Public Hearing on Bond Issue

The meeting opened at 7:30 P.M. Chairman Angus presiding. Delegation members present: D'Amante, Prudhomme, Campbell, Galbraith, Nahil, Merrifield, Spaulding, Downing, Gaffney, Mackintosh, Logan, Barrows, Williamson and Clerk Burrows.

Commissioners present: Bascom, Forrest and Woodhull. Also Mr. and Mrs. Ahern, superintendent and matron of the County hospital and 15 interested citizens attended the meeting.

Sam Bayer submitted in writing the reasons why the Nursing Home should be built in Claremont. He spoke for the Claremont General Hospital. Mr. Mackintosh spoke concurring with Mr. Bayer. Copy of Mr. Bayer's letter to Delegation follows:

"To: The Sullivan County Delegation

We, the members of the Board of Trustees of Claremont General Hospital, respectfully submit the following reasons as to why the location of the proposed Sullivan County Nursing Hospital be placed in the City of Claremont, preferably near the Claremont General Hospital:

1. The site should be accessible to the center of community activities.

Many of the patients are going to be of an ambulatory nature and will appreciate ready access to churches, library, stores, homes of friends and relatives, etc.

2. The site should be close to where competent medical and surgical consultation is readily available.

Utilization of scarce physician resources will be greatly improved where travel time is reduced.

3. The site should be close to general hospital facilities such as Laboratory, X-Ray, Coronary-Intensive Care and cardio pulmonary. Closeness to these facilities would eliminate the necessity to es-

tablish these services even on a minimal basis at the new Nursing Hospital, thereby conserving the county's scarce dollars.

4. The site should be in Claremont so that it might be possible to qualify for federal funds thereby enabling the Nursing Hospital to build over twice the number of beds for the same amount of money from the community.

This larger size would meet the needs of the community for a number of years and would avoid a second and more costly expansion in five to ten years.

5. The site should be in the City of Claremont so that it is near the center of population which will facilitate the recruitment and retaining of skilled personnel.

6. The site should be in the City of Claremont because of the proximity to municipal services, fire protection in particular.

7. The site should be in the City of Claremont because of availability to public utilities as well as year-round accessibility to the Nursing Hospital.

A copy of this letter is being sent to the Daily Eagle for publication. We would appreciate very much including the remarks contained in this letter in the minutes of this formal hearing."

Respectfully submitted,
(signed)

Sam Bayer, Chairman
Board of Trustees
Claremont General Hospital

Question was asked whether the hearing was on the location of the Nursing Hospital or the Bond Issue. The Chair replied that it was on the Bond Issue, as the location was decided on at a previous Delegation meeting.

Mr. Downing opposed the Bond Issue. Mr. Logan spoke in favor of the Bond Issue.

Dr. Keane asked if the Nursing Hospital would qualify for Medicare. The Chair referred the question to Supt. Ahern and answered that it would.

Mr. Mackintosh inquired the reason for an increased bond issue. Mr. Lewis from the firm of architects answered.

COMMISSIONERS' REPORT

To The Citizens of Sullivan County:

In accordance with the laws of the State of New Hampshire the Commissioners of Sullivan County herewith submit their Annual Report for the year ending December 31, 1968:

A big thanks to all our faithful employees, who are the most dedicated people that could be found any where. The outstanding success of our Nursing Hospital is possible only because of these wonderful folks. Space allows us to mention only a few; Supt. and Mrs. Ahern, Mrs. Waldo and Dr. Stearns, but we would like to name them all.

Our County offices have functioned in first-class shape under the direction of Mrs. Waltz, Mrs. Winter, Mrs. Perry and Miss Bowles. Again the Commissioners wish to thank these ladies for their outstanding loyalty to the county.

Our thanks to the Clerk of Superior Court, Mr. Shaheen; to the Register of Deeds, Mrs. LaForge to the Register of Probate, Mrs. MacWilliams; the County Sheriff, Mr. McCusker; the County Treasurer, Mr. Sargent; and to the County Attorney, Mr. Spanos. The Commissioners have many requests for assistance and all of these offices have been very helpful and courteous.

The outstanding event of the year was the decision of the Delegation to build the 80-bed addition to the Sullivan County Nursing Hospital. Many hours of meetings and planning have now materialized into what we all hope will be an excellent home for many a senior citizen. To name all the people who have given their time and talents in exploring this expansion would be impossible, there were so many. Although the plans were finalized this year a lot of credit should go to County Commissioners who served previously and stressed the need during their terms in office. Pat Angus, Chairman of the Delegation and Sam Nahil, Chairman of the Finance and Building Committees have shown us guidance, which we appreciate. It has been an extra busy year, but satisfactory to the Commissioners. We have done our best to keep the property of the County in good repair. We are proud to be a part of a government function that gets such good support from all its citizens.

SUPERINTENDENT'S REPORT

To the Honorable Board of County Commissioners:

It is with a great deal of pleasure that we present our annual report. Construction has begun on the nursing hospital addition and rapid progress is being made on the foundation. It is with keen anticipation that we await its completion.

The nursing hospital has been filled to capacity with the waiting list for admissions continually growing. We are cooperating with the L. P. N. Program at the New Hampshire Vocational Technical School by providing the opportunity for geriatric nursing.

The past year the Alix Ungern Fund was established with the understanding that the interest on the money is to be used for financial assistance to our recreation program.

Our house of correction population has remained high with a noted increase in the confinement of younger inmates. The work release program is functioning with varying results, however we feel that it is too early to predict its real value.

The new farming equipment has proved very valuable in speeding up our farm work schedule. Our farm program is showing tangible results from our continuing efforts in the quality and quantity of production. Changes are necessary in our dairy operation to cut costs. A little modernization would be beneficial in supporting our program.

We want to take this opportunity to thank all those who assisted in any way to brighten the lives of the residents of the County Nursing Hospital.

At this time we want to express our appreciation to our former County Commissioner, Mr. Arthur Forrest, and welcome our new commissioner, Mr. Richard McCusker.

In closing we wish to express our thanks to our county commissioners, the sheriff, and county attorney for their cooperation and Dr. Stearns, Mrs. Waldo, our chaplains, and all our personnel for their efforts and support which make it possible to successfully operate the Sullivan County Home and Nursing Hospital.

PHYSICIAN'S REPORT

To the Commissioners of Sullivan County:

During 1968, we had 18 admissions and 23 discharges.

Once again I would like to express my thanks for the cooperation and kindness of Mr. and Mrs. Omer Ahern, Mrs. Lucile Waldo, R.N. Director of Nursing Service, and the entire nursing staff. Also, to the County Commissioners.

I am pleased that the plans for the new hospital have been put into effect, and look forward to serving a large group of patients.

Respectfully submitted,

CARL M. STEARNS, M. D.
Chief of Staff

THE SULLIVAN COUNTY MENTAL HEALTH ASSOCIATION

The Sullivan County Mental Health Clinic, with financial assistance from the County, entered its second year of operation in 1968 with the same staff of one full-time psychologist-executive director, a full-time secretary and a part-time social worker. The requests for service during the first year had increased to such an extent that the staff could no longer take on new patients except for emergency cases; therefore, recruitment was started in December 1967 for another full-time psychologist. However, a suitable candidate for this position was not found until September 1, 1968.

During the current year, two hundred new patients have been seen at the Clinic, in addition to 37 cases carried over from 1967. Approximately 40% of the referrals came from local physicians, 18% were self-referrals, 15% were referred by the schools, and the remainder came from many sources, such as the courts, welfare and other social agencies, the clergy, employers, and Vocational Rehabilitation. In almost every case, at least one other member of the patient's family has been seen at least once, and in child guidance cases, parents as well as children have been seen on a continuing weekly or bi-weekly basis. Ages have ranged from 3 to 75 years.

In addition to the constant increase in new patients wishing to be seen each month, the number of cases in treatment on a continuing basis is presently 50% greater than at the close of last year. While the majority of cases are terminated in less than 20 interviews, several have had 50-70 appointments and are still in treatment.

The referrals to the Clinic continue to include a high percentage of serious disturbances or critical needs for immediate help. For instance, our cases this year have included 21 patients who have previously been hospitalized for emotional illness, 13 attempted suicides, 7 actual or potential school drop-outs, 25 pupils with serious academic problems, a number of children who have been excluded from school for behavior problems, and several children and adults who are on probation for delinquent acts. The Clinic has a number of persons who have been temporarily incapacitated for work because of the severity of their emotional problems, and has counseled many couples concerning serious marital problems.

The Clinic staff have served as consultants to the schools, the Welfare Department, Vocational Rehabilitation and the Year Round Headstart program. They have also participated frequently in community mental health education by addressing P.T.A. meetings, and

numerous community service organizations.

Although the Clinic was able to clear up the waiting list when the additional psychologist arrived in September, the steady increases in requests for service have again reached the point where non-emergency cases must be placed on waiting list, and where consultation to outside agencies must again be curtailed.

The County contribution to the Clinic, matched by State funds, two-to-one, provides these services since only 1% of the Clinic income is payment from patients.

CATHOLIC CHAPLAIN'S REPORT

St. Mary Parish
32 Pearl Street
Claremont, N. H.
January, 1969

To the Sullivan County Commissioners:

The spiritual welfare of the Catholic patients at the Sullivan County Nursing Hospital was taken care of by the Priests of St. Mary's Parish and they responded to all the emergency calls during the past year, 1968.

Mass whenever possible was celebrated for the Catholic patients. Confessions were heard and 22 - 23 Communion were distributed to them every month.

During the past year there were approximately 6 anointings for the Sacrament of the Sick.

I wish to express my thanks to everyone for their cooperation.

Respectfully submitted,

REV. ROMEO VALLIERE
Catholic Chaplain

REPORT OF PROTESTANT CHAPLAIN FOR 1968

The work of the Protestant Chaplain at the Sullivan County Home continues to be most enjoyable and rewarding due to the welcome response of the residents, the generous cooperation of the staff and the inspired direction of Superintendent and Mrs. Omer C. Ahern.

Worship services have been held almost every Saturday evening during the year and it is the policy of the chaplain to visit in every room once or twice each week, and also in the House of Correction.

Devotional literature such as The Weekly Home Prayers and daily devotional guide The Upper Room are available to all who desire them. Bibles have been provided through the New Hampshire Bible Society.

The Chaplain wishes to thank in addition to the staff and officials, all those volunteer individuals and members of Church and other organizations who have given time, talent and treasure to make the Sullivan County Home a happy place to live.

It is a privilege to be associated with such an institution.

Respectfully submitted,

ALVAN BARRUS, Chaplain

SHERIFF'S REPORT (Continued)

The criminal cases handled by your Sheriffs Department have increased but not as much of an increase as on the national level. This, no doubt, is due to the efficiency of the law enforcement officers of this County.

The appropriation for your Sheriffs Department underwent a very severe burden due to the Dunham murder case which is still being investigated.

Our radio communication system has got to be replaced as the present system has proven to be inadequate. I am now having a survey made by different companies and when completed, I will make a further recommendation.

I wish to thank our capable and efficient County Attorney, Charles V. Spanos, for his wonderful co-operation and advice. Also, I wish to thank the County Commissioners and all law enforcement officers for their co-operation and help.

I want to especially thank my Deputies for their capable and efficient work.

Respectfully Submitted,

JOHN W. McCUSKER, Sheriff

REPORT OF COUNTY ATTORNEY

December 31, 1968

The Commissioners of Sullivan County
20b Main Street
Newport, New Hampshire

The following is my report to you as Sullivan County Attorney for the year 1968, relative to matters handled by this office during the year 1968.

This office handled various legal matters for the County of Sullivan during the year 1968, including civil suits, misdemeanors, felonies, criminal investigations of every kind, reciprocal non-support actions, suicides and homicide

As County Attorney, I recovered the sum of \$7,126.59 in civil action brought by me for Sullivan County. A total of (54) felonies were prosecuted in the Sullivan County Superior Court, including (21) Breaking Entry and Larceny; (1) Selling Narcotic Drugs (3) Forgery; (2) False Pretenses; (4) Larceny; (2) Robbery; (5) Aggravated Assault; (2) Reckless Operation of Motor Vehicles Resulting in Death (by Jury); (4) Breaking and Entry with Intent to Commit Larceny; (3) Purchase of Narcotic Drugs by False Pretense; (1) Attempt to Commit Arson; (1) Escape from Jail; (1) Possession of Narcotic Drugs; (3) Statutory Rape; (1) Purchase and Possession of Revolver of Convicted Felon. There were other crimes reported and investigated by this office during the year including the unfortunate murder of a young girl in our County. The investigation still continues and will continue until we have brought the person who committed this heinous act to justice.

It is interesting to note that according to the Governor's Commission on Criminal Administration and Juvenile Delinquency, Sullivan County's crime rate is the lowest in the State along with Carroll County.

Such a record results from the splendid cooperation which this office has received from our Sheriff's Department, local Police Chiefs and their departments, State agencies and all County and local officials.

I thank them for their efforts and trust that the year 1969 will prove even more successful in maintaining a safe society in our County.

Respectfully submitted,

CHARLES V. SPANOS,
Sullivan County Attorney.
