**AUDITOR'S REPORT
LETTER OF TRANSMITTAL**

Members of the Board of Selectmen
Tilton, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination of the financial statements of the Town of Tilton, New Hampshire for the year ended December 31, 1978. Exhibits as hereafter listed are included as part of the report.

FINANCIAL STATEMENTS

General Fund

Balance Sheet	Exhibit A-1
Statement of Changes in Fund Balance	Exhibit A-2
Statement of Estimated and Actual Revenues	Exhibit A-3
Statement of Appropriations and Expenditures	Exhibit A-4

A balance sheet disclosing the financial condition of the general fund at December 31, 1978 is presented in Exhibit A-1. As indicated therein, the unappropriated fund balance amounted to \$103,296 at December 31, 1978. A statement of the changes in fund balance is shown in Exhibit A-2.

Statements of estimated and actual revenues, appropriations and expenditures are included in Exhibits A-3 and A-4, respectively. As indicated therein, revenues in excess of estimates amounted to \$115,419, while expenditures exceeded appropriations by \$38,565, resulting in a 1978 budget surplus of \$76,854.

Capital Projects Fund

Balance Sheet	Exhibit B-1
Statement of Appropriations, Expenditures and Changes in Fund Balance	Exhibit B-2

FINANCIAL STATEMENTS

A balance sheet of the capital projects fund at December 31, 1978 is presented in Exhibit B-1. A statement of appropriations, expenditures and changes in fund balances is contained in Exhibit B-2. The unexpended fund balances amounted to \$46,830 at December 31, 1978.

Special Revenue Funds

Balance Sheet	Exhibit C-1
Statement of Revenues, Expenditures and Changes in Fund Balances	Exhibit C-2

A balance sheet of all the special revenue funds is presented in Exhibit C-1. These funds include federal revenue sharing funds, antirecession fiscal

assistance funds, Hall Memorial Library Fund and the Recreation Council Operating Fund. The special revenue fund balances totaled \$125,518 at December 31, 1978. A statement of revenues, expenditures and changes in fund balances is contained in Exhibit C-2.

Trust and Agency Funds

Balance Sheet Exhibit D-1
**Statement of Revenues, Expenditures and
Changes in Fund Balances** Exhibit D-2

A balance sheet and statement of revenues, expenditures and changes in fund balances of the trust and agency funds are presented in Exhibits D-1 and D-2, respectively. These funds include the Town endowment funds, Hall Memorial Library Fund and Capital Reserve Fund. Total trust and agency fund balances were \$194, 313 at December 31, 1978.

Long-Term Debt Group of Accounts

Balance Sheet Exhibit E-1
Statement of Town Debt Exhibit E-2

A balance sheet of the general long-term debt of the Town is contained in Exhibit E-1. As indicated therein, the long-term debt amounted to \$64,800 at December 31, 1978. A statement of debt service requirements is shown in Exhibit E-2.

COMMENTS AND RECOMMENDATIONS

Application of the Municipal Budget Law

As indicated in the general fund statement of appropriations and expenditures (Exhibit A-4) there was a net overdraft of town budgetary appropriations of \$1,448 as a result of 1978 operations.

In cases of this sort the provisions of the municipal budget law (R.S.A. 32:10) require that the Board of Selectmen, with the approval of the Budget Committee, petition the Commissioner of Revenue Administration for a certificate of emergency which would authorize the expenditures made in excess of budgetary appropriations. The records do not indicate that this procedure was followed.

COMMENTS AND RECOMMENDATIONS

We feel that the primary cause of the net overdraft of appropriations was the failure of the Town to appropriate moneys on a "gross" basis. In towns operating under the municipal budget law, R.S.A. 32:5 as amended in 1977, provides that "all moneys appropriated by the town, . . . shall be stipulated in the budget on a 'gross' basis, showing revenues from all sources, including grants, gifts, bequests, and bond issues, as offsetting revenues to appropriations affected . . ."

In 1978, the Town received \$5,976 in Governor's Crime Commission Funds and \$7,603 from the Towns of Northfield and Sanbornton toward the Y.A.P. program which appears on the statement of estimated and actual revenues (Exhibit A-3).

We recommend that the Town appropriate all future expenditures in accordance with State of New Hampshire accounting and statute requirements.

Federal Funds

Federal antirecession fiscal assistance funds totaling \$5,440 have been received through December 31, 1978. Although we have not performed a compliance audit on these funds, we note that the federal guidelines covering their expenditure stipulate that they be appropriated within six months from the day of receipt of the funds. As of this date, none of the funds have been appropriated according to the rules and regulations under which they were received.

Reconciliation of Treasurer's Records With Selectmen's Records

The Town Treasurer should prepare and submit to the selectmen the standard monthly report of detail receipts, summary of payments and cash balance on hand for the various funds maintained (General Fund, Revenue Sharing Fund and Antirecession Fiscal Assistance Fund).

The selectmen's bookkeeper should record these detail receipts in the cash journal in the same manner as the disbursements are recorded in the selectmen's book.

The Treasurer's records and selectmen's records should be reconciled every month and any discrepancies should be investigated and corrected promptly.

This procedure will allow the selectmen to be aware of all moneys received as well as know the cash balance of each fund at the end of any given month.

Timely Deposit of Town Funds By Treasurer

During our examination, we noticed several instances when money received by the Town was not deposited by the Treasurer until several months later. We strongly recommend that the Town Treasurer deposits all funds received immediately so that it is available for Town use and can be used to minimize the amount needed to be borrowed in anticipation of taxes.

Tilton-Northfield Recreation Council Records

The records maintained by the Tilton-Northfield Recreation Council operating account were inadequate. Although the system being used is good, the entries were incomplete, pages were not footed and crossfooted, receipts were not listed and classified, and there were numerous crossouts and corrections.

We recommend that the receipts and disbursements be entered in the cash journal with more care and be reconciled with the depository bank on a monthly basis.

Implementation of a Mechanical Accounting System

Because of the increasing number and complexity of the financial transactions of the Town, we again recommend that consideration be given to utilizing some type of mechanical accounting system which would perform multiple accounting functions in a single operation, thereby eliminating duplicate record-keeping and facilitate monthly and year-end reporting.

We would be glad to meet with you and discuss these comments and recommendations at your convenience.

We would also like to extend our thanks to the officials and office staff of the Town of Tilton for their assistance during the course of the audit.

Very truly yours,

Killion, Plodzick & Sanderson

TOWN OF TILTON POLICE DEPARTMENT REPORT OF THE CHIEF OF POLICE

As you may recall, in 1978 I reported that home burglaries had increased in this community at an alarming rate, although not as high as our neighboring communities, the number had nearly doubled. I made a plea to the citizens of Tilton to assist us in an effort to reduce burglaries. In addition, I requested County and State assistance in both patrol and investigation capacities. Much to the chagrin of the burglar, I got excellent response from the Citizens, the New Hampshire State Police and the Belknap County Sheriff's Office. This co-operative effort resulted in cutting our burglaries nearly in half from 49 to 27. When you consider the present economic condition of this Country and the constant increase around us in crime, I think all of us have proven it can be done even under the adverse conditions existing in this Nation presently. I don't know of another Town in this area that can boast this accomplishment. However another problem has arisen which makes this success more difficult. The fuel crunch has resulted in the State Police drastically cutting back on their patrol. To add to this the County Delegation apparently intends to seriously curtail the Belknap County Sheriff's Patrol. All this reduction in patrol places a gap in the crime deterrence that the Citizens of this community have grown accustomed to. Even at this rate, we may be able to maintain the status quo if it was not for the Board of Selectmen's insistence that I cut my mileage by 20,000 miles. I recognize that gasoline prices have risen sharply. I also recognize that crime is rising at an unprecedented rate. With all the other agencies cutting coverage, the small Town will suffer unless it rises to the challenge. My request for gasoline money is only seventeen hundred dollars more than the Selectmen recommended. I wonder how many victims it would take to equal that amount?

This year, we lost one man to another Police Department. He was a well-trained Professional Police Officer and we will miss him. The Officer was Stan Maciejewski and we wish him all the success in the world in his endeavor to find greener pastures.

Now to the issue of my resignation. I would like to clear the air here so that no one becomes unduly blamed. I resigned out of anger and frustration as a result of what appeared to be a total uphill battle with the Board of Selectmen and Budget Committee. It seemed to me that I was being excluded from necessary input on my budget thereby resulting in decisions being made without the benefit of all the facts needed to formulate my budget. This was evidenced by a serious error in salary computation which I discovered. This error was made at an unscheduled meeting with Selectmen and Budget Committee members which I was not invited to. I interpreted this as intentional and relied on past performances in forming my opinion. Thus my resignation.

A meeting was conducted a short time later where we all discussed this

problem and I was assured that there was no intent on anyone's part to create obstacles for me. I sincerely hope that, the discussions I had with the Selectmen and Budget Committee has closed that gap in communications which has existed for so long. I look forward to a much better working relationship in the future. Although, in fairness to the Board of Selectmen, I must say that they have not interfered with my operations at all, in fact; they have been supportive in this area. After meeting with the Selectmen and making them aware of my displeasure, they rejected my resignation and I agreed to remain on the force as Chief. I apologize for any aggravation my sudden resignation may have caused and I pledge to continue to operate your Police Force in a manner which you have indicated you expect.

It should be noted however, that because of our economic situation and the anticipated reduction in support from the State and County level of Law Enforcement, our job will be more and more difficult.

We need even more of you concerned citizens to become involved. If something looks suspicious, report it to us, you may be saving a neighbor some grief. We also need your support in combatting drug abuse, it too is on the rise again. So remember your money pays for us and we are only as effective as you want us to be. It has been a pleasure to serve you and I look forward to the same in the future.

Respectfully submitted,

George S. Prescott
Chief of Police

Tilton-Northfield-Sanbornton YOUTH ASSISTANCE PROGRAM

In March, 1979, the three towns of Tilton, Sanbornton, and Northfield voted overwhelmingly in favor of continuation of the Youth Assistance Program. The program, initiated in July, 1975 with the assistance of a grant from the Governor's Commission on Crime and Delinquency, is a preventative, community-based organization developed to combat the high rate of juvenile crime in the tri-town area. In the past four and a half years, Y.A.P. has drastically reduced this high level by providing several services for the youth of our towns:

COURT DIVERSION: When a child has committed a crime, the arresting officer has two options:

1. Scold the child and release him to his parents, or
2. Take the child to court, where basically the judge's only alternatives are to scold the juvenile and place him on probation, or send him to the Youth Development Center in Manchester, usually after the child's third or fourth court appearance.

with the Y.A.P., the arresting officer and the court have a third choice. Should the juvenile admit guilt to the offense, he can be referred to court diversion. The Police Chief and the Y.A.P. director first discuss the case to determine its appropriateness for diversion based on the seriousness of the offense and the youth's previous involvement with the law. If a green light is given at this point, the Y.A.P. director then meets with the juvenile and his family, with his school teachers and principal, the arresting officer, and any other relevant person in his life. This is done to get the full picture of the juvenile's attitudes, problems, possible reasons for his deviant behavior and to achieve better insight as to what would be an effective consequence for his act. A full report is present to the Juvenile Review Board (J.R.B.) with the youth and his parents present. (The J.R.B. is a trained volunteer committee of local citizens with various skills and professions who hear the case and assign the consequences.) These consequences provide:

1. Punishment—the youth must meet personally with the victim of his crime to apologize and to arrange restitution for the crime, usually in the form of work to repair the damage done, if possible.
2. Rehabilitation—the youth must report to the Y.A.P. director weekly for a mandatory period to discuss his progress at home, in school, and in the community. If the youth is a behavior problem in school, the J.R.B. will often ask for an improvement in effort, conduct, and attitude, monitored by weekly reports from the school.
3. Deterrence—having the juvenile appear before the local citizens to admit guilt to his crime holds the youth accountable to the community for his

acts, as well as to help him to realize that there are consequences for breaking the law.

If the juvenile does not comply with the consequences assigned by the J.R.B., he is petitioned to court for the original offense. Of a total of 67 cases which have gone before the J.R.B., only three juveniles have failed to fulfill court diversion expectations and had to be taken to court.

COUNSELING AND REFERRALS: Counseling and referral are services extended to all youth and their families of the three towns. In the past year, there were a total of 255 referrals made to Y.A.P., 102 of these coming from the parents, the schools, and the juveniles themselves. This is a healthy sign, as referrals which do not come from the police are not crime related, thus showing not only active use of Y.A.P. by the communities, but also a swing towards more preventative intervention.

Y.A.P. refers both juveniles and families to appropriate services throughout the Lakes Region, having made use of a total of 45 various agencies in the past year.

THE PEOPLE PROGRAM: The key word in describing Y.A.P. is *prevention*. Now that the program has effectively cut juvenile crime, a great deal of time and effort have gone into the development of a service to *keep* the crime rate down, and what better way than to offer our youth healthy spare time activities and positive adult supervision? PEOPLE currently has thirteen regular volunteers who work either on a one-to-one basis with a child, or who plan monthly group activities. In the past year, PEOPLE has instituted bi-weekly planning and organizational meetings, matched 5 new adults with kids, elected new Junior officers, made a trip to Canobie Lake Park, held two orientation meetings for recruiting and training new adult volunteers, ran the annual Fish Pond booth at the tri-town 4th of July celebration in Northfield, had a Halloween party, went roller skating at Cotes Rink, and planned a Valentines Day dance as a fund raiser.

The PEOPLE Program has been modeled after similar projects throughout the state which have proven to be effective, preventative deterrents to delinquency.

Youth Assistance is a community based, community dependent program. All of our more than 40 volunteers and two staff are active in the community, our three Police Departments and schools are supportive of Y.A.P. efforts, and you the townspeople decide each year whether to continue the program. Because Youth Assistance has proven its worth, several local towns, including Meredith, Alton and Laconia, are using our program as a model to deal with their own sky rocketing juvenile problems. Youth Assistance has also been recognized by the G.C.C.D. as an authorized alternative to each town having its own juvenile officer, as mandated by New Hampshire State Law and we are recognized as certified diversion program by the court.

Much of this fine work was done through the efforts of former Director

Jean Snyder and Assistant Directors, Mariann Clark and Ginna Steadfast. In September new Director Pat Clark came aboard, and soon afterwards the new Assistant, Carolyn Wagner joined the organization.

With your continued support, Youth Assistance is committed to providing a healthier and more enriched environment for the youth of our communities.

Respectfully submitted,

Patrick Clark

TILTON-NORTHFIELD RECREATION COUNCIL

1979 Annual Report

With the very competent and guiding help of Sally Huntoon, our past Recreation Director and David Smith, Program Director, CETA employee, we had a very good recreation program. Our activities took on a much broader challenge and more varied programs were offered to all ages.

Due to illness, Mrs. Huntoon submitted her resignation and the duties of Director were taken over by Mr. Smith. Mr. Christopher Finer was hired by the Council as Director for the Playground and Swim Program. An excellent summer program was provided the children of Tilton and Northfield.

Due to a much larger enrollment for Summer Programs, it was necessary to set up a waiting list. We were able to get every child off the list and into the programs thanks to the hard work of staff members. Hopefully the size of our groups will stay the same in the future for all our Summer programs. In the past, summer playground and swim program has had a slight drop-off of participants from the time of registration to the end of the program. We had an attendance of approximately two hundred children and drop offs were minimal mostly due to prior arrangements and family vacations.

Programs offered at Playground were: Wild West Day, Pirates Day, visit with a potter, Interlocken—the New Games Troupe, and demonstrations by N.H. Humane Society, Public Service Co. of N.H. on energy conservation, Trooper LeBlanc & Sam from K-9 Corps, Tom Kuhner, silversmith and Kim Steadfast.

Special trips were made in age groups due to the large amount of children participating. These trips included: Sculptured Rocks, Weirs Beach Waterslide and an all day trip to Franconia Notch for all playground children, staff and chaperones. Parents Day was held at the Recreation Hall so that all could view arts and crafts.

We were plagued heavily with damage due to vandalism by people who were not participating in the swim program. This was caused mostly due to the fact that there was not proper coverage of the beach and parking lot areas during hours and after. The Council would like to thank William Rowell, Jr. for the excellent work he did at the beach area.

The Council has sold the property located at West Main Street to William Murray for \$7,700.00 and the money has been deposited into the Building Fund. We are looking for land or a building on which we could relocate the Recreation Center.

We have had many family oriented programs, such as: deep sea fishing, Ice Follies, family skating, Easter egg hunt, Festival Day, Christmas Party with Santa and movies, gymnastics, slimnastics, disco lessons and many more. Our Recreation Hall has been open for "Open Halls" for all ages so that the facilities at the hall may be used.

In October we hired a new Director, Miss Debbie Smith. Debbie came to

us from Hollis, Maine where she was Director.

We presently have a very active program with our Senior Citizens at the Tilton and Northfield housing developments. They very graciously dyed 300 eggs for us for the Easter program and presently we have Bingo and arts and crafts with them. We have sponsored and will sponsor another trip to the Ice Follies.

Our ski program will hopefully have a good year and participation in family ice skating has been excellent.

Even though we are limited as to when we may use our facilities for programs and during what hours, we have offered many different and varied programs to all ages and at a very minimal cost. This has been made possible only by the assistance of many capable staff people and by those who have volunteered their time, talents and contributions of money, etc. A very special thanks should go to the taxpayers of Tilton and Northfield for their continued support of recreation at our Town Meetings and at the programs offered.

The current members of the Council are: Sandra Cyr, Chairman, Roger Abbott, Vice Chairman, Leona Page, Secretary-Treasurer, Charles Dwinal, Public Relations and Robert Cyr. We invite anyone who is interested, to become a member and join us. Our meetings are held at the Recreation Hall, second and fourth Thursdays, 7:30 p.m. We encourage all to attend and would invite your input into our discussions.

At this time, I would like to close by saying that as a Council we have tried to do what we believe to be the best for both towns and everyone who has participated in our programs. It has been a definite challenge and one which we have tried to fulfill to the best of our ability. A special thank you to the schools and janitorial staff, local merchants, Highland Ski Area, Selectmen and staff, volunteers, Tilton Prep School for the use of the ice rink, our Senior Citizens who have helped in so many ways, to all the young men and women who worked so hard this year on our playground and swim program, Cote's Roller Skating Arena and especially to the other members of the Council who have worked so hard with me and have had so much patience while we have endeavored to make this a worthwhile year in recreation.

Respectfully submitted,
Sandra Cyr, Chairman
Tilton-Northfield Recreation Council

HALL MEMORIAL LIBRARY REPORT FOR 1979

The public library of Northfield and Tilton, Hall Memorial Library, continued to serve the community with one full-time librarian (thirty hours per week), an assistant librarian (thirteen to fifteen hours per week starting September) and an aide (nine hours per week). Temporary aide Mary White served in the library January through June in 1979, while Doug Greene in the summer and Debbie Dow since mid-October, have furnished student help under the Youth Employment Training Program of CETA. The trustees appointed Marian Houlihan custodian. The library was open to the public for forty hours each week, September through June and twenty hours weekly during July and August.

Daily book circulation remained 120 books, records and periodicals per day in 1979. A drop in circulation of adult non-fiction books was countered by increased use of non-circulating books and pamphlets, especially those on local history, the staff noted. Circulation of children's books rose dramatically by over 2,000 items, reflecting the emphasis on reading in schools, community and library programs. Story hours continued for preschoolers and a summer reading program was instituted. Winners of the 1979 contest were Lisa Natoli, Greg Hewes and Susan Austin.

The budget allotment for books in 1979 was the same as for 1978, which meant that fewer hardcover books could be purchased at today's rising prices, but many more paperback titles have been added. The record collection depended entirely on gifts in 1979. Trustees Sally Lawrence and Edna Southwick generously donated a number of new books, some of them memorial gifts.

In April a new photocopy machine was purchased for the library thanks to revenue sharing. Many library patrons have appreciated the convenience of a good copier available to the public for a small fee.

Friends of the Library voted at a fall meeting to use profits gained in annual Book Sale July 27 and 28 and preceding sales for new shelving in the Mary Osgood Children's Room and in the library office. Trustee Warren Hill is receiving bids from carpenters for this project.

In September, the library trustees voted unanimously to accept the librarian's request to appoint Rachel Entwistle Assistant Librarian with hours increased to fifteen hours. Miss Entwistle has worked at the library over a period of years with librarians Mary Osgood, Kathleen Wasiuk and Guenn Winterbottom. Appreciation is here expressed for her service to the library and for that of Library Aide Sandi Emerson, whose work goes beyond the specified hours each officially serves. Moreover, the library trustees have given many hours of dedicated service without remuneration. Camille and Chris Tolme of the Friends of the Library have been very helpful in reviving that group and welcoming new members. Ruth Gorrell donated a lovely Christmas tree to the library and the Garden Club furnished a beautiful large wreath for the doorway, both much enjoyed.

The library staff hopes to attract more visitors by increasing the library's open hours, starting in April. Recommended are daily hours of 11 to 8, five days each week during winter months and a split day of 11-2 and 5-8, five days each week during July and August. The possibility of opening Saturdays from 11 to 3 P.M. is also being discussed.

An exhibit of Dr. Adino Brackett Hall's silver and his Bible was graciously loaned by Brackett Hill in November to prepare the way for the library (named for Dr. Hall and built with funds from his widow) to celebrate the bicentennial year of Northfield in 1980.

Respectfully submitted,

Doris Ullrick, Librarian

ANNUAL REPORT OF THE DISTRICT NURSE

Fiscal Year January 1, 1979 through December 31, 1979

This our 61st year has been an exciting one for the residents of Tilton-Northfield and for the District Nurse.

In the first nine months of 1979 a total of 2,078 nursing visits were made by the District Nurse. 991 in Tilton, and 1,087 in Northfield. Under a contract with the Visiting Nurse Association of Franklin a total of 186 Home Health Aide visits were made to the two towns, and 33 Physical Therapy visits. Homemaker visits at that time were only available in Northfield and totaled 84.

Since the new contract, effective October 1, 1979, was signed with the Visiting Nurse Association of Franklin for full services, nursing visits have totaled 796 (341 in Tilton and 355 in Northfield). Home Health Aide visits to the two towns were 168 (80 in Tilton and 88 in Northfield). Homemaker visits totaled 149 (28 in Tilton, 121 in Northfield). Physical Therapy visits totaled 46, Tilton had 38 and 8 in Northfield. Combined visits for the last quarter 1,059.

A new service was offered to the two towns this year. The Tilton-Northfield District Nurse Association held two Blood Pressure Screening Clinics. These will continue to be held on a regular basis. The Well Child Clinics, the Dental Clinics, and the Immunization Clinics will also continue to be held in conjunction with the Visiting Nurse Association of Franklin, as well as the newly offered full services. Also offered now is the 8 a.m. to 4 p.m. telephone answering service Monday through Friday.

I would like to thank all organizations and individuals who have assisted me in carrying out the work of the Tilton-Northfield District Nurse.

Respectfully Submitted,

Deanna L. Stillings, R.N.

REPORT OF AUDIT

I have examined the Treasurer's journal, schedule of detailed expenses, annual financial report; also the check register, cancelled checks, bank statements, savings accounts, invoices, payroll records and other pertinent records. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such auditing procedures as I considered necessary in the circumstances.

In my opinion the accounting records and statements present the financial operations of the Tilton-Northfield Fire District for the calendar year 1979 in a true and accurate manner.

ANNUAL FIRE REPORT OF WINNISQUAM FIRE DEPT. 1979

Total number of Emergency Calls — 147

Type of calls:

Medical Emergency and Rescue	69
Structure Fires	11
Mutual Aid and Station Cover	10
False Alarms and Negative Emergency Situations	5
Chimney and Woodstove Fires	15
Brush and Rubbish Fires	21
Miscellaneous Calls	16

Present Motor Equipment:

- 1 1968 International 750 gal. pump; 1000 gal. tank
- 1 1952 GMC 500 gal. pump; 600 gal. tank
- 1 1958 Van type emergency truck

Continuous training is carried on to keep our volunteer members up to current fire-fighting and emergency standards, especially for our numerous new members who have joined the Department this year.

The Annual Carole Davis Memorial Christmas party was held for the local children in December. The usual beano and other fund raising activities were carried on, with most of the receipts going towards the new Emergency Rescue vehicle. We have finally realized our long time goal of a new Emergency Rescue truck for the Department. The expected delivery date is early spring due to the tremendous response of everyone concerned, from the Federal, County, and Local governments, to the local residents whom we serve. The Winnisquam Fire Department would like to take this opportunity to publicly thank everyone who has helped us reach this goal, and to remind everyone that it is an on-going project which will need the continual support of all concerned. Our new vehicle will be fully equipped to handle any emergency or disaster situation, in the area which we cover.

The Department is also still working on the details necessary for a new Fire Truck to replace, as soon as possible, our outdated 1952 GMC.

In summary, enthusiastic volunteers, training and the upcoming additions of the new fire truck and rescue vehicle are enabling us to significantly upgrade fire-fighting and emergency coverage of the Winnisquam area.

Respectfully submitted,
Roy S. Ruggles, Clerk, W.F.D
