amendment to Article 16, seconded. Motion to vote on Article 16 as amended, seconded. (PASSED VOICE VOTE)

17. To see if the Town will vote to raise and appropriate the sum of \$4,000. for paving at the town hall. Selectman recommend this article be voted down as it was originally to be done with the MTS material. George Cummings mentioned that if paved, then salt would be needed and years ago they had guaranteed neighbor Richard Doucette that this would not happen. Pat Inman advised Selectmen that it would save the floors of the hall if a portion of the building parking lot were paved - Selectmen will take this under advisement. Motion to vote on Article 17 moved, seconded. (DEFEATED VOICE VOTE)

18. It was voted to raise and appropriate the sum of \$2,000. for dry hydrant installation. (PASSED VOICE VOTE)

19. It was voted to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19. (PASSED VOICE VOTE)

20. It was voted to authorize the Board of Selectmen to accept gifts of

personal property which may be offered to the town for any public purpose, pursuant to RSA 31:95-e. The selectmen must hold a public hearing before accepting such gifts, and the acceptance shall not bind the town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property. (PASSED VOICE VOTE)

21. It was voted to authorize the Tax Collector to accept prepayment of taxes. (PASSED VOICE VOTE)

22. It was voted to authorize the Selectmen to sell, trade or dispose of any surplus equipment, vehicles or items which are available or become available during the year, at an amount or in a way they determine to be in the best interest of the Town. (PASSED VOICE VOTE)

23. To transact any other business that may legally come before this meeting. Betsy Janeway entertained the motion that the Town vote the sum of \$7,000. to help pay for the kindergarten teacher's salary. Moderator Janeway stated the proposal should be in the form of an amendment - a move to reconsider Article 3. A vote to reconsider Article 3 was moved and seconded. A show of hands voted down the reconsideration of Article 3.

David Batchelder displayed the 1994 NHMA annual Town Report 1st place award given to Webster (awarded in 1994 for the 1993 Town Report) report and acknowledgment should be given to Barbara Mock and Judy Jones for their hard work on this project.

Randy Inman expressed appreciation on behalf of the audience for the great job done by Moderator Janeway under difficult circumstances.

At this time outgoing, retiring Selectman Bill Bird was thanked for his six years of service as Selectman. Selectman Jim Weld presented him with a plaque from the Town of Webster and Selectwoman Dee Blake presented him with a card and personalized jacket. Mr. Bird gave a small speech in parting and received a warm round of applause from the crowd.

Newly elected Selectman Robert Drown addressed the audience briefly and thanked the Town for their support.

Selectman Jim Weld updated the town on progress of the E-911 committee. Pat Inman, on behalf of the Cemetery Commission, introduced Phyllis Longver and thanked her for the extensive work she has done on the History she compiled about the Town cemeteries.

Retiring treasurer Linda Lorden (though not present) received thanks for her years of service to the Town.

Meeting adjourned at 1:50 P.M.

Respectfully submitted,

BARBARA HOCHREIN, Town Clerk
