REPORT OF LIBRARY TRUSTEES NEW DURHAM PUBLIC LIBRARY

The Trustees are pleased to report a good year for the library.

Memorial gifts were received enabling us to purchase the latest set of World Book Encycloypedia. A Braille reading course was donated and is available for anyone in need of this, or interested in learning Braille to help someone who does need it. Many interesting books have been given in memory of loved ones, and memorial gifts to the Library improvement Fund allows is the Trustees to purchase items to improve library services over and above our budget allowance.

Our Librarian Sylvia Markola, has attended several courses prescribed by the State Library making her services to the community more knowledgeable and valuable.

The Trustees attended several very informative conferences given by the State Library and the N.H. Association of Library Trustees. The new ideas gained, we hope, will show in future improvement in our services and programs.

As always we are grateful and indebted to the Friends of the Library for their continued support and books supplied each month.

The Library is facing a large book bill due to lost books belonging to the State Library, and to our own library. We would like to urge care and return of books borrowed, and urge parents to be aware of books their children take out.

We appreciate the help and cooperation we have received this past year, and welcome ideas and suggestions to improve and enlarge your library facility. More space is needed to be able to introduce interesting programs and make the library a lively cultural community center for all.

REPORT OF THE POLICE, HEALTH, AND WELFARE DEPARTMENTS

January 1, 1982 to December 31, 1982

I am pleased to report that over the past year the Police Department has been able to maintain a high level of training for the Officers, to increase the Department's efficiency in dealing with the expanding needs of the community.

In March, Sgt. David Wheeler graduated from the New Hampshire Police Academy in Portsmouth and has recently graduated from the Police Prosecuter School in Concord.

All of our Part Time Officers have recently attained their certification through the New Hampshire Part Time Officers' Training Seminar held at Durham.

In 1982 the number of burglaries had decreased considerably as well as the number of accidents in comparison to 1981. We attribute this reduction to

our increased patrol on the back roads and a strict enforcement of the speed limit as well as the large increase of concerned residents who are reporting all suspicious activity in your neighborhoods and we urge your continued support in our crime watch program which makes New Durham a safer town for all.

We extend our thanks to the Strafford County Sheriffs Dept. and their Dispatch Center for their professionalism with the public in the handling of our police calls.

We would also like to thank the towns of Alton, Farmington, Barnstead, Wolfeboro, Middleton and the State Police for their aid rendered during 1982.

Special thanks go to the Board of Selectmen, the Budget Committee and the Townspeople for their continuing support.

NEW DURHAM FIRE DEPARTMENT ANNUAL REPORT FOR 1982

The Fire Department responded to 83 incidents this year: The following is a breakdown of those calls.

8 Structure Fires, 7 Chimney Fires, 5 Brush Fires, 33 Medical Emergencies, 6 Auto Accidents, 2 Assistance to Public, 12 Mutual Aid Calls, 2 Vehicle Fires and 6 Power Line Fires. Also 8 Mutual Aid calls into this town from Alton, Farmington and Wolfeboro. Our thanks go out to our neighboring towns.

The Fire Department has been very busy this past year with an increase of 20% in the number of runs. The Fire Department is requesting an addition to the station this year due to the inability to provide room enough to grow. We are badly in need of this space to provide for equipment now owned by the town and any further equipment that may be purchased. We have problems every winter due to the low overhead doors and frost problems as far as being able to get trucks in and out without losing the lights or doing damage to both the vehicle and building. This building now needs many repairs. It is my feeling that now is the time to correct these problems by means of the proposed addition.

I am asking for this addition so we may provide the services expected from our department. This building belongs to all the townspeople and I welcome anyone to contact me if they would like to discuss our many problems.

In addition to the station, we have been offered a 65' Aerial Ladder free to the town. It's my personal feeling this vehicle will be a large asset to the department. If anyone has worked many chimney fires in the winter you know what I'm talking about. This truck offers the department the opportunity to get above the fire and on roofs much faster than working with ground ladders. In addition, this truck will provide additional rescue abilities which now would have to be done in a much slower way. A new vehicle of this type would cost the town approximatedly \$200,00.00. This truck would cost the town at least \$25,000.00 if we were lucky enough to find one in this good of shape.

As we have reminded people in the past, you may contact any Fireman to borrow our brushes to keep your chimney clean.

Respectfully yours, Paul A. Blaisdell, Chief

REPORT OF FOREST FIRE WARDEN

The 1982 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State District Forest Fire Chief, is responsible for fire suppression and other related duties.

The state shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party.

By authority of the state, the Town Forest Fire Warden controls all outside burning is his town. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 AM and 5:00 PM unless it is raining, except for commercial purposes. Camp and cooking fires also require the Wardens permission.

Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000.00 or a jail term of up to one year or both.

RURAL DISTRICT HEALTH COUNCIL, INC. ANNUAL REPORT - 1982

The Rural District Health Council continues as a certified Home Health Agency covering nine towns - six in Strafford County and three in Rockingham County.

The priority service is the care of the sick program which includes visiting nurses, home health aide, physical, occupational and speech therapy, providing visits in the patient's home. A maternal and child health program is offered to all children from any of the member towns, and includes physicals, immunizations, teaching and counseling for ages 0-6 years.

A dental program is also provided by the MCH program and the pre-school dental services held for children 3-6 years, which includes cleaning and flouride treatments twice a year with referrals to local dentists as needed.

The agency also holds monthly adult health maintenance program which provides blood pressure checks, diabetic and anemia screenings, nutrition counseling, special diet and weight control.

The Rural District Health Council cooperates with other agencies in the area to provide a continuation of good health and social services to its' member towns.

The agency receives funds from grants, united way, town appropriations, medicare, medicaid, and private insurances. A bequest to the Council may be made either for unrestricted use in furthering the general purpose of the Council or for such special or restricted purposes as the donor may desire. Memorial gifts become a lasting honor to the memory of someone special such as a relative or friend.

This year has been a year of facing some cuts in funding and with the medicare audit resulting in an agency pay back in April. The Board of Directors has voted to increase the per capita copy by 10 cents, a result of \$3.10 per-capita for Fiscal Year 1983.

During the past year the Council has made for the Town of New Durham 186 skilled nursing visits, 37 home health aide visits, and 38 therapy visits; there have been 29 child health home visits and 39 children have attended the Child Health Program.

Anyone interested in additional information or needing services may contact the Rural District Health Council, P.O. Box 563, 37 No. Main St., Farmington, NH or telephone 755-2202 between the hours of 8 - 4 PM, Monday - Friday.
