# ANNUAL REPORT

of the Town Officers

## NELSON

NEW HAMPSHIRE

For Year Ending December 31, 1999

### FRONT COVER

The cover of this year's report is the work of Natalie Germeroth.

### BACK COVER

The back cover shows the roads in Nelson and some of the topographical features. These road names, and a new logical house numbering plan, will serve as the basis for our Enhanced 911 system which will ensure rapid emergency response to all Nelson residents. The Bureau of Emergency Communications, who are responsible for this project, has assured us that we will have our new addresses before the end of 2000.

**Deputy Treasurer**  
Harold E. Gerbis

**Administrative Assistant**  
Christine M. Giroux

**Conservation Commission**

Bud French  
Barbara Fraser  
John B. Wright

Roberta Wingerson  
Susan Weaver  
Norman Barres (alternate)

## SELECTMEN'S REPORT

This has been a busy year for the Selectmen's office. Following the approval of the town-wide property revaluation at town Meeting in March, we negotiated a schedule with our vendor, DRA. The assessors set up a temporary office in the Selectmen's office and began the fieldwork in late July. By the end of the year, all 625 properties had been reassessed. Our target is to present the new values in March 2000.

The building pace picked up somewhat with 26 building permits issued. Of these, four were for new dwellings, while the rest were for additions or outbuildings.

The Selectmen studied health insurance policies for full time (30 hours per week or greater) personnel. A policy was developed which offers these employees a grant of 50% of the premium to be used to purchase an appropriate policy or to contribute toward their spouse's insurance premium, if they are already covered that way.

Job descriptions for all town jobs are in the works, and appropriate policies developed to ensure consistent benefits such as sick time, holidays and vacation.

We had several confrontations with PSNH in 1999 over excessive and unannounced tree trimming on both scenic and non-scenic roads. The Board of Selectmen are continuing to work with PSNH on this matter to ensure respect for our town's scenic beauty while facilitating proper tree trimming to forestall power interruptions.

The Claremont school funding issue was settled in Concord and the town ended up as a so-called "receiver town" with additional revenues of \$227,422 being available. This resulted in a 12% drop in the tax rate, which was reflected on the fall '99 tax bill.

Mike French, Chair

## SELECTMEN'S CERTIFICATE

This is to certify that the information contained in the following reports was taken from official records and is correct to the best of our knowledge and belief.

Michael W. French, David J. Birchenough, Jane S. Kirk, Selectmen

## AUDITOR'S CERTIFICATE

I hereby certify that I have examined and audited the accounts and records of the Town of Nelson for the fiscal year ending December 31, 1999.

The records and accounts include those of the Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, Cemetery Board, and Library Trustees.

To the best of my knowledge and belief, I certify that these accounts and records are true and correct.

Richard J. Lothrop, Auditor

## TOWN WARRANT

TO THE INHABITANTS of the Town of Nelson, in the County of Cheshire, State of New Hampshire, qualified to vote in Town affairs: YOU ARE HEREBY NOTIFIED to meet in the Town Hall in said Nelson on Tuesday, the 14th day of March, 2000, at 12:00 noon to act upon the following articles:

POLLS will open at 12:00 noon and close at 8:00 p.m.

BUSINESS MEETING will start at 7:00 p.m.

### ARTICLES OF A GENERAL NATURE

1. To choose necessary Town Officers for the year ensuing.
2. To see if the Town will vote to raise and appropriate the sum of \$121,829 to defray Town charges for the year ensuing. (The 1999 appropriation was \$116,138.)
3. To see if the Town will vote to raise and appropriate the sum of \$13,875 for support of the Town Library. (The 1999 appropriation was \$13,637.)
4. To see if the Town will vote to raise and appropriate the sum of \$1,607 in support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health Care (\$550), Monadnock Family Services (\$557) and The Keene Community Kitchen, Inc. (\$500). (In 1999, these agencies were voted to receive contributions from the Town in the same amounts as stated above.)
5. To see if the Town will vote to raise and appropriate the sum of \$2,000 to be added to the Town Buildings Capital Reserve Fund. No withdrawals may be made from the fund except by vote of the Town. The Selectmen recommend this appropriation. (The 1999 appropriation was \$2,000. The fund balance on 12/31/99 was \$3,010.42.)
6. To see if the Town will vote to raise and appropriate the sum of \$2,500 for an Architectural Review of the Old Brick Schoolhouse so that the building can be brought up to Americans with Disabilities Act (ADA) Requirements, NH Life Safety, and NH Labor Administrative Rules. This amount will be added to \$2,500 carried over from 1999.
7. To see if the Town will vote to raise and appropriate the sum of \$65,000 for bringing the Old Brick Schoolhouse up to Code Requirements.
8. If Article #7 is approved by the Town, this Article is to see if the Town will vote to authorize the Selectmen to withdraw the accumulated principal and interest from the Town Buildings Capital Reserve Fund to go toward the cost. (The fund balance on 12/31/99 was \$3,010.42.)
9. To see if the Town will vote to raise and appropriate the sum of \$2,000 for the purchase of sixty folding chairs and a storage rack for Town Hall.
10. To see if the Town will vote to raise and appropriate the sum of \$10,000 for repairs to the Town Barn. Labor for this project shall be paid from the general highway budget (Article #19).

## TOWN WARRANT (cont'd)

### ARTICLES DEALING WITH PLANNING & ZONING

11. To see if the Town will vote to raise and appropriate the sum of \$636 for dues to belong to the Southwest Regional Planning Commission. (The 1999 appropriation was \$627.)

### ARTICLES DEALING WITH SERVICE AND PROTECTION

12. To see if the Town will vote to raise and appropriate the sum of \$4,375 as a subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. This sum represents payment for 5 quarters. The City of Keene has not yet billed for the 4th quarter of '99. (The appropriation for 1999 was \$3,500.)

13. To see if the Town will vote to raise and appropriate the sum of \$6,500 for the proper expenses of the Police Department. (The 1999 appropriation was \$6,500.)

14. To see if the Town will vote to raise and appropriate the sum of \$7,375 for the third year's payment for the police vehicle.

15. To see if the Town will vote to raise and appropriate the sum of \$1,500 for a radar unit for the police vehicle and to authorize the Selectmen to withdraw the accumulated principal and interest from the Police Equipment Capital Reserve Fund to go toward the purchase. (The fund balance on 12/31/99 was \$417.14.)

16. To see if the Town will vote to raise and appropriate the sum of \$6,250 for the purchase of wildland fire equipment. The Town will receive \$5,000 of federal ICE monies and the community share will be \$1,250.

17. To see if the Town will vote to raise and appropriate the sum of \$8,000 for the proper expenses of the Fire Department and Rescue Squad. (The 1999 appropriation was \$8,500.)

18. To see if the Town will vote to raise and appropriate the sum of \$165,000 for the purchase of a new fire truck and to authorize the Selectmen to withdraw the accumulated principal and interest from the Fire Equipment Capital Reserve Fund for this purpose, and to authorize the Selectmen to negotiate borrowing the remainder by long-term bond and/or notes and to determine the rate of interest thereon. The fund balance on 12/31/99 was \$113,930.02. Should this article be approved, there will be no tax impact in 2000, as the first payment will be due in 2001. (Paper ballot and two-thirds majority required.)

## TOWN WARRANT (cont'd)

### ARTICLES DEALING WITH ROADS

19. To see if the Town will vote to raise and appropriate the sum of \$150,000 for our highway budget. (This sum includes \$137,000 for general highway expenses and labor in the maintenance of the Town's roads and bridges and \$13,000 for maintenance of the contested sections of old Route 9.) (The 1999 appropriation was \$150,000.)
20. To see if the Town will vote to raise and appropriate the sum of \$8,365 for the third year's payment for the highway one ton dump truck.
21. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the Town and upon recommendation of the Road Equipment Committee. The Road Equipment Committee (which includes the Selectmen) recommends this appropriation. (The 1999 appropriation was \$10,000. The fund balance on 12/31/99 was \$16,919.30.)
22. To see if the Town will vote to raise and appropriate the sum of \$7,000 for repair of bridges and box culverts. This sum is to be non-lapsing for two years or until the completion of the project, whichever comes first. Labor shall be paid from the general highway budget (Article #19). The Selectmen recommend this appropriation.
23. To see if the Town will vote to raise and appropriate the sum of \$12,000 for necessary paving & sealing projects. This sum is to be added to the \$12,000 approved in 1999 and carried forward. Labor for this project shall be paid from the general highway budget (Article #19). The Selectmen recommend this appropriation.

### OTHER ARTICLES

24. To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources.
25. To indemnify by a vote of the governing body and save harmless for loss or damage occurring after said vote any person employed by the Town of Nelson and any member or officer of its governing board in accordance with RSA 31:105.
26. To see if the Town will vote for a two-year term for Road Agent. This is a petitioned article. (Majority ballot vote required).
27. To transact any other business or discuss other warrant proposals as may legally be brought before the meeting.

Given under our hands and seals this 16th day of February in the year of Our Lord, two thousand.

A true copy of the warrant, Attest:

Mike French, Dave Birchenough, Jane Kirk-Selectmen, Town of Nelson, NH

## ROAD AGENT'S REPORT

The highway department has had a very busy year. Along with routine maintenance many special projects were completed. The fuel containment system that was voted on in 1998 was built. Much needed work was done on the town barn such as a new sill and a new roof on the old barn and a new header on the overhead door in the new barn. The work for this project came in under budget for savings of \$6,817 for the town. This summer we rented a backhoe and installed new culverts and cleaned out the rest of the culverts. This will help maintain good drainage and prevent costly washouts. Cutting brush and cleaning ditches continued. Some of our equipment got some special attention; the dump body on the 1995 International got a new paint job to keep it in good shape and the 1986 John Deere grader had a new belly pan installed.

The town had the opportunity to purchase a 1986 International dump truck to replace the 1973 army Mack. The Mack was in need of some costly repairs. The Mack was traded to the town of Marlow for \$2,500 worth of stone. The 1986 International is in good shape and running well. It is all set to plow and sand.

The 1998 Dodge 1-ton is working out very good. It is a pleasure to have a vehicle that is safe and reliable. This will be the third of four payments on this truck.

We are proposing a budget of \$150,000. This will be the third year at the same budget. In 1999 we came in \$12,752 under budget. Due to a light winter, virtually no mud and highway department hauling our own sand we were able to keep costs down. Unfortunately other costs are going up such as salt and fuel. We will continue to try to save the town money as much as possible.

This upcoming year we have three special projects planned along with our routine work. These projects are presented in warrant articles. The first project that we would like to do is more work on the old barn. We are proposing to put a new cement floor and insulate the building. This would enable us to heat this building with the old furnace from town hall. This building would be heated at a low temperature. By heating this building it makes it easier on the equipment that is housed there.

The second project that we have planned is the bridge at Granite Lake. The current bridge is cracked and falling apart. Now is the time to fix it before it becomes an emergency situation. We are proposing to take out the old structure and replace it with a large culvert.

The third project we are planning is reclaiming a section of Murdough Hill Road from the top of the hill to Old Rte. 9. You will note we did not use the \$12,000 appropriated at last years town meeting. The reason for this was that as we looked at putting a shim coat of pavement on this section of road it would have been a waste of the town's money. The shim coat would not fix the problem and in just a few years the road would be in bad shape again in need of repairs. It was decided with selectmen to hold off on this until this year and ask for \$12,000 to go with the \$12,000 from 1999 (selectmen carried over) and do the job right so it will last and save money in the end. We are proposing taking up the existing pavement, fixing drainage problems, fixing the roadbed, paving and sealing.

At this time we are still doing the winter maintenance on Old Rte. 9. Last spring the town presented its case in court but we have not received any decision.

## ROAD AGENT'S REPORT (cont'd)

We appreciate updates on road conditions in your area. We will get to your problem as soon as we can. Please be patient as manpower and equipment limitations prevent us from being everywhere at the same time. There is winter sand available for Nelson residents for use on your personal driveway.

As you can see we have had a very productive year in 1999 and plan to do the same in 2000. We would like to thank the town for all of the support it has given to the Highway Department. Thank you to Mike and Lee for all of their help.

### HIGHWAY EQUIPMENT REPORT

This table shows road maintenance equipment owned by the town and gives you, the taxpayer, some idea of the usage of the Highway equipment, plus today's value and today's replacement cost.

<u>Equipment</u>	<u>Acquired</u>	<u>Current Value</u>	<u>Useful Life Remaining</u>	<u>Current Cost to Replace</u>	<u>Ideal Life Expectancy</u>

## CONSERVATION COMMISSION REPORT

In November a trust fund, the Sidney F. and Claire A. Partridge Fund, in the amount of \$300,000 was established thanks to the generosity of the late Partridge family who were longtime residents of Nelson. The stated purpose of the fund is for use in purchasing conservation easements and land for conservation purposes to be expended by the Nelson Conservation Commission. We have been energized and excited by this opportunity to be proactive in protecting land in Nelson. As we begin to plan for future projects, we have been meeting with conservation professionals who have been sharing their expertise and experience with us and will continue this in the coming year to set up criteria and priorities in determining the most important areas for conservation.

The Commission will sponsor a non-binding warrant article for town meeting 2000 in support of the Land and Community Heritage Investment Program (LCHIP) that will be voted on in the state's 2000 legislative session. It will establish a permanent program of investing in open space, natural resources and cultural resources to preserve the sense of place that New Hampshire means to us and is now under threat. Under LCHIP, the state will fund 60% of the costs with 40% coming from local sources - half of that in cash. It is easy to see how much more we could accomplish under this program if it passes. Nelson will join 100 other towns in an effort to show how important we feel this legislation is in protecting the future of our state.

Bud French - Chairman, Norman Barres, Barbara Fraser,  
Susan Weaver, Bert Wingerson, John B. Wright

## ARCHIVIST'S REPORT

The long awaited grant from the State of New Hampshire's program to preserve vital records finally arrived at the end of the year. While it falls short of what was requested it will improve storage conditions of vital records and historical documents kept on the second floor of the Old Brick Schoolhouse in terms of temperature and humidity control, new storage shelves, and archival quality folders and cartons. In addition, two volumes of early records, one from 1751 to 1802 and the other from 1826 to 1853, will be sent in January 2000 to the Brown's River Company for deacidification and rebinding. They will also be microfilmed at that time to protect the older records from extra wear.

Once the archive room has been readied for use, the new shelving will be set up and the records and documents will be organized for easier access. Appointments for using the archival records for research can then be made through the town archivist or the town clerk.

If you have old photographs, maps, records, or any documents concerning Nelson's history, they would be a welcome addition to the present archives. Do you have any copies of the early *Grapevine* or *Grapevine-2* or the *Newsletter* published in the 80's covering Nelson and Harrisville to contribute? Please call me.

Bert Wingerson, Town Archivist

## CEMETERY BOARD REPORT

During 1999, the three units of the Nelson Cemetery were maintained with mowing, hedge trimming, stonewall repair, headstone straightening, leaf raking, painting of the gates, and graveling the interior roads as needed.

The interior road from the gate of Section 2 to the entrance to the old cemetery was surveyed to reestablish the road according to the official cemetery map. Over the years, the original road was overgrown and disappeared. It will be resurfaced with gravel next year.

On Halloween night, the stone gate pillar at the entrance to the Section 2 cemetery was toppled in an act of vandalism. It will be reset next year.

The Rules and Regulations of the Nelson Cemetery were adopted in October after they had been circulated for comments for more than 10 months. The rules were drafted for the benefit of the community and the burials lot owners. Copies will be available from Bert Wingerson or the Town Clerk in 2000. Please note that it has long been our policy that no glass containers be placed in the cemetery for safety reasons.

There were 9 burials during the year, 7 of which were cremains. One burial lot was sold during the year.

The Nelson Boy Scouts helped with the leaf raking which, as always, is greatly appreciated.

Al Struthers, Cemetery Sexton  
Bert Wingerson - Chairman, Win French, Ron Ferguson

## FIRE CHIEF'S REPORT

As I have mentioned over the past five (5) or so years during each town meeting when the article for capital funding was brought up, our goal is to purchase a new fire truck at the 2000 town meeting. The article is on the warrant this year for the truck with an amount of \$165,000. We will be withdrawing a majority of this amount from the capital reserve fund. For the past 8 months we have had a truck committee meeting on a regular basis to develop the specification and get cost estimates to allow us to present to you this request. We have utilized NFPA 1901, *Standard for Automotive Fire Apparatus* to come up with this specification. We have also reviewed other department's equipment, dealt with a couple manufacturers and received a preliminary cost estimate on a unit that meets our specification. Naturally, if approved, this will be going out to bid.

We are requesting your support with this purchase. Our present fire truck of this type was purchased back in 1969. It has been over thirty (30) years since the town has purchased a vehicle such as this. A lot has changed since then with improvements in design and technology of fire trucks. The specification has provided for increased pump capacity (1250gpm), increased water capacity (minimum of 1,000 gals.), increased compartment space to carry more tools and equipment, spot chains and a foam system for improved fire suppression. Our overall goal has been with cost in mind and what the town needs. With a first line piece of equipment that we have specified, the town will readily see another thirty years. We need and are asking for your support for this purchase.

We are still in the process of obtaining the two additional SCBA's asked for at last town meeting. Our vendor had difficulty delivering so we are seeking another one. Purchase should happen during the spring of this new year.

We continue to look for individuals who are interested in being an EMT (Emergency Medical Technician). We lost one EMT this past year and presently have two people being trained. We manage with a couple of First Responders, but we are always in need for adding people in this area to provide a better service to the town. The department will pay for the training and will support the individuals in their activities. Anyone interested should contact the fire department.

This year has seen us add a couple of new fire fighters to the department. We continue to see a decline in volunteers who want to be involved with the fire service. It is always refreshing to have a few new members join. More are always welcome.

Local town activities, especially Old Home Day have been supported with everyone enjoying the water ball fight in Mackenzie's field. Additional support is provided by means of inspections, burning permits, and fire code regulation support. Total number of calls is 20, down from last years 29, but a slight increase is seen with the rescue calls.

## FIRE CHIEF'S REPORT (cont'd)

Remember, to minimize chimney fires, we suggest to everyone that uses a wood stove to have their chimney cleaned frequently and to inspect them on a regular basis during the heating season. Also, burn dry, seasoned wood to minimize creosote build-up in the chimney.

I would like to again thank all the active members for their continued effort and support.

Remember, to report a fire or other emergency, **DIAL 911 or 352-1100.**

Respectfully, Rick Lothrop, Fire Chief

## FIRE PERMITS

As stated in New Hampshire state law (RSA 224:2713), "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material, except when the ground is covered with snow, *without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.*

Burning may be done before 9 am or after 5 pm. If it is necessary to burn during the day for commercial purposes, a special permit is required from the state Forest Ranger. It is also possible to burn during the day if it is raining, however, a written permit is still required. Written permission is required if an individual wishes to burn on land belonging to someone else, as well. If individuals wish to burn in an incinerator, a seasonal permit may be issued, but the burning must still be done before 9 am or after 5 pm. In Nelson, there is no charge for these permits at this time.

Permits may be obtained from:

Bob West	Murdough Hill Rd	547-9759
Rick Lothrop	Murdough Hill Rd	847-9045
Charlie Lang	Murdough Hill Rd	847-3277
Bud French	Old Stoddard Rd	847-9995

<b>Total Calls</b>	<b>195</b>	<b>185</b>	<b>127</b>

First, I would like to thank all the citizens and employees of Nelson in helping me in my first year as Police Chief. It has been a great experience. As you all know, this is a wonderful area to live in, and we are blessed with what I consider minimal crime problems.

There are a couple of areas I would ask everyone to assist the Police Department with. First, there were several burglaries at Nubanusit Lake this summer. I doubt they could have been prevented, but let's try to look out for our neighbor a little more. The cottages with alarms have not had any problems. Additionally, Community Watch can be very effective. Second, let's try and provide the youth with some alternatives to just hanging out unsupervised all summer and extended holiday periods. I once read a fortune cookie that stated, "Idleness is the holiday of fools". Let's try to keep them occupied doing some interesting activities.

The Dodge Durango police vehicle has continued to do an excellent job. It should last a long time.

**If you need assistance, Call 911**

Rick Lewis, Police Chief

## THE NELSON ARTISTS' CO-OP REPORT

The Nelson Artists' Co-op opened up for its third season in June of 1999. We now sell and/or exhibit the work of over forty local artisans on a regular basis. Due to a shortage of volunteer help, however, we were only open on Saturdays this year. We're hopeful to be open both Saturdays and Sundays next season if more volunteers come on board.

Membership dues and community support, or both time and money are critical to help cover the operating expenses and daily jobs of running the gallery. We want to thank everyone who contributed this year, and especially want to thank those who put in many extra hours, most notably, Sylvia Gleason, who was our star gallery sitter this season!

Artists who were represented at the gallery this year are as follows: Joe Anderson, David Beffa-Negrini, Lisa and Diane Cartier, Martha Collins, Liza Constable, Reed and Apryl Desrosier, Mamie Frances, Sienna and Abbey Giffin, Toni Gleason, Miriam Goodman, Peter Harrison, Nat Hewitt, Alouette Iselin, Loren Jones, Sue Kingsbury, Jane Kirk, Wendy Klemperer, Paul Klemperer, Ladies Aid Crafters, Anne McCune, Mario Meneses, Daryl Miner, Josephine Murdough, Carole and Jean Newcomb, Emily Osherson, Packersfield Club, Bill Riley, Barney and Nancy Quigley, Betty Ripley, Floppy Tolman, the late Francis W.P. Tolman, Frankie Brackley Tolman, Gwyneth Tolman, Harvey, Tolman, Karen Tolman, Ron Trudelle, Susan Turner, and Susan Weaver.

Next season we hope to open the gallery to a featured neighboring-town guest-artist's corner every couple of weeks - in order to keep some "movement" in our exhibits and in order to keep people coming back for a visit. Call us if you'd like to help with this or with any other aspect of the Co-op project. We're open to all ideas and suggestions.

This year, long-time friend of Nelson, Harriet LeSourd Wise, offered to reproduce two wonderful 1952 watercolor paintings of her late mother, Barbara LeSourd. Barbara LeSourd spent over twenty summers with her family in Nelson at Tolman Pond. Her two paintings were reproduced for sale, one of Nelson Village and one of Harrisville, as a fundraiser for the gallery. In limited edition, they are reproduced through computer technology on archival watercolor paper. They look absolutely lovely, and in the short time we had them for sale before the gallery shut down for the season, we sold over half of them! So get your order in now, before next summer, when we'll be certain to sell the rest of them. We hope to duplicate this fund-raising event with the work of another "late" Nelson artist next holiday season. So, start your collection now.

We wish to thank the people of Nelson for the wonderful opportunity to share our artistic endeavors with each other. The "old library" building is a perfect place to do this. We hope you'll be brave and bring some of your work in to share with the rest of the community. Remember that it doesn't have to be for sale!

Co-op Organizers: Karen Tolman, Sienna Merrifield Giffin, Frankie Brackley Tolman and Martha Collins

## LIBRARIAN'S REPORT

The Olivia Rodham Memorial Library continues to have a high attendance each day. Patrons using the library, throughout the year, numbered 3,630, an increase of 382 from 1998. Library programs, in conjunction with book circulation, the use of the periodical corner, and computer access, contribute to the active environment of the library. The librarians, with the consistent help of volunteers, have developed a routine that has established a companionable library environment.

The library connection to the Internet may be used by library patrons for information and e-mail access. The library homepage [www.top.monad.net/~oliviav](http://www.top.monad.net/~oliviav), has web pages about library history, Trustees of the Library, library programs and procedures and a link to a web page with useful connections to the Internet. You may write email to the library via the homepage or using the address [oliviav@monad.net](mailto:oliviav@monad.net). This year a technology plan was developed and accepted by the New Hampshire State Library.

Story hour takes place every Wednesday after school. This school year we are reading chapter books during story hour. Our first book was The Fire-maker's Daughter by Philip Pullman and the second was The Phoenix and the Carpet by E. Nesbit. Every week eight to a dozen children attend to hear the next chapters. Summertime continues our tradition of the summer reading program, created this year by the librarian, volunteer Pam Tolman and poster making by the Nelson School children. The posters depicted the solar system through which a reader could travel to another planet with each book completed. Many kids attended the two costume parties and participated in the reading portion of the program, reading 178 books. The Friends of the Library hosted the costume parties at which an array of book characters attended to share stories and refreshments. Children completing the program received Toadstool gift certificates from the Friends of the Library.

Another summer tradition is the book sale on Old Home Day, hosted by the Friends of the Library. This year was a success. Thank you to everyone who donated books, tapes, CDs and videos. You all made it possible to buy \$500 worth of books for the general library collection (to be purchased in the year 2000) and another \$500 for the juvenile collection in the library. The juvenile collection was expanded with Newbery Award Winners and favorites and improved with the replacement of several worn volumes. Donations of books can be dropped off at the library throughout the year, and especially needed is the donation of time; before, during and after Old Home Day to organize the sale. The Friends of the Library hosted the Annual Friends meeting held in August.

The other donations we appreciate are the current (only the present month please) periodicals that are dropped in our box. The periodical reading corner has two comfortable reading chairs to sit in and peruse our large selection of 35 monthly magazines.

## LIBRARIAN'S REPORT (Cont'd)

The Trustees during most of 1999 were Sandy Mackenzie, Toni Gleason, Lee Trudelle, Dave Upton and Donna Kidd. There were 10 meetings of the Library Trustees this year.

This year the volunteer hours totaled 360 hours. The following list includes most of the volunteers. If I have forgotten anyone, we thank you.

*Volunteers giving hours weekly* - Pamela Tolman, Susan Garland, Ruth Hooper, Betsy Street

*Occasional Volunteers* - Kathy Schillemat, Denise Kearns, Julie Rohr, Sara Sousa, Sandy, Johanna, Cameron, and Eleanor Mackenzie, Finn Hewitt, Haleigh Rohr, Mary Guilbert, Lisa Cartier, Eddie and Brian Warner, Andrew Heneghan, Mary Cornog, Sarah Murphy, Jessica Gibson, Alex and Oliver Mednick

*Community Service* - the Nelson School made us a waste paper basket and the summer reading posters.

*Story hour program leader (winter of 1999)* - Sienna Giffin.

*Occasional story hour helpers* - Libby deMartelly, Kathy Mullen and Jordon Ambridge.

*Flowers* - Libby deMartelly, Pamela Tolman, Beth Williams.

*Displays* - Jerry Geoffrey, Andrew Tuttle, Terry Mednick, Floppy Tolman.

*Computer Maintenance* - Terry Mednick.

*Recycling* - Kathy Mullen

# GRANITE LAKE VILLAGE DISTRICT REPORT

The annual meeting of the Granite Lake Village District commenced at approximately 1:00pm, July 11, 1999 in order to vote on the following articles.

Article 1. To choose one commissioner, David Knight, for a term of three years, and to see whether the inhabitants of the district will elect for the offices of Clerk, Sally Ripley; Moderator, John Halter; Treasurer, Tom Yocono, each for a one year term. The motion to accept as read was appropriately moved and seconded. The vote was affirmative.

Article 2. To see if the district will vote to authorize the commissioners to borrow in anticipation of taxes. The vote was appropriately moved and seconded. The vote was affirmative.

Article 3. To see if the district will vote to raise the sum of \$500.00 to defray village district expenses for the ensuing year and make appropriations of same. The motion was appropriately moved and seconded. The vote was affirmative.

Article 4. To see if the district will raise and appropriate the sum of \$1000.00 to purchase liability insurance to cover the district. The motion was appropriately moved and seconded. The vote was affirmative.

Article 5. To see if the district will raise and appropriate the sum of \$500.00 to add to the capital reserve fund for dam maintenance and repair. The motion was appropriately moved and seconded. The vote was affirmative.

Article 6. To see if the district will accept funds from the Granite Lake Association and from any other source for the purpose of maintaining, repairing, and replacing the dam. The motion was appropriately moved and seconded. The vote was affirmative.

Article 7. To see if the district will schedule its annual meeting directly following the Granite Lake Association annual meeting in July, 2000. The motion was appropriately moved and seconded. The vote was affirmative.

Article 8. To see if the district will vote to place the sum of \$4000.00 now in the capital reserve fund into a certificate of deposit. The motion was appropriately moved and seconded. The vote was affirmative.

A move to adjourn was appropriately moved and seconded. The vote was affirmative and the meeting adjourned at approximately 1:20 pm.

Respectfully, Sally Ripley, clerk

## MEMORIAL DAY CEREMONY REPORT

The Nelson Memorial Day Ceremony was held on Sunday May 30th at noon. The Nelson Town Band played patriotic and marching selections as people of all ages gathered in the village to honor our Veterans. Nelson's very own Veterans, Winston H. French, Ruth (Farwell) Hooper and William A. Riley headed up the parade. They lead the band, Scouts, fire truck and spectators around the common, many of whom carried and waved American Flags. The parade halted in front of each War Memorial Monument, as Scouts presented geraniums. The parade then proceeded to march up the hill to the Nelson Village Cemetery. There the Scouts placed geraniums at each of the Veterans graves, as the band played "America the Beautiful." Reverend Robert Borden offered words in memory and honor of the men and women who have served our country. The band played "The Star Spangle Banner," followed by a rifle salute and Taps. The ceremonies ended with the parade marching back down to the village.

## OLD HOME WEEK REPORT

The 121st Nelson Old Home Week was celebrated beginning Sunday, August 8th through Saturday, August 14th.

The many events that took place were:

Old Home Sunday Worship Service at the Nelson Congregational Church  
Monday Night Contra Dance  
Nelson Ladies' Aid Summer Sale and Luncheon  
Apple Hill Evening Concert  
Packersfield Ham & Bean Supper  
Monadnock Music Concert  
Olivia Rodham Memorial Library Summer Reading Program Costume Party

Saturday began with an overcast morning but that didn't damper the attendance for the games that began with the ever-popular Frog Jumping Contest. As noon approached, the sun began to shine. Everyone gathered on the church lawn with their chicken BBQ dinners or picnic lunches to enjoy the sounds of the Nelson Town Band. Following the band, awards were presented for the games and our speaker, Colonel Tom Henricks, a retired astronaut, was introduced. Colonel Henricks logged over 1,000 hours aboard the space shuttle in four missions. He gave us a personal view of his experiences with the space program and answered many questions. The afternoon activities continued with the fire department's waterball contest, the softball game at Eagle Field and the evening dance at the Town Hall with music provided by the *Blaudschun Boyz*. The weeklong celebrations were well attended and were a great success. The committee wishes to thank all the many individuals and organizations who contributed to the wonderful celebration of the 121st Nelson Old Home Week.

Nelson Old Home Week Committee

# OLD BRICK SCHOOLHOUSE RENOVATION REPORT

Two consecutive committees have worked diligently to study and plan for the necessary changes needed to bring the Town Offices up to ADA (Americans with Disabilities Act) codes. Their jobs were complicated by the fact that our offices are located in the 1846 Old Brick Schoolhouse, which is a historical treasure in our town. In making changes to meet ADA standards, it was also necessary to address various and sundry other laws and codes while trying to maintain the integrity of this building. Efforts to keep finances in check prompted using a phase-in approach that would spread the cost over a number of years and looking into the possibility of getting a matching funds grant. Unfortunately, the latter proved futile. The committees have sought the advice of the New Hampshire Municipal Association, the Governor's Commission on Disabilities, the Office of State Planning, the Nelson Fire Chief, architect and contractors as well as the town residents in a Public Informational Meeting.

At the last Town Meeting, money was appropriated for the building of a ramp to the front door as suggested by the first committee. This has been done with a cobblestone effect to fit in nicely with the old brick building's quaint, historic appearance as Phase I of the project. The required size of the platform made the job go \$200 over budget, but the Selectmen were able to use other funds to cover this expense. Also at the Town Meeting, money was appropriated for architectural consultation. This has taken a bit longer to complete as we are looking for the best way to preserve the integrity of the building while meeting Life Safety Codes.

Phase II of the project involves moving the offices to the first floor using pre-wired, sound-absorbing, movable partitions to separate the offices; turning the kitchen into a privacy conference area with a convenience kitchen at one end; constructing a 1 hour fire-rated enclosure for the furnace; making the restroom handicap accessible; and properly converting the 2 egresses to meet Life Safety Codes.

Respectfully submitted, Vangie McCormick, Committee Recording Secretary

# TOWN CLERK AND TAX COLLECTOR'S REPORT

<u>Transaction</u>	<u>Number</u>	<u>Receipts</u>
Vehicle Registrations	834	\$81,073.00
Titles	142	288.00
Dog licenses	168	1,145.00
Dog licensing penalties	45	80.00
Vicious dog offense	1	100.00
Marriage licenses	3	135.00
Research/copy Vital Records	8	86.00
UCC statements	10	150.00
Misc: copies, fax, filing fees	9	174.00
Rabies Clinic	<u>1</u>	<u>264.00</u>
Total	1220	\$83,495.00

This past year was an eventful year. Once the tax liens were completed on the 1998 levy, it was time to send out the 1<sup>st</sup> Issue Tax bills using our new tax records software, Business Management Systems, Inc., or BMSI. The billing went without a hitch, and the record keeping provided by the use of a computerized system is proving to be a time-saver.

Lee Trudelle stepped down as deputy Town Clerk shortly after Town Meeting. I extend a warm thank-you to Lee for all her help and support during the short time we worked together. Thanks very much, Lee.

In June Kathy Schillemat was appointed Deputy Town Clerk/Tax Collector. Kathy does a great job, and is an asset to have around the office. Kathy works 4 hours a week to keep up with the knowledge required to do both jobs, and to be able to step in when necessary. My hours are fewer as a result.

I received a full scholarship to attend the joint Town Clerk/Tax Collector Certification Program held this past July at UNH. This is the first of a four-year program, requiring one week of classes per year to obtain certification through the two Associations. Each year more towns are making this certification process a requirement for Town Clerks and Tax Collectors. I found the week stimulating, informative, and even had some fun.

In the fall, I attended the annual Tax Collector's Convention and the annual Town Clerk's Convention. Both had seminars, which were intense and informative.

The Claremont Issue remained in the forefront throughout the fall, and provided some very lively discussions! As you are well aware, 2<sup>nd</sup> Issue Tax bills were later than usual, due in whole to the Claremont Issue. No doubt the next few years before expiration of the present bill discussion will remain lively as our legislators work to come up with a reasonable solution.

The Vital Records preservation and storage project remains underway. This project should be completed during the first half of 2000.

Boat Agent and Municipal Agent status are both goals to pursue in the near future, and I look forward to the New Year with enthusiasm. Thank you.

Teri Upton, Town Clerk and Tax Collector

Residents who have a birth, marriage, or death in their family, must make sure that NELSON is listed as their town of legal residence (do not use your mailing address). This is necessary to ensure that documents are sent to this office for accurate record keeping of our Vital Records.

Theresa M. Upton, Town Clerk

## 1999 TOWN MEETING MINUTES

Moderator Ethan Tolman called the meeting to order at 12:00 pm on Tuesday March 9, 1999. It was a beautiful day with cool temperatures and the sun shined from the deep blue skies without a cloud in sight. Moderator Tolman read Article #1 *To choose necessary Town Officers for the year ensuing*". It was moved, seconded and passed by voice vote. A motion was made to waive the reading of the rest of the warrant until start of the business meeting that evening at 7:00pm. The motion was moved, seconded and passed by voice vote. The polls were declared open and the voting began.

Results of Article #1, the election of officers, were as follows:

Selectman	Michael French
Tax Collector	Theresa Upton
Road Agent	Bruce Warner
Police Officer	Richard Lewis
Sexton	George Warner, Sr.
Fire Chief	Richard Lothrop
Town Clerk	Theresa Upton
Treasurer	Terry Mednick
Library Trustee	David Upton
Auditor	Richard Lothrop
Moderator	Ethan Tolman
Emergency Mgt Officer	Richard Lothrop
Trustee of Trust Funds	Theresa Upton
Road Equipment Comm.	Barry Tolman
Planning Board (3 yr)	Julia Rohr
Planning Board (1 yr)	Helen McCormick
Zoning Board of Adjustment	Robert Germeroth & Kim Rich

### ARTICLES OF A GENERAL NATURE

Moderator Tolman called the meeting to order at 7:05 pm, a motion to defer the reading of the warrant was moved, seconded and passed by voice vote. To officially open the meeting, Nelson Boy Scout Troop 530 presented the colors. There was a recommendation from the floor to have a PA system available for next year so that those who are hearing impaired can hear all the announcements and discussions of the meeting.

2. *To see if the town will vote to raise and appropriate the sum of \$116,138 to defray town charges for the year ensuing. (The 1998 appropriation was \$103,325.)* The Moderator recognized Selectman Michael French who went on to explain the article. Rick Lothrop brought to the Moderator's attention that the article needs to be moved and seconded. It was moved and seconded to accept the article as read. Selectman French continued his explanation of the article. The article includes cost of living raises for town employees, some merit raises, increase of hours to 40 for the Administrative Assistant's position, some new chairs for the town hall, and some revaluation costs. The Article passed by voice vote.

1999 TOWN MEETING MINUTES (Cont'd)

3. *To see if the Town will vote to raise and appropriate the sum of \$320 to cover the cost of finishing the survey work in the newer section of the original Nelson cemetery.* It was moved and seconded to accept the article as read. The article passed by voice vote.

4. *To see if the Town will vote to raise and appropriate the sum of \$28,066 for a town-wide revaluation and authorize the withdrawal of the balance, plus interest, from the Revaluation Capital Reserve Fund for this purpose. The remaining amount shall be raised from taxes. The Selectmen recommend this appropriation. (The fund balance on 12/31/98 was \$15,706.28).* It was moved and seconded to accept the article as read. Selectman French explained what was included in this article, the actual direct cost of the revaluation, new computer and printer, an additional phone line, and monies to hire our current appraiser as a consultant during the revaluation. He went on to give an example to show the need for a revaluation to correct the disparities in assessments. Many questions were asked on the process of a revaluation and much discussion continued. Russ Thomas made a motion to call for the vote. Moderator Tolman called for the vote on the motion. The Moderator was unclear with the results of the voice vote and asked Russ Thomas if he wanted to withdraw his motion and he did. Discussion continued. Ray Huber made a motion for a standing vote. It was moved and seconded. Moderator Tolman called upon John Bunce, Jim Jarvela, Bob Jones and Russ Thomas as ballot tellers. The Article passed by standing vote: YES=105, NO=31.

Moderator Tolman closed the polls at 8:20pm.

5. *To see if the Town will vote to raise and appropriate the sum of \$5000 to be added to the Revaluation Capital Reserve Fund, it being understood that if Article 4 is approved by the Town, this article should not be funded. The Selectmen recommend this appropriation. (The 1998 appropriation was \$5000. The fund balance on 12/31/98 was \$15,706.28).* A motion to pass over was moved and seconded. The Article was passed over by voice vote.

6. *To see if the Town will vote to raise and appropriate the sum of \$13,637 for support of the Town Library. (The 1998 appropriation was \$13,235).* It was moved and seconded to be accepted as read. David Upton, Library Trustee, asked to speak to the motion. He explained that the budget is basically the same with the exception of salary increases. He also wanted the meeting to know that Dot French retired as a lifetime Library Trustee this past year, after over 30 years of service. The meeting gave a loud round of applause. The Article passed by voice vote.

7. *To see if the Town will vote to amend the articles of conveyance of the Olivia Rodham Memorial Library, adopted by the Town, July 7, 1926, as follows:*

*to replace the section which reads*

*That the Town will provide by vote or by law or both however it may be necessary so to do that the control and government of the Library and the real estate shall be permanently vested in a board of trustees (6) six in number three of whom shall be permanent trustees appointed by the donors at the time of conveyance from among the resident taxpayers of the Town of Nelson and the other three shall be elected by the Town. Vacancies shall only be occasioned by death, removal from the Town or resignation. There shall in no case be a number of trustees elected by the Town in excess of the permanent trustees.*

*with the following:*

*Control and government of the Library shall be vested in a board of trustees (5) five in number, all of whom shall be elected by the Town. That the term of office of each trustee shall be three years, and that elections shall be held on a rotating basis with two positions being filled the first year, two the second, and one the third.*

*Note: Should this Article be adopted, the election process described above would begin with the election of Town officers at Town Meeting in the year 2000. The first two positions to be elected would be the position of the elected trustee whose term is expiring and the position of the longest serving permanent trustee, positions elected the second year would be those of the two remaining permanent trustees, and the position filled the third year would be the position of the trustee elected at Town Meeting, 1999. (A ballot vote required) It was moved and seconded to accept the article as read. Dave Upton explained that this is essentially a change in bylaws. The Article passed by written ballot: YES=102, NO=2*

Moderator Tolman took this time to ask the meeting for a moment of silence for the following residents who have passed away this past year: Nory Putzel, Frances Tolman and Celia Wiechert.

He went on to explain a method to speed up the process of taking a written ballot, and that he would like to try to implement the process next year.

He now recognized Selectman David Birchenough who gave an update to the E911 maps, road names and house numbers. The Bureau of Emergency Communication is working on them. We should have everything by the summer of 2000.

8. *To see if the Town will vote to raise and appropriate the sum of \$1,607 in support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health Care (\$550), Monadnock Family Services (\$557) and The Keene Community Kitchen, Inc. (\$500). (In 1998, these agencies were voted to receive contributions from the Town in the same amounts as stated above.) It was moved and seconded to accept the article as read. The Article passed by voice vote.*

## 1999 TOWN MEETING MINUTES (Cont'd)

9. *To see if the Town will vote to raise and appropriate the sum of \$2000 to be added to the Town Buildings Capital Reserve Fund. No withdrawals may be made from the fund except by vote of the Town. The Selectmen recommend this appropriation. (The 1998 appropriation was \$1. The fund balance on 12/31/98 was \$960.39)* It was moved and seconded to accept the article as read. The Article passed by voice vote.

10. *To see if the Town will vote to raise and appropriate the sum of \$5000 for an Architectural Review of the Old Brick Schoolhouse so that the building can be brought up to Americans with Disabilities Act (ADA) Requirements, NH Life Safety, and NH Labor Administrative Rules. The intent is to bring a plan to Town Meeting in March of 2000 for discussion.* It was moved and seconded to be accepted as read. Many questions were asked. Selectman Jane Kirk explained that this money will be spent on hiring an architect to work with a committee to bring forth recommendation to the town on what needs to be done to the building and yet to preserve the historical aspects of the building. Dutch Gerbis explained he asked an architect for a quote that would meet our objectives. This would basically get us a plan so we can go forward. Rick Lothrop spoke to the importance of getting started on this, as we are presently in violation and could be fined for not being in compliance. The Article passed by voice vote.

11. *To see if the Town will vote to raise and appropriate the sum of \$2,500 to construct a handicap ramp, install approved hardware, and re-hang the front door to open outward. This would be considered Step 1 of bringing the Old Brick Schoolhouse up to Code Requirements.* It was moved and seconded to be accepted as read. The Selectmen do not recommend this article until the architect study is done. Dutch Gerbis, a member of the ad hoc committee, spoke in favor of this article as a good faith gesture. This is phase one of the recommendation that the ad hoc committee made. Vangie McCormick, also a committee member, offered that this shows good faith in a physical gesture and it could be years before an approved plan and funding before a project was started. The Article passed by voice vote.

12. *To see if the Town will vote to raise and appropriate the sum of \$3,500 to replace or repair the existing furnace in Town Hall.* It was moved and seconded to be accepted as read. The Article passed by voice vote.

13. *To see if the Town will vote to raise and appropriate the sum of \$9,500 for repairs to the Town Barn.* It was moved and seconded to be accepted as read. Road Agent Bud French explained the repairs. In the main barn, the carrier over the door has dropped and will need to be stripped down and a new header put in; the sills on the west side need replacement, and last, a new roof on the old town barn. The prices were figured with work done in house with labor from town forces with the exception of the cement work. The Article passed by voice vote.

### ARTICLES DEALING WITH PLANNING & ZONING

14. *To see if the Town will vote to raise and appropriate the sum of \$627 for dues to belong to the southwest Regional Planning Commission. (The 1998 appropriation was \$622.)* It was moved and seconded to be accepted as read. The Article passed by voice vote.

ARTICLES DEALING WITH SERVICE AND PROTECTION

15. *To see if the Town will vote to raise and appropriate the sum of \$3,500 as a subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. (The appropriation for 1998 was \$3,500.)* It was moved and seconded to accept the article as read. The Article passed by voice vote.

16. *To see if the Town will vote to raise and appropriate the sum of \$6,500 for the proper expenses of the Police Department. (The 1998 appropriation was \$6,500.)* It was moved and seconded to accept the article as read. The Article passed by voice vote.

17. *To see if the Town will vote to raise and appropriate the sum of \$7,375 for the second year's payment for the police vehicle.* It was moved and seconded to accept the article as read. The Article passed by voice vote.

18. *To see if the Town will vote to raise and appropriate the sum of \$1 to be added to the Police Equipment Capital Reserve Fund, it being understood that no withdrawals may be made from the fund except by vote of the Town. (The 1998 appropriation was \$100. The fund balance on 12/31/98 was \$396.86.)* It was moved and seconded to be accepted as read. The Article passed by voice vote.

19. *To see if the Town will vote to raise and appropriate the sum of \$8,500 for the proper expenses of the Fire Department and Rescue Squad. (The 1998 appropriation was \$5,500).* It was moved and seconded to accept the article as read. Fire Chief Rick Lothrop explained the increase due to insurance deductibles and we've had a couple of involved fires and this leads to us having to replenish some of the extinguishing supplies. The Article passed by voice vote.

20. *To see if the Town will vote to raise and appropriate the sum of \$4,500 for two Self-Contained Breathing Apparatus units to replace the older units now in use. (A similar article was passed in 1997 and 1998.)* It was moved and seconded to be accepted as read. Chief Lothrop offered that the department presently has 4 units and these are the last 2 that needs to be replaced until they need to be updated in about 10 years. The Article passed by voice vote.

21. *To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Fire Equipment Capital Reserve Fund, it being understood that no withdrawals may be made from the fund except by vote of the Town and upon recommendation of the Fire Department. The Selectmen recommend this appropriation. (The 1998 appropriation was \$10,000. The fund balance on 12/31/98 was \$99,114.74).* It was moved and seconded to accept the article as read. Chief Lothrop explained the department's plan to bring forth an article next year for a new vehicle. The department will be forming a committee to come up with specifications for a vehicle and the price will be somewhere around \$100,000 to \$150,000. The Article passed by voice vote.

## 1999 TOWN MEETING MINUTES (Cont'd)

### ARTICLES DEALING WITH ROADS

22. *To see if the Town will vote to raise and appropriate the sum of \$150,000 for our highway budget. (This sum includes \$137,000 for general highway expenses and labor in the maintenance of the Town's roads and bridges and \$13,000 for maintenance of the contested sections of old Route 9.) (The 1998 appropriation was \$144,000.)* It was moved and seconded to be accepted as read. The Article passed by voice vote.
23. *To see if the Town will vote to raise and appropriate the sum of \$8,365 for the second year's payment for the highway one ton dump truck.* It was moved and seconded to be accepted as read. The Article passed by voice vote.
24. *To see if the Town will vote to raise and appropriate the sum of \$12,000 for necessary paving & sealing projects. Labor for this project shall be paid from the general highway budget (article 22).* It was moved and seconded to be accepted as read. Road Agent Bud French explained this article is part of a rotation for maintenance of our paved roads so they don't deteriorate. This year's work is for sealing from the corner of Center Pond Rd and Henderson Rd towards Warner's, and paving the north section of Murdough Hill Road. The Article passed by voice vote.
25. *To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the Town and upon recommendation of the Road Equipment Committee. (The 1998 appropriation was \$1. The fund balance on 12/31/98 was \$16,233.66.)* It was moved and seconded to accept the article as read. The question was asked what equipment would be purchased next. Road Agent French responded by asking the voters to refer to page 23 of their town report which shows a table of the highway equipment, its use, current value, years of useful life remaining, current replacement cost, and ideal life expectancy. The Article passed by voice vote.
26. *To see if the Town will vote to raise and appropriate up to the sum of \$10,000 and authorize its withdrawal from the Road Equipment Capital Reserve Fund for the purchase and modification of a used vehicle, in accordance with the highway equipment replacement schedule. This appropriation shall be non-lapsing until the day of Town Meeting in 2000. The Road Equipment Committee (which includes the Selectmen) recommends this appropriation.* It was moved and seconded to be accepted as read. Selectman French explained this has been on the warrant for several years and gives the town the opportunity to purchase a piece of equipment between town meetings, if the need arises. The Article passed by voice vote.

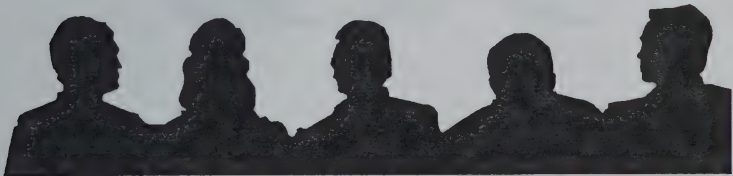

## OTHER ARTICLES

27. *To transact any other business or discuss other warrant proposals as may legally be brought before the meeting.* Selectman Birchenough recognized Dutch Gerbis as he is retiring after 4 years as Town Treasurer. A loud round of applause followed in appreciation for his contribution to the town. Selectman Kirk stood to recognize Evan Laughlin, a marvelous young artist who created the cover the 1998 Town Report. Selectman Kirk presented Evan with a framed picture of the cover. She went on to recognize Win and Dot French for Win's 42 years of service as the town Sexton and Dot's 30 plus years as library trustee and their life long commitment to their community. She went on to say that the town wishes them the best in the future and may God's rich blessings be with the French family. The meeting gave a standing ovation to show their appreciation. Moderator Tolman recognized David Upton who read a resolution titled The Nelson Tax Plan Resolution, a guideline for NH State tax plan development. Dave then presented some graphs that support the resolution. After much discussion on the issues of fair taxation and many different opinions, a standing vote for adopting the resolution was called for. It was explained this is a non-binding vote but an expression of opinion. The resolution did not gain support with the results: YES=28, NO=31.

Julie Osherson announced that Packersfield is having their annual Out of the Woodworks concert and asked everyone to come and enjoy the entertainment and support the Packersfield Association.

The meeting adjourned at 10:10 pm. The counting of ballots began.

## COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

*Phillip G. McCormack, Ed.D.  
Superintendent of Schools*

# STATE OF NEW HAMPSHIRE

## SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 10th day of March, 2000, at 3:00 O'Clock in the afternoon to bring in your votes for the election of school district officers. The polls will open not later than 3:00 p.m., and will remain open for not less than five hours.

ARTICLE 1: To choose all necessary school district officers:

- A member of the school board for the ensuing three years
- A moderator for the ensuing year
- A clerk for the ensuing year
- A treasurer for the ensuing year from July 1, 2000

Given under our hands at said Nelson, this 9th day of February, 2000.

*Susan M. Peery, Chair*  
*Lewis E. Derby*  
*Kelly M. French*

## STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 10th day of March, 2000, at 7:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate as a deficit appropriation to cover unanticipated tuition/special education expenses for the fiscal year ending June 30, 2000, or to take any other action in relation thereto. *(The Nelson School Board recommends approval of the sum of \$50,000.00.)*

ARTICLE 3: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The Nelson School Board recommends approval of the sum of \$1,105,081.00.)*

ARTICLE 4: To see if the District will vote to raise and appropriate the sum of \$1.00 for deposit in the Capital Reserve Fund established by the voters of the District at the March, 1972 District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. *(The Nelson School Board recommends approval of this appropriation.)*

ARTICLE 5: To transact any other business which may legally come before this meeting.

Given under our hands at said Nelson, this 9th day of February, 2000.

## PLODZIK & SANDERSON

*Professional Association/Accountants & Auditors*

193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX-224-1380

### *INDEPENDENT AUDITOR'S REPORT*

To the Members of the School Board  
Nelson School District  
Nelson, New Hampshire

We have audited the accompanying general purpose financial statements of the Nelson School District as of and for the year ended June 30, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Nelson School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Nelson School District, as of June 30, 1999, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

The Unaudited Supplementary Information on page 15 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it. In addition, we do not provide assurance that the Nelson School District is or will become year 2000 compliant, the Nelson School District's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Nelson School District does business are or will become year 2000 compliant.

*Nelson School District  
Independent Auditor's Report*

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Nelson School District taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Nelson School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

**NELSON SCHOOL DISTRICT MEETING  
MARCH 5, 1999**

Moderator Ethan Tolman opened the polls at 3:00 p.m. at the Nelson Town Hall.

The meeting was called to order at 7:00 p.m. by Ethan Tolman, Moderator. He announced that the polls would remain open until 8:00 p.m. allowing five hours of open polls.

In attendance from the School Administrative Unit 29 were Phillip G. McCormack, Superintendent of Schools; Thomas J. Kane, Assistant Superintendent for Towns; and John Harper, Business Manager for Towns.

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

It was moved and seconded that the reports be accepted as printed in the town's annual report. The vote was called and the article passed without discussion.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The Nelson School Board recommends approval of the sum of \$975,723.00.)*

It was moved and seconded that the District raise and appropriate the sum of \$975,723.00 for this article. The Moderator recognized Susan Peery, who explained the proposed budget for the ensuing year. She explained changes in the Nelson School management team, which would include a lead teacher. This lead teacher would serve as a liaison with the parents and, as such, would receive an additional stipend. After some discussion, the Moderator called for the vote. The article passed by voice vote.

ARTICLE 3: To see if the District will vote to raise and appropriate the sum of \$5,000.00 for deposit in the Capital Reserve Fund established by the voters of the District at the March, 1972 District meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. *(The Nelson School Board recommends approval of this article.)*

It was moved and seconded that the sum of \$5,000.00 be raised and appropriated for this article. Lewis Derby explained that the Capital Reserve Fund was established to provide funds for repairs or changes to the Nelson School as they become necessary. After some discussion, the Moderator called for the vote. Article 3 passed by voice vote.

ARTICLE 4: To see if the District will vote to raise and appropriate the sum of \$6,000.00 to allow grades five and six students of Nelson School to attend environmental camp, or to take any action in relation thereto. *(The Nelson School Board recommends approval of this article.)*

It was moved and seconded that the sum of \$6,000.00 be raised and appropriated for this article. Susan Peery explained that the additional funds were needed because of the large number of students that would be attending environmental camp. After some discussion, the Moderator called for the vote and Article 4 passed by voice vote.

ARTICLE 5: To see if the town will vote to raise and appropriate the sum of \$3,200.00 to provide a late bus for Keene High School/Keene Middle School students. *(The Nelson School Board recommends approval of this article.)*

It was moved and seconded that the amount of \$3,200.00 be raised for this article. John B. Wright explained that the late bus was needed to allow time for students from Nelson to meet with teachers, attend the library, or participate in clubs. After much discussion, the Moderator called for the vote and Article 5 was defeated by voice vote.

ARTICLE 6: To see if the District will vote to create an expendable general fund trust under the provisions of R.S.A. 198:20-c to be known as the High School/Middle School Tuition Fund for the purpose of paying future year high school/middle school tuitions. Furthermore, to name the school board as agents to expend the principal and/or income therefrom for the purposes of the trust, and to appropriate up to \$20,000.00 to be placed into this fund, with such an amount to be funded from unencumbered surplus funds, if any, remaining on hand at the end of the fiscal year, June 30, 1999, or to take any action in relation thereto. *(The Nelson School Board recommends approval of this article.)*

It was moved and seconded that Article 6 be accepted as read. It was explained that passage of this article would allow surplus funds to be set aside and used as needed to provide additional monies for tuition costs at Keene Middle School/Keene High School in years when the enrollment is higher than normal or than anticipated. After some discussion, the Moderator called for the vote. Article 6 passed by voice vote.

ARTICLE 7: To transact any other business which may legally come before this meeting.

A resolution to honor John B. Wright for his years of service as School Board Member and Chairman of the School Board was read by Ethan Tolman. The text of said resolution is as follows:

WHEREAS, John B. Wright has served the School District of Nelson as a school board member for seven and one-half years, six of those years with distinction as Chairman, and faithfully attended the numerous meetings required of those roles; and,

WHEREAS, John B. Wright has conducted school board meetings in a gracious, fair, and open manner; and,

WHEREAS, John B. Wright's commitment to education has been evidenced by his willingness to talk with, and listen to community members to become better informed as to the needs and wants of the community; and,

WHEREAS, John B. Wright's knowledge of the Nelson School District budget has been evident in the thoroughness of his presentations to the public; and,

WHEREAS, John B. Wright is committed to the children of Nelson and his decisions have always been based on the effect of those decisions upon students; and,

WHEREAS, John B. Wright has been a loyal advocate for the teachers of Nelson School; and,

WHEREAS, John B. Wright has held high expectations for himself and other board members relative to the decision making and policy development process; and,

WHEREAS, John B. Wright's volunteer efforts reflect the community's pride and spirit at Nelson School; and,

WHEREAS, John B. Wright was instrumental in establishing Nelson School's technology advisory group, popularly known as the Computer Nerd Committee; and,

WHEREAS, John B. Wright's commitment to the students of Nelson enabled him to meet the challenges of the ever changing educational community and the special needs of all children; and,

WHEREAS, John B. Wright is experienced, knowledgeable and dedicated; he will be missed; now, therefore, be it

RESOLVED, that the voters of the School District of Nelson recognize John B. Wright's contribution to the children, the school, and the community by unanimously adopting this resolution as a lasting tribute to John B. Wright to be entered into the permanent records of the District.

THE NELSON SCHOOL DISTRICT

Following the reading of the resolution and a hardy round of applause, Moderator Ethan Tolman closed the polls. It was moved and seconded that the meeting be adjourned. Article 7 passed by voice vote and the meeting was adjourned at 8:00 p.m.

The ballots for officers were counted. Those elected to office were:

Moderator	Ethan Tolman
Treasurer	Hope Lothrop
School Board	Susan Peery
(3 years)	
Clerk	Katharine Schillemat

Kelly French and Glen Stan received the same amount of votes, thus it was decided that the winner be determined by coin toss. The coin toss occurred on Tuesday, March 9, 1999, at 6:30 p.m., at the Nelson Library. Ethan Tolman, Moderator, tossed the coin in the presence of the two candidates, with Katharine Schillemat, Clerk, to witness. The result was:

School Board	Kelly French
(2 years)	

Respectfully submitted,

*Katharine Schillemat*, Clerk  
Nelson School District

A True Copy Attest:

*Katharine Schillemat*

## ADMINISTRATIVE REPORT

Review of the past year indicates a very productive and successful year. The staff at Nelson School has remained focused on quality instruction, student learning, professional development, and a positive and safe learning environment. Student performance also reflects a successful year.

The staff has also worked well as a team to address issues related to curriculum, effective teaching strategies, management of the school, and school safety. As has become the norm at Nelson School, teachers have worked to revise the curriculum with respect to standards (i.e., what students should know and be able to do) arrived at locally, as well as on the state level. Curriculum was developed to enhance the school-wide thematic unit on New Hampshire and the study of United States geography. Continued assessment of the math curriculum is ongoing.

The commitment to quality instruction is reflected in the time and energy the teachers devote to professional training. All teachers have now undergone teaching effectiveness training. This SAU-wide initiative, Research for Better Teaching (RBT), is funded through a federal grant. The intent of the training is to expose teachers to current research on learning theory and effective teaching practices and methods. Several staff members have also participated in training in the Lindamood Bell Reading program. This training provides teachers with the knowledge to introduce a different approach to the learning of reading which will greatly assist some students' progress. Others have participated in training in the Responsive Classroom which has, as a focus, improved student behavior, respect for others, acceptance of differences, and acceptance of responsibility.

Continued emphasis on the responsive classroom reinforces the teachers' and school board's efforts to assess and, where necessary, respond to identified safety/security needs. Research has shown that time spent educating students about issues related to diversity, violence and conflict resolution has a positive impact on school climate or environment. Nelson teachers and students are also participating in an SAU-wide program entitled, "Second Step." This is a federally-funded (Safe and Drug Free Schools) program that focuses on teaching students how to interact in a socially appropriate manner without resulting to violence. In addition to the educational component of the district's approach to this issue, a security consultant was brought in to conduct a safety/security audit of the facility to assist the board in its efforts to assess safety needs as they relate to the physical facility.

Review of results generated from a variety of assessment criteria indicates that Nelson students performed very well at their respective level. Nelson School students performed well on the state testing program with results showing that the students, in general, achieved at a higher level than the state average. The third grade results indicate that 100 percent of Nelson's students are achieving at basic, proficient or advanced levels of proficiency in language arts and math (the only subjects tested at that level). Among sixth graders, 75 percent reached basic, proficient or advanced levels in language arts and math, while 63 percent achieved these levels in social studies and 38 percent in science. Nelson's students transitioning to Keene Middle School met with equal success. This is particularly true with regard to the percentage of Nelson's students taking high level math and French classes and the percentage of Nelson students receiving honor roll recognition. Hayley Newcombe, a Nelson seventh grader,

won the New Hampshire State Spelling Bee and went on to compete at the national level in Washington, DC. Nelson students attending Keene High School demonstrate an attendance rate that exceeds the average for the high school; a drop-out rate that is significantly lower than the high school average; an overall freshmen grade point average that exceeds the high school averages in social studies, world language, math and science; SAT scores that have improved over a three-year span and exceed the high school average in both math and verbal; and overall grade point averages (grades 9-12) that exceed the Keene High School averages in English, math, science, and social studies.

Nelson residents should be proud of their school and the performance of its students. Quality things are happening at Nelson School because of the commitment of the staff, the quality of programming that is in evidence, and the tremendous support from parents and community members. Community involvement and support remains a priority. Please take an opportunity to visit the school, to attend school board meetings and attend the annual district meeting on Friday, March 10, at 7:00 p.m.

*Phillip G. McCormack, Ed.D.  
Superintendent of Schools*

## STAFF REPORT

In the fall, 1999, Nelson School welcomed 64 students for another great year of discovery and learning. Our classrooms, teachers and other staff members were ready for them with renewed enthusiasm and energy for a new year.

The Nelson Staff continues to include five full-time teachers who also serve as the Nelson School Management Team. Amy Hathaway (K/R/1), Cynthia Benner (2/3), Nolan Kitfield (4/5), Melinda Belden (6), and Karen Almdale (Inclusion Teacher) work in conjunction with Phillip McCormack, Superintendent; Thomas Kane, Assistant Superintendent; and the Nelson School Board (Susan Peery, Lewis Derby, and Kelly French) to carry out the everyday workings of the school.

Beyond the classroom teachers, there is a group of specialists who work very hard to make Nelson School a successful place for each student. Hailey White returns as a classroom assistant in the K/R/1 classroom, Linda Lamothe as our art teacher, Paul Simpson as our physical education teacher, Trisha Jones as school nurse and health teacher, and Clyde Hutchins as custodian. New members of the Nelson staff are: Natalie Germeroth as our secretary, Marie-Lise Reilly as our French teacher, Deborah Hrdlicka as our school counselor, Liza Constable as our music teacher, and Janice Realy as our speech and language therapist. We have also had several Antioch interns this year: Luke Goodwin (6) and Jennifer Weiss (4/5) in the fall, and Louise Van Order (4/5) in the spring. These graduate students contribute greatly to the classroom experience of our children and teachers.

In a continued effort to keep the special community here at Nelson School, students and staff in all grades interact by participating in all-school projects and activities in which interaction among students is promoted through multi-grade groupings. Daily all-school circle, weekly all-school sing, and regular theme/holiday-related all-school projects are ongoing throughout the year.

Our all-school themes this year were quite involved. In the fall, we studied New Hampshire, its history, geography, famous people, businesses and industries, famous landmarks and state facts. Students did extensive research and developed reports on these various aspects of New Hampshire. Students also created legends which were based on New Hampshire state symbols, e.g., How the Ladybug Got Its Spots (state insect). We also investigated and researched the Town of Nelson as part of our New Hampshire study. Nelson residents visited the school and provided us with valuable information about Nelson's history, music and dance, geography and "famous" people. We believe that all students have gained some insight into their town and state and will better appreciate their beautiful and richly historical surroundings.

A school-wide study of the United States and world geography began in January, starting with North America and the United States. Throughout the spring, students will be studying the seven continents of the world, their cultures and geography. Our study will culminate in a "World Fair" in June.

In the spirit of school and community relationships, the students of Nelson School are participating in a canned food drive, the recipients of which are the Keene Community Kitchen and the Monadnock Humane Society. We made one contribution before Christmas to both places and will do so again at least one more time before the end of the year. Another activity taken on by the students was to create "esthetically pleasing" waste baskets for the local businesses and offices in the Town of Nelson. Students worked in groups to paint the cans with colorful designs and pictures and then donated them. They enjoyed doing something for their own local community! Students are also involved with keeping their own environment clean through periodic school and playground clean-ups.

Another project the students and staff of Nelson School have taken on is the challenge to read 2000 books by the end of this school year to celebrate the Millennium. So far, we have read approximately 560 books, which are documented in a train of book cards on the hallway walls which reaches half-way around the school!

Nelson teachers have been busy this year. By the end of March, all full time teachers will have completed the Research for Better Teaching (RBT) training which is going on throughout SAU 29. The training is the equivalent of a college course and focuses on developing and regularly using best teaching practices in the classroom to improve student learning. It has given the teachers another resource to assist them in providing the highest quality education for students.

Nelson School is also participating in another SAU 29 project called Second Step. This program assists schools and parents in assessing social skills and increasing positive behavior, and includes training students and staff in conflict resolution. This program is being implemented throughout the SAU in order to work toward a common approach to resolving conflicts as most the elementary students eventually enter Keene Middle School and Keene High School. In-school programs here will be implemented by the school counselor through weekly classes.

Our school has also been fortunate to have the Harris Center provide exciting, "hands-on" experiences for the students and teachers. Various animals and habitats of the local area have been explored, both within and outside the classroom. Specific studies so far have included "Forever Green," local geology and mapping. Astronomy sessions are on the horizon for spring with a sky watch in the works!

As always, our community involvement has been wonderful. From helping with head checks for lice, to working one on one with students who need a little extra help, Nelson parents and community members continue to come through when we need them. It's an aspect of the Nelson community that continues to be invaluable. Our parent organization, Packersfield, is consistently involved in school activities, providing not only financial support but hands-on support to the children and teachers of the school.

Nelson School is such a special place. We thank our support and specialist staffs, community members, parents and all others who have helped make it a great place to teach and learn. Together we really make a difference for the children of Nelson.

## CHAIR REPORT

The 1999-2000 school year started off lousy in two ways. A major outbreak of lice at Nelson School nearly drove everyone to distraction until the school was finally declared "louse free" in mid-November. Heartfelt thanks go to the volunteer "nit pickers" who came in nearly every day during the outbreak and patiently combed and scrutinized the heads of our children.

The second "lousy" thing was that our new 1999-2000 budget was projecting a deficit before the school year had even begun, due mostly to two out-of-district special education placements that had not been on the radar screen when the budget was set last March. As a result, whereas last year ended with a \$50,000 surplus, this year has a deficit of nearly that much. We did set aside \$20,000 from last year's surplus for an expendable trust for paying extra tuitions to Keene, and this money will be applied to the deficit for this year. For those who did not attend the budget hearing on January 12 (which is to say, every voter in town except one), we will go through this in excruciating detail at our District Meeting on March 10.

The Claremont decision in June, 1999 brought state aid to Nelson for the first time in any appreciable amount. Because the state's contribution is frozen for the second year, and our budget is up, we will need proportionately more from local property taxes in the coming year. Many other towns are seeing a similar whipsaw effect on local tax rates, and it seems obvious that this new system will not work as a long-term solution. Stay tuned, and stay involved in the process.

This year (1999-2000), our tax dollars paid for the education of 65 students at Nelson School, 15 at Keene Middle School, 41 at Keene High School, and two out-of-district special education students, for a total of 123 Nelson and Munsonville children enrolled in our public school system. For 2000-2001, we are budgeting for a total of 128 students (55 at Nelson School, 28 at Keene Middle School, 44 at Keene High School, and one out-of-district).

These children are our town's most precious asset, and we entrust them at Nelson School to a staff of caring, capable, experienced, and innovative teachers who take a personal interest in each and every child. Management decisions are made by the team of full-time teachers, with one teacher designated lead teacher as the communications "point person" for the community. Our small school has an excellent reputation; it truly is an institution that works, in the best sense. This is possible because of untiring commitment not just from the staff, but from the community. To all who participate in this endeavor, thank you.

Special thanks this year go to Lew Derby, who is completing his sixth year on the school board and is not running for reelection. Lew, who is a quality control engineer in his day job, brought to the task not only his engineer's logic and attention to detail, but the thoughtfulness and caring that are part of his nature.

The school board meets on the second Wednesday of the month at 4:00 p.m. Meetings are open to the public, and we welcome your input.

*Susan Peery, Chair  
Nelson School Board*
