**COMMISSIONERS' REPORT**

---

To the Citizens of Belknap County:

In compliance with the laws of the State of New Hampshire, the Commissioners of Belknap County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of the Farm and House of Correction, Clerk of Superior Court, Sheriff, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1936.

Unemployment is still our greatest relief problem, but the continuance of the ski project in Gilford, N. H., has aided materially in the reduction of relief costs. This project is one of the largest if not the largest of its kind in the east. As sponsor of the project Belknap County has contributed engineering service, transportation, and materials, but for every dollar paid by the County the Federal Government has paid about four in labor costs. That is, each month there is paid to the workers on the project approximately four times the amount contributed by the County. Construction on the Weirs-Meredith Road has also provided work for the needy.

Another worthwhile project started in 1936 was the Recopying of Records for the Register of Deeds Office. Prior to 1841 Belknap County was a part of Strafford County, therefore all records prior to that date were in the office of the Register of Deeds, Dover, N. H. The copying of these records has provided work for quite a number of unemployed.

At the County Farm the entire interior of the jail has been refinished and the beds equipped with new mattresses. A temporary barn has been built for the storage of hay. In October we started rebuilding the

County Farm barns. This work is being carried on with the help of the Federal Government and will be completed in the early summer.

General upkeep and repairs were made at the Court House and steel cabinets were installed in the office of the Register of Probate.

We wish to express our thanks and appreciation to Mr. and Mrs. W. J. Hartford, Superintendent and Matron of the County Farm, for their splendid work at the Farm. We also desire to express our appreciation for the excellent service of the Chaplain, Physician and all connected with the Farm.

In closing we wish to express our appreciation to the overseers of the poor and selectmen in the several towns for their splendid co-operation in assisting us in County affairs, and to all the people and organizations that have interested themselves in the welfare of county dependents.

Respectfully submitted,

JOHN MORRISON,  
JOSEPH F. SMITH,  
ARTHUR D. ROLLINS,

Belknap County Commissioners

We hereby certify that we have carefully examined the accounts of the County Commissioners and Treasurer, and cash account of the Superintendent of the County Farm for the six months ending June 30, 1936; that said accounts are properly kept, correct and well vouched; that the sums charged therein for articles purchased appear to be according to the market value and price, according to the best of our information, knowledge and belief; that all such articles have been used for the benefit of the county; and that the charges for expense of the county commissioners appear reasonable.

The County Commissioners have furnished us a sworn statement showing there are no bills outstanding against the county, except for amounts due in the several towns for aid rendered to paupers and soldiers and their families, bills that have been contracted at the County Farm since the last settlement, court orders and expenses, the amounts of which are unknown to them, amounts due commissioners, sheriff, and solicitor for services since June 1, 1936; and treasurer for services and commissioners for expenses since April 1936; and notes to the amount of \$200,000.00, secured in anticipation of taxes.

**REPORT OF COUNTY SOLICITOR**

---

February 10, 1937

To the County Commissioners

Gentlemen:

I herewith submit my report for the fiscal year as your Solicitor.

The bulk of the work of this office during the past year has been in the prosecution of some eighty-five criminal cases in the various County Municipal Courts and the Superior Court. There were fifteen indictments returned by the Grand Jury at the March Term, 1936, all of those indicted pleaded and were sentenced by the Court. At the October Term fourteen indictments were returned. Three of those indicted pleaded not guilty and two were tried before petit juries resulting of one conviction and one finding of not guilty. The third man agreed to trial before Court and was found guilty.

I have been required to appear very frequently in the Laconia Municipal Court and occasionally in the Tilton, Meredith, and Alton Municipal Courts on criminal business.

The legal business of the County has been given my careful consideration and I have rendered numerous opinions and interviewed many people relative to the disposition of relief cases and other matters pertaining to the welfare of the County.

Respectfully submitted,

HAROLD E. WESCOTT

**CHAPLAIN'S REPORT**

---

Belmont, N. H.  
February 12, 1937

To the Commissioners of Belknap County:

Gentlemen:

In submitting my fifth annual report as Chaplain of the Belknap County Farm I feel deeply indebted to you as Commissioners for the wonderful spirit of co-operation you have shown me in the work I have endeavored to do among the inmates at the Farm. I also wish to thank Supt. and Mrs. Hartford for their cordial and sympathetic support of my work as Chaplain and also all those who are assisting in the care of those in our institution, for all have shown me the utmost respect and kindness. I should feel that I had been recreant if I failed to thank those who have helped in the services during the year past, their assistance has been invaluable in making the meetings successful.

The monthly meetings have been well attended and I feel that they have brought much comfort and cheer to all who attend. I have tried to arrange programs both interesting and spiritual so that each person might carry away something that would be a blessing during the month.

During the year special services were held at Easter and Christmas, and on Christmas Day, accompanied by a group of my singers, I held meetings in all the departments, singing the beautiful Christmas carols and offering prayer. We were most kindly received both in the Jail and House of Correction. Several of

the men thanked us for coming.

The past year has taken a heavy toll in death among the older inmates and I shall miss their kindly greetings. I feel to thank God for the splendid care taken of those who are so alone with no friends to stand by or even come to their funerals. Mr. and Mrs. Hartford have shown themselves to be most thoughtful and kind in all their work among the inmates, always showing the greatest of consideration for the sick and dying.

I want to express my appreciation to the members of The Christian Mission of Laconia, for the joy they brought to the inmates on Flower Day under the able leadership of Mrs. Ethel Dinsmore Smith who conducted a program and gave gifts and flowers to all at the Farm.

Trusting that the blessing of God may rest upon you and the interests of Belknap County, I am

Sincerely yours,

FREDERICK W. FITZPATRICK

Chaplain.
