## REPORT OF THE LIBRARY TRUSTEES

The Trustees are pleased to report a good year for the library. We have received memorial gifts of money to add to the Improvement Fund and books to add to our circulation. 250 families are now using the library. With the growth in town population we anticipate more families will use our facilities. The library needs more room to grow and the Trustees are looking forward to the future with larger facilities and new programs with an active participation by the town's people.

In July the Trustees had a well attended bean supper that added \$315.00 to the Improvement Fund.

Bookmarks advertising our library have been donated by the Farmington bank.

We are indebted to the Friends of the Library for their continued support in supplying books each month. The bookmobile is no longer in service so we do not have the selection and turnover we formerly enjoyed.

A successful children's program was conducted this summer. Our thanks to Sheryl and Johnna Hillsgrove and Trustee Carol Meyer.

We appreciate the help and cooperation we've received this past year and welcome ideas and suggestions to improve and enlarge your library.

Respectfully submitted,

**REPORT OF POLICE, HEALTH, AND WELFARE DEPARTMENTS**

**January 1, 1981 to December 31, 1981**

As I have done in the past 26 years as Chief of Police of New Durham, and with the support of the Towns' Public Officials and Taxpayers, I have been able to maintain a small, well trained and equipped Police Department to cope with the needs of the Town's Police, Health and Welfare Departments in a prompt, efficient manner, giving the Town its best return for your Tax dollar.

This would not be possible without the support of the Strafford County Sheriff's Department and their Dispatch Center. The Dispatch Center handles most of our calls in a very prompt and professional manner. We also receive a great amount of help from the State Police and the Towns of Middleton, Farmington, Barnstead, Alton and Wolfeboro.

I was sorry to see Sgt. George Smith leave us in May for health reasons after nearly 6 years of service as a full time Officer. I feel we were fortunate to be able to hire David Wheeler, a resident of New Durham, and son of Charles Wheeler of Birch Hill Road to replace George Smith as a full time Officer. He has lived in New Durham for many years, went to school here,

belongs to the Fire Department, and had received training while employed by the Strafford and Belknap County Sheriff's Departments.

I was able to assign more hours to Preventive Patrol this year because of the reduction in burglaries (Down 60% from 1980). This resulted in more summons and arrests (Increase 229 from 124 in 1980), warnings and check-ups (Increase of over 600%) and 25% increase in building checks. The end result, New Durham in 1981 was a safer place to drive (Accidents reported 30, down 14%) and a safer, more secure place to live.

### NEW DURHAM FIRE DEPARTMENT ANNUAL REPORT FOR 1981

The Fire Department responded to 69 incidents this year. The following is a breakdown of those calls:

6-Structure Fires, 16 Chimney Fires, 1 Brush Fire, 27 Medical Emergencies

6 Auto Accidents, 2 Assistance to Public, 4 Mutual Aid Calls, 3 Vehicle Fires and 4 Power Line Fires. Also 6 Mutual Aid Calls into this Town from Alton, Farmington and Wolfeboro. Our thanks go out to our neighboring Towns.

The Fire Department had experienced a busy year, both in responding to its many calls as well as its continuing training. As we stress to the public, it takes many hours of a Fireman's spare time to keep our Department educated in a manner that will give the service needed in a time of emergency, as well as protection to them from the dangers involved in being a Fireman. In conjunction with this we spend many hours raising funds to support the many needs of a Fire Department. If you have any donation, be it monetary, or an article for our auction, we are always grateful.

This year we are requesting the Budget Committee to put aside a sum of money for a new addition to the Fire Station next year. The primary reason for the new addition is because we have grown out of the present Station due to the size of equipment manufactured today compared to years gone by.

As most people have realized, we run a Rescue Unit to stabilize medical problems before an ambulance arrives. We have purchased and completely outfitted the Rescue Unit at no expense to the Townspeople. We are badly in need of a newer and larger unit which we expect to buy in the near future. In order to house a Rescue Truck of this size, and whatever additional equipment is needed due to the Towns growth, this addition is very important. The Firemen have established a Building Fund to help pay for this. Your help in this project will be greatly appreciated.

As we have reminded people in the past, you may contact any Fireman to borrow our brushes to keep your chimney clean.

Respectfully submitted,  
Paul A. Blaisdell, Chief

## **FOREST FIRE WARDEN'S REPORT**

### **YOU CAN HELP PREVENT FOREST FIRES**

Fifty-five percent of all forest fires in New Hampshire are caused from careless debris burning - brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject fines running as high as one thousand dollars. In the interest of fire prevention why not eliminate burning at home. Use your town dump. It has been set up for your personal conve-

nience.

If, however you do burn on your premises:

1. Secure a permit from your forest fire warden - The law requires it.
2. Be sure to supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.
4. Permits will not be issued for the kindling of open fires between the hours of 9:00 a.m. and 5:00 p.m. unless raining.

## RECREATION PROGRAM REPORT – 1981

Our Town Recreation Program has now completed a very successful third year of operation. The Parks and Recreation Commission have firmly established guidelines and policies for use of the facilities in Town, program development, insurance protection, coaching practices and budget recommendations. This year's Commission members included Ron Booth, Dick Hatch, Bill Carey, Mark Jarvis and Randy Hillsgrove. Thanks to the New Durham Bicentennial Committee's generous donation, the Commission has purchased a chain link fence to encompass the ball field.

Our physical fitness program had won National recognition for the second year in a row. New Durham has been named "State Physical Fitness Champion" due to our children's success in participating in the President's physical Fitness Program. Our award plaques are on display at the School.

Some of the programs highlighting this past year include: aerobic lessons, cheerleading, films, trips to Red Sox games and Celtic games, bicycle club, ice skating and jump rope contests. Our Gym Show was a huge success involving every student in the Elementary School.

Appreciation and thanks to the following volunteers: Robin Coran, Merri Lineweber, Randy Hillsgrove, Harry Wells, Jim Kender, Mike Clarke, Rich Milligan, Dennis Mayo, Dan Albani, Carl Edin, Linda Kender, Theresa Hillsgrove, Dot Martin, Pete and Margot Potvin and Gail Bourke. Many thanks to Eloise Bickford, our faithful news reporter, for generating wonderful publicity and to the New Durham Boosters Club and Parents for Recreation for their generous fund-raising.

New Durham children and adults have won many prizes and awards this year competing within the Town and with other Towns. Our program has now received Statewide attention, and is becoming a successful model for other towns in the area. New Durham citizens should be proud of their program and should feel free to make suggestions, initiate new programs and schedule activities in the School Gym.

Sincerely,  
Regina M. O'Brien  
Director of Recreation

## **RURAL DISTRICT HEALTH COUNCIL, INC. ANNUAL REPORT – 1981**

As the federal government studies the cost of health care there is increased interest in home care and preventive medicine as methods of reducing costs and improving health services. The Rural District Health Council continues to qualify as a certified home health agency, implementing procedure to continue to provide quality care.

The priority service is the care of the sick program which provides nursing care, home health aide, physical, occupation, and speech therapy services. The agency's staff also conducts elderly health screenings on Wednesday afternoon. New Durham residents are welcome to attend any of these screenings held the first Wednesday of the month in the Farmington Town Hall at 1:00 p.m.

The screening includes blood pressure checks, diabetes, anemia screenings, nutrition counseling for special diets and weight control.

The child health program offers physical examinations, immunizations, and counseling for families with children 0 - 6 years.

A Dental program for children ages 3 - 6 years which includes cleaning and fluoride treatments is held twice a year with referrals to local dentists for follow-up care when needed.

Home visits to mothers of newborns are provided, when requested by patient from the hospital. Follow-up visits are also made to assure continuity of care. The agency coordinates services with the Supplemental Food and Nutrition Education Program for Women, Infants and Children in conjunction with the Strafford County Pre-Natal Family Planning Program, Inc. Foods supplied are formula, dairy products, fruit juices and cereals.

In cooperation with Frisbie Memorial Hospital the Health Council provides a discharge referral coordinator who assists the Social Service Department at the hospital and the patient's physician to continue care when needed from the hospital to the patient's home.

A bequest to the Council may be made either for unrestricted use in furthering the general purpose of the Council or for such special or restricted purposes as the donor may desire. Memorial gifts become a lasting honor to the memory of someone special such as a relative or friend. An acknowledgement is sent to the family without disclosing the amount of the gift. All gifts to the agency are deductible for estate and income tax purposes.

With the increasing aged population the Council feels its special mission is to provide programs responsive to the community and to coordinate visiting nurses with other health and social service agencies.

The town of New Durham voted to join the Rural District Health Council in support of this organizations visiting nurse services in 1969. During the

past year the Council has made 212 nursing visits, 41 home health aide visits and 70 therapy visits. There have been 17 child health home visits and 36 children have attended the child health program.

Any one interested in additional information, or needing services may contact the Rural District Health Council, P.O. Box 563, 6 So. Main Street, Farmington, NH 03835, or telephone 755-2202 between the hours of 8 a.m. and 4 p.m., Monday through Friday.
