Chairman Bennett states that the procedure is to make an offer for the land, if offer refused, money is to be deposited with Superior Court.

County Attorney Papademas states when County Convention authorizes county commissioners to take land by eminent domain, commissioners must make a cash offer; if accepted, okay. If refused, money is deposited with clerk of Superior Court and county takes immediate possession. Also states, if authority given, commissioners will have a tool with which to acquire the Reed land.

Rep. Merrill questioned if courts would set more than a \$1,000.00 an acre value.

County Atty. Papademas states county would have to pay whatever court set as value. Also stated, appraisal part of eminent domain.

Rep. Chamberlain states not only land of Reeds, but ground silo, and old barn.

Rep. Stevenson moves County Convention authorize commissioners to buy Reed land.

Rep. Brummer seconded.

Discussion:

Comm. Bell says commissioners just want authority to buy land; no money.

Rep. Van Gardner says pay up to \$1,000.00 an acre.

Rep. Hopkins asked value of land that commissioners

were willing to trade.

Chairman Bennett states commissioners had not set a sum of money as value of land.

Rep. Chamberlain said meadow land worth more than Reed land.

Chairman Bennett states eminent domain proceedings must come first before appraisal of land.

Rep. Smith says that an appraisal must and will be made after eminent domain proceedings.

Atty. Papademas states that correct reading is for the County Convention to authorize the county commissioners to buy or take Reed land and buildings thereon for the amount of land needed for courthouse project; sum of money not exceed \$12,000.00.

Rep. Stevenson moves the previous statement.

Rep. Brummer seconded. Unanimous vote by show of hands.

Rep. McMeekin states commissioners to be guided by the architects scheme of courthouse plans; plans show for the necessity of taking Reed's land.

Chairman Bennett states both commissioners and building committee have architects plan for courthouse needs, and have approved it.

Rep. Higgins moves Convention revoke authority given county commissioners to trade for Reed land. Seconded by Rep. Brummer.

Rep. McMeekin opposed motion.

Rep. Buckman says keep meadow land.

Rep. Chamberlain wishes to find out how Comm. Clement feels towards issue.

Comm. Clement states emphatically that Reeds will not trade.

Higgins motion moved by show of hands. McGee, McMeekin, Mitchell, and Sears opposed.

Comm. Clement says 700 copies of Grafton County Bi-Centennial booklets ordered to sell for \$1.00 a piece. Also, said dedication of new hospital and wing on October 11, 1969, speakers beginning at 1:00 o'clock sharp.

County Atty. Papademas says county attorney should

devote 50% of his time to his office. States drug problem growing by leaps and bounds; simply fantastic. States police officers not experienced enough to handle cases legally. County attorneys should teach police officers in legal procedures. Also suggests county will have to go to a full time attorney in steps, eventually \$18,000 a year for attorney.

Rep. Brummer moved to adjourn. Seconded by Merrill.

Adjourned at 11:50.

### GRAFTON COUNTY CONVENTION

**Courthouse, Woodsville, N. H.**  
**Monday: December 22, 1969**

Shirley Merrill presiding; six members present (Bell, Merrill, McMeekin, Duhaime, Tilton and Van Gardner). Two citizens, Kenneth Curan and Robert Baker of Littleton, present during public part of meeting.

Question Presented: The Grafton County Commissioners, having applied to the Executive Committee of the Grafton County Convention for permission to use any unexpended surplus and to borrow whatever money necessary for County Farm and Court expenses in addition to the amount appropriated in the 1969 budget, as an emergency payment, the Executive Committee of the Grafton County Convention will hold a Public Hearing on the request of the Commissioners at the Court House in Woodsville, N. H., at 10:00 A.M., Monday, December 22, 1969.

Bell: explained need of hearing, need authority to use surplus on hand and to borrow in anticipation of taxes. Have substantial amount on hand, but need authority to use it; new bookkeeping system requires paying all December bills in December with no carry over to January as present system; thus 13 months bills to be paid in one year.

Tilton: How much to borrow from surplus? Additional for extra months payments?

Bell: Approximately \$50,000 over and above budget.

Tilton: Not running over operating budget as a whole at present time.

Bell: A little.

Merrill: A public hearing; anyone to speak as public?

Kenneth Curran, Littleton: Three things to mention: One past - hospital job; 2nd - Court House as future; and 3rd - this front page (budget).

Merrill: This hearing on borrowing of money - you wish to divert?

Curran: Not in one case. Hospital - Hill-Burton money - when it first became known?

Bell: In beginning not known; said none available for three years; so authorized borrowing whole amount. Started construction in September; in Dec. State checked everything - figured spent and on hand, and took from there on for percentage. Could not allow on previous spent.

Clement: Changes to comply figured possibly roughly at \$8,000.

Curran: Last subject - Court House - a total four million dollar project. Wanted delay to get more information. As contractor, know delay would not cost that much, and might be quite a saving. As tax payer, object to amount for 3 acres of land; design very expensive; total cost four million principle and interest. Realize need for storage, archives; but this is too much debt for too few tax payers.

Merrill: This is out of order as far as this meeting concerned, but allowed you to express your feelings.

Tilton: Emergency payment of how much?

Shores, Clement & Smith (Bookkeeper): Needed for new bookkeeping system; explained and discussed; new system requires cost accounting (cash basis from month to month with no carry over); to do this, and start the new system off right as of the new year, need to pay up all current bills, meaning paying 13 months bills this year, not budgeted for.

M. Sears arrived.

McMeekin: No authority needed if not over 10% of

total budget. Motion to authorize paying December bills in the month of December within the present 1969 budget - not to go over 10% of the total budget.

Van Gardner: Seconded.

Merrill: Discussion? (None)

Questions? (None)

All in favor? - (all indicated so)

Opposed? - (None)

Merrill: To borrow in anticipation of taxes will be taken up in Executive Session of this meeting. Anything on the budget?

Curran: Thanks for clarifications of overages caused by Dartmouth incident. Bail forfeiture represents small income. Cost high, but explanations clarify.

Merrill: Public Hearing declared closed at 10:45 A.M.

**REPORT OF GRAFTON COUNTY COMMISSIONERS**

To the Citizens of Grafton County:

As required by Statute, the Commissioners of Grafton County submit herewith the report of the various County Officials for the year ending December 31, 1969.

Grafton County celebrated its 200th Anniversary on October 11th with ceremonies dedicating the newly constructed 79-Bed Nursing Home-hospital wing. Festivities featured a buffet serving some 225 guests, honored by the presence of Governor Peterson and Senator Cotton. Mrs. Rita Little, our Acting Superintendent, was highly commended for her endless efforts during this period of construction, commendations, also, extended other staff and personnel for their assistance. The Woodsville High School Band provided music. Miss Gladys Whipple honored the County by writing a Grafton County History for the occasion. Conducted tours through the new wing concluded the day's festivities.

In November Mr. and Mrs. William Siegmund were hired to fill the positions of Superintendent and Matron and Mrs. Little as Administrator of the Nursing Home.

The budget for 1970 will show a sizeable increase for Old Age Assistance due to excessive medical costs. Direct relief cases remain about the same.

Surplus foods are still being distributed; more towns have been added during the year.

We wish to express our appreciation to our staff of employees, the County Delegation, the various town officials and State Welfare Department for their continued cooperation.

Respectfully submitted,

KENNETH G. BELL  
GEORGE F. CLEMENT  
BERT P. SHORES

Although we have been with the Grafton County Home and Hospital a very short time, we cannot help but be proud to be members of the Staff.

This pride stems from widely diverse areas—from the new hospital extension, for which the late Superintendent Frank Little worked so tirelessly—to the farm area where our Head Herdsman, Charles Page, reared Grafco Charioteer Belle who brought back the only Blue Ribbon to New Hampshire at the 1969 Eastern States Fair.

In our few weeks, we saw the complete renovation of our kitchen as well as other improvements in our facilities, and we saw the cooperation and dedication of all the employees during the ice storm of December.

Easing the way for us has been Mrs. Rita Little, to whom we shall be eternally grateful.

We extend our thanks to you, your office staff, the members of the Clergy and the members of the Community for their graciousness to us and to the residents and patients here at the institution.

We would also like to thank Douglas Bigelow, Farm Manager, the entire Hospital Staff and all the many other employees for making us feel so welcome.

Respectfully submitted,

WILLIAM SIEGMUND

Superintendent

IRENE SIEGMUND

Matron

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Home for the year ended Dec. 31, 1969 and find them correctly cast and properly vouched.

Grafton County Commissioners

The past year was a very busy and eventful one for the Grafton County Nursing Home and Hospital.

On Oct. 11th ceremonies commemorating the Bicentennial of Grafton County and the dedication of the new seventy-nine bed hospital unit were held at the County Home.

Nov. 5th was moving day into the new unit—a long awaited dream finally realized. On Nov. 17th Mr. and Mrs. William Siegmund took over the duties of Supt. and Matron. It is indeed a pleasure to work with them.

We are indeed very grateful for the interest and contributions of so many groups, organizations and individuals for the welfare and happiness of our patients.

All County and State agencies have been very helpful during the past year.

In closing I wish to express thanks to the County Commissioners, Mrs. Madeline Kirk, Dr. Eastman, the chaplains and staff for their support and interest during the past year.

Special thanks go to Evelyn Bigelow, Director of Nurses, Douglas Bigelow, Farm Manager and all employees for their loyalty and help during the construction and equipping of the new unit.

Respectfully submitted,

RITA L. LITTLE  
Administrator

### The 1969 Show Circuit

Grafco Charioteer Belle was first place Aged Cow, Senior and Grand Champion at both the Northern Black and White Show in North Haverhill, and the New Hampshire Black and White Show at Hopkinton, N.H.

Belle and her daughter took first place at the Northern B & W show, and second place in the New Hampshire B & W show in the Dam & Daughter Class.

Belle also placed first in the Dry Cow class, for the second year in a row, at Eastern States and brought back the only Blue Ribbon to New Hampshire. She was in the New Hampshire State Herd for the fifth year in succession.

Belle was in the Senior Get of Sire group of a U.N.H. Charioteer. The Group consisted of Grafco Charioteer Pauline and Grafco Charioteer Ava as well. They placed first at the Northern B & W and the New Hampshire B & W and third at Eastern States.

This same trio took first in the New Hampshire B & W and third at Eastern States.

The two Group Classes won the Reserve All New England Awards for 1969.

Grafco Charioteer Belle gave birth to another daughter February 1, 1970.

**REPORT OF THE GRAFTON COUNTY ATTORNEY  
For the Year 1969**

To the Commissioners of Grafton County:

Herein is the first annual report of the activities of the office of the Grafton County Attorney for the year 1969.

This office disposed of 99 felonies, 81 misdemeanors, and 26 petitions under the Uniform Reciprocal Enforcement of Support Act. This office represented one deputy sheriff who was a party defendant in a civil case, and that case was successfully terminated.

As a result of student activities at Dartmouth College, this office processed and disposed of 54 criminal contempt cases, this being one of the few times such cases ever arose in the New Hampshire Courts.

There were additional miscellaneous activities that took your County Attorney to almost all parts of the county in the pursuit of the duties of the office, and more specifically, to assist law enforcement departments.

As other County Attorneys may have reported to you, the duties of the office are increasing both in number and in scope. It is not too soon to consider that the office shall require the services of a full time attorney. This will be necessary because the field of law enforcement has been rapidly changing in the past decade, and up until now it has been impossible to spend much time with law enforcement departments.

Lastly, I would be remiss if I failed to report to you that this office received full and complete cooperation from all law enforcement departments and especially from the office of the Grafton County Sheriff. Much of the work of these departments is reflected in the number of convictions in the above stated felonies and misdemeanors.

Respectfully submitted,

N. GEORGE PAPADEMAS  
Grafton County Attorney

**CHAPLAIN'S REPORT**

To the Commissioners of Grafton County  
Woodsville, N.H.

Dear Sirs:

Since my transfer here to Woodsville in March 1969 I can make the following report on my duties as Catholic Chaplain to the Grafton County Complex.

During this time I have made weekly visits to the people of the Home and Hospital. Each first Friday of the month the Sacrament of the Eucharist has been administered to all the Catholic patients. In December of 1969 the Sacrifice of the Mass was said for the patients of the Hospital as well as for the residents of the Home. It is our desire to continue this service for the patients each month. In the visits to all patients regardless of religion, an attempt was made to cheer them up and help them in any way possible.

At the same time, I was called to the House of Correction and Jail and held consultations with a number of boys and men held there. For a period of several months these were weekly visits to give consolation and encouragement.

The Sacrament of the sick was given twice during the latter part of 1969.

In conclusion I would like to thank all those people who in any way helped to make my duties beneficial.

Sincerely in Christ,

REV. EDWARD ZALEWSKI  
Catholic Chaplain

## PROTESTANT CHAPLAIN'S REPORT

To the Commissioners of Grafton County:

It is my privilege to submit this report as Protestant Chaplain to the Grafton County Home. Again it has been my pleasure to serve in Christ's name the residents of the Home, Hospital, Jail and House of Correction.

The regular chapel services have continued on the first and third Sundays of each month. The worship services are characterized by variety, with the desire that a meaningful experience in God's presence be felt by those attending. Of course, the singing of the old Gospel hymns is an indispensable part of every service. We appreciate the enthusiastic participation of the men and women in the services.

I have tried to make devotional materials and religious and inspirational literature available from time to time for the Protestant residents.

My family and I appreciated being able to attend the annual Christmas party for the residents this year. Arrangements also were made to transport a good number of the residents down to the Christmas program of the Community United Methodist Church in North Haverhill. We encourage the interest of the churches in the area to provide activities of an uncomplicated nature for the Home, especially in the "slower" seasons of the year.

I have attempted to continue a program of pastoral visitation to the Hospital and Home. Upon request, I have also been involved in counseling in the Jail and House of Correction.

Again, I express appreciation to Mr. Siegmund, Mrs. Little, the staff and turnkeys for their friendly cooperation and assistance.

Respectfully submitted,

MARVIN T. MILBURY  
Protestant Chaplain

Patients in Hospital Jan. 1, 1970	56

No new purchases were made in the old hospital because of the many renovations in the wing—new bath lifts, tubs, showers, a physical therapy unit and others.

This new wing with its adequate storage facilities relieved the crowded situation in the old hospital both as regards to patients and storage facilities.

Kitchen renovations and new serving techniques have improved the food and meals for the patients. The new dining-recreation area has made meal time much pleasanter.

During the bad storm the last week in December when electricity was off the County used its facilities to house some of the older people in the area who were without heat and lights.

Obstetrics and major surgical cases are still done in nearby General hospitals under policies laid down by the State Board of Health.

Respectfully submitted,

CYRUS D. EASTMAN, M.D.
