Town of  
**STODDARD**  
New Hampshire

University of  
New Hampshire  
Library

There are three things that Stoddard boasts as tourist attractions--- Stoddard Rocks, the Twin Arch Bridge, and the newest attraction, the Scotch Highland Cattle of Pitcher Mountain Farm.

Dr. James M. Faulkner's Pitcher Mountain Farm introduced this pure breed to New England and sparked the growing interest in Highlanders throughout New England and New York, and Pennsylvania.

Like our hardy forefathers, these long-haired, long-horned Highlanders thrive on rough forage and the rigors of Stoddard's winter winds and summer flies.

## SELECTMENS' NARRATIVE

This town report is prepared and put together by the town officials of Stoddard to give the tax payer a picture of how his town is run, and how taxes are used.

### **Inventories**

All property owners must complete and file with the Selectmen an inventory of taxable property each year by April 15th of that year. Late filing means loss of right to appeal your taxes, plus a \$10 penalty fee. These strict measures, set up by NH RSA (Revised Statutes Annotated) 74:7-a also dictate that failure to properly sign or complete the inventory invalidates it.

### **Roads and Buildings**

Resurfacing or tarring of all currently tarred town roads, is needed in 1980, and there is an article in the warrant to accomplish this.

All town buildings are in need of paint this year, and again, there is an article in the warrant for the voters to indicate their choice.

### **Residency**

Selectmen are the sole arbiters of who becomes a resident. A number of people attempt to gain residency for many wrong reasons; e.g., lower cost of vehicle registration, insurance, and resident charges of schooling, as opposed to more expensive non-resident status.

The determination of one's residence or domicile is a question of factual physical presence, incorporating an intention to reside for an indefinite period. Further, domicile is that place which one dwells on a continuing basis for a significant portion of each year. The intention to reside and the actual physical presence must coincide. The mere fact that someone intends to make a town his domicile is insufficient. The person must actually live there now.

### **Taxes**

In 1977, the town voted to adopt an Intent to Build ordinance with a penalty assessed for non-compliance. There are a goodly number of property owners in Stoddard who are not aware of this law. The law applies to any new building or major change in present buildings, or new additions; e.g., chimneys, fireplaces, woodsheds, garages, etc. Whenever a property owner adds to property and doesn't file and intent to build, they are dumping their share of the tax load on all the other taxpayers.

The ideal tax is fair and it is equitable. However, it seems there are inevitably inequities in property assessments, and your selectmen recognize these inequities, and we constantly strive to eliminate them. To this end, all three selectmen attended a one-week intensive course on assessing at

Plymouth State College, conducted by the New Hampshire State Division of Revenue Administration. We have spent a great deal of time this past year on sight assessing, and there is more to come.

The assessment of taxes is the item about which we received the most complaints, and usually the complaint is that our assessment is too high. We feel there exist too many low assessments. This indicates that the Town needs a revaluation. To our knowledge, it has never had one, and we have inserted an article in the warrant for this purpose.

We have inserted an article in the warrant which, if passed, would allow the town to send out semi-annual tax bills in June and December, which action would obviate the need for borrowing in anticipation of taxes.

We remind you that the greatest portion of your taxes go to support of schools and county.

### **Town Dump**

Our dump sticker system has proved workable and has lessened our previous dump problems. However, we are ever aware that there can be a drastic change in our present dump setup, and we are searching for another site or method for dealing with garbage and trash.

We invested most of our Revenue Sharing Funds in the purchase of a bucket loader, which facilitates our dump maintenance. We remind our taxpayers that new dump stickers must be obtained for 1980, and picked up in May, 1980.

### **Purchase Orders**

With advice of town counsel, we instituted a system of purchase orders for all town departments which, for the most part, has worked well.

### **Insurance**

We requested an overhaul of all our town insurances, and at this time have contracted for more realistic insurance coverage for all town property, with the exception of the new school, with no increase in cost.

### **Emergencies**

A word concerning the protection of property and life---our police department has become more professional as demands upon them have increased. Now Stoddard prosecutes its own cases in court, and obtains a high rate of conviction, a fact which deters the professional criminal.

Our Fire Department personnel have worked diligently to bring their training and equipment to a state most successfully designed to meet Stoddard's needs.

The Fire and Police Departments had printed telephone labels made up with the Mutual Aid emergency number imprinted, 352-1100. We advise our townspeople to use this number for any emergency need. One call puts a fine-honed machine into action. Professional dispatchers, on duty around the clock, are trained to put together all the parts of an emergency or rescue, be it fire, police, ambulance, drowning, and medical, including poisoning, heart and stroke attacks, respiratory needs, and E.M.T.'s, and the necessary equipment. you pay for this service with your taxes---depend on it and use it.

Also, for your convenience, we list here the name and phone numbers of often utilized town officers:

Dog Officer - Fleming, Donald W. 446-3987  
Health Officer - Doris L. Tuttle 446-3926

Once again, we remind the voters of this fine town that they are the lawmakers and we, the town officials, are simply the administrators.

Respectfully submitted,

*Charles Eaton*  
*Joseph Patnode*  
*W. Warren Tracy*  
Selectmen

## REPORT OF THE STODDARD PLANNING BOARD

The Stoddard Planning Board, which meets the first Tuesday of each month at the Town Hall at 7:00 P.M., has had a relatively busy year.

A total of six subdivisions were approved during the year by the Board. Among the subdivisions was a gift of 382 acres from Thurston V. Williams and family to the N. H. Society for the Protection of NH Forests, for conservation purposes.

Considerable progress has been made on the Master Plan. With the special help of the 4-H Clubs, questionnaires were delivered to all residents, and a tabulation of results showed that the majority of the respondents favor Stoddard as a rural town. Thirty-six percent favored planned growth, with sixty-six percent favoring regulations limiting growth.

On May 23, a public hearing to consider the Master Plan was held by the Planning Board, with only eight residents in attendance.

Alan Plumb, who is retained by the Town to keep the maps up to date, keeps the Board abreast of any changes. We wish to remind you that any change in boundaries must be reported to the Planning Board.

The Board accepted, with regret, the resignation of Nicholas Brett, who had been ably serving as Chairman. Mr. Brett has moved to Connecticut. The Board was also sorry to receive the resignation of Alice Hamilton, who planned to spend the winter in California.

Present members of the Board are Frances Rumrill, Nathaniel Ireland, Carl Laurier, Bruce Cutting, John Lightbody, Jr., and Mary Lou Eaton. Warren Tracy serves as the Selectman Board member.

This year, Board members will run for election, ending the practice of appointment by Selectmen, which has been the practice since the Planning Board was established.

Mary Lou Eaton,  
Chairman

## POLICE DEPARTMENT YEARLY REPORT

Nineteen Seventy-nine saw the revamping and organization of a very busy police department. In addition to a record-keeping and filing system being implemented, another officer was sworn in by the town clerk. This brings the size of the department to five officers.

Jack Zeller of Forest Road, was sworn in during November, and brings considerable talent with him for investigative police work. He works full time for the Keene Police Department, Patrol Division, and brings additional ability to Stoddard to help the department cope with the ever increasing crimes against homes and properties.

Burglaries and vandalism absorb most of our police time, aside from motor vehicle accidents. The emphasis is put into these crimes, rather than on motor vehicle violators. Twenty-one buildings were burglarized in 1979, all but four of which were conclusively solved, resulting in four felony arrests.

Vandalism, of course, continues to be essentially a juvenile problem. It is hoped that with five officers, this coming year will see more preventive patrol, with attendant EARLY discovery of crime, which helps immeasurably in solving cases.

Our one major equipment procurement in 1979 was the purchase of three police shotguns, which are taken by officers in intrusion alarms, weapons calls, and other dangerous incidents. These have become rather standard issue for many departments, and I am pleased to have them for your officers' safety. In conjunction with this, Jack Zeller is implementing a weapons training program for the department, as he is a KPD armorer, and a certified FBI combat weapons instructor.

Hal Brown completed an advanced divers course, giving the department two certified divers, both of whom were called on once in search for stolen property.

It is my intention to send at least one officer per year to various police schools for different disciplines. This, at very moderate expense, will greatly increase your department's efficiency and know-how, and at the same time serve as an incentive to serve the town.

It is also my hope this year to set up a schedule to assure that there is ALWAYS an officer in town. With a part-time department, this is not always feasible, but I hope to have it worked out within a month or two. As always, the number to call for any problem or question you may have for the police is 352-1100. We may not be at home, but Mutual Aid will always put you in touch with one of us. They also do inter-agency police dispatching when necessary, so

please, call that number first.

As always, the residents of Stoddard have been more than supportive and helpful. Without your participation and cooperation, crimes cannot be solved or brought to our attention. I thank you all for the support you have given the Police Department. We are looking forward to working with you this next year.

A partial statistic list for 1979 is listed here for your interest:

## LIBRARIAN'S REPORT

Regular library hours for 1979 were held Thursday evenings from 7:00 to 9.00 P. M.

We would like to thank all those people who donated books during the past year.

The exterior of the library was painted during the past year and the floor tiles in the reading room, office, and hall were replaced in 1978. We are working to maintain the aesthetically pleasing appearance of the library and of the town as a whole.

There were many new faces at the library in 1979; new patrons joined us month after month. There was little decline in total circulation despite the fact that the elementary school children have had no regular visiting hours during the school week since the school year started in September. We would still like to encourage more use of the library by townspeople of all ages.

Alan Rumrill, Librarian

## STODDARD HISTORICAL SOCIETY

Stoddard Historical meetings were held this year at the Town Hall May 20th, August 20th, and November 19th. Marjorie and Aubrey McMahon showed a film and spoke on the Smithsonian Institution at our May meeting.

At the annual meeting in August Marjorie Smith, was our guest speaker. She showed a film on the History and Nostalgia of a Small Town.

Calvin Frink at our November meeting showed slides and talked on Wild Flowers of New Hampshire.

The Historical Building and Hearse House were open Sundays, through July and August, with Mrs Pherobe Wilson and Mrs. Harriet Perkins in attendance.

The Society has a display case on loan from the City of Keene in which Alan Rumrill has compiled a display of local military memorabilia.

Dr. James M. Faulkner, had a complete set of Town Reports bound for the Society. They are available for research purposes.

Old Home Days were held on the 13th, 14th, and 15th of July this year.

Our meetings are held the 3rd Mondays of February, May, August, and November and are open to everyone. Refreshments are served.

Frances Rumrill

## THE STODDARD FIRE DEPARTMENT

The past year has been a very busy one for us. We answered twenty-nine calls which were as follows: six structure fires, eight cover trucks, thirteen rescue calls, two car or boat fires, two chimney fires, one tree on the wires, one dump fire and two flooded cellars.

The department membership has increased by seven and we would welcome anyone else who would like to join. The Rescue Squad has also increased with the addition of Kathleen Fleming, Betty Weaver and Judy Hayes.

With the help of our Forest Fire Warden, Lewis Clark, the department has obtained from the State a 1968 1¼-ton Jeep truck to replace the 1951 Ford truck which we had from them. Balcom Goodspeed has also donated a 300 gallon tank which will go in the truck to hold water, making the Jeep our forest fire unit.

As usual we would like to thank everyone who donated time or money in the past year as it is appreciated. We would also like to remind everyone that we provide chimney cleaning and cellar and well pumping services to the townspeople. Arrangements can be made by calling Chief Canfield at 446-3405.

Rick Canfield – Chief  
Donald Fleming – Deputy Chief  
Henry Bingham – Captain  
Joseph Sarcione – Lieutenant

ANNUAL

SCHOOL REPORT

TOWN OF

STODDARD

NEW HAMPSHIRE

STATE OF NEW HAMPSHIRE

STODDARD SCHOOL DISTRICT

SCHOOL WARRANT

To the inhabitants of the School District of Stoddard qualified to vote in District affairs:

You are hereby notified to meet at the James M. Faulker Elementary School in said District on the sixth day of March 1980 at seven thirty o'clock in the evening to act upon the following subjects.

1. To choose by non-partisan ballot the following school district officials:
  - A. Moderator for the ensuing year.
  - B. Clerk for the ensuing year.
  - C. Treasurer for the ensuing year.
  - D. One School Board Member for the ensuing 3 years.
  - E. Auditor for the ensuing year.
2. To determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the district.
3. To hear the reports of Agents, Auditors and Committees or Officers chosen and pass any vote relating thereto.
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents and for the payment of statutory obligations of the district.
5. To see if the District will vote to raise and appropriate the sum of \$9,700 to add to the 1979-1980 fiscal appropriation or take any other action in relation thereto.
6. To see if the district will authorize the School Board to establish a committee of three voters of the community to investigate alternative transportation arrangements for junior and senior high school students. The report of said committee will be submitted on or before the next Annual District Meeting, or take any other action in relation thereto.
7. To see if the District will vote to change the title of the office of Financial Coordinator for the School Administrative Unit No. 24 to Business Administrator, School Administrative Unit No. 24. Further, to ratify the

appointment of David Hill as Business Administrator with the authority to perform the functions of the office in accordance with the laws of New Hampshire, or take any other action in relation thereto.

8. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the district any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the U. S. Government or from the State of New Hampshire or any other source for the school year 1980-81 and to appropriate any funds received from said grants to the payment of obligations of the District for which said funds constitute reimbursement, or take any other action in relation thereto.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Stoddard this fourth day of February 1980.

**STODDARD SCHOOL DISTRICT  
REQUEST FOR DEFICIT APPROPRIATION EXPLANATION**

During the 1979-80 school year the Stoddard School District had eleven students added to its roster that required the payment of tuition to Keene and Sullivan. The total tuition cost for these eleven students was \$19,667. These costs could not be anticipated, at the time the School Board developed the 1979-80 budget, as these students were not residents of Stoddard. For this reason the Board has found it necessary to request a deficit appropriation at this year's Annual Meeting.

The Board, upon realizing the deficit caused by additional tuition cost, has stopped all spending except for items and services that are absolute necessities. By taking this "belt tightening" posture we have found, even with escalating costs, that a deficit appropriation of \$9,700 will be sufficient to allow us to meet our financial obligations.

## STODDARD P.T.A. REPORT

After the fire on February 6, 1979, the Stoddard PTA personally visited 123 families to present a letter to the voters about the school. They also gave them a special 32-page report on Stoddard and its economic and growth patterns. Members of the PTA assisted in setting up the school in the Town Hall.

In April we had a Smorgasboard Supper. Frances Rumrill was honored as a Life Member of the Stoddard PTA. The State President was on hand and presented a plaque to the Unit because we had been the "Unit of the Year" in 1978.

During May and June the group met to revise their By-Laws. At our June meeting we elected the following slate of officers: President, Dawn Matthews; Vice President, Leigh Fosberry; Secretary/Treasurer, Peg Anderson. The Stoddard Unit acted as hostesses at the State Convention in Keene. While there, we accepted the 1978 National Award for the N. H. Unit of the Year.

We were involved in many fund raising activities in 1979. An afghan was raffled off; Old School Plaques were sold. Refreshments were served at town meetings and Old Home Days. Our Community Suppers were also a success. Funds were also realized through catalogue sales.

The "Stoddard Gazette" was published and distributed in May, July and December. Many of the townspeople enjoy this free paper. We'd like to extend our thanks to our loyal advertisers and staff.

One of the major goals of the group is to help the children. In the spring we furnished awards for Prize Speaking, and sponsored the annual "End of the Year" school picnic. Many of our members were involved in Old Home Days activities. In the fall we sponsored the Halloween party and provided the funds for the school children to attend a play at Nathaniel Hawthorne College, Bracko-Prince Frog.

As in the past, the traditional Christmas Program was held at the Town Hall. The PTA made sure that there were presents on hand for Santa to pass out to all children up to grade 6. They also helped with the refreshments.

A time capsule has been purchased to be placed in the foundation of the new school. We are busy planning the Open House which is scheduled for January.

If anyone is interested in joining our group, please contact our officers. We meet the second Tuesday of each month.

Dawn Matthews, PTA President

### SCHOOL NURSE'S REPORT

The School Health Services for the year 1978-79 provided assessment screenings in vision, hearing, height and weight, posture and dental. Any physical needs indicating further examination or treatment were referred to the parents. An immunization survey was done and parents were notified of services available to complete the student's vaccinations.

The primary aim of the educational program is to encourage a progression of health awareness through developing the students' understanding and responsibility for their body and their health. Topics explored were personal hygiene, nutrition, actual care, safety and first aid, prevention and control of disease and physical activity.

## 1979 REPORT OF THE SUPERINTENDENT OF SCHOOLS

### THOMAS J. WATMAN TO THE CITIZENS OF THE STODDARD SCHOOL DISTRICT

Congratulations to the citizens of Stoddard! The recent completion of the new elementary school stands as testimony to the support of the community for good education for their children. The cooperation and support of the community for this project has been outstanding.

The work of Warren Tracy in overseeing the project and fine cooperation of the MacMillan Company are commendable examples of the fine job done in meeting the challenge presented by last year's tragic destruction of the old school.

Our teacher, Barbara Cutting, aides Lucy Hill and Ann Couturier are to be commended for the extra efforts they have given to the students while the new building was under construction. The cooperation of the Selectmen is also greatly appreciated, as is the extra effort made by custodian Cathy Fleming.

We are especially pleased that the Title IV grant obtained by Mrs. Cutting and this office has resulted in students having an excellently coordinated reading program available to them in all grades and that the District has been able to meet several students' special needs.

It would appear that the next challenge that we will need to address will be how to meet several program needs where the school does not yet meet State Elementary School Minimum Requirements. There is a need to provide part-time art, part-time physical education, part-time guidance and certified library services. Most of these services are now provided by many elementary schools in New Hampshire. We will be investigating how these services might be provided by cooperation with other school districts or by the use of licensed consultants. Further recommendations will be provided in the future.

It has been a distinct pleasure for this office to be of service to the people of Stoddard this past year. The sincere interest of the School Board in good education and the excellent work of Mrs. Cutting has made our job all the more rewarding. We will continue our efforts to provide good education for your children that will warrant your continued support.

## STODDARD SCHOOL DISTRICT

### TEACHER'S REPORT

The year 1979 was an eventful one for the Stoddard School. On Tuesday, February 6th the school burned flat. Many people rallied together and helped us put ourselves back together again. Equipment and supplies were donated by schools in the area, time and help was given by the P. T. A. and the Town Hall was to be the school site for the rest of the year. Classes resumed in the Town Hall on Monday, February 12th. It was quite an adjustment for the students getting used to different text books. Enrollment reached a low in the Spring of 25, and a high in the Fall of 35. We have had a minimum of 34 students in grades 1 thru 6 since we opened school in the Fall.

Some of the people who have contibuted to the success of the school this year are: Paraprofessional Aides, Lucy Hill and Ann Couturier, Music Teacher, Holly Weinberg, volunteer Physical Education Teacher, Mary Conklin, volunteer Art Teacher, Beverly Power, Librarian Dot Patnode, Custodian Kathy Fleming and school bus drivers, Joan Read and Judy Hayes. Many thanks go to the P. T. A. for helping and funding some of our special programs.

The educational program stresses Math, Metrics, Health, Social Studies, Science, Physical Education, Music and Art. We have a new Language Arts program which was funded by a Title IV Grant written by Mrs. Cutting. The AIRS Program, Andover Individualized Reading System, has many components. They are: Reading Comprehension, Grammar, Structural Skills, Phonics, Spelling, Handwriting, Dictation and Reading for enjoyment. Students are taught in a varied manner. Some subjects are taught in small, on grade level groups. Sometimes the student does independent work and often we work with large mixed grade level groups.

Several field trips were taken in the year 1979. In the Spring a Science field trip was taken to Island Pond. We enjoyed the information Mr. John Ferguson, the County Forester, shared with us. Our Social Studies trip to Strawberry Banke was a huge success. We even enjoyed our picnic lunch at the ocean. This Fall the P.T.A. sponsored a trip to Nathaniel Hawthorne College for a play. Mr. Bernier took us for a hike to a beaver pond.

We have continued with some of the traditional programs of the past years. In the Spring, Prize Speaking and the Memorial Day Services were held. We had the "End of the Year Picnic" in June. Since school has started we have had our Annual Halloween Costume Parade and Christmas Program.

Thanks to Judy Farrey and the Cheshire County Extension Service many

special moments were enjoyed by the students. There were special talks by I.Y.F.E. students, a visit by the "Talking Bicycle" and a visit from a mother cow and her calf. Dr. and Mrs. Robinson showed slides from the Keene Garden Club. "Smokey the Bear" was very popular when he visited with his partner. We continue to enjoy films on a variety of subjects; these films are furnished by national companies.

In co-operation with the Guidance Department, at Keene Junior High School, several programs were planned for the sixth grade students. These included a slide presentation, question and answer period, a visit to the Junior High and a special meeting to acquaint the parents with the Junior High.

Moving into our new school was an exciting time for all. We started moving a few things at a time with the help of the staff, students and parents. On Sunday, December 9th many of the townspeople showed up to help us move the furniture and equipment. We were all shocked and saddened at the burning of our old school. For many of the people it held a lot of memories. We are proud of our new facility with its large play area. If any of you would like to visit us, please feel free to do so.

At the risk of repeating ourselves, we would like to again thank the town on behalf of the school. We appreciate the accommodations offered us, the work of the school board and various committees, many gifts of labor and materials in setting up after the fire, and moving. Without the cooperation of everyone, from the students, to the parents, to the townspeople we might have had a disastrous year. Our personal thanks to Ann and Lucy. We have had to work under some unusual circumstances this year. Despite our setbacks, we feel the students of Stoddard have received a continuing education. Many thanks to everyone who supported us.
