**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 6:00 P.M.

To the Inhabitants of the Town of Tuftonboro in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Tuftonboro Town House in said Tuftonboro on Tuesday, the 10th day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Three and 00 / 100 Dollars (\$803.00) for town road aid as approved by the Budget Committee. The State will contribute Five Thousand Three Hundred Fifty-two and 29 / 100 Dollars (\$5,352.29).
3. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Three Hundred Thirteen and 08 / 100 Dollars (\$10,313.08) as approved by the Budget Committee, and authorize its withdrawal from state highway subsidy (Chapter 241 Section 14 of the Revised Statutes Annotated, as amended). This money is to be applied to maintenance, construction, or reconstruction of Class V highways in the Town.
4. To see if the Town will vote to raise and appropriate the sum of Seven Thousand Seven Hundred Ninety-five and 38 / 100 Dollars (\$7,795.38), (estimated), as approved by the Budget Committee, and authorize its withdrawal from state additional highway subsidy (Chapter 241, Section 15 of the Revised Statutes Annotated, as amended). This money may be used only for construction, or reconstruction, of Class V highways in Town.
5. To see if the Town will vote to raise and appropriate the sum of Nine Thousand and 00/100 Dollars (\$9,000.00) for interest charges, as approved by the Budget Committee, and authorize the Selectmen to borrow money in anticipation of collection of taxes for the current year and issue notes therefor, said notes to be repaid from taxes.
6. To see if the Town will vote to authorize the withdrawal of Eight Thousand and 00 / 100 Dollars (\$8,000.00) from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, for use of repairs to the tractor at the Town Dump. This item has the approval of the Budget Committee.
7. To see if the Town will vote to authorize the establishment of Town Forests under the provisions of RSA 31:110 and RSA 31:111 and to designate said Forests on lands acquired by the Town, and to authorize the Conservation Commission be empowered to manage said Forests under the provisions of RSA 31:112 (11), and that any proceeds as might

accrue from said Forests be placed in a separate Conservation Trust Fund, to be managed by said Conservation Commission under the provisions of RSA 31:113.

8. To see if the Town will vote to petition the Representatives and Senators, who represent the Town in General Court, to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to Five percent (5 percent) and to limit the annual increase in spending by the State or any city, town, or other governmental unit of State to Five percent (5 percent). This item is on the warrant by voter petition.

9. To see whether the Town would vote to have no commercial development within a one mile radius of Tuftonboro Elementary School because of pollution and traffic hazard to our children. This item is on the warrant by voter petition.

10. To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred and 00 / 100 Dollars (\$1,500.00) to authorize the Selectmen to have plans and studies made for renovation of the Town House and to appoint a Study Committee who will bring in all necessary workable drawings at the 1982 Town Meeting for approval of the voters of the Town.

11. To see if the Town will raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same, the sum of Three Hundred Fifteen Thousand Seventeen and 00 / 100 Dollars (\$315,017.00) as recommended by the Budget Committee, plus such additional sums as may be required to cover the costs of additional items voted at the meeting and in accordance with RSA 32:8.

To transact any other business that may legally come before the meeting.

Given under our hands and seal, this twenty-third day of February, in the year of our Lord Nineteen hundred and eighty-one.

AUDITORS' CERTIFICATE

We have examined the accounts of the various town officers as of December 31, 1980. Our examination was made in accordance with the auditing standards as prescribed by the New Hampshire Department of Revenue Administration, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the statement herein presents fairly the results of the operation of the town officers for the year 1980.

Article 5. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Five Hundred Dollars (\$20,500.00) for the purchase of a fire boat. This item is to be paid for from current year revenue, and has the approval of the Budget Committee.

The motion was made and seconded by Bruce Bottomley to accept article 5 as read. Seconded by William Keyes. An amendment to this article was proposed by Lib Coleman and seconded by Roger Krey. "That no amount be voted at this meeting; instead the Selectmen for the Town of Tuftonboro be authorized to appoint a committee of five or seven, representing the various sections of Tuftonboro to make a study pertaining to all the needs for fire protection in Tuftonboro and bring in an article for the Town Warrant in 1981. This amendment was a voice vote in the negative and declared not passed by the Moderator. Motion was made to move the question and Article 5 passed as read by a voice vote in the affirmative and was so declared by the Moderator.

Article 6. To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred Dollars (\$1,200.00) for interest charges, as approved by the Budget Committee, and authorize the Selectmen to borrow money in anticipation of collection of taxes for the current year and issue notes therefor, said notes to be repaid from taxes.

The motion was made by Brad Hunter Jr. and seconded by Thaddeus Coleman to accept article 6 as read. Voice vote in the affirmative and so declared by the Moderator.

Article 7. To see if the Town will vote to raise and appropriate the sum of One Thousand Eight Hundred Seventy-seven Dollars (\$1,877.00) to pay to the Lakes Region Planning Commission in order for the Town to retain its active membership in said Commission and avail itself of the services offered. This item is submitted with the approval of the Budget Committee.

The motion was made by Howard Saunders and seconded by Roger Krey to adopt article 7 as read. Article 7 passed by a voice vote in the affirmative and so declared by the Moderator.

Article 8. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be used at the discretion of the Selectmen for alleviation of any condition leading to pollution, the cause of which may be attributed to an improper action by a State or Town Board. This item is on the warrant by voter petition, and is submitted without the approval of the Budget Committee.

The motion was made by Roger Krey and seconded by Howard Saunders to adopt article 8 as read. This article was voted in the negative by voice and declared not passed by the Moderator.

Article 9. To see if the Town will vote to require that the Selectmen, before disposing of real property the title to which has been acquired by tax collector's deed, first consult with the Conservation Commission, said commission to recommend if the retention of such real property would be in the best interests of the Town as provided in RSA 80:42a, subject to final ratification of the annual, or a special, town meeting.

The motion was made by Brad Hunter Jr. and seconded by William Rollins to adopt article 9 as read. Voice vote in the affirmative and so declared by the Moderator.

Article 10. To see if the Town will vote to adopt the provisions of RSA 72:62 for a property tax exemption on real property equipped with solar energy heating or cooling system which exemption shall be a deduction of the appraised value of the solar system from the appraised value of the property. This item is on the warrant by voter petition.

This article voted on by Official Town Ballot. Yes 164 No 146
Article 10 declared passed by the Moderator.

REPORT OF THE TUFTONBORO FIRE DEPARTMENT

The Tuftonboro Fire Department would like to emphasize again the importance of a safe and proper wood stove installation. We have responded to numerous wood stove related fires in the past year. Many of these fires could have been prevented by proper installation and a regular maintenance program.

Please remember, if an emergency does arise, fire or rescue, call 569-2121 and be sure to give the following information:

1. FULL NAME
2. EXACT LOCATION
3. TYPE OF EMERGENCY

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town / city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town / city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

1980 REPORT
TUFTONBORO POLICE DEPARTMENT

We live in a small town by most comparisons. As Chief of Police I often become perplexed by the diversity and nature of the various calls for service. I'm called upon to be a social worker, referee or a friend involving a minor disagreement among friends or family; or possibly just getting a cat from behind the chimney damper. At a time like this the "small town" friendly police officer image is called for. In contrast, perhaps moments later, I may be called to investigate some tragic or felonious type situation where the aggressive "tough cop" image may be appropriate. I recall just this summer the thrill of seeing wide-eyed children at the "Town Picnic" looking at the lights and trying the siren on my cruiser, but this joy was only to be transient in that the next call was a twisted wreck on Route 109, then a road block on Route 171 watching for the psychotic killer of two in Moultonboro.

Possibly it's this variation and constant change of situations which maintain my enthusiasm in this job that is most often described as "thankless".

The Police Department in the Town of Tuftonboro is made up of myself, a full-time police officer, Sgt. Carl Hansen, Jr., a part-time police officer and Irene Englund, a part-time juvenile and crime prevention officer. We manage to provide round-the-clock protection with the help of the Carroll County Sheriff's Department and the N.H. State Police who provide coverage in the event we need added manpower or coverage on days-off. The Sheriff's Department provides dispatching.

The recent Master Plan Survey contained several questions concerning the Tuftonboro Police Department. This survey offered both residents and non-residents an opportunity to voice their opinions, suggestions and recommendations as to the kind of Town we want in the future. The following relates to the Police Department:

Question #17

This question asked for an evaluation of the various aspects of life in Tuftonboro. The breakdown rated the Police Department as follows:

EXCELLENT	17%
GOOD	46%
FAIR	26%
POOR	11%

Question #24

This question asked the number of persons who have requested service and their evaluation of the service rendered.

SATISFIED	83%
UNSATISFIED	16%

Question #25

“How do you feel about your Police Department?”

SATISFIED	66%
UNSATISFIED	13%
NO OPINION	21%

Question #27

This question asked for opinions as to the size of the Tuftonboro Police Department.

JUST RIGHT	25%
ENLARGE	45%
ABOLISH	3%
NO OPINION	27%

Question #26

This question asked about the additional services which the Police Department should provide.

- Additional personal
- Dog Control
- Summer Enforcement
- Property Patrol
- Minors
- Improved Response
- More Patrol
- Faster Emergency Response

I will not attempt to interpret these figures but to say that they seem to reflect a vote of confidence and support for our department. Obviously, implementation of additional or improved services will require additional manpower and equipment.

1980 was a very busy year for the Police Department. Our “Compliance by Enforcement” technique of dealing with routine speed, drunk driving and other motor vehicle offenses has continued to give Tuftonboro a motor vehicle accident record favorably far below all surrounding communities by all methods of measure. Of the three accidents involving personal injury last year two involved skidding-on-ice type accidents on Route 171, while the third resulted in the operator being convicted of drunk driving. Other motor vehicle prosecutions involved:

78	Speeding
18	Drunk driving
40	Other motor vehicle offenses
950	Motor vehicle offense warnings
316	Defective equipment checks

We had a drastic increase in the number of residential burglaries and thefts. Most of the thefts involved boat accessories and gasoline from

motor vehicles. The close working relationship between our department and investigators of the Carroll County Sheriff's Department enabled us to make apprehensions and restitution in many of the cases.

We resorted to using several unmarked vehicles and foot patrols in several areas of town resulting in several apprehensions of persons actually in the process of committing thefts. The word-of-mouth deterrent value of this effort has been remarkable.

Generally I am pleased with the citizen cooperation, but in many instances victims of "minor" incidents often wait several days or completely fail to report incidents because-- "I didn't think it was very important." Please! --do not hesitate to immediately contact the department on anything you see or suspect no matter how minor. Your call will remain in confidence, but could be what we need to gather trends of activity and ultimately be the final piece which completes the puzzle.

At the risk of appearing melodramatic I feel that I must remind people of some recent incidents which have occurred in our own "backyards".

Spring, 1980

* Three shotgun blasts were fired into a residence in Center Tuftonboro.

Summer, 1980

* Six shots were fired into the home of Police Chief John Fogarty in Center Ossipee. Five people were within and miraculously escaped injury.

Summer, 1980

* Two members of a family were shot to death in Moultonboro and the perpetrator fatally shot himself a short time later.

Summer, 1980

* A woman entered a Meredith restaurant and shot her husband to death within a crowd of others.

Winter, 1980

* Harry May and family were held at gun point, robbed, assaulted and then left tied up at their residence in Center Ossipee.

With these recent events in mind I find it difficult to convey the impression that everything is just fine in Tuftonboro. These events only serve to remind us that we're not immune or insulated from this type of violence in our quiet little town, but rather, there are only a few that are not aware of the several situations right here in Tuftonboro where "the fuse is burning!"

JUVENILE PROGRAM

Officer Irene Englund joined our department in 1978 with the idea of being used as a matron in cases involving females and juvenile offenders. Irene indicated a desire for more law enforcement involvement by suggesting more emphasis in the areas of safety, crime prevention and juveniles. The program was decided to be a worthy venture by myself and the Selectmen, thus the following programs have been presented during 1980 to the community.

SAFETY

May 16, 1980

A two part program was presented at Tuftonboro Central School on "Bicycle Safety" and the dangers involved in talking to strangers. The movie "When Bicycles Disappear" was viewed, followed by a question-answer session and then a talk concerning the rules of bicycle safety and maintenance.

After viewing the film "Nay-Nay, Stay Away From Strangers" in which Patch the pony shows the pitfalls and potential danger of associating with unknown persons, "Patch" made a live appearance outside and "talked" to all the students.

BICYCLE SAFETY RODEO

June 12, 1980

Eighty-three (83) children in grades K through 5 at the Tuftonboro Central School participated in a bike riding rodeo emphasizing safety. The idea was that with Summer approaching the children could learn and practice their skills on the specially designed miniature roadway which was laid out complete with miniature road signs. A talk was given on safe riding, rules of the road and bicycle care and maintenance. The bicycles were inspected and minor repairs and adjustments were made while reflective tape and "hot-dots" were distributed prior to riding the rodeo course.

BUS SAFETY

September 22, 1980

The importance of safely riding, boarding, exiting and emergency evacuation of school busses was demonstrated. The students practiced crossing the highway and actually viewed the road from the bus driver's seat.

An unrehearsed video tape was viewed and discussed. This video tape in a "candid camera" fashion captured the children without their knowledge approaching, boarding and descending the busses at several locations about town. The children actively participated and were thrilled by actually being on television.

This video tape concept was submitted to the Pupil Transportation Division of the Department of Safety in Concord where it has been accepted as a National Model Program.

ALCOHOL AND DRUG ABUSE

Nov. 17

Parents were exposed to the drug and alcohol problem via a lecture and display of common street drugs and paraphernalia. The signs and symptoms of drug abuse were discussed along with a candid senerio of the immediate problem locally.

Nov. 21

Tuftonboro Police Officers went to each classroom with a display and talk about drug and alcohol abuse. A full range of questions, answers and enthusiastic comments were contributed by students.

THEFT PROGRAM

September 12, 1980

The fifth grade children wrote, directed and presented a skit which was performed in the Tuftonboro Central School auditorium for the other grades. The skit depicted a shop-lifting situation and portrayed some moral, ethical and legal aspects of this crime.

The Police Department conducted a question-answer period concerning theft and associated crimes.

Irene has participated in various police training courses including firearms training so as to attain State certification as a part-time officer prior to the May '82 mandatory deadline.

She attended several seminars on Highway Safety presented by the N.H. Safety Council in Concord, instructed several C.P.R. (cardio-pulmonary resusitation) classes in the community and successfully attained National Registry recognition as an E.M.T. (Emergency Medical Tech.)

Thank you Irene for your valuable contributions of time and energy to the department and the community.

PLANNING BOARD REPORT

In order to retain the third Friday of each month solely for business with residents of the Town seeking approvals or advice, the Planning Board set aside the first Thursday of each month for work shop sessions. The purpose of this decision was to make better progress with a suitable Master Plan. The results of this action have been excellent. A questionnaire was prepared, with the assistance of the Lakes Region Planning Commission, which we tried to distribute to every taxpayer owning property in the town of Tuftonboro. This questionnaire was designed to cover all possible conditions related to growth and contained 74 questions. Completed replies were received from 308 residents, and 221 non-residents. The tabulation of the contents of these extensive questionnaires was a difficult problem, but on four occasions, volunteers from the town appeared to help with the tabulations, and the members of the Planning Board thank them for their assistance. We believe that before the end of 1981 the Master Plan work will be completed.

CONSERVATION COMMISSION REPORT

During 1980 Joseph Capizzi and Blair Rudolph retired from the Commission and Ralph Kirshner was appointed to the Commission by the Board of Selectmen. Ralph is an environmental biologist and brings a wealth of knowledge and ability to the Commission.

In January posters were placed in several public places to remind dog owners of the seriousness of the deer-running dog problem.

In March the Wetlands Conservation District Ordinance (the drafting of which the Commission spent considerable time and effort on) was passed by a vote of the townspeople.

In September Ralph Kirshner and Eric Roseen attended a three-session wetlands protection workshop at the Squam Lakes Science Center in Holderness.

Throughout the year many Dredge and Fill Permit applications were investigated by Commission members. Considerable time was also spent studying the feasibility of the Commission managing the town's forests for timber production, recreation, and education. An article regarding this will be in the town warrant. Again this year a subscription to the National Wildlife Federation's children's publication, "Ranger Rick Magazine", along with a teacher's guide, was supplied to the Tuftonboro Central School for fourth grade instructional purposes.

ROAD AGENT'S REPORT.

We installed fill and reshaped new road from Tuftonboro Colony to the Town House. We also installed guard posts on this road and plan to tar the road in 1981. We widened and tarred both the Union Wharf Road and the Sodom Road. We cleaned ditches and repaired washouts on all roads, and dynamited several rocks in the roads that interfered with snowplowing.

The circulation of books was 7,164. This is down 401 mostly because of fewer summer visitors.

Six children's programs in the summer were organized by Betty Gunrud and Carol Truebe. Other volunteers were B. H. Hodges, Lorie Smith and Brenda Williams.

714 books were added. The total collection is now 5265.

212 books were purchased with an average of \$9.07 cost per book.

The trustees are grateful to the Friends of the Library and the Hurlburt Trust Fund which made it possible to purchase 3 additional double faced stacks which alleviated much of the overcrowding on the shelves.

REPORT OF THE TRUSTEES OF TRUST FUNDS 1980

The year 1980 marks the fifth year that we have followed a systematic program for the maintenance of the cemeteries.

As most of you appreciate the fact that there have been many improvements, and constant programming in the care of cemeteries are now showing results.

Our labor costs reflected an increase which we were able to meet and the firm that handles our maintenance were satisfied with the way this was handled.

The summary sheet in the Town Report reflects the condition of our finances and should anyone wish to review the entire setup, there are copies at all times with the Selectmen, as well as with the Trustees.

Our report shows the money in trust funds added this year. All of these additions are a big help and are in the hands of the Trustees. There are still lots in cemeteries that are not covered by perpetual care, and we would appreciate these families contacting either the Selectmen or the Trustees. We can be of real help in setting this up.

Thanks to the Town for your appropriation for improvements. As we were watching economic changes we did not spend the amount allotted. The balance has been turned back to the Treasurer.

This coming year, your appropriation will be welcome and we intend to progress on program we already have mapped out.

TUFTONBORO PARK AND RECREATION COMMISSION

The selectmen appointed two new members to the Commission this past summer. They are Cheryl Williams and Betty Gunrud.

A Red Cross Swimming program was held during July and August at the Melvin Village docks. The Commission sponsored a town picnic at the Tuftonboro ball field in September. There was a bicycle, doll carriage parade judged by members of the Tuftonboro Grange and the Hikers plus various races for the children. The Police and Fire Departments generously donated their time and demonstrated their equipment for us.

We are in the process of reviving the town skating rink located behind the library. Necessary repairs will be made during the warmer months, giving us a much larger and better lit area for the 1981-82 season.

Films from the N.H. State Library have been shown to the elementary age children throughout the winter. An aerobic dance class is currently meeting weekly at the school gym. All are welcome to attend.

We are here to serve you. Suggestions for programs and volunteers are greatly appreciated. Please let us know your ideas and concerns.

**VISITING NURSE ASSOCIATION
- ANNUAL REPORT -**

Requests for the services of our agency continue to increase. Earlier hospital discharge, increased population and increasing services available are all contributing factors. A total of 5,511 visits were made by the agency staff members. An additional 265 Home Health Aide visits were made under the contractual agreements with the Carroll County Health and Home Care Service which serves Carroll County, and the Lakes Region Community Health Agency which serves Alton.

Our Immunization Clinic Program continues to offer immunization clinics in Alton, Wakefield and Wolfeboro. These clinics are held in cooperation with the local school systems. A total of 680 children received 1131 immunizations through this program. Four clinics are held in Alton and Wolfeboro each year; monthly clinics are held in Wakefield. All clinics are open to all children from age two months and are free of charge. Adult Health Screening Clinics, open to all residents of our service area were held in Alton and Sandwich in cooperation with the local Lions Clubs. Screening tests for glaucoma, diabetes, hypertension, vision, hearing and oral cancer were provided. Staff members assisted at the Wolfeboro Senior Citizens Club Flu Immunization Clinic and held blood pressure screening clinics in Sandwich and at the Huggins Hospital Street Fair.

Our application for funding for a Well Child Clinic Program through the State Department of Public Health, Bureau of Maternal and Child Health was accepted. At present we are offering these services at two locations: Wakefield and Ossipee. The Ossipee clinics are being held in cooperation with the Ossipee Nursing Service. The Well Child Clinic services are available through regularly scheduled clinic appointments for children enrolled in the program. Services include physical examinations and assessments, immunizations, hearing and vision screening, speech assessment, nutritional counseling and dental preventative care. The services are available to children from birth through five years of age who reside in our service area. We hope to establish a third clinic site in Wolfeboro to make this program more accessible to Alton and Wolfeboro residents.

The success of our programs is dependent upon many people: the commitment of our board members; the assistance of school nurses, particularly with the Immunization Clinic Program; the doctors, nurses and volunteers who assist with our Well Child Clinics, and the support of local residents and taxpayers who contributed financially to our fund drive and give their support to our appropriation request. The Board of Directors, the agency staff and I thank you all.

Respectfully submitted,
DAVENA R. DEWOLF R. N.
Nurse Administrator
