ANNUAL REPORTS OF THE TOWN OFFICERS

BROOKFIELD NEW HAMPSHIRE 2004

For the fiscal year ending December 31, 2004 Vital Statistics for 2004

2004

2004 Annual Report Dedication

Thank you Warren Broderick!

Our 210th annual Town Report is dedicated to Warren Broderick. The residents of the Town of Brookfield wish to thank you for your dedication and commitment to the needs of our community. Your service as a member of the Brookfield Conservation Commission, from its inception in 1986 until December 2004 is truly appreciated.

We thank you Dr. Broderick for your time, insight and wisdom but most of all, your caring!

Town Warrant State of New Hampshire

To the inhabitants of the Town of Brookfield in the County of Carroll in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Brookfield on Tuesday the eighth of March, next, to act upon article 1 by official ballot. The polls will be open from 1:00 PM to 6:00 PM.

And you are hereby further notified to meet at the Town House in said Brookfield on the same day, beginning at 7:00 PM, to act upon the following articles 2 through 14.

- 1. To choose all necessary Town Officers for the coming year by ballot.
- 2. Shall we modify the exemption for the blind? The exemption, based on assessed value, for qualified taxpayers shall be \$40,000. The Selectmen recommend this Article. (Majority vote required)
- 3. Shall we modify the elderly exemptions from property tax in the Town of Brookfield, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$30,000, for a person 75 years of age up to 80 years \$45,000, for a person 80 years of age or older \$60,000. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$25,000 or, if married, a combined net income of less than \$30,000; and own net assets not in excess of \$50,000, excluding the value of the person's residence. The Selectmen recommend this Article. (Majority vote required)
- 4. To see if the Town will vote to raise and appropriate the sum of \$12,500 to compensate the Tax Collector for services performed in 2005. The selectmen recommend this appropriation. (Majority vote required)
- 5. To see if the Town will vote to raise and appropriate the sum of \$12,500 to compensate the Town Clerk for services performed in 2005. The selectmen recommend this appropriation. (Majority vote required)
- 6. To see if the Town will vote to raise and appropriate the sum of \$2,400 to compensate the Town Treasurer for services performed in 2005. The selectmen recommend this appropriation. (Majority vote required)

- 7. To see if the Town will vote to raise and appropriate the sum of \$40,000 to be added to the Road & Bridge Repair Capitol Reserve Fund. The selectmen recommend this appropriation. (Majority vote required)
- 8. To see if the Town will vote to raise and appropriate the sum of \$750 to be added to the expendable trust fund known as the Records Preservation Fund. The selectmen recommend this appropriation. (Majority vote required)
- 9. To see if the Town will vote to raise and appropriate the sum of \$500 to be added to the expendable trust fund known as the Scholastic Recognition Award Fund. The selectmen recommend this appropriation. (Majority vote required)
- 10. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the expendable trust fund known as the Town Buildings Maintenance Fund. The selectmen recommend this appropriation. (Majority vote required)
- 11. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the capitol reserve fund known as the Town Road Maintenance EquipmentFund. The selectmen recommend this appropriation. (Majority vote required)
- 12. To see if the Town will vote to raise and appropriate the sum of \$12,000 for the expendable trust fund known as the Property Revaluation Fund. The selectmen recommend this appropriation. (Majority vote required)
- 13. To see if the Town will vote to authorize the selectmen to borrow money in anticipation of the 2005 taxes. (Majority vote required)
- 14. To see if the Town will vote to raise and appropriate the selectmen's recommended sum of \$463,538 for the operating budget. Said sum does not include special or individual articles addressed. (Majority vote required)

NOTES:

2004 Town Report Errors Page 4

Incorrect

- 5. To see if the Town will vote to raise and appropriate the sum of \$12,500 to compensate the Town Clerk for services performed in 2005. The selectmen recommend this appropriation. (Majority vote required)
- 6. To see if the Town will vote to raise and appropriate the sum of \$2,400 to compensate the Town Treasurer for services performed in 2005. The selectmen recommend this appropriation. (Majority vote required)

Correct

- 5. To see if the Town will vote to raise and appropriate an additional sum of \$9,500 to compensate the Town Clerk for services performed, bringing the town clerks total salary to \$12,500. The selectmen recommend this appropriation. (Majority vote required)
- 6. To see if the Town will vote to raise and appropriate an additional sum of \$400 to compensate the Town Treasurer for services performed, bringing the town treasures total salary to \$2,400. The selectmen recommend this appropriation (Majority vote required)

This has been an active political year with 4 elections having been held in Brookfield. The January 27th New Hampshire Presidential Primary saw a 43.4% voter turnout. For the March 9th Town Elections 36% of the registered voters participated. The New Hampshire State Primary Election on September 14th resulted in 28.2% of total voters responding.

In the general Federal and State elections of November 2nd, a record breaking 89.6% of registered voters exercised their constitutional guaranteed right-to-vote. Also on November 2nd, 38 new voters were registered – setting a new

one-day record. Congratulations to the voters of Brookfield.

Respectfully Submitted, Dick Peckham Moderator

Tri-County Community Action

The Tri-County Community Action/Carroll County is a private, non-profit agency that was established in 1965. The Carroll County Resource Center is located at 448 White Mountain Highway, Tamworth, NH. We have had contact with 102 of Brookfield's citizens, processed 14 Fuel Applications, 3 elderly, 4 disabled, served 449 Senior Meals and linked 88 others with programs.

Tri-County Community Action has spent \$20,632 on Brookfield's

citizens between July 1, 2003 and June 30, 2004.

Tri-County Community Action is dependent upon funding from your town and neighboring communities countywide to provide necessary services for the less fortunate citizens in our communities. The local funds are combined with Community Services Block Grant, Fuel Assistance, New Hampshire Emergency Shelter Grant, Homeless Programs, EESP, McKinney and private and corporate benefactors. We are the conduit through which USDA Surplus Food is distributed to the 14 Food Pantries and three dinner bells, a group home and a nursing home throughout the Carroll County in order to serve our residents.

Carroll County Community Contact has successfully partnered with individuals and families to assist them to identify barriers blocking the way to self-sufficiency. We have provided information, referrals and assisted with advocacy

for more than 19,064 contacts in Carroll County last year.

We greatly appreciate the support, cooperation and partnership with your elected officials, staff and residents.

Sincerely,
Marge M. Webster
Director of Development

VNA - Hospice

VNA-Hospice is a not-for-profit, Medicare certified Agency that is licensed by the State of New Hampshire to provide home health care, hospice care, maternal child health and community health services to residents in Alton, Brookfield, Effingham, Freedom, Moultonboro, Ossipee, Sandwich, Tamworth, Tuftonboro, Wakefield and Wolfeboro. While our office is located in Wolfeboro our staff drove close to one-half million miles throughout this region to provide 34,707 visits during fiscal year 2005.

The Agency is proud to have provided residents in Brookfield with a total of 551 visits this past year. This included 432 home health care visits, 22 hospice visits and 97 maternal child health visits. A visit may be made by a registered nurse, a physical therapist, an occupational therapist, a speech therapist, a licensed nursing assistant or a homemaker.

Home health is the fastest growing division of the health care industry, and that trend is going to continue. Home health care is effective and cost efficient. We provide care in a patient's home, which is where you want to be cared for. VNA-Hospice's goal is to meet the health care needs of our service communities today and tomorrow. VNA-Hospice was the first Agency in this region to provide telehealth monitoring to our most vulnerable patients. We are currently in the process of evaluating a new information technology system that will allow clinical staff members to carry computers into patient's homes. Paperwork is a major burden to all of our staff. Computerization will reduce that burden, but more importantly it will be a tool that will give them immediate access to information that can be used to improve patient care. Each computer will have a special medication program. It will allow them access to the notes of other care providers so that continuity of care can be maximized.

There continued to be some major challenges that impact the home care industry. These challenges affect VNA-Hospice's ability to provide the residents of Brookfield with quality services. It seems like many of the patients that are referred to us have multiple health care problems and are more acutely ill. This increases their need for services and it increases our costs to provide the quality of care that this Agency is known for and committed to. There continues to be a shortage of qualified health care personnel in this region, especially therapists and nursing staff. The Federal government continues to increase its oversight on the industry. This increases the cost of doing business, but funding by the State and Federal governments is either decreasing or at budget neutral.

Thank you for your continued support and for allowing VNA-Hospice to provide you with your home health care services.

Marilyn Barba, MS, RN, CHCE

Executive Director

Treasurer's Report

January 1, 2004 - December 31, 2004

During 2004, the Town bought property taxes and yield taxes in the amount of \$24,072.46. This amount is not included in the following reports as either revenues or expenditures. Any portions of those liens that have been redeemed are reflected in the reports.

Once again the Town did not need to borrow any money in anticipation of taxes. This continues to be a great saving to the Town in interest payments and to me and the Selectmen in the form of paperwork.

The Town paid off the bond used for Brookfield's portion of the Wakefield Public Safety Building.

A two hundred dollar (\$200.00) petty cash fund was established for the Planning/Zoning Boards during the year.

Reminder: There will be a \$25.00 fee charged for any check returned by the bank for insufficient funds. Payment of the fee and the check must be made in cash, certified check or money order.

The following reports are true summaries taken from the books of the Treasurer for the period January 1, 2004 through December 31, 2004 and are complete to the best of my knowledge and belief.

Respectfully Submitted, Daniel R. O'Neill
Treasurer

Annual Audit

We have examined the financial statements of the Town of Brookfield for the year ending December 31, 2004. Our examination was made in accordance with generally accepted auditing standards and includes such tests of the accounting records as we considered necessary in the circumstances.

In our opinion, the financial statements present fairly the financial position of the Town of Brookfield as of December 31, 2004, in accordance with generally accepted principles.

Respectfully Submitted, Elizabeth Tozier Harlan Tozier Town Auditors

Animal Control

Brookfield has gained a few dogs this year. The years dogs registered are up to 184. This is a gain of 13 dogs. All are up to date on their shots.

Verbal warnings have been given to a few owners concerning their running at large or barking dogs. Most have been taken care of without any further incident.

Calls on farm animals; cows and horses have dropped off, with only three calls on horses that have gotten loose. A telephone call to the owner or a neighbor helped in the gathering up of their stock with the Animal Control Officer. One dog found in a well was returned to its owners safely.

Calls received and returned for the townspeople were one hundred fifty plus; miles traveled were 250.2, which is down from last year. The reason for this is that licenses are on most dogs and we can in most cases; call owners to retrieve their own animal. Any calls made thru the police department, while on duty, are not charged. Owners paid for all dogs taken in or picked up for running at large. Owners that have dogs needing a rabies shot this year; please watch for the clinic date, which will be announced in spring. The clinic will be held at the police department, with your Brookfield-Wakefield Animal Control Officer.

Extra time is being spent on collecting delinquent licenses. This can be eliminated by paying for licenses by April 30, according to law. Thank you.

Licenses are due by April 30th, 2005

Animal Control can be reached by calling 473-2826 or the Wakefield Police at 522-3232. If no answer, call State Police Troop E at 1-800-832-2100. Your town's Animal Control Officer is available by telephone 24-hours daily. If you have a missing pet, please call immediately.

Respectfully Submitted, Henry M. Blaton Brookfield Animal Control Officer

Archivist

This year has been a very active one for the Town Archivist. At the end of 2003 and into 2004, the Planning Board budgeted funds to pay the archivist to work specifically on their records. This included finding them, processing them and developing a preliminary database of the archival records. I also continued to process various other Town departmental records, with a focus on the ZBA and the Selectmen's records. In November, the Selectmen voted to pay a modest fee for my time working on all the Town records. I continue to find important town documents and legal records and make them known to the appropriate town officials. In addition, they will be much easier to retrieve once the final finding aid is complete.

At the end of March, two members (Wayne and Darlene Burke) of the Utah Genealogical Society came to the office building to microfilm our vital records. These records (births up to 1900; deaths and marriages up to 1947) will be available nationwide on microfilm. We spent ten hours pulling the records from the vault and filming them. This is a part of a two-year project of the Utah Genealogical Society, filming the vital records of all small towns in New Hampshire. For genealogists, this will make early family history research more readily available.

Again this year we have received donations from Charles Colman and the Colman family. The original papers and documents include several early 19th century diaries of Charles Colman, son of Dudley Colman, the original Dudley Colman will, and several pieces of correspondence from the same early period. These documents will be added to the already significant collection of Colman papers and photographs in the Brookfield Archives. We are extremely grateful to Charles Colman and Frances Colman Rines, and their families for these documents.

Work on the permanent exhibit in the entry way has been completed with the calligraphy of the original 1794 Town Charter, done by Cynthia Towle, and framed by Judy Brenner and Jack Bowker. The current recipient of the Brookfield Boston Post Cane, Ginny Wentworth is also honored. A changing exhibit of historic photos from the Brookfield Archives is mounted on the west end of the wall. The first exhibit featured early photos (1930's) taken by the Belknap family of their restoration of the Hackett-Garland-Belknap Farm, currently owned by Ron and Sandy Prior. The focus of this exhibit area will change from time to time.

Craig F. Evans Town Archivist

Tax Assessor Clerk

During 2004, progress continued to be made toward cleaning up our electronic and paper assessing records. Name, address, total building and total land figures are being entered into and maintained in Avitar, our new assessing software system. This allows our Tax Collector to electronically print our own tax bills. However, until 2005, our old state CAMA system will continue as our primary system to calculate property assessments and produce detailed Tax Cards. You are encouraged to be aware of the assessment of your property and are encouraged to request a copy of your Tax Card.

Office Hours continue to be at the Town Office on Monday afternoons from 2 until 5 PM, although my home number is posted outside the Town House to answer questions or set up appointments at other times as needed.

Brookfield Revaluation

In 2004, the second half of Brookfield was listed and measured for the upcoming 2005 Revaluation. Response from our citizens continued to be commendable. Assessments on less than 10 houses will have to be based on estimated data. Updated data on Current Use land, Exemptions and past Sales continues to be collected and entered into our new Avitar assessing system. By July 2005, our assessing firm (Nyberg, Purvis and Assoc.) will review the data, perform their Market Study and determine our new assessed values.

By mid-August 2005 all property owners will be informed of their upgraded assessments and be given an opportunity to schedule hearings to question values if needed. By September 1, 2005 all values will be finalized. In the fall, our new tax rate and our final tax bills will be based on these finalized, newly assessed values.

The New Hampshire Department of Revenue will continue to oversee our revaluation effort and review and approve the data being collected in order to issue our State Certification.

If you have any questions, or concerns regarding this matter please contact Pam Frazier at 522-0031.

Cemetery Trustees

The Cemetery Trustees for Brookfield continued their responsibility of overseeing the annual maintenance and mowing of the Brookfield Cemetery on Lyford Road. We also oversaw the maintenance and mowing of the private burying grounds that have available trust fund monies overseen by the Trustees of the Trust Funds of Brookfield. There are continuing issues with the amount of money available to several of the Trusts. The Trustees were forced to cut back on some of the maintenance in 2004.

The Trustees continue to encourage and support landowners to "adopt" any burying grounds on their property. However, before doing any clean up you should contact the Trustees for guidelines on proper cemetery maintenance. For 2005 the Trustees plan to make significant progress on recommending a site for an expansion cemetery for Brookfield.

Respectfully Submitted, Frank F. Frazier, Jr. Chairman

Conservation Commission

Again this year, the Commission has participated and initiated several projects affecting the Town.

In January, a Vision Statement was prepared for the Commission and distributed. A public meeting was held on March 3rd to present a comprehensive wetlands survey of the Town of Brookfield. Blue Moon Environmental, Inc. conducted this survey the previous year under a grant from NHDES administered by MMRG.

The Town Clean Up Day was held Saturday, May 8, 2004, with the usual great turnout and gratifying results.

A public nature walk of Wetland #7 (Churchill Brook) was held the afternoon of May 8th. In keeping with our mandate to preserve open green space, the Conservation Committee submitted a suggestion to the Planning Board proposing an amendment to the zoning ordinance requiring 5-acre minimum lots in certain areas of town.

As a work in progress project, all recreational and regular current use lands, based on data supplied by the Assessor Clerk, are being plotted on a town map for use in future town planning and conservation efforts.

To complete our educational out-doors program for 2004 a survey and nature hike, open to the public, along the railroad bed from Clark Road to the Wolfeboro town line through the Pike Brook wetlands complex was held on October 9th.

For 2005 we hope to promote additional out-door nature activities and follow-up on current projects both in-house and legislative that will further serve the residents of Brookfield.

Respectfully Submitted, Dick Peckham Chairman

Emergency Management

During 2004 Emergency Management applied for and received three Homeland Security grants from the state. The first two grants were 100% reimbursement and were used to purchase a new digital radio to expand the town's ability to communicate with other local and state agencies during emergency situations, as well as medical response equipment. The third grant was for a mobile digital radio for the town's forestry truck, which will also expand communication abilities during an emergency. This third grant was an equipment grant and did not require any expenditure from the town. The town's emergency management plan continues to undergo rewriting and updating on an annual basis as required by the state.

Respectfully Submitted, Bradford Williamson Emergency Management Director

Fire-Ambulance Department

The Fire Department purchased a new transport ambulance in 2003. We then put the 1996 Ambulance/Rescue vehicle back in service for 2004. Having a second ambulance available has literally saved at least one life. An individual arrived at the Public Safety Building who needed immediate transport to the hospital and our primary ambulance was out on a call. Had we not had our second vehicle available, the outcome may have been very different. We were also fortunate to have had the use of our second ambulance on several multi-patient Motor Vehicle Accidents as well as on back-to-back medical calls.

This year we were able to purchase a Forestry truck for Central Station. This 4-wheel drive vehicle gives us better access to areas susceptible to wood and brush fires. This new truck replaces a 1977 Dodge ¾ ton truck that belonged to the State and has since been returned.

We are continuing to put money away for the replacement of Engine #2, a 1979 Ford L8000. We hope to replace this engine in 2006.

The hiring of two Firefighter/EMTs to cover the daytime hours continues

The hiring of two Firefighter/EMTs to cover the daytime hours continues to be very beneficial. They conduct community inspections and do routine maintenance of equipment as well as respond to calls of both fire and ambulance during the week.

EMC Empression for 2004

There were 453 ambulance calls in 2004, logging approximately 12,153 miles in 8A1 and approximately 300 miles in 8A2. Of those calls 41 were in response to mutual aid requests for ambulance needs in neighboring communities. And 39 were requests for additional ambulances in Wakefield. Some of our requests for mutual were for multi-patient motor vehicle accidents or for serious calls near the boarder of a mutual aid town whose apparatus may be able to arrive on scene before ours. Some were night or weekend calls when we have only volunteers available. Some were when our crews were out on a previous call and some were for Paramedic intercepts. The Standard of Care is continuing to rise in the EMS service. There is a National Scope of Practice review being done at this time, which may bring even more changes in the levels of certification in a few years. Paramedic care is now expected in many situations. Wakefield currently has two certified paramedic volunteers, John Bertogli and Janet Williamson. We are very fortunate to have their services as volunteers.

As a member of the Ossipee Valley Mutual Aid Association, the Wakefield Fire Rescue Department joins our neighbors in sharing apparatus, ambulances and Fire/EMS manpower whenever the need arises. We also have had fire emergencies that totaled 241 in 2004.

Wakefield Fire requested Mutual Aid assistance on 26 calls for structure fires or motor vehicle accidents. Mutual Aid assistance was requested from Wakefield on 44 calls.

The fire roster for 2004 consisted of 33 members, including officers and our two full-time FF/EMTs. Seven are Firefighter Level 2 certified, eleven are Firefighter Level 1 certified and seven are Career Level certified, one is SCBA qualified. Fourteen have attended a Responding to Terrorist Threat course. Almost all of our firefighters and EMS personnel are certified in Motor Vehicle Extrication/Rescue and have taken Hazardous Materials courses, Incident Command System training and Forestry training. The EMS roster consisted of 2 paramedics, 6 Emergency Medical Technician-Intermediates, 3 EMT Basics, and 5 medically trained Firefighter First Responders.

Again this year, the Department had the loan of a Kawasaki Jet Ski watercraft and trailer for water rescue capability through the summer and fall at no cost to the town. We thank Rochester Motorsports for supporting us in this program.

Again this year, the Department had the loan of a Kawasaki Jet Ski watercraft and trailer for water rescue capability through the summer and fall at no cost to the town. We thank Rochester Motorsports for supporting us in this program.

Throughout 2004 we have been working with Wakefield's Emergency Management Director, Chief Merrill in securing grant funds. These funds have allowed us to purchase items to use for hazardous material spills that will be kept in the HAZMAT Trailer and back-up air bottles for SCBAs.

New radios that are both analog and digital capable have been installed in all of our fire apparatus. These radios were purchased and installed under a Homeland Security Grant created to end the radio interoperability problem between all responders to an emergency. We will use them as analog radios; however several zones have been programmed to match all other Fire, EMS, Law Enforcement and other emergency rescue responder's radios in the State. In the even of a major emergency, we will be able to communicate with all rescuers.

We continue to have a need for energetic, hardworking individuals with time to give. We especially need volunteers to cover night and weekend calls. Being a volunteer on the Fire Department and/or Ambulance take a great deal of time and commitment. There are State and/or Nationally Certified training courses that must be taken and then there are the continuing education hours needed to remain certified, as well as being able to answer emergency calls when you are needed. The commitment may be difficult but the reward, the satisfaction of helping your neighbors in their time of need, is well worth the time.

Have a safe and healthy 2005.

Respectfully Submitted, Todd C. Nason, Chief Wakefield Fire Rescue Department

Forest Fire Warden

The 2004 fire season has come and gone without a serious fire in Brookfield. We can all be thankful for that. This was due to a number of related factors including: the snowmelt was late this past spring, we had a rainy summer, and all of you being aware of the dangers involved in open burning. Your awareness makes your Warden and Deputy Warden's jobs a lot easier. As the Town's Fire Warden again I ask you not to be complacent about another fire free season. Next spring and summer could be opposite. We have to be ready as weather conditions change.

Fire Permits Issued: 151

| Brush | 78 | Campfire | 67 |
|--------------|----|------------|----|
| Cooking Fire | 5 | Commercial | 1 |

In closing I wish to thank the people of Brookfield and my Deputy Wardens for your work and vigilance resulting in a safe fire season. To quote Smokey Bear, "Only YOU can prevent forest fires".

Respectfully Submitted, Doug Vanderpool Forest Fire Warden

Planning Board

The Planning Board continued its primary charter of being the principal Land Use policy body for the Town of Brookfield. During 2004 the Board began work on revisions of both the Master Plan and the Brookfield Zoning Ordinance. We investigated Innovative Land Use Controls that are being used by other communities in New Hampshire.

The Planning Board plans to hold a series of workshops and public hearings throughout 2005 with the goal of presenting the Town, at the 2006 annual meeting with a comprehensive revision of our zoning regulations. We will initiate this process with a revision of the Master Plan and completion of the Capitol Improvements Program.

The development pressures on Brookfield and its surrounding towns will undoubtedly increase the pace of subdivision requests in the future. The Board urges town residents to actively participate in Planning Board public hearings.

The Planning Board currently has two openings for Alternates. Please contact any Board member for details.

Respectfully Submitted, Frank F. Frazier, Jr. Chairman

Police Department

On June 1st the department welcomed Tracey L. Hanson as our newest full time police officer. Officer Hanson has earned Bachelor Degrees in Criminal Justice and Community Health from the University of Massachusetts at Lowell. She graduated the 135th New Hampshire Police Academy in November.

Wakefield/Brookfield is experiencing rapid growth. New homes are being built in every area. Our population is increasing significantly. Our major roadways are stressed to the limit with heavy traffic. Our calls for service are climbing. In order to keep pace with the growing population and increased demands for services the department will need to grow as well. The department will need to add additional personnel as these trends continue.

Department members have selected Officer David Duquette as the Officer of the Year for 2004. Officer Duquette has had an outstanding first year with us. He hit the ground running, handling difficult issues well. Officer Duquette is a caring officer who takes decisive action when necessary while showing good judgment and compassion. We hope he will stay with us for many years to come. The greatest threat to our physical safety continues to be improper driving on our roadways. We have increased our traffic patrol substantially. In 2005 we will continue to enhance our traffic enforcement in an effort to reduce serious crashes. Please drive with due regards for all motor vehicle laws, stay alert and do not drink and drive.

Once again I wish to thank the Board of Selectmen, our citizens and department members for their support and assistance throughout the year.

Chief, Wakefield Police Department

Board of Selectmen

The second stage of the road improvements scheduled for the Tumble Down Dick Road were completed. A third and final section needing repair has been budgeted for the coming year. The town continues to contribute to a trust fund that will be used to offset expenses on a major project – most likely the repair the repair and repaying of Garney Road.

The Town Office Building's handicapped accessibility was improved. When repairs were made to the foundation of the Town Hall and School House, the handicap ramp to those buildings were relocated to make access easier.

The Town Hall and Town Garage received long needed face lifts with fresh coats of paint.

The second year of the property reevaluation process has been completed. Almost all properties have been visited and up-to-date information has been gathered in an effort to bring the town to a 100% evaluation rate. During the spring, the Town Assessor, Nyberg, Pervis & Associates will correlate all this information and determine an up-to-date value for each property. The new values for all properties will be available to all tax payers for review. During the summer,

the selectmen and the assessor from Nyberg, Pervis & Associates will hold official meetings to hear any appeals to the projected assessments.

Will this data affect your tax rate next year? Yes and no. It will not effect your 1st payment toward taxes in June. This amount is automatically ½ of what you were billed for this past December. The 2005 tax rate is not officially established until the selectmen meet with the Department of Revenue in October of 2005. In theory, if all the properties double in value, the tax rate should be half of what it was last year. To be on the safe side, setting some extra money aside is strongly suggested.

Expansion of Cable Television service does not appear to be on the horizon. The entire Cable Committee was under the impression in negotiations with Adelphia, that they had agreed to expand service to the Lynford, Garney and Stoneham Road area. When requested to implement the expansion, representatives from Adelphia met again with the committee and indicated that we misunderstood their offer. They would only extend service at a significant expense to each subscriber.

At the 2004 Town Meeting, the selectmen promised to come back to the 2005 Town Meeting with a recommended payment method for the Tax Collector. An Employee Compensation Committee was established to help determine a rate to be presented to the voters. The selectmen asked the committee to review other positions as well. Assorted illnesses, conflicts in scheduling, etc. did not allow the committee to complete their job. As a result, the Selectmen have opted to seek a 1-year extension of the pay rate currently received by the Tax Collector.

For years, it has been suggested by the New Hampshire Department of Revenue that all towns have a professional audit. Small towns like Brookfield would benefit from a professional audit every few years. Funds for this audit have been budgeted, and this will not take the place of the audit done by the town auditors.

The selectmen were pleased to have ended the year with a healthy surplus. This was a result of prudent spending and unanticipated increases in revenue (primarily auto registrations). All surplus monies are placed into the General Fund.

The selectmen welcome the public to attend our meetings. These meetings are now held on the 2^{nd} and 4^{th} Tuesdays of each month, unless otherwise posted.

In ending, on behalf of all the selectmen, a special thanks is extended to all those from Brookfield and other communities, who are serving in the military. We appreciate your sacrifice and pray for your safe and speedy return.

Respectfully Submitted, Bill Nelson Chairman

Transfer Station

As reflected in the figures shown below, the cost of waste is an everincreasing burden on the taxpayers. We at the Transfer Station encourage everyone to recycle.

| 2003 | 2004 |
|----------------|--|
| | |
| 620 gallons | 270 gallons |
| 8 tons | 7 tons |
| 100 tons | |
| 11 tons | 10 tons |
| 77 tons | 115 tons |
| 8300 linear ft | |
| 4160 gallons | 3455 gallons |
| - | |
| 32 tons | 36 tons |
| 43 tons | |
| 527 tons | 684 tons |
| 1914 tons | 1948 tons |
| | 620 gallons 8 tons 100 tons 11 tons 77 tons 8300 linear ft 4160 gallons 32 tons 43 tons 527 tons |

I would like to take this opportunity to thank everyone that recycles. Recycling saves money and slows the rate that landfills fill up.

Respectfully Submitted Warren Winn Transfer Station Manager

Zoning Board of Adjustment

The Zoning Board of Adjustment heard two appeals from decisions of the Planning Board and affirmed both decisions of the Planning Board. The Zoning Board of Adjustment denied an application for a variance or special exception but later granted a rehearing of that application. At the applicant's request, the Board continued the rehearing.

Respectfully Submitted, James R. Martin Chairman

Trustees of the Trust Funds

January 1, 2004 - December 31, 2004

Warrant article 9 of 2003 discontinued the Landfill Closure Fund.

Trust Funds have experienced further declines in income this year due to low interest rates. This is reducing the funds available for burial ground maintenance. If you live by a burial ground with a low-income trust and wish to adopt it for maintenance, please contact the Trustees. See the list of burial grounds in Common Trust Fund 1.

The Scholastic Recognition Award Fund has again received generous private memorial and charitable donations in addition to the \$500 appropriation from the Town. We wish to commend the Kingswood Lake Public Association for their decision to add \$200 to their donation each year to be distributed with the annual award amount that is based on interest income earned by the Fund. In addition, an anonymous donor has specified that \$100 be added to the award this year.

Private donations totaling \$1,568.60 were received from the following:

Anonymous \$500.00 (\$100 to go directly to the award)

Brookfield Bloomers \$150.00 Brookfield Craft Fair \$300.00 DeLisle 4R Recycling \$118.60

Kingswood Lake Public Assoc. \$500.00 (\$200 to go directly to the award)

The Lavenders

Mr. & Mrs. David J. Newton

Richard & Diana Peckham

In memory of Ruth Grant Smith

In memory of Joyce Newton

Martha A. Pike In memory of Ruth Grant Smith

Christopher C. & Ann Pinkham

The award is given annually to the Brookfield senior graduating from high school with the highest four-year grade-point average. The senior must be a resident of Brookfield from September 1 of the year preceding graduation through the end of the scholastic year. Parent of seniors attending private schools are asked to notify Trustee Christopher Pinkham at 522-9925 so their child(ren) can also be considered for the award. The award amount this year is \$400. Congratulations to the 9th recipient, Erin Seaboyer.

Respectfully Submitted, Thomas Lavender Martha Pike Christopher C. Pinkham
