REPORT OF WHITE PINE BLISTER RUST CONTROL

To the Chairman,
Board of Selectmen,
Rindge, N. H.
Dear Sir:

In accordance with the terms of an agreement executed between the town of Rindge and the New Hampshire Forestry Commission, we are submitting a report of White Pine Blister Rust Control work performed in your town during 1925.

As we believe you and your townspeople will be interested in knowing more of blister rust, there is enclosed herewith two circulars recently issued by the U. S. Department of Agriculture and the State Forestry Department. The state publication contains a statement of all control work performed from 1917 to 1924 inclusive. The addition of the 1925 eradication work indicates that a total of 1,587,158 acres have been examined, and that 19,537,775 currant and gooseberry bushes destroyed therefrom.

Since our last report to your town much has been discovered, not only throughout this state, but in others as well, in connection with the extent of infection on white pines and the damage it is capable of causing. In view of these facts, which are too numerous to set forth herewith, the department feels it would be neglecting its duty if it failed to urge a continuance of this work until all the pine areas of your town have received equal protection.

There is attached to this letter a financial report indicating the expenditures made in your town during 1925 in the eradication of currant and gooseberry bushes. Should there be any

information of special interest to you which is not contained in this report, we shall be pleased to further advise you upon request.

We would also suggest that this report be read at town meeting, and such sections as seem advisable included in the annual report of the town.

Respectfully yours,

J. H. FOSTER,
State Forester.

AUDITOR'S REPORT

For the Fiscal Year Ending January 31, 1926

As auditors, we have examined such books, accounts, statements, vouchers, pay rolls and receipts as have been submitted to us for inspection and approval, by the several departments of the town and by the trustees of trust funds, and we are glad to state that we find a good record of all transactions, and vouchers to cover same.

Respectfully submitted,

ARTHUR M. HALE,

BERTHA H. KNOTTS,

Auditors.

Rindge, N. H., Feb. 23, 1926.

REPORT OF THE TRUSTEES OF THE INGALLS MEMORIAL LIBRARY

From January 1st to December 31st, 1925

To the Town of Rindge:

The trustees of the Ingalls Memorial Library have the honor to present to the town of Rindge the reports of the librarians of both the Ingalls Memorial Library and the West Rindge Branch Library. Taking into consideration the reduced population of the town and the absence during the winter of a considerable number of the citizens, the circulation maintains itself in an encouraging manner.

More money has been spent on books this year than for some time past and we only regret that the increased price of books makes it impossible to purchase more.

We wish, as always, to express our appreciation of the faithful services of both the librarian and the janitor.

May we ask, as usual, for the appropriation of \$300 from the town? If more could be allowed us we could use it to great advantage.

Respectfully submitted,

HARRIS H. RICE,
MARY LEE WARE, Sec.,
WILLIAM F. ROBBINS.

LIBRARIAN'S REPORT OF THE INGALLS

MEMORIAL LIBRARY

RESOURCES

Number of bound volumes at beginning of year,	5,173
Number added during year,	116
Number of federal, state and town documents,	30
	<hr/>
Total number at end of year,	5,319

SERVICE

Number of volumes of non-fiction lent,	474
Number of volumes of fiction lent,	2,421
Number of unbound magazines lent,	273
	<hr/>
Total circulation for year,	3,168
Number of juvenile books lent,	1,184

Largest circulation in one day, 65 books on July 25.

Natural Science has been the favorite class of non-fiction. Many of the juvenile books, although marked and counted as fiction, are studies of animal and child-life, very fascinating to the little folks, and stories of different countries. It is customary to mark these as fiction, but they are true to life and instructive. The teachers like them for use in the primary classes. Other books are used by the teacher of the grammar school. Six magazines have been subscribed for by the library and many others have been given by Miss Ware and patrons of the library.

Only one addition has been made to the museum, an old toddy tumbler loaned for safekeeping, but the usual interest is shown in the collections.

Respectfully submitted,

ELLA M. BRIGHAM.

REPORT OF WEST RINDGE BRANCH LIBRARY

For the Year Ending December 31, 1925

Whole number of books circulated, eleven hundred and one (1,101). Of this number one hundred and six were from the Ingalls Library and four hundred and sixty-seven (467) were juvenile books.

The different classes stand as follows: Fiction, 763; Sociology, 38; Useful Arts, 39; Poetry, 38; Travel, 53; Biography, 36; Unbound Magazines, 43; Miscellaneous, 91. Whole number of cards issued to date; 827. About forty-five new books and pamphlets have been added. Through the influence of Miss Belcher, the school children are frequent visitors to the library.

Respectfully submitted,

M. LIZZIE WETHERBEE.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Rindge:

I submit herewith my eighth annual report, this being the twenty-second in the series of union supervision.

We were able to retain two of the four teachers at the close of the last school year, Miss Alice E. Belcher of the West Rindge school, and Miss Dolly H. Crane of the Center Primary.

The Center Grammar school has been the most difficult position to fill during the past three years, and it was felt that especial attention should be given to the filling of this place. After careful consideration of a number of candidates we finally secured Mrs. Sarah M. Hoyt to take this school. Mrs. Hoyt had previously taught two years in the primary school, and our hopes that she would fill the position with credit have been entirely justified. The difficulties that the two previous teachers had found so hard to deal with seemed to disappear immediately when Mrs. Hoyt took charge of the school, and the work of the Center Grammar school during the fall term has been most satisfactory.

The East Rindge school, which was taught during the last fourteen weeks of the school year 1924-25 by substitutes from Keene Normal School was filled by the election of Miss Ethel M. Hubbard who substituted five weeks in this school last spring. This school has increased in its enrollment from twelve pupils two years ago to thirty-one during a part of the fall term, with an average membership of 27.79 as compared with 14.89 last year, and an average attendance of 27.18 as compared with 14.4 last year.

As all eight grades have been represented in this school it can readily be seen that this has become the most difficult instead of the easiest school in the district. The work of this

school, however, has been very good, and both teacher and pupils have worked hard and faithfully to accomplish the work required of them.

At West Rindge Miss Belcher has had an enrollment of twenty-eight pupils, two less than last year, but has had an average membership of 25.33, three more than last year. In this school all the grades are represented except the second and fourth.

The enrollment of the Center Primary school is only twenty-two as against thirty-three last year, but in this school the average membership is larger than last year, being 21.56 while last year it was 21.29.

In the Center Grammar school the enrollment for the four upper grades is seventeen where it was twenty-one last year, but as in the other two schools mentioned, the actual average membership is larger than last year, being 16.42 as compared with 14.48 for the school year 1924-25.

The enrollment for the four Rindge schools is, therefore, 96 or ten smaller than last year, but the average membership for the first twelve weeks of the present year has been 91.1 as compared with 73.15 last year, an increase of eighteen, while the average attendance has been 86.78 as compared with 67.11, an increase of nineteen, giving a much higher percentage of attendance than during the year 1924-25.

The sessions of the Rindge Center Primary and Grammar schools were delayed two weeks at the opening of school after the Christmas vacation on account of the mumps, but the regular sessions have been held in the schools at West Rindge and East Rindge.

In order to bring the vacation for the Center schools at an appropriate time and not to keep them in session too late in June we have suggested that these two schools have their vacation of one week beginning the 19th of March instead of the 19th of February, and have no other vacation during the rest of the school year.

The conditions existing in the schools of this town are very satisfactory this year and there is every indication that the work outlined in the State Program for the year will be accomplished in a creditable manner in all the schools.

The general expenses for another year are not likely to vary materially in the aggregate from those of the present year.

The amount expended for text books and supplies for the present year is smaller than last, due partly to the fact that we had a fairly good supply of paper and school supplies on hand at the close of last year, and further due to the fact that the supply room at the Center has been carefully looked after during the present year and no supplies have been lost or wasted.

With ten pupils in the eighth grade it looks as though the expense for high school tuition would be higher another year than for the present year, especially since the amount allowed by the last legislature for this purpose constitutes a considerable increase over what we have been paying.

It will be necessary, also, for this district to vote on the matter of authorizing the school board to execute contracts with high schools or academies in adjoining towns outside the state in the matter of receiving our pupils into their secondary schools.

In closing I wish to thank the school board, teachers, parents, pupils and all who have cooperated in our efforts to advance the interests of the Rindge schools during the past year.

Very truly yours,

LEWIS S. RECORD

Superintendent of Schools.
