Rep. Whipple moved that we borrow \$300,000 in anticipation of taxes. Seconded by Berringer. Passed.

Mr. Gordon Ingram and Charlotte Boynton were present with plans for hospital extension proposed for County Home. Addition to provide 80 beds at an estimated expense of \$850,000. Plans discussed. Rep. Merrill moved that plans be accepted in general, seconded by Rep. Whipple. Passed.

Rep. Berringer moved that the Extension Service be given \$2708.33 for the month of January, based on same amount received last year. Seconded by McGee. Passed.

Public hearing on the budget for coming year set for Feb. 12 at 2:00 p.m. at the Woodsville Court House.

Committee toured the Register of Probate's offices. Need of additional space was indicated.

Proposed budget was discussed.

Rep. Whipple moved that Register of Deeds be allowed to raise his office girls' salaries \$5 a week as of Jan. 1, 1968. Seconded by McGee. Passed.

PUBLIC HEARING ON  
GRAFTON COUNTY BUDGET FOR 1968

Woodsville, N.H.

2:00 p.m. Feb. 12, 1968

County Court House

Chairman of the Hearing: Rep. Stephen W. Smith of  
Plymouth

1. BUDGET OF THE COMMISSIONERS FOR 1968,  
presented by Kenneth Bell.

1. County kept within its budget for 1967 with a  
balance of \$286.43.

2. Increases in 1968 and explanations:

COURT HOUSE EXPENSES - up \$1000 - sal-  
aries, fuel costs, etc.

JURY PAYROLLS - per diem pay raised from  
\$10 to \$15.

COUNTY HOME - increases in salaries, cost  
of food, etc.

POOR OFF COUNTY HOME - cost of living  
increases.

OLD AGE ASSISTANCE - cost of living  
increases.

ON TEMPORARY LOANS - interest rates are  
up.

COUNTY EXTENSION SERVICE - increase  
requested.

RETIREMENT AND SOCIAL SECURITY -  
salaries and increased percentage for Social  
Security.

3. \$538,402 to be raised by taxes, an increase of  
\$98,385.20.

2. COUNTY EXTENSION SERVICE. Mr. Clark repre-  
senting the Extension.

Service said that the \$4000 increase in their appro-  
priation could be deleted. Grafton and Coos counties  
had planned to hire a man to do the agricultural proj-  
ects for both counties. The money expected from the

federal government would not be forthcoming and Coos County could not raise its share, so the plan had to be abandoned.

3. **TRANSFER TAX ON PROPERTY.** In reply to a question about the County's share of this tax by Rep. Foss, Mr. Wood said that the county would receive 4%. Total amount for a year is not yet known.
4. **EXERCISE YARD FOR JAIL AND HOUSE OF CORRECTION.** Mr. F. Edes, representing Peter Smith, Chairman of the Bar Association recommended the building of an exercise yard for inmates of the county jail and House of Correction, at an estimated cost of \$10,000. The yard should be 40' by 60' for an average of 26 inmates. Mr. Little favors the yard but said it would necessitate additional guards even with an enclosure of linked fence with electrified barbed wire. Mr. Little is of the opinion that the state needs 3 jails instead of 10. Coos, Carroll, Grafton, Cheshire and Sullivan should share one. Mr. William Baker of the Bar Association spoke of the inhumane treatment of inmates who are not allowed out of their cells for months on end. He said that most of them would be better off in the state prison.
5. **NEW COUNTY COURT HOUSE.**

Robert Jones of Lebanon, Grafton County Probate Judge, representing the Grafton County Bar Association urged the need for one good court house to replace the three now in use. In 1954 Grafton County delegation voted to build one court house, but the site was not agreed upon and nothing has been done. The new facility, which would service the county for the next fifty years should be built where there is adequate space for offices and court and where there is adequate parking. The Bar Association has agreed that it should be built in Haverhill area. It should have two court rooms so that two judges could sit at the

same time and clear the docket quickly. Mr. George Ray of Plymouth, President of the Bar Association suggested that a sub-committee of the delegation be appointed to work on the problem with the Bar Association.

6. NEW NURSING HOME UNIT AT COUNTY HOME. Gordon Ingram, the architect from Hanover, presented the proposed plans for a nursing home addition at the County Home. It would be a two-winged, two floor unit with 80 beds. A new sewage disposal system, alteration of the boiler to carry the additional load, the architect's fee, a new sterilizer and added kitchen equipment would bring the total cost to \$850,000. Reducing the size to 60 beds would result in a reduction of \$150,000. At the moment there is no Federal money available for construction of this kind. Mr. Ingram said there is a Federal bill under consideration, but not yet in the Congress, that would provide 66 2/3% of the cost of building and would allow borrowing up to 90% of the cost at 2½%. There is need for these additional beds and Medicare and state welfare funds would cover the operating costs.
7. RADIO COMMUNICATION SERVICE FOR THE SHERIFF.

Sheriff Ash reported that as of July 1, 1968 the state was phasing out its radio communication system. This would leave the county without such service. Mr. Dumont of Lewiston, Maine presented a plan for the county that would connect the towns with the sheriff and also allow communication with the state police. Motorola would service the system on a 24 hour basis. The equipment would last from 10 to 20 years and would cost \$13,269.30.

Meeting adjourned at 4 o'clock.

**GRAFTON COUNTY DELEGATION  
EXECUTIVE COMMITTEE**

**March 4, 1968**

The Executive Committee of the Grafton County Delegation met in the Commissioners' Office in Woodsville on Monday, March 4 at 10:30 a.m. with Chairman Stephen W. Smith presiding. Present were: The Chairman, Coms. Bell, Clement and Shores, Reps. Berringer, McGee, Merrill, Scott-Craig and Whipple and County Attorney William J. Deachman.

Com. Bell reported that the January bills for Old Age Assistance due to the transfer of cases from the towns to the county were up and that the budget for the year would have to be increased by \$12,000 to take care of this item. Rep. Whipple moved that this amount be added to the amount to be raised by taxes, bringing the total to \$546,433.50. Seconded by Berringer. Vote 6 Yes, 1 No.

Com. Clement advised the Committee that the President of the Sheriffs and Law Officers Association said that the state police can give us a frequency so all we would have to buy is a mobile unit. Agreed that this matter should be investigated.

It was decided that if the Delegation voted in favor of building an Extended Care unit at the County Home, a public hearing would then be advertised and held before any final action was taken by the Delegation.

Mr. Deachman discussed the Arthur Clough property adjoining the County Home as a possible site for the new Court House. Water and sewage would be available on the 90 acre farm as well as a house that could be moved. The state is building a road that would take part of the land where the house now stands. Com. Clement and Deachman were instructed to get information on the price of the farm and the state's intentions and report to the Delegation after dinner.

MARY M. SCOTT-CRAIG, Clerk  
Grafton County Convention

Whereas we have learned with regret of the passing of our fellow member, Thomas Pryor of Ashland, therefore be it

Resolved that we, the members of the Grafton County Delegation, do hereby pay tribute to the memory of Mr. Pryor for his loyal devotion to his town, county and state and to the welfare of its citizens and be it further

Resolved, that a copy of these resolutions be transmitted to his widow, Mrs. Thomas Pryor.

## GRAFTON COUNTY DELEGATION MEETING

March 4, 1968

The Grafton County Delegation met on Monday, March 4, 1968 at the County Farm at 1:30 p.m. Present were: Coms. Bell, Clement, Shores, Chairman Stephen Smith, Reps. Gardner, Rich, Tilton, Stevenson, Berringer, McGee, Foss, Frazer, McMeekin, Park, Manchester, Scott-Craig, Manson Smith, Beard, Merrill, Whipple, Morse and Bradley.

Com. Bell presented the budget as recommended by the commissioners for the coming year. He reported that three changes should be made:

1. OLD AGE ASSISTANCE. 28 cases were transferred from the towns to the county in January, so the \$40,000 budgeted should be increased to \$52,000 to cover the cost of these new cases for the next eleven months.
2. ON SERIAL NOTE. Because of higher interest rates this item should be increased by \$31.50 so that it reads \$2551.50.
3. COUNTY EXTENSION SERVICE. This item can be reduced by \$4,000 since Coos County decided it could not finance half the cost of the salary of an additional staff member as planned. That figure will

be revised to \$34,300.

The gross appropriation for expenditures will be \$835,701.50 less anticipated income of \$289,268.00, leaving \$546,433.50 to be raised by taxes.

Rep. Foss inquired whether or not any income could be generated in the Office of Register of Probate, comparable to that in the Office of Register of Deeds. It has been considered. Legislation would have to be passed to make it possible. Rep. McMeekin advised (based on our experience with the Register of Deeds legislation) that any bill introduced should apply to one county. Once it proves feasible, other counties will adopt similar measures.

COUNTY RADIO SYSTEM. Sheriff Ash presented a plan for a new county radio communication system, since the present one is being phased out by the state on July 1, 1968. He has asked several radio companies to survey the county and recommend a system. Only Motorola replied. Mr. Dumont of Motorola explained how the system would work. The cost is \$13,500 with a ten year guarantee. A maintenance contract would cost an additional \$75 per month. Whether this should be financed by serial notes or as part of the Operating budget was discussed. Opinion seemed to favor putting it in the Operating budget. Rep. Merrill inquired if our present frequency could be extended. Sheriff Ash replied that the present frequency is not a good one even now.

NEW COURT HOUSE FOR GRAFTON. John Stebins, an attorney from Hanover, spoke of the need for a new court House to replace the three now in use. It is only a matter of time when we will need more space for records of both the Register of Deeds and Probate offices. There is an increasing amount of litigation in the county and we should have two courtrooms working simultaneously. In time, he said, district courts will be discontinued. Lawyers in the county are unanimous in support of having one Court House instead of three and favor its location in the Haverhill area. He asked for its implementation and the formation of a committee of the Delegation to work on the plan. George Ray of

Plymouth, President of the Grafton Bar Association, urged the appointment of the Delegation committee to work with the Bar Association on plans. He also recommended two rather than three court terms. He noted the absence of space for private consultation with clients and the impossibility and undesirability of improving any of the three present Court Houses. He suggested that the county appropriate \$1,000 for fees likely to be needed in planning. Rep. Foss inquired if two counties might use one good facility. This has not been considered. Mr. Batchelder reminded the Delegation that 14 years ago the Delegation voted to build a Court House. He urged the cooperation of the Delegation with the Bar Association to provide this needed facility both offices for the county and court rooms.

EXTENDED CARE FACILITY AT COUNTY HOME. Com. Bell stated the reasons for considering the construction of this 80 bed unit. We now have 33 beds and a waiting list. We do not qualify for Medicare, but would with the new building. The income would appreciably increase if we could take Medicare patients. Mr. Lester Billings of the State Department of Public Health said that the plan being considered was a sound one, providing not only for Extended Care but for Skilled Nursing Care of Welfare cases. Asked about the costs in such a facility, he said that we now have no basis for estimating costs, but two or three counties are building facilities like this and should soon know what good care costs in county hospitals.

Mr. Gordon Ingram, Architect from Hanover, showed the Delegation the plans for the two-story 80 bed unit with treatment rooms, lockers and single rooms for House of Correction and Jail patients. The breakdown in the total cost of \$850,000 is: building, \$690,000; boiler enlargement (two new oil boilers) \$50,000; Sewage disposal, \$40,000; sterilizer, kitchen equipment and furniture, \$70,000. Rep. Foss asked if electric heat had been considered. Ingram said it had proved too costly when investigated for a new hospital in Colebrook. Rep. Stevenson asked if we could build a 40

bed unit now and add later. Supt. Little said we now need about 50 beds and the numbers asking for admission has been increasing. The total cost of doing it in stages would be higher.

### 3:45 p.m. DELEGATION WENT INTO EXECUTIVE SESSION

Chairman Smith asked for nomination for a vacancy on Executive Committee caused by the death of Thomas Pryor. Rep. Whipple nominated Van Gardner of Littleton. Seconded by Stevenson. Rep. Tilton moved that nominations be closed. Seconded by Stevenson. Rep. Stevenson moved that the Clerk cast one ballot for Van Gardner. Seconded by Frazer. Voted.

BUDGET AS PRESENTED BY THE COMMISSIONERS. Rep. Merrill moved that the item for County Home of \$365,000 be reduced to \$350,000. Seconded by Beard. Rep. Stevenson asked how this reduction would affect the budget, what things would come out. One item suggested was the milking parlor at a cost of \$10,000. Rep. McMeekin asked for a breakdown in the increase for County Home. Com. Clement said that a necessary sprinkler system would cost \$12,000, the milking parlor, \$10,000 (reason for asking for this - few if any good milkers now on the farm). He also noted that Supt. Little had asked for \$390,000 and that the Home had gone over its budget in 1967 by \$30,689.66 largely because of necessary increases in salaries. Rep. Merrill withdrew her motion and moved that the budget be reduced from \$365,000 to \$355,000 with the milking parlor deleted. Seconded by Beard. Rep. Stevenson said he was in favor of both the milking parlor and the Sheriff's Radio system if they could be financed by serial notes. Rep. Stevenson offered an amendment to the Merrill motion: that a further reduction of \$12,000 (for the sprinkler system) be made in the same item. Seconded by Tilton. Vote on the amendment: Yes 5, No 12. Amendment defeated. The vote on the Merrill motion (\$10,000) reduction for milking parlor was negative.

Rep. Stevenson moved that the figure for Social Security and Retirement be reduced from \$20,000 to \$18,000. Seconded by Gardner. Com. Bell agreed that this figure was acceptable. Voted.

Com. Bell then moved that under the item for Old Age Assistance the figure of \$40,000 be changed to \$52,000 to take care of the cases transferred to the county in January. He also moved that the figure of \$2,520 for Interest Serial Note be changed to \$2551.50. Seconded by Manson Smith. Voted. Rep. Scott-Craig moved that the appropriation for County Extension Service be reduced from \$38,300 to \$34,300 since Coos County has withdrawn from the plan for a joint addition to the staff. Seconded by Foss. Voted.

Com. Bell then moved that the County budget total be revised as follows:

Total for Expenditures	\$833,701.50
Anticipated income	\$289,268.00
Amount to be raised by taxes	\$544,433.50

Seconded by McMeekin. Voted.

SHERIFF'S RADIO SYSTEM. Rep. Stevenson moved that the County also raise by taxes \$13,500 to be expended for a radio transmission system for the Sheriff, subject to the approval of the Executive Committee of the Delegation. Seconded by Gardner. Voted. Rep. Foss suggested that the system be open for bids.

EXTENDED CARE FACILITY AT COUNTY HOME. Rep. Merrill moved that the County Commissioners be authorized to hold a public hearing on the proposed 80 bed two story Extended Care Facility to be constructed adjacent to the County Home at a cost of \$850,000. Seconded by Foss. Voted.

Rep. Stevenson suggested that at the hearing the cost of maintenance and services be presented as well as building costs. It was also suggested that the demand for the 80 bed facility be fully explored.

COURT HOUSE. Rep. McMeekin moved that the County Commissioners be authorized to negotiate for and take an option on the Arthur Clough property in

Haverhill, adjacent to the County Home as a possible site for the new Court House, and to do all things incidental thereto and report back to the County Delegation. Seconded by Gardner. Voted.

Rep. McMeekin moved that the Chairman be empowered to appoint a committee from the Delegation to work with the Grafton Bar Association to study and make plans for a new Court House. Seconded by Stevenson. Voted.

Meeting adjourned 5:34 p.m.

## GRAFTON COUNTY EXECUTIVE COMMITTEE

March 18, 1968

The Grafton County Executive Committee met in the office of the Commissioners in Woodsville, N.H. at 10:30 a.m. on Monday, March 18, 1968. Present were: Coms. Bell, Clement and Shores, Chairman Smith, Reps. Bennett, Berringer, Gardner, McGee and Scott-Craig.

OPTION ON CLOUGH FARM. Acting on the vote of the Delegation the Commissioners have secured an option on the 90 acres and the buildings thereon, known as the Clough Farm in Haverhill. Com. Bell and Chairman Smith have discussed with the N.H. Highway Department plans for the construction of the new road, affecting land on both the Clough property and the County Farm. The Highway Department indicated that if the County should buy the Clough farm, they would prefer that the county move the house to its new site and the costs of moving and building a new foundation and installation of utilities would be negotiated with the state. In addition the state would pay the county \$9,500 damages for land to be taken from the County Farm for road construction. In return the county would not interest itself in the construction of an underpass.

Rep. Bennett moved that the Commissioners proceed on the option by obtaining complete costs of moving the house and resettling it on a new site and to negotiate a settlement with the state. Seconded by Gardner. Carried. Com. Bell advised the committee that if any of the Clough land were to be sold, a decision should be made early enough so that a smaller bond issue could be suggested.

EXTENDED CARE FACILITY AT COUNTY HOME. In accordance with the wishes of the Delegation the Chairman is making wide inquiries in hospitals, nursing homes, welfare departments and professional groups to estimate the demand for this addition to our hospital. Members of the committee were asked to find out the needs of their own areas and report them. Com. Bell will get estimates of the operating costs of similar facilities in Merrimack County and at Blue Cross and Blue Shield.

April 15, 1968 at 1:30 p.m. HEARING ON EXTENDED CARE FACILITY, Woodsville, N.H.

SHERIFF'S RADIO SYSTEM. Chairman Smith agreed to ask Sheriff Ash to put in a letter information about the companies he asked to suggest radio systems and what, if any, specifications he made to them.

NEXT DELEGATION MEETING. (Date not decided) Two questions will be discussed and acted upon: 1. the purchase of the Clough Farm as a possible site for the new County Court House; 2. the bond issue for the construction of the Extended Care Facility at the County Home.

MARY M. SCOTT-CRAIG, Clerk  
Grafton County Convention

## JOINT COMMITTEE OF GRAFTON COUNTY BAR ASSOCIATION AND DELEGATION

Representatives of the Grafton County Bar Association and the Delegation met in the Courthouse in Woodsville on Monday, April 8 at 1:30 p.m. for the purpose of organization and planning of the single courthouse for the county.

Present were: Coms. Bell and Clement, Reps. Gardner, McGee, Merrill, Scott-Craig, Chairman Stephen Smith and Messrs. Robert Jones, Charles Tesreau, William Lovejoy, Peter Smith (representing the Bar), Herbert Ash, William Deachman, Charles A. Wood, Anna D. Proctor and Mrs. Fortier.

Chairman Smith presided. He stated that the Committee should report on: 1) the need for a single courthouse, and 2) plans for satisfying the needs of the county officers and our courtroom needs.

Mr. Robert Jones opened the discussion by asking whether more than one site had been considered. He expressed the hope that several would be investigated and that an architect should see the site to ascertain whether or not a courthouse could be erected there with good results. The Clough property and the costs were discussed including the proposed highway changes and their effect on the property. It was agreed that at the close of this meeting the committee would examine the Clough site and walk over it.

In planning space for county offices and in planning for courtroom needs the new Rockingham Courthouse might offer us some helpful suggestions. Space for records as well as offices, a jury room and deliberation rooms will have to be considered.

Next meeting on Thursday, May 2 at 1:30 p.m.

Mr. Tesreau moved that Stephen W. Smith be elected chairman and Mary M. Scott-Craig, Clerk. Seconded by Ash. Adopted.

Meeting adjourned at 3:15 p.m.

**GRAFTON COUNTY DELEGATION  
PUBLIC HEARING ON EXTENDED CARE UNIT  
AT COUNTY HOSPITAL  
April 15, 1968**

The Public Hearing on the construction of an extended care unit at the County Hospital in Woodsville, N.H. was held at the Woodsville Court House on Monday, April 15, 1968 at 1:30 p.m. Present were: Reps. Bennett, Gardner, Merrill, Manson Smith, Stephen W. Smith, Whipple, Scott-Craig, Tilton and Stevenson; Coms. Bell, Clement and Shores; Superintendent Little and Mrs. Little; Mr. Deachman. Com. Bell presided.

Supt. Little testified that the need had been discussed in 1964 and voted down by the Delegation. The Hospital is now full to capacity and we have a waiting list. Present hospital is not approved for Medicare or Medicaid. With new accredited unit we could get costs from Medicaid patients and from some under Medicare.

Rep. Stephen W. Smith said that the Executive Committee of the County favored the construction of such a unit as imperative. The State will not allow the County to house patients in the basement as we are now doing. With this new unit, those patients could be housed in the present hospital area.

Rep. Stevenson said that he was not satisfied with the method used to plan the facility, since there was not aid available from the Federal or State. Inquired if it was possible to use private facilities for these county patients with the county paying for them. Expressed the hope that the Legislature would provide funds for hospital construction in 1969. Concerned about the cost of maintenance of this new facility.

Mrs. Frances Lyng, Social Service Department of the Mary Hitchcock Hospital, testified that in the state there are only 12 accredited nursing homes that can take Medicare and Medicaid patients. In Grafton County there is not one. In Vermont, only 8. There are some in the process of construction. Need for this unit is great.

Mr. Lester Billings, Department of Public Health of N.H. said there was no question of the basic need for this unit. Our present hospital is not structured for accreditation standards. We have 33 beds in an area large enough for 20. At present there is not enough money appropriated for Medicaid by the State. Medicaid patients would pay all costs including depreciation. No Hill-Burton funds for construction now available — committed to Mt. Carmel and Strafford County. May be some later if Congress appropriates funds for Hill-Burton. Rep. Stevenson asked why private nursing homes were not built if the need is so great. Billings cited high construction costs, the sparse population of Grafton County and the large number of Welfare patients in need of this care, who could not pay private hospital charges.

Mr. Merrill, Overseer of the Poor, testified that he thought the nearer the facility was to the people served, the better.

Dr. Eastman, The County Physician presented good evidence of the need for this unit. He said the rooms were too small. All patients are long-term and would get Medicaid. 20-25 patients are refused each year.

Mr. Albert Beaulieu, administrator of the Plymouth Hospital, said the doctors were in favor of the construction of a new unit now. With rising costs and the fire hazard of the present unit, the work should begin as soon as possible.

Jack Davis, Caseworker from the Welfare Department cited the need for this addition by recalling the case of a man who should have been in the County Hospital, but was refused because of lack of space. He subsequently fell and had a serious injury in his rooming house.

Gordon Ingram, Architect for the unit, presented the plan for the addition citing its location and its plan in some detail. The cost has risen from \$17.50 per square foot in 1964 to \$22.50 per square foot. The total cost of the 80 bed facility is \$850,000. This includes alterations to the boiler and steam system,

a sewage disposal plant for the whole complex, equipment, furnishings and fees for architect and engineers.

Rep. Stephen W. Smith asked Com. Bell to call for a show of hands to indicate the sense of the hearing on the desirability of constructing this facility. There was no one opposed. Rep. Stevenson said he had abstained from voting, but would approve if the State appropriated enough money for Medicaid in 1969.

Meeting adjourned at 3:00 p.m.

I certify that these are the Minutes of the Special Meeting of the Grafton County Convention, April 15, 1968.

## GRAFTON COUNTY EXECUTIVE COMMITTEE

April 26, 1968

The Executive Committee of the Grafton County Delegation met in the Commissioner's Office at 10:30 a.m. on Friday, April 26, 1968. Present were: Reps. McGee, Whipple, Bennett, Berringer, Gardner, Bell and Scott-Craig and the Chairman, Stephen W. Smith.

Mr. Herbert W. Ash, the Sheriff, reported on progress with the radio equipment for the County. Two companies, Motorola of Maine and General Electric of Vermont have drawn up specifications for a new radio system for Grafton County. Both plans are now in Concord where they are being studied for adequacy and suitability by Theodore Natti's Radio-Electronic committee. A report on the system will be available within the next week. Both companies will then be invited to bid on the approved system. Nine towns will purchase units and possibly three others will do so. The Sheriff's secretary can man the radio during daytime hours and the jail turnkeys at night, so that no additional personnel will be needed. When the bids are in, the Sheriff will advise Chairman Smith in some detail.

Rep. Gardner moved that the Executive Committee approve the procedure of the Sheriff in securing the

radio equipment for the County, his solicitation of bids, and his intention of inviting bids from both companies. The Committee awaits the results of the bids before making approval of the purchase. Seconded by Whipple. Voted.

Meeting adjourned at 11:45 a.m.

Seconded by Berringer.

Rep. Rich asked if the 80 bed unit could be staffed. The answer was affirmative. Rep. ## GRAFTON COUNTY EXECUTIVE COMMITTEE

May 6, 1968

The Grafton County Executive Committee met in the Courtroom in the County Court House, Woodsville, N.H., Monday, May 6, 1968 at 10:30 a.m. Meeting called to order by the Chairman, Stephen W. Smith. Present were: Coms. Bell, Clement, Shores, Reps. Gardner, McGee, Bennett, Berringer, Merrill, Whipple, Scott-Craig and S. Smith.

Charles A. Wood, the Register of Deeds, reported to the Committee on the workload in his office. Because of the heavy amount of copying to be done during the summer months when many of the staff are on vacation, he asked permission to hire part-time help with the copying to keep his records up to date. Since this will not go over his budgeted item for expenses, Rep. Bennett moved that the item of increased expenses in the Office of Register of Deeds be approved by the Executive Committee subject to the laws of the state. Seconded by Gardner. Voted.

Chairman Smith read a report of a committee of the Grafton County Bar Association relative to conditions at the Grafton County Jail and House of Correction. (Signed by Francis P. Edes.) Rep. Bennett asked that the Commissioners study the report and that the Superintendent of the County Farm also study it. At the next meeting of the Executive Committee, both sides of the matter will be presented and discussed.

The afternoon meeting was discussed. Com. Clement said that the Reeds will be likely to allow the County to take the land on which their barn stands (since they have no need for it now) and accept some of the unneeded bottom land on the Clough farm in return, thus giving the County much more frontage, a point the Bar Association has favored.

Meeting adjourned at 11:50 for lunch.

MARY M. SCOTT-CRAIG, Clerk

**SPECIAL MEETING OF  
GRAFTON COUNTY CONVENTION**

**Woodsville, N.H. Courthouse    May 6, 1968, 1:30 p.m.**

- (d) authorize the County Commissioners to sell the buildings and/or any part of the land which in their judgment is not needed by the County, to negotiate with the State of New Hampshire in regard to the acquisition by the State of the buildings and/or land required by the State for the relocation of Route 10, and to execute and

deliver in the name of the County any deeds or other instruments that may be required;

- (e) authorize the County Commissioners to do all things necessary or convenient to carry the foregoing into effect, including the execution of Option, Contracts, and Deeds.

Present were: Reps. Tilton, Gardner, Rich, Berringer, McGee, Foss, Bennett, McMeekin, Park, Scott-Craig, Beard, Duhaime, Dulac, Merrill, Whipple, Morse, Bell, Stephen W. Smith, Bradley. Coms. Shores and Clement, Wm. Batchelder.

Chairman Smith presided. Rep. Merrill moved that the above Resolution be adopted by the Convention. Seconded by Bradley. In the discussion that followed the use of the buildings now on the land, value of the woodlot, the advantages of the Clough site for fire protection and sewerage. The Commissioners have decided that it is not feasible to move the house across the road to a new site because of the costs.

Rep. Merrill asked the Clerk to read the Resolution passed by the Joint Building Committee of the Grafton Bar Association and the Delegation on Thursday, May 2, 1968:

Mr. Robert Jones moved that the committee go on record as being in favor of the purchasing of the Clough property. Seconded by Mr. Peter Smith. Voted unanimously.

Chairman Smith then read a Resolution of the Grafton Bar Association sent to him earlier:

RESOLVED: that the Grafton County Bar Association is on record as not ready to select a building site for the new County Building at this time; and further resolved, that the Grafton County Bar Association request the County Delegation to give more time to the Association's Committee in order to have tests made and to consult with architects, engineers and appraisers as to the best possible site for said County Building; and further resolved, that the Grafton Bar Association requests the County

Delegation to allow said Association until October 1, 1968 to bring in a recommendation.

A true copy of the Resolution duly made, seconded and voted by Grafton County Bar Association at its annual meeting held Tuesday, April 23rd, 1968 at Plymouth, N.H.

Attest,  
 Caroline R. Grey, Secretary

The Chairman called for a twenty minute recess of the Convention in order that members who had not inspected the Clough property might do so.

When the Convention reconvened, the Clerk called the roll, to ascertain the number present. The same nineteen were present as above.

The previous question was moved and seconded and the Clerk read the Resolution to be voted upon. (See Page 1 of Minutes.)

**GRAFTON COUNTY EXECUTIVE COMMITTEE****June 24, 1968**

The Grafton County Executive Committee met in the Commissioners' Office in Woodsville on Monday, June 24, 1968 at 10:30 a.m. Present were: Coms. Bell and Shores, Reps. Bennett, Berringer, Gardner, McGee, Merrill, Scott-Craig, Whipple and Smith.

Com. Bell presented a report on appropriations and expenses for the five month period ending May 31, 1968. Payment for a biennial audit caused the overdraft in the Miscellaneous item. Committee approved the report. Com. Bell reported that the Coms. were about to receive bids on the sprinkler system for the Farm.

Mr. Woods reported on his staff problems. The appointment of a new deputy with an increase in salary was approved.

The report of the Grafton County Bar Association on the Jail and House of Correction was discussed. Chairman Smith said he believed that some steps should be taken to test and evaluate the inmates in an effort to rehabilitate them for jobs. Treatment for alcoholism was also discussed. After lunch the committee inspected the jail which was without inmates. It was agreed that the Commissioners would ask Employment Security to evaluate and counsel inmates who wanted and needed it. Com. Bell will ask Warden Parker Hancock whether it is possible for new jailers to have some training at the prison in preparation for their work. Chairman Smith will talk with Dr. Bramwell about the availability of mental health personnel to do the testing that is indicated especially for the men in the House of Correction. The Mary Hitchcock facility might also be investigated.

Mr. Smith suggested that it might be a way of promoting better understanding of county facilities, if newspaper reporters and radio announcers were invited to lunch at the Farm and given a tour of the hospital, House of Correction and Jail. The time would probab-

ly be in the late summer or early fall.

Meeting adjourned at 2:15 p.m.

MARY M. SCOTT-CRAIG, Clerk

## GRAFTON COUNTY EXECUTIVE COMMITTEE

September 16, 1968

The Executive committee met in the Commissioners' Office on Monday, September 16, 1968 at ten o'clock. Present were: Coms. Bell and Shores; Reps. Berringer, Gardner, McGee, Merrill, Scott-Craig, S. Smith and Whipple.

Com. Bell presented a statement of Appropriations and Expenditures for Grafton County from Jan. 1 thru August 31, 1968. Workmen's Compensation item will go over the expected budgeted amount because of large claims. Otherwise budgeted amounts are adequate.

Sewerage – County Farm. To meet the requirements of the N.H. Water Pollution Commission, Com. Bell and Mr. Ingram will confer with William Healey in Concord to determine what type of sewerage treatment is best suited to the needs of the County.

Mr. Ingram and Com. Bell will discuss with Mrs. Bigelow and Dr. Eastman, the use of a portable X ray and the conversion of the present X ray room into one for Physiotherapy, required for Medicaid patients. Mr. Ingram will also discuss with Mr. Billings and with Dr. Eastman the number of rooms in the new Extended Care Facility that should be piped with oxygen. Mr. Smith raised the question of the advisability of having a Clerk of the Works for this project, to make sure that all details were checked.

Com. Bell asked the committee to grant the Commissioners permission to borrow \$50,000 in anticipation of taxes if needed. Rep. Merrill moved that the Commissioners be given permission to borrow \$50,000 in anticipation of taxes if needed. Seconded by Gardner. Voted.

The bid for the Extended Care Facility was \$715,298.

\* \* \* \* \*

The committee was joined for lunch at the Farm by four members of the press: Jack Colby of the Littleton Courier, Gloria Poloquin of the Caledonian Record, Lew Powell, of the River News and Jeff McLaughlin of the Valley News. After a statement by the Chairman of plans for the 80 bed Extended Care Unit and the new County Building that will house both court facilities for the whole county and offices for county officers, the press asked some questions. Mr. Smith said that he thought of county government as a bridge between the towns and the state and saw a future place for it in New Hampshire. He cited evidence presented at our hearing of the great need for more nursing home facilities that met Medicare and Medicaid standards in Grafton County. In the discussion of the Jail and House of Correction, he pointed to the need for more rehabilitative services in both, but called attention to the lack of such a program at the state level at present.

The Chairman conducted a tour of the Jail, the House of Correction, the hospital and other sectors of the County Home including the barns and milking facilities.

## GRAFTON COUNTY EXECUTIVE COMMITTEE

December 9, 1968

A meeting of the Executive Committee of the Grafton County Delegation was held on Monday, December 9, 1968 at 10:00 a.m. in the office of the Commissioners in the Court House in Woodsville, N.H. Present were: Coms. Bell, Clement and Shores; Reps. Bennett, Gardner, Merrill, Scott-Craig, Whipple and Stephen Smith, the Chairman.

Commissioner Bell presented the statement of income and expenditures for the period ending November 30, 1968. He pointed out that the item for Ins. Workmen's Compensation would go over the budgeted figure because a large bill would come in during December. All farm workers are now covered by this insurance, hence the increase. Otherwise the budget is in good condition, indicating that the county will operate well within the budget and have a surplus.

The Chairman inquired about the radio system for the Sheriff's department. It is almost completely installed, and the last bills will come in this month.

The Chairman also said that the Court House group would meet with a group of architects in the near future.

1969 will be the 200th anniversary of Grafton County, and the year of the opening of the new addition to the hospital. Mr. Bennett moved that Gladys Whipple head the committee to make plans for a celebration of this event. Seconded by several. Voted.

Mr. Bennett moved that the Commissioners be authorized to borrow \$100,000 in anticipation of taxes. Seconded by Merrill. Voted.

Rep. Merrill asked that the Commissioners be given authority to transfer funds from one category to another within the budget. Seconded by Whipple. Voted.

**REPORT OF GRAFTON COUNTY COMMISSIONERS**

To the Citizens of Grafton County:

As required by Statute, the Commissioners of Grafton County submit herewith the report of the various County Officials for the year ending December 31, 1968.

Grafton County ended the year 1968 with cash on hand of \$90,207.92 which was due to an increase in revenue and money unexpended from the appropriations.

In May of this year the County purchased the Arthur Clough property, adjacent to the County Home, as a possible site for a new Court House, which is now being considered; eliminating the ones in Plymouth and Lebanon.

In September, construction was started on the new Nursing Home. Our present hospital is not approved for Medicare and Medicaid. This unit has been needed for a long time and will make necessary facilities available for our Senior Citizens.

A new County radio communication system has been set up for the sheriff. This was a necessity as the present one was phased out by the State on July 1, 1968.

Grafton County was saddened in July by the untimely death of Frank Little, Superintendent at the County Home, where he had faithfully served for the past seven years. His wife, Rita, became the Acting Superintendent for the remainder of the year and this position she carried on in a very efficient and capable manner.

The number of children in foster homes continues to increase, many having been transferred from towns, due to new Settlement Laws.

Surplus foods are still being distributed in Grafton County; many towns taking part in this program.

We wish to express our appreciation to our staff of employees, the County Delegation, the various town officials and State Welfare Department for their continued cooperation.

Respectfully submitted,

GEORGE F. CLEMENT      KENNETH G. BELL

BERT P. SHORES

The past year has been a very busy one. A sprinkler system was installed in the attic and work on the addition to the hospital started in late September.

Very little new equipment was purchased during the year. A new compressor was installed in the milk room

to replace an old one. The hospital had a blood pressure machine and a medicine cart. The bread mixer in the bakery was replaced by a Hobart model.

Several rooms in the main house were painted. Walls, grill work and doors were all painted in the House of Correction and Jail.

Crops and garden produce were about average this year. The usual amount of freezing and canning was done.

Cattle were sent to the various sales which brought a good price. Douglas Bigelow, Charles Page and Darrell Woodard are to be commended for making the Grafton County herd one of the better ones in the state.

Several church groups, organizations, clubs, schools and individuals have shown much interest by providing church services and programs, giving gifts, clothing, money, subscriptions to magazines and books. We are indeed grateful for their thoughtfulness.

In closing I wish to thank the Commissioners, Mrs. Madeline Kirk, Mrs. Doris Hobbs, Dr. C. D. Eastman, Evelyn Bigelow R.N., the chaplains and staff for their cooperation and help during the past year. Especially I want to thank all individuals who have been so helpful and considerate since the death of my husband in July.

Respectfully submitted,

RITA L. LITTLE

Acting Superintendent

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Home for the year ended December 31, 1968 and find them correctly cast and properly vouched.

## REPORT OF THE GRAFTON COUNTY ATTORNEY For the Year 1968

To the Commissioners of Grafton County:

I hereby submit the following report of my activities for the year 1968:

Processed through this office were 74 felonies and 80 appeal cases, numerous Petitions under the Uniform Reciprocal Enforcement of Support Act, together with a number of miscellaneous matters.

The County at this time is neither party plaintiff nor party defendant in any civil action.

Under the provisions of RSA Chapter 7:38, the County Attorney shall include in his annual report statistics regarding crime and "such recommendations as in [his] judgment the public good requires."

Acting within the spirit of that statute, I again bring to your attention the continuing increase in all categories of crime. For example, in Grafton County narcotics violations alone this year amount to fifteen cases as against none in 1967.

The workload of the enforcement officials increases proportionately with the rising crime rate. In addition to apprehending accused criminals, enforcement officials are confronted with the formidable burden of prosecution on the district and municipal court level. This burden has become particularly acute during the past year. While the accused is entitled to a lawyer to defend him, the officer is without a lawyer to prosecute in behalf of the public. It is an uneven proceeding to match a police officer, representing the public against a trained attorney representing the accused.

With the multitude of recent cases defining the rights of the accused, officers are at an even greater disadvantage in the courtroom. Well over half the towns in Grafton County have only part-time police officers whose knowledge of the law and courtroom procedure is necessarily limited.

If law and order is as important and imperative to society as current events would indicate, then some serious consideration should be given to accomplishing that result. It is my recommendation therefore, that the time has arrived when the public good requires a full time county attorney, whose additional duties would include appearing in all district and municipal courts throughout the county wherever there is a felony bind-over and in cases involving serious misdemeanors.

In conclusion I wish to thank the County Commissioners and all law enforcement officials for their cooperation and assistance during my tenure as county attorney.

Respectfully submitted,

WILLIAM J. DEACHMAN

## CHAPLAIN'S REPORT

To the Commissioners of Grafton County  
Woodsville, N. H.

Dear Sirs:

This report introduces a brief summary of the results achieved during the second half of the year 1968.

The Sacrament of Holy Communion was administered to the Catholic patients at the hospital and inmates at the Home at least once a month.

Spiritual counselling was made available to each through personal contact throughout the institution twice a month. Upon personal request, I have visited a prisoner at the jail. This I do only upon request of the prisoner.

The Chaplain has always found the County Home staff and nursing department interested, friendly and cooperative whenever their assistance was sought.

Respectfully submitted,

ALBERT BOULANGER  
Catholic Chaplain

## PROTESTANT CHAPLAIN'S REPORT

To the Commissioners of Grafton County:

It is my privilege to submit this report as Protestant Chaplain to the Grafton County Home. It has also been my privilege to have the opportunity of serving in the name of Christ many of the residents of the Home, Hospital, Jail and House of Correction. A feeling of warmth and acceptance of the Christian ministry on the part of the residents and staff of the Farm has made this aspect of my ministry very satisfying.

The past year has been marked by a variety of services and activities. Worship services of an informal nature are held on the first and third Sundays of each month. In these services the old Gospel hymns of the church are sung, mostly selected by the worshippers, prayers are said, and Scripture is read, accompanied with a lesson or a message. At times, discussions, questions and answers are pursued with interest. At various times, members of the congregation are called upon for special readings, even hymn solos. At appropriate occasions, Holy Communion is served. A religious film strip on "Our Bible" was enjoyed on one occasion. Young people from Woodsville have come to the Home with the Chaplain several times to read to, and share experiences with, some of the ladies. Also, an increase in the number of men who attend the Sunday services has been noted with interest.

I have collected copies of the daily devotional booklet, The Upper Room, and other literature of an inspirational nature, along with Sunday School materials, and made available for the enjoyment of the Protestant residents.

The Chaplain has attempted to make faithful pastoral visits to the Home and the Hospital. Visits, involving counseling, have been made on a less frequent basis to the Jail and House of Correction.

My family and I also enjoyed participating in the Halloween Party put on by Mr. and Mrs. John Farnham

with the guidance of Mrs. Rita Little. We were very sorry to have missed out of necessity the annual Christmas Party.

A sad incidence occurred during the year with the death of Mr. Frank Little, then Superintendent of the Farm. His loss was deeply felt among all of the residents and the staff.

I want to deeply express my appreciation to Mrs. Little, the staff and turnkeys for their friendly cooperation and assistance.

Respectfully,

MARVIN T. MILBURY  
Protestant Chaplain

**REPORT OF COUNTY PHYSICIAN**

To the Commissioners of Grafton County:

I hereby submit my report of 1968:

Another busy year has passed at the Grafton County Hospital Unit. We were filled to capacity most of the year. Daily average 32.5 patients in a 32 bed hospital unit. The 33rd bed is in a locked room which we try and keep for a sick prisoner or a psychotic case brought in the night.

This year we purchased a second bath lift in order to ease the confusion in the A.M. with patient's baths.

We had more patient days than ever before. We had fewer admissions, deaths, and discharges than the previous year.

In September of this year we started an eighty bed addition to the hospital unit. This should relieve much of our over crowded conditions, giving us adequate storage for our everyday equipment as wheel chairs, stretchers, etc., which are now kept in the halls. We expect this will be open and functioning October 1, 1969.

Under policies of the State Board of Health all obstetrical and major surgical cases are still being sent to nearby General hospitals and that will still be the policy when our addition is completed.

CYRUS D. EASTMAN, M.D.  
Medical Director
