REPORT OF SELECTMEN

Nelson grieved when Francis W. Tolman died a few days after moderating his fifteenth Annual Town Meeting. On the last page of this Report is a poem, written by Miss May Sarton, which speaks for us all.

The year 1969 was marked by several actions which should be matters of record :

1. As authorized at the 1969 Town Meeting, a committee, chaired by Mr. Barry Tolman, studied proposals for building a new Town barn. Final decision led to a barn built under the direction of Messers Arnold Miner and Claude Hutchins, an insulated and heated structure, 24x48 feet, now in use and the cost of which was held to the approved figure of \$10,000.00.

2. Through action, facilitated by the Town Officers and the dedicated activity of many residents, problems associated with illness and handicap of two residents were eased.

3. Legal action in respect to the 1969 choice of Selectman has not impeded the work of that office as evidenced and reflected in this Report.

4. In response to legal petition from the Nelson Community Association, the Selectmen re-activated the Nelson Planning Board. Preliminary recommendations of that Board were mailed, December 31, to all property owners and taxpayers. Public Hearings on the Plan were held January 24 and February 14, 1970. The amended Plan is presented to the 1970 Annual Town Meeting.

5. Concerned lest inequities might have crept in since the last independent survey of property values (1952), the Selectmen are proposing an Article in the 1970 Warrant to invite the State Tax Commission to make a new survey which, if voted, would re-scale values and govern the tax rate.

6. Much remains to be done. For example, the Pollution Committee, chaired by Mr. Bernie Pierce, continues to report steps which must be taken by the Town to meet the State's deadline on open pit burning to go into effect for us in 1975. The Committee proposes a sinking fund of \$1,000.00 a year for five years to cushion the cost of eventual abandonment of current dump procedures.

It is proper, here, to thank those who report the work of various offices, departments and organizations in the Town. For the little they receive in funding, they more than make up in the quality of work they do and in the hours of time they spend.

Respectfully submitted,

ROBBINS MILBANK
JAMES C. BINGHAM
COURTNEY LANGDON

STATE OF NEW HAMPSHIRE

1970

NELSON TOWN WARRANT

TO THE INHABITANTS of the Town of Nelson, in the County of Cheshire, State of New Hampshire, qualified to vote in Town affairs:

YOU ARE HEREBY NOTIFIED to meet at the Town Hall in said Nelson on Tuesday, the 10th day of March next at 7:00 of the clock in the afternoon to act upon the following Articles:

ARTICLES OF A GENERAL NATURE

1. To choose necessary Town Officers for the year ensuing.
2. To see if the Town will vote to raise the sum of \$26,907.00 to defray Town charges for the year ensuing.
3. To see if the Town will authorize the Selectmen to borrow on the credit of the Town in anticipation of taxes for the year 1970.
4. To see if the Town will authorize the Selectmen to sell at public auction to any proper buyer any and all parcels of property conveyed to the Town by the Tax Collector or other deeds and to execute, acknowledge and deliver appropriate deeds thereof.
5. To see if the Town will vote to raise the sum of \$865.00 for equipment and improvements in the Town Hall.

NOTE: It was proposed at the 1970 Caucus to install toilet facilities. Two electric toilets will cost \$600.00. In addition the Town Hall needs 36 new folding chairs (\$200.00) and an industrial vacuum cleaner (\$65.00)

ARTICLES IN SUPPORT OF VARIOUS OBLIGATIONS

6. To see if the Town will vote to raise the sum of \$290.00 as its fair share of the operating costs of Elliot Community Hospital.

7. To see if the Town will vote to raise the sum of \$100.00 to help defray necessary and proper expenses of Old Home Day, the sum of \$60.00 for the same purpose for Memorial Day, and the sum of \$100.00 for the care of the Town Common.

8. To see if the Town will vote to raise the sum of \$177.00 for the support of the Monadnock Regional Association.

9. To see if the Town will vote to raise the sum of \$175.00 for the support of the Town Library.

10. To see if the Town will vote to raise the sum of \$300.00 for the maintenance of the Cemetery, this sum to be paid to the Secretary of the Cemetery Board on or before May 1, 1970.

11. To see if the Town will vote to raise the sum of \$100.00 to support the work of the Munsonville Pre-School.

ARTICLES DEALING WITH PROTECTION

12. To see if the Town will vote to raise the sum of \$100.00 for Civil Defense purposes.

13. To see if the Town will vote to raise the sum of \$400.00 for the proper expenses of the Police Department.

14. To see if the Town will vote to raise the sum of \$65.00 to be used in conjunction with State and Federal funds for control of White Pine blister within the confines of the Town.

15. To see if the Town will vote to raise the sum of \$150.00 for the construction and maintenance of fire trails and water holes.

16. To see if the Town will vote to raise the sum of \$500.00 for the maintenance of the Fire Department.

ARTICLES DEALING WITH ROADS

17. To see if the Town will vote to raise the sum of \$17,000.00 for the maintenance and repair of roads and bridges, of which sum \$7,500.00 shall be for summer work and \$9,500.00 for winter work.

18. To see if the Town will vote to raise the sum of \$500.00 to provide an increase of 50% in pay-roll rates paid for winter maintenance, the increase to apply only to hours worked in excess of 40 per week.

NOTE: Long overdue, the above Article brings the Town of Nelson into line with other nearby communities in recognizing the overload of work that often accompanies a big storm. Because the Article was proposed after the 1970 Budget was filed, its acceptance adds the amount voted to the Budget.

19. To see if the Town will vote to raise the sum of \$6,000.00 for general highway expenses, repairs and supplies.

20. To see if the Town will vote to raise the sum of \$581.16 as its share of TRA construction costs, the State's share being \$3,874.37.

21. To see if the Town will vote to raise the sum of \$3,000.00 to be added to the Capital Reserve Fund, it being understood that no withdrawals may be made from this Fund except by vote of the Town for purchase of road equipment and upon recommendation by the Town Road Equipment Committee.

NOTE: The Committee consists of the Selectmen, the Road Agent and three other persons: Messers Barry Tolman, Claude Hutchins and Frank E. Upton, Jr.

ARTICLES OF A SPECIAL NATURE

22. To see if the Town will vote to accept \$100.00 as a trust fund from Mrs. William C. Gerrish, the interest therefrom to be used for the perpetual care of lots in the Cemetery.

23. To see if the Town will vote to raise the sum of \$6,000.00 to cover the estimated costs of a complete re-assessment of the property values of the Town, the survey to be made by the office of the N. H. State Tax Commission.*

*See note, next page

NOTE: No independent appraisal of property has been made in Nelson since the State made one in 1952. The State has recently completed such professional re-appraisals in a dozen or so Towns, generally resulting in lower tax rates.

24. To see if the Town will vote to establish a Town Conservation Commission as set forth in RSA 36a, and to instruct the Selectmen to appoint said Commission within 30 days from the date of the Annual Meeting and to appoint a temporary chairman to call the first meeting of the Commission.

NOTE: This Article included by petition of qualified voters and on recommendation of State agencies and the Monadnock Regional Association.

25. To see if the Town will vote to raise the sum of \$1,000.00 said sum to be held in a Special Reserve Fund for ultimate replacement of the Town's present dump facilities, it being understood that no withdrawals may be made from this Fund except by vote of the Town for new dump facilities.

NOTE: While the vote on this Article applies only to the year it is adopted, it is intended that a similar Article be inserted in each of the next four annual Warrants.

26. To see if the Town will vote to accept the Land Use Plan prepared by the Nelson Planning Board, amended as prescribed at Public Hearings and published according to law.

NOTE: Vote on the Article requires a printed ballot and calls for election of five persons to the Board of Adjustment.

27. To transact any other business or discuss other Warrant proposals as they may legally be brought before the meeting.

Given under our hand and seal this 21st day of February in the Year of Our Lord, nineteen hundred and seventy.

ARNOLD G. MINER,

CIVIL DEFENSE DIRECTOR'S REPORT

The Program and Progress Reports, which are filed annually with the State Civil Defense Agency in Concord, will this year show a substantial improvement in our Emergency Alerting System. Prior to this, we have had to rely on the fire siren or the public telephone system to alert us of any disaster. If an emergency of any type should cut our telephone cable, and the power to the fire station, we would be isolated from emergency messages.

This possibility has been eliminated thru the efforts of the Nelson Volunteer Fire Department, as they now have six monitor radios on the fire department frequency which is controlled by the Southwestern Fire Mutual Aid control center. Although the primary purpose of these radios is for fire alerts, they may be used to establish an alert for any type of emergency. Two of these units are equipped with automatic charging D. C. power supplies which keep the unit operable in the event of failure of the A. C. supply. This precludes the possibility of the town losing all power and being out of communications because of that. It is hoped that more of these units will be acquired in the coming year.

The surplus property acquired this year includes misc. tools and supplies, some gate valves, 50' of suction hose, and some electronic test equipment, which may be used to service the fire department monitors, and in some cases, our two way radios. The N. H. Distributing Agency lists the value of this surplus property at \$3,000.00, and our cost was \$94.20.

Respectfully submitted,

RONALD E. LYON,

Civil Defense Director,

Nelson, N. H.

REPORT OF THE POLICE OFFICER

The past year has proven to have been a busy one for the members of this department.

As in every town, Nelson has been plagued with a rash of house breaks. Looking at the activity recap below you will note that never have so many complaints been received reporting forced entry into local residences. Each has been investigated by your officers assisted by either a member of the Sheriff's Department or a State Police officer. I am sorry to report that in no instance has an arrest been made for these crimes.

It is too bad that a persons property is not respected and the writer wishes that there was an answer as to how to prevent these occurrences. It is impossible to maintain a constant patrol of the town. The best method apparently for the protection of property is to make it as difficult as possible to gain entrance and to be sure that all valuables are removed from summer residences especially. Past experience indicates that articles most taken are television sets, radios, firearms, and liquor.

It would be most helpful if persons observing strange vehicles in town would endeavor to secure registration numbers of same and to report them to this department. Another suggestion is that some form of lighting be installed that would automatically go on at dusk. Very seldom will unauthorized persons operate where there is light.

The writer and the Constable were privileged to attend a seven week course sponsored by the Sheriff's Department with instructors from the F.B.I. In addition a course conducted by the State Police with instruction concerning the proper handling of traffic violations was attended and found to be most helpful.

As always, it is my pleasure, to report to the town that other law enforcement agencies have been most helpful and

cooperative. The Sheriff's Department, State Police, Keene Police, and the Mutual Aid Center have been ready at all times to work for and with your officers in aiding them to do a better job, this is most certainly appreciated.

REPORT OF THE NELSON VOLUNTEER FIRE DEPARTMENT

With the purchase of our new fire truck and other up to date fire fighting equipment, Nelson now enjoys a modern volunteer fire department. An E-3 insurance rate was granted on April 1, 1969 to all residents within three miles of the fire station, by the New Hampshire Board of Fire Underwriters.

Your fire department now has two fire trucks and a 1400 gallon tank truck. Six monitors were purchased through the efforts of your fire department at no expense to the Town. These monitors assure immediate response to all fire calls.

Eleven fire calls and one resuscitation call were answered during the year of 1969.

The Town received \$1,775 in donations towards the purchase of the new fire truck and its required equipment from area residents. The fire department raised and donated over \$1,000 towards this goal.

Respectfully submitted,
R. G. HUBER,
Fire Chief

NELSON COMMUNITY ASSOCIATION

This Association is truly becoming the voice of the town between Town Meetings.

The Association was formed in 1968 by a few people eager to work for the good of the Town and its residents, both year-around and summer and to supplement, to reinforce and strengthen the duly elected Town government and its agencies.

“To promote the good of the community, to preserve the historical heritage of the Town and to promote worthwhile activities for the young people of the community.” These are the aims set forth in the by-laws.

This organization is the successor to the Nelson School Association which met for many years for the purpose of a reunion during Old Home Week. The annual meeting occurs during Old Home Week thereby continuing the atmosphere of a get-together of Town people and returning former residents.

Tangible action on bringing the weight of the Association on Town problems is already evidenced. The Selectmen have acted on a petition from the Association in reviving the Town Planning Board which is submitting a Land Use Plan at the next Town Meeting.

All residents are welcome to become members. Meetings are held the third Wednesday every other month. There are 130 members.

The quality of life in Nelson is at stake; a way to keep it good is to share constructive comments at an open Association meeting.

RONALD E. LYON,
President

REPORT OF THE FIRE WARDEN

In contrast to the rest of our District, Nelson has, for many years, had a particularly good record in respect to forest fires. It is not all a matter of luck. Our people have been good about asking the Fire Warden for permission to burn brush, trash, leaves, grass and to start cooking fires. May they continue to co-operate! Another aid to forest fire prevention has been our appointment of "summer deputies" in heavily wooded areas.

All outdoor activities with matches or lighters by law require a permit from the Fire Warden. Sole exception is burning when the ground is covered by snow. The weakest link in our precautions is a burning cigarette thrown on dry leaves or grass.

This year, the Town, as usual, appropriated \$150.00 for fire trails and water holes. Of this, we spent \$56.75.

There are, of course, penalties for failing to obtain a permit for burning: for kindling an outdoor fire \$200.00 or jail up to 60 days, for recklessly or willfully kindling a fire that endangers woodlands a fine up to \$500.00 or a year in jail, for failing to extinguish completely a camp or cooking fire \$200.00 or 60 days, for dropping inflammatory material near woodland up to \$25.00.

Touch wood to keep up our good record. Touch ashes at your risk!

NEWTON F. TOLMAN,
Fire Warden

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the School District in the town of Nelson qualified to vote in district affairs:

You are hereby notified to meet at the Munsonville School in said district on the 6th day of March, 1970, at 4:00 o'clock in the afternoon to bring in your votes for the election of the following officials:

- Article 1. To choose a moderator for the coming year.
A clerk for the ensuing year.
A member of the school board for the ensuing three years.
A treasurer for the ensuing year.
An auditor for the ensuing year.

You are hereby further notified to meet at the Munsonville School in said district on March 6th, 1970 at 8:00 P. M. to act upon the following subjects: (Polls will open not later than 4:00 P. M., nor close earlier than 9:00 P. M.)

Article 2. To see if the district will vote to establish an Authorized Regional Enrollment Area (AREA) School Planning Committee, said committee to consist of three qualified voters of whom at least one shall be a member of the school board, or take any other action relating thereto.

Note: This district is currently in an AREA arrangement with Keene for grades 9-12. For planning purposes this District should continue discussions with other Districts as to the mutual problems of education, particularly grades 7-8. Approval of this article makes no commitments for this District except to form a committee that will consider the future, meet with such committees from other districts, and report its findings at a future meeting of this District. Appropriate discus-

sion and planning for the future seems essential with pupil enrollment increases and the evolution of educational change.

Article 3. To see if the District will vote to authorize the employment of a Teacher Consultant for New Hampshire Supervisory Union #29 as provided in RSA 186:11 XII and XXIV as amended or take any other action related thereto.

Note: The School Board of New Hampshire Supervisory Union #29 (which includes the board members of this district) have voted to reorganize the administrative structure of the Supervisory Union. This reorganization includes the elimination of one Assistant Superintendent of Schools and in place of this position the creation of the position of Consultant. The change is a matter of a reassignment of responsibilities and functions with no change in the actual number of people and with no direct increase in the budget. The item appears in this warrant as dictated by law since official titles and functions will be changing. It is anticipated that the overall reorganization will result in increased efficiency while providing more service to this District, its school board, instructional staff, and students.

Article 4. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article 5. To see if the district will vote to authorize the school board to enter into tuition contracts for the school year 1970-1971 with the Union School District of Keene at a rate not to exceed seven hundred ninety-five (\$795.00) dollars per pupil for Junior High instruction, or with other approved junior high schools.

Article 6. To see if the district will vote to authorize the School Board to make application for and to accept and spend on behalf of the district, any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire, or from any other source.

Article 7. To see if the district will vote to appropriate a sum, not to exceed Two Thousand One Hundred (\$2,100.00)

dollars, for the purpose of paving the drive and/or play area at the front of the Munsonville School, or take such action as is deemed appropriate.

Article 8. To see what sum of money the district will vote to raise and appropriate for the purchase of a tract of land adjoining school property or take any other action relating thereto.

Article 9. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.

Article 10. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.

Article 11. To transact any other business which may legally come before this meeting.

Given under our hands at said Nelson this 7th day of February, 1970.

ADMINISTRATIVE REPORT

TO THE SCHOOL BOARD AND CITIZENS OF NELSON:

Multigrade situations demand teachers capable of good organization of their time as well as capabilities in the varied education disciplines. You are fortunate to have teachers who have these abilities, and are using them to the advantage of your children.

Special programs at the school included the Christmas and Memorial Day programs. There was also a trip to the Aquarium in Boston and a visit to the Franklin Park Zoo.

Appreciation and thanks from us and the teachers is extended to two library trustees who at two week intervals bring books from the town library to the school. Pupils make their selections and get considerable help and enjoyment from this additional service. Mr. John Robbin's television program recommendations encourage good selections by the pupils.

Representatives from the Monadnock Child Center are making monthly visits to school to hold conferences with the teachers. The assistance given to the teachers help them in solving pupil problems, and if necessary, referrals result in complete analysis of the situation and specific recommendations.

We are trying to help our teachers help your children by keeping abreast of educational progress, and utilizing current editions of textbooks and up-to-date equipment. This past year supplementary textbooks were purchased. This year we are planning to introduce a new Social Studies series and additional supplementary textbooks in Science. There will also be additional books for the library.

Two sides of the exterior of the building were painted this past summer, an "A" frame roof was added over the porch area, and new fluorescent lights have been installed in the all-purpose room.

Nelson is a member of a successful A.R.E.A. high school program. The 1970 warrant contains an article that gives Nelson citizens an opportunity to vote to participate with several other districts in a study of the advantages and disadvantages of having a grade 7-12 A.R.E.A. We recommend that Nelson become a member of this study group.

Another article in the warrant gives Nelson citizens the opportunity to support the action of the Supervisory Union 29 meeting in voting to have a Supervisory Union Educational Consultant. This is not an additional position, but a realignment of assignments. An organization chart is included in this annual report. The administrators recommend your support of the Supervisory Union action.

Mr. Keach has been substituting on a part time basis for Mr. Cusick who left us on October 10. It is difficult for a change in personnel to continue the programs and policies of an administrator. It always means that there is an additional burden on remaining personnel. There will be an even greater challenge to keep abreast of requirements when Mr. Keach leaves in February.

The budget increase is 7.4% which is a smaller increase than last year. The costs of school operations face the same problems we all encounter under the conditions of our present economy. Major increases are salaries, contracted services, and tuition. We feel that the recommended salary increases will enable us to remain competitive and help us to retain our competent teaching staff. One roof section appears to need attention. The other contracted service item is continued membership in the Monadnock Child Center which receives high praise from the school board members from Supervisory Union 29 who serve as directors. The tuition amount is based on the number of pupils presently eligible to attend Keene Junior High School or Keene High School.

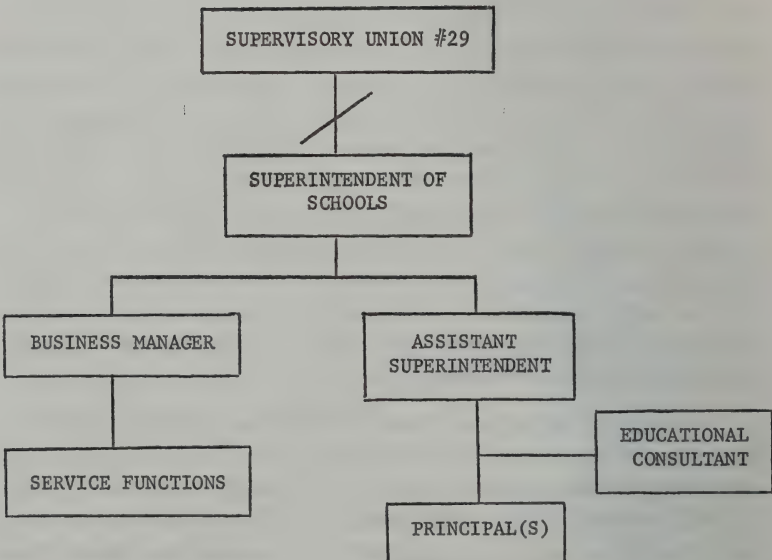

Adequate playground space is a problem. Some activities that would be enjoyed by the children and add to their overall development cannot be held in the limited space now available. It would be of considerable help if any additional area could be obtained. It is reasonable to assume that population

increase will occur, which is in keeping with the trend in New Hampshire. This could require a school addition. If additional land is obtained now, it will be a present help and insurance for the future.

The people in the Supervisory Union office wish to express their appreciation and thanks to the citizens, school board, and staff for their cooperation and support during the past year. We look forward to working with you in the future in our mutual endeavor to maintain a good educational program.

JOHN W. DAY,
 Superintendent of Schools
 GEORGE E. CASS,
 Business Manager
 ELLIOTT W. KEACH,
 Acting Asst. Superintendent of Schools

ADMINISTRATIVE ORGANIZATION

REPORT OF THE MUNSONVILLE PRE-SCHOOL ASSOCIATION

The Munsonville Pre-School, now in its fifth year, has graduated four groups of children. Classes were held Wednesday and Friday for two hours each day. School began October 2nd and ended with the annual graduation June 3rd. The average enrollment was fifteen.

The program is designed to help children adjust to being away from home and learn to accept direction from an adult other than parents. It also teaches them to associate with and relate to other children and prepares them emotionally for entrance into first grade.

Tuition is minimal and based on the financial needs of the school. Tuition was supplemented by Dutchmaid parties, a food concession, a summer carnival, driveway paving by the fathers, selling food items at Christmas and Easter baskets. Donations by local businesses and other interested concerns were given away as prizes to lucky donators during Labor Day weekend. These moneys were used for our share of heat and electricity at the pre-school's home, the Methodist Church, teacher salary, school and general supplies.

The Munsonville Pre-School is opened to all children in the town of Nelson. We have in the past years taken a few children from Stoddard and Sullivan.

Legislation passed recently increased the requirements for licensing groups such as the Munsonville Pre-School. It is impossible at this time for the school to meet all these requirements. Financial support of the town and pressure on legislators to change the law are essential for the survival of the school.

Respectfully Submitted,

BARBARA BENNETT, RUTH STAPLES, PATRICIA Mc-
MAHON, LUCILLE WHITMAN, CHARLOTTE PRATT,
Executive Board, Munsonville Pre-School Association

Elegy for Francis Tolman

*For fifteen years moderator of
the town of Nelson*

"The chair" must recognize,
"The chair" cannot endeavor
With quip or firm command
To tell us where we stand,
Keep death from loving eyes:
"The chair" is stilled forever.

Let Nelson's town recorder
Write, here this story ends.
Kindness and verve are gone.
His gavel has come down
To bring us all to order
For the last time, my friends.

That look so keen and fair,
The look of Francis Tolman,
Held to the form with grace,
And now, without his face,
We recognize "the chair",
And honor here a whole man.

Divided village, still
Today in simple grief
Before the loss of Fran,
That loving natural man,
We and each brook and hill
Join in communion.

And every woodcock mating,
Come May, will never know
The caring that he spent,
Nor his dear merriment.
But we record it, stating
Nelson is lonely now.
