TOWN OF  
PELHAM  
NEW  
HAMPSHIRE

Town of  
**PELHAM**  
NEW HAMPSHIRE

**1990**  
**Annual Town Report**

#### 1990 DEDICATION OF PELHAM'S TOWN REPORT

In 1955, Dwight D. Eisenhower was president when J. Albert Lynch was appointed Justice of the Pelham Municipal Court.

In his first full year on the bench, he heard a grand total of 26 cases! Over the last 35 years, he has adjudicated thousands of civil and criminal disputes.

Judge Lynch's style of judicial service is unique. He has brandished his gavel with common sense, wit, and down-on-the-farm wisdom.

While sitting as a judge, he has been able to hear some of the best excuses the human mind can create. Yet, Judge Lynch has always believed in the human possibility while recognizing the human condition.

Judge Lynch's public service has stretched from serving as the town's first Planning Board Chairman to helping the Selectmen as Town Counsel. A few years ago, he voluntarily assisted in acquiring the Mills property and then held it until the town voted to purchase the land for a future municipal building site. For many years, he has operated a law office from Nashua and his dairy farm in Pelham. He is one of the foremost New Hampshire practitioners in condominium law.

His private passion is downhill skiing. Since 1950, he and his wife, Mildred, have lived in Pelham where they have raised five children.

In April of 1992, Judge Lynch is scheduled to retire from the Pelham Municipal Court. Until then, he will continue to serve the community with flair and distinction. We proudly dedicate this Town Report to Judge J. Albert Lynch.

A WORD OF THANKS

I would like to take this opportunity to say that it has been a pleasure to serve the people of Pelham as Highway Agent for the last 22 years.

Thank-you to members of the Police Department for working with us especially during winter storms and to all the office workers, past and present, who have always been a tremendous help. A special thank-you to all the workers, vendors and part-time help that worked a lot of long, hard hours over the years. It has been a pleasure working with all of you.

Respectfully Submitted,  
George Neskey

## IN MEMORIAL

Let us pause to remember those who in their lives served the Town of Pelham;

### Neal Balcom

Highway Agent: 1958 - 1962

### Romeo Croteau

Constable: 1946 - 1952

Fireman: 1953 - 1954

### Robert Fisher

Budget Committee: 1970 - 1972, 1984 - 1986

### Marilyn Grimard

Ballot Clerk: 1970 - 1990

### Roy Silloway

Police Officer: 1940 - 1947, 1949, 1954 - 1970

Special Officer: 1971 - 1988

Fireman: 1937, 1940 - 1947, 1953, 1959 - 1974

School Crossing Guard: 1947 - 1981

### Annis A. "Duke" Vautier

Selectman: 1972

Industrial Commission Chairman: 1973 & 1974

BOARD OF SELECTMEN

ANNUAL REPORT

This year, as Chairman of the Board of Selectmen, it has been an honor and a personal privilege for me to once again be able to serve the Town of Pelham.

I am happy to report to you that although this year proved to be a difficult year in many ways, it was a year that many positive improvements were made. Most of all I am happy to report to you that they were all made within the total budget line.

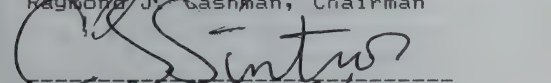

Once again, thank you for allowing me to serve you.

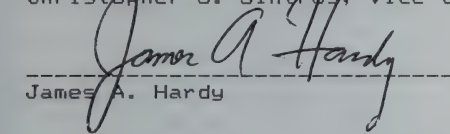

Christopher S. Sintros  
Chairman,  
Board of Selectmen

We, the undersigned, do hereby certify that on the 26th day of February 1990, we the Selectmen of the Town of Pelham, New Hampshire, did post attested copies of the 1990 Annual Town Meeting Warrant at the Pelham Town Hall on Main Street and at the Pelham Memorial School on Marsh Road, the latter being the place of the Town Meeting.

Respectfully Submitted,

  
-----  
Raymond J. Gashman, Chairman

  
-----  
Christopher S. Sintros, Vice Chairman

  
-----  
James A. Hardy

-----  
Peter R. Flynn

  
-----  
Ralph S. Boutwell

Notary Public

TOWN OF PELHAM  
THE STATE OF NEW HAMPSHIRE

WARRANT  
1990 TOWN MEETING

To the inhabitants of the Town of Pelham, in the County of Hillsborough and the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified that the annual meeting of the Town of Pelham will be held at the Memorial School on Marsh Road in said Pelham on Tuesday, March 13, 1990 at 10:00 in the forenoon for the choice of town officers elected by official ballot and other action required to be inserted on said official ballot. The polls for the election of town officers and other action required to be inserted on said ballot will open on said date at 10:00 in the forenoon and will close not earlier than 8:00 in the evening.

You are hereby notified that the second session of the annual meeting of the Town of Pelham will be held at the Memorial School on Marsh Road in said Pelham on Thursday, March 15, 1990 at 7:30 in the evening to act on the matters not to be acted upon by official ballot.

You are hereby notified to choose all necessary town officials for the ensuing year. (BY BALLOT)

ARTICLE 1 Shall we adopt the provisions of RSA 72:28, V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is \$100, rather than \$50. (BY PETITION) (BY BALLOT)

ARTICLE 2 Shall we adopt the provisions of RSA 72:35 IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400, rather than \$700. (BY PETITION) (BY BALLOT)

ARTICLE 3 I. "Shall the government of the police department of the Town of Pelham be entrusted to a police commission?"

II. "If so, shall such Police Commissioners be chosen by:

(a) Popular election at town election; or

(b) Appointment of the Governor with consent of the Council?"

(BY PETITION)

ARTICLE 4 To add a new Section to the Zoning Ordinance, to become Section 307-17 (A), Wetlands Conservation District, for

the purposes of protecting the public health, safety and welfare by providing development contracts, regulations and standards for land areas which have been found to be subjected to high water tables for extended periods of time. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

#### A. Purpose and Intent

The purpose of this ordinance is to protect the public health, safety and general welfare by controlling and guiding the use of land areas which have been found to be subjected to high water tables for extended periods of time. It is intended that this ordinance shall:

1. Prevent the development of structures and land uses on naturally occurring or compensatory wetlands which will contribute to pollution of surface and groundwater by sewage or toxic substances.

2. Prevent the destruction of, or significant changes to, natural or compensatory wetlands which provide flood protection.

3. Protect unique and unusual natural areas.

4. Protect wildlife habitats and maintain ecological balances.

5. Protect potential water supplies and existing aquifers (water-bearing stratum) and aquifer recharge areas.

6. Prevent expenditure of municipal funds for the purpose of providing and/or maintaining essential services and utilities which might be required as a result of misuse or abuse of wetlands.

7. Encourage those low-intensity uses that can be harmoniously, appropriately and safely located in wetlands.

The Wetlands Conservation District is an overlay district which is defined as those areas delineated as very poorly and poorly drained soils by a New Hampshire Licensed Soils Scientist. The Wetlands Conservation District also includes those areas such as swamps, marshes and bogs that are inundated or saturated by surface or groundwater at a frequency and duration sufficient to support a prevalence of vegetation adapted for life in saturated soil conditions.

The limits of the Wetlands Conservation District are hereby determined to be areas of 2,000 square feet or more in size, or of any size if contiguous to surface waters such as lakes, ponds and streams, subjected to high water tables for extended periods of time, and all areas within fifty (50) feet of the edge of any wetlands, perennial stream or surface water body.

#### 1. Wetlands Incorrectly Delineated

(a) Where it is alleged that an area has been incorrectly delineated as a wetland, or that an area not so designated meets the criteria for wetlands designation, the soils scientist shall determine whether the area has been correctly delineated.

(b) The Conservation Commission shall make their judgement under this section only upon the determination by a qualified soil scientist(s) and/or plant scientist(s) on the basis of additional onsite investigation or other suitable research, that the information contained on the Wetlands Map is incorrect. This evidence shall be acceptable only when presented in written form by said scientist(s) to the Conservation Commission. Any necessary soil testing procedures shall be conducted at the expense of the landowner or developer.

(c) Once an area has been determined to be a wetland under this section that area shall become part of the Wetland Conservation District.

## B. Permitted Uses

1. Permitted uses are those specific uses which will not require the erection or construction of any structures or buildings, will not result in a major alteration of the natural surface configuration by the addition of fill or by dredging and uses that otherwise are permitted by this zoning ordinance.

2. Permitted uses are specifically restricted to the following:

(a) forestry-tree farming, using best management practices in order to protect streams from damage and to prevent sedimentation, excluding access roads across wetlands and streams;

(b) the cultivation and harvesting of crops according to recognized soil conservation practices;

(c) wildlife refuges;

(d) parks and recreation uses consistent with the purpose and intent of this ordinance;

(e) conservation areas and nature trails;

(f) open spaces as permitted or required by the subdivision regulations or the zoning ordinance.

## C. Special Exceptions

1. Special exceptions may be granted by the Board of Adjustment, after proper public notice and public hearing, for undertaking the following uses in the Wetlands Conservation District when the application has been referred to the Planning Board, Conservation Commission, Licensed New Hampshire soil scientist, and to the Health Officer for review and comment at least twenty (20) days prior to the hearing.

(a) Streets, roads and other access ways and utility right-of-way easements, including power lines and pipe lines, if essential to the productive use of land not so zoned and if so located and constructed as to minimize any detrimental impact of such uses upon the wetland.

(b) Water impoundments for fire protection or drainage.

2. Special exceptions for uses within the Wetlands Conservation District may be granted provided that the following conditions are met, the burden of proof for which shall be upon the applicant who shall furnish such engineering and hydrological data as is reasonably necessary:

(a) that the proposed use, construction and/or alteration shall be constructed in such a way that does not unduly restrict the flow of water.

(b) that favorable written comment is provided from the Conservation Commission, Planning Board, and if deemed necessary by the Conservation Commission, written comment from the Hillsborough County Soil Conservation Service and/or the N.H. Wetlands Board.

#### D. Special Provisions

1. No leachfield may be located closer than seventy-five (75) feet to any Wetland Conservation District Area.

2. No building or structure may be located closer than twenty-five (25) feet to any Wetland Conservation District.

#### E. Relation to Other Districts

Where the Wetlands Conservation District is superimposed over another zoning district, the more restrictive regulations shall apply.

#### F. Separability

If any section, provision, portion, clause or phrase of this ordinance shall be held to be invalid or unconstitutional by any court or competent authority, such holding shall not affect, impair or invalidate any other section, provision, portion, clause or phrase of this ordinance.

#### G. Conflict With Other Regulations

Where any provision of this ordinance is in conflict with State law or other local ordinance, the more stringent provision shall apply.

ARTICLE 5 Amend Section 307-2, districts to include a description of the Wetlands Conservation District. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

New Section 307-2 (G) to read as follows:

(G) The Wetlands Conservation District is an overlay district which is defined as those areas delineated as very poorly drained soils by a soil scientist licensed by the State of New Hampshire. The Wetlands Conservation District also includes those areas such as swamps, marshes and bogs that inundated or saturated by surface or groundwater at a frequency and duration sufficient to support a prevalence of vegetation adapted for life in saturated soil condition.

The limits of the Wetlands Conservation District are hereby determined to be areas of 2,000 square feet or more in size, or of any size if contiguous to surface waters such as lakes, ponds and streams, subjected to high water tables for extended periods of time, and all areas within fifty (50) feet of the edge of any wetlands, perennial stream or surface water body.

ARTICLE 6 To add a new Section to the Zoning Ordinance, to become Section 307-17 (B), Floodplain Development Ordinance, to comply with Federal Emergency Management Agency requirements. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

This ordinance, adopted pursuant to the authority of RSA 674:16, shall be known as the Town of Pelham Floodplain Development Ordinance. The regulations in the Town of Pelham Zoning Ordinance, and shall be considered part of the Zoning Ordinance for purposes of administration and appeals under state law. If any provision of this ordinance differs or appears to conflict with any provision of the Zoning Ordinance or other ordinance or regulation, the provision imposing the greater restriction or more stringent standard shall be controlling.

The following regulations in this ordinance shall apply to all lands designated as special flood hazard areas by the Federal Emergency Management Agency (FEMA) in its Flood Insurance Rate Maps dated March 14, 1980 which are declared to be a part of this ordinance and are hereby incorporated by reference.

A. Definition of Terms: The following definitions shall apply only to this Floodplain Development Ordinance, and shall not be affected by, the provisions of any other ordinance of the Town of Pelham.

(1) "Area of Special Flood Hazard": is the land in the floodplain within the Town of Pelham subject to a one-percent or greater possibility of flooding in any given year. The area is designated as Zone A on the FHBM and is designated on the FIRM as Zone A.

- (2) "Base Flood" means the flood having a one-percent possibility of being equaled or exceeded in any given year.
- (3) "Basement" means any areas of a building having its floor subgrade on all sides.
- (4) "Building" - see "structure".
- (5) "Development" means any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation, or drilling operation.
- (6) "FEMA" means the Federal Emergency Management Agency.
- (7) "Flood" or "Flooding" means a general and temporary condition of partial or complete inundation of normally dry land areas from:  
(a) the overflow of inland or tidal waters.  
(b) the unusual and rapid accumulation or runoff of surface waters from any source.
- (8) "Flood Insurance Rate Map" (FIRM) means an official map incorporated with this ordinance, on which FEMA has delineated both the special flood hazard areas and the risk premium zones applicable to the Town of Pelham.
- (9) "Floodplain" or "Flood-prone area" means any land area susceptible to being inundated by water from any source (see definition of "Flooding").
- (10) "Flood Proofing" means any combination of structural and non-structural additions, changes, or adjustments to structures which reduce or eliminate flood damage to real estate or improved real property, water and sanitation facilities, structures and their contents.
- (11) "Floodway" - see "Regulatory Floodway".
- (12) "Functionally dependent use" means a use which cannot perform its intended purpose unless it is located or carried out in close proximity to water. The term includes only docking and port facilities that are necessary for the loading/unloading of cargo or passengers, and ship building/repair facilities but does not include long-term storage or related manufacturing facilities.
- (13) "Highest adjacent grade" means the highest natural elevation of the ground surface prior to construction next to the proposed walls of a structure.
- (14) "Historic Structure" means any structure that is:

(a) Listed individually in the National Register of Historic Places (a listing maintained by the Department of Interior) or preliminarily determined by the Secretary of the Interior as meeting the requirements for individual listing on the National Register;

(b) Certified or preliminarily determined by the Secretary of the Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as a registered historic district;

(c) Individually listed on a state inventory of historic places in states with historic preservation programs which have been approved by the Secretary of the Interior; or

(d) Individually listed on a local inventory of historic places in communities with historic preservation programs that have been certified either:

(1) By an approved state program as determined by the Secretary of the Interior, or

(2) Directly by the Secretary of the Interior in states without approved program.

(15) "Lowest Floor": means the lowest floor of the lowest enclosed area (including basement). An unfinished or flood resistant enclosure, usable solely for parking of vehicles, building access or storage in an area other than a basement area is not considered a building's lowest floor; provided, that such an enclosure is not built so as to render the structure in violation of the applicable non-elevation design requirements of this ordinance.

(16) "Manufactured Home" means a structure, transportable in one or more sections, which is built on a permanent chassis and is designed for use with or without a permanent foundation when connected to the required utilities. For floodplain management purposes the term "manufactured home" includes park trailers, travel trailers, and other similar vehicles placed on site for greater than 180 days.

(17) "Mean sea level" means the National Geodetic Vertical Datum (NGVD) of 1929 or other datum, to which base flood elevations shown on a communities Flood Insurance Rate Map are referenced.

(18) "100-year flood" - see "base flood"

(19) "Regulatory Floodway" means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without increasing

the water surface elevation. These areas are designated as floodways on the Flood Boundary and Floodway Map.

(20) "Special flood hazard area" means an area having flood, mudslide, and/or flood-related erosion hazards, and shown on an FHBM or FIRM as Zone A, AO, Al-30, AE, A99, AH, VO, V1-30, VE, V, M, or E. (See - "Area of Special Flood Hazard").

(21) "Structure" means for floodplain management purposes, a walled and roofed building, including a gas or liquid storage tank, that is principally above ground, as well as a manufactured home.

(22) "Start of Construction" includes substantial improvements, and means the date the building permit was issued, provided the actual start of construction, repair, reconstruction, placement, or other improvement was within 180 days of the permit date. The actual start means either the first placement of permanent construction of a structure on site, such as the pouring of slab or footings, the installation of piles, the construction of columns, or any work beyond the stage of excavation; or the placement of manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading and filling; nor does it include the installation of streets and/or walkways; nor does it include excavation for a basement, footings, piers, or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or part of the main structure.

(23) "Substantial damage" means damage of any origin sustained by a structure whereby the cost of restoring the structure to its before damaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred.

(24) "Substantial Improvement" means any combination of repairs, reconstruction, alteration, or improvements to a structure in which the cumulative cost equals or exceeds fifty percent of the market value of the structure. The market value of the structure should equal: (1) the appraised value prior to the start of the initial repair or improvement, or (2) in the case of damage, the value of the structure prior to the damage occurring. For the purposes of this definition, "substantial improvement" is considered to occur when the first alteration of any wall, ceiling, floor, or other structural part of the building commences, whether or not that alteration affects the external dimensions of the structure. This term includes structures which have incurred substantial damage, regardless of actual repair work performed. The term includes structures which have incurred substantial damage, regardless of actual repair work performed. The term does not, however, include any project for improvement of a structure required to comply with existing health, sanitary, or safety code specifications which are solely

necessary to assure safe living conditions or any alteration of a "historic structure", provided that the alteration will not preclude the structure's continued designation as a "historic structure".

(25) "Water surface elevation" means the height, in relation to the "National Geodetic Vertical Datum (NGVD) of 1929, (or other datum, where specified) of floods of various magnitudes and frequencies in the floodplains.

B. The building inspector shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is located in a special flood hazard area, all new construction or substantial improvements shall:

(i) be designed (or modified) and adequately anchored to present floatation, collapse, or lateral movement of the structure resulting from hydrodynamic and hydrostatic loads, including the effects of buoyancy,

(ii) be constructed with materials resistant to flood damage,

(iii) be constructed by methods and practices that minimize flood damages.

(iv) be constructed with electrical, heating, ventilation, plumbing, and air conditioning equipment, and other service facilities that are designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding.

C. Where new or replacement water and sewer systems (including on-site systems) are proposed in a special flood hazard area the applicant shall provide the Building Inspector with assurance that these systems will be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood water, and on-site waste disposal systems will be located to avoid impairment to them or contamination from them during periods of flooding.

D. For all new or substantially improved structures located in special flood hazard areas, the applicant shall furnish the following information to the building inspector:

(1) the as-built elevation (in relation to NGVD) of the lowest floor (including basement) and include whether or not such structures contain a basement.

(2) if the structure has been floodproofed, the as-built elevation (in relation to NGVD) to which the structure was floodproofed.

(3) any certification of floodproofing.

The Building Inspector shall maintain for public inspection, and shall furnish such information upon request.

E. The Building Inspector shall not grant a building permit until the applicant certifies that all necessary permits have been received from those governmental agencies from which approval is required by federal or state law, including Section 404 of the Federal Water Pollution Control Act Amendments of 1972, 33 U. S. C. 1334.

F. (1) In riverine situations, prior to the alteration or relocation of a watercourse the applicant for such authorization shall notify the Wetlands Board of the New Hampshire Environmental Services Department and submit copies of such notification to the Building Inspector, in addition to the copies required by the RSA 483-a:1-b. Further, the applicant shall be required to submit copies of said notification to those adjacent communities as determined by the Building Inspector, including notice of all scheduled hearings before the Wetlands Board (add here notice of local wetlands hearings if the community has a local wetlands ordinance).

(2) The applicant shall submit to the Building Inspector, certification provided by a registered professional engineer, assuring that the flood carrying capacity of an altered or related watercourse can and will be maintained.

(3) The Building Inspector shall obtain, review, and reasonably utilize any floodway data available from Federal, State, or other sources as criteria for requiring that all development located Zone A meet the following floodway requirement:

"No encroachments, including fill, new construction, substantial improvements, and other development are allowed within the floodway that would result in any increase in flood levels within the community during the base flood discharge".

G. (1) In unnumbered A Zones the Building Inspector shall obtain, review, and reasonably utilize any 100 year flood elevation data available from any federal, state or other source including data submitted for development proposals submitted to the community (i.e., subdivisions, site approvals).

(2) The Building Inspector's 100 year flood elevation determination will be used as criteria for requiring a zone A that:

a. all new construction or substantial improvement of residential structures have the lowest floor (including basement) elevated to or above the 100 year elevation;

b. that all new construction or substantial improvements of non-residential structures have the lowest floor (including basement) elevated to or above the 100 year flood level; or together with attendant utility and sanitary facilities, shall;

(i) be floodproofed so that below the 100 year flood elevation the structure is watertight with walls substantially impermeable to the passage of water;

(ii) have structural components capable of resisting hydrostatic and hydrodynamic loads and the effects of buoyance; and

(iii) be certified by a registered professional engineer or architect that the design and methods of construction are in accordance with accepted standards of practice for meeting the provisions of this section;

c. all manufactured homes to be placed or substantially improved within special flood hazard areas shall be elevated on a permanent foundation such that the lowest floor of the manufactured home is at or above the 100 year flood elevation; and be securely anchored to resist floatation, collapse, or lateral movement. Methods of anchoring may include, but are not limited to, use of over-the-top or frame ties to ground anchors. This requirement is in addition to applicable state and local anchoring requirements for resisting wind forces;

d. for all new construction and substantial improvements, fully enclosed areas below the lowest floor that are subject to flooding are permitted provided they meet the following requirements: (1) the enclosed area is unfinished or flood resistant, usable solely for the parking of vehicles, building access or storage; (2) the area is not a basement; (3) shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwater. Designs for meeting this requirement must either be certified by a registered professional engineer or architect or must meet or exceed the following minimum criteria: A minimum of two openings having a total net area of not less than one square inch for every square foot of enclosed area subject to flooding shall be provided. The bottom of all openings shall be no higher than one foot above grade. Openings may be equipped with screens, louvers, or other coverings or devices provided that they permit the automatic entry and exit of floodwater.

#### H. Variances and Appeals

(1) Any order, requirement, decision or determination of the building inspector made under this ordinance may be appealed to the Zoning Board of Adjustment as set forth in RSA 676:5.

(2) If the applicant, upon appeal, requests a variance as authorized by RSA 674:33, I(b), the applicant shall have the burden of showing in addition to the usual variance standards under state law:

(a) that the variance will not result in increased flood heights, additional threats to public safety, or extraordinary public expense.

(b) that if the requested variance is for activity within a designated regulatory floodway, no increase in flood levels during the base flood discharge will result.

(c) that the variance is the necessary, considering the flood hazard, to afford relief.

(3) The Zoning Board of Adjustment shall notify the applicant in writing that: (i) the issuance of a variance to construct below the base flood level will result in increased premium rates for flood insurance up to amounts as high as \$25 for \$100 of insurance coverage and (ii) such construction below the base flood level increases risks to life and property. Such notification shall be maintained with a record of all variance actions.

(4) The community shall (i) maintain a record of all variance actions, including their justification for their issuance, and (ii) report such variances issued in its annual or biennial report submitted to FEMA's Federal Insurance Administrator.

ARTICLE 7 Amend Section 307-2, Districts, to include a description of the Floodplain Development Ordinance. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

New Section 307-2 (H) to read as follows:

(H) The Floodplain Development Ordinance is an overlay district which applies to all lands designated as special flood hazard areas by the Federal Emergency Management Agency (FEMA) in its Flood Insurance Ratio Maps dated March 14, 1980 which are declared to be a part of this ordinance and are hereby incorporated by reference.

ARTICLE 8 Replace the existing Section 307-12, Residential District (article III, District Regulations) in its entirety, to allow for specific definitions of permitted uses and uses permitted by special exception. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

A. Purpose and Intent

The purpose of this article is to promote the health, safety, and general welfare of the community, assure the proper use of natural resources, minimize congestion in streets,

securing safety from fire and other dangers, avoid the undue concentration of population, provide adequate light, space and air, assure adequate provision of public facilities, promote good development and design in keeping with the rural charm of the Town, and to protect the use, enjoyment and value of residential property in the Town of Pelham, New Hampshire.

The intent of this article is to provide ample opportunity for the use and development of residential property for the use and enjoyment of all classes of people and household types while preventing the location of inappropriate development or uses of land, congested streets, or conditions which may make residential uses in the district problematic, hazardous to health or safety, or inharmonious with the rural/residential character of the Town of Pelham, N.H.

#### B. Permitted Uses

Only the following uses are permitted in the Residential District:

1. Single and two-family residences
2. Agricultural uses
3. Farm stands
4. Accessory uses which are secondary, customary and incidental to principal permitted uses

#### C. Special Permitted Uses

The following uses shall be permitted subject to the conditions provided for each use:

(1) Sand and Gravel Excavations; subject to the requirements of RSA 155-E, provided that the standards set forth in RSA 155-E:4 (a) (b) and (c) are met and subject to the Excavation Regulations of the Town of Pelham, New Hampshire and any excavation regulations enacted or adopted pursuant thereto.

(2) Churches and associated accessory uses in accordance with the following provisions:

a. Not less than two-hundred (200) feet of frontage shall be provided on a major or minor thoroughfare or arterial street or collector street.

b. Primary ingress and egress shall be provided on a major or minor thoroughfare or arterial street or collector street.

c. Site Plan review and approval shall be obtained from the Planning Board.

d. No off-street parking shall be located between a building line and a public right-of-way or within required front, side or rear setbacks.

e. The exterior appearance of buildings and grounds shall be compatible with the rural/residential character of the District.

#### D. Special Exceptions

The following uses shall be permitted by special exception of the Zoning Board of Adjustment subject to any conditions of approval imposed by the Board for the purposes of meeting the standards and requirements of this ordinance.

(1) Home Occupation: Residences may be used to house such use by the resident owner or tenant as offices for doctors, engineers, architects, lawyers, real estate and insurance or other recognized businesses and such home occupations such as hairdressing, dressmaking, the manufacture of craft products and the manufacture of food products subject to the following conditions:

a. No more than four employees, in addition to the owner/occupant shall be permitted. The Zoning Board of Adjustment may reduce the maximum number of employees, in its discretion, based on the character and density of the neighborhood and/or the nature of the business.

b. The home occupation shall be secondary to the principal use of the home as the residence of the business owner/operator and the abusiness shall not charge the residential character of the building.

c. The home occupation shall be carried out entirely within the home or an accessory structure.

d. Not more than one sign, which shall be unlighted and shall not to exceed three (3) square feet will be permitted.

e. All exterior storage shall be screened from neighboring views.

f. Other than the permitted sign, there shall be no exterior indication of the home occupation.

g. Objectionable circumstances such as noise, vibration, dust, odor, electrical disturbances, heat or glare shall not be produce.

h. Parking shall be provided off-street and may not be located within required front, side or rear setbacks within driveways designed in a manner in keeping with residential uses. Additional parking may be provided in side or rear yards, except within required setbacks, provided that such parking is screened from neighboring view.

i. No traffic shall be generated by the activity that will be substantially greater in volume than would normally be expected within the neighborhood.

(2) Accessory Dwelling Units: A single-family home may contain not more than one accessory dwelling unit, attached or detached from the principal dwelling, subject to the following conditions:

a. The accessory dwelling unit shall be secondary to the principal dwelling unit.

b. Accessory dwelling units shall not contain more than one bedroom and shall not exceed 550 square feet of living area used for the accessory unit.

c. Accessory dwellings shall be considered as bedrooms for the purposes of septic system design and Planning Board Subdivision Review Regulations and complying with the Town of Pelham waste disposal Section 295, in its entirety.

d. There shall be no exterior indication of the accessory dwelling unit visible from neighboring properties or public rights-of-way.

(3) Public, private, parochial schools, business or trade schools, colleges, nursery schools, and day care facilities subject to the following conditions:

a. Not less than two-hundred (200) feet of frontage shall be provided on a major or minor thoroughfare or arterial street or collector street or access by 50 foot right-of-way that will provide safe access for said use.

b. Primary ingress and egress shall be provided on a major or minor thoroughfare or arterial street or collector street.

c. Site Plan review and approval shall be obtained from the Planning Board.

d. No off-street parking shall be located between a building line and a public right-of-way or within required front, side or rear setbacks.

e. The exterior appearance of buildings and grounds shall be compatible with the rural/residential character of the District.

(4) Hospitals and Saniteria: Such uses may be permitted within the residential district subject to the following conditions:

a. Not less than two-hundred (200) feet of frontage shall be provided on a major or minor thoroughfare or arterial street or collector street or access by 50 foot right-of-way that will provide safe access for said use.

b. Primary ingress and egress shall be provided on a major or minor thoroughfare or arterial street or collector street.

c. Site Plan review and approval shall be obtained from the Planning Board.

d. No off-street parking shall be located between a building line and a public right-of-way or within required front, side or rear setbacks.

e. The exterior appearance of buildings and grounds shall be compatible with the rural/residential character of the District.

5. Golf courses and associated uses subject to the following conditions:

a. Not less than two-hundred (200) feet of frontage shall be provided on a major or minor thoroughfare or arterial street or collector street access by 50 foot right-of-way that will provide safe access for said use.

b. Primary ingress and egress shall be provided on a major or minor thoroughfare or arterial street or collector street.

c. Site Plan review and approval shall be obtained from the Planning Board.

d. No off-street parking shall be located between a building line and a public right-of-way or within required front, side or rear setbacks.

e. The exterior appearance of buildings and grounds shall be compatible with the rural/residential character of the District.

6. Radio, television or telephone studios, facilities, towers and antennas subject to the following conditions:

a. Not less than two-hundred (200) feet of frontage shall be provided on a major or minor thoroughfare or arterial street or collector street or access by 50 foot right-of-way that will provide safe access for said use.

b. Primary ingress and egress shall be provided on a major or minor thoroughfare or arterial street or collector street.

c. Site Plan review and approval shall be obtained from the Planning Board.

d. No off-street parking shall be located between a building line and a public right-of-way or within required front, side or rear setbacks.

e. The exterior appearance of buildings and grounds shall be compatible with the rural/residential character of the District.

E. No land in this district shall be used for a dump or junkyard.

ARTICLE 9 Amend existing Section 307-9, Signs, to provide an explicit set of standards and regulations to govern placement signs in all districts. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

The Town of Pelham has determined that:

1. There is a public responsibility to protect the safety and welfare of its citizens;
2. There is a substantial interest in maintaining and enhancing the aesthetic appearance of all residential, commercial and industrial areas of the Town; and
3. There is a substantial interest in enabling business and industry to advertise effectively.

I. PURPOSE

The intent of this ordinance is to allow signs that:

1. Give information and directions;
2. Build the image of business and industry;
3. Incorporate new technologies; and
4. Compliment the character of the zoning district land use.

It is further intended that the sign ordinance will help the Town in its efforts to protect the safety and welfare of the public.

II. TITLE

This division shall be known as the "Town of Pelham, N.H., Sign Ordinance"; and may be so cited.

III. SIGN PERMIT

Except as otherwise provided in this ordinance, it shall be unlawful for any person to erect, construct, enlarge, move or convert any sign in the Town of Pelham, or cause the same to be done, without first obtaining a sign permit for each such sign

from the building official as required by this code. This prohibition shall not be construed to require any permit for a change of copy on any sign, nor for the repainting, cleaning and other normal maintenance or repair of a sign or sign structure for which a permit has previously been issued, so long as the sign or sign structure is not modified in any way.

#### IV. SIGN DEFINITIONS AND RESTRICTIONS

The following definitions and restrictions shall apply throughout these regulations:

1. "Abandoned Sign": The cessation of use of a sign as indicated by the visible or otherwise apparent intention of an owner to discontinue the use of a sign and/or structural framework.
2. "Administration & Enforcement": The building official is hereby authorized to review all sign applications and to enforce the provisions of this regulation.
3. "Area": The area, on the largest single face of a sign, within a perimeter which forms the image area of a sign. If the sign consists of more than one module, the total area of all modules shall constitute the sign area. If a sign is lettered on both sides back to back, only one side shall be counted as the total sign area.
4. "Awning Sign": A removable shelter of canvas, plastic, metal or some other material, extending over a doorway or window and providing shelter from rain or sun, with sign message incorporated. Awnings with graphics will be considered a form of a wall sign. A permit is required.
5. "Banner Sign": A temporary sign of lightweight material (e.g., paper, plastic or fabric) hung either with or without frames. This will only be allowed for a maximum of thirty (30) days, two (2) times during each calendar year. The banner may not exceed one hundred (100) square feet in area. Alternatively, a banner may be used as a temporary sign (see "temporary sign"). A permit is required.
6. "Billboards": Any sign visible from a public right-of-way identifying or advertising a business, person, activity, goods, product or services. This is considered a form of a ground sign (see "ground sign"). A permit is required. Off premises billboards are not permitted (see "off premises").
7. "Building or Face Wall": A wall area of a building in one plane or elevation.
8. "Building Name Sign": A building name sign shall identify the building and shall be a maximum of twelve (12) square feet in area. No permit is required.

9. "Building Official": The official appointed under the building code of the Town.

10. "Changeable Copy Sign": A sign on which message copy can be changed through the use of attachable letters and numbers/numerals excluding electronic switching of lamps or illuminated tubes to form words and numerals. It includes a sign which has automatic switching, limited to time and temperature. This shall be considered a form of ground or wall sign (see "ground or wall sign"). A permit is required.

11. "Charitable": Chairable shall mean and include the words philanthropic, social service, benevolent, patriotic, civil, educational, or fraternal, either actual or purported. Charitable signs shall be subject to the following conditions:

- a. May be placed a maximum of 30 days preceding the event.
  - b. Shall be located so as not to obstruct a public right-of-way or create a hazard.
  - c. Must be removed within 7 days after the event.
  - d. Size limits shall be the same as real estate signs.
- No permit is required.

12. "Construction or Project Sign": As used in this regulation, shall mean any sign erected on a project site prior to or during a construction project, with the following restrictions:

- a. Maximum area shall be 32 square feet, except on projects that exceed one acre in size, where the maximum area shall be 64 square feet.
- b. Height and setback shall be commensurate with the underlying district.
- c. Must be removed within 15 days from the date on the certificate of occupancy permit (if applicable), expiration, or loss of building permit, upon completion of work, or upon installation of a permanent sign. No permit is required.

13. "Directional Sign": Signage which is necessary for on-site public safety and convenience. Directional signs may be located adjacent to driveways. Examples: "In", "Out", "Entrance", "Exit", and "Parking". A sign permit is required.

14. "Electrical Sign": Any sign containing electrical wiring.

15. "Electronic Changing Sign": Message center signs shall not exceed a maximum of fifty (50) percent of the allowed area of a ground sign or wall sign. Ground sign face(s) shall be perpendicular to the right-of-way. A maximum of one (1) message center per premises. A permit is required.

16. "Flag": National, state or corporate flags properly displayed shall be allowed in all districts with no sign permit required. Corporate signs shall be limited to a maximum area. The set back shall be the same as for ground signs. No permit is required.

17. "Flashing Sign": Any sign containing intermittent flashing light by means of an animation or an externally mounted intermittent light source, or chase sign. The colors blue, red, yellow and green are not permitted.

18. "Frontage": The length of the property line of any one premises along each public right-of-way it borders.

19. "Ground Sign": A sign erected on a free-standing frame, mast or pole and not attached to any building, subject to the following conditions:

a. Maximum sign area shall be one hundred fifty (150) square feet.

b. Minimum setback of sign shall be fifteen (15) feet from a right-of-way or property line, with a maximum sign height of forty (40) feet.

c. Minimum setback from an intersection shall be twenty-five (25) feet from the point of the intersecting rights-of-way.

d. As an alternate for a corner premise, an allowed ground sign may be replaced with two (2) ground signs, each meeting all of the following conditions:

(1) Each sign shall be designed to be viewed from a different right-of-way.

(2) Maximum sign area of each sign shall be one hundred (100) square feet.

(3) Minimum setback of signs shall be twenty (20) feet from right-of-way with a maximum sign height of forty (40) feet; or the minimum setback of the signs may be reduced to the (10) feet from right-of-way with a maximum sign height of twenty (20) feet. A permit is required.

20. "Height of Sign": The vertical distance measured from the adjacent undisturbed grade of the ground to the highest point of the sign.

21. "Incidental Sign": A sign identifying or advertising associated goods, products, services, or facilities available on the premises. Incidental signs include, without limitation, trading stamps, credit cards accepted, brand names or price signs. The limit shall be three at 1.5 square feet each. No permit is required.

22. "Maintain": To permit a sign, sign structure or any part of each to continue; or to repair or refurbish a sign, sign

structure or any part of each. A sign shall be maintained in good repair for public safety and aesthetics.

23. "Marquee": A permanent roof-like shelter extending from part or all of a building face over public right-of-way, and constructed of some durable material such as metal, glass or plastic. This is considered a form of ground or wall sign (see "ground sign" or "wall sign"). A permit is required.

24. "Mobile Signs": Any sign mounted on wheels or a wheeled trailer primarily situated and decorated to display an advertising message. Signs will only be allowed for a maximum of 30 days, 2 times per calendar year. Sign may not exceed 32 square feet in area. A permit is required.

25. "Nameplate and Historic Markers": A non-electrical sign identifying only the name and occupation or profession of the occupant of the premises on which the sign is located. If any premises includes more than one occupant, nameplate means all names and occupations or professions as well as the name of the building and directional information. The sign shall be a maximum of three (3) square feet in area. No permit is required.

26. "Non-electrical Sign": Any sign that does not contain electrical wiring or its own source of illumination, such as a wood sign, carved sign, routed sign, sandblasted sign, or painted sign, etc.

27. "Off-Premises Sign": Any sign visible from a public right-of-way identifying or advertising a business, person, activity, goods, products or services not located on the premises where the sign is located or maintained. Not permitted.

28. "On-Premises Sign": Any sign visible from a public right-of-way identifying or advertising a business, person, activity, goods, products or services located on the premises where the sign is installed or maintained. A permit is required.

29. "Political Sign": A sign advertising a candidate for political office. These signs are allowed in all districts, without the need for a sign permit. They may be established 30 days prior to the event or election, and shall be removed within 10 days after the event or election. Political signs shall not be placed or affixed to premises without the consent of the owner. Only the property owner may affix such signs to his home, buildings on the premises or trees on the premises. No permit is required.

30. "Portable Sign": See temporary sign, infra.

31. "Premises": A lot or group of lots which are situated a building or group of buildings designated as a unit, or on which a building or a group of buildings are to be constructed.

32. "Projected Sign": A sign, other than a wall sign, which is attached to, and projects more than 18 inches from a building face or wall. These signs shall be subject to the following restrictions:

- a. Maximum sign area shall be three-fourths (3/4) the length of individual business' building frontage; or one hundred (100) square feet, whichever is less.
- b. Minimum setback shall be ten (10) feet from a right-of-way; with a maximum sign height of thirty (30) feet.
- c. Minimum setback from an intersection shall be twenty five (25) feet from the point of the intersecting ways.
- d. Minimum clearance shall be ten (10) feet, except where a sign projects over a traffic area, such as a driveway. Over a traffic area, the minimum clearance between the bottom of the sign and the ground shall be no less than fourteen (14) feet.
- e. Signs shall be established so as not to project over a public right-of-way or public property. A permit is required.

33. "Real Estate Directional Sign": Real estate signs advertising an open house, and located off premises. Signs shall not be nailed to trees or telephone poles not owned by the realtor. No permit is required.

34. "Real Estate Sign": Any sign advertising exclusively the sale, rental or lease of the premises, or a portion thereof, upon which the sign is located. Such signs must be removed within 15 days after the closing of the sale, rental or lease. Such signs are subject to the following restrictions:

- a. Number and type: one (1) non-electrical ground or wall sign per premises, per street frontage.
- b. Maximum sign area (including Real Estate Rider Boards): eight (8) square feet for residential; thirty-two (32) square feet for multiple structures within residential developments such as apartment complexes; and sixty-four (64) square feet for business and industrial.
- c. Height and setback requirements commensurate with underlying zone.
- d. On-site real estate signs must be removed within 15 days after sale, rental or lease; and off-site signs (including balloons) advertising an open house, may be located for a duration not to exceed 15 days. No permit is required.

35. "Roof Sign": A sign erected upon, against or directly above a roof, or on the top of or above the parapet of a roof, or on the top of or above the parapet of a building, subject to the following restrictions:

- a. Maximum sign area measured in square feet shall be two (2) times the building frontage if there is no other sign type; one and one-half times the building frontage if there is a wall sign or projecting sign; or one hundred fifty (150) square feet, whichever is least.
- b. Roof signs shall be set back a minimum of three (3) feet from the projecting plane of the building's exterior wall.

It is the intention of this provision to provide a clear passageway around or under the sign.

c. Maximum number of roof signs shall be one (1).

d. Roof signs shall not extend more than ten (10) feet above the roof.

e. Sign content shall refer to on-site business identification only. A permit is required.

36. "Rotating Sign": Any sign, or portion of a sign, which moves in any manner. It is considered a form of ground, wall or roof sign. A permit is required.

37. "Sign": Any sign, illuminated or nonilluminated, or presentation by words, letters, figures, designs or pictures, publicly displayed to give notice relative to a person, business, goods, products, a service, activity or a solicitation. "Sign" includes identification, advertising and informational signs, and also includes any permanently installed or situated merchandise (other than a structure). For the purpose of removal, "Sign" shall also include the sign structure. No permit is required for signs installed by government bodies and utility companies. A maximum of three (3) types of signs per premise are permitted, with no more than one (1) from each of the following categories: ground, wall, roof or projecting. Alterations that include repainting, changing copy or replacement of the existing sign face will not require a permit, unless the replacement of the sign face is intended to change the name of the business and/or owner, or if the complete sign structure is changing to new signage.

38. "Sign Structure": Any Structure which supports or is capable of supporting any sign, including decorative cover. A sign may be a single pole and may or may not be an integral part of a building or structure.

39. "Subdivision Identification Sign": A sign intended to identify the name of a residential subdivision located in a residential district. Subdivision signs shall be located at the main entrance to the subdivision project (see real estate and construction project signs). No permit is required.

40. "Temporary Sign": Any sign, except political signs, which is not permanently installed or affixed to any sign structure or building. All temporary signs not attached to a building must be stored inside the building at the end of each business day. These signs may only be displayed during normal business hours. The limit for each business is 2 portable signs, not to exceed a total of sixteen (16) square feet in area, or one (1) sign not to exceed thirty two (32) square feet in area. Such signs may not be flashing or illuminated; and must be set back at least 10 feet from the edge of the right-of-way.

41. "Temporary Window Sign": Any sign which is not permanently installed or affixed to any window. No permit is required.

42. "Wall Sign": Any sign attached to, painted on or erected against any wall of a building or structure so that the exposed face of the sign is on a plane parallel to the plane of the wall. "Wall Sign" shall include any sign erected against, installed on or painted on a penthouse above the roof of a building as long as the wall of the penthouse is on a plane parallel to the wall of the building and a sign attached to, painted on or erected against a false wall or false roof that does not vary more than thirty degrees from the plane of the adjoining elevation. Wall signs shall be subject to the following restrictions:

a. Maximum sign area measured in square feet shall be two (2) times the building frontage if there is no other sign type; one and one-half times the building frontage if there is a ground sign; one (1) times the building frontage if there is a wall sign or a projecting sign; or one hundred fifty (150) square feet, whichever is least.

b. For a building with or proposing more than one (1) business establishment, the allowable wall area, measured in accordance with sub-paragraph a., above, shall be in proportion to the total building frontage occupied by the individual businesses, except that every business shall be allowed at least one (1) wall sign with a maximum of forty (40) square feet of area.

c. As an alternative, the total allowed wall sign area for any one business may be subdivided into a maximum of three (3) separate wall signs.

d. Electronic changing (message center) signs shall not exceed a maximum of fifty (50) percent of the allowed area of a wall sign or a ground sign. Maximum of one (1) message center per premise. A permit is required.

#### V. Administration and Enforcement

The building official is hereby authorized to review all sign applications and issue permits and to enforce the provisions of this regulation. This ordinance shall supersede all other town ordinances and site review regulations, where inconsistent therewith, except as provided in the following paragraph. Any alteration (as defined in Item 37) of existing signs shall conform to the provisions of this ordinance.

In the event that any Federal, State, or Town agency imposes more stringent requirements than those found in this ordinance, the stricter standards shall in all cases apply.

#### VI. FEES

The following are permit fees as required under this ordinance:

a. Mobile signs	\$ 10.00
b. Signs with area under 50 sq.ft.:	15.00
c. Signs with area of 51 to 100 sq.ft.:	25.00
d. Signs with area of 101 to 300 sq.ft.:	50.00
e. Signs with area over 300 sq.ft.:	100.00

Fees for multiple signs for a single premise shall be determined by total square footage.

VII. SEVERABILITY CLAUSE

The invalidity of any provision of this ordinance shall not affect the validity of any other provision.

ARTICLE 10 Amend existing Section 307-19, 307-21 and 307-22; Elderly Housing, to provide a more explicit definition of elderly housing and to provide that the Planning Board shall have jurisdiction to review and approve elderly housing floor plans for health and safety. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

307-19 Definitions

As used in this Article, the following terms shall have the meanings indicated:

A. ELDERLY HOUSING COMPLEX - One (1) or more buildings containing apartments intended exclusively for occupancy by elderly persons or couples (elderly as defined in Section B below), wherein each apartment shall contain not less than four hundred fifty (450) square feet of living space and each complex shall be located on a single parcel or lot of land.

B. ELDERLY, HANDICAPPED OR DISABLED PERSON - A person who is at least 62 years old. The term elderly (senior citizen) also means persons with the following handicap or disabilities, regardless of age:

(1) Handicapped

(i) Inability to engage in any substantially gainful activity by reason of any medically determinable physical or mental impairment which:

(A) Has lasted or can be expected to last for a continuous period of not less than 12 months; or which can be expected to result in death;

(B) Substantially impedes the ability to live independently; and

(C) Is of such a nature that such ability could be improved by more suitable housing conditions.

(ii) In the case of a blind person who is at least 55 years old (within the meaning of "blindness" as determined in Section 223 of the Social Security Act), and who is unable because of the blindness to engage in substantially gainful activity requiring skills or abilities comparable to those of any gainful activity in which he/she has previously engaged with some regularity over a substantial period of time.

(2) Disabled In the case of developmental disability, a person with a severe, chronic disability which:

- (i) Is attributable to a mental or physical impairment;
- (ii) Is manifested before the person attains age 22;
- (iii) Is likely to continue indefinitely;
- (iv) Results in substantial functional limitations in three or more of the following areas of major life activity:
  - (A) Self Care
  - (B) Receptive and expressive language,
  - (C) Learning
  - (D) Mobility
  - (E) Self-direction
  - (F) Capacity for independent living
  - (G) Economic self-sufficiency; and
- (v) Reflects the person's need for a combination and sequence of special, interdisciplinary or generic care or treatment, or for other services which are of lifelong or extended duration and are individually planned and coordinated.

ARTICLE 11 Amend existing Section 307-43 to provide proper criteria for a variance (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

Amend existing Section 307-43 A & B and 307-42C in its entirety to correspond to RSA 674-33 changes will read as follows:

A. In order for a variance to be legally granted, all of the following five (5) conditions must be present:

1. No diminuation in value of surrounding properties would be suffered.

2. Granting the permit would be of benefit to the public interest.

3. Denial of the permit would result in unnecessary hardship to the owner seeking it.

4. By granting the variance substantial justice would be done.

5. The use must not be contrary to the spirit of the ordinance.

B. At the hearing on the application, the applicant shall present testimony and other evidence to establish that all five (5) conditions for a variance have been met. The decision of the Board shall be based on the evidence presented at the hearing, not on the allegations contained in the application. Abutters and residents shall be entitled to present testimony and other evidence to establish that the applicant has or has not met all (five) of the above-listed conditions.

AMEND 307-42 C. VARIANCES TO READ:

C. Variances. If the Board votes to grant a variance, it shall set forth in its minutes how the applicant has met each of the five (5) conditions which must be set forth in order to obtain a variance. If the Board votes to deny a variance, it shall set forth in its minutes which condition or conditions, necessary for a variance, the applicant failed to establish.

ARTICLE 12 To see if the Town should vote to amend the Pelham Zoning Ordinance by adding to the business zone, District D-3, parcels designated as TM 010-285, 010-286, 010-287, containing 1.09 acres, more or less. Currently part of Residential District. (BY PETITION) (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

ARTICLE 13 To amend the Pelham Zoning Ordinance by adding to the Residential District, parcels designated as TM 8-105. Currently part of the RCA (Recreational-Conservation-Agriculture) District. (BY PETITION) (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

To see if the town will vote to amend the Pelham Zoning Ordinance, by placing the following parcel of land in the Residential District (Article III., Section 307-12 of the Pelham Zoning Ordinance):

A parcel of land in Pelham Hillsborough County, State of New Hampshire, described as follows:

Beginning at a point at the end of the south side of Rita Avenue; thence

(1) Approximately two hundred twenty (220) feet along the west side of Tax Map 8-106 to a point; thence

(2) Approximately five hundred twenty nine (529) feet west, to a point on Golden Brook; thence

- (3) Approximately nine hundred eighty two (982) feet north to a point; thence
- (4) Approximately three hundred seventeen (317) feet, east, to a point; thence
- (5) Approximately one hundred fifteen (115) feet south west along the public right of way of Rita Avenue to the point of beginning.

This property is also known as Lot one hundred five (105) on Tax Map number eight (8).

ARTICLE 14 To see if the Town will vote to amend the Pelham Zoning Ordinance by adding to the business zone, parcel designated as TM 8-41 containing 2.5 acres, more or less. Currently part of a residential District. (BY PETITION) (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

ARTICLE 15 To add a new section to the building code, to be Section 183-15-H. To require a certified plot plan showing the location of the proposed construction prior to the issuance of an occupancy permit. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

183-15-H

Any person applying for a building permit for the construction of a dwelling, commercial or industrial building or an addition to any building will require a foundation permit and a building permit. Prior to the issuance of a building permit, the applicant will be required to submit a certified foundation plan, by a licensed Land Surveyor in the State of New Hampshire, showing the setbacks to the property lines. After review and approval by the Building Inspector, a building permit will be issued. Prior the issuance of an occupancy permit, a certified plot plan, by a licensed Land Surveyor in the State of New Hampshire, shall be submitted showing location of the building, well and septic locations. After review and approval by the Building Inspector, a Certification of Occupancy will be issued. This requirement may be waived for an addition to an existing structure if, in the opinion of the Building Inspector, the setbacks could be met.

ARTICLE 16 To amend Section 225-1 of the Life Safety Code to adopt the 1988 Edition of the Life and Safety Code. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

#### LIFE SAFETY

- 225.1 Adoption of Standards
- 225.2 Authority
- 225.3 Severability
- 225.4 More restrictive provisions to govern
- 225.5 Interpretation by administrating officer
- 225.6 Violations and penalties
- 225.7 Effective date

- 225.8 Amendments to standards
- 225.8 Sprinkler Ordinance

(HISTORY: Adopted 3-13-79 by ballot by the ATM, Art. 2. Amendments noted where applicable)

#### GENERAL REFERENCES

- Building construction - See Ch. 183
- Excavations - See Ch. 208
- Site plan review - See Ch. 248
- Subdivision of land - See Ch. 260

#### 225.1 Adoption of Standards

There is hereby adopted by the Town of Pelham, New Hampshire for the purpose of providing safety from fire the Life Safety Code Handbook, prepared and published by the National Fire Protection Association, being particularly the fourth edition of the 1988 Life Safety Code Handbook thereof and the whole thereof, save and except such portions as are hereinafter deleted, modified or amended of which not less than three (3) copies in the office of the Board of Selectmen and three (3) copies in the office of the Building Inspector, and the same is hereby adopted and incorporated as fully as if set out at length herein.

#### 225.2 Authority

These standards are adopted pursuant to the authority granted by RSA 674:51 and RSA 674:52.

#### 225.3 Severability

If any term, part, provision, section, subdivision or paragraph of these standards shall be held unconstitutional, invalid, or ineffective in whole or in part by any court of competent jurisdiction, such determination shall be deemed to invalidate only the article, section, provision, subdivision, paragraph or part thereof affected, and it shall be presumed that these standards would have been passed without such invalid portion and that every other article, section, paragraph, provision or part of these standards shall be deemed valid and shall continue in full force and effect.

#### 225.4 More restrictive provisions to govern

Whenever the provisions hereof differ from those prescribed by any statute, code, ordinance or regulation, that provision which imposes the greater restriction or higher standard shall govern.

#### 225.5 Interpretation by administrating officer

In matters of judgment or of interpretation of these standards, the opinion of the administrating officer shall prevail.

#### 225.6 Violations and penalties

A. A person shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any provision of these standards is committed and, upon conviction for such violation, shall be punished by a fine of not more than five hundred dollars (\$500) for each separate offense.

B. In addition, the administrating officer shall, upon receipt from the Board of Selectmen of a stop-work order issued to a builder of a structure in an approved subdivision, suspend all permits issued to that same builder for construction in that same subdivision, until the administrating officer can determine whether the above-mentioned builder has committed similar violations on other structures in the above mentioned subdivision. This determination on the part of the administrating officer shall take no longer than forty-eight (48) hours from the receipt by him of the stop-work order.

#### 225.7 Effective date

These standards shall become effective immediately upon their adoption with respect to new construction. These standards shall become effective with respect to existing construction on October 1, 1990. For the purpose of this section, the term "new construction" means construction authorized by a permit issued on or after March 31, 1990.

#### 225.8 Amendments to standards

Section 1-4.1 of the Life Safety Code is amended by adding the following sentences to the end thereof: "Notwithstanding any other provisions of this code, only the provisions of section 22-1 shall apply to one and two-family dwellings. The administrating officer shall not require the reconstruction of any existing structurally sound stairway in any existing one, two or three family dwelling.

ARTICLE 17 To see if the Town will vote to raise and appropriate the sum of \$1,500,000.00 (One Million Five Hundred Thousand Dollars) for the purpose of constructing, equipping and occupying a new municipal building on Pelham Tax Map Parcel 7-237. One Million Five Thousand Dollars (\$1,500,000.00) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; to authorize the Selectmen to invest said monies and to use the earnings thereon for said project; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the

Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. (BY PETITION) (DISAPPROVED BY THE BUDGET COMMITTEE)

STANDARD ARTICLES

ARTICLE 18 To hear the reports of auditors, agents and other committees heretofore chosen and pass any votes relating thereto.

ARTICLE 19 To see if the Town will vote to authorize the prepayment of taxes and authorize the Tax Collector to accept payments in prepayment of taxes.

ARTICLE 20 To see if the Town will authorize the Selectmen and Town Treasurer to borrow in anticipation of taxes, such sums as may be necessary to meet the obligatory expenses to the Town as provided for in RSA 33:7

ARTICLE 21 To see if the Town will vote to authorize the Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the state, federal or governmental unit or private source which becomes available during the 1990 fiscal year, provided that such expenditure be made for the purposes for which a Town may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Selectmen hold a public hearing prior to accepting and spending the money.

ARTICLE 22 To see if the Town will vote to raise and appropriate the sum of \$2,874,254.00 for general town operations. (MAJORITY VOTE REQUIRED) (\$2,863,688.00 RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 23 To see if the Town will vote to limit the Town's 1990 insurance premium expenditures to an amount not to exceed \$295,000.00. (BY PETITION) (DISAPPROVED BY THE BUDGET COMMITTEE)

ARTICLE 24 To see if the Town will vote to appropriate funds from the 1990 State allocation of \$118,703.67 to construct a paved road, consisting of graveling, oiling and penetration, said construction to begin from the end of the existing paved road at the top of St. Margaret's Drive and be terminated at the bottom of the St. Margaret's Drive past the Tessier residence to the way bar gate that crosses the road. (BY PETITION) (DISAPPROVED BY THE BUDGET COMMITTEE)

ARTICLE 25 To see if the Town will vote to raise and appropriate the sum of \$90,000.00 in the 1990 tax year to cover phase one of a two year appropriation for the purpose of reassessing the Town of Pelham. (RECOMMENDED BY THE BOARD OF SELECTMEN) (DISAPPROVED BY THE BUDGET COMMITTEE)

ARTICLE 26 To see if the Town will vote to raise and appropriate the sum of \$78,420.00 from the State Road Fund Grant to repave 2+ miles of Dutton Road. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 27 To see if the Town will vote to raise and appropriate the sum of \$62,827.00 to fund the recommendations of the Police Union Factfinders' Report with respect to a collective bargaining agreement covering the period of April 1, 1989 through December 31, 1990. This amount includes \$30,347.00 for 1989 and \$32,480.00 for fiscal year 1990. (DISAPPROVED BY THE BUDGET COMMITTEE)

ARTICLE 28 To see if the Town will vote to raise and appropriate the sum of fifty-nine thousand six hundred and one dollars and six cents (\$59,601.06) to fund the salary increase for the Pelham Police Union employees as outlined in the 1990 contract. (BY PETITION) (DISAPPROVED BY THE BUDGET COMMITTEE)

ARTICLE 29 To see if the Town will vote to raise and appropriate the sum of \$50,000.00 for the purpose of disposing of the Incinerator ash residue. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 30 To see if the Town will vote to raise and appropriate the sum of \$33,000.00 for the purpose of construction of a road salt and sand shed on Town property, the location of which is yet to be determined. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 31 To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to reconstruct the barn at the Pelham Senior Citizens' Center. (RECOMMENDED BY THE BOARD OF SELECTMEN) (DISAPPROVED BY THE BUDGET COMMITTEE)

ARTICLE 32 To see if the Town will vote to expend \$18,868.00 for the specific purpose of operating and maintaining the Town of Pelham's public access cablecasting capabilities from income set aside by Harron Communication Company. This income is allocated to the Town of Pelham by its Franchise Agreement with Harron Communication Company and if not used as specified, must be refunded to Harron Communication Company. NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 33 To see if the Town will vote to raise and appropriate an operating transfer to the existing Capitol Reserve Fund Land Fill Closure in the amount of \$15,000.00 to be funded from surplus. NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 34 To see if the Town will vote to raise and appropriate the sum of \$12,400.00 for the purpose of having the State paint intersection safety markings and double yellow lines on 14 miles of Town roads. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 35 To see if the Town will vote to raise and appropriate the sum of \$11,000.00 for the purpose of maintaining a fund for the purpose of reimbursement of terminating Town employees for accrued benefits. (RECOMMENDED BY THE BOARD OF SELECTMEN)  
(RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 36 To see if the Town will vote to raise and appropriate an operating transfer to the existing General Fund Trust Maintenance of the Recycling Facility in the amount of \$10,000.00 to be funded from surplus. NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. (RECOMMENDED BY THE BOARD OF SELECTMEN)  
(RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 37 To see if the Town will vote to raise and appropriate the sum of \$10,685.00 to fund the Pelham Police Department's Drug Task Force. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 38 To see if the Town will vote to raise and appropriate the sum of \$9,837.00 to fund the addition of an operator at the Pelham Incinerator. (RECOMMENDED BY THE BOARD OF SELECTMEN)  
(RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 39 To see if the Town will vote to raise and appropriate the sum of \$9,371.00 (Nine Thousand Three Hundred and Seventy One Dollars) for the purchase of four (4) motorola saber I FM portable radios (costs of the radios is the State bid price)  
(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 40 To see if the Town will vote to raise and appropriate the sum of \$8,000.00 to clear titles and sell those parcels of land previously approved for sale to partially fund the municipal building construction. This amount is less than the \$8,400.00 rental income received from the municipal building property.  
(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 41 To see if the Town will vote to raise and appropriate the sum of \$5,855.00 for the purpose of purchasing a copy machine for the Selectmen's Office. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 42 To see if the Town will vote to raise and appropriate the sum of \$5,246.00 to fund the Town's share of the membership assessment of the Nashua Regional Planning Commission.  
(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 43 To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (Five Thousand Dollars) to fund the Police Station Mobile Office. (RECOMMENDED BY THE BOARD OF SELECTMEN)  
(RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 44 To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to fund the senior citizens' nutritional program only in the event that federal funding is not forthcoming. (BY PETITION) (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 45 To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the purpose of repairing the ceiling in the Town Hall Courtroom. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 46 To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to meet the requirements of (NH Regulation Ws 411) Underground Storage Tanks over twenty-five (25) years of age. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 47 To see if the Town will vote to raise and appropriate the sum of \$4,900.00 for the purchase and installation of carpeting for the Court Room/Meeting Room at Town Hall. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 48 To see if the Town will vote to expend \$4,500.00 from the interest generated by the Elmer G. Raymond Memorial Trust Fund for the purpose of operation and maintenance of the Park. NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. This is the same amount that was approved by the 1986, 1987, 1988 and 1989 Town Meetings for the operation and maintenance of said Park. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 49 To see if the Town will vote to raise and appropriate the sum of \$4,500.00 (Four Thousand, Five Hundred Dollars) to install a new septic system at the Animal Control Shelter. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 50 To see if the Town will vote to raise and appropriate the sum of \$4,241 for the purchase of library equipment, computer, monitor, printer, hook up to state, magazine racks, one bookcase, 8 chairs, and one desk chair, and authorize the withdrawal of \$4,241 from the Library Capital Reserve Fund created for that purpose. NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 51 To see if the Town will vote to raise and appropriate the sum of \$4,200.00 for the purchase of:

- 5 - Personal Alert Safety Systems ..... \$1,000.00
- 1 - Positive Pressure Ventilator ..... \$1,600.00
- 1 - 5000 Watt Generator ..... \$1,600.00

(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 52 To see if the Town will vote to raise and appropriate an operating transfer to the existing Capitol Reserve Fund New Recycling Building in the amount of \$3,931.00 to be funded from surplus. NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 53 To see if the Town will vote to raise and appropriate the sum of \$3,500.00 to have the trim on the Library painted. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 54 To see if the Town will vote to raise and appropriate the sum of \$3,500.00 to remove and prune approximately twenty hazardous limbs and trees in the Town's cemeteries. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 55 To see if the Town will vote to raise and appropriate the sum of \$3,300.00 to repair the wrought iron cemetery fence in the front of Gibson Cemetery. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 56 To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for a road entrance gate at George M. Muldoon Park. (RECOMMENDED BY THE BOARD OF SELECTMEN) (DISAPPROVED BY THE BUDGET COMMITTEE)

ARTICLE 57 To see if the Town will vote to raise and appropriate the sum of \$3,000.00 (Three Thousand Dollars) for installing new carpeting, painting the ceilings, installing new wallpaper, replacing 5 doors and moving the lights in the Police Station cell area. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

Carpeting	=	\$1,750.00
Lights	=	100.00 moving lights
Doors	=	500.00 doors plus installation and some hardware
Paint and Wallpaper	=	650.00

ARTICLE 58 To see if the Town will vote to raise and appropriate the sum of \$2,712.00 to fund the Preschool Playground Program for Pelham children four and five years of age at the Pelham Veterans Memorial Park. This sum is to be offset by program fees paid to the Town of Pelham. NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. (BY PETITION) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 59 To see if the Town will vote to raise and appropriate the sum of \$2,600.00 for environmental monitoring and ash testing at the Incinerator Recycling Facility. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 60 To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for improvements at Pelham Veterans Memorial Park to include a ballfield backstop. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 61 To see if the Town will vote to raise and appropriate the sum of \$1,553.00 to purchase and install computer hardware for the Town computer system. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 62 To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the purpose of installing water at the Library by hooking into the Southern New Hampshire Water Company water line. (RECOMMENDED BY THE BOARD OF SELECTMEN) (DISAPPROVED BY THE BUDGET COMMITTEE)

ARTICLE 63 To see if the Town will vote to raise and appropriate the sum of \$1,310.00 for the purpose of purchasing and installing carpeting in the Selectmens' Office at the Town Hall Annex. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 64 To see if the Town will vote to raise and appropriate the sum of \$1,200.00 (One Thousand, Two Hundred Dollars) to install "Private Line Circuit Boards" within our Police Department patrol vehicles and portable radios. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 65 To see if the Town will vote to raise and appropriate the sum of \$1,000.00 (One Thousand Dollars) for the purchase of 3 filing cabinets, plus one electric typewriter for the Police Department officers' room, plus a 35 mm mugshot camera. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 66 To see if the Town will vote to place any unexpended balance in the 1989 Conservation Commission Appropriation at the end of the year in the special conservation fund in accordance with RSA 36-A:5. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 67 To see if the Town will vote to have the 1989 income from the Library Unrestricted Trust Funds, placed into the Library Captial Reserve Fund, with the exception of the Zylonis Trust. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 68 To see if the Town will vote to establish a school construction reserve fund to be funded from the proceeds of any town sale of land or buildings. (BY PETITION)

ARTICLE 69 To see if the Town will vote to adopt the designation of Town owned land TM 12-210 to be used as the site of a future fire substation. (BY PETITION)

ARTICLE 70 To see if the Town will vote to adopt the designation of Town owned land TM 12-216 as a wilderness area, precluding development of any kind. (BY PETITION)

ARTICLE 71 To see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment". (BY PETITION) (RECOMMENDED BY THE BOARD OF SELECTMEN)

ARTICLE 72 To see if the Town will vote to designate a portion of Old Bridge Street North as a Scenic Road. The area to be included is described as follows: Beginning at the point of intersection with Route 38 ending at the point of intersection with Route 111A in Pelham Center. The purpose of this article is to protect and preserve the historic stone bridge over Beaver Brook. (BY PETITION)

ARTICLE 73 To see if the Town will vote to authorize the Board of Selectmen to convey property identified as Tax Map 10 Lot 5 to the heirs of Bert A. Cluff on such terms and conditions as the Pelham Board of Selectmen deem are in the best interests of the Town. (RECOMMENDED BY THE BOARD OF SELECTMEN)

ARTICLE 74 To see if the Town will vote to authorize the Board of Selectmen to convey property identified as Tax Map 10, Lot 15 to the heirs of Bert A. Cluff on such terms and conditions as the Pelham Board of Selectmen deem are in the best interests of the Town. (RECOMMENDED BY THE BOARD OF SELECTMEN)

ARTICLE 75 To see if the Town will vote to adopt the following Noise Ordinance:

NOISE: No use shall be permitted within the Town of Pelham which, by reason of excessive noise generated therefrom, would cause nuisance or hazard to persons or property. Exempt from the provisions of this subsection are (a) vehicles not controlled by an owner or occupant of a lot within the Town, (b) temporary construction activities occurring during the hours of 7 a.m. to 6 p.m. on weekdays, (c) occasionally used safety signals, warning devices, emergency pressure relief valves, or other such temporary activity, (d) use of power tools and equipment such as lawn mowers, snow-blowers, chain saws, tractors and similar equipment for the maintenance of property and (e) organized Sportsman Clubs.

For the purpose of this Ordinance the standards in the following Table shall apply:

<u>NOISE STANDARDS:</u> TABLE 1	Maximum Permitted Sound
For sounds generated continuously	Levels (in dBA)*
from any source not otherwise	
exempted above, and measured:	

- (a) At the lot line of an adjacent or nearby residence or institutional use, Sundays or during the hours of 7 a.m. to 6 p.m. 60
- (b) At the lot line of an adjacent or nearby residence or institutional use, Sundays or during the hours of 6 p.m. to 7 a.m. weekdays 50
- (c) At the lot line of an adjacent Business Use. 65
- (d) At the lot line of an adjacent Industrial Use 70

\* dBA shall mean the A-weighted sound pressure levels in decibels, as measured by a General Purpose Sound Level Meter complying with the provisions of "American National Standards Institute" The instrument shall be properly calibrated and set to the A-weighted response scale, and the meter set to the slow response. Reference pressure shall be 0.0002 microbars.

Exceptions for Intermittent Noise. The levels (dBA) specified in Table 1 may be exceeded by 10 d, weekdays during the hours of 7 a.m. to 6 p.m. but not at any other time, for a period not to exceed twenty minutes during any one day.

Impact Noise. Impact Noise such as from a punch press, drop forge hammer, or similar equipment, shall be measured using the fast response of the Sound Level Meter, and shall not exceed the levels specified in Table 1 by more than 10 dBA. (BY PETITION)

ARTICLE 76 To see if the Town will vote pursuant to New Hampshire RSA 29:1 to accept all of Spring Street Extension as a Class V highway as defined by New Hampshire RSA 229:5. (BY PETITION)

ARTICLE 77 To see if the Town will vote pursuant to New Hampshire RSA 229:1 to accept from number 1 to number 17 Little Island Park as a Class V highway as defined by New Hampshire RSA 229:5. (BY PETITION)

ARTICLE 78 To see if the Town will vote pursuant to New Hampshire RSA 229:1 to accept Berthel Street, from Spring Street Extension to number 7, as a Class V highway as defined by New Hampshire RSA 229:5. (BY PETITION)

ARTICLE 79 To see if the Town will vote to authorize the Board of Selectmen to sell a section of the lot #143, map 8 (indicated on the Town of Pelham tax maps) measuring 35' x 135' (approx. length of back property boundry-lot #147, map 8) to Mr. Thomas F.

McCoy Jr. at an estimated value of .19 cent per square foot. (BY PETITION)

ARTICLE 80 To see if the Town will vote to authorize the Board of Selectmen to sell to Barbara Gaudette, 2 Methuen Road lot #164, Tax Map 11, having an estimated value of \$3,400. (BY PETITION)

ARTICLE 81 To see if the Town will vote to authorize the Board of Selectmen to sell a section of the lot #143, map 8 (indicated on the Town of Pelham tax maps) measuring 35' x 125' (approx. length of back property boundary - lot #146, map 8) to Mary Lou Carver at an estimated value of .19 cent per square foot. (BY PETITION)

FIRST SESSION  
ANNUAL TOWN MEETING  
MARCH 13, 1990  
MEMORIAL SCHOOL

Before the opening of the meeting, the ballot box was inspected and sealed, the required postings done and the checklists were certified. Ballot clerks on shifts throughout the day were Anita Greenhalgh, Marilyn Grimard, Barbara Smith, Jeannette Surprenant, Blanche Devine, Priscilla Pike, Eileen Surprenant and Marie Ward.

At 10:00 A.M. the Town Meeting was opened by the Moderator, Philip R. Currier. He read the warrants for both the Town and School District. Articles I through 16 would be voted on by ballot. Voting continued throughout the day until 8:00 P.M. After tallying the ballots, the Moderator announced the following results:

1906 Regular ballots cast  
39 Absentee ballots cast

---

1945 Total ballots cast

Currently part of the RCA (Recreational-Conservation-Agriculture) District." (By Petition) (This amendment is Approved by the Pelham Planning Board)

YES 728 NO 967

QUESTION #14

"Are you in favor of the adoption of Amendment No. Eleven as proposed by petition for the Town Zoning Ordinance as follows: To see if the Town will vote to amend the Pelham Zoning Ordinance by adding to the business zone, parcel designated as TM 8-41 containing 2.5 acres, more or less. Currently part of a Residential District." (By Petition) (This amendment is Approved by the Pelham Planning Board)

YES 855 NO 894

BUILDING CODE AMENDMENTS

QUESTION #15

"Are you in favor of the adoption of Amendment No. One as proposed by the Planning Board for the Town Building Code as follows: To add a new Section to the Building Code, to be Section 183-15-H. To require a certified plot plan showing the location of the proposed construction prior to the issuance of an occupancy permit." (This amendment is Approved by the Pelham Planning Board)

YES 1044 NO 632

LIFE SAFETY AMENDMENTS

QUESTION #16

"Are you in favor of the adoption of the Amendment No. One as proposed by the Planning Board for the Town Life Safety Code as follows: To amend Section 225-1 of the Life Safety Code to adopt the 1988 Edition of the Life and Safety Code." (This amendment is Approved by the Pelham Planning Board)

YES            1186            NO            407

All ballots used and unused were turned over to the Town Clerk for preservation at 11:15 P.M.

Respectfully Submitted,

Cheryl B. Rossi CMC  
Town Clerk

SECOND SESSION  
ANNUAL TOWN MEETING  
MEMORIAL SCHOOL  
MARCH 15, 1990

The Moderator, Philip R. Currier opened the second session of the 1990 Town Meeting at 7:40 p.m. Charles Newton led the group in the Pledge of Allegiance to the Flag. Mr. Currier then introduced David Barker, the new Administrative Assistant, and the other town officials who were seated on the stage. He then explained the rules and procedures to be followed for the meeting.

William Putnam made a motion that reconsideration be limited to within three additional line items or three additional Articles on the same evening. Seconded. Passed in the affirmative. Reconsideration is limited.

ARTICLE 1 thru 16 Acted upon by ballot on election day.

ARTICLE 17 (CONSTRUCT AND EQUIP A NEW MUNICIPAL BUILDING) (BY PETITION) (DISAPPROVED BY THE BUDGET COMMITTEE) No action taken on this article.

ARTICLE 18 (REPORTS OF AUDITORS, AGENTS & OTHER COMMITTEES) Moved and seconded. Article adopted.

ARTICLE 19 (AUTHORIZE PRE-PAYMENT OF TAXES) Moved and seconded. Adopted.

ARTICLE 20 (BORROW IN ANTICIPATION OF TAXES) Moved and seconded. Adopted.

ARTICLE 21 (AUTHORIZE SELECTMEN TO APPLY FOR, ACCEPT AND EXPEND MONIES FROM STATE, FEDERAL, GOVERNMENTAL AND PRIVATE SOURCES) Moved and seconded. Adopted.

ARTICLE 22 (BUDGET FOR GENERAL TOWN OPERATIONS) (RECOMMENDED BY THE BUDGET COMMITTEE \$2,863,688.00) Moved to adopt. Seconded. The following list is the Budget Committee recommendations:

---

TOTAL: 2,863,688.00

Don DiRubbo amended the figure to 2,664,431.00 -- level funding at the 1989 figure. Seconded. Much discussion for and against the amendment followed. Ten registered voters submitted a request to the Moderator for a secret ballot vote on the amended figure. There were 4735 votes cast. YES 209 -- NO 226 Amendment was defeated. Back to the original figure of \$2,863,688.00. Passed in the affirmative. General budget figure adopted. \$2,863,688.00

ARTICLE 23 (LIMIT TOWN'S 1990 INSURANCE PREMIUM EXPENDITURES) (BY PETITION) (DISAPPROVED BY THE BUDGET COMMITTEE) William Putnam amended the article to read "medical" insurance premium expenditures. Seconded. He explained that this was the third year that the Taxpayers' Association had submitted an article of this nature and even though it was not legally binding; it sends a message to place a ceiling on medical insurance and let the employees pay a portion of the premiums. Vote in doubt. Hand count requested. YES 163 -- NO 1898. Article not approved.

ARTICLE 24 (PAVE ST. MARGARET DRIVE) (BY PETITION)  
(DISAPPROVED BY THE BUDGET COMMITTEE) Moved and seconded.  
George Tessier spoke in favor of the article. He explained the high costs for repairs on this road. Christopher Sintros read Town Counsel's opinion that this article as written did not stipulate that funds would be "raised" and appropriated from the State allocation for town roads. After much discussion the article was defeated.

ARTICLE 25 (PHASE ONE OF REASSESSMENT OF TOWN) (DISAPPROVED BY THE BUDGET COMMITTEE) Motion to defeat. Seconded. Article defeated.

ARTICLE 26 (REPAVE DUTTON ROAD) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved to adopt. Seconded. This article was to repave 2+ miles of Dutton Rd. starting at Island Pond Road to the state line to be funded from the State Road Fund Grant. Hand count requested. YES 89 -- NO 202 Article defeated.

ARTICLE 27 (FUND POLICE UNION FACTFINDERS' REPORT) (DISAPPROVED BY THE BUDGET COMMITTEE) Moved to defeat. Seconded. Raymond Cashman, Chairman of the Board of Selectmen explained that the Board had rejected the Factfinders' Report and urged defeat of the article. Article was defeated.

A vote was taken at this time to reconvene on Friday, March 16th.

ARTICLE 28 (FUND SALARY INCREASE FOR POLICE UNION EMPLOYEES) (BY PETITION) (DISAPPROVED BY THE BUDGET COMMITTEE) Moved to defeat. Seconded. Ray Cashman urged defeat of this article. Dennis Lyons explained that at this time they were at an impasse. Mr. Cashman stated that they do not have a signed contract and should not be negotiated here. Article defeated.

ARTICLE 29 (DISPOSE OF INCINERATOR ASH RESIDUE) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. John Lavalley explained the necessity of this expenditure. Article adopted.  
\$50,000.00

ARTICLE 30 (CONSTRUCT A ROAD SALT & SAND SHED) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. James Hardy explained the necessity and that the location would be determined at a later date. Bill McDevitt amended the article to add: "No action to be taken on site choice before holding one public hearing by the selectmen." Article as amended was adopted.  
\$33,000.00

ARTICLE 31 (RECONSTRUCT BARN AT SENIOR CITIZENS' CENTER) (DISAPPROVED BY THE BUDGET COMMITTEE) Moved to defeat. Seconded. Article defeated.

ARTICLE 32 (PUBLIC ACCESS CABLECASTING CAPABILITIES)  
(RECOMMENDED BY THE BUDGET COMMITTEE) (NO PORTION TO BE RAISED  
BY TAXES) Moved and seconded. Article adopted. \$18,868.00

ARTICLE 33 (OPERATING TRANSFER TO EXISTING CAPITOL RESERVE FUND  
LAND FILL CLOSURE) (RECOMMENDED BY THE BUDGET COMMITTEE) (NO  
PORTION TO BE RAISED BY TAXES) Moved and seconded. Article  
adopted. \$15,000.00

ARTICLE 34 (STATE PAINT INTERSECTION SAFETY MARKINGS)  
(RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded.  
Article adopted. \$12,400.00

ARTICLE 35 (MAINTAIN FUND FOR REIMBURSEMENT OF TERMINATING  
EMPLOYEES' ACCRUED BENEFITS) Moved and seconded. Ray Cashman  
gave an explanation that this fund would be used to pay  
terminating employees for accrued vacation days, sick days or  
compensatory time for which they must be paid without seriously  
affecting a particular budget item. Vote in doubt. Hand count  
requested. YES 134 -- NO 136 Article defeated.

ARTICLE 36 (OPERATING TRANSFER TO EXISTING GENERAL FUND TRUST  
MAINTENANCE OF RECYCLING FACILITY) (RECOMMENDED BY THE BUDGET  
COMMITTEE) (NO PORTION TO BE RAISED BY TAXES) Moved and  
seconded. Article adopted. \$10,000.00

ARTICLE 37 (POLICE DRUG TASK FORCE) (RECOMMENDED BY THE BUDGET  
COMMITTEE) Moved and seconded. Chief Richard Young stressed the  
need for this expenditure. Article adopted. \$10,685.00

At this time, Christopher Sintros moved for reconsideration on  
Article 35. Seconded. After discussion the motion to reconsider  
was defeated.

Motion to adjourn at 11:04 P.M. was adopted.

SECOND SESSION  
MEMORIAL SCHOOL  
MARCH 16, 1990

Mr. Currier, the Moderator called the meeting to order at 7:35  
P.M. The Pledge to the Flag was led by Charles Ward. Mr.  
Currier then recognized all non-registered voters.

ARTICLE 38 (FUND ADDITION OF AN OPERATOR AT THE INCINERATOR)  
(RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Al  
Greenhalgh, Supt. of the Incinerator stressed the need for the  
operator. He explained that in the twelve years of operation of  
the incinerator this is the first time additional help has been  
requested. Vote on the article passed in the affirmative.

\$9,837.00

ARTICLE 39 (PURCHASE FOUR MOTOROLA SAVER I FM PORTABLE RADIOS) (RECOMMENDED BY THE BUDGET COMMITTEE) Chief Young stated these radios were mainly for the task force. They have a private line which cannot be heard in homes with scanners. Article adopted.  
\$9,371.00

ARTICLE 40 (CLEAR TITLES & SELL PARCELS TO FUND NEW MUNICIPAL BUILDING) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Bill Mc Devitt, Chairman of the Municipal Building Committee, stated the need for this expenditure. After much discussion, Charlotte Vautier amended the article to add "no portion to be raised by taxes". Seconded. Town Counsel offered the opinion that the amendment would defeat the article. Vote was in doubt. Hand count requested on the article as amended. YES 111 -- NO 70 Article as amended was adopted.  
\$8,000.00

ARTICLE 41 (PURCHASE COPY MACHINE FOR SELECTMEN'S OFFICE) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Hand count requested. YES 72 -- NO 125 Article was defeated.

ARTICLE 42 (NASHUA REGIONAL PLANNING COMMISSION) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Ray Cashman stressed the need for our membership this year. This Commission does studies of the impact that the new mall in Salem will have on the traffic flow through our tow. Vote on the article was in the affirmative.  
\$5,246.00

ARTICLE 43 (FUND POLICE STATION MOBILE OFFICE) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Hand count requested. YES 137 -- NO 56 Article adopted.  
\$5,000.00

ARTICLE 44 (FUND SENIOR CITIZENS' NUTRITIONAL PROGRAM) (BY PETITION) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. George Kandar amended the article to delete from the word program to the word forthcoming. Several spoke in favor of the article. Article as amended was adopted.  
\$5,000.00

ARTICLE 45 (REPAIR CEILING IN TOWN HALL COURTROOM) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Article adopted.  
\$5,000.00

ARTICLE 46 (UNDERGROUND STORAGE TANKS) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. John Lavallee explained that we have to test the tanks in the ground to see if they meet the requirements of N.H. Regulation. Article passed in the affirmative.  
\$5,000.00

ARTICLE 47 (PURCHASE & INSTALL CARPETING FOR THE TOWN HALL COURT ROOM) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Article defeated.

ARTICLE 48 (EXPEND INCOME OF ELMER G. RAYMOND MEMORIAL TRUST FUND) (RECOMMENDED BY THE BUDGET COMMITTEE) (NO PORTION SHALL BE RAISED BY TAXES) Moved and seconded. Article adopted.  
\$4,500.00

ARTICLE 49 (INSTALL A SEPTIC SYSTEM AT ANIMAL CONTROL SHELTER) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Article adopted.  
\$4,500.00

ARTICLE 50 (PURCHASE LIBRARY EQUIPMENT) (RECOMMENDED BY THE BUDGET COMMITTEE) (NO PORTION TO BE RAISED BY TAXES) Moved and seconded. This article authorizes the withdrawal of this expense from the Library Capital Reserve Fund. Article adopted.  
\$4,241.00

ARTICLE 51 (EQUIPMENT FOR FIRE DEPARTMENT) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Chief David Fisher explained the need for this expenditure. Article adopted.  
\$4,200.00

ARTICLE 52 (OPERATING TRANSFER TO EXISTING CAPITOL RESERVE FUND NEW RECYCLING BUILDING) (RECOMMENDED BY THE BUDGET COMMITTEE) (NO PORTION TO BE RAISED BY TAXES.) Moved and seconded. This article would be funded from surplus. Article adopted.  
\$3,931.00

ARTICLE 53 (PAINT TRIM ON LIBRARY) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Article adopted.  
\$3,500.00

ARTICLE 54 (REMOVE & PRUNE HAZARDOUS LIMBS) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Ralph Boutwell explained this expense is for the Gumpus Cemetery. Article adopted.  
\$3,500.00

ARTICLE 55 (REPAIR WROUGHT IRON FENCE AT GIBSON CEMETERY) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Hand count requested. YES 124 -- NO 73 Article adopted.  
\$3,300.00

ARTICLE 56 (ROAD ENTRANCE GATE AT GEORGE M. MULDOON PARK) (DISAPPROVED BY THE BUDGET COMMITTEE) Moved to defeat. Seconded. Disapproved.

ARTICLE 57 (RENOVATIONS IN POLICE STATION CELL AREA) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Chief Young explained the need for this expense. After much discussion, motion to limit debate was adopted. Hand count requested. YES 125 -- NO 66 Article adopted.  
\$3,000.00

ARTICLE 58 (PRESCHOOL PLAYGROUND PROGRAM AT PELHAM VETERANS MEMORIAL PARK) (BY PETITION) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Brigid Skudd explained the need. Article adopted. \$2,712.00

ARTICLE 59 (ENVIRONMENTAL MONITORING & ASH TESTING AT INCINERATOR) (RECOMMENDED BY THE BUDGET COMMITTEE) Article adopted. \$2,600.00

ARTICLE 60 (IMPROVEMENTS AT PELHAM VETERANS MEMORIAL PARK) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Brigid Skudd, Recreation Director stated this would be for a ballfield backstop. The park is now being utilized six months of the year. Article adopted. \$2,000.00

ARTICLE 61 (PURCHASE & INSTALL COMPUTER HARDWARE) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Tom Kirby stated two terminals would be added. Vote in doubt. Hand count requested. YES 93 -- NO 93. Moderator cast a vote in the affirmative. Article adopted, 94 -- 93. \$1,553.00

ARTICLE 62 (INSTALL WATER AT THE LIBRARY) (DISAPPROVED BY THE BUDGET COMMITTEE) Moved to defeat. Seconded. John Lavallee explained that this expense was included in the line item budget and so therefore was unnecessary. Article defeated.

ARTICLE 63 (PURCHASE & INSTALL CARPETING AT TOWN HALL ANNEX) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Chris Sintros stressed the need for this item. Article defeated.

ARTICLE 64 (INSTALL "PRIVATE LINE CIRCUIT BOARDS") (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Chief Young explained that this would eliminate other towns interfering with our lines. Article adopted. \$1,200.00

At this time, Charlotte Vautier requested reconsideration on Article 63. Motion to reconsider was defeated.

ARTICLE 65 (PURCHASE EQUIPMENT FOR THE POLICE DEPT.) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Article adopted. \$1,000.00

ARTICLE 66 (PLACE UNEXPENDED BALANCE OF '89 CONSERVATION COMMISSION APPROPRIATION IN SPECIAL CONSERVATION FUND) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved and seconded. Article adopted.

ARTICLE 67 (PACE '89 LIBRARY UNRESTRICTED TRUST FUNDS INTO LIBRARY CAPITAL RESERVE FUND, EXCEPT THE ZYLONIS TRUST) (RECOMMENDED BY THE BUDGET COMMITTEE) Moved to adopt. Seconded. Article adopted.

At this time, Bill McDevitt made a motion to waive the rules of reconsideration to discuss Article 40. After much discussion, this motion was defeated.

ARTICLE 68 (ESTABLISH SCHOOL CONSTRUCTION RESERVE FUND) (BY PETITION) Moved to defeat. Seconded. Ray Cashman stated that it was Legal Counsel's opinion that this is invalid. An article pertaining to the school could not be voted at Town Meeting. William Putnam explained the intent of this article. After much discussion, the article was defeated.

ARTICLE 69 (DESIGNATE TM 12-210 AS FUTURE FIRE SUBSTATION) (BY PETITION) Moved to disapprove. Seconded. Fred Schlapp urged defeat of this article. Article defeated.

ARTICLE 70 (DESIGNATE TM 12-216 AS A WILDERNESS AREA) (BY PETITION) Moved to defeat. Seconded. Article defeated.

ARTICLE 71 (PROCLAIM EARTH DAY, APRIL 22, 1990) (BY PETITION) (RECOMMENDED BY THE BOARD OF SELECTMEN) Moved to adopt. Seconded. Gayle Plouffe stated this is a program to be held throughout the State of New Hampshire. Article adopted.

ARTICLE 72 (DESIGNATE A PORTION OF OLD BRIDGE STREET NORTH AS A SCENIC ROAD) (BY PETITION) moved and seconded. Carolyn Law of the Historical Society urged support on this article. The purpose was to protect and preserve the historic stone bridge over Beaver Brook. Vote in doubt. Hand count requested. YES 88 -- NO 81 Article adopted.

ARTICLE 73 (CONVEY PROPERTY TM 10-005 TO HEIRS OF BERT A. CLUFF) (RECOMMENDED BY THE BOARD OF SELECTMEN) Moved to adopt. Seconded. Ray Cashman explained that this property had been taken for unpaid taxes in the 1930's or 1940's and the heirs had requested to buy it back. Jim Bergeron then amended the article to read as follows: To see if the Town will vote to authorize the Board of Selectmen to discuss the conveyance of property identified as TM 10-005 to the Heirs of Bert A. Cluff on such terms and conditions as the Board of Selectmen deem are in the best interests of the Town, and that such terms be voted upon at a subsequent town meeting. Seconded. Article as amended was adopted.

ARTICLE 74 (CONVEY PROPERTY TM 10-015 TO HEIRS OF BERT A. CLUFF) (RECOMMENDED BY THE BOARD OF SELECTMEN) Moved to defeat. Seconded. Ray Cashman urged defeat of this motion. Hand count taken. YES 58 -- NO 139 Motion defeated. Back to article as originally presented. James Bergeron then amended the article to read as follows: To see if the Town will vote to authorize the Board of Selectmen to discuss the conveyance of property identified as TM 10-015 to the Heirs of Bert A. Cluff on such terms and conditions as the Board of Selectmen deem are in the best interests of the Town, and that such terms be voted upon at

a subsequent town meeting. Seconded. Article as amended was adopted.

ARTICLE 75 (NOISE ORDINANCE) (BY PETITION) Moved to defeat. Seconded. Eleanor Husson urged passage of the ordinance. After much discussion, the article was defeated.

ARTICLE 76 (ACCEPT ALL OF SPRING STREET EXTENSION AS A CLASS V HIGHWAY) (BY PETITION) Moved to defeat. Seconded. Ray Cashman explained the proper procedure to have Spring St. Ext. become a town road. He urged defeat of the article. Article defeated.

ARTICLE 77 (ACCEPT FROM NUMBER 1 TO NUMBER 17 LITTLE ISLAND PARK AS A CLASS V HIGHWAY) (BY PETITION) Moved to defeat. Seconded. Article was defeated.

ARTICLE 78 (ACCEPT BERTHEL STREET, FROM SPRING STREET EXTENSION TO NUMBER 7, AS A CLASS V HIGHWAY) (BY PETITION) Moved to defeat. Seconded. Article was defeated.

ARTICLE 79 (SELL A SECTION OF TM 8-143 TO THOMAS F. McCOY JR.) (BY PETITION) Moved and seconded. Elezear Carver urged support of the article. He explained that this parcel was a non conforming lot. Several spoke against the article. Article was defeated.

ARTICLE 80 (SELL TO BARBARA GAUDETTE TM 11-164) (BY PETITION) Moved to adopt. Seconded. Article was defeated.

ARTICLE 81 (SELL A SECTION OF TM 8-143 TO MARY LOU CARVER) (BY PETITION) Moved to adopt. Seconded. Article was defeated.

John Lavallee, Chairman of the Budget Committee announced the final figure adopted at the town meeting was \$3,111,832.00.

The meeting was adjourned at 11:50 P.M.

Respectfully submitted,

Cheryl B. Rossi CMC  
Town Clerks

RECOUNT

On March 19, 1990 ten registered voters petitioned for a recount on Question #12 and on March 20, 1990 ten registered voters petitioned for a recount on Question #8.

The recount for both questions took place on Monday, March 26, 1990 upstairs in the Town Hall at 6:30 P.M. The Moderator, Philip R. Currier designated the following to recount the ballots: Christopher S. Sintros, Chairman of Board of Selectmen, Ralph Boutwee, Peter Flynn, Cheryl Rossi, Dorothy Marsden, Herbert Currier, Priscilla Currier, Marina Sintros and Richard Rossi.

After tallying was completed, the Moderator announced the following results:

Question #8	YES	793	NO	803	Defeated
Question #12	YES	860	NO	898	Defeated

Ballots were turned over to the Town Clerk for preservation at 7:45 P.M.

Respectfully submitted

Cheryl B. Rossi, CMC  
Town Clerk

CONSTITUTIONAL AMENDMENT QUESTION

"Are you in favor of amending the constitution by providing that all moneys received from any state-run lottery and all interest

received on such moneys, after deducting the necessary cost of administration, shall be used exclusively for the purpose of state aid to education?"

YES	1512
NO	437

Ballots used and unused were sealed according to law and turned over to the Town Clerk for preservation at 10:45 P.M.

Respectfully Submitted

Cheryl B. Rossi, CMC  
Town Clerk

At 11:55 P.M. a sealed envelope with the tallied results was turned over to the Police Dept. in Derry by the Town Clerk for the Secretary of State.

REPORT OF THE PELHAM ASSESSOR

To the Residents of Pelham:

It is indeed a pleasure to report to you that even in this period of economic downturn there has been a 4% increase in assessed property values for 1990. More than \$10 million was added in gross value. The final net taxable value for 1990 is \$256,148,295.

Although there was only one sizable project, the Elderly Housing Project on Main Street, there was some increase in value in each of the categories of properties due to additional construction at the Industrial Park, Willow Plaza, new homes on existing streets, and expansion of the electric utilities. Including the new construction nearly 1200 property assessments were reviewed. The majority of the increase in the overall assessed value of the Town was as a result of the review of existing properties, not new construction. Many properties were found to have items (ie: sheds, decks, garages, finished basements, etc.) that had not previously been assessed. Next year this program of review will continue. In addition all properties with land in current use will be reviewed.

Yield taxes, which are applied when trees are harvested, were assessed in the amount of \$4,180.00 in 1990.

Current Use lien releases resulted in only \$18,500 in revenue, a decrease from 1989 of more than 85%. Since 1986, Current Use lien releases have generated over \$520,000. This has proven to be an important source of revenue for Pelham. However, the amount of taxes shifted to others as a result of land assessed under current use was nearly \$275,000 in 1990 alone.

Another item, like Current Use assessment, which results in taxes being shifted to others is exemptions. A total of 716 exemptions were granted in 1990 in the following categories:

Type of Exemption	Number of Exemptions	Taxes Shifted to Others
Elderly Total Exempt	51	\$109,546
Optional Adjusted Elderly Exemption	40	22,974
Blind Exemption	5	2,872
Solar Heat Exemption	10	1,348
Wood Heat Exemption	46	2,310
Standard Veterans Exemption	555	55,650
Disabled Veterans Exemption	9	12,600
<b>Total</b>	<b>716</b>	<b>\$207,000</b>

Any property owner wishing to apply for an exemption or for a Current Use land assessment is reminded to complete and return the appropriate application by April 15, 1991 in order to qualify for the 1991 tax year. Applications are available in the Assessor's office in the Town Hall.

Respectfully submitted,  
Joseph W. Lessard Jr., CNHA  
Assessor, Town of Pelham

BOARD OF ADJUSTMENT

1990 ANNUAL REPORT

To The Board of Selectmen and Town Residents:

I would like to take this opportunity to thank all my fellow Board members for their dedication this past year.

## CABLE TELEVISION DEPARTMENT

### ANNUAL REPORT

The Cable Department has experienced change and expansion in 1990. The PTV-52 studio has been relocated to the Town Hall Annex. This move has proven to be a very positive step. We are now centrally located and access can be obtained at anytime of the day. Having our own area, we have been able, through donations of labor and materials, to build a formal studio, office and technical area to our own needs and specifications. The results of this are evident in the increasing number and greater diversity of our programming.

Remember that all our producers are unpaid volunteers. Free classes are offered to certify anyone who has the time and initiative in any area of operations. Use of the equipment and facilities for certified people is also at no cost. The Producers' Association has formed as a support group to help in the planning, shooting and post production work for certified producers.

We hope to offer you more programs on town government next year and ask for your support for the warrant article to allow us to pay a 'town producer' to do Planning Board, Board of Adjustment and School Board meetings as well as Selectmen and Budget Committee meetings. This money as all the money appropriated to the Cable Department, comes from franchise fees paid by our cable operator, Harron Cablevision of New Hampshire. No money used by the Cable Department comes from your tax dollar.

PTV is also looking forward to more athletic events and school oriented programs in 1991. With those events and programs of community interest and government functions, we hope to make channel 52 an entertaining way to keep in touch with what is happening in our community.

The Cable Television Advisory Committee acts in an advisory capacity to the Board of Selectmen. If you have an interest in serving the Town in this way, please send your letter of application to the Board of Selectmen.

Respectfully Submitted

William Dowling  
Chairman,  
Cable Television Advisory Committee

CEMETERY DEPARTMENT

ANNUAL REPORT

To the residents of Pelham,

The year 1990 was a fairly productive year for this department as the wrought iron fence was repaired and we landscaped six ranges.

We had forty-four burials in Town this year and the revenues from the cemetery was \$6,400.00 from grave lots sold, \$7,370.00 from opening and closing graves, \$8,116.61 interest from the Trust Funds for a total of \$21,886.61. The Trustees wanted to raise the prices of graves by \$50.00 - the Selectmen said no way.

At Gumpus Cemetery all the problem pines were taken down along with two badly rotted oak trees. All the rest of the trees have been pruned and are in good condition. I would like to thank Bob Fletcher and the Highway Crew for their help in cleaning up the mess there.

In closing, I would like to say that the working crew in the cemeteries was reduced to two, not by choice but by health reasons. also I am sorry if the cemeteries were not as clean as we wanted them to be but when the Town says stop, what choice do we have.

Respectfully Submitted  
Ralph V. Daley  
Chairman,  
Cemetery Trustees

## CONSERVATION COMMISSION

Through the voluntary efforts of the members of the Pelham Conservation Commission, the commission has continued to promote environmental awareness and concern for sound land use planning. The commission is empowered to:

1. Protect and encourage proper use of natural resources including our local watershed;
2. Research local land and water areas;
3. Index open space and wetland areas and provide a plan for the proper development and use of these areas.

In 1990, your Conservation Commission has worked long and hard with dedication and commitment to maintain environmental standards crucial to the quality of our health and well-being as citizens living in the Town of Pelham. Although a slowing down of economic growth and development in our town has eased some of the environmental threats affecting our "green space" in southern New Hampshire's "golden triangle", a number of problems exist that will require a substantial amount of resolve and hard work. The very real and potential problems posed by the old, Simpson Road landfill, relative to the Golden Brook Aquifer which underlies the very center of our town, and the environmental threats to both air quality and aquifer/wetland recharge areas of Beaver Brook posed by the proposed, wood waste to energy plant in North Pelham, have been the focus of our attention this past year. Subsequently, recommendations have been made in an attempt to update aquifer definition and delineation in our current zoning based upon the most recent mapping and water quality study conducted in 1987 by U.S. Geological Survey in conjunction with the N.H. Water Resources Board and the Nashua Regional Planning Commission. Additionally, we are seeking a referendum of town voters regarding a proposed ban on the unmonitored practice of residential barrel burning of household wastes.

The Commission has continued to provide input to the N.H. Wetlands Board concerning dredge and fill permit applications and members made visits to all twenty plus or minus (20+/-) sites for which applications were submitted. Each application involved a review of the plans as submitted, an on-site survey to assess flora, fauna, soils, wetlands/water and other pertinent data and finally the submission of the application with our recommendation(s) to the State Wetlands Board. Often subsequent work was required to revisions and followup review(s) for any modifications to be implemented, resulting in a more definitive, state permit issued appropriate to local site development. Members continued to monitor the water quality of specific brooks and ponds in town throughout the summer season. For the fourteenth (14th) consecutive year of testing, coliform bacteria test counts have remained within State Water Quality Standards; on those few occasions the counts exceeded state standards, counts had returned to acceptable levels in all retests conducted the day following the initial high readings.

The most efficient and long term approach to the protection of Pelham's natural resources is through education. Commission members continue to work with the Pelham schools to teach the value of wetlands, aquifer protection and conservation. Daniel Mullaney and Brian Smith ably represented Pelham at Youth Conservation Camp sponsored by the SPNHF last spring. Earth Day - April 1990 was highlighted locally in all Town schools through the efforts of school staff, local businesses, youth organizations and many others coordinated by then Parks and Recreation Director, Brigid Nault Skud with the help and support of commission members. An aquatic survey/restoration of a Beaver Brook, trout tributary at Raymond memorial Park by the Boy Scouts, commission members and other town leaders and citizens, was one highlight for those involved will long remember. Commission members continued to work closely with the Pelham Planning Board, Board of Adjustment, Selectmen and Parks and Recreation Department through the efforts and support of John Tucker, Planning Director, and Doreen Strawbridge and Suzanne Gauthier of the Town Planning Office. Members have actively participated in efforts to update, rewrite and improve town zoning and site review/planning ordinances in an effort to implement a Town Master Plan with vision regarding land use planning and the conservation of those rural characteristics that drew many of us here in the first place. A management plan for the Peabody Town Forest is currently under way and the siting of an environmentally sound design/plan for the storage of town road salt still remains an issue yet to be solved.

Commission members believe it essential that development be a purposeful, controlled and orderly process with full consideration given to the protection of our invaluable, irreplaceable natural resources. Often laughed at and cajoled as the "birds and bunnies, nuts and berries" people, environmentalists have endured much over the years. Now it is "fashionable", if you will, to not only express but act on concerns regarding the environment. The public needs to be reminded that a great deal of time and effort is expended by the few members of our commission to ensure the present quality of our lives as well as our children's futures. While many of you might not appreciate the sound of the peepers lost in early spring due to the illegal filling of a wetland, we do know how important your health is to you, or the ability to draw a glass of potable drinking water from the tap at your kitchen sink. One need not be a scientist to realize the interdependency of these factors. It is to these ends that your commission expends the many voluntary hours of time and effort in all our behalves.

Respectfully Submitted,  
Gayle A. Plouffe, Chairperson  
Douglas Hjorth, Vice Chairperson  
George Brizicky  
Paul Happ  
Paul McLaughlin

PELHAM COUNCIL ON AGING

ANNUAL REPORT

Many of us have heard the words "Council on Aging", but to some of us, that is all they are, just words.

The Council on Aging acts as liason between the Pelham Senior Citizens Club, Inc., and the Town Hall.

The present officers are: Chairman, George Kandar, Vice Chairman, Norman Lawrence, Secretary, Hedwig Farris, and the Treasurer, Florence Benson. Election of officers are usually held in April.

A big undertaking of the council on Aging was the taking over of the Nutrition Program. A lot of work had gone into it before it started to show results.

It started off with serving hot meals two days a week, now it is expanded to four days a week.

The program is open to any Town resident over the age of sixty and his or her spouse. The Council on Aging would like to see more Seniors participating in the program. For more information call the Senior Center at 635-3800 between 10:00 A.M. and 3:00 P.M.

Respectfully submitted,

George Kandar  
Chairman,  
Council on Aging

## PELHAM FIRE DEPARTMENT

### 1990 ANNUAL REPORT

To the Honorable Selectmen and the residents of the Town of Pelham:

It gives me pleasure to have the opportunity to express my thanks to the Board of Selectmen, all town departments, industry, business and private individuals for their assistance and understanding with the fire department in regard to improving the safety for all town employees and residents against fire and accidents through a comprehensive prevention program. We have had tremendous cooperation from the businesses in Town as we go about doing our inspections and making our recommendations to them, to upgrade their alarm systems and fire protection systems and to make their businesses safe for their employees and the public.

As in the past, we have had numerous motor vehicle accidents as well as serious fires, as our statistics show in this report. Some of these fires have been at a substantial financial loss, but fortunately there have been no major injuries or loss of life. We also have had several serious motor vehicle accidents. One such accident occurred on Route 38, which called in the assistance of the Tri-Hospital Paramedic Unit out of Lowell and the Med-Flight Helicopter out of Boston which landed at the golf course on Route 38 and transported a patient from the accident scene to a Boston Hospital.

As always, the fire department has had a strong emphasis on training. One of the goals of the department this year was to put on a complete career-level firefighting course for all our members. Through the joint cooperation of our training department and state instructors, we have completed this course resulting in a highly trained staff being able to provide better protection for the Town of Pelham.

We look forward this year to being able to work with the school systems, business, industry and the general public to continue our efforts with fire prevention programs and alarm systems. Anyone wishing the fire department to put on a seminar or program in regard to fire prevention, please do not hesitate to call as it would be our pleasure to do so.

Unfortunately, fire prevention does not stop all accidents from occurring; therefore, as in the years past we must make sure we have the best trained, highly motivated personnel. And we must also give that personnel the best equipment needed to handle the emergencies that they are faced with, so that their jobs can be made easier and quicker and; therefore, cutting down on the loss in the Town of Pelham.

The following is breakdown of calls which the Pelham Fire Department responded to in 1990 :

STRUCTURE FIRES.....	12	MUTUAL AID TO.....	46
BRUSH FIRES.....	7	MUTUAL AID FROM.....	13
MOTOR VEHICLE FIRES.....	17	AMBULANCE CALLS.....	445
SERVICE CALLS.....	5	FALSE ALARMS.....	41
CHIMNEY FIRES.....	11	OTHER.....	108

The category OTHER, includes, but is not limited to:

Investigations, appliance fires, electric fires, trash fires, camp fires, bomb threats, charcoal/gas grill fires, hazardous material containments, lost children, illegal burns, arcing electrical wires, etc.

In closing, I would again like to thank all the people of Pelham for their cooperation and their tremendous support to assist the fire department, in its difficult task in making the Town of Pelham a safer place for all.

RESPECTFULLY SUBMITTED,

ERNEST DAVID FISHER  
Fire Chief

## REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be down."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forest and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

### FOREST FIRE STATISTICS - 1990

	STATE	DISTRICT	TOWN OF PELHAM
Number of Fires	489	27	7
Acres Burned	473	10	6

Gilbert Testa  
Forest Ranger

E. David Fisher  
Forest Fire Warden

## HEALTH DEPARTMENT

### ANNUAL REPORT

During the calendar year 1990 the Department was involved in environmental health problems caused by water pollution, asbestos and deleading procedures also illegal dumping. In conjunction with other Town offices and the State Department of Heath these, problems were investigated and action taken for resolutions.

Inspection of day care centers and food establishments continued throughout the year. Communicable disease reports were nil. No food poisoning cases were reported. No positive T.B. tests. Several cases of venereal diseases were reported. These were reported to the State for source investigation as required. Septic tank failures were investigated and repairs instituted by property owners when required. Miscellaneous complaints varying from rodent control problems, dog bites and illegal dumping were numerous and each one investigated.

I wish to thank the Board of Selectmen, the Administrative Assistant and the Planning Department for their assistance this year.

Respectfully Submitted,  
Robert Einsidler  
Health Officer

## HIGHWAY DEPARTMENT

### ANNUAL REPORT

The Highway Department is a very important part of the operation of the Town. Every person in the town uses the roads in their daily lives to get to school, work, shopping or play. Some of our roads are maintained by the New Hampshire Department of Public Works, however, the majority must be maintained by the Town. The Town has grown in population and the Highway Department has not kept up with this growth over the years. We have new developments that have excellent roads that will not need any major repairs for many years, however, the older roads have only received minimal maintenance which is quite evident on many of them.

After my appointment in May. I proposed to the Selectmen that we lease equipment which we need in our day to day projects. This includes an F250 Ford 4x4 pickup with a Fisher Plow, an F800 Ford Dump Truck with plow attachment and slide in sander, and a 555C Ford Loader and Backhoe. The four full time employees utilize this equipment as needed. Other equipment such as trucks for plowing and sanding are available through local contractors as needed. We have been able to take care of the work as it is needed and is done with considerable savings to the Town.

The Highway Department has been able to carry out most of the projects that were planned for 1990 by the former Highway Agent.

As a result of incorrect information on Article 24, the defeat of Article 26, and no back up article to use the funds in another location, the Highway Department was unable to use the Block Grant Funds for 1990. Without these funds, we had to cut back on re-sealing. We could only do limited number of the sealing projects that had been planned for 1990.

The Highway Department Budget for 1991 has been prepared. In spite of the present economic conditions, the Highway Department is forced to propose a budget increase in order to keep up with the maintenance needs of the town roads.

Respectfully Submitted,  
Robert B. Fletcher  
Highway Agents

## HOME HEALTH & HOSPICE CARE

### ANNUAL REPORT

Home Health & Hospice Care is the new name for Merrimack Valley Home Health/Visiting Nurse Association. HHHC was formed in 1989 as a result of the merger of Merrimack Valley Home Health/VNA, the Visiting Nurse Association of Nashua and Community Hospice of Greater Nashua. As the local visiting nurses in Pelham, we provide medically-needed home health care services. These services include the:

Home Care Program - Visiting Nurses, Physical, Speech and Occupational Therapists, and Home Health Aides who care for Pelham residents of all ages with chronic disease, recovering from illness or recent hospitalizations, including IV therapy at home.

Hospice Program - Nurses, Therapists, Medical Social Workers, Home Health Aides and volunteers who care for for dying patients and their families, enabling patients to stay in their homes as long as possible.

Child Care Program - Well child, immunization and dental clinics for income eligible Pelham children. Nursing visits to infants with health risks.

Homemaking Program - Homemaking services for the income-eligible disabled and elderly of Pelham, enabling them to stay independent in their own home and avoid institutionalization.

Adult Health Program - Blood pressure, diabetic screening and flu shop clinics are provided at various Pelham community sites.

Services to the Town of Pelham have increased 88% since 1989. Town monies are used to support all of the above services to Pelham residents without health insurance or the means to pay for medically-necessary services. As we continue to experience the economic down-turn, we expect that more and more residents will require these subsidized services. All of us at HHHC recognize and appreciate the ongoing support from the citizens of Pelham that make our services possible.

Representatives on our Board of Directors and its committees include: Russell Harris, Michael Jones, and Helen Remeis.

Respectfully Submitted  
Joan Stygles Hull, R.N.  
President

## INCINERATOR RECYCLING FACILITY

### ANNUAL REPORT

This past year has been another successful period for the Town in managing its solid waste disposal needs. There have been many new regulations imposed at both the State and Federal levels which are more stringent than at any time in the past. I am pleased to inform you that the Pelham Incinerator Recycling Facility has met and complied with every regulation. We have not only passed these tests, our test results have dramatically surpassed every test that was required. We came in far below all acceptable toxic standards that the law mandates.

As your Superintendent, I take personal pride in the accomplishment of this task. I wish to put your minds at ease, you may rest assured that your facility is in excellent condition and with continuing professional upkeep and maintenance, it should serve the Town's needs for many more years.

You, the Townspeople must be prepared to accept and comply with more changes in the future, especially in the area of separation, recycling and resource recovery of your solid waste. The days of the quick trip to the local dump is gone forever, a thing of the past.

In closing let me say again, as I have in the past, that Pelham is fortunate to be in the enviable position of controlling its own destiny in solid waste management. Many other towns, in comparison to our program, are facing near fiscal disaster trying to deal with this issue of disposal. Thank you for your consideration and support. Your cooperation has made this operation successful. This year, the approximate cost to dispose of all of your waste was \$21.41 per person.

Respectfully Submitted  
Albert S. Greenhalgh  
Incinerator Superintendent

## Municipal Building Committee

The committee spent most of 1990 clearing questions about several parcels of Town owned land so they could be sold to offset costs of the new Municipal Building. This required a review of each parcel so it could be determined how the town got the parcels and whether or not the town held a clear title to each one. In late November most of these matters were cleared and the Town was free to sell the land.

The committee discussed this sale at length and agreed to recommend not to sell these parcels at auction at this time. It was the committee's belief that, given the current sales and prices of raw land, it would not be in the Town's best interest to sell the land now at public auction.

The committee will of course re-visit this recommendation from time to time and may change its recommendation if economic conditions change.

It is important to note that these parcels remain "for sale". The Town has clear title and can arrange for title insurance on each parcel. If interested buyers come forth a public sale could be held by the Selectmen.

The sale of Town assets (land) was conceived as a way to help the Town pay for this badly need facility. Since these assets are now of lesser value the committee will continue to develop recommendations for presentation to the Selectmen and the Town.

Declining interest rates, decreased construction costs, inadequate police and court facilities and crowded town offices continue to motivate the committee to construct a facility which will serve the town's needs in an economical and efficient manner.

I would like to personally thank the members of the committee who have served their Town admirably by regular attendance at meetings.

William J. McDevitt  
Chairman

## NASHUA REGIONAL PLANNING COMMISSION

### ANNUAL REPORT

This past year saw our concerns about the pace of local development quickly replaced with considerable anxiety over the health of our regional economy. As a result, like it was for our constituent jurisdictions, 1990 was a year of transition, consolidation and cost-cutting for the regional planning commission; but it was also a period of considerable accomplishment in service to our member communities.

In Pelham, NRPC embarked upon a comprehensive study of the Route 38 corridor to provide a long range plan to accommodate the anticipated growth along the highway. To date we have completed driver "origin and destination" surveys as well as traffic counts and turning movement counts at key locations. These data have been coded and entered into a computer database for further tabulation. In the coming year, we will be applying this information to project future conditions and to develop a local implementation strategy.

Earlier in the year, NRPC provided guidance and data to contribute to Pelham's preparation of a required solid waste plan; and we assisted in the preparation of a variety of zoning amendments for March Town Meeting.

Other notable accomplishments of 1990:

#### LAND USE

- Provided part-time professional planning assistance to four other local planning boards through the "circuit rider program.
- Assisted a number of member communities in drafting or revising zoning ordinance sections, subdivision and site plan regulations and capital improvements programs.
- Maintained a regional historic preservation program and assisted in a variety of historic resources surveys, National Register nominations, local preservation plans and historic ordinances.
- Conducted a number of individual project impact analysis.
- Completed three comprehensive master plan projects and contributed in drafting or revising master plan componets for two other communities.
- Conducted planning board training workshops to assist local members in better understanding responsibilities, procedures land use regulations and development review techniques.

## TRANSPORTATION

- Began an update of the comprehensive Nashua Area Transportation Study to develop a long range highway plan for the region.
- Prepared an updated Transportation Improvement Program in cooperation with local, state and federal agencies that provides a priority list of transportation projects in the region.
- Compiled the annual Nashua Area Transportation Data Abstract as a single source reference document to serve the transportation related information needs of both public and private entities.
- Maintained the regional traffic count system, with counters at over 90 locations throughout the area, to provide the most accurate and current data for traffic analysis.
- Undertook the annual air quality assessment with the NH Air Resources Division and the NH D.O.T. to assure local attainment of the National Ambient Air Quality Standards.
- Completed Phase II: Implementation Alternatives of the Nashua Passenger Rail Study and provided staff support to the Legislative Advisory Committee continuing to work toward returning passenger rail service to the Nashua region.
- Coordinated the public participation component, conducted a land use and demographic analysis of the target area, and chaired the local steering committee for the Route 101-A Bypass Study.
- Conducted a variety of project specific traffic impact and access analyses at the request of local planning boards and municipal officials.
- Continued to work with local and state officials on the implementation of the region's major transportation projects including the Circumferential Highway, the widening of the F.E. Everett Turnpike, the proposed Southwest Parkway and the Broad Street river crossing.

## INFORMATION AND MAPPING SERVICES

- Continued in the role of Regional Data Center for the U.S. Bureau of the Census.
- Monitored development and collected data on changes in residential, commercial and industrial land uses.
- Conducted and published an annual survey of municipal building

and development fees assessed by the region's communities.

- Continued development of the geographic information system (G.I.S.) to enhance our capacity for computer based mapping and information management.
- Among other local assistance projects, produced a digital map and data file for the Mont Vernon Cemetery Association.
- Monitored state and federal legislative initiatives and maintained close contact with state operating agencies on issues of local concern.

#### ENVIRONMENTAL MANAGEMENT

- Continued to staff the Nashua Region Solid Waste Management District in pursuit of an intermunicipal approach and completed the state's required solid waste management plan for the district.
- In conjunction with the Solid Waste Management District, conducted spring and fall household hazardous waste collection days at multiple sites in the region.
- Prepared local water resource management and protection plans and conservation plans for member communities.
- Worked with the Department of Environmental Services on developing a statewide Wellhead Protection Program to meet E.P.A. requirements and to assist local governmental in managing productive groundwater resources.
- Completed an Intermunicipal Aquifer Study assessing the local development and land use regulations affecting regional groundwater resources underlying multiple jurisdictions.
- Functioned as the regional coordinator for the Governor's Recycling Program and assisted member communities in pursuing recycling grant assistance.
- Conducted a wetlands workshop to inform local officials, developers and interested citizens of wetland functions and the regulations affecting wetland disturbance.
- Began a multi-year Lower Merrimack River Basin Initiative to investigate and implement development practices to reduce the impacts of nonpoint source pollution in the river corridor.
- Represented the region on the Governor's Heritage Trail Advisory Committee and assisted member communities in developing plans for local trail segments.

## PARKS AND RECREATION DEPARTMENT

### ANNUAL REPORT

To the Residents of Pelham:

It is with great pleasure that I submit my first annual report as Director of Parks and Recreation. This past year has been one of change and progression as well as extensive planning for existing park development. Numerous programs under the auspices of the Parks and Recreation Department served community members of all ages in 1990 and will continue to do so in the future.

The walking program continued to expand in 1990, which included a morning and evening group that met several times a week. The senior walking program also met successfully once a week at the Senior Center. Now that cold weather has arrived, the Recreation Department is offering a Wednesday morning exercise class at the Senior Center to help participants stay physically active.

The following is a list of the year's various youth programs offered and corresponding participation:

Aerobics - 68	Biddy Basketball - 142
Girls Biddy Basketball - 20	Indoor Soccer - 132
Fall Soccer - 183	Girls Softball - 143
North Pole Calling - 175	Halloween Party - 140
Summer Playground	Sessions I/II - 178,187
Junior Leaders - 14	Swimming Lessons - 157
Tennis Lessons - 52	Pre-school Playground -22
February Vacation - 279	Soccer Camp - 55

Participation has increased in most programs since 1989. Most notable, the Fall soccer program has continued to increase rapidly each year. In order to meet the growing demand for recreational services, the Recreation Department hopes to expand the number of programs offered in 1991 and beyond. One example is the Community Wellness Program, which was offered once in 1990. Several Pelham women participated in the Workshop on Menopause, which was presented by a community educator from Matthew Thornton in Nashua. The goal of the program is to inform community members of various health concerns\topics.

The past year has also involved extensive volunteer labor and planning to develop the existing parks in Pelham. A backstop and dugout were recently installed at P.V.M.P. in the playing field. Also, a ceiling was installed in the main lodge as Eagle Scout Billy Neville's project. Other park improvements include a horse ring at Raymond Park, which was constructed solely through donated materials and labor of the Pelham 4-H. One restroom facility has also been completed in the lodge as well as carpeting in the hallway and two offices. The fieldhouse at

Muldoon Park has partially been erected, with a completion date of Spring 1991. The Men's Softball League has also actively been involved in obtaining the installing lights for night games at Newcomb Field.

In closing, I wish to thank the members of the Recreation Advisory Board as well as the Muldoon and Raymond Park Advisory board members for their continued support and dedication to the improvement of our parks. I would also like to acknowledge the countless volunteer coaches, assistants, team mothers, and officials who give of their time and help make the youth recreation programs possible. Many thanks to the seasonal full and part time Recreation staff for their effort and dedication to this department and the children it serves. Lastly, I would like to thank the schools, local press, businesses and churches for their continued cooperation and support.

I look forward to future success in 1991.

Respectfully submitted,  
Susan J. McInnis, Director

**Pelham Planning Board  
1990 Annual Report**

To The Citizens of Pelham,

1990 has been a very busy and trying year for the Pelham Planning Board. The Board has faced many varying tasks which were set before it and the Town and have strived to ensure that the regulations and zoning ordinances the town has enacted were addressed to within the parameters set forth. I would like to thank John Tucker, our Planning Director, without whose diligent work and forthrightness would have made these tasks difficult.

The downturn in the economy has presented your Planning Director with a unique opportunity to study and plan for the future of our town by being able to address each and every project brought forth with an indepth understanding of all phases of the projects. Some projects that were spotlighted on the Board's agenda were elderly housing and the Thermo Electron Wood to Energy Plant.

To comply with the need for more elderly housing within our community, the completion and occupation of Beaver Brook Commons, in the town center, demonstrated the commitment of both developers and the Pelham Planning Board to fulfill the needs of our citizens. The other proposed elderly housing project at Kirlin Place on Old Lawrence Road has progressed to the point where other boards within the town will determine it's final disposition.

Thermo Electron's proposed wood to energy plant in the North Pelham Industrial Park, required a considerable amount of the boards time. This project was of a magnitude that special project engineers and consultants were engaged to review and make suggestions to the board to ensure that if the plant came to fruition that all concerns for the safety and welfare of our residents and those abutting or within the vicinity of the plant would be addressed. Presently this project is pending action by either the Courts or the Town.

Three new members were added to the Pelham Planning Board membership. Daniel Haight was appointed as a regular member and later resigned from the Board due to work relocation in the Midwest. Patrick Culbert was the appointed to fill Mr. Haight's term. Margetta Robinson was also appointed to the Board as an alternate member.

Work on the Pelham Town Master Plan and Zoning Revisions is still in progress, with hopeful completion of the Master Plan eminent.

In closing I would like to thank on behalf of the Planning Board and myself, Doreen Strawbridge and Suzanne Gauthier for their dedication and diligent work within the departments. Also a special thank you to Annmarie Morse, the Recording Secretary, whose dedication and abilities we owe so much to. 1991 is a year we look forward to with great anticipation to serve the needs of the Town of Pelham.

Sincerely,

Eric Helgemoe, Chairman  
Peter Fisher, Vice Chairman  
Paul Martakos, Secretary  
Roger Montbleau  
Robert Shepard  
Patrick Culbert  
Peter Flynn,  
Selectmen Representative  
J. R. Gauthier, Jr., Alternate  
Margetta Robinson, Alternate

## PLANNING DEPARTMENT ANNUAL REPORT

The Planning Department staff consists of Planning Director, John Tucker, Planning Associate, Doreen Strawbridge and Secretary, Suzanne Gauthier. Our major responsibilities are day-to-day administration of the Town's planning and building regulations and long range planning for the community.

In 1990 Pelham has experienced a reduction in the single-family home construction. Although construction has slowed, we are still experiencing applications for new subdivisions, sites and applications for additions and renovations. The application by Thermo-Electron to build a wood burning energy plant kept the Planning staff busy reviewing this complex project. Considerable time was spent working with private consultants on behalf of the town while attempting to provide as much information as possible to the public for review.

Most of our time is spent on administration, that is, reviewing plans, arranging Planning Board meetings, overseeing activities of the Board of Adjustment, inspecting sites and responding to complaints and questions from the public. We also expanded our role as staff support to the Town's Health Agent.

In 1991 we hope to complete the revisions to the Town Planning and Building Codes. Also, in the spring we hope to have completed the revision the Town Health Code with the Health Agent.

The need for the Planning Department to address the town's land use and environmental problems has never been greater. Input and support from the public is the key ingredient without which no plan can succeed. We urge all residents to participate in the planning process.

Respectfully submitted,

John E. Tucker,  
Planning Director

BUILDING DEPARTMENT  
1990 ANNUAL REPORT

Building Inspector: George Tessier

Statistics for 1990 Building Permits

Single Family Dwellings	47
Duplex	1
Additions (garages, decks, porches sheds & family rooms)	86
Alterations	32
Renewals	31
Commercial (includes new construction, alterations and additions)	2
Signs	15
Septic repairs	18

A total of two hundred & ninety (290) inspections were conducted. These include regularly scheduled inspections, final for occupancy, complaints and re-inspections.

Revenue generated from building permits issued: **\$16,890.60**

Electrical Inspector: **Tim Zelonis**

Statistics for 1990 Electrical Permits

A total of approximately four hundred (400) inspections were conducted which include temporary service, rough, permanent service and certificate of occupancy.

Revenue generated from electrical permits issued: **\$6,241.20**

Plumbing Inspector: **George Elston**

A total of sixty-four (64) permits were issued and approximately one hundred & sixty (160) inspections were conducted, including rough, finish and certificate of occupancy.

Revenue generated from plumbing permits: **\$2,543.50**

REPORT OF THE POLICE DEPARTMENT

To the Residents of Pelham:

I have only been with you since 15 October; therefore, my report to you will not be as complete and in-depth as it would have been had I begun in January.

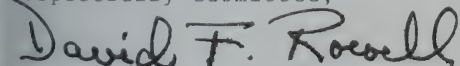

To begin with I thank the Board of Selectmen for their warmth and hospitality in welcoming me to Pelham. Also, to those of you with whom I have had the pleasure of meeting and talking I express my sincere appreciation for your kind words of welcome and support.

Police work today is no easy task. For that reason we expect and we must have trained professionals who stand ready to protect your lives and your property. It has been said that the police stand closer to the people in the enjoyment of their liberty, the pursuit of their happiness, and the protection of their safety than the members of any other department. Our goal will be to make that relationship closer as well as stronger.

In order to succeed in our goal we will establish the following objectives here in Pelham:

1. An increased commitment to combat violations of the drug laws combining, in some instances, our resources with those of the state and federal agencies involved in illegal drug trafficking and distributions.
2. A continuing enforcement of the law in regard to driving while intoxicated on Pelham roadways.
3. Increased visibility in residential sections of Pelham in order to deter breaking and entering and burglary.
4. Stepped up efforts by our investigators in determining the identity of suspects involved in crimes against persons and property.
5. An increased commitment to the youth of Pelham in establishing a juvenile diversion program supervised by the clergy and professional people of Pelham with the approval of the juvenile court.
6. Selective traffic enforcement on Pelham roadways in order to keep traffic accidents at a minimum.
7. Establishment of a Pelham Crime Watch program utilizing Pelham TV Channel 52 together with making an officer available to discuss crime problems at community meetings.

Respectfully submitted,

David F. Rowell  
Chief of Police

DRUG TASK FORCE AT WORK

ANNUAL REPORT

PELHAM ANIMAL CONTROL  
A DIVISION OF PELHAM POLICE DEPARTMENT

Fifty percent of the feline and canine picked up while running at large in the Town of Pelham are unclaimed by their owners. Seventy percent of these animals are placed with adoption agencies and twenty-five percent are euthanized. This is definitely a sign of canine and feline overpopulation. Spaying and neutering would greatly reduce these statistics.

Licensing is required by State law. The fee for unneutered/unspayed canines is \$7.00. The fee for neutered/spayed canines is \$4.50. You need proof of rabies inoculation and you can obtain your licenses at the Town Clerk's office and has to be done by May 1st of each year.

If you lose a pet or have any problems feel free to call Animal Control Officer, Tim Vincent at 635-2211.

A thank you to the Greater Derry Humane Society, Jan Fournier, Pet Talks Grooming Clinic, for their donations to the Town of Pelham. A thank you to Assistant Animal Control Officer, Orie Allen, and to the citizens of Pelham for your support.

Sincerely yours,

Timothy D. Vincent  
Animal Control Officer

PELHAM PUBLIC LIBRARY  
1990 ANNUAL REPORT

1990 began slowly, but with loyalty and hard work on the part of the staff, plus support from the community, the library ended the year with many good accomplishments. The number of books circulated increased as did the number of new library cards issued. We now have almost 7000 library users.

We employ a staff of nine and are opened fifty-two hours a week. The staff members to be thanked for their hard work and loyalty are:--Jackie Mierswa, Betteann Kelley, Marge Wright, Phyllis Cate, Judy Toupin, Blanche Devine, Sarah Deangeles, and Donna Beales who joined the staff in April as Children's Librarian.

The library is governed by a Board of Trustees, namely:--Patricia Madsen, William McDevitt, Lisa Landry and newly elected members Susan Tesch and Marietta Potter who joined the Board in March.

Our programs were varied and well attended. Adult programs included a speaker on "Basic Financial Planning", a demonstration and tips useful in making one's own bread and another demonstration on making beautiful jewelry with bread crumbs and glue.

Children's programs included our annual Baby Sitting Course with both boys and girls from the ages of ten and over attending; Pre-School Story Time and Crafts and the all important summer reading program. This year, the program was called "Get That Reading Rhythm" and was directed and video taped by our Children's Librarian, Donna Beales. Hopefully, this video will be shown as a promotional for all N.H. Libraries.

In the Spring and Fall, the Director, Toni Chapman and staff attended Coop-meetings, The New England Library Conference in Waterville Valley and the New Hampshire Library Conference in Windham. A newly organized Co-op with the head librarians from St.Patrick's School, the Memorial School and the Pelham High School has proved to be not only helpful to each school library involved, but has brought new and fresh ideas to light that are, and will be, helpful to the Pelham Community as well.

A Computer and Printer were added to the main library which now hooks up with the State Library. This allows the staff to assist our patrons quickly and more efficiently with their inter-library loan requests-of which there are many. New bookcases, magazine racks, tables and chairs for pre-schooler programs and new chairs for the Memorial Room were purchased, eliminating the hazard of anyone hurting themselves because of the fragility of the old chairs, after their many years of use.

A special "Thank You" to the Friends of the Library (FLIP) who ended another year of being very supportive with their many

fund raisers. Included have been bake sales, a Christmas raffle, the L.L. Bean shopping trip in November, the eleventh annual Book Sale and the newly added, very successful undertaking of "Pictures with Santa".

To all who volunteered their time and efforts during the year, "Many Thanks and Sincere Appreciation".

Respectfully submitted,  
Antoinette (Toni) Chapman  
Library Director

## SENIOR CITIZENS

### ANNUAL REPORT

The Pelham Senior Citizens meet the first Thursday of every month at 1:00 P.M. A great many changes took place during the past year. Thanks to dedicated and willing volunteers we came through it with flying colors. We face many challenges in 1991 but all look forward to a new year with great expectation.

A Nutritional Program continues and under its' leadership we are able to serve a balanced meal for a \$2.00 donation, four days a week. We hope that many more Pelham Senior will visit the center and enjoy a meal with us.

We also hired a much needed coordinator to oversee and bring all the programs together. Every Thursday hands are busy in a craft session. Wednesday morning there is an exercise class under the direction of Sue McGinnis of the Pelham Recreation Department. A merry group go bowling every Monday and Friday. Bingo is a popular activity Fridays at 10:00 A.M.

The Christmas Fair netted enough profit to allow all Pelham Seniors to attend the Christmas Party at the Pelham Inn for just \$5.00. The bus was full for the Deerfield Fair and we had a delightful picnic at the Town Beach. Line dancing was well attended every Monday morning at the Legion Hall.

In honor of all departed seniors, a memorial gift of \$10.00 is given to the Fire Department. The Honor Society graciously hosts a turkey dinner every Christmas at the High School. The Volunteer Program spent many hours knitting for the Salvation Army. In lieu of a Christmas gift exchange, the Seniors sponsored two children from the Good Neighbor Fund and bought toys and gifts for them. The Seniors also did some baking for the Yultide Celebration and Christmas Tree Lighting.

I could go on and on about our activities but I must limit this report to one page. Come and join us.

Respectfully Submitted

William Foreman  
President

## THE PELHAM TECHNICAL STAFF

### 1990 ANNUAL REPORT

#### "Serving Pelham's Technology Needs"

##### To the Citizens of Pelham

The Pelham Technical Staff is pleased to submit our seventh annual report on our activities for the year.

Your Technical Staff has addressed several computer based projects at the town and the school over the past year. At the town hall an additional terminal was installed in the Planning Department for the use of the planning clerk. A terminal was installed in the Annex for the use of the Administrative Assistant. Your staff has worked with the Pelham TV group to design a terminal installation for Pelham's new TV studio. An early installation is planned. New Police Department terminals are planned as provided in last years warrant article. Communication line multiplexers for that installation are on backorder with shipment now promised in early January. The improved communications link planned between the Police Station and the Town Hall will allow two new terminals to be installed.

Pelham's two Tandy 6000 computers using the XENIX operating system, version 3.2.1 provides 16 computer operating positions for the Pelham staff.

At the school Mr. Caynon and Mr. Hall of the Tech Staff investigated the use of a laser printer donated to the school. This was to be used in conjunction with school computer assets. Mrs. Nanette Marvel, the school computer coordinator and a member of the Technical Staff, followed through to bring that project to completion. Today that printer is used by Pelham school staff and is available to students for school needs.

At the high school the PS2 system 30 computer hard drives, authorized by school district meeting, have been purchased. Two business department computers have been upgraded at this time. The remaining six hard drives will be installed at a suitable program break.

A member of your staff presently serves on, as Technical Staff representative, both the Solid Waste Study Committee and the Wood to Energy Impact Study Committee.

The Technical Staff includes Nine Public Members with a Selectmen and School Board Representative, the School District Computer Coordinator and the Pelham Planning Director. A public member must have technical expertise, either through education or experience, in a technical speciality. The Staff presently has openings for five additional public members. Openings exist for three three-year terms, one two-year term and one one-year term. Appointments are made by the Board of Selectmen upon the application of a qualified citizen and the recommendation of the Staff. Staff coordination meetings are held once each month. A members involvement is otherwise at his or her schedule based upon that members constraints. Your Staff solicits the application of interested residents. Information can be obtained from the Pelham Administrative Assistant at Town Hall Annex or from Staff member, Mr. Thomas Kirby, at 635-2514.

Respectfully Submitted,

Richard Therrien	Chairman	Members
William Scanzani	Vice-Chairman	
Nanette Marvel	Archivist	Jack Caynon
		Paul Happ
Raymond Cashman	Selectman	Thomas J. Kirby
Richard Molloy	Schoolboard Member	Kevin J. Martin

AD HOC WOOD TO ENERGY COMMITTEE

Early in 1990, Thermo Electron Energy Systems proposed to develop a "wood to energy" electrical cogeneration plant in the Pelham Industrial Park. Shortly thereafter, the Selectmen appointed an Ad Hoc Committee to develop background information on the positive and negative financial impacts of this plant upon Pelham. The charge to this Committee is consistent with the appropriate N.H. law which makes cogeneration plants exempt from real estate taxes yet requires such plants to negotiate a "payment-in-lieu-of-taxes" with the community. The Committee's sole authority is to recommend to the Selectmen at the appropriate time a negotiated "payment-in-lieu-of-taxes" formula consistent with its findings.

The Committee held a series of fact finding meetings with the Fire Department, Police Department, Conservation Commission, appraisers, business and community leaders, abutters and other interested parties to assist in calculating the economic impact of the proposed project on the community.

The Committee is currently on a "hold" status as it awaits a resolution of Thermo Electron's appeal of an adverse zoning regulation decision made by the Pelham Board of Adjustment or, in the alternative, the passage of a zoning amendment proposal that might explicitly allow projects of this character in the proposed site.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board  
Pelham School District  
Pelham, New Hampshire

We have audited the accompanying general purpose financial statements of the School District and the combining and individual fund financial statements of the School District as of and for the year ended June 30, 1990, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used in significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Pelham School District June 30, 1990, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District at June 30, 1990, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

ANNUAL REPORT  
1990

I make this Annual Report with a feeling of gratitude to my professional staff, supportive parents, dedicated school board and a supportive central office. In these times of economic and political turmoil, only a united school community can insure quality education for all students.

One of the outstanding changes to insure every child's equal access to educational opportunities here at the Sherburne School has been our selection as a member of the System Wide Change Program. As a member of the project, we have received inservice training which is helping us to integrate all special needs students: blind, physically and mentally handicapped, etc. into the regular classroom environment. Many Pelham children who were placed in out of district programs are now here at the Sherburne School with their peers. Research has shown that handicapped students make better improvement (academically, socially and emotionally) when they are mainstreamed. Also, the non-handicapped classroom peers do just as well or better academically when the handicapped students are in their classroom.

Another innovative program is our continued participation in New Hampshire Comprehensive Guidance and Counseling Program. We have finished our needs assessment, identified basic Competencies or goals and are writing the curriculum. Our committee can be extremely proud of having been chosen as one of six groups throughout the state of New Hampshire to receive a grant to write curriculum for ourselves and other school districts.

We have modified our TAG (Talented and Gifted) program to provide not just enrichment but also acceleration. As we change from ability grouping to random grouping of our students, the opportunity for advanced academics for the most able students is being facilitated by the TAG instructor.

Finally, we are implementing cooperative learning and cooperative teaching. Children of different abilities and different talents work together in a problem solving learning environment. There is peer tutoring and a real focus on academic progress in a nurturing social environment.

Although many educational advancements have been made, we will need to make some physical changes to meet students' needs as follows:

1. With an enrollment presently of 612 students, we will need to provide further classroom space.
2. With our increased enrollment, we need two additional teachers for the 1991-1992 school year.
3. The roof is leaking and causing damage in the newest section of the building.
4. The carpeting in the new section of the building needs to be replaced.

Mr. Raudonis, I would like to thank you, Mr. Boucher (Business Administrator), Mrs. Pare' (Director of Special Services) and my staff for your support and assistance.

Sincerely,  
DeWayne Howell, Principal

## Principal's Report

January, 1991

Mr. Raymond J. Raudonis  
Superintendent of Schools  
Pelham, New Hampshire

Dear Mr. Raudonis:

As Principal of Pelham Memorial School, it gives me great pleasure to present to you my annual report.

For the past two years, the staff of Memorial School has been implementing change in order to better meet the needs of the adolescent. These changes included: the elimination of "tracking" in all science and social studies classes; the development of cooperative teaching classes, in order to effectively mainstream handicapped students with appropriate support to assure success; a new schedule for specials, to instill a realization of the importance of the arts, health, and physical development; the teaching of critical skills to all students as part of our gifted and talented program; promoting student self esteem; and incorporating cooperative learning as part of our teaching techniques.

As reported last year, we said we would show results and effects of these changes. Please accept the following as our assessment of the impact of these changes on the educational process:

- Student grades in science and social studies were significantly higher than those of the previous two years.
- A greater number of students achieved honor roll status (exclusive of citizenship role).
- Student spring surveys indicate that teacher expectations and demands - which include workload - were greater than anticipated by the fall surveys.
- Eighty-five percent of the student body favor working in small groups (cooperative learning and peer tutoring).
- Only seven students were suspended from school last year and these only once vs seventeen the previous year with some of these up to four times.
- Expectations in science and social studies were the same regardless of student ability.
- Student performance substantiates research done on heterogeneous groupings; that is, students of higher ability achieve as usual regardless of grouping patterns but students of average or below average ability achieve significantly higher than ever before if grouping is done with mixed abilities.
- Eighty-eight percent of our students were "caught being good."
- Students who traditionally were in an accelerated program were more open in their thinking processes and would offer much more than in previous years when they were competing for the top grade. They took more chances with ideas of why things happen rather than parroting content learned from teachers or textbooks. They were not worried about always having to be right!

- Grading in specials was more practical, efficient, manageable, and fair.
- Students were more successful in a co-op teaching class than being tracked in a low group.
- Parents shared positive feedback regarding all changes during our coffee hours and "90-minute tickers."

Based on the above results, we suggested and have subsequently incorporated more changes this year. They are as follows:

- Eliminate tracking in language arts.
- Establish co-op teaching classes in language arts.
- Continue to track 7th and 8th grade reading classes, but only have two levels - accelerated and average.
- Continue tracking math - three levels - but consider the elimination of the low level, in 7th and 8th grade, for school year 1991/92.
- Teach a foreign language to all 8th graders with the exception of those students whose IEPs dictate otherwise.
- Establish "critical thinking skills" classes for all 5th and 6th graders as part of their specials.
- Teach computer keyboarding and literacy to 7th and 8th graders as part of their specials.

We hope that these additional changes will have as much of an impact on student performance, attitude, and self esteem as the initial ones.

Another change this year is a new assistant principal. We welcome Mr. Peter Perich in this role and take this opportunity to thank him for his effort, hard work, and the dedication that he has demonstrated.

I also wish to thank you, the school board, and the entire community for the support, encouragement, and assistance given to me in assuring for a positive educational atmosphere at Memorial School.

In conclusion, I wish to commend my staff - those that teach in the classroom, those that clean and cook, and those who support us in our office and throughout the building. Thank you for working together to make Memorial School a great place to grow intellectually and emotionally while having fun in the process.

Respectfully submitted,

Dennis R. Goyette  
Principal

As I write my annual report for Pelham High School, war is raging in the Persian Gulf. This certainly sets this year apart as one which causes us all to take pause and reflect upon the freedom which we all enjoy in this country....freedom to speak, freedom to write and freedom to express ourselves as no other nation in the world can do. The price of this freedom becomes more and more real with each passing day. We feel deeply for each family in Pelham which has been "taxed" by this war in the form of family members called to serve in the Gulf. We at the high school are corresponding with our alumni and friends in the gulf in an effort to buoy up their spirit and show them we care.

As I consider the many efforts made throughout the past year to mention in my report, I find that many of our personal accomplishments pale in comparison to the real-life events in the Gulf. The most significant efforts, however, must certainly be those dealing with outreach to our community. Our Student Government once again sponsored a community blood drive, a canned goods drive, and also, for the holidays, "adopted" several local families through the "Good Neighbor Program" in order to benefit Pelham people who are experiencing personal hardship. Our National Honor Society treated our senior citizens to a sumptuous Christmas dinner in order to let them know that we care about them. Our Peer Outreach group has sponsored a variety of activities with their younger friends at Memorial and Sherburne School. Their prime purpose has been to confront their peers with responsible thinking and behavior in hopes that wise decision-making and informed choices would be made in all areas of their lives.

We have maintained our commitment to community health issues through our annual Health Awareness Week activities. We have encouraged a global awareness of our environment through our Earth Week activities.

We have certainly become more community-minded as we have developed and implemented such programs as Work-Study for at-risk students, Junior Achievement in our Business Department, and a School Volunteer Program spear-headed by two members of the high school staff.

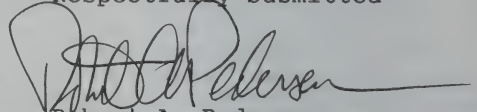

Our School Improvement Team continues to be the cornerstone of our efforts to expand upon our effectiveness as a school. A variety of "action teams" involving many students, parents and staff, are at work, all striving to make Pelham High School the very best that it can be.

Our sports program has taken a new turn as we are in our first full year of involvement with the Southeastern "M" League. Since last spring, our athletic teams have had un-paralleled success as they have qualified for tournament play in almost every sport. A proud tradition is being built, and a sense of belonging and school spirit is growing with the passing of each successful sports season.

Our students are demonstrating increased achievement levels in their classes as evidenced by more and more students striving for, and attaining, honor roll status. Our college placement statistics continue to lead the way among schools in our area as we are well above the state average and holding steady. Information from our state university system indicates that our graduates are very well prepared for their college studies and are, in fact, achieving at levels, in most cases, above the average for in-state as well as out-of-state students.

We look back at a year of high points which stand out in our minds as being worthy of mention. We look forward to events which will, no doubt, challenge our resolve and renew our zeal and dedication. I personally thank the school board and superintendent for their continued support. I thank my staff for their perseverance and hard work during the past year. I thank the students for making the school such a positive place to learn, and I thank the taxpayers for shouldering the tremendous burden of maintaining the level of support they have during these economically pressing times. Together, we can do the job!

Respectfully Submitted

Robert A. Pedersen  
Principal

To The Citizens of the Town of Pelham

As Chairman of the Pelham School Board, it is my pleasant duty to submit this report on behalf of my fellow board members. This past year has been one marked with difficult decision making, fiscal constraints, escalating operating costs, and heightened demands for a better overall educational program for those students attending public schools in our community.

Your school board was faced with conflicting mandates, presented by the voters of the district and the laws of the State of New Hampshire. At the conclusion of last year's Annual School District Meeting, it was very evident that the taxpayers in this community wished to send a message to their elected and appointed school officials that fiscal constraint was their mandate. If the debate that transpired at the meeting was not a true indicator of the road map that those assembled wished the school board to follow, then certainly the elimination of over \$300,000 in funding was their edict. Speaking for my fellow board members, I wish to publicly affirm that this message was clearly understood. In order, to follow this mandate, and still fund the second year of the bargaining agreement between the board and the Pelham Education Association, imagination, foresight, and innovation had to be implemented and, yes, accomplished. We, as a board, were in unanimous agreement that we were both morally and legally obligated to fund the teachers' work agreement. The labor laws of New Hampshire were most specific and an unfair labor charge for not honoring the agreement would surely have been upheld by the Public Employees' Labor Relations Board. We were further driven in our direction by the fact that during the upcoming year, negotiations would begin again for a new contract. To bargain in bad faith was not an option.

It is fair to report that the majority of business that came before the Pelham School Board for the past year dealt with choices necessary to accomplish the voters' funding level and the obligation to follow state labor laws. What to cut, what to save, what programs to eliminate, how to consolidate, how to satisfy both mandates without hurting those who benefit from the services the district provides, were the topics of lengthy board meetings and work sessions. Cuts were agreed upon, teacher positions were eliminated, busing schedules for elementary level students and high school students were consolidated. Many decisions were unpopular, but I assure you, they were well debated and carefully thought out before we proceeded in a certain direction. The board did its job and when the job was done, little or no time was left to address equally important topics relative to curriculum reviews, personnel evaluations, and revision of policies and procedures for the district. I publicly agree with my fellow elected board members, that this balance must be arrived at in the upcoming school year. As such, I ask on their behalf for your support of our schools through your individual and collective assessments of the funds that will be necessary to adequately deliver necessary programs and services to the young people in this community. Please factor into your deliberations prior to your vote the knowledge that not only do you now have a very stable work force within the district, but also that the wage and fringe benefit package paid to our

school administrators and teachers is competitive with other districts. Pelham voters, you can be proud of the fact that your past financial support has virtually stopped the turnover rate within the work force. This, coupled with the fact that we enjoy a very well administered school administrative unit whose schools foster a climate of growth and cooperation, provides our young people with the best educational foundation for their future endeavors in life, be it post secondary education, the entrance into a multifaceted work force or a career in the military. For your past support and your anticipated examination of all of the facts prior to voting on the bottom line figure of our upcoming budget, I thank you.

In closing, I wish to publicly thank my fellow board members for their confidence and support in returning me to the chairmanship of the district this year. I truly appreciate their hard work, dedication to the ideals of public education, and their collective cooperation in making a difficult administrative year easier.

Respectfully Submitted,

James W. Rowe, Sr.  
Chairman, Pelham School Board

## RECORD OF ANNUAL PELHAM SCHOOL DISTRICT MEETING

The annual meeting of the Pelham School District was called to order at 7:50 p.m., March 21, 1990, at the Memorial School, Pelham, NH, by the Moderator, Philip R. Currier. Approximately six hundred town residents attended along with the press. The meeting began with the Pledge of Allegiance to the Flag.

Moderator Currier introduced to the audience the ladies and gentlemen seated on stage: members of the School Board, Mr. Richard Molloy, Dr. Donald Hill, Mr. Duane Fox, Mrs. Charlotte Telsey, and Mr. James Rowe, Sr., Chairman; members of the Budget Committee, Mr. Francis Howard, Vice Chairman, and Mr. John Lavallee, Chairman; Mrs. Nanette Marvel, School District Clerk; Mr. Raymond Raudonis, Superintendent of Schools; Mr. Gerald Boucher, Business Administrator; Mr. Robert Leslie, Attorney; and Miss Michelle Currier, taking notes.

Moderator Currier pointed out the presence and location of non-voting members of the audience seated in the first two rows to the left and in the room adjoining and cautioned them not to participate in the voting.

Moderator Currier then reiterated the rules to be followed during the meeting concerning smoking and consumption of refreshments. He explained that if the meeting was not completed in one evening, it would be continued on Thursday evening, March 22, at the same time.

The rules for debate were then summarized. After being recognized by the Moderator, speakers would state their name and address and be allowed approximately three minutes to address the voters. Speakers would be required to wait for their second time to speak on the same issue after everyone had had a first opportunity. A third request would have to be approved by the body of voters. Hostility and personal attacks would not be tolerated.

Moderator Currier reviewed the rules for voting. An amendment to the wording of any article must be presented in writing before it would be considered. A petition to take a secret ballot vote, signed by at least five voters, could be presented prior to the call for voting on any particular item. A request for a hand-count could be called if any voter believes the result of a voice-count to be unreliable. The Moderator would have the right to break any ties. To bring up any vote for reconsideration, a motion to reconsider would be entertained only before the vote on the third article following had been taken.

Discussion then began on the Articles before the voting body.

Article #1: No action taken to determine and appoint salaries for the School Board and Truant Officer and fix compensation of any other officials or agents of the district.

Article #2: No action taken to hear reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

Article #3: No action taken to choose Agents and Committees in relation to any subject in this Warrant.

Article #4: Moved, seconded, and passed in the affirmative by voice-vote to see if the School District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1990-1991 school fiscal year provided that such expenditure be made for the purpose for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

Article #5: Moved, seconded, and passed in the affirmative by voice-vote to see if the School District will vote to authorize the School Board to accept and to expend in the name of and in behalf of the School District gifts for the use of the schools.

Article #16: Moved and seconded to see what sum of money the School District will vote to raise and appropriate for the support of schools and for the payment of salaries for the School District and for statutory obligations of the District, that is, to see if the School District will vote to accept the School District Budget as prepared by the Budget Committee or to take any other action thereto.

Discussion was open for questions and comments. Moderator Currier cautioned that only one amendment would be considered at a time.

Mr. Rowe then moved to amend the Budget Committee figure to \$8,570,040. This amendment to Article #16 was seconded and discussion commenced.

Mr. Rowe began by reminding the voting body that this amendment would reinstate the full 9.8% salary increase negotiated with the Pelham Education Association as part of the second year of a two-year contract. Mr. Rowe explained that the State of New Hampshire does not recognize the Budget Committee as having a role to play in setting salary for Union members after the terms of a contract have been settled. He stated that the process had been completed in March, 1989, when it was presented at the School District meeting and agreed to by the voters to approve the first year of the contract.

Explaining the rationale of the School Board in negotiating a multi-year contract, Mr. Rowe enumerated the goals that the School Board achieved:

1. The School Board recognized that salaries had to be raised to a range competitive with those in other districts in the area to stop the turn-over of staff. In 1987, Pelham salaries averaged \$4,000 below those in nearby areas. In 1988, salaries were \$1,100 below average, and only somewhat below the next year.
2. The School Board accomplished single-digit increases unlike contracts negotiated in other area districts.
3. The School Board retained language similar to that in previous years' contracts regarding Blue Cross/Blue Shield premiums. Although premiums are fully paid for all other town employees, school district employees contribute to their premiums.

4. Negotiations cost \$10,000 plus many hours of fact-finding and mediation. Multi-year contracts spread these costs over the term of the contract.

Mr. Rowe pointed out that the difference between the Budget Committee recommendation and that of the School Board, some \$329,880, represents funds that will reduce programs not State mandated. Transportation cuts, a reconfiguration of department head positions, elimination of six teachers, and fewer special education services will result. The negotiated salary increase of 9.8% will not suffer.

Mr. Lavalley responded with reasons for the Budget Committee recommendation. With a decrease in State aid anticipated, this year's request for an increase of some \$945,505 plus another \$82,720 in warrant articles would increase appropriations by \$1,038,225. Salaries, insurance, and special needs account for an increase of \$752,088, even with level funding of all programs. Every increase of \$246,016 increases the tax bill to the average property owner by \$1.00. The amount requested by the School Board would raise tax rates by \$5.29 vs. \$3.94 requested by the Budget Committee.

Mr. Lavalley defended the Budget Committee position to lower the salary account raises from 9.8% to 4.8% by stating that salaries represent 70% of the budget increases. He added that the Budget Committee recognized the pressure on tax payers.

James Giarrusso, Leonard Drive, questioned Pelham's contribution of \$226,000 to fund the SAU office. Mr. Rowe answered that this amount is not subject to further debate as it had already been negotiated under a separate agreement and passed by boards of both Pelham and Windham.

Robert Sherman, Melody Lane, referred to the Sanborne School District case now before the State Supreme Court. He mentioned that the Sanborne salary increases were presented as part of a warrant article, not included as a budget line item as is Pelham's. In making this comparison, Mr. Sherman asked the School Board if this difference would legally bind Pelham to fund the full contract as negotiated. Mrs. Telsey answered that Sanborne's increase must be funded according to the Public Employee's Labor Relation Board (PELRB) ruling handed down after the town failed to vote to fund the salary increase. The case is now before the State Supreme Court, but has yet been decided. The PELRB ruling therefore prevails at this time. Mr. Sherman continued by saying that the citizens of Pelham may find themselves in court if they fail to honor the teacher's contract, and raised the issue that this may put an end to future multi-year negotiations. He concluded that teachers are the most important people in our schools and that he favored support for the contract.

Paula Hargreaves, Nashua Road, agreed that property tax burdens are excessive, but that adoption of the School Board budget would represent only a \$106 increase in tax obligations for the average owner. She questioned the authority of the Budget Committee to make a recommendation of 4.8%. She referred to the teacher attrition rate of 25% just three years ago. Recognizing that the 9.8% figure is higher than inflation, Mrs. Hargreaves commented that Pelham salaries will still not be ahead of adjacent communities. Mrs. Hargreaves then compared salaries in Pelham with those of Andover and Salem. Despite

recent newspaper articles to the contrary and lower percentage increases, Mrs. Hargreaves contended that salaries in these two communities would still be higher. She concluded by saying that a vote against the School Board budget will undo progress that has been made.

Fred Schlapp, Wheaton Drive, then spoke in favor of funding "reasonable" raises, against the 9.8% increase. He cited statistics that compared the average teacher salary in 1986-87 to the 1990-91 School Board proposal for each of the three buildings, which indicated increases of \$10,000 to \$12,000. He also referred to the clause in the negotiated contract that states that all agreements shall not be binding upon the board until and unless the voters vote to fund the amount negotiated.

Paul McLaughlin, Birch Lane, asked Mr. Rowe how a vote against the School Board recommendation would affect future contract negotiations. Mr. Rowe maintained that the relationship between the School Board and the Union would be strained and multi-year contracts would be a thing of the past.

William Putnam, Regis Drive, remarked that School District employees do have their insurance fully funded at the beginning of the fiscal year in July, but premium increases of over \$14,000 during the year, force teachers to contribute to their premiums. He also commented that, although teacher salaries have increased by 40% over the past three years, the salary schedule did not distribute these increases equally for all teachers. He referred to the schedule to cite examples of veteran teachers receiving more than the 9.8% increase in 1989-90, claiming that, whereas fifty-five salary steps did 9.8% or less, sixteen did better than 9.8%. Mr. Putnam inferred that this was a ploy on the part of the Union to keep starting salaries low as a basis for comparison to those in surrounding towns. He argued for equitable distribution of salary increases.

William J. Azimopoulos, Jr., Loretta Avenue, then addressed the amendment. Although he felt that the School Board did negotiate in good faith, he conceded, "This is not a perfect world." As a twenty-seven year resident of Pelham, his stance was, "The well is dry." He spoke in favor of budget cuts to help poorer residents and those on fixed incomes.

Nancy Amico, Greeley Road, then spoke as one of the district's cafeteria workers. She told the voters that she and all other school district employees pay a portion of their Blue Cross/Blue Shield premiums and that her raise last year was more than offset by the increase in her insurance contribution. She reminded voters of the duties she takes on as a school worker and that the cafeteria is a self-supporting program.

Richard Hargreaves, Nashua Road, challenging Mr. Putnam's remarks, said that teachers at the bottom end of the scale had received a raise of \$7,000 since 1986-1987.

John Hargreaves, Mount Vernon Drive, was then given the floor. Mr. Hargreaves, no relation to the other two speakers with the same name, asked Mr. Rowe for the number of students who were projected to be added to the school district next year. To Mr. Rowe's reply of twelve, Mr. Hargreaves commented that a \$1,031,705 difference from 1989-90 to the currently proposed budget for 1990-91 was an exorbitant price to pay for twelve students. He asked voters to consider carefully that there was an unemployment rate among town residents of 7%.

Greg Farris, Pinewood Drive, then spoke against the amendment. In fact, he opposed both the School Board and the Budget Committee figures. He said that he thought teachers' salaries should be level-funded and that the voters should determine what should be cut from the budget.

Richard Molloy made a plea for fair taxes, possible if the town would adopt a local income tax, so that those on fixed incomes would not be unduly burdened. He commented that the town was legally and morally bound to its decisions. In reference to the salary schedule which gives the highest increases to the most experienced teachers, Mr. Molloy said that this was customary in order to keep these teachers in the district. He then justified the 40% increase for Pelham teachers over the past three years by comparing them to increases State-wide which averaged 33% during the same time period.

Mrs. Messina, LaBlanc Road, was next to speak. She asked how the Budget Committee recommendation would affect programs. John Lavalley said that the School Board number would increase the tax rate by \$5.29 compared to \$3.94 if the Budget Committee figure is adopted. He also stated that the Budget Committee had no authority to determine how the money is handled. As he understood it, the contract would be honored regardless and programs would be cut to make up the difference.

Brenda Joyce, McGrath Road, stated that a \$500 tax increase will cause people to move out of town.

Keith Oliver, Marsh Road, expressed the feeling that he received no direct benefit from tax increases and that he could not afford to have someone else pay for what he wants. He admonished teachers to live within their income.

Karen Stauss, Cindy Circle, stated that she could not afford a 24% increase in salaries.

Jeff Pastura, Dutton Road, then commented that a \$1,000,000 raise was not even worthy of discussion. He questioned the line item regarding Guidance salaries, page 5 of the budget in the Town Report. He wanted to know if the item was "salary," as printed, or "salaries." The School Board answered that the item referred to "salaries". Mr. Pastura then asked the School Board the hourly rate paid for School District counsel. After consulting with Mr. Leslie, Mr. Rowe answered that the legal firm charged from \$50 to \$120 per hour depending upon the attorney.

Dick Hagan, Bridge Street, was next to address the voters. As a financial consultant in the electronics industry, he said that in his experience 25 to 30% of insurance benefits are paid by the employee. He added that the average first-year engineer makes \$23 to \$25,000, whereas

average first-year teacher makes \$27,000 if prorated annually. He concluded that the teacher does better than the the average worker in the electronics industry.

Don Dirubbo, Pelham Road, then questioned the School Board whether the taxpayer was obliged to fund the contracted salary increases. Mr. Rowe reiterated that the contract was drawn up according to universally recognized rules.

Thomas Kirby, Meadow Knoll Road, was next to speak. As a member of the Budget Committee, he voted to fully fund the salary increases since the town voted to accept the contract last year, which included the obligation to finance the second year. He said that the sacrifice was not overwhelming in that a \$3.07 increase would probably be sufficient to fund the School Board request compared to a \$1.07 increase for the Budget Committee request. This takes into account an average 4.7% increase in town evaluations per year. Mr. Kirby then challenged Mr. Hagan's statistics by stating that the starting salary for Electrical Engineers in the company with which he is associated is \$33,000 with fully paid medical and dental benefits.

Norman Lawrence asked Mr. Rowe how many new teachers were hired during the 1989-90 school year and the number of applications received for the position. Mr. Rowe replied that one new teacher was added and fifteen applications were reviewed. Mr. Lawrence said that it sounded as though teachers do not want to leave Pelham.

Richard Craven, Washington Street, spoke in favor of the School District amendment. He stated that the time for the town to act was at the beginning of the contract, not now.

A motion was made to limit debate; the motion was seconded and passed in the affirmative.

A secret ballot was requested. Moderator Currier reminded the voters that a "Yes" vote would be in favor of the amendment to increase the Budget Committee figure to \$8,570,040. A "No" vote would oppose it.

As the ballots were being counted for the amendment to Article #16, Moderator Currier resumed the meeting with discussion on Article #6.

Article #6: Moved and seconded to see if the School District will vote to raise and appropriate the sum of Thirty Thousand dollars for the purpose of replacing the oil tank at Pelham Memorial School.

Donald Hill spoke in favor to accept this Article pointing out that if the tank should leak before it is replaced, the town would be financially responsible for environmental clean-up.

Mr. Lawrence questioned whether or not the tank had been pressure-tested. Dr. Hill replied that it passed this test two years ago. Donald Guilbeault, Mammoth Road, confirmed this fact.

Mr. Farris wanted to know if Mr. Guilbeault had the break-down for how the thirty thousand dollars would be appropriated. Mr. Guilbeault stated that this amount of money would replace the tank and all pipes to the boiler.

Albert Greenhalgh, Melody Lane, questioned whether or not the tank was double-walled. The answer was that it was.

Paul Martakos warned that leakage of oil could endanger the water supply in the area.

Article #6 was passed in the affirmative by voice-vote. The amount approved is as follows:

\$30,000.00

Article #7: Moved, seconded, and defeated by voice-vote to see if the School District will vote to raise and appropriate the sum of Four Thousand Dollars for the purpose of installing monitoring wells for the oil tank at Pelham Memorial School.

Article #8: Moved and seconded to see if the School District will vote to raise and appropriate the sum of Twenty-five Thousand Dollars for the purpose of replacing the water tank at the E. G. Sherburne School.

Mr. Molloy spoke for the Article's adoption by stating that prevention of a leak is wiser than risking a leak in the middle of winter.

Mr. Lavalley spoke in favor of the Article by reminding the voters that the tank is twenty-five years old and due for replacement.

Mr. Guilbeault told the voters that records date the tank's installation back to 1951. He said that the town could tie in with Southern New Hampshire Water Company, but that the cost for water would be \$5,000 per year. He also mentioned that a new system, which would include a new pump and piping, would last twenty years.

Harold Lynde, Jeremy Hill Road, asked what the true cost of the tank would be. Mr. Guilbeault stated that the tank would cost about \$5,000; the well tested fine and was the best one in the School District.

Joe Smolko, Luann Lane, asked Mr. Guilbeault what the well companies' estimates included. Mr. Guilbeault responded that the estimates included disposing, redigging, and repiping the system.

Mr. Rowe assured the voters that if the actual price were to come in lower than the appropriation, the balance would be refunded to the town.

Article #8 was passed in the affirmative by voice-vote. The amount approved is as follows:

\$25,000.00

With the ballots counted on the first amendment to Article #16, Moderator Currier announced the following results:

178 Yes  
431 No

-----  
609 Ballots Cast

The amendment to Article #16 to adopt the School Board budget was defeated by secret ballot vote.

Moderator Currier then entertained further motions on Article #16.

Mr. Azimopoulos, Loretta Avenue, moved to amend Article #16 to \$8,000,000. He read the proposed amendment in its entirety.

"I move to amend the bottom line operating budget to an amount not to exceed \$8,000,000, but with the following stipulations.

1. All line items excluding salary, wage, and improvement of instruction should be funded at \$3,600,000; that is the same amount included in the 1990-1991 School Board request.
2. The total salary, wage, and improvement of instruction line items shall not exceed \$4,300,000; that is the amount funded in the 1989-1990 budget.
3. The amendment allows \$100,000 that can be utilized by the School Board for an incentive program, step raises, or additional compensation as it sees fit.
4. Any revenues, received by state, federal, and local, other than from taxes, sources, in excess of \$636,798 shall be placed in the Unreserved Fund account."

The motion was seconded from the floor.

Mr. Azimopoulos spoke for the amendment by restating that teacher salaries have increased 40% in the past three years. He also alluded to language in the contract between the School Board and the Teacher's Union which states that the terms of the contract could not be binding unless and until it was funded by the voters. Mr. Azimopoulos concluded his arguments by emphasizing that programs, services would be saved and a reasonable \$1.50 increase in the tax rate could be tolerated.

Mr. Rowe enumerated the deleterious consequences of the proposed amendment: the loss of all untenured teachers and the notice to all tenured teachers of the School District's intent not to rehire them. Mr. Rowe explained that State regulations required the School District to give such notice to teachers by March 31 and that the School Board would need more time than that to decide what teachers could be rehired.

Brenda Joyce, McGrath Road, stated she could not understand why teachers would not live with a 4.8% increase rather than reduce their numbers.

Sal Perruccio, Tallant Road, commented that most of the teachers given notices would be recalled to work next year. He asked the School Board what percentage increase was allotted to principals and administrators. The School Board answered that 8% was the increase the School Board proposed for all support staff. Apparently, however, the numbers

published in the Town Report for the 1989-90 school year were in error, so the correct percentage increase was not reflected. Mr. Perruccio added that if the teachers' increase is cut, so should the administrators'.

Mr. Farris questioned Mr. Rowe as to the reason it would be necessary to pink-slip teachers unless they volunteered to give up their jobs at their current salary. Mr. Rowe replied that he had to comply with the law to notify teachers by March 31, 1990, of the district's intent not to rehire them.

Philip Labranch, Pinewood Drive, cautioned the voters that such an amendment, if passed, would be declared illegal by the courts due to the bottom-line authority entrusted to the School Board as elected representatives for the town.

Charlotte Vautier, Simpson Road, questioned the School Board as to how many guidance personnel were represented by the salary figures in accounts 11.2120.0112.1.00 to 11.2120.0112.3.00. Mrs. Telsey responded with "five." Mrs. Vautier urged the voters to adopt the amendment.

Mr. Lynde questioned the judiciousness of passing an amendment that would provide no increase at all for teachers' salaries, not even for a cost of living raise.

William Scanzani, Victoria Circle, spoke in favor of the amendment by pointing out that teachers would receive their salary step raises, so, in effect, their pay would increase. Mr. Scanzani wanted the School Board to cut salaries, not programs. He warned that, with \$80,000 additional funds for warrant articles, tax rates would increase by \$3.39.

Robert Sherman, Melody Lane, speaking against the amendment, commented that the Budget Committee figure was a good compromise.

Jonathan Cares, Windham Road, questioned whether or not the amendment was legal. Moderator Currier ruled that it was appropriate to vote on the amendment, although the School Board might retain the authority to apportion the funds as they saw fit.

John Barrett, Lane Road, compared Japan's expenditure on education per pupil which is very low to that of the United States which is at the top as he made his case for less money for more education.

Jeffrey Costura, Dutton Road, repeated Mr. Barrett's comments that the amendment represented a \$400,000 increase over last year, not a \$500,000 cut. He expressed outrage over the inaccuracy of the figures published in the town report which he declared should be reliable and audited. He asked the School Board if the 9.8% salary increase would be honored even if the voters do not vote to fund it. Mrs. Telsey replied that the town is legally bound to fund the contract; teacher positions and programs would be cut to do so.

Article #9: Moved, seconded, and defeated by voice-vote to see if the School District will vote to raise and appropriate the sum of Seven Thousand dollars for the purpose of purchasing an overseeder and aerator to service the Pelham School District Athletic Fields.

Article #10: Moved and seconded to see if the School District will vote to raise and appropriate the sum of Four Thousand dollars to purchase services for overseeding, aerating and fertilizing the Athletic Field at Pelham High School.

Mr. Lynde questioned whether this sum represented an annual or a one-time expenditure. The response was that the project required yearly professional services.

The Article was defeated by voice-vote. A hand-count was immediately requested:

189	Yes
220	No
-----	
409	Votes Total

Article #10 was defeated by hand-count.

Article #11: Moved and seconded to see if the School District will vote to raise and appropriate the sum of Fourteen Thousand Two Hundred dollars for the purpose of structural improvements to the E.G. Sherburne School. Specifically to construct an air lock entrance, replace outside door to the playground, and replace outside doors in the second floor classrooms.

Duane Fox reported that the front doors of Sherburne show evidence of rot, jagged edges, and misalignment. He added that there would be energy savings as a result of their repair. The upstairs doors were also in need of replacement due to dry rot.

Mr. Cares also mentioned that there would be a pay-back for the town in energy savings with the replacement of the doors and construction of an air-lock.

Article #11 was passed in the affirmative by voice-vote. The amount approved is as follows:

\$14,200.00

Article #12: Moved and seconded to see if the School District will vote to create a COOPERATIVE SCHOOL DISTRICT PLANNING COMMITTEE to study the advisability of establishing a cooperative school district with the Windham, NH School District; to see if the District will raise and appropriate the sum of Six Thousand Dollars to meet any expenses of this Committee; to see if the District will authorize the Moderator to appoint three members, of whom one must be a School Board member.

Mr. Schlapp spoke in favor of adoption by urging voters "to seize the moment" to realize the budgetary savings of a cooperative district.

Mrs. Telsey told voters that Windham had already adopted a similar article.

Mr. Barrett questioned whether or not a new high school would be built. Mrs. Telsey replied that the study committee would advise the district on this matter.

Eleanor Burton, Sherburne Road, questioned the language in the article, referring to the difference between "a cooperative district" and a cooperative high school. Mrs. Telsey explained that since Pelham and Windham districts would both be involved, this would constitute a cooperative district.

Mr. Lynde questioned the benefits for both districts, specifically for Pelham, and if all schools would be cooperative or just the high school. Mrs. Telsey replied that the town would make the decision as to what would be most beneficial.

Richard Craven expressed concern that Pelham would have to share control with Windham over expenditures.

Beverly Moscillo, Jefferson Avenue, spoke to defeat the formation of a study committee.

Mr. Lawrence asked the School Board if a cooperative high school would dilute Pelham's voting power. Mr. Molloy responded that voting would be shared 50-50 with Windham. Mr. Lawrence then wanted to know if representation would shift should one town have more students than another. Mr. Molloy said that voting power would remain equal. Mr. Raudonis then explained that the number of representatives would be decided upon in the course of study.

Mr. Lavalley addressed the issue by saying the the high school was built to allow for expansion. He then asked Mr. Raudonis if Pelham would lose control over the School District vote. Mr. Raudonis replied that a third School District would be created; Pelham and Windham residents would sit together at the same meeting.

Pauline Bennett, Short Road, referred to the sentiment expressed at the recent Windham School District meeting which seemed to favor a cooperative plan with Salem rather than with Pelham. She cautioned voters that Pelham would have to experience a second set of growing pains if they undertook a cooperative venture with Windham.

William McDevitt, Lane Road, spoke in favor of forming a committee to ask questions and get some answers.

John Hargreaves spoke against the study committee, again alluding to the unsuccessful merging of the school districts before the high school was built.

A motion to limit debate was seconded and passed in the affirmative by voice-vote.

Article #12 was voted upon; a hand-count produced the following results:

122	Yes
252	No
-----	
374	Votes Total

Article #12 was defeated by hand-count.

Article #13: Moved and seconded to defeat the Article which reads, "We the residents of the School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property tax payers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing State aid to education."

Mrs. Telsey remarked that the State will be studying this matter with or without this Article.

Mr. Lynde spoke in favor of the Article that the State needs this type of message.

Mr. Barrett explained that the money would be sent to Concord and then we would have to pay to get the money back.

Mr. Kirby mentioned that other means of funding should be investigated, especially for those who can't afford to pay escalating property taxes.

Mr. Lawrence and Mr. Lavalley spoke against the proposal.

A motion to limit debate on this Article was seconded and passed in the affirmative.

Article #13 was defeated by voice-vote.

Article #14: Moved and seconded to see if the School District will vote to raise and appropriate the sum of Three Thousand Five Hundred Twenty dollars to purchase and install computer hardware for eight of the Pelham High School Business Department computers as recommended by the Pelham Technical Staff.

Mr. Kirby explained that eight hard disk upgrades, which would cost \$440 each, were necessary to run the software programs currently in the school's possession.

Article #14 was passed in the affirmative by voice-vote. The amount approved is as follows:

\$3,520.00

Mr. Molloy moved, and it was seconded from the floor, to reconsider Article #12, stating that private funding for the study committee could be obtained.

By voice-vote, the motion to reconsider Article #12 was denied.

Article #15: Moved and seconded to defeat the petition to see if the town will vote to limit the School District's 1990-91 medical and dental insurance premium expenditures to an amount not to exceed \$495,000.

Mrs. Edwards, Tenney Road, asked for clarification on this article. Mr. Putnam raised the issue that the town is now paying over \$800,000 per year for insurance premiums.

Article #15 was defeated by voice-vote.

Passed and adopted in the affirmative, the Grand Total for the 1990-91 Pelham School District Budget of

\$8,312,880.00.

Moderator Currier thanked the audience for attending and participating in the town's government and adjourned the 1990 School District meeting at approximately 12:45 a.m. Thursday, March 22, 1990.

Respectfully submitted,

Nanette M. Marvel  
School District Clerk

Paul McLaughlin, Birch Lane, spoke to reject the amendment citing the severe consequences of its adoption. He reiterated that the final clause of the contract makes its terms null and void if funds are not appropriated. Mr. Rowe refuted his argument.

Mr. Giarrusso recognized that the School Board was duly elected to represent them in negotiations, but felt that it was not stressed at last year's meeting that acceptance of the first year of the contract locked the voters into the second year. He warned that economic conditions might make it impossible for residents to fund the contract in any event.

Carol Fox, Windham Road, speaking against the amendment, called cuts in education economic suicide for property values.

Mr. Martakos asked the School Board and Budget Committee how many hours they deliberated to arrive at their budget figures. After the respective boards responded that over 750 hours were spent, Mr. Martakos questioned the voters' ability to make up their own budgets after just a few hours.

Mr. Craven remarked that the Union will see to it that the contract is funded even if there is \$10 left for school operations.

A motion to limit debate was then seconded and passed in the affirmative. Moderator Currier appointed helpers to count the hand-vote:

234	Yes
280	No
-----	
514	Total

Moderator Currier thereby declared the amendment to Article #16 defeated.

He then called for a vote on Article #16 as written to reflect a budgetary figure of \$8,240,160.

Article #16 was passed in the affirmative by voice-vote.

Mr. McLaughlin immediately requested a hand-count to confirm the vote on Article #16. The vote to adopt Article #16 follows:

407	Yes
69	No
-----	
476	Votes Total

Article #16 was passed in the affirmative by hand-count. The amount approved is as follows:

\$8,240,160.00

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Pelham, New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Memorial School in said District on the      th day of March, 1991 at 10:00 a.m. in the forenoon to act upon the following subjects:

The polls will open at 10:00 a.m. and will not close earlier than 8:00 p.m.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose one Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

Given under our hands at said Pelham, New Hampshire on the      th day of February, 1991.

James W. Rowe

Donald Hill

Duane Fox

Richard Molloy

Charlotte Telsey

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Pelham, New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Pelham Memorial School in said District on the 20th day of March, 1991 at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To determine and appoint salaries for the School Board and Truant Officer and fix compensation of any other officials or agents of the District.
2. To hear reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.
3. To choose Agents and Committees in relation to any subject in this Warrant.
4. To see if the School District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or private source which becomes available during the 1991-92 school fiscal year provided that such expenditure be made for the purpose for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.
5. To see if the School District will vote to authorize the School Board to accept and to expend in the name of and in behalf of the School District gifts for the use of the schools.
6. To see if the School District will vote to raise and appropriate the sum of Seven Thousand Dollars and 00/100 (\$7,000) for the purpose of purchasing an overseeder and aerator to service the Pelham School District Athletic Fields. (Recommended by Budget Committee)
7. To see if the School District will vote to raise and appropriate the sum of Four Thousand Dollars and 00/100 (\$4,000) to purchase services for overseeding, aerating, and fertilizing the Athletic Field at Pelham High School. (Not Recommended by Budget Committee)
8. To see if the School District will vote to raise and appropriate the sum of Twenty-Four Thousand Dollars and 00/100 (\$24,000) for the purpose of replacing carpet in the open concept area of E. G. Sherburne School. Carpeting to be replaced was installed during the original construction of that area in 1972. (Recommended by Budget Committee)

9. To see if the School District will vote to raise and appropriate the sum of Thirteen Thousand Six Hundred Dollars and 00/100 (\$13,600) for the purpose of replacing eight (8) built-in cafeteria table units at E. G. Sherburne School. (Recommended by Budget Committee)
10. To see if the School District will vote to raise and appropriate the sum of Three Thousand One Hundred Dollars and 00/100 (\$3,100) for the purpose of purchasing services to reinspect all schools for asbestos. Federal regulations require that school facilities originally inspected in 1988 be reinspected every three years. (Recommended by Budget Committee)
11. To see if the School District will vote to raise and appropriate the sum of Five Thousand Dollars and 00/100 (\$5,000) for the purpose of purchasing materials and services to replace electrical wiring for the water system at Pelham High School. Present aluminum electrical wiring is not adequate to meet the demand and will be replaced with copper wire consistent with BOCA Code. (Recommended by Budget Committee)
12. To see what sum the School District will vote to raise and appropriate to fund all new cost items for the 1991-92 school year attributable to the collective bargaining agreement between the Pelham School Board and the Pelham Education Association. (Not Recommended by Budget Committee)
13. To see if the School District will vote to raise and appropriate the sum of Thirty-Six Thousand Eight Hundred Sixty-Eight Dollars and 00/100 (\$36,868). Said sum of money being the amount necessary to fund salary increases and salary related costs for all support and administrative staff for school year 1991-92. (Recommended by Budget Committee)
14. To see if the School District will vote that there be no salary increases, including step raises, for Pelham School District teachers in the year beginning July 1, 1991 and ending June 30, 1992. (Submitted by Petition)
15. To see if the School District will vote to raise and appropriate the sum of Twenty-One Thousand Seven Hundred Eighty-Five Dollars and 00/100 (\$21,785) to purchase and install hardware and software to implement an instructional computer aided drafting (CAD) system to prepare Pelham graduates and interested adults for challenging positions in computer aided drafting. (Submitted by Petition) (Not Recommended by Budget Committee)
16. To see if the School District will vote to raise and appropriate the sum of Four Thousand Four Hundred Thirty-Five Dollars and 00/100 (\$4,435) to purchase and install hardware and software to implement a computer information system for student scheduling, health, attendance and grading. (Submitted by Petition) (Not Recommended by Budget Committee)

17. To see if the School District will vote to raise and appropriate the sum of Forty-Three Thousand Seventeen Dollars (\$43,017) to continue providing child benefit services to Pelham school children attending St. Patrick School. (Submitted by Petition) (Recommended by Budget Committee)
18. To see what sum of money the School District will vote to raise and appropriate for the support of schools and for the payment of salaries for the School District and for statutory obligations of the District, that is, to see if the School District will vote to accept the School District Budget as prepared by the Budget Committee or to take any other action thereto.
19. To transact any other business that may legally come before said meeting.

Given under our hands at said Pelham, New Hampshire, on the 14th day of February, 1991.

PELHAM SCHOOL DISTRICT  
ANNUAL REPORT  
of the  
DIRECTOR OF SPECIAL SERVICES

During the 1989-1990 school year, 195 students in the Pelham School District were identified as educationally handicapped and eligible to receive special education services. Students ranged in age from three to twenty-one and have been identified in accordance with the guidelines provided in the New Hampshire Standards for the Education of Handicapped Students.

Services provided within the three Pelham schools included regular classrooms with specific student modifications, special education consultation, a variety of resource rooms, as well as a self-contained special education class at the intermediate level. Identified students at the preschool level attended programs located at Windham Center School. The related services of physical therapy, occupational therapy, counseling, and speech/language pathology were available to students as indicated in their individualized education programs. As in the past, a multidisciplinary team has been established in each building for the purpose of accepting referrals, conducting educational and psychological evaluations, and developing Individualized Education Programs for each of the identified students. Of the total number of students in special education programs, twenty-eight required placement in alternative day programs in public or private schools during the course of the school year.

Federal funds continued to support in-district programs. Chapter I monies provided assistance to students in grades two through eight in the areas of reading and math. Services of a speech pathologist and occupational therapist were contracted for preschool and elementary level students through P.L. 94-142 entitlement funds, and a part-time counselor for educationally handicapped students at Pelham High School who required this service was contracted through the Center for Life Management in Salem. Full time teacher aides were assigned to E. G. Sherburne School and Pelham High School to assist with academic support within the resource room programs. Remaining federal funds were allocated to the support of required child find activities for students aged 0 - 3 and 16 - 21.

During the 1989-1990 school year, both districts in School Administrative Unit #28 participated in New Hampshire's Statewide Systems Change Project. As a demonstration site, the two districts made a formal commitment to the provision of integrated educational opportunities for their students with moderate and severe disabilities. Throughout the school year, Pelham's teachers, administrators, and support staff received various trainings and technical assistance by consultants from the Institute on Disability at the University of New Hampshire. Eight Pelham students in

self-contained or out-of-district placements were targeted to return to age-appropriate classes in their neighborhood schools in September 1990. Continued work with the Institute on Disability will take place during the 1990-1991 school year, as School Administrative Unit #28's application for its second year as a demonstration site has been approved. Much credit goes to the Superintendent, the building administrators and the members of the Pelham School Board for their strong support in this system-wide effort.

Respectfully submitted,

Sandra A. Pare'  
Director of Special Services

TOWN OF PELHAM  
THE STATE OF NEW HAMPSHIRE

WARRENT  
1991 TOWN MEETING

To the inhabitants of the Town of Pelham, in the County of Hillsborough and the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified that the annual meeting of the Town of Pelham will be held at the Memorial School on Marsh Road in said Pelham on Tuesday, March 12, 1991 at 10:00 in the forenoon for the choice of town officers elected by official ballot and other action required to be inserted on said official ballot. The polls for the election of town officers and other action required to be inserted on said ballot will open on said date at 10:00 in the forenoon and will close not earlier than 8:00 in the evening.

You are hereby notified that the second session of the annual meeting of the Town of Pelham will be held at the Memorial School on Marsh Road in said Pelham on Thursday, March 14, 1991 at 7:30 in the evening to act on the matters not to be acted upon by official ballot.

You are hereby notified to choose all necessary town officials for the ensuing year. (BY BALLOT)

**ARTICLE 1** To see if the Town of Pelham will vote to amend Article I, Section 307-2:F of the Zoning Ordinance to read as follows:

The Aquifer Conservation District is an overlay district which consists of those areas shaded in blue on the United States Geological Survey Map entitled "Saturated Thickness, Transmissivity and Materials of Stratified-Drift Aquifers in the Nashua Region, South Central New Hampshire" from the study Hydrogeology of Stratified Drift-Aquifers and Water Quality in the Nashua Regional Planning Commission Area, South Central New Hampshire (1987) prepared by Kenneth W. Toppin, United States Geological Survey-Water Resources Investigation Report 86-3458, a copy of which is on file at the Pelham Town Hall. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

**ARTICLE 2** To see if the Town of Pelham will vote to amend Article I, Section 307-3 (Definitions - "Aquifer") of the Zoning Ordinance to read as follows:

**Aquifer** - Refers to those areas shaded in blue on the United States Geological Survey Map entitled "Saturated Thickness, Transmissivity and Materials of Stratified-Drift Aquifers in the Nashua Region, South Central New Hampshire" from the study Hydrogeology of Stratified-Drift Aquifers and Water Quality in the Nashua Regional Planning commission Area, South Central New

Hampshire (1987) prepared by Kenneth W. Toppin in the United States Geographical Survey-Water Resources Investigations Report 86-4358, a copy of which is on file at the Pelham Town Hall.  
(BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

**ARTICLE 3** To replace the existing Section 307-12, Residential District (Article 3 District Regulations) in its entirety, to allow for specific definitions of permitted uses and uses permitted by special exceptions.

**A. Purpose and Intent**

The purpose of this article is to promote the health, safety, and general welfare of the community, assure the proper use of natural resources, minimize congestion in streets, securing safety from fire and other dangers, avoid the undue concentration of population, provide adequate light, space and air, assure adequate provision of public facilities, promote good development and design in keeping with the rural charm of the Town, and to protect the use, enjoyment and value of residential property in the Town of Pelham, New Hampshire.

The intent of this article is to provide ample opportunity for the use and development of residential property for the use and enjoyment of all classes of people and household types while preventing the location of inappropriate development or uses of land, congested streets, or conditions which may make residential uses in the district problematic, hazardous to health or safety, or inharmonious with the rural/residential character of the Town of Pelham, N.H.

**B. Permitted Uses**

Only the following uses are permitted in the Residential District:

1. Single and two-family residences
2. Agricultural uses
3. Farm stands
4. Accessory uses which are secondary, customary and incidental to principal permitted uses

**C. Special Exceptions**

The following uses are permitted by special exception of the Zoning Board of Adjustment subject to site plan review of the Planning Board and any conditions of approval imposed by the ZBA to meet the standards and requirements of this ordinance. The ZBA shall determine if the proposed use will meet the standards established herein for that use:

- (1) Churches and associated accessory uses in accordance with the following provisions:

a. Not less than two-hundred (200) feet of frontage shall be provided on a major or minor thoroughfare or arterial street or collector street.

b. Primary ingress and egress shall be provided on a major or minor thoroughfare or arterial street or collector street.

c. Site Plan review and approval shall be obtained from the Planning Board.

d. No off-street parking shall be located between a building line and a public right-of-way or within required front, side or rear setbacks.

e. The exterior appearance of buildings and grounds shall be compatible with the rural\residential character of the District.

(2) Home Occupation: Residences may be used to house home occupations by the resident owner such as offices for doctors, engineers, architects, lawyers, real estate and insurance or other recognized businesses subject to the following conditions:

a. No more than four employees, in addition to the resident shall be permitted. The Zoning Board of Adjustment may reduce the maximum number of employees, in its discretion, based on the character and density of the neighborhood and/or the nature of the business.

b. The home occupation shall be secondary to the principal use of the home as the residence of the business owner and the business shall not change the residential character of the building.

c. The home occupation shall be carried out entirely within the home or an accessory structure. The accessory structure shall be architecturally harmonious with the primary structure and conform to the front, side and rear setback regulations. If the accessory structure exceeds the footprint of the primary structure, the accessory building height shall not exceed 1.25 times the side and rear setback distances and .75 times the front setback distance.

d. Not more than one sign which advertises the business shall be unlighted and shall not exceed three (3) square feet, will be permitted.

e. All exterior storage shall be screened from neighboring views.

f. Other than the permitted sign, there shall be not exterior indication of the home occupation.

g. Objectionable circumstances such as noise, vibration, dust, odor, electrical disturbances, heat or glare shall not be produces.

h. Parking shall be provided off-street and may not be located within the required side or rear setbacks. Driveways shall be designed in a manner in keeping with residential uses.

i. No activity shall be allowed that will generate traffic that is uncharacteristic or substantially greater in volume that would normally be experienced with that neighborhood.

**3. Accessory Dwelling Units:** A single-family home may contain not more than one accessory dwelling unit, attached to the principal dwelling, subject to the following conditions:

a. The accessory dwelling unit shall be secondary to the principal dwelling unit.

b. Accessory dwelling units shall not contain more than one bedroom and shall not exceed 750 square feet or 75% of the footprint of the primary dwelling or whichever is less.

c. Accessory dwellings shall be considered as one and one-half (1 1/2) bedrooms for the purposes of septic system design and Planning Board Subdivision Review Regulations and complying with the Town of Pelham waste disposal Section 295, in its entirety.

**4. Public, private, parochial schools, business or trade schools, colleges, nursery schools, and licensed day care facilities** subject to the following conditions:

a. Not less than two-hundred (200) feet of frontage shall be provided on a major or minor thoroughfare or arterial street or collector street or access by 50 foot right-of-way that will provide safe access for said use.

b. Primary ingress and egress shall be provided on a major or minor thoroughfare or arterial street or collector street.

c. Site Plan review and approval shall be obtained from the Planning Board.

d. No off-street parking shall be located between a building line and a public right-of-way or within required front, side or rear setbacks.

e. The exterior appearance of buildings and grounds shall be compatible with the rural/residential character of the District.

**5. Hospitals and Saniteria:** Such uses may be permitted within the residential district subject to the following conditions:

a. Not less than two-hundred (200) feet of frontage shall be provided on a major or minor thoroughfare or arterial street or collector street or access by 50 foot right-of-way that will provide safe access for said use.

b. Primary ingress and egress shall be provided on a major or minor thoroughfare or arterial street or collector street.

c. Site Plan review and approval shall be obtained from the Planning Board.

d. No off-street parking shall be located between a building line and a public right-of-way or within required front, side or rear setbacks.

e. The exterior appearance of buildings and grounds shall be compatible with the rural/residential character of the District.

**6. Golf courses** and associated uses subject to the following conditions:

a. Not less than two-hundred (200) feet of frontage shall be provided on a major or minor thoroughfare or arterial street or collector street access by 50 foot right-of-way that will provide safe access for said use.

b. Primary ingress or egress shall be provided on a major or minor thoroughfare or arterial street or collector street.

c. Site Plan review and approval shall be obtained from the Planning Board.

d. No off-street parking shall be located between a building line and a public right-of-way or within required front, side and rear setbacks.

e. The exterior appearance of buildings and grounds shall be compatible with the rural/residential character of the District.

**7. Radio or television studios and appurtenant towers and antennas** are permitted in this district; however, the Board of Adjustment shall hold a public hearing, at which hearing evidence for or against the issuance of a permit shall be heard, and said Board shall have the authority to decide whether the permit shall be issued or not. A permit shall be issued with the proviso that a sufficient area be reserved to protect the property of the abutters.

D. No land in this district shall be used for a dump or junkyard. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

ARTICLE 4 To see if the Town of Pelham will vote to amend Article 3, Section 307-17-1:D to reclassify to setback distance

from a septic system to a wetland. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

**D. Special Provisions**

1. Residential and commercial septic leachfields must be setback from Wetland Conservation District Areas the following distances:

- a) Group 5 HISS soils or hydric B soils - 25 feet
- b) Group 6 HISS soils or hydric A soils - 50 feet
- c) Ponds, streams and year round brooks - 75 feet

2. No building or structure may be located within a Wetland Conservation District Area.

**ARTICLE 5** To see if the town of Pelham will vote to amend Article 2, Section 307-9-IV-19 to reduce the setback requirement of a business sign to a public right-of-way from fifteen feet to three feet. (BY BALLOT) (RECOMMENDED BY THE PLANNING BOARD)

b. Minimum setback of a sign shall be three (3) feet from a public right-of-way and fifteen (15) feet from side and rear lot lines with a maximum sign height of forty (40) feet.

In addition, signs may not be installed to obstruct vision or be situated in such a way as to impede the safety of the general public.

**ARTICLE 6** To see if the town should vote to amend the Pelham zoning ordinance by adding to the business zone, District B-3 parcels designated as TM 010-285, 010-286, 010-287, containing 1.09 acres, more or less. Currently part of residential District. (BY PETITION) (BY BALLOT) (NOT RECOMMENDED BY THE PLANNING BOARD)

**ARTICLE 7** To see if the Town of Pelham will amend Article 3, Section 307-13 of the Zoning Ordinance add the following language at the end of that section:

**C. Special Exceptions:**

The following uses shall be permitted by special exception of the zoning Board of Adjustment subject to any conditions of approval imposed by the Board for the purposes of meeting the standards and requirements of this Ordinance.

**HOME OCCUPATION:** Residences may be used to house types of home occupations, which are not specified in section (A), above, by special exception of the Zoning Board of Adjustment subject to any conditions of approval imposed by the Board for the purposes of meeting the standards and requirements set forth, below.

The following conditions shall be considered by the Board before approval of a special exception for all other home occupations:

1. No more than four (4) employees, in addition to the owner/occupant, shall be permitted. The Board may reduce upon the maximum number of employees, in its discretion, based upon the character and density of the neighborhood, and/or the nature of the business.
2. The home occupation shall be secondary to the principal use of the home as the residence of the owner/operator.
3. The home occupation shall be carried out entirely within the home or an accessory structure.
4. Not more than one unlighted sign, not to exceed two (2) square feet in area, shall be permitted.
5. All exterior storage shall be screened from neighboring views.
6. Other than the exterior sign, there shall be not exterior indication of the home occupation.
7. Objectionable circumstances, such as noise, vibration, dust, odor, electrical disturbances, heat or glare, shall not be produced.
8. Parking shall be provided off-street and may not be located within the required front, side or rear setbacks within driveways designed in a manner in keeping with residential uses. Additional parking may be provided in side or rear yards, except within the required setback areas, provided that such parking is screened from neighboring views.
9. No traffic shall be generated from the activity that would be substantially greater in volume than would normally be expected within the neighborhood.  
(BY BALLOT) (BY PETITION) (NOT RECOMMENDED BY THE

**PLANNING BOARD)**

**ARTICLE 8** To see if the town of Pelham will amend Article V, Section 307-26, of the Zoning Ordinance to read as follows: "For all residential nonconforming uses, January 1, 1980, shall be the effective date of this ordinance." (BY BALLOT) (BY PETITION)  
(NOT RECOMMENDED BY THE PLANNING BOARD)

**ARTICLE 9** To see if the Town of Pelham will amend Article A(2), Section 307-14 of the Zoning Ordinance to read as follows: All light industrial and manufacturing uses, including the

manufacture of electricity of 30 MW or less from wood or gas and its related fuel processing and storage".

To see if the Town of Pelham will amend Article A(3), Section 307-14 of the Zoning Ordinance to read as follows: "The Planning Board shall hold a hearing for the purpose of creating reasonable conditions, consistent with applicable Federal and State permit conditions, to control the emission of noxious, hazardous, or offensive odor, dust, smoke, gas or noise." (BY PETITION) (BY BALLOT) (NOT RECOMMENDED BY THE PLANNING BOARD)

#### DELIBERATIVE SESSION

ARTICLE 10 To see if the town will vote to appropriate the sum of \$125,000.00 for the purchase of a new fire rescue truck, such appropriation to be raised by the issuance of bonds or notes under and pursuant to the municipal finance act, as amended and supplemented; to authorize the Board of Selectmen to take any and all actions necessary to carry out any vote hereunder; or to take any other action relative thereto. (BY BALLOT AT THE DELIBERATIVE SESSION) (2/3 MAJORITY VOTE REQUIRED) (RECOMMENDED BY THE BOARD OF SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)

#### STANDARD ARTICLES

ARTICLE 11 To see if the town will vote to authorize the Board of Selectmen to accept on behalf of the town, gifts, legacies and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE 12 To hear the reports of auditors, agents and other committees heretofore chosen and pass any votes relating thereto.

ARTICLE 13 To see if the Town will vote to authorize the prepayment of taxes and authorize the Tax Collector to accept payments in prepayment of taxes.

ARTICLE 14 To see if the Town will authorize the Selectmen and Town Treasurer to borrow in anticipation of taxes, such sums as may be necessary to meet the obligatory expenses to the Town as provided for in RSA 33:7.

ARTICLE 15 To see if the Town will vote to authorize the Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the state, federal or governmental unit or private source which becomes available during the 1991 fiscal year, provided that such expenditure be made for the purposes for which a Town may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Selectmen hold a public hearing prior spending the money pursuant to RSA 31;95-b.

ARTICLE 16 To see if the town will vote to authorize the Selectmen to convey any real estate acquired by the town by tax

collector's deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80. **(NOT RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 17** To see if the town will vote to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plot approved by the Planning Board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their agent.

**ARTICLE 18** To see if the Town will vote to raise and appropriate the sum of \$3,245,544.00 for general town operations. **(MAJORITY VOTE REQUIRED) (\$3,221,628.00 RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 19** To see if the Town of Pelham will authorize the Selectmen to enter into an agreement to lease/purchase a rescue vehicle at a purchase price of \$125,000.00 over a five (5) year period, with the initial payment not to exceed \$28,912.00 for the first (1st) year and equal payments for the subsequent four (4) year. This lease arrangement shall provide that at the end of the contract period the Town of Pelham shall have sole ownership without any additional funding to the lessor. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

**ARTICLE 20** To see if the town will vote to raise and appropriate the sum of \$123,699.78 to be offset by the State Highway Grant for highway construction. (NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES) (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

**ARTICLE 21** To see if the Town will vote to raise and appropriate the sum of \$79,456.63 for the purpose of constructing a salt and sand shed and for the cost of expenses related to site preparation, surveying, preliminary plans and construction of access from Fletcher Drive to said site and a driveway and pavement of a storage area and the cost of providing electric service for security lighting and electricity to the office trailer. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

**ARTICLE 22** To see if the Town will vote to raise and appropriate the sum of \$32,600.00, for the purchase of (2) two, 1991 Ford, LTD, Crown Victoria Police Patrol Vehicles, to include the cost of blue lights and police radios. (Cost of cruisers is the State Bid Price) (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

**ARTICLE 23** To see if the Town will vote to create an expendable general fund trust fund under the provision of RSA 31:19-a, to be known as the Compensated Absence Fund, for the purpose of disbursing accrued earned time and compensatory time to terminating employees, and to raise and appropriate the sum of \$10,000.00 towards this purpose and further to name the Selectmen as agents to expend the fund. (MAJORITY VOTE REQUIRED) (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

**ARTICLE 24** To see if the Town will vote to expend \$20,654.86 for the specific purpose of operating and maintaining the Town of Pelham's PEG (public, educational and governmental) access cablecasting capabilities from income set aside by Harron Communication Company. This income is allocated to the Town of Pelham by its Franchise Agreement with Harron Communication Company and if not used as specified, must be refunded to Harron Communication Company. **NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 25** To see if the town will vote to raise and appropriate the sum of \$20,004.00 to replace the town computer system hardware and software and provide a computer system with the capacity to serve all town departments. **(BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 26** To see if the town will vote to raise and appropriate \$20,000.00 (Twenty Thousand Dollars) to fund the Pelham Police Department's Drug Task Force. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 27** To see if the town will vote to raise and appropriate the sum of \$15,633.00 (Fifteen Thousand Six Hundred and Thirty-three Dollars) for a combined police/fire/highway radio system, to include combining and relocation of present systems to make a more efficient and controllable communications system. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 28** To see if the Town will vote to raise and appropriate an operating transfer to the existing General Fund Trust Maintenance of Recycling Facility in the amount of \$15,000.00 to be funded from surplus. **NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 29** To see if the Town will vote to approve cost items in the amount of \$19,100.00 for increases in salaries and benefits attributable to a one year collective bargaining agreement between the Town of Pelham Board of Selectmen and AFSCME Local #1801 for the period of April 1, 1991 through March 31, 1992 and to raise and appropriate the amount of \$13,872.00, to fund the Collective Bargaining Agreement from April 1, 1991 through December 31, 1991. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 30** To see if the Town will vote to raise and appropriate the sum of \$11,000.00 for vinyl siding of the Town Hall, and general exterior repairs. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 31** To see if the Town will vote to raise and appropriate an operating transfer to the existing Capitol Reserve Fund Land

Fill Closure in the amount of \$10,000.00 to be funded from surplus. NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 32 To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for general exterior repair and vinyl siding of the Town Hall Annex. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 33 To see if the Town will vote to accept Federal grant money of \$10,000.00 from the Land and Water Conservation Fund. Funds are to be used for development of Muldoon Park, Phase II. NO PORTION TO BE RAISED BY LOCAL TAXES. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 34 To see if the Town will vote to raise and appropriate the sum of \$9,456.33 for installation of a drainage system and repair of Raymond Park driveway. (RECOMMENDED BY THE BOARD OF SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 35 To see if the Town will vote to raise and appropriate the sum of \$7,500.00 for a 3/4 ton pickup truck to be used as the recreation vehicle. (RECOMMENDED BY THE BOARD OF SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 36 To see if the Town will vote to raise and appropriate the sum of \$5,589.00 to buy out the lease of the Konica 4291 photo copier at the Selectmen's Office. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 37 To see if the Town will vote to raise and appropriate an operating transfer to the existing Capitol Reserve Fund New Recycling Building in the amount of \$6,511.25 to be funded from surplus. NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 38 To see if the Town will vote to raise and appropriate the amount of \$5,715.00 from franchise fees to pay appropriately trained people to produce video tapes of various town meetings, ie; Selectmen' Meetings, School Board Meetings, Board of Adjustment Meetings, Planning Board Meetings, Budget Committee Meetings and various public hearings, to be broadcast on Pelham Channel 52. (NO PORTION OF SAID AMOUNT TO BE RAISED FROM LOCAL TAXES) (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 39 To see if the town will vote to raise and appropriate the sum of \$5,690.00 (Five Thousand Six Hundred and Ninety Dollars) for the purchase of Ballistic Protective Vests, Ballistic Protective Helmets, and night sights for Sig-Sauer 9mms to be used by the Police Dept. and the Drug Task Force.

**(RECOMMENDED BY THE BOARD OF SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 40** To see if the Town will vote to raise and appropriate the sum of \$5,555.00 to be paid to Southern New Hampshire Water company for hydrant fees. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 41** To see if the Town will vote to raise and appropriate the sum of \$5,108.00 to fund the Town's share of the membership assessment of the Nashua Regional Planning Commission. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 42** To see if the town will vote to raise and appropriate the sum of \$1,200.00 for rental of the Police Station Mobile Office. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 43** To see if the Town will vote to expend \$4,500.00 from the interest generated by the Elmer G. Raymond Memorial Trust Fund for the purpose of operation and maintenance of the Park. **NO PORTION OF SAID AMOUNT SHALL BE RAISED BY LOCAL TAXES.** This is the same amount that was approved by the 1986, 1987, 1988, 1989, and 1990 Town Meetings for the operation and maintenance of said park. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 44** To see if the Town will vote to raise and appropriate the sum of \$3,875.69 to pay for the replacement of the damaged padmount electrical transformer at the Incinerator Recycling Facility. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 45** To see if the town will vote to raise and appropriate the sum of \$2,500.00 for engineering fees pertaining to special projects under the selectmen's jurisdiction and also for the purpose of Highway Department road engineering requirements. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 46** To see if the Town of Pelham will vote to raise and appropriate the sum of Two Thousand Two Hundred and Fifty Dollars (\$2,250.00) for the purpose of offsetting expenses associated with the operation of Greater Salem Caregivers. **(BY PETITION) (RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 47** To see if the Town will vote to raise and appropriate the sum of \$1,900.00 for repair and carpeting of the Town Hall Annex Selectmen's Office. **(RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)**

**ARTICLE 48** To see if the town will vote to raise and appropriate \$1,000.00 (One thousand dollars) for software maintenance of the

Police Applications Software Package. (RECOMMENDED BY THE BOARD OF SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 49 To see if the town will vote to raise and appropriate the sum of \$900.00 (Nine Hundred Dollars) for the purchase of a Polaroid camera for the Police Department. (RECOMMENDED BY THE BOARD SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 50 To see if the Town of Pelham will vote to place the unexpended balance of the 1990 Conservation Commission Appropriation in the amount of \$777.00 in the Special Conservation Fund in accordance with RSA 36-A:5. (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 51 To see if the town will vote to raise and appropriate \$225.00 (Two Hundred and twenty-five Dollars) for six panel pine doors for the Police Department. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 52 To see if the town will vote to raise and appropriate the sum of \$300.00 (Three Hundred Dollars) for the purchase of an animal protection glove to handle hostile and diseased animals and a 35mm camera for documentation purposes. These items would be for the use of the Animal Control Department. (RECOMMENDED BY THE BOARD OF SELECTMEN) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 53 To see if the Town will vote to remove a tract of land designated as Tax Map #7-13 from the Arthur H. Peabody Memorial Town Forest. This land to be used as a site for the highway department and sand shed, the highway office trailer and equipment and supplies and any future buildings for highway department use and for stump and brush disposal area.

ARTICLE 54 Are you in favor of adopting the following ordinance that would prohibit the burning of household wastes in barrels or other containers within the Town of Pelham?

- I. PURPOSE: Since the unregulated burning of household wastes in on-site barrels or containers produces odiferous acrid and frequently toxic fumes which may be injurious to the health and safety of all residents, and given that there presently exists a Town-operated, and state and federally monitored incinerator and recycling center where household wastes may be disposed of in an environmentally responsible manner by all residents, the intent of this ordinance is to protect all Pelham citizens from unreasonable and unnecessary risks to public health and safety by prohibiting the burning of household wastes in barrels or on-site containers within the Town of Pelham.
- II. EXCEPTIONS: The seasonal burning of leaves and brush shall be exempt from this provision.

III. PENALTIES: Any violation of this ordinance shall be considered a misdemeanor and the following penalties shall be assessed for violations of this ordinance:

- A. First offense: Punishable by a fine not less than \$10.00
- B. Second offense: Punishable by a fine not less than \$50.00

IV. This ordinance shall take effect upon passage.

V. The invalidity of any provision of this ordinance shall not invalidate any other provision.

(BY PETITION)

ARTICLE 55 To see if the Town will authorize the Selectmen to sell 2.28 acres of Town owned land identified as Map 12 Lot 210 with an assessed value of \$1,150.00 to Pearson-Palm Inc. or their nominee, for the amount of \$22,500.00. This authorization is dependent upon an affirmative recommendation by the Pelham Conservation Commission and the Pelham Planning Board in consideration of any identified municipal use. An amount equal to the funds realized from the sale of this parcel less the costs of the sale shall be appropriated to the Town of Pelham Municipal Building Capital Reserve Fund established at the 1987 Town Meeting. (BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 56 To see if the town will authorize the Selectmen to sell 10.23 acres of Town owned land identified as Map 12 Lot 216 with an assessed value of \$7,800.00 to Pearson-Palm Inc. or their nominee, for the amount of \$22,500.00. This authorization is dependent upon an affirmative recommendation by the Pelham Conservation Commission and the Pelham Planning Board in consideration of any identified municipal use. An amount equal to the funds realized from the sale of this parcel less the costs of the sale shall be appropriated to the Town of Pelham Municipal Building Capital Reserve Fund established at the 1987 Town Meeting. (BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 57 To discontinue a section of road formerly known as Old Gage Hill Road from its intersection with Gage Hill Road (Rt. 38) northerly to the intersection of Pelham Road and Plower Road. (BY PETITION)

ARTICLE 58 To see if the town will vote to authorize the Selectmen to sell at fair market value any part or all of approximately 40.9 acres of town owned land with an assessed value of \$26,500.00. These six Pelham tax map parcels as reviewed with and recommended by the Town Planning Director are TMP 9-42, TMP 12-210, TMP 12-216, TMP 12-215, TMP 12-213, and TMP 12-214. The Selectmen shall clarify Pelham's title, obtain a

market value assessment and sell these parcels to interested buyers. Further in the year of the sale Pelham shall raise and appropriate a transfer from surplus of an amount equal to the funds realized from the sale less the cost of the sale and such amount shall be placed in the Town of Pelham Municipal Building Capital Reserve Fund established at the 1987 Town Meeting. (BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 59 To see if the Town will vote to establish a capital reserve fund pursuant to RSA 35:1 for the purchase of a new ambulance, and raise and appropriate from surplus, the sum of \$21,000 to be added to the new Ambulance Capital Reserve Fund and authorize the use/transfer of the December 31, 1991 fund balance for this purpose. (RECOMMENDED BY THE BOARD OF SELECTMEN) (RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 60 To see if the Town will vote to proclaim its full support for the United States of America and allied forces serving in the Persian Gulf under the auspices of United Nations resolution #678. (BY PETITION)

ARTICLE 61 Whereas, although the right of free expression is part of the foundation of the United States Constitution, very carefully drawn limits on expression in specific instances have long been recognized as legitimate means of maintaining public safety and decency, as well as orderliness and productive value of public debate; and

Whereas, there are symbols of our nation such as the Washington Monument, the United States Capitol Building, memorials to our greatest leaders, and our flag, which are the property of every American and are therefore worthy of protection from desecration and dishonor; and

Whereas, the law as interpreted by the United States Supreme Court no longer accords to the flag the reverence, respect, and dignity to which it is entitled; and

Whereas, it is only fitting that people everywhere should join in a forceful call for the restoration of the flag to its proper station under law and decency;

Now therefore be it resolved, that the voters of the Town of Pelham respectfully request the Congress of the United States to propose an amendment of the United States Constitution, for ratification by the states, specifying that Congress and the states shall have the power to prohibit the physical desecration of the flag of the United States. (BY PETITION)

## REPORT OF THE SUPERINTENDENT

To the Pelham School Board and the Residents of Pelham:

These twelve months since my last report and the last annual meeting of the school district have focused on continuing initiatives begun to improve our schools while facing the reality of the region's hard economic times. This balancing act continues to force difficult decisions and the establishment of priorities for the expenditure of educational dollars. The Pelham School District continues to meet or exceed most statewide educational averages save one; per pupil expenditures at both the elementary and high school are below the average spending levels of New Hampshire communities. I cite this statistic to alert you to the efforts that your board, staff, and administration are making to control spending in Pelham, and also to caution people that the price tag for this has meant reducing some services, cutting staff, and eliminating some programs. This is the true balancing that has occurred but will become increasingly more difficult to maintain without significant sacrifice of quality.

The Facilities Planning Committee chaired by Board Member Richard Molloy consists of the following members: Dennis Goyette, DeWayne Howell (alternate), Jane Provencal, Nanette Marvel, Frank Holden, Susan Fraser, Philip Labranch, Marina Sintros, Dorothea Labranch, Eleanor Burton, Ron McCracken, William Putnam, Frank Howard (alternate), Paul Martakos, and Christopher Sintros. This group continues to meet, analyze population data, examine school space requirements, and prepare recommendations for the school board to enable Pelham to plan for the accommodation of increased student enrollments in our elementary schools today and tomorrow.

The Pelham High School Improvement program (SIP) has moved from the planning phase into the action phase of the project. More than one-hundred students, residents, and staff members volunteered to serve on teams that will translate objectives for improvement into actions. Teams are focusing on a variety of aspects of Pelham High School all falling within three primary areas: Instruction, Communication, and School Environment. The action plan was developed by mining the School Profile which identified those aspects of our school that were most or least compatible with research on effective schools. Although our third year in the project officially ends in December of 1991, we anticipate that we will continue our relationship with the Alliance for Effective Schools into the future by participating with other SIP Schools in a variety of conferences, sharing a newsletter, and networking technical assistance.

Our three schools continue to participate in the New Hampshire Comprehensive Guidance and Counseling Curriculum. This committee is actively developing and implementing programs to improve student and parent services, promote self esteem in children and address at-risk student issues throughout the district.

After a planning year in 1989-90, we have implemented a special education integration program through the State Systems Change Project. We are successfully returning a number of handicapped students from out-of-district placements to district classrooms where they may have the opportunity to learn with friends and neighbors from their own communities. This is a significant step in our ability to provide an appropriate public school education for all children. Our district is clearly a leader in this effort to the credit of our regular and special education staff and to Sandra Pare', Director of Special Services.

We are presently engaged in collective bargaining with the Pelham Education Association leading to a Master Contract to succeed the one due to expire on August 31, 1991. We are hopeful that an agreement can be reached that will acknowledge both the skills of our teachers and the reality of difficult economic times.

These are but a few highlights of a year that has also seen a partial restructuring of our high school department head structure, individuals and committees working to identify the essential skills and competencies students should possess in every subject and every grade, greater involvement of staff, students, parents, and community in our schools' decision-making processes, the collaborative development of mission statements in two of our schools, a reorganization of our athletic department and the policies under which it operates and many other school and district initiatives dedicated to being the best that we can be.

In conclusion, I wish to express my commendations to the entire school community; students, school board, faculty and staff, taxpayers, residents and parents; for their efforts, commitment, and support of public education in Pelham, New Hampshire. You have a great deal to be proud of, all of you.
