SELECTMEN'S FORWARD AND REPORT

The year of 1968 has drawn to a close with several projects which had been planned for the year still uncompleted.

Although the water sources project has not been completed, all of the contracts have been signed, and we do not foresee any further difficulties in the project. The land has been purchased, the well has been drilled, the Londonderry Selectmen have signed the plan allowing the pipe to be installed from the new wells to the current water supply.

Crystal Avenue plans have been completed by the State Highway Dept. At the present time, Town Counsel has the plans in order to prepare for any land taking that must be done. However, the State Highway Department is concerned that the project may exceed the original \$200,000. which was suggested by the State Highway Department when the project was in preliminary stages.

The Chlorination Project which was authorized by Article 7 in the 1968 Town Warrant has not yet been completed. At the present time the plans have been approved by the State Water Pollution Board and contracts are expected to be let in spring.

The Department of Housing and Urban Development has acted favorably on funds to assist in installing sewers to Derry Village. The plans for this project have been drawn and are now approved by the State Water Pollution Board, and have been submitted to the Federal Government for approval.

In last year's warrant the Selectmen requested and received permission to spend up to \$35,000 to construct a sewer line from the existing sewer to Hoodcroft Road. However, when the tax rate was set in Concord, the Selectmen had received word that H.U.D. funds were available for the sewer construction to Derry Village and the appropriation was not raised by taxation.

The State Tax Commission has audited the Town books for 1967 and find all of the accounts in order.

At the end of the fiscal year 1968, we are happy to report an increase in the surplus account of \$9,244.66 from anticipated revenues, and \$95,951.25 was unexpended. The total of the surplus at the end of 1968 is \$153,327.98. Therefore, we are putting an article in the warrant asking to use \$100,000.00 from the surplus account as follows:

1. \$35,000.00 additional funds for construction of Crystal Avenue.
2. \$15,000.00 to be used to install surface drains, water, sewer and utilities on the land now held by the State Industrial Authority, in the event that a contract is signed for an industry there. If not used for this purpose, the \$15,000.00 could then be spent for Crystal Avenue construction.
3. \$50,000.00 to help lower the tax levy for 1969.

We are again looking forward to a very productive year and hope to finish the projects which are still pending.

TOWN WARRANT THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Derry qualified to vote in town affairs:

You are hereby instructed to meet at Veterans Memorial Building in said Town on the second Tuesday of March next, at ten o'clock in the forenoon, to act upon the following subjects:

By vote of the Selectmen, the polls for this meeting will remain open from ten o'clock in the forenoon until eight o'clock in the afternoon, and as much longer thereafter as the Town, at the opening of the meeting, may vote.

1. To elect a Selectman for three years, Town Clerk, Treasurer, Collector of Taxes, Library Trustees, Trustees of the Trust Funds, Cemetery Trustees, and other necessary Town officials for the year ensuing.

2. To vote to raise and appropriate such sums of money as may be necessary for the maintenance of the poor, for laying out and repairing highways, including Town Road Aid Plan apportionment A and Town Road Aid Plan apportionment B, for building and repairing bridges, for supression of moths, for police department, for the Derry District Court, for hydrant service and electric lights, for salaries of Town officials, for the Board of Health, for the expense of the Town Hall, for support of the libraries, for State and County taxes, for the observances of Memorial Day, for aid to the Derry Visiting Nurse Association, for playground purposes and for band concerts, for cooperating with the State and Federal governments in the control of insect pests and white pine blister, and for all necessary charges arising in said Town, and pass any vote relating thereto.

3. To see if the Town will vote to authorize the Selectmen to sell at public auction and convey any real estate acquired through deeds from the Collector of Taxes or as reimbursement for assistance furnished to citizens, providing that in the case of tax deeded real estate the previous owner, or his or her heirs, if known, or its successors or assigns in the case of a corporation, shall have first opportunity to purchase the same, and pass any vote relating thereto.

4. To see if the Town will vote to authorize the Selectmen to incur debts for temporary loans in anticipation of taxes of the municipal year in which such debts are incurred and made payable therefrom, by such vote, and pass any vote relating thereto.

5. To see if the Town will vote to authorize the Selectmen to withdraw the sum of \$4,000.00 from the sewer capital reserve fund, established under Article 10 of the 1966 Town Warrant, and to expend said

sum for the purpose of paying for labor cost and derooting sewer lines, and pass any vote relating thereto.

6. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the purpose of paying the same to the Salem Mental Health Clinic, which serves the Derry area, and pass any vote relating thereto.

7. To see if the Town will vote to appropriate from meter receipts the sum of \$1,260.00 to be expended for repairs and maintenance of parking meters and to transfer any balance of parking meter receipts to the Trustees of Trust Funds to be added to the Parking Lot Fund, and pass any vote relating thereto.

8. To see if the Town will vote to adopt the provisions of Revised Statutes Annotated, Chapter 80, Section 52-a, providing for the pre-payment of taxes, and authorize the Collector of Taxes to accept payments in pre-payment of taxes, and to further allow the Collector of Taxes to discount taxes according to the following schedule or such other schedule as the meeting may determine, fix the rate of such discount, and pass any vote relating thereto. The Selectmen recommend the following schedule and discount: 2% discount on installments of not less than \$100.00 prior to July 1, 1969, 1½% discount on installment payments of \$10.00 or more until tax rate is determined and announced by Selectmen, and a 1% discount from the time that the tax bills are issued until 30 days after date of invoice.

9. To see if the Town will vote to authorize the Selectmen to transfer the sum of \$62,000.00 from the Sewer Account to the General Fund, to be used with a State grant of \$16,584.00 to pay the expense of principal, interest and maintenance of sewers, and pass any vote relating thereto.

10. To see if the Town, under the provisions of Chapter 280 of the Laws of New Hampshire of 1907 entitled "An Act in Relation to the Town of Derry and the Derry Water Works," and under any other applicable statutes of the State of New Hampshire, will vote to place the direction and control of the Town Water Department under the management of the Board of Selectmen, thereby eliminating the need for Water Commissioners and placing the responsibilities previously granted to the Board of Water Commissioners in the hands of the Selectmen, and pass any vote relating thereto. (To be voted on by ballot if required.)

11. To see if the Town will vote to authorize the Selectmen or the Water Commissioners, if retained under the previous article in this warrant, in conjunction with the Board of Selectmen, to enter into a formal contract with the Town of Londonderry to provide water service and sewer service to residences and commercial establishments situated in the Town of Londonderry in the area on West Broadway from the town line to the general area of the Londonderry Shopping Center, so-called, limiting said contract to only providing said services as long as

the Town of Derry has sufficient water for its own requirements and sufficient sewerage disposal capacity to provide said service. The Selectmen, and the Water Commissioners, as it may be, shall charge for said services the same rate as charged to residents of the Town of Derry, plus a reasonable surcharge for the purpose of levying upon said water and sewer users an amount approximating what the residents of Derry have to pay in general taxation to support the water and sewer departments, and pass any vote relating thereto.

12. To see if the Town will vote to raise and appropriate the sum of \$14,000.00 for the purpose of defraying the expenses of the 250th anniversary of the founding of Nutfield, said Nutfield now comprising the Towns of Londonderry, Derry and Windham, and pass any vote relating thereto. (It is anticipated that the celebration will produce income of about \$12,000.00 to offset the above appropriation.)

13. To see if the Town will vote to authorize the Selectmen to provide an additional polling place in the Town and determine the territorial limits of the additional voting district to be served, and pass any vote relating thereto.

14. To see if the Town will vote to authorize the Selectmen to hire a Health Officer and Building Inspector, and appropriate therefor the sum of \$2,500.00 for salary and \$500.00 for expenses of said official so that the office of Tax Assessor will be relieved of those responsibilities, and pass any vote relating thereto.

15. To see if the Town will vote to authorize the Selectmen to hire a Town Engineer, and vote to raise and appropriate therefor the sum of \$8,500.00 for salary and \$500.00 for expenses for said officer, and pass any vote relating thereto.

16. To see if the Town will vote to expend and appropriate from surplus the sum of \$35,000.00 required for the Crystal Avenue reconstruction project, and the sum of \$15,000.00 for the installation of surface drains, sanitary sewer, water mains and utilities on Lots No. 1 and No. 2 in the State Industrial Park near Klev-Bro Shoe Company, and, if said sum is not required for said Lots No. 1 and No. 2, to authorize the Selectmen to expend said sum on the Crystal Avenue project, if needed to complete said project to Ross' Corner, so-called, and pass any vote relating thereto.

17. To see if the Town will authorize the Selectmen to transfer the sum of \$50,000.00 from surplus to offset taxes for the year 1969, and pass any vote relating thereto.

18. By petition: To see if the Town will vote to raise and appropriate the sum of not more than \$40,000 for the purpose of acquiring a property map. Said sum to be financed under the provisions of R.S.A. 33 Municipal Finance Act over a period of five years and pass any vote relating thereto. (Action of the Budget Committee: No recommendation)

19. By petition: To see if the Town will vote to accept Escumbuit Road for a distance of approximately 2100 lineal feet and appropriate the estimated sum of (\$5,000.00) for surfacing of same. (Action of the Budget Committee: Disapproved)

20. By petition: To see if the Town will vote to authorize the Selectmen to use the West Side School building and property to house municipal departments including the Derry District Court and the Police Department, to raise and appropriate the sum of \$35,000.00 to repair and alter the building for the above purpose and pass any vote relating thereto. (Action of the Budget Committee: Disapproved)

21. To hear the reports of agents, auditors and committees heretofore chosen, and pass any vote relating thereto.

22. To appoint any necessary committee on any article embraced in this warrant.

23. To transact any other business that may lawfully come before this meeting.

Given under our hands and the seal of the Town of Derry, this 11th day of February A.D. 1969.

*Total estimated Revenues from all sources except Property Taxes" deducted from Total Appropriations (not included by Budget Committee) should give estimated Amount to be raised by Property Taxes, exclusive of County and School Taxes.

Cash Surplus equals excess of actual Cash on Hand at close of fiscal year over Current Liabilities, i.e., Balance of Appropriations due School District, Unexpended Balances of Special Appropriations, Outstanding Temporary Loans in Anticipation of Taxes and Accounts Payable.

Total Appropriations actually voted by Town Meeting to be raised by Taxation, cannot exceed by more than ten per cent (10%) the Total Appropriations as recommended by budget Committee (Column C), less amount to be raised by Bond and Long Term Note issues.

RSA, Chap. 32, Sec. 5: "The budget committee shall prepare and submit to the selectmen for their report with the town warrant the copies of the budget prepared for the town or least five of the selectmen, and the committee shall likewise prepare and submit to the select board, when the selectmen have two copies of a school district or village district budget to be raised by taxation, a copy of the budget to the select board or the village district commissioners with the warrant for their respective meetings."

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire**

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 13, 1969

Board of Selectmen
Derry, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Derry for the fiscal year ended December 31, 1967 which was made by this Division in accordance with your request. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Water Works, Sewer Fund, District Court, Parking Meters, Libraries, Alexander Carr Playground, MacGregor Memorial Park and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1966 - December 31, 1967: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1966 and December 31, 1967 are presented in Exhibit A-1. As indicated therein, the Net Debt of the Town decreased by \$112,961.91 during the year 1967.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative Statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1967, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$40,809.87, plus a revenue surplus of \$37,759.73, resulted in a net budget surplus of \$78,569.60.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1967, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1967, is indicated in Exhibit B-2.

Water Works: (Exhibits E-1, E-2 & E-3)

Comparative Balance Sheets of the Derry Water Works as of December 31, 1966 and December 31, 1967 are presented in Exhibit E-1. A statement of Profit & Loss for the fiscal year is included in Exhibit E-2, with the amount of Retained Earnings (Earned Surplus) as of December 31, 1967 indicated therein. Proof of the Water Works treasurer's balance as of December 31, 1967 is indicated in Exhibit E-3.

Sewer Fund: (Exhibit F)

A statement of the activity in the Sewer Fund for the fiscal year is contained in Exhibit F.

District Court: (Exhibit G)

A summary statement of the District Court accounts for the fiscal year is presented in Exhibit G.

Parking Meter Account: (Exhibit H)

The activity in the Parking Meter account is summarized in Exhibit H.

Library Accounts: (Exhibits I-1 & I-2)

Statements of the accounts of the Derry Public Library and the Taylor Library are included in Exhibits I-1 and I-2.

Statement of Long Term Indebtedness: (Exhibit L)

A statement of outstanding long term indebtedness of the Town as of December 31, 1967, showing annual debt service requirements, is contained in Exhibit L.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$37,961.91, from \$85,337.55 to \$123,299.46 in 1967, as shown herewith:

	Dec. 31, 1966	Dec. 31, 1967
Total Assets	\$571,524.32	\$1,123,843.12
Current Liabilities	486,186.77	1,000,543.66
Current Surplus	85,337.55	123,299.46

RECOMMENDATIONS

Town officer's surety bonds should be increased in amount as follows:

Town Treasurer - from \$25,000.00 to \$35,000.00

Town Clerk - from \$5,000.00 to \$20,000.00

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our appreciation to all the town officials and the members of their staff for the cooperation and courtesies extended us during the course of the audit.

Yours very truly,

O. Maurice Oleson, Director
Division of Municipal Accounting
STATE TAX COMMISSION

DIVISION OF MUNICIPAL ACCOUNTING STATE TAX COMMISSION Concord, New Hampshire

January 13, 1969

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Derry for the fiscal year ended December 31, 1967. In our opinion, the Exhibits included herewith present fairly the financial condition of the Town as of December 31, 1967 and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

O. Maurice Oleson, Director
Division of Municipal Accounting
STATE TAX COMMISSION

PLANNING BOARD

During the year 1968 the Planning Board continued holding bi-monthly meeting, approving about 50 plans, comprising of over 240 new building lots.

On February 5, 1968 and February 26, 1968 Public Town Hearings were held on two (2) proposed amendments to the Zoning Ordinance.

(1) To rezone an area on the south side of Kendall Pond Road and west of Fordway known as the Michael Matarozzo Farm to the Mobile Home Zone. This did not pass and the vote was as follows: No-1420, Yes-658 at the annual Town Meeting March 12, 1968.

(2) To rezone a portion of the Retail Business Zone to exclude the sale of gasoline or any other type of motor vehicle drive-in traffic. This did not pass and the vote was as follows: No-1192, Yes-850 at the annual Town Meeting March 12, 1968.

Starting in September the Board has held bi-monthly private meetings to discuss further planning needs of the Town. One problem is to clarify the dispute over the Zoning Regulations passed in 1967. Another problem is that about 10% of the population live in Mobile Homes. Being a working mans town, many need this type of housing as it is the only housing available within their financial means.

There is interest in expanding the Industrial Zone with two (2) land owners within the area along Manchester Road presenting their land to be rezoned to an Industrial Zone. This is in the area previously proposed for this purpose by the Board and is near the site of the State Industrial Park.

By the time of the Annual Town meeting, Public Town Hearings will be scheduled as will a special Town Meeting to vote on these issues.

Respectfully submitted,
Wallace L. Kimball, Chairman
Harold E. DiPietro, Selectmen
on the Board
Howard Dearth
Wilbur Palmer
Myron Smith
John C. Schurman
Winston McCarty, Secretary

Amendments to the Zoning Ordinance as Proposed by Petition.

ARTICLE 19

No. 1. Are you in favor of the adoption of Amedment No. 1, to the Zoning Ordinance as proposed by petition of the voters for the Town? (This proposed amendment would rezone an area of forty-one acres, more or less, on the South Easterly side of Kendall Pond Road, beginning approximately 800 feet, more or less, westerly from the intersection of Fordway Extension and Kendall Pond Road, from General Residence Zone to Mobile Home Zone.)

Yes	No
658	1420

The Planning Board disapproves this proposed amendment.

No. 2. Are you in favor of the adoption of Amendment No. 2, to the Zoning Ordinance as proposed by petition of the voters for the Town? (This proposed amendment would exclude the sale of gasoline or any other type of commercial or non-commercial activity which depends upon motor vehicle drive in traffic, from a portion of the Retail Business Zone two hundred feet north and south of the center line of East and West Broadway)

Yes	No
850	1192

The Planning Board disapproves of this proposed amendment.

POLICE ACTIVITY REPORT

This year, by adding a new patrolman and a clerk, it enabled us to give far greater protection to the outlying districts of the Town than we had in the past. I feel that this is one reason we have had far less burglary than in the previous years.

By cooperating with the New Hampshire Highway Safety Agency, we were fortunate to procure a Decatur Speed Radar at no cost to the Town. We expect, through the coming year, this set will enable us to keep speeding on Town roads to a minimum.

Four hundred and ten cases were heard in the Derry District Court. This shows an increase of sixty cases over 1967 and a breakdown of these cases are listed below.

I wish to thank all members of the Department and the Selectmen for their continued cooperation.

Respectfully submitted,
Kenneth Bisbee, Chief of Police

	\$43,725.00

The East Derry Fire District purchased a site for their new fire house. Several men attended fire school at Fitzwilliam Fire School, and also a class of six men attended the Gilford Fire School.

Two men, Arthur Reynolds and David Johnson attended classes given in First Aid by Derry Civil Defense.

We feel the community has benefited due to the extra time volunteered by the individual fire men who attended many training classes throughout this past year.

The fire department had a very busy year extinguishing fires of all types. In addition to this they also performed several rescue missions successfully.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result - escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To NEVER discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn -
 - a. You need a written permit from the town fire warden for ALL debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on GRASS by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire BEFORE you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

Forest Fire Record For 1968

	Number of Fires	Woodland Acres Burned
State	593	349
District	119	197
Town Derry	2	4

Fire Warden, Walter E. Boyce
District Chief, Ralph E. Stevens

THE ZONING BOARD OF ADJUSTMENT

The Derry Zoning Board of Adjustment heard 26 cases during the year 1968. This compares with 1967 hearings as follows:

	1967			1968		
	Total	Allowed	Disallowed	Total	Allowed	Disallowed

REPORT OF THE HEALTH OFFICER

In reference to the motion made at the Town Meeting; March 19, 1968 by Mr. Alfred Hepworth, quote: "I move that the following recommendation to be made to the Selectmen to instruct the Health Officer to survey the sewage and sink drainage conditions of each cottage near the shores of Beaver Lake during the months of July for unsanitary conditions to be reported to the State Water Pollution Board and that corrective action be taken."

At this time, I can state that during the months of July, August and September I made several inspections of the cottages around Beaver Lake and had several violations corrected. Also, I had the water at all public beach areas tested and found only the normal amount of bacteria present. This would come from every day swimming and boating activities.

A constant vigilance will have to be kept to prevent a serious pollution at the lake until such time as the municipal sewerage can be extended to this area.

Sincerely,

Arthur Hobsch
Health Officer

Books received from State Library, by request:	1,197
Books borrowed from Bookmobile (3 visits)	2,591
New registrations during the year:	473

The Derry Public Library continues to have a steady rise in the yearly circulation, with a jump of over 4,000 more books being circulated in 1968 than in the previous year.

The excellent cooperation which we have with the State Library enables us to offer our patrons much supplementary materials; this is a service which we are glad to offer to the public and one which is very well received by both adults and students.

Many new reference books have been added to our shelves and we have a fine source of up to date material in this area.

Children's Book Week and National Library Week were suitably observed, with displays of new books being shown at the First National Bank as well as in the Library.

Kindergarden and elementary classes have visited during the morning, and many Library meetings are held in the morning, including Library Area meetings and Workshops.

A large collection of phonograph records have been given to the Library and are proving of great interest to our patrons, as they are available for loan.

We wish to thank our many friends for donations of books and flowers during the past year, and wish to give special thanks and appreciation to the Derry Garden Club for their fine work on the planting of shrubs and bulbs at the Library, as well as for their handsome Christmas decorations.

My sincere thanks to the members of the Library staff for their cooperation, and to the Trustees for their continued service.

Library hours are as follows:

Mondays, Wednesdays, Thursdays, Fridays: 2:00 – 8:00

Tuesdays: 10:00 - 8:00

Saturdays: 2:00 - 5:00

We sincerely hope that the people of Derry will use their Library and we pledge ourselves to offer service as efficiently as possible.

Respectfully submitted,
Annie Ashton
Librarian

We are happy to report that the Taylor Library has had another busy and successful year with a continued substantial increase in circulation.

Our facilities, approximately ten thousand five hundred volumes, have been expanded by regular use of the State Bookmobile. We have also

filled many specific requests by borrowing directly from the State Library in Concord.

In line with our expanded circulation and activity, we have increased our library time open to the public to twelve hours a week.

We wish to extend our grateful appreciation to the members of the V.F.'W. Auxiliary for the new flagpole and flag.

We also wish to thank the Derry Book Club and all others who have donated books to the library during the past year and the Garden Club for maintaining and adding to our lovely gardens and for the beautiful Christmas Wreath.

Our new hours are from 2:00 to 8:00 p.m. on Tuesdays and Thursdays.

1968 ANNUAL REPORT

The five members of the Recreation Commission are appointed by the Board of Selectmen to serve a three year term. This past year Clarence Roberts and Pauline Tomaselli were appointed to replace two of the original members who had served since the commission was created in 1962. We thank, Franklin Allgeyer and Marilyn Ball for their years of service to recreation and parks in the Town of Derry.

The Recreation and Parks Commission is responsible for the plans, budgets, organization, direction and supervision of the town's people and recreation facilities and programs. They usually meet the first and third Tuesday evenings of the month at 7:30 p.m. in the Recreation office in the bottom of the Town Hall. These are open meetings and the public is always welcome.

Monies to finance the various budgets pertaining to Recreation & Parks come from four sources. 1) Taxes, 2) MacGregor Pioneer Park Trust Fund, 3) Dr. William G. Carr & Lida M. Carr trust fund for Alexander-Carr Playground, 4) Income from skiing.

No tax funds are spent at MacGregor Pioneer Park or at Alexander-Carr Playground. These areas are completely independent so far. Also no trust funds are spent except in those areas designated by the terms of the gift.

As a result of all this the Recreation and Parks Commission had a total budget, considering every source of income of \$37,140.52. This

was the largest budget the department ever had to consider. It was broken down thus Recreation and Parks programs (tax revenue) \$22,813.25, MacGregor Park Trust Fund \$1,209.00, Dr. William & Lida Carr Trust Fund \$13,118.27. The per capita cost or average spent on each person, using \$12,000 as the Town's population, was \$3.09.

There were two significant changes during the past year which affected the Recreation & Parks program. First of all, after several years of being closed due to pollution, the state allowed us to reopen Hood Pond for swimming. We held our children's swim classes down there as well as opening it for free swim the rest of the time so the public could enjoy it. Life guards were provided when the beach was opened to the public for free swimming. A raft was built as was a "T" dock for use by the classes as well as the general public. Mrs. Sandra Crocker was in charge of the instructional program and she was assisted by Mrs. Carol Madden, Paula Brassard, Marsha Hatch and Jeff Orchard. These folks also did most of the life guarding along with Mary Putnam and Mrs. Claudia Ketcham. There were 560 youngsters registered in the various degrees of swim instruction offered, from the pre schoolers in the mother and tot program to the high school students in the Senior Life Saving classes. Twenty adults were also registered in swimming lessons at a couple of private pools. We want to thank Ron & Ginny Boyle and Joe & Rita Ouelette for their generosity in allowing us to use their pools for the mother and tot, as well as the adult swim programs.

The fact that the pond was open for swimming effected the remainder of the park as well. Attendance in the park the year before averaged between 45-50 each day. Last year that attendance jumped to an average of 200 to 250 a day. The cause is understandable, mothers bring the entire family, instead of sending one or two. The playground program itself consists of Arts & Craft, games, and free play on the various pieces of equipment in the area. In 1968 the program on the playground was done by Mrs. Beverly Holmes, Catherine Paquette and Mrs. Diane LaPlante.

The second significant improvement involves the lodge and Alexander-Carr Playground. Before we even had an opportunity to complete the interior of the structure requests were coming from organizations who wanted to use it for their meetings. Permission was granted to Boy Scout Troop No. 129 sponsored by the Lion's Club; Pole Benders, independent ski club; Ski Patrol, local safety and first aid group; Derry Sportsman Assoc., independent hunting and fishing organization; Model airplane club, sponsored by the Derry Boosters; and of course the Recreation & Parks Commission which sponsors the ski schools and the Fitness & Jogging class.

The walls and ceiling were finished on the main floor of the lodge last year. This year we plan to put in water, toilets and septic system and a main floor, as well as some adequate lighting.

Outside in the park we hope to build a small jump to go with the

skiing activity. In the woods we want to establish definite trails so hikers may easily find their way around our forty acre playground. Plans are also under way to install some play equipment, such as swings and a slide, at this area. We are looking forward to a possible gift of land which will enable us to extend the out run of the ski area and create a skating pond near the lodge. The entire area would be used as a game refuge for birds and small game.

A growing number of people are using this area and discovering its potential. More than a few families have been hooked on the toboggan run or the camping area or the picnic facilities. The scouts find it an ideal spot for some of their out door requirements.

In the Recreation office which is in the bottom of Adam's Memorial Bldg. considerable storage has been created to take care of an ever expanding volume of materials and equipment necessary to conduct our growing programs.

The Jet Jr. boys basketball program last year had 120 youngsters signed up to play in the league on Saturday afternoons. The clinic in the morning had 60 boys to start the season. The girls at the same time had 100 young ladies from 7 to 15 years of age involved in a Jr. Pin up league. Along the same line a men's recreational get together, not really a league, had 24 adult males participating in informal games of basketball. Twelve ladies also got together to play recreational basketball once a week.

The interest in volleyball has increased greatly, perhaps due to change of meeting night. We now have an active league of five teams which meet weekly on Monday evenings. The men are having a ball with this group. The ladies are just starting to meet on Thursday nights in the Grinnell Gym for the purposes of doing the same.

Housewives have an opportunity to participate in many activities. For them we offer instructions in Skiing, Tennis and Jogging & Fitness. Their husbands are just as busy with skiing, slo pitch softball and basketball. Children have grasshopper baseball, soft ball and special events such as halloween window painting and the Easter Egg drop.

The flag football program for boys 7-12 registered 160 participated last year and it looks as if we will have to expand the league next year to more teams. The Boosters are also planning to add teenage division of flag football.

All in all there are many activities offered to the public from preschool age to Senior Citizens. The boys and men appear to have plenty to do and we are developing a greater girls & women's program.

There are still a number of activities and facilities which we need such as a public shooting range or a place for our teenage population to "do their own thing", but improvements have been made and we will try to do all we can to make better programs and facilities within the limitations of our budget.

For those tax payers who have not yet been exposed to what the Recreation & Parks Commission has to offer I would like to explain what areas are open for their use. Hood Park, on Rollins St. one block north of Broadway, has 2 tennis courts, an out door basketball court, 2 horse shoe courts, a badminton court and swings, slide, teeters, merry-go-round, a "tarzan rope", and various climbing devices. This area also includes the pond for swimming and a pleasant sandy beach with a bath house and toilets for public use. Picnic areas in this park are equipped with tables and fireplaces. Ample parking space may be found within walking distance of all of this equipment.

O'Hara Field located on Railroad Avenue is used only by the Derry Little League for their practice and games.

Veteran's Field, also known as the DAA Field is also located on Railroad Avenue across from the Little League Field. Both softball and baseball may be played on this diamond as well as football in the fall. Some use this as a place to do their jogging.

The Alexander-Carr Playground is 40 acres of wooded land fronting on Birch Street between the hospital and Ed Hatch's house and on Rockingham Road where a parking lot has been built. Other access may be found at the roadway leading off the end of Pierce Avenue into another parking lot. In here you will find picnic tables, camping sites, ski area, toboggan run, trails, and the lodge.

MacGregor Pioneer Park is located on East Broadway between Marlboro Road and Boyd Avenue. The library is located here along with a band shell and veteran's monuments. We do have weekly band concerts during the summer and the park is equipped with benches for those who simply want to relax and enjoy.

Our programs are dependent upon the school facilities and we should thank the school board and their administrators for all that they have done to help make this program succeed. We utilized Hood School, Grinnell School, South Range School and the playing areas connected to each. Last year we were given permission to build a ball diamond of little league size and name it after Frank Smith. This field is located at the new Derry Village School and will be played starting this year.

Volunteers are the backbone of our programs. We could not operate a successful activity without them. I hesitate to list them for fear of forgetting one who has been a great help to us. Instead let me extend our most sincere thanks to them and they will know who they are.

Some people like to know how many people participate in our various programs, but attendance figures are misleading. If I said 30,000 attended our Hood Park area, you could rightfully think we don't have that many people in town, but if I told you that the '68 attendance was 3 times that figures in '67, you might have a better idea of what is happening with our department. There has been a general increase in the numbers of adults as well as children participating in what we have

to offer. There has also been an increase in the number of spectators at the activities which these people participate in.

We hope we have offered something for everyone. If we have not yet reached you, give us a call and make a suggestion. Perhaps if enough people call about a particular interest we can get something going like we did with Square Dance, Antique Auto or Camping. Our office is open only part-time, but we hope to increase this soon. Any constructive criticism will be welcomed and we will be glad to answer any and all questions to the best of our ability. If everyone will continue to cooperate as they have in the past, we can do even a better job of Recreation and Parks in the Town of Derry.

Respectfully submitted
Gerald H. Cox
