MINUTES OF TOWN MEETING
Woodstock, New Hampshire
March 12, 1985

The meeting was called to order at 10:00 A.M. by D. Kenneth Chapman, Moderator. A motion was made by Deanna MacKay to dispense with the reading of the entire warrant, seconded by Daniel Barry. Affirmative vote-unanimous.

A motion was made by Ruth Welch to open the polls for voting, seconded by Fred Lee. Vote in the affirmative. Motion to close polls at 6:00 p.m. by Fred Lee, seconded by David Timbury. Vote in the affirmative.

The business meeting was called to order at 7:30 P.M. by Moderator D. Kenneth Chapman. He noted the rules to be followed: no one is allowed to speak on any issue unless recognized by the Moderator. Shall the provisions of Chapter 287 of the Revised Laws relative to playing the game of beano be adopted in this city or town?

Yes	No
53	22

Article #2 To see if the town will vote to authorize the selectmen to sell property taken on tax titles. So moved by Fred Lee, seconded by Vincent Osgood. Vote in the affirmative-unanimous.

Article #3 To see if the town will vote to permit the selectmen to borrow money in anticipation of taxes. So moved by Edith Chaisson, seconded by David Timbury. Vote in the affirmative-unanimous.

Article #4 To see if the Town will vote to authorize the Tax Collector to receive part payments in any year in the sum of ten dollars (\$10.00) or a multiple of ten. So moved by Fred Lee, seconded by David Timbury. Vote in the affirmative-unanimous.

Article #5 To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend, without further action by town meeting, money from the state, federal or other governmental unit or private source that may become available during the fiscal year in compliance with RSA:31-95-b. (supp.) So moved by Charles Harrington, seconded by June Barry. Vote in the affirmative-unanimous.

Article #6 To see if the Town will vote to raise and appropriate the sum of Three Hundred Thousand Dollars (\$300,000.00) for water improvements, to be funded entirely by Federal Grants. So moved by Pauline Harrington, seconded by Fred Mellett. Vote in the affirmative-unanimous.

Article #7 To see if the Town will vote to apply Ten Thousand Two Hundred Seventy Two Dollars (\$10,272.00) of Revenue Sharing Funds as an offset to be applied against the town's incinerator bonded debt. So moved by June Barry, seconded by William Albrecht. Vote in the affirmative-unanimous.

Article #8 To see if the Town will vote to raise and appropriate a sum not to exceed Twenty Two Thousand Dollars (\$22,000.00), for a Town Building-Library, Eleven Thousand Dollars (\$11,000.00) from Revenue Sharing and Eleven Thousand Dollars (\$11,000.00) from Federal or State Grants. So moved by David Timbury, seconded by Edith Chaisson. The Selectmen explained that we are required to make our Town Buildings accessible to the handicapped by Oct. 1986 or lose our Revenue Sharing Funds. This amount (\$11,000) is the balance of this year's Revenue Sharing and it was hoped that we might be able to get a matching grant. This amount is not what they expect a building to cost and further action will need to be taken at Town Meeting in 1986. Vote in the affirmative-unanimous.

Article #9 To see if the Town will vote to authorize the Selectmen to appoint a Town Building-Library Committee to study alternate sites and proposals for said building and to report their findings to the Board of Selectmen by November 1, 1985 for further action by Town Meeting in 1986. So moved by David Timbury, seconded by Vincent Osgood. Vote in the affirmative-unanimous.

Article #10 To see if the Town will vote to adopt the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relating to playing beano in the Town of Woodstock, and that the following question be placed upon the ballot to be used at said meeting: "Shall the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relative to playing games of beano, be adopted in the town?" Yes-53; No-22.

Article #11 To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be placed in the Vehicle Replacement Capital Reserve Fund. So moved by Carol Mueller, seconded by Charles Harrington. Vote in the affirmative-unanimous.

Article #12 To see if the Town will vote to raise and appropriate the sum of One Hundred Eight Thousand Dollars (\$108,000.00) for the purchase of a new fire truck, such sum to be raised as follows: (1) Thirty Thousand Dollars (\$30,000.00) to be withdrawn from the Vehicle Replacement Reserve Fund; (2) Seventy Eight Thousand (\$78,000.00) to be funded by long term notes or bonds over a five year period. So moved by Wm. Albrecht, seconded by June Barry. Neil Wilson made a motion to amend this article to read not more than (\$105,000.00), seconded by Edward Wiggett. Vote to amend in the affirmative. Further discussion followed. A vote was then taken on the amended article which was as follows: To see if the Town will vote to raise and appropriate the sum of One Hundred Five Thousand Dollars (\$105,000.00) for the purchase of a new fire truck, such sum to be raised as follows: (1) Thirty Thousand Dollars (\$30,000.00) to be withdrawn from the Vehicle Replacement Reserve Fund; (2) Seventy Five Thousand (\$75,000.00) to be funded by long term notes or bonds over a five year period. Vote in the affirmative by secret written ballot. Yes-80; No-18.

Article #13 To see if the Town will appoint the Selectmen as agents authorized to withdraw funds from the Vehicle Replacement Capital Reserve Fund at any time to expend on the purchase or lease of a replacement vehicle or equipment in case of an emergency situation. So moved by Carol Mueller, seconded by June Barry. Vote in the affirmative-unanimous.

Article #14 To see if the Town will vote to authorize the Selectmen to request an audit by a private certified accounting firm. So moved by Fred Lee, seconded by William Albrecht. Vote in the affirmative-1 nay.

Article #15 To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for Civil Defense, One Thousand Dollars (\$1,000.00) from a state or federal grant and Two Thousand Dollars (\$2,000.00) to be raised by taxes. So moved by Louis LaCombe, seconded by John Galloway. Vote in the affirmative-unanimous.

Article #16 To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) for playground replacement, Ten Thousand Dollars (\$10,000.00) from playground replacement fund and Ten Thousand Dollars (\$10,000.00) from federal or state grants. So moved by Charles Harrington, seconded by June Barry. Vote in the affirmative-some opposition.

Article #17 To see if the Town will vote to raise and appropriate the sum of Ninety Five Thousand Dollars (\$95,000.00) to reconstruct Sundance Drive and Snow King Drive in the Lost Valley Development in accordance with RSA: 231:28 and to authorize the Selectmen to borrow long term notes in accordance with Chapter 33. The full amount of the cost of the project to be reimbursed by the Lost Valley Lot Owners over a three year period in accordance with RSA: 231:29. So moved by Charles Harrington, seconded by Wm. Albrecht. Moderator D. Kenneth Chapman noted that Article 18 and this article both pertained to Lost Valley Roads so that the discussion could be held on both articles at the same time. However, the vote would be taken separately. He also noted that we voted on these articles last year and they were accepted, but we did not put any money in the budget to do them. Further discussion followed. Vote in the affirmative by secret written ballot. Yes-73; No-22.

Article #18 To see if the Town will vote to raise and appropriate the sum of Eighty Thousand Dollars (\$80,000.00) to reconstruct cul-de-sacs, so called, in the Lost Valley Development in accordance with RSA:231:28 and to authorize the Selectmen to borrow long term notes in accordance with Chapter 33. The full amount of the cost of the project to be reimbursed by the Lost Valley Lot Owners over a three year period in accordance with RSA:231:29. So moved by J. Stanton Hilliard, seconded by Alan Berman. Vote in the affirmative by secret written ballot. Yes-74; No-21.

Article #19 To see if the town will vote to raise and appropriate an additional amount of money, not to exceed Four Thousand One Hundred Four Dollars (\$4,104.00) as the Town of Woodstock's full 40% share of a Cooperative Recreation Program with the Town of Lincoln contributed funds in 1985 to be used to defray the cost of the Recreation Program and a full-time Recreation Director. (by petition). So moved by Mrs. Molloy, seconded by Teri Demaine. After a lengthy discussion the vote was in the affirmative with some opposition.

Article #20 To see if the town should further the goal of safe and affordable housing for Woodstock residents in light of the facts that land and building costs continue to rise, interest rates are out of sight for many residents, ownership and maintenance of a home are increasingly difficult tasks, the existence of an older housing stock in town, the number of substandard units and the modest need for future housing. Substandard rental and owner occupied units should be improved through a program of rehabilitation and new construction utilizing available state and federal finance programs. To further these goals, to see if the Town will vote the following: 1. To authorize the Selectmen or their agents to apply for, accept and expend any funds available from any source for rehabilitation of existing substandard units, conversion to multi-family, or new construction. 2. To establish a housing authority under RSA:203 to study, recommend and carry out activities such as construction, reconstruction, improvement, sale or lease; including operation of housing projects and a financial assistance program. (by petition). So moved by June Barry, seconded by Ernest Holtzman. After a discussion the article was defeated with some oppositon.

Article #21 To see if the town will vote to accept a gift of the walkway to the Municipal Parking Lot. Wilfred Ayotte made a motion to pass over this article, seconded by Bonnie Ham. Vote in the affirmative-unanimous.

Article #22 To see if the Town will vote to accept Meadow Lane, so called, as a town road. So moved by Charles Harrington, seconded by Cheryl Rossoll. The first question was where is Meadow Lane? Selectman Bonnie Ham explained that this was the road off Route 175 where the Clarks and the Kneelands lived. After further discussion the article was defeated-unanimously.

Article #23 To see if the Town will vote to give up a portion of French Street at its westerly end, measurements being as follows: 22.31 feet by 58.72 feet by 24.83 feet by 54 feet and further to deed this portion to Vincent F.J. and Norma D. Errico. As consideration for this transaction, that the the Town accept a deed to the so-called Oakes Drive as shown on a plan entitled "Subdivision of Ethel Tucker" by Roy A. Sabourn, dated July, 1984. So moved by Theda Bujeaud, seconded by Ernest Holtzman. Selectman Bonnie Ham explained that Oakes Drive is not owned by the Errico's, so they could not deed the so-called Oakes Drive to the Town. Mr. Errico was

allowed to speak to the meeting to explain why he wanted this article. After further discussion Mr. Errico felt that Mr. Oakes would grant an easement to the Town to the so-called Oakes Drive. Jim Chesebrough then offered an amendment to include the word "easement" or deed to the so-called Oakes Drive, seconded by Vincent Osgood. After more discussion a vote on the amendment was passed. A vote was then taken on the amended article which was as follows: To see if the Town will vote to give up a portion of French Street at its westerly end, measurements being as follows: 22.31 feet by 58.72 feet by 24.83 feet by 54 feet and further to deed this portion to Vincent F.J. and Norma D. Errico. As consideration for this transaction, that the Town accept a deed or an easement to the so-called Oakes Drive as shown on a plan entitled "Subdivison of Ethel Tucker" by Roy A. Sabourn, dated July, 1984. Vote in the affirmative-unanimous.

Article #24 To see if the Town will vote to raise and appropriate the sum of Nine Thousand Four Hundred Fifty Dollars (\$9,450.00) as the Town's share of a bulldozer for the Lincoln-Woodstock Solid Waste Disposal facility and to issue a long term note in the amount of Six Thousand Dollars (\$6,000.00) to be repaid in a two year period. So moved by June Barry, seconded by Bill Fadden. Yes.-36; No-24.

Article #25 To authorize the Selectmen to negotiate an option to purchase test well number 13 at the Grandview Development. So moved by Charles Harrington, seconded by Priscilla Cox. Vote in the affirmative-unanimous.

Article #26 To see if the Town will vote to authorize the Selectmen to negotiate for the relocation of the roadway known as Morris Street. It will not be necessary to expend any public monies for this project. So moved by Teri Demaine, seconded by Edith Chaisson. Vote in the affirmative-unanimous.

Article #27 To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. A motion was made by James Chesebrough to raise and appropriate the sum of \$1,177,814.00 to defray town charges for the ensuing year, seconded by James Fadden Jr. This would increase the posted budget by \$1,104.00. This figure is the result of deducting \$3,000.00 for the fire truck and adding \$4,104.00 from Article 19, for a Recreation Program. The amount to be raised by taxes to be \$284,693.00. Vote in the affirmative-unanimous.

Article #28 To transact any other business that may legally come before the meeting. Carol Mueller spoke on the gravel pit problem in the Town and she would like to make a motion to empower the Selectmen to determine an amount of money on gravel and fill to be paid, something similar to the Lumber Tax, and also to repair any damage to Route 175 and the green bridge, seconded by Alan Berman. Moderator D. Kenneth Chapman stepped down as Moderator to also speak on this issue; he expressed concern about the amount of taxable land being lost. He also recommended some sort of tax be imposed. Selectman Bonnie Ham said she had never heard of such a tax. The Yield Tax is set by State Statute. Planning Board Chairman, Donald Showalter spoke about the local regulations concerning gravel pits and explained about State Statutes. Further discussion followed.

Motion to adjourn at 12:00 by J. Stanton Hilliard, seconded by Deanna MacKay. Vote affirmative-unanimous.

Respectfully submitted,

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Woodstock, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Woodstock Town Hall in said Woodstock, on the eleventh day of March next, being the second Tuesday of March, at ten o'clock in the forenoon, (the polls are to open at 10:00 A.M. and may not close prior to 6:00 P.M.; business meeting to be held at the town hall at 7:30 P.M.) to act upon the following:

Article 1. To choose all necessary town officers for the year ensuing.

Article 2. To see if the town will vote to raise and appropriate a sum not to exceed One Hundred Six Thousand Dollars (\$106,000.00) for the purpose of constructing improvements to the Town of Woodstock's water system, such sum to be raised by the issuance of Serial Bonds or Notes under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et. seq., as amended). To authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto.

Article 3. To see if the town will vote to raise and appropriate a sum of Two Hundred Twenty Eight Thousand, Seven Hundred Twenty Eight Dollars (\$288,728.00) for land acquisition and construction of a new town office building, such sum to be raised as follows: Eleven Thousand Dollars (\$11,000.00) from Revenue Sharing Funds appropriated in 1985, Seventeen Thousand Seven Hundred Twenty Eight Dollars (\$17,728.00) from 1986 Revenue Sharing Funds and a sum not to exceed Two Hundred Thousand Dollars (\$200,000.00) by the issuance of Serial Bonds or Notes under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et seq., as amended). To authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the

A-2

best interest of the Town of Woodstock, and pass any vote relating thereto.

Article 4. To see if the town will vote to authorize the Selectmen to sell property taken on tax titles.

Article 5. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 6. To see if the town will vote to authorize the Tax Collector to receive part payments in any year in the sum of ten dollars (\$10.00 or a multiple of ten).

Article 7. To see if the town will vote to authorize the Selectmen to apply for, accept and expend, without further action by town meeting, money from the state, federal or other governmental unit or private source that may become available during the fiscal year in compliance with RSA 31-95-b (supp).

Article 8. To see if the town will vote to adopt the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relating to playing beano in the Town of Woodstock, and that the following question be placed upon the ballot to be used at said meeting: "Shall the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relative to playing games of beano, be adopted in the town?"

Article 9. To see if the town will vote the following proposal (by petition): Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of Fifteen Thousand Dollars (\$15,000.00).

Article 10. To see if the town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be placed in the Vehicle Replacement Capital Reserve Fund.

Article 11. To see if the town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for the purchase of a new payloader, such sum to be raised as follows: 1) Ten Thousand Dollars (\$10,000.00) to be withdrawn from the vehicle replacement fund, 2) Forty Thousand Dollars (\$40,000.00) to be funded by long term notes or bonds over a three year period.

Article 12. To see if the town will vote to raise and appropriate the sum of Seventy Thousand Dollars (\$70,000.00) for the purchase of a 1.5 acre of land adjacent to the present cemetery in Woodstock for the purpose of cemetery expansion, said sum to be raised and paid to the owners as follows: Thirty Five Thousand Dollars (\$35,000.00) cash payment on April 1, 1986. The issuance of four (4) notes dated April 1, 1986 in the amounts and for the terms scheduled below, with interest at the town's qualifying rate of interest for borrowing tax anticipation notes on the due date of each note.

Note Amount	Due Date
\$10,000.00	April 1, 1987
\$10,000.00	April 1, 1988
\$10,000.00	April 1, 1989
\$ 5,000.00	April 1, 1990

Article 13. To see if the town will appoint the selectmen as agents authorized to withdraw funds from the Vehicle Replacement Capital Reserve Fund at any time to expend on the purchase or lease of a replacement vehicle or equipment in case of an emergency situation.

Article 14. To see if the town will vote to authorize the selectmen to request an audit by a private certified accounting firm.

Article 15. To see if the town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3000.00) for Civil Defense, One Thousand Dollars (\$1000.00) from a state or federal grant and Two Thousand Dollars (\$2000.00) to be raised by taxes.

Article 16. To see if the town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) for, and to support, the Plymouth Area Task Force Against Domestic Violence, a non profit organization organized pursuant to New Hampshire Legislation, and partially funded by marriage license fees from the State of New Hampshire. (by petition)

Article 17. To see if the town will vote to prohibit the display, sale, or distribution of obscene material; and to prohibit the establishment of businesses whose activities promote any form of obscenity/pornography. Obscenity (pornography) as defined in N.H. RSA 650;1-IV Supp., and U.S. Supreme Court rulings of 1973. (by petition)

Article 18. To see if the town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5000.00) to rebuild a portion of Hol-

A-4

lis Gordon Road, said sum to come from the unexpended balance of the 1985 and 1986 Highway Block Grant Fund.

Article 19. To see if the town will vote to discontinue the section of Old Route 175 at Mountain Park Hill; the discontinued section to revert to the abutters.

Article 20. To see if the town will vote to authorize the Selectmen to enter into an agreement with the Developers of the Deer Park, Deer Park Joint Venture (DPJV), regarding the town road that enters and passes through part of the property. The agreement will permit the DPJV 1) to erect an entrance sign; 2) to make improvements at the junction of Route 112 (subject to the approval of the N.H. Department of Public Works and Highways); and 3) to make improvements to the roadway within the project according to Town Planning Board standards. In consideration therefor DPJV will assume all future costs of the roadway including but not limited to landscaping, paving, snowplowing and general maintenance.

Article 21. To see if the town will vote to authorize the Selectmen to appoint three (3) residents of Woodstock to a six (6) member Committee (3 from Woodstock, 3 from Lincoln) to study Solid Waste Disposal and develop recommendations with respect to future disposal methods and expansion needs.

Article 22. To see if the town will vote to adopt a Building Permit and Building Inspector system.

Article 23. To see if the town will vote to authorize the Selectmen to propose sewer and water regulations for the town including but not limited to a user fee schedule, connection fees, and special fees and regulations for high volume users. The proposed regulations to be published and presented at a properly convened public hearing prior to enactment.

Article 24. To see if the town will vote to authorize the Selectmen to enter into an agreement with one (1) or more developers for the purpose of expansion of the Woodstock Sewerage Treatment Plant, the agreement to specify 1) that all capital costs are to be borne entirely by the developer(s) and 2) that a formula be negotiated whereby the developer(s) shall receive a portion of future connection fees received by the town from new construction not associated with the developers.

Article 25. To see if the town will vote to accept and subsequently operate a Wastewater Treatment Plant located on Route 3 in Woodstock. The Treatment Plant would be constructed according to New Hampshire Water Supply and Pollution Control Commission standards and paid for entirely by the developer, with the Town applying for a NPDES permit, with operation and maintenance of the facility being billed directly to the system users in the development via a Sewer User Charge System. The taxpayers of Woodstock will not be required to raise any funds for this project.

Article 26. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 27. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 21st day of February, 1986.

--	----

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1985. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442:A, the Rabies Control Act for holding stray dogs.

Every town has stray and animal problems. We encourage the Town of Woodstock, especially your Animal Control Officer, to use our services more in 1986.

Sincerely,
 FRITZ T. SABBOW
Executive Director

TOWN OF WOODSTOCK, N.H.

Town Report for 1985 from North Country Council, Inc.

Calendar year 1985 was a busy and productive year for the North Country Council as it continued to provide a wide range of assistance to towns and cities in the North Country.

The Council is a regional non-profit, public agency chartered under NH RSA 36:45 and is responsible for providing its member communities assistance in local community planning, economic development, solid waste, transportation and various other community services. Besides the direct assistance the Council provides each member community, it is an advocate for all North Country towns in legislative and funding issues at the state and federal governments.

In Woodstock, we continued administration of the waterline construction project including the Farmer's Home Administration (FmHA) engineering study on the water system. The Council provided technical assistance to the Planning Board on land use controls and the development of a growth rate study. We prepared a housing program grant application which was funded (\$12,000) to analyze and recommend a housing program for moderate-income residents.

Economic development is an important part of the Council's overall agency mission. This year the Council produced a video promoting the North Country as "The Sensible Place to do Business." The video was developed to be a marketing tool to assist local development organizations publicize to southern New Hampshire businesses why the North Country is a logical choice of location. In October, the Council co-hosted with Governor John Sununu a development forum in Manchester to discuss with southern New Hampshire business executives the advantages of expanding to the North Country. Over 85 businesses participated in this affair and the response from the business community was very positive. The Council is now developing follow up contact with interested businesses through the State Office of Industrial Development.

The Council again provided information and guidance to several towns on federal and state grant and loan programs. This past year saw well over \$2.0 million in Community Development Block Grant

funds come to the region for such activities as housing rehabilitation, downtown revitalization, business revolving loan funds, and housing rehabilitation feasibility studies.

Community planning assistance has emphasized master planning and improvement in local land use controls. New state mandates and commercial and residential growth in several towns have created busy work loads for planning boards. The Council's assistance takes many forms: regional workshops, newsletters, regulation review and update, and assistance on a regular or one-time basis for subdivision and site plan applications.

The Council again co-sponsored the Municipal Law Lecture series with the NH Municipal Association. The Law Lecture this year covered such topics as local planning board procedures, administration and enforcement of ordinances and review of recent court cases and state law changes regarding local land use planning. The Council also sponsored a separate Coos County Land Use Control Workshop which provided additional assistance to those local officials in the country.

Overall, the Council's major objective is to work with North Country towns in solving local and regional problems. We rely on and appreciate the involvement of town officials and residents and look forward to assisting your town this coming year.

**MOOSILAUKE PUBLIC LIBRARY
ANNUAL REPORT — 1985**

During 1985, the Library presented a variety of programs for area residents. In January, March and again in July we were fortunate to have Brad Smith talk and show slides. We all enjoyed sharing information about our past with Brad as he presented "Lost Places: abandoned communities in the North Country," "Summer Folks: the era of the great resorts" and "Georgians to Gingerbread: North Country architecture."

In February a regular story hour for preschoolers was established. This ongoing program of stories and activities is open to all area three to five year old children, and the location alternates monthly between the Lincoln Public Library and the Moosilauke Public Library. Additional children's programming in 1985 included our Reptile Readers Summer Reading Program and presentations of the Ha'Penny Story Theatre in April and the Starbird Puppet Theatre in August.

During 1985 we purchased the new World Book Encyclopedia, much needed to bring our reference collection up to date. In addition, over two hundred new books were purchased, necessitating diligent weeding to accommodate them as usual. Also, we have begun a collection of cassette tapes, of both music and stories, for children as well as adults.

We sincerely appreciate all donations to the Library. Regularly donated magazines greatly increase our selection. Some donated books are incorporated into our collection, others are sold at our annual book sale, increasing our funds to purchase needed books. Our sale last August brought us nearly one hundred dollars and we thank those who purchased books as well as those who donated them.

During 1985 the Library established Saturday hours to hopefully accommodate our busy patrons. We are now open Monday and Friday 1:00 p.m. to 5:00 p.m., Thursday 5:00 p.m. to 8:00 p.m. and Saturday 11:00 a.m. to 3:00 p.m.

We encourage everyone to come to the Library. Find out what we have to offer, let us know what we can do to improve our service to you.

Respectfully submitted,
BARBARA AVERY
Librarian

REPORT OF THE WOODSTOCK PLANNING BOARD

In 1985, the Planning Board was called upon to act in many areas. A housing subcommittee was formed to study and report on the feasibility of low cost housing being built in Woodstock, updates were worked on for both the Subdivision Regulations and the Master Plans. Bill Albrecht was kept busy monitoring our many gravel pits. Zoning and procedure information was gathered for the Selectmen. We processed four subdivisions this year including a 40 unit Condo-Tel. We worked hard this year to keep the needs of our growing town, and the regulations on the growth in harmony. As the town continues to change, we feel the Planning Board will play an even larger roll in monitoring the land development. We hope you will continue to support the board, as your input is very important in guiding growth.

Four Planning Board members will be leaving the board in March. Carol Frost, our Treasurer, Etta Martin, our Secretary for some years, Bill Albrecht, our gravel expert and acting chairman, and myself. As a group, we appreciate the chance you gave us to work for our town and hope you will support the new members as you did us. As Chairman, I would like to thank all the board members who served over the past three years and the friends who came to our side when we needed help. I would like to give special thanks to Mary Ellen Barnes, from North Country Council, who always had the right information when we needed it and the support to carry us through our problems.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

During 1985 the Department responded to 28 calls broken down as follows:

Structure Fires	7
Chimney Fires	7
Vehicle Fires	4
Forest Fires	3

On 2 fires we received Mutual Aid assistance and we provided Mutual Aid assistance once during the year.

The refurbishing of the 15 year old pumper has been completed. The new pumper is under construction and delivery is expected early in 1986.

REPORT OF THE GRAFTON COUNTY COMMISSIONERS

We appreciate the opportunity to submit the following report in our continuing effort to directly communicate with our constituents.

Because of current favorable cash status and appreciable fund balance, Grafton County maintained a level tax requirement this fiscal year, actually reducing the tax requirement by \$200, and we anticipate an even better tax climate in the next fiscal year. However, due to the apportionment process of tax assessment by equalized valuation, some towns did see a slight increase in the county portion of taxes for 1985, though the majority of towns realized a decrease. The unusual fund balance is due to a combination of factors, including unused surplus in the previous budget, conscientious budget management by all departments, transfer of court expenses to the State, increased Nursing Home reimbursements, favorable returns on investments, increased Register of Deeds revenues and continued Revenue Sharing.

Along with saving the County approximately \$300,000 in expenditures with the shift of liability for court activities to the State, we also anticipate receiving \$100,000+ annually in rent on space occupied by the court system.

Grafton County is experiencing the same problems as your local government in the insurance market. Costs are rising dramatically and in some cases insurance coverage is unobtainable. We have retained a consultant to review county insurance needs and available coverage with the hopes of procuring one total package. Because of the current unstable insurance market, we do not yet have any report or recommendation.

In cooperation with your local government and the State, we are striving for a smooth transition to the new system of welfare service delivery under Senate Bill 1. Settlement for assistance determination has been eliminated and towns and cities are now liable for all general assistance to needy persons in their towns, including transients. However, liability for expenses of all juvenile services and for persons assisted under the categorical grant programs will now be shared by the State and counties, removing town liability. Under Senate Bill 1 and

the ensuing partnership between counties and the state Dept. of Children and Youth Services, the Commissioners note a new direction for juveniles, including the development of new alternative programs to out of home placements.

Energy conservation programs at the nursing home and courthouse have realized a considerable savings with the decrease in fuel and electric consumption, cutting consumption and dollar cost in half for courthouse fuel alone.

In our letter to you in 1983 we noted litigation in a retirement buyback suit where a negative decision would result in cost of \$70,000 plus legal fees with a potential domino effect on local governments. We are pleased to note that the county prevailed in this issue.

The Commissioners have changed weekly meetings to Wednesdays. We encourage public attendance at all meetings. The county budget recommendations are processed in May and June. We welcome input and strongly recommend public attendance at the public hearings usually held in June.

CARRI, PLODZIK & SANDERSON
ACCOUNTANTS & AUDITORS
TRANSMITTAL AND COMMENTARY LETTER

To the Members of
the Board of Selectmen
Town of Woodstock
Woodstock, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Woodstock, New Hampshire as of and for the year ended December 31, 1984, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Town of Woodstock, New Hampshire at December 31, 1984, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Woodstock, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the

combined, combining fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.
