Lisbon Librarian Resigns

It was a matter of deep concern and regret that the trustees of the Lisbon Public Library were obliged to accept the resignation of Mrs. Mildred G. Clough as librarian the first of August, 1948, by reason of ill health. The services of Mrs. Edith Hawes were then secured to assume the duties of librarian.

Mrs. Clough was chosen assistant librarian in April, 1922, and worked in that capacity until August 1935. She was then elected librarian and served until August 1948, making 26 years of service.

Through natural ability and faithfulness and conscientious attention to the exacting demands of such an office, Mrs. Clough became so thoroughly an influential part of the life of the library in the community that the regret expressed by the trustees upon her resignation will be shared by all the patrons, both old and young.

RICHARDSON MEMORIAL LIBRARY

Report of Librarian

To the Board of Trustees:

The Richardson Memorial Library had an attendance during 1948 of 1005, and the circulation was 674 fiction, 459 juveniles, 217 magazines.

Approximately 60 books were purchased. Due to expense of repairs the amount of money to be expended for books was cut considerably. We are deprived of the service rendered by the Bookmobile due to lack of funds.

Owing to the fact that there is only one session of school, children from outlying districts have been at a disadvantage to attend club activities as in the past but we hope to resume this in the near future.

Donors to the library were Mr. Joseph Fobes, Miss Ethel Osborne, Mr. Richard Meyer, Mr. Weaver and Mr. Casgrain.

Respectfully submitted,

ALICE H. SMITH
Ass't Librarian

Report of the Forest Fire Warden

Your local organization to prevent and extinguish brush and woods fires is glad to report a good year of forest protection in 1948. In spite of danger conditions nearly equalling at times those of 1947 when great losses were suffered in New Hampshire and New England, fire damage and loss this year have been gratifyingly low.

With the continuing cooperation of all the people, we can hope to have another successful year in 1949. Let us remember that in any year, over 90% of all fires are caused by carelessness and that all of these man-caused fires are preventable.

Today, we have more slash and uncut grassland than for many years in the past. Smokers, campers and tourists who use our outdoors are also more numerous than ever before. We must therefore be ready for fires which might occur but, above all, prevention by everyone is the greatest need.

A few simple precautions taken by every citizen will help, as follows:

- (1) Always get a written permit from the warden before kindling a fire outdoors when the ground is not covered with snow.
- (2) If you smoke, always extinguish matches and tobacco before dropping or throwing them down. In automobiles, always use the ash trays.
- (3) Report fires and smokes to the warden without delay.

The observance of these and other simple rules will go far to insure safety from fire damage and your cooperation in this way is earnestly solicited.

Respectfully submitted,

W. S. CODMAN,
District Fire Chief.

OSCAR R. CONRAD,
Forest Fire Warden.
