Annual Report
of the
Town of
Canaan, NH
For the year ending
December 31, 1993

The 1993 Town Report is dedicated to Marvin Roche for his many years of volunteer service to Canaan and it's residents. Marvin has never learned the word "no" as a reply to a request for assistance. Although he is No. 1 in the No. 2 Business", more importantly he is a "10" in the eyes of the citizens of Canaan.

Town of Canaan

To the inhabitants of the Town of Canaan, New Hampshire, who are qualified to vote in Town affairs.

You are hereby notified that the annual town meeting of the Town of Canaan, New Hampshire, will be held at the Canaan Fire Station on Tuesday, March 8, 1994, at 10:00 A. M. to act upon the following articles:

ARTICLE 1: To vote by non partisan ballot for the following Town Officers:

- A Selectman for a term of three years
- A Moderator for a term of two years
- A Treasurer for a term of one year
- A General Assist. Officer for a term of one year
- A Chief of Police for a term of three years
- One Trustee of the Trust Funds for three years
- Two Planning Board Members, three year terms
- One Library Trustees for a term of three year
- One Checklist Supervisor for a six-year term
- Three Budget Committee Members for three years
- Three Budget Committee Members for one years
- One Budget Committee Member for two years
- Any other Town Officer that is required by law.

ARTICLE 2: (Petition Article) Are you in favor of increasing the Board of Selectmen to Five (5) members.

Polls will be opened for voting by ballot for the Election of Town Officers and Article 2 at the Canaan Fire Station on Tuesday, March 8, 1994, at 10:00 A.M. and will close at 7:00 P.M. unless the Town votes to keep the polls open to a later hour.

At the close of the polls, the meeting will be adjourned until 1:00 P.M. on Saturday, March 12, 1994, at the Canaan Elementary Sc hool at which time the following business will be transacted.

To vote on Articles Three through Twenty Nine.

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of Five Hundred and Fifty Thousand Dollars (\$550,000.) for the reconstruction\and renovation of the existing town office building; such sum to be raised through the issuance of bonds and notes under and in compliance with the Municipal Finance Act, RSA 33:1, et seq, as amended; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable thereto; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; to authorize the Selectmen to take any other action or to pass any other vote relative thereto. (Two-thirds ballot vote required; polls to remain open for a least one hour.) (Board of Selectmen Recommend; Budget Committee Recommends, 4-2)

ARTICLE 4: Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept, and expend, without further action by Town meeting, unanticipated money from a State, Federal or other governmental unit or a private source which becomes available during the fiscal year.

ARTICLE 5: Shall the town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Public Library Trustees to apply for, accept, and expend, without further action by Town meeting, unanticipated money from a State, Federal or other governmental unit or a private source which becomes available during the fiscal year.

ARTICLE 6: To see if the Town will authorize the Selectmen, indefinitely or until rescinded at an annual town meeting, to dispose of tax deeded property to the highest bidder of a properly advertised auction, by public bid or by receipt of sealed bids, except that the Selectmen may reconvey residential properties still occupied by the previous owner, to that owner, on such terms and conditions as the Selectmen deem just. In no event shall the total considerations be less than the unpaid taxes, plus interest and costs, and any other related expenses that the Town has incurred.

ARTICLE 7: To see if the Town will vote to authorize the Selectmen to accept gifts in the name of the Town of Canaan. RSA 31:19

ARTICLE 8: Shall the town accept the provisions of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes.

ARTICLE 9: To see if the Town will vote to rescind its adoption of the Budget Act as provided by RSA 32:14 paragraph 5, and to create a new Budget Advisory Committee. The new Committee would be composed of four members. Three would be elected to staggered three year terms. One would be appointed by the Budget Advisory Committee and Selectmen for a term of one year. Vacancies would be filled in the same manner. The Budget Advisory Committee would be responsible for working closely with the Selectmen to complete a Selectmen's budget for Town Meeting approval. The Budget Advisory Committee would have the independent responsibility to recommend or not recommend warrant articles. If approved, the newly defined Budget Advisory Committee would take effect after the Town Meeting of 1995.

ARTICLE 10: To see if the Town of Canaan will authorize the prepayment of property taxes due the town to the Tax Collector as provided in RSA 80:52-A.

- ARTICLE 11: To see if the Town will vote to raise an appropriate the sum of Six Thousand Dollars (\$6,000.) to cover the cost of erecting street signs on Town streets and roads in compliance with RSA 231:133. (Selectmen Recommend; Budget Committee Recommends, 5-1)

REPORT OF TRUSTEE OF TRUST FUNDS AND CEMETERY TRUSTEES

This year you will notice in the Warrant articles a request or \$6500.00 to repair and/or reset damaged headstones in the various cemeteries. We want to explain why this is being presented as a Warrant Article.

The care and maintenance of headstones is not included in the definition of general maintenance. Therefore it is not paid out of trust funds. In some cases, family members will take responsibility for them, however there are many which are not being taken care of, for whatever reasons. We, as trustees, feel that something should be done to preserve the stones, and we have asked the selectmen to include the Warrant Article. It is our intention that the older broken stones will be patched and/or reset, if possible, but not to do extensive work at cleaning or restoring them. We know that the \$6500.00 will not cover all the stones in every cemetery, but we will begin with the areas that need it most. From the trust funds over \$20,000.00 a year is spent maintaining the cemeteries, and to have the headstones broken and on the ground does not compliment the efforts.

Please lend your support by passing this Warrant Article.

1993 SELECTMEN'S REPORT

Overseeing the daily functions of the town requires an eye to the future. Today's decisions must reflect short and long term needs. To that end the Selectmen have enjoyed a year of thoughtful dialogue and respect for each other's opinions. We have encouraged participation from Mr. Bucklin, and we thank him for his insights.

Seeking legal and professional expertise has perhaps been a "sign of the times" this year. Town counsel and Municipal Resources Inc. have helped guide us with long term policy and management. They have also helped address difficult personnel issues. Continuing public concern regarding the Police Department brought us into a stop-and-go dialogue with the County Attorney - a process which has been frustrating for the Selectmen as well as townspeople. By necessity the Board has proceeded cautiously.

In other areas, the Board completed the second round of the Housing Rehabilitation Grant. Another federal grant helped us address handicapped accessibility to the Municipal Building. Combined work with the Conservation Commission resulted in a generous land easement, donated by Mr. Tansey.

Recognizing the need for effective communication with town departments and employees, Department Head meeting began this year. Job descriptions and evaluations were formally put in place. After discussion with department heads, employees, and an especially good coordination with the Budget Committee, a comprehensive wage/step plan was completed.

Our special thanks to Sherrill, Gloria, Ed and Dexter for maintaining an upbeat yet professional office. Thanks to all employees and volunteers for your true community spirit while performing daily tasks. In appreciation to the community for a year of your comments, constructive criticism, and support, we are.

ADMINISTRATOR'S REPORT

"It's a wonderful feeling when you discover some evidence to support your beliefs."

Anonymous

In reflecting on the year past, it leaves me with the feeling that it "was the best of times and it was the worst of times". As in the past, there were times when, in the interest of the common good, the Town's energies were focused and committed to improving the quality of life in Canaan. There were other times when our focus and energies were committed to less than such noble endeavors.

In the past, the problems appeared smaller and the solutions seemed to come easier. However, the ever increasing complexities of the municipal function, even in small towns, often make the governing process appear extremely slow and ineffectual; generating a general sense of frustration. The recent tragic events in two small New Hampshire towns have brought close to home the potential for irrational action when one feels mired in hopeless frustration.

As we prepare for our annual right and obligation to determine a curse and establish a path for the future of Canaan at the 1994 Annual Town Meeting, may we be mindful of the needs and views of others and the potential frailty of the human spirit.

More specific to Canaan, last years Town Meeting strongly supported the candidacy of Gary Wood for Selectman. Gary's calm and thoughtful manner has contributed to the ability of the Board to discuss, in a more meaningful manner, the significant issues faced by the Board over the past twelve months. There appeared to be a mutual respect for the differing opinions of Board members and between the Board and the Administrative Assistant.

Ed Morse quickly became an integral part of the Town Office Organization after his election as Town Clerk/Tax Collector. His commitment and dedication to his office was essential in the relatively smooth transition to semi-annual property tax billing. The Selectmen's office looks forward to a long and cordial working relationship with Ed.

Upon Sandy Burke's elevation to the Upper Valley Lake Sunapee Council, the Town was very fortunate to obtain the services of Sherrill Smith as the Secretary to the Board of Selectmen. Sherrill has quickly become a valuable member of the central office team. Thank you for your quick adjustment to life in the public sector.

My report would not be complete without public recognition of Gloria Koch's contribution the smooth and efficient oversight of the Selectmen Office. Her professional competence and personal commitment to her responsibilities have been crucial to the successful operation of the Selectmen's Office.

I would like to take this opportunity to join with the many grateful members of our community and express my gratitude for the exemplary dedicated service Ben Yamashita has rendered to the Town. Ben's reasoned judgment and intellectual review of the issues that have confronted the Board during these last three years has been a steadying influence in an often times heated arena of public debate. We know you will still be committed to your public service in Canaan. Thanks Ben, and the best of luck in your new found leisure.

I hope you will have an opportunity to review the Articles before Town Meeting. If you have any questions please contact us at 523-4501.

The Board of Selectmen and the Budget Committee are unanimous in their support of the adoption of the a Pay\Wage Schedule based on the 1991 NHMA plan. The 3% adjustment for 1994 will be effective April 1, 1994. The Board reduced the increases between steps to 3% from the original 5%, and the number of steps has been increased from five to seven. On April 1, each covered employee will be placed on that step that reflects an increase of at least one percent above the employee's current salary/wage. Annually, upon a satisfactory evaluation, the employee would advance to the next within the labor grade. This step increase would be effective the first full work week following the employee's anniversary date.

The Board of Selectmen and Budget Committee feel that this schedule provides for a fair and equitable salary to the Town's employees, and request your support for this concept.

I look forward to seeing you at Town Meeting and hope that we may all be instilled with the wisdom of Solomon and enjoy the patience of Job.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL STRUCTURE RELATED MATTERS NOTED IN A FINANCIAL STATEMENT AUDIT CONDUCTED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Selectmen
Town of Canaan, New Hampshire

We have audited the general purpose financial statements of the Town of Canaan, New Hampshire for the year ended December 31, 1992, and have issued our report thereon dated March 26, 1993.

We conducted our audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, issued by the Comptroller General of the United States, and the provisions of Office of Management and Budget Circular A-128, "Audits of State and Local Governments." Those standards and OMB Circular A-128 require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Canaan, New Hampshire for the year ended December 31, 1992, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Canaan, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories:

ACCOUNTING APPLICATIONS

- Budget
- Cash and investments
- Revenue and receivables
- Service revenue and receivables
- Expenditures for goods and services
and accounts payable
- Payroll and related liabilities
- Debt and debt service expenditures
- Single Audit and similar grant programs

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

However, we noted certain matters involving the internal control structure and its operation that we have reported to the management of the Town of Canaan, New Hampshire in a separate letter dated March 26, 1993.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record and its distribution is not limited

1993 CANAAN PLANNING BOARD REPORT

With a rather sluggish economy and a slowdown of development, the Planning Board had a lighter schedule during 1993. While most of the activity was confined to smaller subdivisions, boundary line adjustments, and annexations; the Planning Board has been involved with the application for expansion of an existing mobile home park on Stevens Road. As of the end of the year, the application has been preliminarily approved subject to conditions which include the many state approvals needed for such an project. At the time of this writing (Feb. 1, 1994) state approvals for this project have not been secured and, therefore, final application and action by the Planning Board has not occurred.

At its regularly scheduled meeting son the second and fourth Thursday of each month, and at other meetings, the time and date of which are published in advance, the public is invited and input from the community is welcomed, appreciated, and well considered.

In 1994, the Planning Board will be considering applications and proposals which are pertinent to the Planning Board and will also be working on revisions to our subdivision guidelines. The intent of these revisions will be to enhance the public health, safety, and general welfare of the community and to encourage the Board to meet more effectively the demands of our evolving and growing community.

BUILDING PERMITS

A building permit is required whenever a property owner is building or modifying a structure on their property at a cost of \$500.00 or more. Roger L. Remacle, Sr., a long time resident of Canaan, is the Town's Building Inspector. His years of experience and vast knowledge are invaluable assets for an individual in his position, as well as for the residents of Canaan.

The issuing, recording and filing of the building permits allows the Town to maintain accurate records of new construction and renovations within the community, as well as assuring compliance of both with State building codes. The following is a list of the various types of building permits and the charge for each:

\$25.00	New house construction
\$25.00	Commercial construction
\$15.00	Manufactured housing
\$10.00	Renovations or additions
\$ 2.00	Renewal - permits are valid for 12 months

REPORT OF THE CONSERVATION COMMISSION

During 1993 the Town received a very generous gift of conservation land. William E. Tansey donated a 20 acre parcel of upland hardwood forest. The lot is located off of Fernwood Farms Road. It includes a large beaver pond and is a "a beautiful wetland - wildlife habitat." This conservation area will be available for educational and recreational use in the future. On behalf of the people of Canaan, the Conservation Commission thanks Mr. Tansey for his generosity and foresight in protecting and preserving this special natural resource.

This summer the Conservation Commission and the McKee property were selected by the UNH Community Environmental Outreach Program for assistance and study by UNH graduate students. The CEOPs project sent a team of five graduate students plus faculty advisors to Brownlee McKee's Bird in Hand Farm. During the fall they surveyed, studied, and evaluated soils, forest types, wildlife, and water quality. The data has been compiled in a natural resources inventory specific to the property. This spring a second team of students will continue the project and develop a master plan.

Reviewing Dredge and Fill Permit applications for the NH Wetlands Board continues to be a major responsibility of the Commission. Permit applications must be filed by anyone proposing any construction in a wetland or adjacent to open water. Applications are available from the Town Clerk and members of the Conservation Commission are also available should anyone have questions about the process.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During the Calendar Year of 1993, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were campfires left unattended, unsupervised children and debris fires that escaped control. All of these fires are preventable, but ONLY with your help!

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000.00 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wild land fires suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bear's 50th anniversary. The State of New Hampshire Forest Protection Bureau will be working with many other communities to spread the fire prevention message - "Remember... Only YOU can prevent forest fires". Fire prevention is the most cost effective fire suppression tool. Please be careful around fires and help us and our communities have a fire safe year.

"REMEMBER...ONLY YOU CAN PREVENT FOREST FIRES!"

Although fighting fires is our main function, the fire Department is involved in many other community enhancing activities. These include:

- sponsoring an active Boy Scouts Explorers Post, consisting of high school students, currently being trained in the fire-fighting sciences;

- Conducting various training seminars for our own members as well as for other neighboring departments to keep abreast of new knowledge, techniques, etc.,

- finishing installation of free smoke detectors into local homes, awarded through a grant from the state.

- awarding a scholarship to a Mascoma Valley Regional High School Senior who will pursue a career in fire-fighting,

- holding several breakfasts and our annual Ham and Bean supper, all cooked by our capable chefs and crew.

Burning permits are now required while snow is on the ground.

I would like to thank all the Canaan fire-fighters and their families for their dedication and devotion.

We look forward to serving the Townspeople of Canaan, with pride.

Respectfully submitted,
Tom McDermott, Fire Chief

CANAAN POLICE DEPARTMENT

In last years Town Report I made a pledge to continue to provide quality law enforcement services to the community. In light of the fact that a handful of individuals continue to be publicly critical of the Police Department, I am proud to say that the members of this department have demonstrated that they have never lost sight of the responsibility that we have in continuing to provide these vital services to the citizens of Canaan.

Throughout the year it seemed that we were busier than we ever have been. When the year end numbers were counted up I was astonished to find that there had been 536 more calls or an 18.2% increase in police services provided as compared to 1992. Needless to say, with this kind of increase in demand for police services, extra man hours were necessary to help cover the calls. I have also discovered that about 8% of all police calls are now being requested between midnight and six o'clock in the morning. Because we do not provide on-duty coverage for that time period it is necessary to have an officer on call and available to respond during this period. So far this is working out OK by paying overtime to the officer being called out, however, as the demand for calls increase during this period it will become necessary to add a third shift.

In August, after serving more than 20 years in the law enforcement community, Officer Glen Taylor decided to take his retirement. Glen had served as a patrolman for the Town of Canaan for the past five years. During that period he made many friends inside and outside of the department. We would like to thank Glen for his contribution to the department and the Town. We also would like to extend to Glen and his family the very best wishes for his retirement.

Alcohol and drug abuse continue to be a problem in our community. Nearly all of the domestic complaints and family problems that we are called to are triggered by one or more participants overindulging in the use and abuse of mind altering drugs. These situations are especially dangerous to the responding police officer. To deal with these problems the

Canaan Police Department is providing ongoing in service training for its members in the domestic violence laws along with officer safety. After the initial police contact, where it is obvious that this type of problem is present, the police department is turning to other public service agencies who specialize in these types of situations to help and hopefully provide some resolve.

I am very much looking forward to continue providing law enforcement services for the citizens of Canaan. I do realize that no man is an island and that a great deal of success of this department depends on the support and understanding of the citizens of our community. Past history has demonstrated that working together as a community can provide the recipe for success. We are here ready, willing and able to respond to the needs of our community to accomplish this task.

Sincerely,

Jonathan E. Putnam
Chief of Police

ROAD AGENT'S REPORT

This past year has been a busy one as usual for the Highway Department. This year we crushed 6000 yards of gravel and used it all in an effort to continue our upgrading of our dirt roads. This year we finished filling and graveling Clark Pond Road and also replanked the bridge. Ball Park Road and Kimball Hill Road were widened, trees cut, culverts replaced and completely regraveled. Choate Road was given the first layer of crushed gravel as well as several other roads were spot graveled.

Our asphalt roads are not in good repair as of lack of money for asphalt and tar. We leveled West Farms Road, Cod Fish Hill and a small section of Grist Mill Road and we were able to oil 4.5 miles of roads in different parts of town. We try to give all sections of town as much as possible.

The Highway Department received two Grants this year. One was for \$4,500.00, that money we used to level parts of the Switch Road. The second grant was for \$31,000.00, this money will be used to rebuild or resurface all the sidewalks in the village, with a completion date of 1995.

This year we leased a "Hot Box" machine that recycles used asphalt. The lease was for two years at which time we will own it. By having this machine we have not had to buy and cold patch at a savings of \$10,000.00 per year. We presently have enough used asphalt to last for the next 4 to 5 years.

Again this year I have bought most of our lubricants, tools, nuts and bolts, and some parts from Federal Surplus at a huge savings. We also purchased a 3/4 ton pickup for \$400.00 that we use for salting and pulling trailers. A 1985 One Ton with 1000 miles to replace the Ford One Ton that was broken down most of the time. It cost \$5,700.00 to completely set up the new One Ton truck and we sold the old one for \$5,800.00. This money was withdrawn and returned to the Old Block Grant Fund. These surplus vehicles are taking a big load off our older equipment and helping out with costs and stretching out the life span of the older equipment.

We also bought 2 more quonset huts this year, but we were only able to get one erected. We now have a place to get our loader and grader inside for storage and or service.

It is my understanding that we will own the land around the sewerage treatment plant and transfer station. If so, I would like to start moving the Highway Department over there to give us the room needed and to get us out of the village where people don't have to look at our equipment. Our own sand and gravel on the property which will give the town about \$15,000.00 per year savings.

With the economy the way it is the Board of Selectmen, Budget Committee and Department Heads are again this year trying to level fund our budgets to help hold down on taxes. With the increase in the cost of parts and materials it is necessary to cut back wherever possible. It may be necessary to cut back a little on overtime and materials so please drive with care.

Again this year, I would like to thank all the citizens for their help and concern, Town Departments and my crew for a job well done.

"Please Drive Safely"

OLD HOME DAYS 1993 REPORT

The Old Home Days 1993 week-end was held on August 6th, 7th, and 8th, and was very successful. The theme was "Old Wild West". We would like to "Thank" all those that participated and gave generously of their time and support to make this an enjoyable Community Event.

The week-end events began Friday with a Lobster, Steak, and Chicken barbecue at the United Methodist church at 5:00pm. At 7:30pm Stock Car Races at the Fairgrounds and a Concert by the Valley Chords (Barbershop Chorus) at the Meeting House on Canaan Street. All events were well attended. Saturday the "Dollars for Scholars" food concession was open at 8:00am at Williams Field, also began formation of Parade for 9:30am. The Crafts Fair set up on the town common was at 9:00am, also other food concessions. The Parade has many interesting entries, following the Theme. The Grand Marshalls were Verna Dunn and Zepheryn Clarke.

Following the Parade, entertainment was held under the tent at Williams Field. This included a concert by the Upper Valley Community Band, and Foggy Mountain Cloggers, and in the field games and a Dunk Tank set up by the Canaan Explorer pact. Horseshoe Tournament competitions were held at 10:30am. At the legion building there was a Ct. Valley Model Railroad Exhibit and the Mascoma Valley Post Card Exhibit. At noon, the Assembly of God Church had a Chicken barbecue. The Soapbox Derby was held at the High Street Speedway from 1:00 - 4:00pm. The Historic District was open with the Old North Church and the Museum Building. From 1:00 - 3:00pm at Williams field the Barney Family Children's sing-a-long, and the Little Red Wagon Childrens' Puppet Show. Dan Allen the Chainsaw artist did a carving and it was raffled off. At 3:00pm the Dream Team Sky Diving Show was spectacular. The Alumni of Canaan High School were under the Tent from 3:00 - 6:00pm. Firemens supper was held at 5:00pm at the firehouse, proceeded by rides on the Fire trucks.

In the evening, from 7:00 until 8:00 the Foggy Mountain cloggers put on a demonstration at Williams Field, followed by dancing to live music of the local band "Fury".

Sunday beginning at 7:00am a delicious Pancake Breakfast at the Senior Center along with Morning Worship Services at all of the churches. The Softball Tournament started at 8:00am at Williams Field, as well as the road race registration at the park across from the Canaan Street Beach for the race beginning at 9:00am. The Crafts Fair on the Town common reopened at 9:00 and stayed open until 3:00pm. At 2:00pm the Annual Cow Flop Drop Contest took place at William's Field, random drawing for spaces began at noon.

The sale of Old Home Days T-shirts and Sweatshirts, tote bags, mugs, and pins were available at the crafts fair. This is a way we raise money for the week end activities. Old Home Days Committee meets the first Tuesday of the month at 7:00pm. Dates for 1994 Old Home Days will be August 5th, 6th and 7th. The Committee is always open to suggestions and new ideas for events. If you are interested in joining the committee, contact any committee member. See you in August!

Old Home Days Committee Co-Chairmen,

CANAAN RECREATION COMMITTEE

It's been another busy year for the Canaan Recreation Committee. The beach program went well again this year. The ball field and play ground area were busy most of the time.

Many improvements this year included more safety fencing around the playground and the horseshoe area. Two bathrooms were installed in the ballfield side of the existing building.

Major cleanup work was done to the area behind the ballfield. It was cleaned up - including the removal of a lot of brush and also trash.

An ice skating rink was built at the very end of the year on the basketball court. Hopefully we will be able to continue having one for years to come.

Many thanks to the committee and all others who volunteered materials and time to make these things possible.

TRUSTEES OF THE CANAAN TOWN LIBRARY

The Trustees began 1993 with the priority of hiring a new Librarian after the retirement of Louise Cady. Joanne Moulton did a superb job of holding the fort as Acting Librarian, with Mrs. Cady's support and the continued outstanding service of the library staff, while applications were accepted and candidates interviewed.

The search resulted in the hiring of Marion Allen. A professional librarian with exceptional qualifications, including a talent for imaginative programming and a great way with people. Trustees, staff and patrons have been delighted by her quick adjustment to our small but busy library. Marion Allen has already expanded existing programs and begun important new ones, including a children's story hour. Her understanding of computers other modern aspects of library science will help bring new and better services to our town in the years to come.

1993 saw a continuation of the trend of rapidly increasing library use that began during Mrs. Cady's Stewardship. Circulation for the year totaled 36,493 pieces, up from 35,623 in 1992. When you consider that 22,001 books, magazines and audio-visual pieces were borrowed in 1989, it's clear that more townspeople are finding the Canaan Town Library more useful every day.

For this wonderful situation, we can thank a supportive community and a terrific staff, now headed by Marion Allen. The Trustees also wish to thank Ben Yamashita, the Selectmen's representative to our Board, who lend the job search his administrative expertise. Last but not least, we are very grateful to all the Selectmen and to the Budget Committee for their advice and help.

Respectfully submitted,
William Craig

MEETING HOUSE COMMITTEE

Trying to sandwich in restoration work and use of the Meeting House this year took some doing.

We celebrated the building's 200th Birthday in July with a well attended dinner and contra-dance. If you missed it - sorry for you.

Restoration work this year saw the interior painting of all woodwork, the installation of tower and stair chandeliers, and floor sanding and oiling. Please come and see it.

Fund raising was at it's height! See below.

We have taken on a new aspect of restoration and that is the installation of balcony pews. Yes, they were there, years ago. We have had memorial donations from five families to build these pews and look forward to other contributions.

In celebration of our 200th, our Canaan Rug Hookers designed, hooked and raffled a commemorative rug worthy of note!!

The Library readings were, as usual, a "house-jammer".

CANAAN HISTORIC DISTRICT COMMISSION

The Canaan Historic District Commission function is to preserve structures of historic and architectural value in the area also Canaan Street, extending from the Old North Church south to the Beebe property. The Commission thus safeguards the heritage of our municipality and enhances the beauty of the Town. As a direct result of the establishment of the Historic District, property values are conserved and property taxes for the majority of the Towns people are decreased.

Meetings of the Historic District Commission are generally held at the Town Hall on the third Thursday of the month at 7:30pm on an as needed basis. The public is always welcome to attend. Members of the Commission are chosen by the Town selectmen, on the recommendation of the Commission. Any resident who has an interest in historic preservation is encouraged to contact any one of the Commissions members. Currently the Commission needs tow additional members.

During the past year only five regular meeting were held to consider applications for building alterations or painting.

The Commission urges residents of the Historic District to advise the Commission of their plans for new construction, alterations, and or painting at least two weeks before the monthly meeting date. If you plan to paint your house any color other than white, or your shutters any color other than black, please do NOT buy your paint until you have consulted the Commission. Thank you for your continued cooperation.

The Commission would like to thank Selectmen, Benjamin Yamashita for his guidance, interest and help in our many deliberations.

CANAAN HISTORIC MUSEUM

This year we held special museum openings for the Canaan Elementary School Students. One for Mr. Pendleton's class with 43 students and chaperons, and one for Mrs. Snyder's class with 27 students and chaperons. Our regular Saturday opening started the first part of June and we closed for construction until July. We had 29 openings for the summer and closed October 10th, with a total of 147 visitors for the 1993 season.

During our closed time we opened up the old kitchen and had it repaired and painted. The lighting at the museum was very poor with only one hanging light operating. We had the lighting required and all new ceiling fixtures both in the old section and in the new addition. In the new addition we had bulletin boards installed and during the summer they were covered with old pictures and copies of interesting histories of Canaan.

In July and August we had over 60 windows broken by rocks being thrown from the outside. One of the life guards at the beach caught two young boys throwing rocks through the windows. The police were called and the parents paid for the damage.

We have purchased fine new Histories of Canaan and they will be for sale at the museum this coming season. On checking old records we found that Canaan had an active Historical Society up until 1980. The museum committee were interested in re-establishing the Historical Society, so at the October meeting it was voted to take the necessary steps to Incorporate the Canaan Historical Society with the Canaan Historical Museum to be a part of the Historical Society. At the November meeting it was voted that the officers and members of Historical Museum to stay the same for the Historical Society. One new officer was added, the Town Historian, Donna Dunkerton was to be the Historian for the Historical Society. We would like anyone interested in becoming a member of the Canaan Historical Society to contact any of the officers or members of the Historical Society.

GRAFTON COUNTY SENIOR CITIZENS COUNCIL

Grafton County Senior Citizens Council, Inc. provides services to older residents of Canaan through the Mascoma Area Senior Center. These services include home delivered meals, a senior dining room program, transportation, adult day care, outreach and social work services, health screening and education, recreation, information and referral, as well as opportunities for older individuals to be of services to their communities through volunteering.

Any Canaan resident, over the age of 60 or members of his/her family are eligible to use the services of GCSCC. Handicapped individuals under the age of 60 may also be served through these programs. Although there are no charges for the services, the Agency does request contributions toward the cost of services.

During 1993, 242 older Canaan residents were served through all of GCSCC's programs. These individuals enjoyed dinners at the Senior Center, received hot meals delivered to their homes, used transportation services to travel to medical appointments, to grocery stores, to do personal errands or to the Senior Center, volunteered hours of time, energy and talent to support the operation of the Agency's services to the community, participated in recreational and educational programs, used our information and referral service, used the services of our social workers, or participated in our Adult Day Care Program. Services for Canaan residents were instrumental in supporting many of these individuals as they attempted to remain in their own homes despite physical frailties.

Our staff works closely with other agencies, providing services to older people in the community to assist older Canaan residents and their families in taking advantage of available programs and services which will improve the quality of their lives and enable them to remain independent in their own community.

GCSCC very much appreciates the support of the Canaan community for services which enhance the independence of older residents of Canaan.

GRAFTON COUNTY COMMISSIONERS' 1993 REPORT

Grafton County Commissioners would like to take this opportunity to present our report to the citizens of Grafton County. We continue our goals of efficient county services and work diligently to maintain prudent budgets and tax requirements.

In keeping with the Town of Littleton's theme of "Our Volunteers:", we are proud to pay tribute to the many volunteers serving the county home, the correctional facility and other agencies, schools, hospitals, etc., throughout Grafton County.

At the Grafton County Department of Corrections we are blessed to have Dick and Betty Abbott teaching two Thresholds/recidivism rate. We also commend Bruce Newton for his work in alcohol and narcotics programs, Kathy Lovell for her substance abuse counseling program and Ralph Hysong for special services.

The Grafton County Nursing Home receives many volunteer hours from local citizens and the RSVP program. The Nursing Home holds a special Recognition Day to honor these valuable volunteers.

The commissioners nominate individuals and groups to receive the Governor's Volunteer Recognition award in September. This Year's individual award went to Leslie Backstrom for bringing new programs, volunteers and funds to the Warren school, and the Grafton County RSVP Knitters Group received the group award for 12,000 hours and 1400 knit items completed and distributed to schools, hospitals, and other agencies.

We apologize for not being able to recognize all volunteers in this short space. However, we are fortunate to have so many throughout Grafton County that it would be hard to name them all.

Grafton county Commissioners have had an active year working on long range planning for equipment and space needs and on other progressive projects such as the expansion to the nursing home's Special Needs Unit. The county Corrections Facility is now using electronic monitoring at inmate expense to allow house arrest, and the County Farm has reduced its payroll with the installation of a new milk line system. As with towns, we continue to be frustrated by ever expanding federal and state cost shifting.

In closing, we wish to express our sincere appreciation to local officials, agencies and the public for cooperating in our efforts to better serve the citizens of Grafton County. And local government education forums and slide show presentations. Commissioners meet Tuesdays at 9:00AM and may be reached at phone #787-6941 or by mail to RR 1, Box 67, North Haverhill, NH 03774-9758.

Respectfully submitted,

GRAFTON COUNTY COMMISSIONERS:

Betty Jo Taffe, Chairman
Barbara B. Hill, Vice Chairman
Raymond S. Burton, Clerk

LISTEN

The town of Canaan provided \$1,492 in support of Listen outreach services provided in cooperation with Tri-County Community Action Program. Town supported services include: Housing and Utility Assistance, Food Assistance and Financial Counseling and Advocacy. Listen also provides other service including Child and Family programs and the Thrift Stores which are not funded directly by the town.

The propose of LISTEN services is to help individuals and families become economically independent. The agency provides assistance with basic necessities which might otherwise be the responsibility of the town welfare office. A total of \$45,205 in actual goods and direct financial aid was provided to 383 residents in 1993. So for every dollar spent by the town for LISTEN services, residents received \$30.29 in direct assistance.

VISITING NURSE ALLIANCE OF VERMONT AND NEW HAMPSHIRE
MASCOMA HOME HEALTH SERVICES

We are pleased to have the opportunity to report on the activities of Mascoma Home Health Services for 1993, our twenty-fourth year of providing home health care, hospice and community health services for the residents of your community and our second year as a branch of the visiting Nurse Alliance of Vermont and New Hampshire.

This has been another year of extraordinary growth in requests for services affecting all of our programs, especially home visiting and hospice. Home visits throughout our service area increased 35% over those reported for 1992. Our staff, with their experience, dedication and skill in caring for people in their homes have made it possible for us to meet this challenge.

Home visits provided by our staff in the Mascoma Home Health branch for persons in the Town of Canaan for the period 11/30/92 - 12/1/93, were as follows:

	<u>Visits</u>
Nursing	1,157
Physical Therapy	172
Occupational Therapy	21
Home Health Aide	1,221
Homemaker	<u>1,420</u>
TOTAL VISITS	3,991

The Family Health Services Program is available to young families in your community. This program includes a Well Child Clinic and a Women, Infants and children (WIC) Program. Home visits are available to children and families and are made by nurses specializing in pediatric care and parent aides to help them care for themselves and their children in the most productive and positive referral sources to mothers and children from low income families.

CANAAN/ORANGE RECYCLING

In 1993, Canaan joined with other Upper Valley towns to create a comprehensive recycling and waste management program. The tipping fee for garbage was reduced from \$60 a ton to \$45 a ton. The tipping fee for all recyclables was reduced to \$0 per ton, and hazardous waste was collected at the new Hartford facility at no charge. Towns paid a \$5 per capita fee to participate.

Canaan residents increased recycling 20% this year. However we also generated more trash. In Canaan, we recycle about 16% of our trash. We are on our way towards New Hampshire's goal of 40% recycling by the year 2000. Thanks to Alan Hill our recyclables operation ran smoothly this year. We added oil and batteries to our recyclables and had a tire collection. Volunteers helped during peak times, and Ray Estes was the chief volunteer.

For the recycling committee 1993 was the year of compost. We received a \$2500 grant from the state to give away 142 compost bins and to teach about composting. In recognition of our efforts, the Canaan/Orange Recycling Committee won the New Hampshire Resource Recovery Association's community Group Award in 1993. Canaan also benefited from a school jobs program and got a shed for the oil barrels and a new coat of paint on our white trailer.

Remember that you can take your hazardous wastes, such as oil based paints, antifreeze, oven cleaner and pesticides, to the Hartford collection site on the first Saturday of every month. You don't have to wait until May.

Reduce, reuse and recycle in 1994.

HOSPICE OF THE UPPER VALLEY
1993 NARRATIVE REPORT

Hospice of the Upper Valley, Inc. (HIV) is a voluntary, community-based human service organization which addresses issues of life-threatening illness, death and bereavement. Our emphasis is on caring; we encourage ourselves and others to attend to the wholeness of each person and to affirm as well as support one another - care givers and clients alike - in the spirit of love. Services include: direct patient/family advocacy; case management; and influence in the development of public policy. The work of volunteers in the delivery of patient/family care is the mainstay of Hospice.

Our major sources of income are from memorial gifts, individual donations, and town support. We gratefully acknowledge the support we have received from Canaan in the past, and hope you will continue to support our services.

For the first eleven months in 1993, Hospice served 337 patient/families in our various areas of service, of which 13 have been from Canaan.

In 1992, 131 patient/family units received Hospice nursing assessment and consultation, volunteer assistance with routine tasks or respite care in home, hospital, or nursing home. 143 families received support and guidance in their grief through our support groups for bereaved children and ongoing adult support groups.

Hospice of the Upper Valley services are available free of charge in Upper Valley towns, including: Canaan, Dorchester, Enfield, Grafton, Hanover, Haverhill, Lebanon, Lyme, Orange, Orford, Piermont and Plainfield, in New Hampshire; and Barnard, Bradford, Bridgewater, Corinth, Fairlee, Hartford, Hartland, Newbury, Norwich, Plymouth, Pomfret, Reading, Thetford, Topsham, Vershire, West Fairlee, West Windsor, Windsor, and Woodstock in Vermont.

1993 REPORT OF THE UPPER VALLEY LAKE SUNAPEE COUNCIL

The Upper Valley Lake Sunapee Regional Planning Commission is a voluntary association of 31 towns, four in Vermont and 27 New Hampshire communities. The Commission is concerned environmental and social growth in the Region. It functions as a research, resource, and informational agency, and when appropriate, acts to obtain Federal, State and other approvals, grants-in-aid, loans and similar assistance for individual member towns and for the Region. The commission provides technical assistance to member communities in the areas of planning (and use, transportation, water quality, etc.), mapping, community development, grantsmanship and grand administration. In addition, regional publications, such as our Regional Profile, regional studies, such as our Regional Transportation Plan, and regional projects, such as the Lake Sunapee Watershed Management Plan, and undertaken to the benefit of more than one community.

In the past year, services such as our Planning Board training series, and library which features maps, planning resources and US Census data, were available to all of our members communities. A complete list of services and regional projects which benefit our members follows the list of service provided directly to residents in Canaan.

In 1993, our work specifically for the Town of Canaan included:

- Acted as liaison to Canaan officials in wellhead protection program taking place in Enfield.
- Met with Canaan officials and provided them with written information about wellhead protection.
- Assisted Planning Board with information so subdivision regulation, earth excavation regulations, and zoning regulation.
- Assisted with CDBG administration and transferred CDBG files to town.
- Provided information on fiscal impacts of development.
- In December, will provide two wetlands maps to Town, one using SCS soils data and one based on Landsat vegetative data.

Our commission looks forward to continuing to serve Canaan in the coming year.

SERVICES WHICH BENEFIT ALL MEMBER COMMUNITIES

- Completed a Regional Buildout Analysis which investigated the impacts on population, traffic and number of dwelling units and school aged children assuming the region were totally built out under zoning ordinances in each town.
- Continued the Lake Sunapee Watershed Management Plan which analyzes the full build-out of the watershed on lake water quality and evaluated alternative lake protection strategies.

- Updated the Regional Profile, our regional compendium of population, housing, economic and other data, including 1990 census data.
- Continued our regional transportation planning programs in New Hampshire and Vermont.
- Studied virtually all signalized intersections in the Region.
- Training topics covered in this year's training sessions offered to New Hampshire Planning Board members including integrating GIS in to community planning, capital improvements programming and basics for new planning board members. A workshop was held for Vermont zoning board members and zoning administrators on the granting of conditional uses and variances.
- Through our Economic Initiative Project, work has begun to develop a one page data summary of each town in the region to be used to document the community's economic vision and to promote the community.
- consults and help residents of member communities as, and when, asked.
- Meet with state officials and agency representatives to influence policy and to help keep the Region an active participant in many ongoing programs. This includes activity with transportation, solid waste, economic development, and environmental regulatory agencies in both New Hampshire and Vermont.
- Maintain a library of regional data, maps and planning resources, and answer many requests for information.
- Use the Geographical Information System (GIS) to perform mapping and analyses for members towns.
- Assist the Upper Valley Solid Waste District in dealing with solid waste issues. Provide general staff support for the District.
- Provide administrative support for the Upper Valley Household Hazardous Waste Collection Program.
- Work in cooperation with the Sullivan County Economic Development Commission.
- Sponsor local sessions of the NH Municipal Law Lecture Series.
- Provide technical assistance to Advance Transit.
- Use the Regional Transportation Advisory Committee to develop regional policies and recommendations for the Regional Transportation Plan.
- Revise and update the Regional Plan.
- Comply with applicable Vermont Act 200 requirements at the local, regional and state level, including participation in the council of Regional Commissions.
- Participate in Vermont Act 250 reviews.
- Sponsor planning board training sessions in New Hampshire and Vermont.

- Work with Valley Land Trust and the Society for the Protection of NH Forests to protect open space and conserve important parcels of land.
- Participate in and work with the Connecticut River Valley Resource Commission.
- Review land use controls and master plans, and suggest amendments.

Town meeting adjourned from 9 March 1993 to 13 March 1993.

moderator Daniel W. Fleetham reconvened the 1993 annual Town Meeting at 1:15pm on 13 March 1993 at the Canaan Elementary School to take up Articles 3 through 22. A motion was made by Benjamin Yamashita and second by Dan Ware, that due to the severe weather condition, that the meeting be adjourned until 1:00pm on Saturday 20 March 1993, at the Canaan Elementary School. The moderator called for a voice vote and the motion passed. The meeting was adjourned at 1:25pm, 13, March 1993.

ARTICLE 3: To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend, without further action by Town meeting, money from the State, Federal or other governmental units or a private source which may become available during the ensuing year, in accordance with RSA 31:95-b.

A motion to accept article 3 as read was made by

Benjamin Yamashita and recorded by George Shadowens. By voice vote Article 3 passed

ARTICLE 4: To see if the Town will vote to authorize the Library Trustees to apply for, accept, and expend, without further action by Town meeting, money from the State, Federal or other governmental units or a private source which may become available during the ensuing year, in accordance with RSA 202-A:4-c.

A motion to accept Article 4 as read was made by Benjamin Yamashita and recorded by Carl Sanborn. Article 4 passed by voice vote.

ARTICLE 5: To see if the Town of Canaan will authorize the prepayment of property taxes due the town to the Tax Collector as provided in RSA 80:52-A.

A motion to accept article 5 as read was made by Benjamin Yamashita and recorded by George Shadowens.
Article 5 passed by voice vote.

ARTICLE 6: To see if the Town will authorize the Selectmen to dispose of tax deeded property to the highest bidder of a properly advertised public auction, except that the Selectmen may reconvey residential properties still occupied by the previous owner, to that owner, on such terms and conditions as the Selectmen deem just. In no event shall the total considerations be less than the unpaid taxes, plus interest and costs, and any other related expenses that the Town has incurred.

A motion to accept Article 6 as read was made by Benjamin Yamashita and recommended by Gary Wood. Article 6 passed by voice vote.

ARTICLE 7: To see if the Town will vote to authorize the Selectmen to accept gifts in the name of the Town of Canaan. RSA 31:19

A motion to accept Article 7 as read was made by Benjamin Yamashita and seconded by Carl Sanborn. Article 7 passed by voice vote.

ARTICLE 8: To see if the Town will vote to authorize the Selectmen to borrow such sums of money in anticipation of taxes as may be needed to meet the necessary running expenses of the Town.

A motion to accept Article 8 as read was made by Benjamin Yamashita and seconded by Pat Brown.

Article

8 passed by voice vote.

ARTICLE 9: (Petition Article) To see if the Town will vote to direct the Board of Selectmen to use the annual method for the collection of property taxes. Implementation of this article to take place immediately upon passage of this article in 1993. (Budget Committee Does Not Recommend 7-0)

A motion to accept article 9 as read was made by Frank Kopczynski and seconded by Edward Lary. After some discussion by several citizens, including members of the Selectmen and Budget Committee the moderator asked for a hand vote. By hand vote of 57 yeas and 162 no article 9 was defeated.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.) to purchase a Real Estate Tax Collection Computer Software Package. (Budget Committee Recommends 7-0)

A motion to accept Article 10 as read was made by Dan Ware and seconded by Douglas Bellior. Dan Ware explained the needs for a computer and software. After much discussion a motion was made by Tom McDermott and seconded by Gerald Shambo to table Article 10 and vote on Article 11 and then go back to Article 10. The moderator agreed and moved on

the 11.
Passed by voice vote.

The moderator re-read article 10 and a motion was made by Clayton Stark and seconded by Peter Stark to accept Article 10 as read. Article 10 passed by voice vote.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500.) for the purchase of a computer for the office of the Town Clerk\Tax Collector. (Budget Committee Recommends 7-0)

A motion to accept Article 11 as read was made by Dan Ware and seconded by Clayton Stark. During the discussion a member of the audience asked if a vote was needed to table Article 10. The moderator had asked if there were any objections and there were none. He then stated that to keep everything legal the meeting would move back and vote on the talking of Article 10. By voice vote Article 10 was voted to table in the affirmative and the moderator declared it so. The moderator stated the meeting would now vote on Article 11 to accept as read. Article 11 passed by voice vote.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of Nine Hundred Dollars (\$900.) for the purchase of a replacement computer for the Selectmen's office. (Budget Committee Recommends 7-0)

A motion to accept Article 12 as read was made by Dan Ware and seconded by Susan Stark. Article 12 passed by voice vote.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of Six Thousand Eight Hundred Dollars (\$6,800.) for the purchase of Town Clerk\Motor Vehicle Registration Computer Software Package. (Budget Committee Recommends 7-0)

A motion to accept Article 13 as read was made by Dan Ware and seconded by Benjamin Yamashita. Article 13 was defeated by voice vote.

ARTICLE 14: (Petition Article) To see if the Town will vote to rescind the vote taken at the March 1980 Town Meeting on Article 15 that the Town Selectmen may appoint the Chief of Police as provided by RSA 105:1 and that, beginning with the next Town Meeting hereafter, the position of Chief of Police shall be filled by election of legal voters of Canaan. The term of such position to run three years.

A motion to accept Article 14 as read was made by Gerald Shambo and seconded by Lee Moses. When the moderator asked for discussion, Russell Lester made a motion to amend Article 14's last line to read "the term of luck position to run one (1) year." Charles Adams asked for clarification of the RSA pertaining to length term from Town Attorney. After a brief discussion and it was determined that the length of term was not an issue the amendment was withdrawn by Russell Lester. After long and sometimes heated discussions, a motion was made to move the question and vote by Gerald Shambo and seconded by Brenda Sousa. A request for a paper ballot was made by Russell Lester. The moderator asked for a vote on the motion and was the motion was defeated. The question was again opened for discussion. After some brief discussion a motion was made to cease discussion by Brenda Sousa and seconded by Gerald Shambo. A vote by voice was taken and the motion passed. The moderator stated a paper ballot would be used and Harold Eggleston requested that the moderator re-read the Article 14 and explain what a yes vote meant. The moderator asked if everyone understood his instructions and without further discussion the citizens were instructed to proceed to vote and place their ballots in the boxes placed at the front of the hall. Total Ballots cast: 251

Yes 142 No 109

The moderator declared Article 14 passed as written.

ARTICLE 15: (Petition Article) To see if the Town will vote to limit the appropriation for the police department to \$130,000., with the difference between this amount and that in the Town budget subtracted from the total Town appropriation. Any transfer of other funds to the Police Department to be made only with the approval of a special Town meeting. (Budget Committee Does Not Recommend 7-0)

A motion was made to accept Article 15 as read by Gerald Shambo and recorded by Verne Hines. Tom McDermott asked if the last sentence was a legal issue when it comes to transferring funds from other departments. The town Attorney stated that the record part of the article was improper and that if the article was to pass it could have a very big impact on the total budget. After several more minutes of discussion the moderator asked for a vote by voice, Article 15 was defeated. After the moderator declared it defeated Roger Easton disputed the vote and asked for the house to be divided. The moderator asked for a petition of a minimum of (7) seven voters signatures. A hand vote was taken and the results were Yes 103, and No 108. The Article was declared defeated by the moderator.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of Seventy-Five Thousand Dollars (\$75,000.) for the purchase of a new or used backhoe\loader. (Budget Committee Does Not Recommend 7-0)

A motion to accept Article 16 as read was made by Carl Sanborn and seconded by Ed Miller. Ear Charbono presented a few comments and after some discussion a hand vote was taken. By hand vote of Yes 74 and No 115 Article 16 was declared defeated by the moderator.

ARTICLE 17: (Petition Article) To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.) to be paid to Women's Information

Service (WISE) to help defray the costs of their operating budget. (Budget Committee Does Not Recommend 6-1)

A motion to accept Article 17 as read was made by Betty Fleetham and seconded by Judith Kushner. After endless discuss a motion was made to move th question by Fred Stebbins and recorded by Susan Stark, it was voted to move the question and Article 17 was accepted in the affirmative by voice vote.

A motion to accept Article 18 as read was made by Ed Miller and seconded by Cathy Cobbin. Discussion followed both for and against with most people asking why government surplus was investigated and it was stated that it has been, but you need money on hand when the good buys come around. After further discussion a motion to move was made by Earl North and seconded by Ed Miller, a vote to move passed and a voice vote was taken. Article 18 passed as read.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$1,607,984.00 to defray Town charges during the ensuing year; this represents the total amount voted including money raised in preceding special articles. (Budget Committee Recommends 6-0)

A motion to accept Article 19 was read was made by Ed Miller and seconded by Cathy Cobbin. Benjamin Yamashita made a motion to amend Article 19 to increase by \$1,600.00 to establish the road agents salary at \$28,000.00 and also to see if the town will vote to raise and appropriate the sum of

\$1,625,984.00 to defray town charges during the ensuring year; this represents the total amount voted including money in preceding Articles. Seconded by Dan Ware. (Budget Committee Recommends 6-0) By voice vote the amendment passed. A motion was made by John E. Wallace to amend Article 19: "To see if the town will vote to raise and appropriate the sum of \$1,400,000.00 to defray town expenses during the ensuring year; this represents the total amount voted including money raised in the proceeding articles. The selectmen being charged with making the necessary reductions in all departments to meet said budget figure seconded by Leslie Mansur. The moderator asked for a vote on this amendment and it was defeated by voice vote. The moderator moved to vote on Article 19 as amended and a hand vote was taken. Yes 119 and No 54 Article 19, as amended, was passed in the affirmative.

ARTICLE 20: Do you favor directing the Selectmen to contact State and Federal officials to encourage them to reactivate the former Northern Railroad that runs from Concord to White River Junction?

A motion to accept Article 20 as read was made JUdith Kushner and seconded by Lee Moses. After some discussion Article 20 was passed by voice vote.

ARTICLE 21: To hear the reports of Agents, Auditors, Committees, or any other Officers and to pass any vote relating thereto.

A motion to accept Article 21 as read was made by Benjamin Yamashita and seconded by Dan Ware. Roger Easton questioned the validity of the Police Department Report and Chief Putnam said his report was correct the way it was. Article 21 was passed by a voice vote.

ARTICLE 22: To transact any other business that may be legally brought before this Town Meeting.

A motion to adjourn the meeting was made by Benjamin Yamashita and seconded by Dan Ware. At this time Benjamin Yamashita made a resolution to commend Milton Wilson for the outstanding job he did while in the capacity of Selectmen and wish him the Best of Luck in his future endeavors. The motion and resolution was passed in the affirmative by voice vote and the moderator declared the meeting closed 4:15pm, 20 March 1993.
