Albert "Bert" J. Smith

Bert, born in Connecticut, on August 12, 1931 summered at Rocky Bound Pond as a youth and moved to Croydon with his family in 1974.

A proud retired US Army Veteran and retired US Postal Service employee, he became very active in Croydon community service as Treasurer of the Croydon Historical Society and also Trustee of Trust Funds and Cemeteries.

Bert's passion was genealogical research for the Town and anything pertaining to the history of the Town he loved. He founded a Croydon web site for genealogical information and worked until the wee hours to help people find their Croydon background. He gave tours of the cemeteries for those Croydon descendents, and found their relatives gravesites, plus gave them pages of statistical data about their ancestors. He was an encyclopedia of local lore.

Bert was a regular at Select Board meetings and at the Coniston Store selling Historical Society raffle tickets and Christmas balls. He kept busy helping at the Morse House museum, at the cemeteries, any deed necessary.

His method of getting a job done was 'get it done now or better yet yesterday'. He had so many 'unofficial jobs'; we won't realize what they were, until we find them all, still waiting for his attention in the future.

We miss you Bert.

What a great year the Town Clerk & Tax Collector's office had in 2009 !

When I first took office I was a little concerned about changing the office hours, but I tried to listen to what the residents of Croydon wanted and changed the hours effective last April. I want to thank all of you for stopping by or calling to say how much you enjoy the new hours.

There are a couple of reminders I would like to address at this time.

First, when registering a vehicle, 14 years old or newer, you will always need either a title or a blue copy of the title application that may have already been filled out.

When registering a vehicle that is 15 years or older you will need any one of the following items; title, old NH registration, or a blue vin. verification form, along with a bill of sale; **YOU WILL ALWAYS NEED A BILL OF SALE.**

The Bill of sale needs the following information on it;

Per RSA 261:148 Permit Required, to be a proper Bill of Sale, the following information needs to be provided:

- 1. Date of Sale*
- 2. Description of the vehicle including: make, model, VIN, model year, year of manufacture, type of body and number of cylinders*
- 3. Name and address of purchaser*
- 4. Signature and address of seller*

Secondly, please remember to register your dog(s). It can become quite costly if you do not have them registered by April 30th. There will be a \$1.00 per month late charge for each dog starting June 1st, followed by a \$25.00 penalty applied for each dog not registered by July 1st. If it would be easier for you, you can mail us a check and SASE to obtain a new license as long as the dogs rabies is current.

As always we are here to assist you in any way we can. Please do not hesitate to call on us .

Looking forward to a great 2010 !

Trustees of Trust Funds and Cemeteries 2009 Annual Trustees' Report

The year 2009 in our department has been a very positive yet trying and melancholy one.

Judy Cunningham has done a most commendable job as the boards' financial officer. Through Judy's diligence, our allocations are not only more stable, but are also within the parameters mandated by the State of New Hampshire.

Due to time constraints, and the pursuit of other endeavors, Gayle Hedrington will not be seeking to continue her position as the boards' secretary. We will miss her dedication and sensibility. If you see Gayle please thank her for her service to the town.

Richard "Dick" Gross has done an excellent job maintaining Croydon's cemeteries. He has also accepted the position of Sexton. Along with his regular duties, this position allows him to oversee interments, conduct the sale of lots, and to safeguard and distribute all of the documents therein. The board finds that having two people with this ability is very advantageous.

Looking forward to 2010, the board has decided to move ahead with the stonewall repair and general well being of the Putman Cemetery. Although we have decreased our budget line item by one third, available grant funding should enable us to complete this project.

Lastly, in September of 2009 our Chairman and good friend Albert "Bert" Smith passed away. He was a rugged American who stood by his country and loved the Town of Croydon. Bert plied his interest, energy, humor and expertise into many town departments and civic groups. He spent countless hours researching and recording Croydon's cemeteries and genealogies. Although we will strive to fill his shoes, we remain deeply saddened that they are in fact his.

Sincerely,
Steven L. Michel – Chairman
Judy Cunningham – Bookkeeper
Gayle Hedrington – Secretary

CROYDON POLICE DEPARTMENT REPORT FOR THE YEAR 2009

This year was a little less busy than last, with the police department handling 821 calls. In comparison, the call volume was down from last year's 851 calls.

The cruiser is in good repair. The ending mileage for 2009 is 53068.2, with me having traveled 10698.7 miles this year.

I know that I have asked in the past, but please call dispatch or me when an incident is occurring, not hours or days later. Because people call when the offense is occurring, I have a better chance of encountering the persons being complained about.

The Lunch with the Chief program is still going well. I cover the same subjects every year, with all of the children getting the subject three times in their school tenure at "Little Red". Hopefully, some of it will sink in.

New London Dispatch is still doing an outstanding job for the Town of Croydon and for me. I have heard from several persons that they like this service better.

The Highway Enforcement Grant was awarded again for 2009 and resulted in over 300 motor vehicle stops. I also received a bicycle helmet grant, of which some of the helmets were given out at Croydon Family Day. I still have some, if anyone is in need. To continue with this grant, I have to conduct a bicycle safety class, which I do as a class for the children at the school, along with the mini Bicycle Rodeo at Croydon Family Day.

At Croydon Family Day, I did Child ID's. It was very well received by the children. You do not have to wait for Croydon Family Day. I can do them anytime at my office.

This year I completed a policy manual for the Croydon Police Department. It consists of over 400 pages and covers many subjects. The police department has needed to update it's policies for some time. This manual is open for public view on all subjects, except tactical responses.

The breakdown for calls this year by month is as follows with a comparison to last year:

January	39 (08)	36 (09)	February	39 (08)	29 (09)	March	30 (08)	58 (09)
April	69 (08)	62 (09)	May	119 (08)	79 (09)	June	128 (08)	67 (09)
July	111 (08)	130 (09)	August	118 (08)	122 (09)	September	54 (08)	105 (09)
October	54 (08)	53 (09)	November	48 (08)	29 (09)	December	48 (08)	51 (09)

The list of calls for 2009 is as follows:

Accident	17	Missing person	2
Abandoned vehicle	4	Motor vehicle stops	379
Alarm	8	Warnings	295
Arrest	7	Summonses	78
Animal complaint	16	Arrests	5
Assault	4	O.H.R.V. Complaints	9

Civil matters	28	Police information	7
Criminal mischief	16	Public assist	2
Criminal threatening	4	Road hazard	13
Criminal trespass	7	Reckless conduct	1
Disabled vehicle	2	Repossession	4
Disorderly conduct	1	Sexual assault	1
Dog complaints	31	Sex offender registrations	11
Domestic dispute	5	Shots fired	3
Fingerprint for employment	6	Suspicion	30
Fire call	7	Theft	18
Fraud	1	Truancy	1
Harassment	4	Unwanted persons	2
Kidnapping	1	Welfare checks	4
Juvenile complaint	4	Wires/tress down	12
Littering	4	911 hang ups	14
Medical call	24	Vehicle off the road	6
Motor vehicle assist	1	Vin. checks	11
Motor vehicle complaints	13		

Again, if you have any concerns, ideas, questions, wishing to do a ride along, want to see the new cruiser equipment and how it works and makes my job easier, or complaints, please feel free to contact me at any time at any at the following numbers:

Office 863-5115, leave a message and if not called back in a reasonable amount of time,
 please call dispatch, do not wait
Dispatch 863-5116, they can contact me anywhere
Cruiser cell 398-7911, if no answer, leave a message or call dispatch
Home 863-6527, do not hesitate to call this number
E-mail yathink@nhvt.net, it works now and I can now respond back

Thank you for allowing me to serve you,

Chief Richard G. Lee

Town of Croydon
Report of the
Road Agent

Boy how time flies. Going on 23 years at this job and still ticking. Seen a lot of changes in those 23 years.

This year the plan is more ditch cleaning and pavement shimming. May need to do a little blasting here and there to keep the water in the ditch and out of the road.

Can't help but notice that there are still a lot of houses in town that don't have a visible address out front. You may want somebody to find you someday in a hurry.

Also, a reminder about your driveway culvert, the town does not install or maintain driveway culverts, only the ditch before and after, keeping that culvert clear is the responsibility of the land owner.

On a lighter note; THINK SPRING !!

2009-10

Only a few complaints this year. All resolved. Chief Richard Lee was helpful, as usual.

Some issues with the school's water system needed addressing and were resolved satisfactorily.

The H1N1 influenza left us mostly unscathed and we did finally get enough vaccine for everyone that wanted it. Croydon volunteers Bap Kress, Cody Kangas, Jan Michel, Cathy Griffin and Judy Cunningham helped at various clinics.

The same could not be said for the seasonal flu vaccine. This area did have a bit of a shortage. I had also tried the option of busing those wanting a vaccination to a free clinic at Dartmouth. Requests were few and we canceled the bus and will probably return to having the VNA return next year. Those without insurance will have to pay for their shots. Hopefully, we will have enough vaccine in 2010.

As always I am happy to have you seek me out for any problems or to give me input. Please feel free to call me at home: **763-4359** or email me at **CroydonHealth@hotmail.com**. I also have a website with health information and what I can do for you at the town website: <http://www.CroydonNH.us>.

The Croydon Volunteer Fire Department had a quiet year due to a very wet summer for brush related fires . The Fire Department also saw a decline in auto accidents.

A reminder to every one to test your fire alarm monthly to make sure it works if needed.

A reminder if you need the Fire Department or medical services call 911 or 863-5116 for our dispatch center. The Fire Department phone number is 863-6916.

March 2010

There are many people involved in making things go so smoothly at the Morse HouseMuseum. Ron Leslie, Clayton Phillips and Steve Michel replaced the clapboards on the back of the building. The acquisition committee has purchased some time appropriate furnishings and displayed them along with donated items. The parlor has been nicely decorated and we have beautiful hand made curtains in some of the rooms thanks to Sue Smith and Cynthia Phillips. Rugs have been put on the floors. Other people have helped with the general cleaning and upkeep of the buildings and grounds. Thanks to all those who helped. We couldn't do it without you.

Many events were well attended throughout the year and we thank all who contributed in any way to our fund raising efforts which included the yard sale, Appraisal Day and our Spring Fling Luncheon Raffle. A special program was held in August to honor Dana Gross and the entire Gross family for their combined hundreds of years of service to the Town of Croydon. In November, Clayton Phillips lead the Historical Society, the Selectmen, the Congregational Church, the Fire Department and Ladies' Auxiliary in a coordinated effort to host a Dinner and Program to honor the Veterans in Town. Thanks to all the good help, everything ran smoothly and a delicious Pot Luck Dinner and a very nice program were enjoyed by all present. Mr. George King was honored as the oldest veteran in Town and was presented with a certificate and a special cased flag acquired from Senator Judd Gregg. It is hoped this will become an annual event.

Since our last report in 2008 we want to recognize the passing of members: Dennis Howard and Albert Smith. Bert was our genealogist, Treasurer for the past 8 years and our all around "Go Fer" guy. If no one else was available to do something we could always count on Bert. He will be sadly missed by the Society and many other sectors of the Town. The Society did not participate in Croydon Day this year because Bert's Memorial Service was that day. We hope to be around with demonstrations and exhibits of historic interest at the next Bi-annual event.

The Historical Society meets the second Saturday of the month at the present time at 10:30 AM at the Morse House or Town Hall from February to May. The public is always welcome at our programs and we invite anyone interested to join us and become a member.

The Newport food pantry has been serving residents of Eastern Sullivan County for the past several years. The number of clients from Croydon has seen an increase over the last year. We have been requesting outlying towns to support us with a \$1000 donation. There have been about 35 client visits from Croydon in 2009 and it is expected we will see more. Thanks and please stop and visit us to see how we operate and the service that we provide.

Lake Sunapee Region VNA & HOSPICE

January 2010

Dear Friends,

As we enter our 40th year, staff at Lake Sunapee Region VNA & Hospice (LSRVNA) remain grateful for the ongoing opportunities to provide home health, hospice, long-term care and community health services to all residents of Croydon. Our Mission remains unchanged and centers on providing these services to support the dignity and independence of all individuals and families in your community. As in previous years, the LSRVNA Board of Directors has pledged that, within its financial resources, the Agency will continue to provide Croydon residents with all its services, except for long-term private duty care, regardless of insurance coverage or any patient's ability to pay for care.

I am proud to report that, in 2009, LSRVNA employees provided at least 90 Croydon residents with the following services:

- ❖ Provided over 2800 hours of nursing, therapy and in-home long term supportive care to at least 28 residents;
- ❖ Provided approximately 690 in-home nursing, therapy and social work visits to these residents; and,
- ❖ Three residents received 124 visits through our hospice program and, thanks in part to our support, were able to spend their last days at home. Their family and loved ones are eligible for bereavement support and counseling for the next year at no cost.

Additionally, at least 76 residents utilized foot care, flu, blood pressure, caregiver support groups, grief and bereavement support, and parent child clinics provided by LSRVNA.

These statistics illustrate how deeply LSRVNA is embedded in the fabric of the Croydon community. However, it should be noted that ours is, truly, a symbiotic relationship. Here is why: Despite the obvious need for home health care in Croydon, LSRVNA would not be able to provide all these services without extra financial support from both the Town of Croydon and some of its individual residents. This additional financial

support is needed because reimbursement for home care services generally falls short of the cost of providing said services. This is an unfortunate aspect of health care today in this county. It is not a reflection on any lack of fiscal discipline at LSRVNA; we are cautious and prudent spenders. In fact, virtually any LSRVNA employee could earn a higher salary working in a hospital. The vast majority of people who work at LSRVNA do so because of a passion for home health and community; we truly love what we do.

Speaking on behalf of all Agency employees, I am grateful for your continued support and wish you all happiness and the best of health in 2010.

Sincerely,

Scott Fabry, RN

Southwestern Community Services

Over 40 years of people helping people in Cheshire and Sullivan counties

October 14, 2009

Mr. James Harding
Office of the Selectmen
879 NH Route 10
Croydon NH 03773

Dear Chairman Harding:

On behalf of Southwestern Community Services, Inc., I would like to discuss the possibility of having an item placed on your Town warrant. We are asking communities with which we work to consider a small appropriation to assist in our outreach efforts. This has become necessary if we are to continue to deliver the high quality services that we have provided our communities over the past forty-plus years.

I have enclosed for your reference, an updated list of the services that we provided to the residents of Croydon over the past year, along with the value of those services. Through this letter we ask that Southwestern Community Services be placed either on your Town Warrant or in the local human service budget in the amount of \$600. This amount will allow us to maintain the outreach and service delivery to Croydon at the same level as in the past.

In closing, I am willing to meet with the Board of Selectmen, the Budget Committee, or any group you suggest in an effort to further detail the significance of our request. I look forward to hearing from you in the near future.

I can be reached at (603) 352-7512, extension 4123 should you have any questions.

Sincerely,

David W. Osgood, Deputy Director

BRENDA BURNS, Executive Director- (603) 863-5139

September 29, 2009

Board of Selectmen
Town of Croydon
879 N.H. Rte.10
Croydon, NH 03773

Dear Members of the Board,

Sullivan County Nutrition Services (SCNS) provides elderly and incapacitated adults with 1/3 of their daily nutritional requirements through the meals-on-wheels program (M.O.W). The federal and state funding we receive does not cover the full cost of a meal. State and federal funding does not cover any cost for meals delivered above and beyond our contracted units (meals). SCNS has provided meals above and beyond the contracted units for the past five years. By design, (nationally) the program has as a part of its funding formula an element of community support.

It is that time of the year when we solicit community support for the meals-on-wheels segment of the program. Because of State and Federal guidelines, SCNS is prohibited from asking recipients for a donation if the recipient is referred to our program under the Adult Protective Service (APS) program, or if the recipient is currently receiving Medicaid assistance. In 2007-2008, SCNS was prohibited from asking 33% of Croydon meals-on-wheels recipients from making a donation because the meal recipient was either an APS client or received Medicaid assistance.

Your financial support will help to insure your residents have a well-balanced nutritious meal delivered to his/her home and a safety check. Your support will prevent the need for placing people who ask for help on a wait list. At the same time, citizens with mobility problems can maintain independence and remain in his/her home. The cost of meals for one year is about the same as one day in a hospital for an individual.

Research has shown that nutrition programs can also prevent or delay the unnecessary placement of older adults in Nursing homes. Without food, the elderly also go to nursing homes prematurely, adding to what is already a huge national expense. These meals provide nutrition to older Americans, as well as a daily wellness check for each individual client. Particularly to those in great economic and social needs, who are home bound by reason of illness or disability, and to those who are otherwise isolated due to transportation issues. A wellness check is an important addition to the meal service because approximately 30 percent of non-institutionalized older persons live alone and one out of three New Hampshire seniors, age 65 and older fall each year. Meal delivery drivers have assisted in accessing medical treatment for these individuals. Not only has this assistance saved the life of the individual client, but has saved the lives of others.

Times are tough and now, more than ever, we need your help. Please allow us to continue to provide a hot meal and a visit to make sure your elderly homebound and disabled residents are safe. To help ensure that we are able to meet these basic and vital needs, SCNS ask for your support of \$200 (.66 cents per meal).

Without your contribution, SCNS would not meet our cash match requirement. Your contribution will allow SCNS to continue to access partial State and Federal Funds used to provide the elderly and disabled citizens of Croydon with a well-balanced nutritious meal, safety check and access to other services from which they may benefit from.

Listed below are some statistics relative to this request. Should you have any questions, please feel free to contact me. Thank you for your continued support.

Respectfully,

Brenda Burns

WEST CENTRAL BEHAVIORAL HEALTH

Member of  DARTMOUTH-HITCHCOCK ALLIANCE

October 19, 2009

James Harding, Chairman
Board of Selectmen
Town of Croydon
870 NH Route 10
Croydon, NH 03773

Dear Mr. Harding:

In FY 2009, West Central Behavioral Health received an appropriation of \$742 from the Town of Croydon. We are grateful for this appropriation that enabled us to provide free or reduced cost mental and behavioral health services to residents of Croydon who are uninsured or underinsured. We are committed to making quality mental health services available regardless of ability to pay to all communities in our service areas and are asking the cities and towns we serve to help us sustain that commitment to many of our most vulnerable neighbors. In order to achieve this goal we are requesting a FY 2010 appropriation of \$742.

West Central Behavioral Health is the NH designated Community Mental Health Center for Croydon, as well as Sullivan and Southern Grafton Counties. Our mission is "to promote, preserve, and strengthen the mental health and quality of life for individuals and their communities through the delivery of integrated, comprehensive services". Our consumers suffer from a range of disorders and illnesses: life threatening severe, chronic mental illness such as psychosis, schizophrenia, and bipolar disorder; all forms of addiction, as well as anxiety, depression, divorce or relationship related stress, and other impairing but highly treatable conditions. We work with all ages in outpatient clinics, homes, nursing homes, schools, and residential supported living programs, offering a broad variety of counseling, psychiatric services, case management and emergency consultations.

Some of the services provided to residents of Croydon last year include:

- ◆ 12 Croydon children and their families received 402 hours of therapy at our Newport Counseling Center.
- ◆ 19 adult received 211 hours of therapy.

Our request of \$742 helps us to continue to serve all Croydon residents who request our services whether or not they can pay our full costs.

Sincerely,

Ron Michaud
Community Relations Officer

Selectmen, Town of Croydon
879 NH RTE 10
Croydnt NH 03773

Dear Selectmen:

We at Sullivan County Hospice are requesting \$250.00 from the Town of Croydon.

Sullivan County Hospice has been in existence since 1984. We are a volunteer agency, governed by a 12 member Board of Directors, all of whom reside in Sullivan County.

Our mission is to provide practical and emotional support to terminally ill patients and their families within Sullivan County. The majority of the individuals we serve are home hospice patients, who have decided to remain at home under the care of their families. It is in this setting that we provide most of our services. However, we have flexibility to follow and serve our patients and their families in a hospital or nursing home setting as well. Our volunteers are fully trained in areas such as death and dying, the grieving process, active listening and universal precautions. A few of the ways our volunteers provide practical support include respite for caregivers, running errands and light meal preparation. Our volunteers also provide emotional support to both the patient and their family, by being able to listen and offer reassurance and encouragement.

Our referrals come from Doctors, nurses, visiting associations, and discharge planners, as well as from family members or patients themselves. Our only requirements for services are that the patient be terminally ill and that they reside in Sullivan County. We accept all referrals on that basis and there is never a charge for our services.

In addition to providing volunteer services, Sullivan County Hospice offers a bereavement support group. This group is scheduled for six sessions a year, each lasting a period of five weeks. These groups are open to anyone working through the grieving process.

We thank you in advance for your consideration. We hope that you will continue to support our work with your financial contribution, as we continue in our efforts to support the terminally ill and their families in Sullivan County.

Sincerely Yours,
Alberta Marro
Director of Sullivan County Hospice

Town of Croydon
Office of the Board of Selectmen
879 NH Route 10
Croydon, NH 03773

To the Board of Selectmen:

On behalf of the Family Services Department of the Community Alliance of Human Services I am asking for the Town of Croydon's financial support for our youth and adult programs. These programs provide guidance that educates, improves decision-making, and challenges the participants, while holding them fully accountable for their actions.

Community Alliance offers Croydon residents the following programs for a nominal fee:

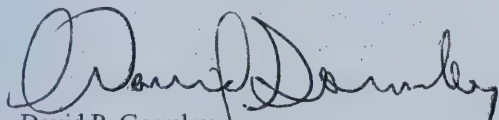

- The Sullivan County Youth & Adult Court Diversion Program
- The Sullivan County Community Service Program
- Y.E.S. (Youth Educational Shoplifting Program)
- S.T.A.R.D. (Students Talking About Responsible Decisions)
- A.D.A.C. (Adolescents Dealing With Anger & Conflict)
- T.A.A.P. (Teen Alcohol Awareness Program)
- Tobacco Options

During calendar year 2009 to date, 93 youths have participated in 125 programs. Of those served, 79 were residents of Sullivan County and they participated in 105 programs offered by the Family Service Department. Two Croydon families have participated in the programs so far in CY2009.

As you may know, the Diversion program offers participants a non-stigmatizing alternative to detention and/or further contact with the juvenile justice system. Our communities are privileged to have volunteers who actively guide and support these youth, providing them an immeasurable positive impact, but further benefiting the county by saving dollars in prosecution fees and other costs associated with the formal justice system. While in any one year there may not be a need for this referral service, from your Police Department or school or judicial representatives, the town funding element remains essential to providing the infrastructure needed to make Diversion available if and when the need arises.

Funds provided by the Sullivan County grant have been reduced by over \$10,000 this year and will challenge our efforts to serve the youth and families of the area. We respectfully request funding in your upcoming fiscal budget in the amount of \$1,000.00 to continue these services. Thank you for your support in previous years and for your consideration of this request.

Sincerely,

David P. Gormley
Family Services Administrator

Croydon Community Day 2009

What a wonderful turnout, almost 200 people attended this year's event on September 19th.

Just to highlight some of the many activities that occurred on that day: watermelon eating contest, Tug O War, Dorothy the Clown, Child ID's, Bike Rodeo, BBQ chicken dinner, Ice Cream Social and of course access to the beautiful Camp Coniston facility. The day was capped off with the now infamous grand finale of fireworks!

There were over 50 prizes awarded that day, ranging from a pot of Mums to local restaurant gift certificates.

There are too many people to list (you all know who you are!) and we want to thank everyone who helped from the very early planning stages, to the clean up crew the next day! This event can not happen without all of the wonderful community volunteers.

At the 2009 Town meeting, \$1,000. was appropriated for the event. To follow is a summary of expenses:

\$730. Prizes

\$523. Food & Supplies (plates, cups, napkins, poster board, etc.)

\$151. Glow Necklaces

\$102. Plaque for Camp

Coordinators and volunteers are always encouraged. The next anticipated Croydon Community Day is September 2011

School Board's Message to the Community

Linda Schultz, Chair

The Croydon School District had many changes this year in staffing and personnel. In order to comply with the budget voted on at the annual 2009 Croydon School meeting the teaching staff for Croydon School was rearranged. There are now two full time teachers and one part time special education para educator. Amanda Simon teaches kindergarten and first grade on Monday Wednesday and Friday in the town hall. She then joins Jeanne Akpan in the school house on Tuesday and Thursday. Mrs. Akpan teaches the second and third graders all five days in the school house. Sheila Hulton, special education para educator, assists with both classrooms for 6.5 hours, four days a week.

Staffing changes included hiring Lynn Baker as the new principal and special education coordinator. Curt Lively, Sr. replaced long time bus driver Loretta Greene. Loretta drove the Croydon bus for many years and it was with heartfelt regret that we accepted her resignation.

Police Chief Richard Lee continues to visit monthly with the Croydon students. He brings lunch for two or three lucky students and then talks about different safety topics. The students really look forward to their turn with the chief.

Maintenance and upgrading projects have also been completed at the school. Final steps to bring the school building into compliance with state and local fire codes have been completed. The interior of the school was painted with fire retardant paint, and hard wired with fire and smoke alarms along with other changes. Improvements to the town hall were also made to bring that into compliance for the kindergarten and first grade class that is held there three days a week. Maintenance issues that will be considered in next year's budget include replacing the wooden fence along the front of the school and repairing or replacing the front entry to the school.

The Croydon School Board continues to try working within the budget set forth by the taxpayers of Croydon. The future of our school depends on community support as under funded state education mandates continue to add up. In this tough economic year we as taxpayers have to be mindful of the quality and quantity of education that our children are receiving that they may be successful in their future.

Lastly, included in the school warrant is an article to establish a committee to look at the feasibility of making changes to or dissolving our Authorized Regional Enrollment Area (AREA) agreement with Newport. This step does not dissolve our agreement and is only to establish a committee to look at the feasibility of changing, dissolving or doing nothing with the current agreement. The School Board is not recommending what we do unless or until it is shown that either would benefit both the students and taxpayers of Croydon. The process to make any changes to the AREA agreement is involved and requires extensive public input and cannot by law be made by the school board alone. Please give this article serious consideration.

Superintendent's Message

Marilyn B. Brannigan, Ph.D.

Each school year brings changes in student composition at each grade level, wonderful learning experiences, mastery of skills, new staff and different relationships. This year was no exception. We met a new principal, Lynn Baker, who took on this awesome responsibility. We saw a change in grade level responsibilities of the teachers. The team welcomed a new, para educator to assist in supporting students in need of a boost in specific areas.

Decisions about how to provide financial support for supplementary learning activities has been a challenge. The REAP (Rural Education Achievement Program) has financially supported the purchase of quality educational materials that help enrich the learning program. The para educator's salary has also been partially supported by this grant. The school district has been fortunate to have these resources to use wisely.

Thank you

With the help of the PTO the staff cleaned out the school from clutter and helped paint this summer. It was teamwork that got all the work completed before the start of school. Thank you to all who helped and continue to support our teachers and our students (your children). There is a wonderful commitment from all of you to help the Croydon Village School become all it can be!

Summer Programming

Some students need support during the summer months. With out a formal learning program in place student skills often regress. We have been fortunate to offer a program for students in need during this past summer.

Principal

Lynn Baker, Principal, has been a gift. She is both a special education teacher, and a former School Board member in her home town. Her strength in writing Individual Education Plans (IEP's) support the staff and parents.

Congratulations

Austin Sclafani, Croydon resident and a senior at NMHS, was named the "Student of the Year" by the chamber of commerce and honored at their Annual Banquet on February 4, 2010. Austin is the son of Tony and Dena Sclafani. Congratulations Austin!

Looking forward

We are always looking to improve our instructional programs. To that end let's look forward with strategies that will enrich students learning. Croydon teachers will take part in Newport's staff development programs and state workshops. We look forward to an outstanding ending to the 2009-2010 school year.

Croydon Village School Annual Summary

Lynn Baker, Principal

The Croydon Village School continues to provide a solid education to children grades K-3. It has wide community support from parents, individuals, community organizations and SAU 43. Participation this year has included educational programming with the Croydon Fire Department which included visits to the station and many fun activities stressing fire safety. The children gave a singing performance at the community's Veteran's Day celebration. They invited Mr. Steve Rizza to share his military experience and dress. Also invited to the school was author D. B. Johnson who shared with the children and the invited public his ability to incorporate the ideas of Henry David Thoreau with children's literature. Community involvement was further enhanced by the school's open house and their traditional Holiday Play.

A strong Parent Teacher Organization meets the first Tuesday of every month. This year their endeavors have included an educational experience regarding the American experience of voting. This culminated in the election of the Croydon Cubs as a mascot for the school. This is represented by a drawing of a cub by student Owen Ritz-Williamson reproduced on Tee-shirts. The PTO is responsible for the new sign out in front of the school bringing us messages and announcements. The other major contribution by the PTO includes fundraising and supporting our overnight trip to Plymouth Plantation for our third graders annually. The school is most grateful and appreciative.

Community support and involvement has supported the positive findings from a district wide data survey from parents of the Croydon School students. All parents showed satisfaction in the strongly agree and agree categories including being welcome at school, safety, environment, and parent support. Academics are an area in which parents perceived the need for slight improvements. Teachers and administrators perceive the same needs as well.

New resource materials have been purchased through the REAP (Rural Education Assistance Program) Grant for both Mathematics and Literacy. The materials for reading from Scholastic Publishers lend themselves to the multi-age classrooms and thematic development. The math materials now complete the mathematics resources to meet the required frameworks and consistently prepare the children for a smooth transition to Richards and Towle Schools. Teachers are following a series of staff development workshops supplied by Newport School District for analyzing, synthesizing and planning core math curriculum from the state frameworks.

Special education services continue to be provided through direct instruction, speech pathology, occupational therapy and physical therapy. There is early intervention being provided for some students to reduce the long term consequences and costs of ongoing special education services. This is provided under the Response to Intervention structure.

Operations have been challenging this year with the contamination of our drinking and washing water. Bottled water and hand sanitizer were used for a period of four months. The water has now been approved for drinking and washing and remains under regular testing as administered by the town. Our furnace has shown its need for attention and is being closely surveyed at this time.

We would especially like to express appreciation for Newport's Head of Maintenance, Alan Chase for taking care of several minor immediate attention needs. He has saved us from falling ice and kept us safe.

We look forward to another year in the famous one room schoolhouse of which we are all so proud.

Opportunities and Challenges

The Croydon Village School presents many opportunities and challenges. This year there are 27 students in grades K through 3. The kindergarten and first grade are in the Town Hall and meet three days a week together. On Tuesdays and Thursdays the first graders meet together with the second and third graders in the Village School. CVS was freshly painted and completely reorganized to maximize the learning spaces. When all three grades are together this allows for more direct teaching to those with varying levels of achievement. Following the New Hampshire Grade Level Expectations (GLEs) there is a lot more blending and multiage cross over to meet children's needs. Staff development is directed to multi age programming based on these frameworks. Creative teaching, exciting projects like the building of the igloo in the Town Hall has helped your children blossom. The GLEs proved a road map for much more emphasis on curriculum.

Special Education

For those students who receive special education services, we are contracting for Speech and Language and Physical and Occupational Services. There have been no extraordinary out of district expenses. And the number of identified students overall is lower this year. That was the goal we began the year with and we have been able to support students who were at risk with the increase in differentiated instruction and implementation of Fundamentals a reading strategy as well as RtI, (Response to Intervention). These early interventions have a significant impact on student outcomes.
