**TOWN OF ORFORD
ANNUAL TOWN MEETING
March 8, 2011**

The Polls were opened at 4:08 pm. Ballots were counted (559 plus 3 absentee ballots). Voting began for the Town Offices on the Australian Ballots.

The Annual Town Meeting for the Town of Orford was called to order at 7:04 pm by Moderator Peter M Thomson, who led the assembly in the Salute to the Flag.

The Following announcements were made:

- Paul Goundrey explained why the meeting place was changed from where we original thought we were going to have the meeting. It was on account of a basketball tournament going on in the Gym.
- Bill Wilson thanked everyone for the help and support that he and his family had been given after their fire.
- Silvia Paxton explained what people need to do to sign up on the Orford Listserve.
- There was a contest going on with the best pictures of Orford. Vote on which one is the best and you might be a winner. Winner will be announced at 9:00 pm.
- It was explained on what the Orford Historical and Social Library had at their tables.
- Rabies Clinic will be at the Fairlee Fire Station on March 16th between 6:30 and 7:30.

A motion was made by Patricia Hammond and seconded by Carl Cassel to dispense with the reading of the Warrant. The motion passed with a voice vote in the affirmative.

A motion was made by Robert Palifka and seconded by Tom Steketee. A voice vote in the affirmative was made. *The article passed*

ARTICLE 4:

Shall we adopt the provisions of RSA 79-A:25-a to account for revenues from the land use change tax in a fund separate from the general fund? Any surplus remaining in the land use change tax fund shall not be part of the general fund until such time as the legislative body shall have had the opportunity at an annual meeting to vote to appropriate a specific amount from the land use change tax fund for any purpose not prohibited by the laws or by the constitution of this state. After an annual meeting any unappropriated balance of the land use change tax revenue received during the prior fiscal year shall be recognized as general fund revenue for the current fiscal year.

A motion was made by Paul Dalton and seconded by Tom Steketee. After a discussion 116

paper ballots was cast. Yes 41 and No 75. *The article was defeated.*

ARTICLE 5:

To see if the Town will vote to change the percentage of land use change tax revenue to be placed in the Conservation Fund from 100% to 20% per RSA 79-A:25 IV and deposit the remaining 80% into the Land Use Change Tax Fund.

A motion was made by Peter Dooley and seconded by Paul Dalton to pass over the article. A voice vote in the affirmative was made to pass over article. *The article was passed over*

We received an announcement that our Boys won the Basketball game over Twin Valley. Score 72 - 51.

ARTICLE 6:

To see if the Town will vote to establish a capital reserve fund under RSA 35:1-c to be known as the Bridge Replacement Fund.

A motion was made by Paul Dalton and seconded by Paul Goundrey. After a discussion was made a voice vote was made in the affirmative. *The article passed*

ARTICLE 7:

To see if the Town will vote to raise and appropriate the sum of ten thousand three hundred and twenty dollars (\$10,320) to conduct field data collection on 25% of town parcels toward a 100% property reassessment in 2015 and authorize the withdrawal of ten thousand three hundred and twenty dollars (\$10,320) from the Reappraisal Capital Reserve Fund.

The motion was made by Peter Dooley and seconded by Carl Cassel. A voice vote in the affirmative was made. *The article passed.*

ARTICLE 8:

To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to return a portion of Upper Baker Pond Road to a gravel surface.

The motion was made by Paul Goundrey and seconded by Tom Steketee. The Board agreed to use geotextile road fabric material under road bed. A voice vote in the affirmative was made. *The article passed.*

ARTICLE 9:

To see if the Town will vote to raise and appropriate the sum of sixty-five thousand dollars (\$65,000) to pave Indian Pond Road from the intersection of Archertown Road to the intersection of Dame Hill Road.

The motion was made by Sally Tomlinson and seconded by Tom Steketee. The Board agreed to putting it out to at least 3 bids. A voice vote in the affirmative was made. *The article passed.*

ARTICLE 10:

To see if the Town will vote to raise and appropriate the sum of six hundred dollars (\$600) to participate in the Upper Valley Lake Sunapee Regional Planning Commission of household hazardous waste collection.

The motion was made by Sarah Schwaegler and seconded by Ruth Cserr. A voice vote in the affirmative was made *The article passed*

ARTICLE 11:

To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) from interest in the Lenore Niles Trust Fund for the purpose of improving community facilities and sponsoring organizations or individuals of Orford with financial aid for opportunities that otherwise might be unattainable.

The motion was made by Sheila Conley and seconded by Peter Dooley. After some discussion Bruce Schwaegler suggested changing the article to read - The amendment was seconded by Mark Blanchard.

To see if the Town will vote to raise and appropriate the sum of two thousand five hundred dollars (\$2500) from income in the Lenore Niles Trust Fund for the purpose of improving community facilities and sponsoring organizations or individuals of Orford with financial aid for opportunities that otherwise might be unattainable.

A voice vote on the amended article was passed in the affirmative. *The amended article passed*

ARTICLE 12:

To see if the Town will vote to raise and appropriate the sum of two thousand five hundred dollars (\$2,500) to contribute to the 4th of July fireworks.

The motion was made by Bartlett (Terry) Harwood and seconded by Paul Dalton. After discussion was made, a hand vote was taken. Yes - 34 and No - 37. *The article was defeated.*

ARTICLE 13:

To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000) to be deposited into the Tree Care and Replenishment expendable Trust Funds.

The motion was made by Paul Goundrey and seconded by Paul Dalton. A voice vote was made in the affirmative. *The article passed*

ARTICLE 14:

To hear the reports of Agents, Auditors and Committees heretofore chosen and to pass any vote relating thereto.

Paul Messer reported that the Cemetery Commission had gotten the trees moved on the boundary of the West Cemetery and Water Company. It was done by a local person.

Paul Goundrey gave a report on the trail on Grimes Hill Road. The trail has been named Orford Heritage Trail.

Tom Steketee thanked Paul Goundrey for his services in filling the vacant spot on the Board. He was great help to the Board.

Paul Goundrey reported that the 66 road signs have been found and the signs were returned today. They will be replaced soon.

John Adams asked for anyone interested in being his Deputy Treasurer to let him know.

ARTICLE 15:

To Transact any other business that may legally come before said meeting.

John Richardson proposed the following resolution on the Northern Pass Power Line.

To see if the Town will register and disseminate to all concerned its objection and opposition to the construction of any portion of the 1200 Megawatt High Voltage Direct Current Transmission line in the Town of Orford by Northeast Utilities, Nstar and Hydro-Quebec, as such a huge scar constructed through and above the Town's pristine forests, public ponds, residential and scenic private properties and boys and girls camps will cause inestimable ecological and economic damage to the Town, its economy, and the well being of its residents.

Before continuing with this article the Ballot Box was closed at 9:15 pm. The Supervisors of the Checklist and Ballot Clerks proceeded to count the ballots for the elected Town Officers.

The motion was made by John Richardson and seconded by Sally Tomlinson. After some more discussion was made the article was passed in a voice vote in the affirmative. *The article passed*

The winners of the 2011 Orford Outdoors Photo Contest sponsored by Orford Conservation

Commission were.

- | | | | |
|--------|----|-----------------------|---|
| Youth: | 1. | Kelsi Lynn Nanatovich | Autumn Shadows |
| | 2. | Sam Tilden | Moms Mums |
| | 3. | Cam Day | At The Bird Feeder on Sunday Mountain |
| Adult: | 1. | Herb Verry | Doe, a Deer, a female Deer |
| | 2. | Kelley Monahan | Grimes Hill Road |
| | 3. | Joyce McKee | Male and Female Cardinals in Snow Storm |

Judith Parker made a motion directing the Selectman to appoint a committee of no more than three individuals to research the pros and cons of increasing the numbers of Selectmen in Orford from three to five. This committee would prepare a report to deliver to the Selectmen no later than November 1, 2011. This would allow sufficient time for any ensuing article to be placed on the town warrant either by the Selectmen or by petition.

The motion was made by Martin Marino and seconded by Ruth Cserr. A voice vote in the affirmative was made. *The motion passed*

Martin Marino was asked by Jean McLaughlin to thank the Town for the donations and support they are giving the Visiting Nurses and Hospice..

Silvia Paxton said the Road Crew and Police should be thanked for doing a good job.

Craig Putnam said that Julia Fifield was missed and hope things were OK with her and give her our best wishes. Peter Thomson explained that she had been here earlier and voted. They had taken some pictures of her.

Kelley Monahan announced that she didn't second the Article 13 last year regarding the Grimes Hill Road. We are very sorry for the mistake.

Paul Dalton reported that the size of the Town Report was larger than years passed. He wanted to get the feelings of the people as to how they liked it.

The results of the Ballots were:

Selectboard for one year

Paul Dalton -126

Lawrence Hibbard - 8

Brenda Gray - 2

Carl Schmidt, James McGoff, Richard Hendrick, Ernst Kling, Thomas Thomson,

Wendell Woodward, - 1 each

Blank - 5

Further, under this Article a "250th Committee" shall be formed to plan, organize and conduct the celebration, and to see if the municipality will vote to appoint the Selectboard as agents to expend from the 250th Fund.

ARTICLE 7.

To see if the Town will vote to raise and appropriate the sum of ten thousand three hundred and twenty dollars (\$10,320) to conduct field data collection on 25% of town parcels toward a 100% property reassessment in 2015 and authorize the withdrawal of ten thousand three hundred and twenty dollars (\$10,320) from the Reappraisal Capital Reserve Fund.

ARTICLE 8.

To see if the Town will vote to raise and appropriate the sum of eight hundred and sixty dollars (\$860) to participate in the Upper Valley Lake Sunapee Regional Planning Commission household hazardous waste collection.

ARTICLE 9.

To see if the Town will vote to raise and appropriate the sum of three thousand five hundred dollars (\$3,500) to be deposited into the Tree Care and Replenishment Expendable Trust Fund.

ARTICLE 10.

To see if the Town will vote to raise and appropriate the sum of two thousand five hundred dollars (\$2,500) from interest in the Lenore Niles Trust Fund for the purpose of improving community facilities and sponsoring organizations or individuals of Orford with financial aid for opportunities that otherwise might be unattainable.

ARTICLE 11. - Petitioned

The Selectboard must put out to bid any town project or contract that will cost a total of \$5,000 or more. All bids will be advertised in the local newspapers and will be posted in three public places within the town of Orford.

All bid openings will be opened at a public Selectboards meeting with a majority of the board members present.

No bid will be awarded by the Selectboard unless the bid winner and any of his possible sub-contractors first provides a Certificate of insurance made out to the Town of Orford, that is adequate to protect both the Town of Orford and its taxpayers.

Once the contract is awarded it can only be changed by all Selectboard members signing a letter of approval of said changes, which will become a public record of the Selectboards minutes.

ARTICLE 12.

To hear the reports of Agents, Auditors and Committees heretofore chosen and to pass any vote relating thereto.

ARTICLE 13.

To transact any other business that may legally come before said meeting.

Given under our hand and seal at Orford the 15th day of February in the year two thousand and twelve.

BUDGET ADVISORY COMMITTEE REPORT, 2011

The Budget Committee has worked with the Selectboard and Administrative Assistant again this year during budget meetings and the Public Hearing for the 2012 Budget. Again, any pay increases for Town employees have been limited to 2%.

Municipal operations are now \$934,324, up \$41,976 from last year. The Tobelman lawsuit and increased contributions to Capital Reserve Fund are the major contributors to that difference. If all the recommended Warrant articles to raise money are passed, the total budget will be \$1,278,704, 14.4% larger than last year's \$1,118,168. This is also more than the prior year's approved amount of \$1,202,327 by 6.4%. This year's \$429,766 "estimated revenues and credits" is 1.1% less than last year's estimated \$434,605. \$165,000 is not shown in the credits, as it was not reported in September, 2011 as the State required. Once taken into account, the "estimated amount of taxes to be raised" should really decrease from last year's \$683,583 by 0.1% to a 2012 level of \$683,078.

As you can see in the chart below, most of the budgets stayed pretty level, except for Highways & Streets and General Government. Some of the increase in Highways & Streets and General Government are due to increased Capital Reserve, and legal expenses from the Tobelman lawsuit.

The next page is from the worksheet developed to help plan Capital Reserve funding for expected expenditures so the appropriate money could be reserved to allow for major expenditures without having to raise inordinate amounts of money in the future. This sheet, started in 2008, calculates projected contributions and expenditures through 2026. By adjusting contribution values and years of expenditure we can determine if sufficient dollars will be available from Capital Reserve to replace pieces of equipment when their time is due.

Important to add for inflation each year as equipment costs also rise.
 For 10 years, inflation has averaged 2.85%. These calculations are based upon 3% inflation going forward.
 2012 Fire truck Capital reserve is \$20k instead of the recommended 26.5k. This leads to deep deficits in coming years if equipment purchased then.
 To keep from borrowing for fire equipment the rate should be 56k this year and add for inflation following years.

In the preceding chart it can be seen, for example, that the estimated costs to replace fire engines will be more than in the Capital Reserve Fund in some future years. Either some way to extend life for our current engines without sacrificing safety will have to be found, more money will have to be set aside in Capital Reserve, or there might have to be some borrowing for this expenditure. Cruisers also show future deficits, though not as severe as fire engines. Note also that the replacement frequency for some Highway trucks has been stretched out from 7 to 9 years, as longer extended warranties have now become available and will be pursued. This should help reduce future truck costs.

Contributions to the Capital Reserves have been increased from last year's \$133,900 to \$160,700 for 2012, a 20% increase. See the chart below.

Most of the Reserve increase is due to doubling the Bridges reserve contribution from \$25,000 to \$50,000. According to prior year's worksheets, \$26,500 should have been earmarked to go into the Fire Truck reserve, but that amount was reduced to \$20,000 this year in order to allocate \$6,500 for the Town Buildings reserve. Plans are to add to the Town Buildings fund in the coming years as well.

The chart below shows how our taxes were allocated last year. School and State portions are both school taxes, and made up 75.5% of our 2010 tax bill, while Municipal costs made up 19%.

**TAX PAID FOR EACH OF THE 4 MAJOR CATAGORIES
SHOWN ON YOUR 2011 TAX BILL FOR EACH
\$1.000 OF PROPERTY VALUATION**

**NOTE: THE STATE SCHOOL TAX GOES DIRECTLY TO THE SCHOOL.
THE STATE SCHOOL TAX AND TOWN SCHOOL TAX COMPRISE 75.5% OF THE
TAX BILL, WHILE THE MUNICIPAL PORTION IS 19%**

There are still many bridges in need of repair, and more money will have to be put into Capital Reserve Fund for them in the future. For the third year in a row a fire engine that was in the schedule for replacement in 2010 is not addressed by this budget. In fact, the money going into the Capital Reserve Fund this year will not sustain replacement of fire engines, even on 20 year intervals. There was, and should be more discussion around how the town wishes to resolve these equipment replacement issues.

The budgeting process has once again gone smoothly. Individual department budget meetings have been eliminated, as the Selectboard sent out requests for departments to keep the same budget as the previous year, and most have, excluding raises. Again, this is a frugal budget with the intent of not sacrificing services, but it does have some cost risk in future years.

The Budget Committee agrees with the \$1,278,704 budget discussed in this report and recommends its passage.

The Budget Advisory Committee

INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Orford, New Hampshire as of and for the year ended December 31, 2010, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Orford's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Orford as of December 31, 2010, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The budgetary comparison information on page 23 is not a required part of the basic financial statements, but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it. The Town of Orford has not presented a management's discussion and analysis. Accounting principles generally accepted in the United States of America have determined that the management's discussion and analysis is necessary to supplement, but is not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Orford's basic financial statements. The combining nonmajor and individual general fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES: Mutual Fund Assets valued at cost. Funds with long term mutual fund investments (Cemetery PC, Niles and School Alice Mann trusts) recovered well in 2010 from 2008/2009 market collapse but declined slightly in 2011 by 3.82%.
 Mutual Fund Market values total as of 12/31/11 is \$217,411, down from last year by \$8,644 but still well exceeding cost by \$33,110. Aggregate fund returns over years outpace bank yields but require acceptance of moderate risk.

No Town Capital Reserve Funds or Expendable Trust Funds are invested in other than bank deposits. Interest rates continue serious decline and as CDs mature renewals are @ rates 0.55% or lower. Ready funds earn nearly nothing.
 Report includes correction of internal error in 2010 report in which funds totals were correct but withdrawals from Tree Care and Town Property funds were switched causing offsetting errors in those two fund ending balances.
 Total Expenditures from income and principal for all funds in 2010: >>>>>> \$81,925.18 Expenditures are made drawing first from accumulated Income, then Principal.

Respectfully submitted: M. Blanchard, for M. Blanchard, S. Carter, J. Davis ... Trustees.

SELECTBOARD

The year started out normally with little hint of what was to come. While the total budget approved at Town Meeting was \$84K less than 2010, the tax burden was projected to be up \$73K due to less use of Capital Reserve Funds. Eventually expenditures were \$22,729 under budget but it was a roller-coaster ride all the way! Thank you to all town employees for their fiscal responsibility in controlling expenditures and maximizing taxpayer value.

Replacement of the Mosley Brook Bridge, postponed from 2010, was completed during July at \$8500 under budget thanks to great work by our Highway Dept. crew and their selected sub-contractors. The structure proved its strength as it withstood the ravages of Hurricane Irene which caused extensive damage all around it. Thank you neighbors Mr. & Mrs. Tom Thomson and Mr. & Mrs. Ray Dixon for providing a by-pass road during construction.

Just as summer was ending, Hurricane Irene struck on Aug. 28, 2011 causing extensive damage to two bridge/culverts and Quinttown Rd., lesser damage to Grimes Hill Rd. Bridge and culvert, Jacobs Brook's banks and various other spots. Again, our Highway crew, with the help of others, were able to make all roads temporarily passable with 1200 yards of gravel and lots of heavy equipment work. An initial estimate of \$550,000 to replace the two destroyed bridges at Indian Pond Rd. and Newcomb Hollow on Archertown Rd. caused the Board to step back and consider alternative approaches as well as understand all FEMA and NHDOT procedures to insure the maximum reimbursement monies. By Oct. 19, we decided to hire HEB Engineering of N. Conway, NH to coordinate permitting, design, bidding, construction supervision and FEMA/NHDOT filings. The final decision was to install a permanent culvert system at Indian Pond Rd., to be completed by Dec. 23 and a temporary bridge at Newcomb Hollow to be completed by Jan 20, 2012. The temporary structure will be replaced by a permanent bridge within 18 months. Total cost of approximately \$212,000 for the Indian Pond culvert and the Newcomb Hollow temporary bridge will be offset by about \$159,000 reimbursement from FEMA leaving \$53,000 to be paid from our Bridge and Road Capital Reserve Fund.

Other notable events:

- Hired a new police patrol officer, Michael Foster.
- Resolved a repeat junk car accumulation on the Patton property.
- Reassessed 25% of town properties in preparation for the 2015 mandated revaluation.
- Postponed the replacement of a fire truck until a review committee analyses its adequacy
- Appointed citizen committees for Energy Conservation, Fire Department Advisory Committee, study of a 5-person Selectboard and Long-Range Bridge Planning but delayed implementation of the bridge plan because of other emergencies.
- Delayed repaving Indian Pond Rd. to coincide with finish paving of the new culvert.
- Delayed repairs to Upper Baker Pond Rd. due to Hurricane priorities.
- A jury awarded resident Ella Tobelman \$20,000 for alleged property damage resulting from the 2008 replacement of a storm damaged culvert on Mud Turtle Pond Rd.

Paul Dalton, Chair
Anne Duncan Cooley

HIGHWAY DEPARTMENT

2011 began with the ever present, snow, snow and more snow! Spring came in on the mild side with few problems leaving the roads in very good shape for the summer. The Highway Department continued with the usual maintenance of grading roads, replacing culverts and cleaning ditches. We were fortunate to have the rental mowers for an additional week to clear road sides enough for clear visibility and to keep the brush at bay.

This summer the Highway Department replaced the wooden bridge on Mousley Brook Road with a new bridge complete with headers. The project went extremely well and was completed *under budget*. A special thanks to everyone that worked on the project and especially Bruce Gray and Dennis Streeter. Their tireless work made things progress smoothly.

In August Tropical Storm Irene came along and threw a wrench into the works causing numerous problems in town. A culvert was lost on Grimes Hill Road, six places were washed out on Quinttown Road and two large culverts, one on Indian Pond Road and one on Archertown Road were washed out and destroyed. It was a very hectic time trying to make the roadways passable and back to a somewhat normal state. FEMA was on hand and is in the process of helping us with the financial burden the storm caused. *A very special thanks to all the local contractors who jumped in and assisted us through this crises.*

At this time, the culvert on Indian Pond Road has been replaced. A temporary bridge was installed on Archertown Road to handle legal loads; the town will be getting designs for a permanent bridge to be completed in the near future.

I would like to thank everyone for your understanding during the difficult winter months and continued support throughout 2011.

Charles Waterbury, Road Agent

POLICE DEPARTMENT

The Orford Police Department's mission is to provide professional and compassionate police service through partnerships that build trust, reduce crime, create a safe environment and enhance the quality of life in our community. To fulfill that mission, we have an uncompromising insistence on quality individuals who believe in the following core values: Integrity, Respect, Fairness and Excellence.

It is my pleasure to announce that on June 6, 2011, Michael Foster joined the Orford Police Department.

Thank you to Bruce, Dennis and Charlie for their continued assistance with cruiser maintenance.

Through NH Highway Safety grants, the Orford Police Department conducted 90 hours of speed enforcement patrols and participated in 36 hours of statewide DWI enforcement patrols, paid for entirely through grants. In addition, we have been awarded 120 hours of speed enforcement patrols for 2012. We were also awarded 25 bicycle helmets that will be distributed this spring at the Rivendell Academy Safety Fair.

We will continue to make every effort to be diligent in protecting the Town of Orford and ask for your help in keeping our town safe. We want to remind residents to lock their homes and vehicles and report any suspicious activity immediately.

Christopher J. Kilmer, Chief of Police

EMERGENCY MANAGEMENT

The Orford Emergency Management committee was only activated three times in the year 2011 for three different weather events. The first event was a wind event causing power outages in February followed by an ice storm in March that again caused wide spread power outages. The last storm was tropical storm Irene at the end of August. Although we had a couple of culvert/bridges and roads destroyed, in comparison to other communities in the upper valley, I think we were very fortunate. We had many properties and a few houses that sustained damage during the storm, but no injuries reported. The town applied for FEMA assistance to help offset the cost of the storm and to this point has had great results in that assistance. I also went door to door dropping off information about how homeowners could apply for State and Federal assistance for storm damage to their properties.

We are still using the Rivendell Academy as a shelter and if the shelter or a warming shelter is opened we will be accessing one of the gym areas from the back of the building. The Orford Congregational Church expressed an interest in helping and we are in the process of doing the paperwork to make them a Red Cross shelter. I would like to thank both of these organizations for their continued support.

Communicating with the public during an event is always a challenge. Technology is a good way to get information out, but in the event that power and phones are out, we have purchased three sandwich boards to place around town to put emergency information on. To also help ensure you get emergency information, you should register with the Orford List serv. We also utilize Code Red to get emergency information out. This is a prerecorded message that we create with the information in regards to the event. You may get them without registering with Code Red, but to ensure that you do, you should go to the Grafton County Sheriff Departments web page and click on the Code Red symbol to register.

As always, I would love to get feedback on things that we are doing well and things that we can improve on. For the people that did apply for State or Federal assistance during Irene, I would also like to know if they were able to help you in any way. EMD@OrfordNH.us.

Michael Gilbert, Emergency Management Director

ORFORD VOLUNTEER FIRE DEPARTMENT

In 2011 the Orford Volunteer Fire Department responded to 83 calls. This number of calls represents an increase of almost 7% over 2010. The calls were as follows:

Mutual Aid	8	Medical Calls	49
Power Lines	7	Auto Accidents	6
Fire Alarms	4	Chimney Fires	2
CO Alarms	2	Search & Rescue	2
Structure Fires	1	Dumpster Fires	1
Odor Investigation	1		

In 2011 we also completed 7 fire code inspections, an auto extrication training session and able to send one member to a Twin State Fire training class. New equipment purchased this year includes six DOWT approved traffic control signs, safety gear for the EMS members and eight new air bottles to replace those that were due to expire (by DOT regulations).

Three new members joined the department this year, they will attend an intensive Level I Fire Fighter Training Program along with one of our current members. This is a commitment of over 200 hours each.

Also this year a number of the members of the Orford Volunteer Fire Department helped to put a roof on the new shelter at the playground.

Arthur Dennis, Fire Chief

ORFORD PLANNING BOARD

No report submitted.

**FOREST FIRE WARDEN
AND STATE FOREST RANGER**

Your Local Forest Fire Warden, Fire Department and the State of New Hampshire Division of Forest & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at 603-271-2214, or online at www.nhdfl.org.

Both in terms of the number of fires, as well as the number of acres burned, this past fire season was the smallest since records have been kept. Extensive rainfall virtually all season long kept the fire danger down. When fires did start they were kept very small. The largest fire for the season was only 5.4 acres which occurred in Littleton on May 2, 2011. There was, however, a small window of high fire danger in the northern third of the state during July when little rainfall was recorded. During this time there were a number of lightning started fires which are fairly unusual in New Hampshire. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide systems of 16 fire lookout towers in Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2011 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

There is no burning without a fire permit. The only time allowed to burn without a fire permit is when there is snow that covers all the ground and the wind is not blowing.

Gerald Pease, Fire Warden
Eleanor Mardin, Forest Ranger

Rita Pease, Fire Agent
Arthur Dennis, Fire Deputy

Orford Free Library

The Free Library had a successful year in 2011. Our patronage and circulation both increased this year; we had 2622 patron visits and 4665 items were borrowed from the library. The library serves as a community resource, providing access to books, CD's, DVD's, audio books, a wireless computer connection and wireless printer, copier, fax, downloadable audio books, an MP3 player and a Kindle. We strive to meet requests from patrons to expand our collection and technology.

The library held events for adults, children and families throughout the year. These included: Sunday afternoon story and craft hours, a Valentine card making workshop, the NHHC book discussion series "Food and Families", Post-a-Poem month, Lawyer at the Library, the summer reading program "One World, Many Stories", our annual book and bake sale, a pumpkin carving evening, and the Holiday Open House. We celebrated the birth of babies in Orford with books in their honor placed in the library collection. In addition, the 'Ville Quilters met on a regular basis on Saturday mornings.

Renovations and improvements have continued at the library. The shelving in the children's room was reinforced. The handicap ramp and railing have been replaced. We now have air conditioning. A new desktop computer is available for patron use. To accommodate our many laptop users, the library now has a wireless printer. Many of our improvements have been funded by contributions from the Friends of the Orford Libraries. We sincerely thank the Friends for their continued support of the libraries.

The Free Library is indebted to its volunteers. Over the course of the year they have helped with special programs, staffing the library, processing and repairing books, and the upkeep of the building and grounds. In September a volunteer appreciation event was held to recognize and honor these volunteers. We would like to make special mention of the retirement of our longest serving volunteer, Barbara Hall. Barbara has faithfully helped at the library for more than 25 years. Thank you Barbara.

PARKS AND PLAYGROUNDS COMMITTEE

The Parks and Playground Committee is responsible for maintaining, protecting, and improving the town's commons, recreation fields, beaches and boat landings. With the public's use of these facilities growing every year, 2011 proved to be a busy year for the committee. Green-up Day was held in May, advertising the event with a box-holder. Attendance was fair, but spirits were high and the town's roads and parks were cleaned up quite well. For those who volunteered their time, thank you, for everyone else, please join us next year. Additions made to the Community Field to help "dress up" the facility, a 30' flagpole was erected in the center of the complex, and 2 park benches were placed in the area of the granite monument. We strive to keep the Community Field an attractive and welcoming site and we thank River Valley Landscaping for their professional and dedicated services to the town. The new playground is continuing to evolve. The roof of the shade structure was completed (thank you Orford Fire Dept.) and volunteers have continued to improve the site.

We are seeing an increased use of the Town Beach by non-residents and feel the time has come to control that use. The beach is currently open to Orford and Piermont residents and Orford taxpayers the committee is working on a method of monitoring the usage. Working with Piermont, we hope to employ an attendant/greeter to be at the beach during peak usage hours. The particulars are being worked out by the Selectboard office, and we hope this new control system will assure a resolution to the misuse of the beach.

The Committee would like to thank Floyd's Rubbish Removal and K&R Portable Toilets for their continued service and Tony Patterson for supplying beverages for Green-up Day.

John O'Brien, Jeff Tilden, J.J. Hebb, Nate Tullar, Brad McCormack

CEMETERY COMMISSION

Orford maintains three cemeteries with one seasonal worker from May first to October thirty-first. There are three cemetery commissioners whose duties are as follows: supervise grooming and equipment maintenance, assign burial plots, collecting perpetual care fees, maintenance of fences, monuments and trees. The Commission maintains a checking account from which payment is made for supplies, repairs for tree damage and some equipment. These funds are obtained from Trustees of Trust Funds. We can only use interest from perpetual care accounts, the principle must always remain.

During the 2011 year, the trustee account paid \$605.03 for supplies, \$117 for repairs, use of truck \$120 and tree removal \$3,652.12, for a total of \$4,494.15. The town's expenditures for 2011 were \$15,762.80. This covers wages, withholding, use of vehicle to transport equipment between cemeteries and gasoline usage.

This year we expect to finish cleanup along our eastern side, bordering the water company, where we have removed overgrown pine trees.

For the last three years, we have level funded the town's appropriation, due to the economic conditions.

A thank you goes to all who help provide this important function to the Town of Orford.

Cemetery Commission: Brenda Smith, Joseph Arcolio, Paul Messer, Sr

CONSERVATION COMMISSION

The town wide Natural Resource Inventory (NRI) has been completed. We presented the NRI to the town in November and gave copies to several residents who helped to make this inventory so special by completing a comprehensive appendix listing all of the flora and fauna known to be in the town of Orford. The inventory looks at our forests, farms, soil, and water resources. It also touches on our historical and cultural values we all hold dear as Orford residents. It also includes some very interesting and informative maps including a co-occurrence map. The NRI was completed by Rachel Ruppel with the Upper Valley Lake Sunapee Regional Planning Commission with help from the Orford Conservation Commission members and several residents. We have copies available to borrow at our town libraries and we hope to have a copy on our town website soon.

The Bischoff's deserve special thanks for conserving acreage on the shore of Upper Baker Pond with the Upper Valley Land Trust. Protecting the shorelines of our undeveloped ponds is an important way to keep Orford beautiful. Our annual water testing program has shown once again that our Jacobs Brook is as clean and healthy as we can ask for.

Other Commission activities include several trips sponsored by our recreation and education committee. We began the year with an evening snowshoe on the Baker's hayfields. We watched the full February moon rise over Mount Cube. Other activities include Jeff MacQueen leading a group of Birders on the Schwaegler lands around Indian Pond. We finished off our summer season with a paddle up into the Sawyer Brook from the Connecticut River and a trip around Indian Pond. We also co-sponsored a couple of great films at the Orford Social Library in the fall of 2011. The first was "Mother Nature's Child" dealing with nature deficit disorder affecting our population. The second film was "Greenfire" brought to us by the Upper Valley Land Trust which informed us of the life and times of Aldo Leopold. Please visit the Social Library to borrow "Mother Nature's Child".

We held our annual photo contest early in the year with the townspeople voting for their favorite photo at our annual Town Meeting. Please look for our collection boxes at both town libraries and enter your prize winning photos of Orford. Please check out the rules for the contest at the libraries.

The Orford Conservation Commission meets the third Thursday of the month at the town offices at 7:00 p.m. The public is always welcome.

THE NILES TRUST FUND COMMITTEE

Mrs. Eleanor Niles and her husband, Harry, moved to Orford in 1950 and throughout their life here developed an affection for the town and its residents. At the time of her death in 1988, Mrs. Niles made a generous bequest of \$50,000 to the Town of Orford. In 1990, a warrant article was passed to establish a committee for the purpose of recommending how the interest and principal should be used. It was agreed that appropriation of these funds would be made through an article in the Town Meeting. Since then, and in keeping with Mrs. Niles civic interests, annual appropriations made from interest only have financially sponsored various town organizations and individuals with opportunities that otherwise would be unattainable.

This year (2011) voters approved an annual appropriation of \$2,500. The Niles Fund Committee received and approved three applications at a total of \$1050. As their Senior project, two Orford Rivendell students submitted a request for \$500 to support the purchase of an automated emergency defibrillator for Samuel Morey Elementary School. The Orford Social Library was granted \$50 to purchase the film entitled "Mother Nature's Child", and a Rivendell teacher received \$500 to support the engagement of a band for a community square dance.

The Committee encourages residents to consider the Niles Trust Fund when seeking financial support of activities/events that will benefit the town and its citizens. Applications are available at the Town Office.

Niles Committee (David Coker, Melinda Ricker, Ann Green, Sheila Conley, Paul Dalton , Ex-officio Selectboard Member.

ANIMAL CONTROL

The Animal Control Officer responded to 59 animal calls for service in 2011 – 26 being domestic animals and 33 being wild animals.

Even though there were cases of rabid animals in New Hampshire, there have been no confirmed cases in Orford.

It is important that all domestic animals be vaccinated and that all dogs and cats not be allowed to roam freely.

There are pamphlets available at the Orford Post Office and the Orford Town Offices about West Nile disease.

Roy Daisey, Animal Control Officer

DOG LICENSE FEES

Male or Female	\$ 9.00
Altered Animals	6.50
Senior Citizens: for one animal	2.00
Thereafter, the regular fee (owner over 65 years of age)	

License fee for a puppy (older than 4 months but younger than 7 months) is **\$6.50** for the first year.

Group Licenses

The minimum number of dogs required to qualify for a group license is five (5) dogs, and a standard fee of **\$20.00**

Proof of rabies vaccination and altering is required.
All dogs should be licensed by April 30, 2012 to avoid any penalty.

If your dog is not licensed with the Town of Orford by May 31, 2012 we will be obligated to inform the Orford Animal Control Officer of a violation of RSA 466:1. A civil forfeiture will be issued which carries with it a \$25.00 fine plus late fees.

RABIES CLINIC

An Orford/Fairlee joint Rabies Clinic has been scheduled for Wednesday, March 14, 2012, between 6:30 - 7:30 pm at the Fairlee Fire Station. This has been arranged with the Oxbow Veterinary Clinic of Bradford, VT, and the Orford Town Clerk will be present. Attendance at this program is not only convenient, but offers the Rabies Shots at a reduced rate of \$10.00.

If people see an animal they suspect of being rabid, contact Roy Daisey, Orford Animal Control Officer, Orford Police Department or the NH Fish and Game Department.

RSA 436:99, II-VI requires that all dogs and cats have a rabies vaccine once they reach the age of 3 months. The first rabies vaccine will be good for only one year, on a young dog or cat, but a two-or three-year vaccine will be given thereafter.

Rabies is a viral disease which attacks the central nervous system in mammals including wild animals, pets and humans. If untreated, it is almost always fatal. Rabies is spread from a bite or contact with the saliva of an infected animal. An indication that an animal has rabies is a noted change in behavior, such as loss of normal fear of humans or a display of hostile actions. Rabies is impossible to diagnose without a medical test that can be done only after the infected mammal is dead. Rabies is preventable. Dogs, cats, horses and other domestic animal can be vaccinated against the disease. If the vaccinated pet comes into contact with an infected animal, the disease will not spread. However, humans that come into contact with the saliva from a rabid animal on their pet can get the disease. If exposed to saliva from any animal which may be suspected of carrying rabies, the wound or infected area should be soaked for 10 minutes in soap and water prior to going to the emergency room of a hospital.

ORFORD SOCIAL LIBRARY

We are pleased to report that the Social Library remains a valuable focal point in the Orford community, as a center for literary and information services, wireless computer access, plus special events and exhibits. The Social Library continues to provide downloadable audiobooks and ebooks, interlibrary loans, public programs, and a wide selection of books, DVDs, CDs, tapes, and magazines. In 2011, patron usage was 6865 (typical) and circulation was 7880 (increase). Public computer usage remains popular.

Activities during the year included regular book discussions and story hours, and 12 special events. We continue to benefit from grants and local sponsorships that enable us to offer live theater productions such as "Alice in Wonderland" by the Hampstead Stage Company, and "Reptiles on the Move" presented by Marie Leighton.

We are very fortunate to have a dedicated group of 9 regular volunteers who assist with various tasks, plus others who help out on special projects or make donations to keep our library attractive. We thank each for their interest, time, and support. We extend special appreciation to the Friends of the Orford Libraries who, through their successful fundraising events, continue to financially support the Social Library. This year's Friends' donation enabled us to replace inadequate shelving in the main reading room and to add electrical outlets for our patrons using laptop computers.

We thank Sally Blodgett for her tenure as trustee, and welcome Dave DeSimone and Gary Barrett to the Board. Finally, we express our deep appreciation to our Librarian Sarah Putnam and her Assistant Nancy Cassel, for their dedication, diligence and hard work in the smooth day-to-day operation of the Social Library.

We sincerely appreciate the Orford community for its generous support of the library services and activities. We will continue to serve the Orford community, and we welcome their patronage and involvement.

Ted Cooley (Chair) for the Board of Trustees, Gary Barrett, Eva Daniels, Dave DeSimone, Esther Dobbins-Marsh, Ann Green, Gail Keefer, Bonnie Reid Martin, and Sheila Thomson.

CONNECTICUT RIVER JOINT COMMISSIONS

The Upper Valley Subcommittee of the Connecticut River Joint Commissions consists of twenty members, two members each appointed by the select boards of the towns of Lebanon, Hanover, Lyme, Orford, and Piermont in New Hampshire and Hartford, Norwich, Thetford, Fairlee, and Bradford in Vermont. The Committee serves as a means of providing local oversight and input on projects requiring permits being undertaken on the Connecticut River, its banks and its tributaries in member towns. It also supports programs and the production of reports and brochures relative to the maintenance, improvement and recreational usage of the river.

The Committee met 3 times in 2011 and expects to meet 6 times during 2012, usually on the third Monday of the month. During 2011, the committee reviewed, among other projects, the Dartmouth College Student Swimming Dock, Wilder Log Landing in West Lebanon, Hanover Water Reclamation Facility Improvement, Wilder Dam Repair, and River Road Reconstruction in Lyme.

For a schedule of river subcommittee meetings and more information about the resources of the Connecticut River, please visit the CRJC website at www.crjc.org. We encourage any citizens who are interested in the management of the Connecticut River to come to our meetings

Your Local Representatives – Carl Schmidt, Orford and Marc White, Orford

UPPER VALLEY SUBCOMMITTEE CONNECTICUT RIVER JOINT COMMISSIONS

The Commission consists of representatives appointed by the leadership of each member municipality or county. Each municipality that is a member of the Commission is entitled to two representatives to the Commission. Municipalities with a population of over 10,000 but less than 25,000 are entitled to have three representatives on the Commission. ***In Orford, Paul Dalton currently represents your community.***

The Commission was engaged in over 35 projects within the region this year and has increased its capacity to serve the communities of the region. We are currently engaged in planning for the deployment of high speed broadband through a 5-year National Telecommunications & Information Administration grant in collaboration with UNH and the eight other RPCs in NH. A recently completed website at www.uvlsrc.org provides a database of projects that can be searched by funder, municipality, type of project such as transportation or housing and more. Additionally, all minutes, agendas and public meetings are posted on this website on a regular basis and communities can add their own planning related events to our website. Please use this website to learn more about how the Commission can be of service to your community.

Executive Council Report by Ray Burton Council District One

The Governor and Council have had a busy year since being sworn in to office on January 6, 2011. We meet approximately every two weeks to dispose of official business brought to us from the Governor's Office and the Departments of NH State Government.

The Governors Advisory Commission in Intermodal Transportation (GACIT) submitted recommendations for the 10 year transportation plans for air, rail, highway and other public transportation to Governor Lynch on December 15, 2011. The Governor will review it and submit his recommendations to the NH House and Senate by January 15, 2012. It is now up to the NH House and Senate Committees to come to conclusions by July 12, 2012 on what our roads, bridges, airports, rail systems and public transportation will be for the next ten years.

Hurricane Irene caused millions of dollars worth of damage to not only town and state road systems, but also caused major river/stream bank erosion. One of the best sources for FEMA and related matters is Chris Pope, Emergency Manager Director at NH Dept. of Safety, 545-5842. NH DOT and NH Environmental Services, Depts. of Safety and local and town/city agencies coupled with private construction companies deserve lots of credit for putting back together roads and bridges for safe and timely travel.

I am at the service of this District. It is an honor to hear from you!

Ray Burton, 338 River Road, Bath, NH 03740 Tel: 603-747-3632 Ray.burton@myfairpoint.net

TRI-COUNTY COMMUNITY ACTION

Tri-County Community Action Program is a private, non-profit agency that is requesting, at your 2012 Town Meeting, \$1,000 in funding from the Town of Orford to help support its Community Contract Division.

The following is a report of services provided in fiscal year 2010-2011:

Services Provided	# of HH	Dollar Amount
Fuel Assistance	33	\$26,265
Weatherization & Electrical Assistance Program	1	\$ 3,850
Electrical Assistance Program	23	\$ 8,934
Food Pantry (26 people receiving 3 days worth of food)	9	\$ 520
Referrals (ie: Health, Budgeting, Legal Aid, Clothing...)	32	

**THROUGH THE EFFORTS OF TRI-COUNTY COMMUNITY
ACTION, THE CITIZENS OF ORFORD RECEIVED A
TOTAL OF \$39,569 IN ASSISTANCE BETWEEN JULY 1, 2010
AND JUNE 30, 2011**

We sincerely appreciate the Town of Orford's past support and look forward to your continuing partnership to provide essential services to your residents.

Dan McGregor, Woodsville Community Contact Manager

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.
ANNUAL REPORT 2010

Grafton County Senior Citizens Council, Inc. is a private nonprofit organization that provides programs and services to support the health and well being of our communities' older citizens. The Council's programs enable elderly individuals to remain independent in their own homes and communities for as long as possible.

The Council operates eight senior centers in Plymouth, Littleton, Canaan, Lebanon, Bristol, Orford, Haverhill and Lincoln; operates adult in-home care from offices in Lebanon and Haverhill; and sponsors the Grafton County ServiceLink Resource Center and RSVP and the Volunteer Center. Through the centers, ServiceLink and RSVP, older adults and their families take part in a range of community-based long-term services including home delivered meals, community dining programs, transportation, counseling, elder care, chore/home repair services, recreational and educational programs, and volunteer opportunities.

During 2011, 66 older residents of Orford were served by the Council's programs offered through the Orford, Horse Meadow and Upper Valley Senior Centers, as well as the adult in-home care program. Twenty-eight Orford residents were assisted by ServiceLink.

- Older adults from Orford enjoyed 676 balanced meals in the company of friends in the senior dining rooms.
- They received 1,566 hot, nourishing meals delivered to their homes by caring volunteers.
- Frail residents of Orford benefited from our adult in-home care program, providing 1,087 hours of companionship and assistance.
- Orford residents were transported to health care providers or other community resources on 108 occasions by volunteers.
- They received assistance with problems, crises or issues of long-term care through 50 contacts with ServiceLink and 10 appointments with the GCSCC outreach worker.
- Orford's citizens also volunteered to put their talents and skills to work for a better community through 747.5 hours of volunteer service.

The cost to provide Council services for Orford residents in 2011 was \$48,313.28.

Such services can be critical to elderly individuals who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty, saving tax dollars that would otherwise be expended for nursing home care. They also contribute to a higher quality of life for older friends and neighbors. As our population grows older, supportive services such as those offered by the Council become even more critical.

Grafton County Senior Citizens Council very much appreciates Orford's support for our programs that enhance the independence and dignity of older citizens and enable them to meet the challenges of aging in the security and comfort of their own communities and homes.

Roberta Berner, Executive Director

UPPER VALLEY LAKE SUNAPEE REGIONAL PLANNING COMMISSION

The Commission has been providing professional planning assistance to municipal boards since 1963 when it was the Upper Valley Development Council. The Commission is one of nine regional planning commissions (RPCs) in New Hampshire created to coordinate all aspects of planning, act as a liaison between local and state/federal agencies and provide advisory technical assistance on land use issues and development. We serve 27 communities from Piermont to Charlestown along the Connecticut River and from Wilmot to Washington to the east.

Revenue for the Commission was \$809,250 for FY11. About 16% of last year's revenue was received through local contracts with municipalities over and above dues, demonstrating the need and value of services. Currently, 93% of the municipalities within the region are members of the Commission. About 17% of Commission revenue comes from the Unified Planning Work Program utilizing Federal Highway Administration funding through the NH Department of Transportation. Other state and federal funding sources include USDA Rural Development, EPA funding distributed through NH Department of Environmental Services and FEMA through the NH Department of Safety - Homeland Security and Emergency Management. Approximately 2.5% of the Commission revenue was received from state resources through the NH Office of Energy and Planning.

Local dues from municipalities support just over 12% of the budget. In FY11, member communities and counties provided membership dues that allowed the Commission to leverage approximately \$520,000 in federal funding.

The Commission consists of representatives appointed by the leadership of each member municipality or county. Each municipality that is a member of the Commission is entitled to two representatives to the Commission. Municipalities with a population of over 10,000 but less than 25,000 are entitled to have three representatives on the Commission. ***In Orford, Paul Dalton currently represents your community.***

The Commission was engaged in over 35 projects within the region this year and has increased its capacity to serve the communities of the region. We are currently engaged in planning for the deployment of high speed broadband through a 5-year National Telecommunications & Information Administration grant in collaboration with UNH and the eight other RPCs in NH. A recently completed website at www.uvlsrc.org provides a database of projects that can be searched by funder, municipality, type of project such as transportation or housing and more. Additionally, all minutes, agendas and public meetings are posted on this website on a regular basis and communities can add their own planning related events to our website. Please use this website to learn more about how the Commission can be of service to your community.

Christine Walker, Executive Director

VISITING NURSE ASSOCIATION & HOSPICE OF VT AND NH

Home Healthcare, Hospice and Maternal Child Health Services in Orford, NH

The VNA & Hospice is a compassionate, non-profit healthcare organization committed to providing the highest quality home healthcare and hospice support services to individuals and their families. By keeping Orford residents out of emergency rooms and hospitals, and reducing the need for relocation to nursing homes, our care offers significant savings in the town's emergency services and other medical expenses.

VNA & Hospice clients are of all ages and at all stages in life. Services are provided to all in need regardless of ability to pay. Between July 1, 2010 and June 30, 2011, the VNA & Hospice made 798 homecare visits to 36 Orford residents and absorbed approximately \$30,810 in unreimbursed charges.

Home HealthCare: 756 home visits to 28 residents with short-term medical or physical needs

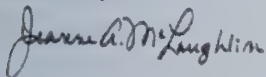

Hospice Services: 22 home visits to 3 residents who were in the final stages of their lives.

Maternal and Child Health Services: 20 home visits to 5 residents for well baby, preventative and high-tech medical care.

Additionally, residents made visits to VNA & Hospice community clinics for foot care, blood pressure screenings, cholesterol testing and flu shots.

Orford's annual appropriation helps the VNA & Hospice meet the demand for quality home healthcare, and to ensure that all who qualify for services will always be able to receive them. On behalf of the people we serve, we thank you for your continued support.

Sincerely,

Jeanne McLaughlin, President (1-888-300-8853)

WEST CENTRAL BEHAVIORAL HEALTH ANNUAL REPORT 2011

Dear Orford Residents,

In fiscal year 2011, West Central Behavioral Health received an appropriation of \$1,155 from the Town of Orford. We are grateful for your contribution and pleased to inform you that it helped us provide free or discounted behavioral health services to residents of Orford who are uninsured or underinsured.

Last year, West Central Behavioral Health provided 166 hours of therapeutic services and \$9,748 in free or discounted care to 15 Orford residents, including one child and 14 adults.

We are committed to providing the highest-quality mental health services to clients in our region, regardless of their ability to pay. To sustain our commitment to some of our most vulnerable neighbors, we are again asking the towns and cities we serve to support us in providing these essential services. To achieve this goal, we are requesting an FY 2012 appropriation of \$1,155 from the Town of Orford.

West Central Behavioral Health is the New Hampshire-designated Community Mental Health Center for Orford, as well as a broader area that includes Sullivan and southern Grafton counties. Our mission is “to reduce the burden of mental illness and improve the quality of life in our community. We commit ourselves to providing mental health services that are safe, effective, patient-centered, timely and efficient.”

Our clients suffer from a range of chronic disorders and illnesses, including psychosis, schizophrenia and bipolar disorder. Our clients also battle all forms of addiction, as well as anxiety, depression, divorce or relationship-related stress and other debilitating but highly treatable conditions. We work with people of all ages in outpatient clinics, homes, nursing facilities, schools and residential supported living programs, offering a variety of counseling, psychiatric, case management and emergency services.

A contribution of \$1,155 for FY2012 will help West Central Behavioral Health to continue serving all Orford residents who request our services, whether or not they can pay the full cost of their care. Thank you for your support.

Sincerely,
Heidi Postupack, Director of Development
